The Challenge of the Inner City

by Earl J. Parchment
Lay Activities Director, Ontario Conference

One of the greatest challenges that face the church today is that of the Inner City. There are many families that are existing with very meager material possessions. Other problems which seem to be their lot resulting in juvenile delinquency, crimes, drug abuse and other debasing practices are poor housing, unemployment, health problems, limited wholesome social activities, malnutrition and family emergencies such as unwanted pregnancies, disabled parents and handicapped children.

Mrs. E. G. White speaking of conditions in the inner cities had this to say: "In the great cities are multitudes who receive less care and consideration than are given to dumb animals. . . Children hear the name of God only in profanity. Foul speech, imprecations and revilings fill their ears. . . Thus multitudes are trained to become criminals, foes to society that has abandoned them to misery and degradation. Not all the poor in the city slums are of this class. God-fearing men and women have been brought to the depths of poverty by illness or misfortunes, often through the dishonest scheming of those who live by preying upon their fellows. Many who are upright and well-meaning become poor through lack of industrial training. Through ignorance they are unfitted to wrestle with the difficulties of life." *Ministry of Healing* pp. 189, 190.

The question that we should address to ourselves is "how to help those unfortunate people?" First, we should empathize rather than sympathize. Empathy may be defined as the complete understanding of another's feelings, motives, etc. or in

other words placing ourselves in another's position. We will then be motivated to action which will help the people of the inner city.

The Lord's messenger instructs us to "seek to understand the needs of the poor and distressed and to give them the help that will benefit them most. To give thought and time and personal effort costs far more than merely to give money. But it is the truest charity." *Ministry of Healing* p. 195.

In the city of Toronto we have been endeavoring to carry out the inspired instructions of the Spirit of Prophecy.

Through the help and guidance of the Lord we have been able to acquire a centre in an area where we can be of greatest help to the people of the inner city. It is open to the public four days a week, eight hours a day. Apart from supplying the temporal needs of people by giving food and clothing, we are now in the process of conducting programs that will help the people to live healthier, happier lives such as the "Heartbeat Program", "Five-Day Plan to Stop Smoking", "Cooking and Nutrition Classes" and "Stress and Weight Control".

Later on, other programs will be implemented such as a "Family Life Seminar" and classes which will tend to better conditions in which many unfortunate people are now.

The ultimate goal in helping the people of the Inner City is that of pointing them to Jesus Christ, the Saviour of lost men and women. But, in order to do this, we must realize that it can be done only through loving concern exemplified in unselfish and sacrificial and

Christ-like actions.

Truly it has been said that "actions speak louder than words". People will be impressed most by seeing sermons rather than hearing them. This is the work of Community Services which is one of the most effective means of winning souls.

We have been divinely instructed that "if we would humble ourselves before God, and be kind and courteous, tender-hearted and pitiful there would be one hundred conversions to the truth, where now there is only one". *Welfare Ministry* p. 86.

Already we are seeing souls coming into the church in Toronto through Community Services and in the future as our work becomes better established we hope to see one hundred souls coming in where now there is one.

The Offering on June 10 is for Inner City Evangelism

Yamm Fund Aids Dental Mission

As missionary dental evangelism spreads around the world field, NASDAD members are expanding their YAMM program.

Year Around Mission Money (YAMM) provides start-up funds for missionary dental clinics and for portable equipment otherwise not available. Since the first gift of \$3,000 for new equipment was sent to the Bangkok clinic in 1963, NASDAD members have donated \$75,000 in addition to rebuilt equipment. Hundreds of volunteer hours have also been donated while missionary dentists took vacation leave.

Thirteen of the 26 mission dental clinics have received major financial assistance from NASDAD, and three more were opened last month. National dentists have also received gifts from their American counterparts.

"Our greatest source of personnel is from students in the dental school at Loma Linda," says Eldon Carman, General Conference Dental Secretary. Dr. Carman explains that of the 26 students under deferred appointment for overseas dental missions, 13 are in the current freshman class. Two students from state university schools are also under the deferred appointment plan.

