Growing with a Growing Cause

By H. W. LOWE

THE world to-day lives largely on reports. Reports of events in one country throw the inhabitants of another into a fury or lull them into a feeling of security. Newspapers, radios, cinemas, and educational institutions are perhaps the chief avenues through which the world receives its knowledge of events to-day. And in many countries, sad to say, all reports and knowledge reaching the people through these channels is rigorously controlled. Biased news reports, controlled broadcasts, censored newsreel pictures, politically edited textbooks—these are common things in many modern countries. They distort the mental vision and warp the judgment.

In the Advent cause, however, we have a system of communicating reports which is as free and uncontrolled as any in existence. We read weekly our world paper, the *Review and Herald*, and the progress of this message, through plain unvarnished missionary reports is part of our lives. Reports of our world missionary work is one of the most inspiring features of this Kingdom-of-God movement.

Week by week there comes to us now a report of our twenty-first Harvest Ingathering Campaign. This campaign is going to mean

much to our missionaries, to our native converts, to many heathen now calling for light. Lastly, it is going to mean much to our own work, and to our own churches in the homeland.

Ingathering Resolution

WHEREAS, God has wonderfully blessed the Harvest Ingathering Campaign through past years, especially during 1935, and

WHEREAS, The year 1936 is the twenty-first campaign in the British field,

We Recommend: 1. That every church and company put forth special efforts to reach the average goal of £2 per member, and
2. That we endeavour to obtain the full goal of £10,000 in eight weeks.

For instance, there has just come to us our fourth report, which shows the Union total £297 ahead of last year's corresponding total. There is no reason why we should not be ahead of last year's final figures. As the movement grows, we must grow in the measure of our service. Not less, but more, must we do for our Master. Of Jesus we read that He grew with the years in both knowledge and

favour, and from the record of His life it is plain to see that from the age of twelve years His service grew in intensity. So must ours if we follow our Master.

Our service must grow in spirituality, too. Its quantity must increase, but so also must its quality. We must make our Ingathering not money-making, but seed-sowing. If we seek souls and sow seed, we shall get the means which God's cause so much needs. Spiritual Ingathering, like all spiritual service, demands a prayerful life. Our springs of action are laid deep in the solitudes of our communion with God.

Are we growing more spiritual with the growth of the Advent movement? The real growth must be spiritual. Though our expansion be mammoth in proportions and be not spiritually powerful, it must crumble to the dust.

The resolution shown on this page was passed at the recent Union session. If we as members take it on our hearts in prayer, we shall translate those figures into a spiritual power that shall both water our own souls and send us to other souls now longing for God and His truth.

Those ten thousand pounds will then be to us like ten thousand souls won for the kingdom of God.

"A Little More than Heretofore"

Notes from the Union President

WE have certain missionaries home on furlough, and their services in the Ingathering interest, as well as in raising the general spiritual life of our churches, is very acceptable just now.

BRETHREN S. G. MAXWELL, L. Edmonds, and T. H. Fielding are with us from our own Division, and they are visiting churches in North and South England and Wales. Brother J. C. Craven, on furlough from India, has also given some valuable mission talks.

BROTHER J. A. McMILLAN, after good service in Ireland, goes to North England, and Brother B. A. Walton of North England joins Brother E. E. Craven's staff in Ireland.

ONE of the great needs of this Union is a larger work in Ireland. In the Free State we have extremely little. We should have

more workers, perhaps of Irish-American stock. In Northern Ireland, too, we should expend more than the meagre amounts available. It is a matter for deepest prayer by all our members.

EXTENSIVE plans are now perfected for an extensive evangelistic programme this winter. Strictly speaking, of course, we should not talk of winter evangelism. Rather, we should have a continuous evangelism running through all our church life and services. New cities are to be entered. Old Oxford, our premier university city; Ipswich, fruitfully connected with bygone spiritual revivals; industrial cities of the north; far-away Thurso in Scotland; needy towns in Ireland and Wales—pray for our brave evangelists as they stand as God's messengers in these and many other places.

