

Week of Sacrifice, June 5-12

"AND there came a certain poor widow, and she threw in two mites, which make a farthing. And He called unto Him His disciples, and saith unto them, Verily, I say unto you that this poor widow hath cast in more than all they which have cast into the treasury. For all they did cast in of their abundance, but she of her want did cast in all that she had, even her living." Mark 12:42-44.

This widow hurriedly threw her mites into the treasury with the hope that she would not be noticed. The gift was so small, and, as compared with other contributions made by the rich Pharisees, had no value. But she loved the cause to which gifts were being made that day and she desired to have a part in it.

She gave because she loved, and the gift of that poor widow meant a sacrifice for she gave "even all her living."

A farthing given in sacrifice, and with heaven's blessing, becomes of more worth than the abundance of the rich Pharisee.

God's work in the earth started by sacrifice, and it will be finished by sacrifice. Upon the children of

men has been placed the responsibility of taking the gospel message to all the world. This task can only be done by the sacrifice of time, talent and means.

With the opening providences of God preparing the

hearts of men for the reception of His message, ever-increasing demands are being made upon the missionary to extend his borders, to reach out to still others who have heard something of Jesus' love and who want to know more.

What shall be the response to these requests? How shall schools be opened in new villages, unless it be possible to supply the means to enable the missionary to send on the teacher and provide him with a home and a school house?

The invitation is for all to give their income for the week, June 5-12, that the Mission Board may be able to carry out its present mission pro-

gramme, and do what it can to respond to the many urgent appeals from those still out of the fold, but who long to be taught the way of righteousness. A natural question may be, How will it be possible to get along without a week's income? Let us remember the

A Call

"There's a cry in the wind tonight
From the homes where the Lord is
unknown,
While the Shepherd above in pitying love
Intercedes at His Father's throne.

"There's a call from the darkness tonight
That haunts the lighted room,
From His other sheep in the broken steep
At the edge of eternal doom.

"There's a pain in my heart tonight,
From the heart of God it came,
For I cannot forget that He loves them yet,
And they've never heard of His name.

"There's a sob in my prayers tonight,
When I think of the million homes
Where never a word for the Lord is heard
Nor a message from Jesus comes."

poor widow of Christ's day, for "she of her want did cast in all that she had."

This work of taking the gospel to every kindred, tribe and people will soon be finished. Soon we will not be asked to give any more. Our Father is rich in houses and lands. The silver and the gold are His, but for our good He wants us to give, and to give until it becomes a sacrifice. This is true particularly because of the blessing that comes to those who love the cause of God, and who are so interested in its advancement, that they feel it a privilege to make the sacrifice. "Provide yourselves bags which wax not old, a treasure in the heavens that faileth not, where no thief approacheth, neither moth corrupteth." W. B. COMMINS.

MISSIONARY VOLUNTEER CORNER

Notes

A NUMBER of reports for the first quarter of 1926 have not come to hand as yet. Please forward these at once to P. O. Box 468, Bloemfontein, O. F. S.

ALMOST half the year has passed. What have you done towards raising your share of the M. V. Goal? Remember the individual goal is £1-0-0 for those above fourteen years of age and 10/- for those under. Are you working with the idea in mind of reaching at least your share of the goal before the end of the year? The proceeds of our goal are to be used towards the erection of the young ladies' dormitory at the African Missionary College. Young people, we cannot fail to do our part. Be sure to have payments designated "M. V. Goal." E. M. HOWARD.

The Reading Courses

JULY 1 is the time set for the commencement of the new Reading Course year. It is time, therefore, for us to place our orders for the new books, so that we may begin on time.

The selection of books is better than ever before, and the prices reasonable.

The Senior Course comprises the following books: "Missionary Adventures," "Ups and Downs of Life," "Story of Abraham Lincoln," and "How We Got Our Bible." The full course costs one guinea.

"In the Lion Country," "John Williams, the Ship-builder," and "Early Writings," are the books chosen for the Junior Course. This set may be procured for 15/6.