Blantyre, Malawi; Guatemala City; Seoul, Korea; Monument Valley; Karachi, Pakistan; Bulawayo, Guello and Salisbury, Rhodesia; Dacca, Bangladesh; Nairobi, Kenya; Georgetown, Guyana; La Vida Mission, New Mexico and northern

Thailand are a few dental clinics benefited by NASDAD.

Through the generosity of Adventist dentists and the ingenuity of Hollister, California Dentist Russell Lemmon used equipment is "recycled" and sent to overseas clinics. When some of the equipment donated has pieces missing or broken, Dr. Lemmon constructs new parts or adapts parts to make the equipment functional overseas. Seventh-day Adventist World Services (SAWS) estimates that 35 tons of dental equipment has been shipped overseas since 1970.

Thailand are a few dental clinics benefited by NASDAD.

Ray Wahlen of Loma Linda is one of the "career" dental missionaries. In Seoul, Korea, since the mid-60's, Dr. Wahlen also serves as the Far Eastern Division Dental Secretary. He and an

associate have been responsible for organizing two new churches through their rural dental clinic program.

With Adventist dentists, the YAMMs are nothing you eat, but something you do. And they are truly involved the year around.

PREACH Ministry Effective

by Lawton G. Lowe, *Ministerial Secretary, Canadian Union Conference*

Through the program PREACH, *Ministry* magazine is being sent to thousands of ministers of other denominations. Here are a few responses:

From Thunder Bay, Ontario

I want to thank you very much for your gift of your *Ministry* magazine.

The January issue came yesterday and I have already read the magazine from cover to cover. There is much that I found to be personally valuable.

Again I want to thank you for your kindness.

J. R. Schmidt
Calvary Lutheran Church

I very much appreciated receiving a copy of the *Ministry*. Its content is most stimulating and uplifting. I would like to regularly receive the journal on a bi-monthly basis. A cheque for costs has been included.

Several Honored with Presentation of Queen's Medal

In the MESSENGER of April 6 an article appeared in connection with the presentation of the Queen's 25th Anniversary Medal to A. George Rodgers.

Evidently a number of Seventh-day Adventists were honored in this way over the past few months. Elder Kenneth Corkum received the presentation to honor his contribution in connection with smoking and health. In 1975 Elder Corkum was a delegate to the World Conference on Smoking and Health in New York. In 1976-77 he was asked to be chairman of the New Brunswick Council on Smoking and Health. In this position he was involved in the first nation-wide Non-Smoking Week.

Elder James Campbell, President of the Seventh-day Adventist Church in Newfoundland was honored by the Governor General for his leadership of the church in Newfoundland and Labrador.

Some of the veteran workers at Branson Hospital were also recipients of the Queen's Medal for their contribution to community health care. Those so honored were: Dr. Norman Fremes, Mr. John Kantor, Miss Dallas Totenhofer, Mr. James Bruce and Mrs. Edna Dawe.

The certificate, signed by His Excellency, The Right Honorable Jules Léger, Governor General of Canada, which accompanied the Queen's Medal received by Kenneth Corkum and other church members.

Quebec Association Holds Third Session

by Georges Hermans
Communications Director, Quebec Association

March 11, 1978, was a beautiful Sabbath day for the Quebec Association. Delegates from the various groups and churches met in the Quebec City church for the third regular session of the Association.

The day began with worship presented by Elder L. L. Reile. His presentation on the parable of the wedding feast (Matt. 22:1-14) was appreciated very much. The congregation responded enthusiastically to Elder Reile's call, inviting us to reconsecrate ourselves to the Lord today so that we might be ready for His coming.

In the afternoon the *Il Est Ecrit (It Is Written)* quartet offered a program of relaxation and musical meditation and the young ladies from the St. Raymond-de-Portneuf group presented several vocal numbers.