Newbold's Amazing Triumph

By ERNEST COX

THE faculty and students of Newbold College wish to record their joy and gratitude to God in that, through His grace, they have been enabled to raise the remarkable sum of four hundred and fifty pounds for missions in three days. This feat constitutes a record in the history of the school, being almost a hundred pounds beyond the amount collected last year.

It was with pardonable trepidation that we set our goal at four hundred pounds, and many privately questioned whether we could ever reach such a large amount in the limited time allowed from school work. However, what consecration and faithful toil could do, we determined should be done.

Accordingly, early on Sunday morning, September 20th, we set out in three large coaches for Birmingham and district, eager to show our faith by our works, and to get somewhere nearer that distant and seemingly unattainable four hundred pounds.

A day of unremitting labour on the part of everyone not only brought a spiritual inspiration to all concerned, but brought also rich material blessings from God. The result of our first day's effort was well over one hundred pounds!

Such an encouraging beginning gave us all renewed vigour and determination to get the four hundred, for we felt that the Lord was with us indeed, and we knew that it was His will that we should press on to victory. Need we say that Monday night saw another ninety-six pounds in the treasury, and the following night yet another hundred pounds. These amounts, together with eighty-four pounds from the valiant band of students who collected in London, and other sums from various sources, brought our grand total to the splendid figure of four hundred and fifty pounds. We can only exclaim, "Surely the Lord hath done great things for us, whereof we are glad."

We owe much more than we can say to the fatherly counsel and un-failing cheerfulness of our Division secretary, Pastor G. E. Nord, who shared every minute of the battle with us. Nor can we begin to estimate the untiring energy and devotion of Brother Johnson and Brother McGougan, our conference and local secretaries respectively, who invariably worked until the early hours, planning and preparing for the next day.

Most of the surrounding gentry made substantial donations, and we were specially pleased to note that in the village of Easenhall, our nearest neighbours, our collector did not meet with a single refusal. The prejudice which has existed in the past is now largely broken down, and the people are coming to recognize the work of our College in its true character.

The faculty and students have received gifts from widely differing sources; from the manager of a cinema, a Catholic priest, a Catholic Mother Superior, and even one unfortunate—commonly designated as a "tramp"—insisted on helping our cause from his meagre resources.

The campaign, so far as we are concerned, is now relegated to the realms of memory, but we shall always look back upon it as a pleasant and inspiring experience, and a time when the Lord went before us. From vivid recollection, we could all agree with Pastor Nord when he said, "I found that Someone had been before me on my territory. It was the Lord and His angels."

We invite you to rejoice with us that we have reached and passed our goal. For that we are grateful to God, because we are assured that goals reached on earth will mean souls saved in heaven.

Quarterly Statistical Report

IN this issue we print the statistical report of tithes and offerings for the second quarter of 1936. This was in hand prior to the quadrennial session, but had to be held over on account of the special conference bulletins and reports of changes made at the Union meetings.

Support the Medical Aid Fund!

By J. E. CAIRNCROSS

DID you know that during the past four years more than eight hundred Seventh-Day Adventists have had the privilege of treatment at The Stanboroughs Hydro and Hospital? Some one hundred and ninety of these were patients on the Medical Aid Fund (formerly called the Endowed Bed Plan). Did you know that most of the Medical Aid Fund cases have come from churches sometimes hundreds of miles distant? The Medical Aid Fund operates for patients in Scotland, the north of England, and Wales, just as it does for those living near the institution. It is our earnest desire that in the future more of our members from distant places may feel free to come. Naturally, in cases of acute illness this is not always possible, but the fact remains that many necessary operations have been performed at The Stanboroughs for scores of our people.