The Primary Course consists of two very interesting books: "Stories Mother Told," and "The Congo Picture Book." The price of these books is 11/9.

Probably, for the first time in the history of the Reading Courses, three books are by workers in the African Division, and we would direct the special attention of our young people to these books.

"Missionary Adventures," by Elder Branson, will be of thrilling interest to our senior young people. "In the Lion Country," by Elder Konigmacher, is well suited to the minds of our juniors, and that excellent

little book by Sister Boger, "The Congo Picture Book," will surely grip the hearts of our children. We would urge the possession of a set of these books by as many as possible of our young people. Begin now to build up your library with books that are elevating and ennobling.

Young people's leaders, will you not make this the biggest year for our Reading Courses?

Order now through the regular channels.

E. M. HOWARD.

News Notes

WALTER AND VICTOR SMITH are enjoying a visit from their father, Brother W. D. Smith, of George.

PROFESSOR DICK returned on the 5th inst. from the Division committee and School board meetings in Cape Town.

BROTHER AND SISTER SWANEPOEL, who are engaged in colporteur work, visited the school for a few days recently.

BROTHER AND SISTER AVES and children have returned from Dewetsdorp, O. F. S., where a few weeks ago they passed through the sad experience of laying their baby to rest.

SISTER SEARLE has been forced to give up her duties as head of the Music Department because of ill health. We greatly regret her withdrawal, especially as the Music Department had just nicely started.

THE school garden presents a very interesting appearance of late. About seven thousand sturdy looking cabbage and cauliflower plants are set out in perfect geometric design. These help to give the garden a very trim appearance.

ABOUT seventy sets of books were sold in Ladysmith in the recent Big Week effort, by a company from the College. Considering the fact that the latter half of the day was spoiled by rain, the result is very commendable.

AN impressive "Mothers' Day" programme was arranged by the Christian Help Band and given in evening worship on May 4. Many of the mothers in the community were present. The various numbers given were of sufficient inspiration to cause many to write a letter home to mother. Mrs. Bender is the leader of the Christian Help Band.

THE following is a list of the students who have enrolled this year:

Ivan Ansley, Ross Ansley, June Bender, Thomas Bender, Dina Boekhout, Freya Boekhout, Johan Boekhout, Jan Botha, Gabriel Botha, Ira Bredenkamp, Ray Bredenkamp, Ruth Bredenkamp, Edward Buckley, Robert Buckley, Amy Bulgin, Philip Bulgin, Roy Ingle, Grace Burton, Karel Breytenbach, Nico Claase, Amy Cooks, Wentzel Cowper, Ambrose Crouch, Willie Bruff, Jean Cramond, Delbert Dick, Genevieve Fortner, Virginia Fortner, Clara Frankfeld, Delmer Gibson, Julia Gibson, Virgil Gibson, Elaine Giddings, Stephen Hiten, Ernest Hodgson,

ELDER WRIGHT attended a meeting of the Orange River Conference committee, May 4.

ELDER WRIGHT was present and spoke to the church in Bloemfontein, Sabbath morning, May 8.

MISS MOCKE, our Union office stenographer, went out the first day of Big Week and disposed of her full quota of books. She reports some good experiences.

REPORTS to date cause us to believe that we have had a successful Big Week this year. We hope to give a full report in the next issue of the OUTLOOK.

WE were pleased to welcome Brother and Sister A. F. Tarr back to Bloemfontein a few days ago. They have been in East London assisting Elder MacNeil in his tent effort.

TUESDAY night, May 4, Elder Howard left for Emmanuel mission. He is to conduct a tent effort near that station, during the next five weeks. Let us pray God to bless this effort in the winning of many souls.

Notice

At the Orange River Conference committee meeting held in Bloemfontein, May 4, it was voted that we endeavour to raise a loan of £500 so as to enable this conference to carry on very important work in the near future. We would be glad to hear from anyone in our conference who would care to loan money to the Orange River Conference at a reasonable rate of interest. Please communicate with the president of the conference at an early date.