After sundown worship, the delegates went to work under the direction of Brothers Reile, Lemon, Wilmot and Staples. We were filled with joy to receive four new churches into our Association. The addition of the La Salle, Pte. St. Charles, Longueuil and North Montreal churches brings the number of Adventist churches in the Montreal region to eight.

Due to a change in the pastor's responsibilities, members of Montreal's South Shore church in Longueuil decided to celebrate 13th Sabbath on April 8 and make it Visitor's Day as well. Certainly God had His hand in the decision.

Just two days previously the International Fair on Religions and Philosophies in Montreal had opened. Those who visited the Adventist display were invited to attend the S.D.A. church nearest them. French *It Is Written* interests on the South Shore as well as other visitors were also contacted by telephone. Imagine the joy of the forty-member church when on Sabbath morning over twenty visitors came!

Pastor Georges Hermans, visiting speaker from *Il Est Ecrit* (the French *It Is Written* broadcast in Quebec) gave the

The president's report by Pastor Lemon was most encouraging. He announced that we had just passed the 1,400-member mark. This represents a 40% increase in three years. We thank God for such progress!

We noted progress also on the material level with the purchase of several churches, new offices for the conference, and improvement of our camp at St. Damien.

The treasurer's report by Pastor Staples revealed financial progress as well. Tithes has gone up from \$280,106 to \$410,283. God's blessing has been on His children. They have had their needs satisfied in spite of present economic difficulties.

The departmental leaders presented their reports, indicating that the Association's general health is good. However, let's note that a little more "exercise" in missionary work would improve the spiritual health of each member.

Seeing that our Adventist community here in Quebec City is young and active was a comfort and inspiration for all the participants. We're convinced that the Lord will help us to form similar communities in other parts of the province.

Better Late Than Never!

morning sermon preceded by a special number from the *Il Est Ecrit* quartet. The open communion service attracted many visitors who decided to remain for the vegetarian potluck and youth program as well. This was followed by a film, a slide presentation and a light supper at sunset.

Appreciative comments came from members and visitors alike. One young couple, responded that they would definitely return and expressed an interest in sending their daughter to summer camp. A young man expressed great joy at being in church for the first time in years. His two friends, not yet baptized themselves, had started him on the Bible correspondence course several weeks before. In a few days the church pastor, Miroslav Kis, will begin studies with several he contacted at the Fair.

Association leaders were elected as follows:

P. F. Lemon — Education, Ministerial Association, Youth
T. W. Staples — Stewardship, Trust Services
E. Morosoli — Temperance
G. Saintus — Publications
J. Whalley — Sabbath School, Lay Activities
G. Hermans — Communications, Television, Religious Liberty

Pastor M. Kis was elected as assistant to Pastor Lemon for the youth. He will thus be able to consecrate more time to the needs of our youth as well as helping the Longueuil Church to grow. In order to give him the needed time in his new capacity, Pastor W. Seidel accepted to replace him as pastor of the South Stukely and Abercorn churches.

Pray that our forward march will accelerate and that all will put their heart into the work. A 40% increase would give us 1,960 members in 1980. With the help of God and the consecration of each one, we can do much better. Why not 50% or 60%? All things are possible with God!

What made this program successful?

- 1) Just because the official date had already passed, the 13th Sabbath program was not laid aside.
- 2) Potluck dishes were assigned to ensure a well-balanced meal.
- 3) Programs were mimeographed and distributed during the morning to encourage everyone to stay.
- 4) The youth were responsible for their part of the program, with a teen as master of ceremonies.
- 5) Advantage was taken of a local event (in this case the religious fair) to invite visitors.

Speak and I Will Answer

Two years ago, Brother Verville of Quebec sold his motel to a young couple and presented the Word of God to them at the same time. The family was interested, took Bible studies, and were baptized a few months later. They told their parents in St. Henri-de-Levis about the message. These people were involved with a charismatic group in the Catholic Church and were avidly seeking the truth. Every Friday evening the father, mother and several of the children studied the Bible with Pastor Fleurimond. The parents and a young girl gave their hearts to God in the spring of 1977. Awhile later, another daughter was baptized. The pastor continues his studies with other members of this lovely family and we know that God will call others. Today we have six members of this family in our church.