More recently, that is, during the past six months, a Maternity Department has been added to our Hospital. This accommodation is primarily intended for the people living in the district. However, even in this department, numerous patients come from parts far distant and many of our own people have received midwifery attention in the Maternity Ward. We look upon this as another branch of the Lord's work that should be supported by our people.

Scattered throughout the churches all over this land are grateful patients who can testify to the benefits of The Stanboroughs treatment and of the Christian associations at this institution. Hundreds suffering from arthritis, heart trouble, and digestive disorders have received needed treatment. There is no reason why patients with chronic illnesses should hesitate to make the journey to Watford. It is hoped that in the future some special reductions in rail fares may be obtained. Efforts are being made in this direction at present and we pray that they may be successful, for it is so often the question of distance

that prevents needy persons from coming to The Stanboroughs.

Have you ever talked with those members of your church who have been to Watford for treatment? Have you asked them if it is worth while or not? Almost unanimously, the answer will be, "Yes!" Is it not worth travelling a little distance for medical and surgical care when, at the journey's end, there is the precious privilege of

Christian fellowship during the period of convalescence? Surely on Medical Aid Fund Day there will be scores of former patients who will rise up and testify to this fact. Let their voices be heard! We believe that the Christian atmosphere of a Seventh-Day Adventist institution is the best reason we have for establishing and supporting the Medical Aid Fund, to the end that our own people may be treated by Seventh-Day Adventist methods. God grant that may be so. May the Fund continue to grow through the faithfulness of our people all over the field.

SOUTH ENGLAND CONFERENCE

President: Pastor R. S. Joyce

East Anglia

WE started our public work eleven months ago in the small seaside town of Lowestoft where our predecessor, Brother R. S. Joyce, had been turned out of six halls in succession! You can imagine, therefore, with what trepidation we commenced our work, knowing before we began that there was no hope of finding a follow-up hall! We were, however, fortunate in being promised a small cinema for our public meetings, and fearing a repetition of Brother Joyce's "fitting" experience, we secured the hall by paying for the six weeks in advance. Picture our dismay when on calling with Brother Bell and Miss Basher to make final arrangements for our first meeting we found the receivers in! The cinema had gone bankrupt! The previous owners had "flown" with our cheque! We are grateful to the Lord that we had a properly signed and stamped agreement which was honoured by the new management.

To cut a long story short our campaign started, in spite of many setbacks, on the appointed night, and we were gratified to see a full house. Unfortunately, having to return direct to the church after

our eight weeks' campaign, we lost the major portion of our congregation, and in view of this handicap of the first magnitude we consider ourselves blessed to have baptized sixteen new members by way of first-fruits. Ten others have been keeping Sabbath for some time and two more have already planned their affairs at great sacrifice so that they can join the remnant church in the very near future.

The two baptisms we have had were memorable occasions. On Sabbath, August 29th, 150 members and friends had gathered together to witness one of the happiest services of the year. Pastor R. S. Joyce addressed the meeting and his study was greatly appreciated. We had the unusual and delightful experience of baptizing six members from one family.

In addition to caring for the work in Lowestoft and Carlton Colville, we also have the oversight of the church at Norwich. Last March we discovered that there were several interested friends in that place and so we released Brother Bell to foster this group. He had worked untiringly and faithfully with us in Lowestoft for six months and we missed his conscientious assistance. However,

we were well repaid when on Sunday, August 30th, four dear souls went forward in baptism.

The pastoral care of the churches in East Anglia presents no light task! In addition to the campaign we planned sixteen services every week. With a staff of only three conference workers one can readily see that we have had to depend a great deal upon our group of loyal, consecrated, and willing lay preachers. We are thankful to God that we have such

men in our midst, and pray that He will ever give them the strength to carry on the noble work that they have undertaken.

Mrs. Howard and I have now been called to pioneer the work in Ipswich, the principal town in Suffolk. The third angel's message will soon be proclaimed in this important centre. We ask for the prayers of all, that the honest in heart and those seeking for light might be led to the truth for these last days. J. M. HOWARD.