S. G. HITEN, *Acting President*.

Berig van die Gemeente van Kuruman

Op die 17de April 1926 het ons hier nagmaal gevier. Ons het daar die liefde van ons Here Jesus gevoel, en verstaan dat Hy Sy lewe vir ons gegee het op die heuwel van Golgota.

Eerw. Hiten van Kimberley het oor die liefde van Jesus gepraat uit Joh. 20: 15 en 2 Kor. 5: 14.

Onse getuienis was om van nou af en voortaan vir die Here te leef, en ons bede was gewees om krag om aan Jesus vas te hou. Ons het same Lied 29 uit die Afrikaanse boekie gesing.

Ek hoop dat diegene wat getuienis afgelê het, 'n kroon sal wees voor ons Here; dat ons Jesus sal ken, wanneer Hy kom, en dat ons en ons kinders altesame Hom tegemoet sal gaan.

ADDRESS: *P. O. Box 378, Port Elizabeth, C. P.*

Items of Interest

WE are happy to hear that Brother A. Koen, who is at East London, and who has been very ill with enteric fever, is recovering.

BROTHER L. A. VIXIE spent Big Week at Cradock. He has been assisting the native colporteurs. He reports some good experiences and excellent sales at Umtata.

SISTER L. A. VIXIE has returned to the conference office from a tour in the interest of the Sabbath school work. She visited East London, Bethel, Komgha, Cathcart, Kingwilliamstown, Balfour, Lower Blinkwater and Adelaide. Besides encouraging the Sabbath schools and isolated believers, Sister Vixie organised two home Sabbath schools.

UPON his return from Pondoland, Elder Moffitt spent a day and a half in the conference office, then went to Cape Town to attend the Spion Kop College board meeting. For the first time, Elder Moffitt visited the new school farm at Somerset West, and was favourably impressed with the location and the progress of the building project.

TO EVERY MEMBER:

An Appeal

(Continued from page 3)

not ignorant of his devices and so report the proceedings of this gathering. At their session, plans were formulated to hinder the progress of the Third Angel's Message in our field.

The demons of darkness sat in silent expectancy, waiting to hear from their chairman the order of business. They were not disappointed. The chairman, a tall, evil eyed being spoke. There was a sinister smile lurking on his face as he said:

"I have called this special session of our organisation to consider ways and means whereby we can stop the advancement of the remnant church. Thoughts of the brief time allotted us in which to ruin the souls of these people trouble me. Some are not now paying an honest tithe, but if we can influence all the members to stop tithing their income, their gospel promotion will cease and Christ will be defeated. Throughout their conference, they are adding evangelists to their force of workers, with the evangelisation of the world in this generation as their object.

"To engross their members in worldly affairs, involve them in debt and discourage them in paying their tithe into the church is our greatest task. Therefore, I must insist upon your working the following programme:

"(1) Influence every member to feel that he cannot afford to pay tithe.

"(2) Cause them to forget their obligation.

"(3) Influence them to continue investing their money in fine homes and selfish interests.

"(4) Confuse their minds so they cannot tell what their increase or profits are upon which to pay tithe.

"(5) Influence them to break confidence with their organisation, and thus withhold their means.

"(6) Influence them to make out their wills in such a way as to deny any inheritance support to the Cause. Thus we will get them to withhold their means in life and death.

"There are many other ways in which you can stop them from paying tithe, but be gone now, and 'make war with the remnant of her seed, which keep the commandments of God and have the testimony of Jesus Christ.'"

Dear brethren and sisters, these are exactly the manœuvrings of Satan today. If he could, he would defeat the present plans to evangelise the Natal-Transvaal field.

At this time, three tent efforts are being conducted. Elder Hyatt is holding meetings in Johannesburg, and with him are associated Brother and Sister Le Butt, Miss de Beer and Brother Symons; Elders Carey and De Beer, with Sister Carey, Sister Dixie and Brother Retief are working in Krugersdorp; and Elder Hodgson is conducting meetings in Kraalkop.