A young woman from St. Henri, owner of a restaurant, listened every Sunday to the French *It Is Written* program of Pastor G. Hermans. She also was seeking the truth. Pastor Hermans asked us to visit her after receiving a letter she'd written him, and it turned out to be more than a visit. She began to enthusiastically study and already she is making plans to observe the Sabbath and we're praying that soon she will be one of us.

For two weeks now we have had prayer meetings in this village of the Beauce region at Pastor Fleurimond's home, and we thank God for the many visitors who come, some having already started Bible studies at home. How happy we are that God gave us the opportunity to move here, for souls were waiting for the Gospel!

News Notes from Quebec

The Dejean family has worked hard on Ingathering for the St. Leonard church. In spite of low temperatures, the whole family knocked on the doors each week-end soliciting funds for our work. God greatly rewarded their zeal and this group was able to collect \$700 in '77. This makes a "family record" for our church.

Gina, Rudolph and Maryse are the youngest children in the Cayemitte family. Brother Eric Cayemitte is one of the teachers in the French section of our Church School in Montreal.

These young children courageously participated in the 1977 Ingathering campaign and were able to collect the nice

sum of \$130. We'd like to commend the zeal of these children and assure them that Christ is thrilled to see them work for Him. May their example encourage others—children, youth and adults.

Our brethren and sisters of the Point St. Charles church in Montreal are happy to announce their recent purchase of a lovely building where they can worship the Lord in peace. These members were previously renting another church for their services on Sabbath, but one night it went up in flames. Our members were a bit discouraged. They didn't know that God was preparing another place which they themselves would own. May the Lord bless them and help them to fill this house of worship to the glory of God.

All the workers of Quebec were to assemble in the committee room of the Conference office on February 7 and 8, 1978. Although a big snow storm prevented our meeting on the 7th, we were able to use the hours of the 8th to advantage.

Pastor P. A. Gordon of the Ellen G. White Estate in Washington, D.C., was our speaker. His expose on the Spirit of Prophecy and the life of Ellen White was appreciated very much. Afterwards an opportunity was given to ask questions and get some clear answers. Each one took full advantage of the occasion to better understand the details of the life and experience of the Lord's Messenger.

February 18 — 25 was Christian Home Week for the members of the Westmount Church. The week's program commenced during the church service on Sabbath, February 18. Robert O. A. Samms, church pastor, spoke on "Growing Older With Grace."

The week's highlights climaxed on Sabbath, February 25. The sermon entitled "Love At Home", centred on family problems and how to solve them. There was an adult seminar on "Solving

Marital Problems" at 3:30 in the afternoon. A discussion period concerning youth problems followed. This was a panel discussion including Pastor and Mrs. Samms, M.V. Leader Lennox Cooper, and other youth workers.

The members and friends of the Thetford Mines and Lac Megantic groups had the joy of seeing three souls baptized at the Motel Provence February 4, 1978. Christian Couture, Mrs. Gaetane Morisson, and Mrs. Jeanne-Mance Giroux were baptized by the guest speaker, Pastor E. Morosoli. They declared their intention to live for the Master and to witness for Him. All three were received into the Lac Megantic Company. Mrs. Morisson was contacted by her brother, Christian Couture, who shared his new-found faith even before baptism.

After the Sabbath, the group enjoyed a social evening with supper served by the Thetford Mines ladies. Pastor Morosoli showed the film "One in Twenty Thousand".

News from Richmond Hill

Nutritional instruction and cooking demonstration classes were held at the Richmond Hill church. These programs were conducted on Monday and Tuesday evenings for three weeks during February and then followed with a full-course vegetarian dinner.

Attendance was especially good from the community because of the promotion by the local Health Food store and the local papers.