J. C. French will take up the interest in Barnsley.

WE hope to launch a strong "Win One" Campaign in the North England Conference by the close of the year, and trust that, as a result, we will see a strong forward move among our members for the winning of souls.

OCTOBER 10th is the day set for receiving the offering toward our Medical Aid Fund. Let us who enjoy a good degree of good health make a thank offering on that day, that other members less fortunate than ourselves may receive the benefit of medical care at our own institution. O. M. DORLAND.

Notes from the President

BROTHER S. G. HYDE reports a good addition of new souls to the Manchester churches. Twenty were added at a recent baptism.

A NUMBER of changes have recently taken place in the field, largely due to the decisions made at the Union conference at Watford.

BROTHER H. T. JOHNSON is now in charge of the conference departments and is getting under the load, especially the Harvest Ingathering. He will be visiting among the churches and we are sure you will welcome his cheery smile.

LET me take this opportunity to thank all who have given us a lift in the Harvest Ingathering, especially the college faculty and students.

BROTHER B. BELTON is also in the field aiding our colporteur force. Let any prospective colporteurs write to him at this office.

BROTHER STANDEN will locate with Pastor W. R. A. Madgwick to assist in Sheffield and district.

BROTHER D. J. CLARKE, a recent graduate, joins Pastor S. G. Joyce and Miss H. Ford in the work at Middlesbrough and Darlington.

BROTHER B. F. KINMAN, another graduate, has come to labour in Nottingham and district.

BROTHER D. ASHTON, a new worker, will assist Pastor Maudsley at Liverpool.

BROTHER W. J. CANNON will locate in Manchester, while Brother

Notes from the Superintendent

RECENTLY we were privileged to have Pastor H. W. Lowe with us in the Scottish Mission, when he was able to visit our believers in Glasgow, Edinburgh, Dundee, Aberdeen, Kirkcaldy, Moffat, and Crieff. The meetings were well attended and the Lord blessed us abundantly through His ministering servant.

ON Sunday, September 13th, the advisory committee met, when every phase of our work was very carefully considered and plans were laid so that we could sound an advance along all lines of activity. Evangelism was placed in the forefront, where it rightfully belongs. It was decided, with the help of some of our lay brethren, to conduct campaigns in Glasgow, Paisley, Clydebank, Uddingston, Edinburgh, Kirkcaldy, Stirling, Dundee, Aberdeen, Thurso, and

Wick. Never before have we been able to make such large plans, but workers and lay members alike are unanimously shouldering the responsibility of larger evangelism. It can be seen from a glance at the map that we are attacking Old Scotland on all fronts, from the south to the extreme north, even to within twenty miles of John o' Groats.

'CHEERING reports are coming in all the time in connection with our Harvest Ingathering work, and we are aiming to make this campaign the shortest and the best. Then all together we shall launch out in our large soul-winning programme.

BELIEVING that the Lord Jesus will bless all our humble efforts to advance the cause of truth we go forward in faith and claim an interest in your prayers.

South England	A. W. Cook
North England	B. Belton

Welcome!

It is always a happy experience to welcome new colleagues, and to become acquainted with new associates in this great work of the Lord. For some considerable time Brother A. W. Cook has served the cause in West Africa. Now the call has come to him to lead our colporteur force in the South England Conference.

As Brother Cook is now here and about to commence his leadership, we bid him welcome! The colporteurs, church leaders, and members will look forward to his visits and will, we feel sure, cooperate with him in his responsible task. Undoubtedly, many more must join us in this blessed literature ministry. Within the territory of South England are millions who have never heard of this message we are carrying to the world. While we praise God that our work is now being carried in 579 languages and dialects, we become burdened when we realize that millions of our own race and tongue are unwarned and have not the truth.