There are also prospects of efforts being held this year in Norwood and Pretoria. New workers have been added to our evangelistic force, but our tithe for the first quarter of 1926 is £140 less than for the first quarter of 1925.

Are you, dear reader, paying a tenth of your income into the Lord's treasury? Are you placing a tenth in the tithe envelope and handing it in on the Sabbath? The reason for this decrease is because some-

one has failed to pay tithe. Is it you? Read Malachi 3: 8-10. The paying of tithe is an individual moral obligation which we owe to God. To rob Him is fearful!

We appeal to you to be faithful. Will you not study your money matters and turn in a true tenth this month, so that the work of God may not be hindered in this field? Then, pray most earnestly that there will be a great harvest of souls this year as a result of the five soul-winning campaigns being conducted.

Yours for a faithful tithe,

B. M. HEALD.

Notes

WE are glad to report that Brother Jewell is improving in health. We certainly trust that he will soon be well again.

ELDERS Stockil and Wilson, together with Doctor Kretchmar, spent a few days in Bulawayo recently attending the Union committee meeting.

In a letter received from Brother W. S. Smith, of the Lower Shangani mission, he states that they are making some improvements in their home, and that he hopes by the time another rainy season comes around, they will have their house mosquito-proof.

WE are sorry to report that Pastor Stockil has had considerable illness in his home of late. Mrs. Stockil and son and daughter have all been ill with fever. Elder Stockil reports that his daughter was in a critical condition for two or three days. However, she has passed the crisis, and is now regaining strength.

Upper Zambesi Mission

WITH further reference to the floods at the Upper Zambesi mission, Brother Konigmacher, who returned home just after the flood, writes: "When I came home, I found Mrs. Konigmacher in a hut at the compound, and they were using a canoe to get around the yard. The mosquitoes were so bad, that we moved back to the house as soon as possible. Yesterday, I fixed up the church, and today the kitchen."

Brother Konigmacher further reports that his trip into the wilds lasted fifteen days. The people were very glad to see him, and to hear that a teacher was soon to be sent to them.

Please Note

THE South Rhodesia Mission Field book room and office have now been moved to the Lower Gwelo mission, P. O. Box 78, Gwelo, Southern Rhodesia. All communications in connection with the work of South Rhodesia should be sent to the above address.

Those Seventh-day Adventist Mistakes

A review of a paper read by the Rev. Chas. Garratt, pastor of the Wale Street Baptist church, before the annual assembly of the South African Baptist Union at Troyville, Tvl., September, 1923, and later published in "The Midnight Cry" and in tract form.

BY W. H. BRANSON

Chairman of the General Conference of Seventh-day Adventists (African Division)

Many thousands of these papers have been sold, and orders still come in. We feel sure that many more orders would be sent in if it were generally known that these papers could be obtained still. We therefore announce that we have on hand a good supply of the "African Division Outlook" of April 15, 1924, containing the reply of Elder Branson to the Rev. Garratt, on the above very important subject. Write today for a supply.

Price, 12 copies, 1/9; 100 or more copies, 14/- per 100. Order from the Sentinel Publishing Company, Kenilworth, Cape, and send cash (either postal order or postage stamps) with order.

**Remember to plan for the Week of Sacrifice
June 5-12.**

General News Notes

ON the 1st inst., Brother W. B. Commin sailed from Cape Town on the S. S. "Tanganjika," for Lobito Bay, Angola. Brother Commin will spend a short time at our mission at Lepi, auditing the books of that station for the last two and a half years, and will return to the office towards the end of this month. The Equatorial Union Mission is our most recently organised field, and we are sure our readers will be much interested in a report of the work in that union, which Brother Commin will make upon his return to the Cape.

ELDER AND MRS. E. C. BOGER, together with Brother O. R. Shreve, expect to leave next week for the Congo. Elder and Mrs. Boger have been at the Cape on a six months' furlough. Brother Shreve will accompany them to their field, and will spend several months at the Songa mission, helping with the building work at that station.