Gladys Kraker gave the nutritional instruction assisted by Mary Smith, Elizabeth Vernon and Ella Kennedy. Samples and recipes were made available at each program.

Early in the year, a Five-Day Plan to Stop Smoking was conducted at the local Richmond Hill Hospital with 44 in attendance. Local lay counsellors were used successfully in the plan as well as medical personnel. At the previous Plan held in January there were about 80 in attendance.

Last spring there were three Five-Day Plans conducted simultaneously in the York Region before the Evangelistic Crusade began. Lyle and Dale Pollett each had a program in Richmond Hill, while Enoch Anderson held one in the New Market Hospital.

To the Alumni and Friends Of Paris Church School

Paris has successfully operated a church school from 1947-1978. During this time our church has been privileged to become acquainted with numerous dedicated teachers and has experienced the friendship of many parents and students who have worshipped in our midst.

We would like to renew our acquaintance and inform our alumni and friends as to what is happening in Paris today. Please assist us by sending us your address and by informing us what you are doing.

Ontario Lay Advisory Council Held

Sunday, April 9, dawned clear and cool as about 40 delegates to the Ontario Conference Lay Advisory Council traveled from all parts of the province to attend the regular meeting in Oshawa at the Kingsway College Chapel.

Chairman of the council, Basil Van Dieman opened the session with a short devotional and an introduction of the days planned activities.

Ontario Conference president, E. C. Beck, reported on the activities of the conference and told of the plans for the future. Elder Beck remarked that "the conference can fulfill its objectives only as administration, laity and pastors move forward unitedly under God. The Advisory Council can be the vehicle of dialogue to help foster and maintain this united approach to a finished work."

The council then broke up into sub-committees to discuss specific goals in the fields of education, lay activities, youth work, evangelism and finance.

After a delicious lunch served by the Kingsway College cafeteria, the sub-committees re-convened for a short time

and then each committee reported to the general assembly.

Following discussion of these reports, task forces were formed to deal with specific problems.

The meeting ended with recommendations and suggestions for the conference committee.

West Toronto Holds Special Weekend of Prayer

The West Toronto Missionary Volunteers Weekend of Prayer was a unique experience for the youth and older members alike. From March 10-12 and 17-18 Pastor Don King, a captivating and articulate speaker, boldly lifted Christ up to a very attentive and appreciative audience. The theme of his messages was Jesus—The Christ For Today.

On March 17 the sermon was literally demonstrated. Pastors King and Payton met the young people in an open "Rap" session to discuss their needs. With hearts still subdued by the Spirit of God, March 18 was a very appropriate time for a baptism; and three souls were buried with their Lord.

As a fitting climax to these two wonderful weekends, the M.V. department hosted a social on the evening of March 18 for members and visitors.

Japanese Seniors Honored

On March 5, 13 senior members of the Toronto Japanese church were honored in the Senior Member Day program. This was the first such program ever held in our church. It is regretted that five senior members were not present because of sickness.

The program was planned by the young people, which included a dinner, presentation of corsages and words of appreciation by the young people to the senior members and national cultural entertainment with films on Philippines and Japan.

A number of people came in the national costumes of the Philippines and Japan, which created a colorful atmosphere. The Pathfinders in uniform guided

the senior members to the tables especially prepared for them and served the dinner which was prepared by the ladies of the church.

There was a joyful and warm fellowship between the old and the young. As the leaders of the young people expressed appreciation in the greetings to the senior members for their long, faithful service to the church, the community and the family, the representatives of the senior members responded saying they were made happy by the young people's thoughtful words and deeds.

C.U.C. Choir Witnesses In Prison

On a Sabbath afternoon recently the C.U.C. High School Choir had an opportunity to share their love for Christ with the inmates of Bowden Penitentiary, a medium security provincial prison about fifty miles south of the College.

After a short mass and communion service by the penitentiary Chaplain, Father Louis Seratto, the fifty-plus C.U.C. Singers, conducted by Miss Wendy Pazitka, filled the chapel with music, bringing rich spiritual blessing to all present. At the conclusion of their concert, the group took advantage of the opportunity to visit with the inmates on a personal level.