"We now have great facilities for spreading the truth; but our people are not coming up to the privileges given them. They do not in any church see and feel the necessity of using their abilities in saving souls. They do not realize their duty to obtain subscribers for our periodicals, including our health journal, and to introduce our books and pamphlets."—*Testimonies, Vol. 4, page 391.*

Soon plans will be made for our annual colporteurs' institute. At that time we shall have with us Brother L. A. Vixie, the new publishing secretary for the Northern European Division. We are glad to welcome Brother Vixie into our midst and shall look forward to as many visits from him as his time will allow.

Having welcomed Brother Cook and Brother Vixie, we would like to welcome many more into the ranks of the colporteur-evangelist. If you are interested in this great work you cannot fail to realize that the Lord is waiting for men and women to respond and give themselves into His service. The Field Missionary Department exists solely to build up this important phase of our work in the British Union. We are at your service. Specialized training and experienced help will be given you as you volunteer for service. Within the next few months we expect to enrol many new self-supporting workers who will receive the benefits and privileges of the coming institute.

This is the day of salvation for the world, and the day of opportunity for God's children. We would be glad to welcome you into our ranks. Do not hesitate to write us, for it is our deep desire to serve you and our Master.

Wedding Bells

CRICK-BOX.—A very pretty wedding was solemnized by the writer at our Bristol Church, when Mr. W. Crick and Miss K. Box were united in marriage on Sunday, July 5th, in the company of many friends. In the words of the hymn our prayer is expressed:

"That theirs may be the love which knows no ending,
Whom Thou for evermore dost join in one."

JOHN G. BEVAN.

JARVIS-ANDREWS.—In the company of many friends and relatives at the Plymouth Church at 12.30 p.m. on Friday, August 14, 1936, Brother Leo Jarvis and Sister Nellie Andrews were united in holy wedlock. After a happy, festive time at the bride's home, Brother and Sister Jarvis left for their honeymoon in North Devon.

May God bless and guide them as they together seek to make their home a little heaven in which to go to heaven.
L. A. WATSON.

CUPIT-KIPLING.—On Tuesday afternoon, August 4, 1936, before a good congregation of members and friends in the Baptist Church, Chesterfield, Wilfred Cupit and Annie May Kipling were united in marriage.

After the ceremony the bride and bridegroom entertained a large company of guests in the Advent Hall, Newbold Road, kindly loaned for the occasion. The bride and bridegroom afterward left for their honeymoon. Both are active members in the Chesterfield Church.

MRS. E. A. PYRAH.

At Rest

GILLATT.—In the midst of the great spiritual refreshing at the Quadrennial Session our hearts were saddened by the death of Sister J. J. Gillatt. For weeks Sister Gillatt had looked forward to attending the meetings, but the Lord saw fit to lay her to rest. Sister Gillatt was seventy-six years of age, and for forty-one years she and Pastor J. J. Gillatt had laboured together in this cause. Her godly influence, her sympathetic nature, and her earnest prayers will be greatly missed by us. She was a loving mother, a devoted wife, and a real friend to all.

The greatest tragedy that ever came into her life was the death of her son, Pastor J. D. Gillatt, just over fourteen years ago. He was known to all, and was instrumental in bringing hundreds into this truth. He ever attributed his success to the tender care and continual prayers of his fond mother. Those who knew her best loved her most, and we feel that a real mother in Israel has been called to her rest.

Her faith was strong in the Lord until the last. Just before falling asleep she uttered the words, "Though I walk through the valley of the shadow of death, I will fear no evil. I am glad that the Lord has taken away from me the fear of death." Having said this she fell asleep. How glad we are to know that our sister sleeps in Jesus, awaiting His call to immortal life.

On Friday, July 31st, we laid her to rest beside her son in the Watford Cemetery. Our hearts go out in tender sympathy to her husband, Pastor J. J. Gillatt, who for fifty-one years has had this treasured companion. We also extend our sincerest sympathy to the other relatives. While we mourn the loss of our beloved sister, yet we do not sorrow as those without hope. Soon the morn will come, and the shadows will flee away.