AT Port Elizabeth, on the 12th inst., the marriage took place of Brother P. W. Willmore and Miss Violet Jeffrey, Elder J. W. MacNeil officiating. We extend to this young couple our best wishes.

Special Announcement

THE long looked for Index to the Combined Writings of Mrs. E. G. White will come from the press early in May of this year. The book is being issued by recommendation of the General Conference. It will contain almost 850 pages, printed on Bible paper, limp binding. The retail price of 15/- was fixed by the General Conference Council last October. Naturally, it has been a very expensive book to produce, and had not the General Conference subsidised the undertaking, it would have carried a retail price of 30/- to 37/6.

The book is being published by the Pacific Press Publishing Association. The purpose of this announcement prior to the date of issue is for general information, but primarily a request for advanced orders so as to determine the size of the first edition as nearly as possible.

The publishers are putting out detailed advertising which will give fuller information than can be put in this paper. Advanced orders should now be placed in order to secure a first edition copy. In all cases, the orders must be placed with your Book and Bible House.

We give below extracts from statements by Elder Spicer, president of the General Conference, and Elder F. M. Wilcox, editor of the *Review and Herald*, as to the value of this book:

"I have just seen specimen pages of the Scripture section of the Index, by which the Bible student can turn, in a study of a portion of Holy Scripture, to the illuminating and inspired comments on that very portion in all the various volumes of the Spirit of Prophecy.

"Then there is the index of subjects, a guide to the topical study of the volumes. This Index, which has been in preparation for some time by Elder W. C. White, and efficient helpers, under General Conference recommendation, is sure to be quickly a well-worn and treasured book in the hands of gospel workers and believers." (W. A. Spicer.)

"For many years, I have desired an index to the writings of the Spirit of Prophecy. I have felt my need of this in personal study of the Bible and of the Testimonies as well as in my work as minister and editor. . . . I have, therefore, been greatly pleased to know during the last two or three years that a book of this character was under preparation, and during the last few months I have had the privilege of examining a good portion of the manuscript of the proposed book. I can say that it more than meets my expectations. It ranks next in value to a complete concordance of the Holy Scriptures. I believe it will be found invaluable not alone to our workers in every department of this movement, but to our brethren and sisters generally, in the personal study they will wish to give to the writings of the Spirit of Prophecy. Every one who possesses the writings of Mrs. E. G. White will want a copy of the Index, and every one who realises the possibility of the Index will desire more than ever to possess a complete set of Sister White's works. I believe that the Scriptural and Subject Index of Mrs. E. G. White's works should find a place in every Seventh-day Adventist home." (F. M. Wilcox.)

Place your order at once. Price, postpaid, 15/-.

Obituaries

FISHER.—Died on April 26, 1926, in the Kimberley Hospital, Norman Frank Fisher, at the age of eighteen years. Norman was the son of Sister Fisher, a member of the Kimberley church, and was laid to rest in the old Gladstone cemetery. The service at the graveside was conducted by the writer.

Our deepest sympathies are extended to the bereaved family.
 S. G. HIBEN.

ELRICK.—On Friday evening, April 30, 1926, Brother Arthur Mackie Elrick, of the Wynberg church, passed peacefully to his rest. Brother Elrick was born in Port Elizabeth in 1877, and accepted the Truth under the labours of Elder W. L. Hyatt during the Wynberg effort. Before that time he had not been a professed Christian, but since then he had been a faithful and loyal member. He felt no fear of death, and his confidence in God was strong to the last. Our brother desired greatly to meet once again with God's people, having been confined to his bed for some months before his death, but his desire was not realised, and we await the great day of reunion when we will all worship together around the Throne.

Our sympathies go out to Sister Elrick, nine children, and the many friends who are left to mourn. A large gathering met at his home and also at the graveside in the Plumstead cemetery, where services were conducted by the writer.

F. G. CLIFFORD.