Every other week a group of students spend Sabbath afternoon at the penitentiary to visit with and personally witness to the inmates.

Following is a letter of appreciation sent by the prison Chaplain:

On behalf of the prisoners of Bowden Institution and myself, I would like to express our gratitude to you, as the coordinator, for the students from Canadian Union College, in their participation in the chapel program.

The students' participation has been a source of encouragement for us. Your visitation has helped to bring the Good News, and the message of salvation won by Jesus Christ on the cross, to those who live inside the fence. The prisoners look forward to your coming, and we hope that your visitation program will continue.

Youth Camp Improvement Offering – May 27

The offering in Alberta, May 27, is for Youth Camp Improvement. God has blessed our conference with leaders and members that have had vision and generosity in selecting and building our camp. It truly is a model in simplicity, utility and usefulness. The natural beauty of the site fits well into our nature program for youth camping.

It is now time to begin equipping the camp for the youth program. At the present time we put all of our craft supplies and equipment in two small storage rooms.

Our most immediate need is for 10 new Gruman canoes, life jackets, paddles and a trailer to carry the canoes to the Red Deer River. There are camps that have used Gruman canoes for 30 years. The cost is about \$450.00 each. It will take about \$6,500 to cover all of this.

Those who have given to the Canoe offering at camp will be happy to know their offering has totalled about \$600.00.

Don't worry about giving too much on May 27. Any money beyond the \$6,000 will go for craft equipment. Leathercraft tools needed would cost about \$400.00, a ceramic kiln \$1,000.00, Field Guide books \$300.00, and binoculars \$300.00. These are just a few of the items that would strengthen our craft and nature program.

May I thank you in advance for remembering The Alberta Youth Program on May 27.

Miracle at Medicine Hat

For years the members of the Medicine Hat church, a city of 35,000 inhabitants, and the 5th largest city in Alberta, wanted to start a church school. The project seemed rather prohibitive, mainly because of the exorbitant price of land. Several attempts had been made to acquire land, but with the land cost being so high and also having to finance a building, the project seemed formidable. Not knowing what to do to acquire land, we finally turned to a prosperous businessman by the name of Harry Veiner who is of Jewish faith. He offered the members two acres in the hamlet of Veinerville, just adjacent to Medicine Hat, the distance of the acreage being approximately three miles from the city centre. The members were reluctant to accept the offer mainly because similar offers had been made for 25 years by Mr. Veiner to other individuals but approval could never be obtained from the Regional Planning Commission. The Lord had His hand over this matter, however. The church decided to ask Mr. Veiner for 10 acres. He accepted, providing the Regional Planning Commission would approve such a sub-division.

An application was submitted and unanimously rejected because it conflicted with the Improvement District's policy on the preservation of prime agricultural land and listed several other reasons that made them refuse similar applications for the last 25 years. The brethren however, didn't give up and requested the staff to reconsider the petition.

After answering an endless number of objections, the members of the Improvement District No. 1 voted to recommend the sub-division unanimously and assured the brethren that although they approved it, other bodies would surely refuse it.

The Lord however, performed a miracle, for in the evening of that very day the Regional Planning Commission approved the sub-division subject to several stipulations, water supply being the main condition.

Here is how God worked for us.

A decade before we ever thought of having a church school the land offered to us had on it the water reservoir for the hamlet of Veinerville. The reservoir in effect belonged to the residents of Veinerville. Through sheer neglect the land on which the reservoir stands was never deeded to them and was still in the name of Mr. Harry Veiner. On this particular

Pastor W. Farag and Mr. Harry Veiner at church school site hold title to church school property.

piece of land, the hamlet had drilled a well which only one year prior ceased to supply sufficient water for the Veinerville residents. An agreement was worked out with the City of Medicine Hat to supply a stipulated amount of water from the city to the residents of Veinerville. The Staff of the Improvement District, Regional Planning Commission and Council members of the City of Medicine Hat were all aware of this agreement. It was felt that this would be the final deciding factor to disqualify the subdivision application—thus the condition of water supply being a condition of approval. When the Medicine Hat Public Works Commission refused to supply us with the necessary water from the reservoir because of the prior contract with the city restricting the use of the water to only the existing residents of Veinerville, Mr. Harry Veiner refused to deed the reservoir land to the Improvement District No. 1 unless our petition was granted. It was.

