Held at the Tabernacle, Battle Creek, Mich. March 10, 1916.

TWENTY-CENT-A-WEEK FUND.

Elder I H Evans stated that the question to be considered was the action passed at the recent fall council concerning the Twenty-cent-a-week Fund. The brethren in the Lake Union Conference feel that this action, as it now stands, will greatly embarrass them in the work of paying their debt and raising the Twenty-cent-a-week Fund, and that it will necessitate their inaugurating some other plan for creating a fund to liquidate their indebtedness. Fears were expressed that if the action of the Loma Linda council prevails, it will result in destroying the Twenty-cent-a-week Plan.

Elder Evans further stated that the question had been raised whether it would not be advisable to let the plan of 1915 prevail until the time of the next General Conference when some other plan can be inaugurated to provide for the growth of the work abroad. The question was discussed at considerable length, and it was--

VOTED, That a committee of five be appointed by the chair to give the question study and report. The following persons were appointed as said committee: A G Daniells, I H Evans, W T Knox, Chas. Thompson, L H Christian.

Recess.

4:30 P. M.

Prayer by W. T. Knox,

The Committee appointed at the previous meeting to make recommendation with reference to the future plan of the Twenty-cent-a-week Fund presented their report as follows:

> Whereas, The recommendations concerning the Twenty-cent-a-week Fund, adopted at Loma Linda seem to be difficult to carry out, and indications seem to point out that the mission funds will not be increased by the plan while some of the Union conferences feel they will have to raise a special fund to apply on their indebtedness, and --

Whereas, The General Conference needs additional funds for its extended work in the needy mission field, therefore,--

RESOLVED,

- (1) That we rescind the Loma Linda action concerning the Twenty-cent-a-week Fund.
- (2) That during 1916 we work on the plan of 1915.
- (3) That beginning with 1917 we send to the General Conference seventeen cents instead of fifteen cents. All above this to be returned to the Union on the same basis as 1915.
- (4) That we increase the donations to the General Conference one cent a year thereafter till the General Conference is receiving twenty-cents a week for missions, and the remainder of the offerings from any union to be returned as in plan of 1915. ↗

SESSIONS OF NORTH AMERICAN DIVISION AND GENERAL CONFERENCES:

Study was given to the holding of the next sessions of the North American Division and General Conferences. As time is quickly passing it was felt that it was not too early to give some consideration to this important gathering. After some careful study the following action was taken.

Whereas, World conditions are such at the present time that we do not know what a day will bring forth, and--

Whereas, Our work in Europe and Mexico is involved to such an extent that it seems improbable at this time that we could secure a proper delegation from countries outside the North American Division Conference if the conference sessions are held as early as the spring of 1917, and --

Whereas, It seems to us that it would be better if the first meeting in the Asiatic Division conference could be postponed till the spring of 1917 than to hold it in the autumn of 1916 as now planned, and --

Whereas, The winter seems to be more favorable for holding the General and Division Conferences than in the spring or fall because of the strong evangelistic work always unfinished or to be entered upon at these seasons of the year, therefore,--

We suggest to the members of the committees that the sessions of the General and Division Conferences be held in the winter of 1917-18, and that this suggestion be submitted to all members of the General and Division Committees for their prayerful consideration, and request that they report their decision of the question to their respective secretaries at as early a date as possible.

I H Evans, Chairman.
G B Thompson, Secretary.
