F M WILCOX - COUNCIL:

VOTED, That we request the Review and Herald Board to send F M Wilcox to the Fall Council to be held in California November 5-30.

R L PIERCE:- COUNCIL:

VOTED, That we invite the Southern Publishing Association to send their manager, R L Pierce, to the Fall Council to be held in California November 5-30.

COMMITTEE AUDITING EXPENSE ACCOUNT:

The Committee appointed by the last Fall Council to audit the expense of the laborers for 1914 have finished their work. In submitting their report they called the attention of the Committee to the following:-

1. Brother F C Gilbert reports an expense of \$203.24. The most of this is embraced, it seems, in traveling, somewhat locally. As an example we cite the month of March, when fourteen days of the month are reported as put in traveling. It seemed to us that this is rather a large amount of time to spend in one month traveling, looking after local affairs.

2. We note that the secretaries of the Foreign Departments reported quite a large expense account, most of which is incurred in traveling. The greater part of these expenses seemed to be created without any special direction from the officers of the Division Conference. This seemed a little unusual to us, as all officers and secretaries at headquarters travel only by direction of the Committee. It seemed to us that some method should be devised by which they would be more closely under the direction, and in closer counsel with, the President of the Division Conference.

3. We also note the telephone expense of Elder S. N. Haskell, who reports expense for a telephone each month in his home.

G B Thompson, Secretary Auditing
Committee.

The Committee expressed their approval of these suggestions, and requested that they be spread on the minutes.

Adjourned.

I H Evans, Chairman,
G B Thompson, Secretary.

DANIELLS' RETURN:

We were all glad to welcome Elder Daniells again into our midst. He had just returned from his long trip through Australia, India, China and other countries.

RUBLE-MELROSE:

A request from Elder R D Quinn, requesting that Dr. W A Ruble be advised to connect with the Melrose Sanitarium, was considered.

VOTED, That inasmuch as Dr. W A Ruble is a strong factor in the faculty of the Loma Linda medical College, and we are not informed as to how this request would affect the Loma Linda school, and as we do not wish to take any action that would in any way weaken the work being carried forward at Loma Linda, we request that the Loma Linda Board give this request careful and prayerful consideration, and that we would not object to the proposal for Dr. W A Ruble to connect with the Melrose Sanitarium, as requested by its Board, providing the Loma Linda Board and all parties directly concerned in the proposed transfer see light in it and are agreed in the matter.

OSTOICS - SALARY:

The work and support of Brother Milan Ostoics having been referred to the North American Division Conference for consideration, and as his work in the Southern Illinois Conference among the Servians is in an undeveloped state, and they are unable to continue his support, it was, therefore,

VOTED, That we pay the salary of Brother Ostoics for three months.