This beautiful sub-division of 10 acres is surrounded by coulees on two sides. Since planning regulations prohibits erecting buildings within 200 feet of the coulees Mr. Veiner deeded an extra 3.6 acres giving us a grand total of 13.6 acres to build our church school. This sub-division in Medicine Hat would cost $\frac{3}{4}$ of a million dollars to purchase to-day and the Lord has given us this land through the kind-heartedness of a philanthropist who is not of our faith.

Now comes our task of trying to build a small church school to save our children.

It is our prayer that as the Lord helped us in securing such a beautiful site that our brethren in Medicine Hat as well as brethren in all of Alberta will rally together on June 10, 1978 to make the offering of that day designated for the Medicine Hat Church School a miracle too.

Science Fair at Calgary

Saturday night, March 4, was Science Fair night at Calgary Seventh-day Adventist School. Parents and other visitors became students, while the Grade 7 to 10 students acted as teachers, using their displays as visual aids.

A set of instructions and a test were handed out to each arriving visitor. Visitors answered the student-prepared tests which referred to the various displays. Although many questions were easy to answer, there were several challenging ones, and the students noted with some level of "pride" that there wasn't a perfect score in the set of papers that were corrected before the evening ended! Hopefully, the principle that education should be a mutual parent-student affair took on special meaning during that evening, and there must be or should be many parents who are sensing that they and their children could gain much by participating in learning adventures together day by day! Right, Parents?

Now back to the Fair: Some of the more exciting and/or informative projects

included: volcanic eruptions that occurred at intervals in the gymnasium; a study of smog problems in a miniature city display, a geyser actually spewing hot water and steam; a picnic-basket incubator hatching eggs; a swamp buggy skimming along a canal; varieties of home-grown crystals.

When the evening ended, a unanimous vote of approval was cast for another science fair for next year—not that a vote was necessary, but it was a gesture that the visitors appreciated the results of the students' efforts and want to learn again.

60th Wedding Anniversary For Mr. and Mrs. Jacob Dais

Friends and relatives gathered to honor Mr. and Mrs. Jacob Dais on their 60th wedding anniversary. The couple have recently moved from Kelowna to their Richmond home to be near their daughters Florence Lindahl and Della Allison. The open house was held on Sunday, March 5 and approximately eighty guests congratulated them.

Congratulations also arrived from the Federal, Provincial, and Municipal Governments, as well as a telegram from Mr. W. A. C. Bennett, former premier of British Columbia.

Would You Like to Move To Cranbrook?

A sizzle in the hot springs or a bath in the snow may be your introduction to the small group of active believers that work in the busy cities of the south-eastern Rockies. Cranbrook, Kimberly and Fernie boast a market population of 58,000 but this same area has not yet a church.

Mr. and Mrs. Jacob Dais on their 60th anniversary.

With great anticipation our believers in Cranbrook look forward to a small school-church structure on the above-pictured property this spring.

The building fund has done very well in that it had paid for the property and has a small amount left over. Most important for the work now is the need for members to move here. Opportunities to serve the Lord are unlimited as are the work opportunities.

As you plan to spend your vacation this year why not come and visit us or write us a letter. B. Trussell, Box 686, Cranbrook, B.C. V1C 4J4. Phone: (604) 426-5981 or L. Stoyanowski, 3201-41st Street, South Cranbrook, B.C. V1C4H4. Phone: (604) 426-8624.

Lamming Mills Church Moves Into New Sanctuary

The Lamming Mills congregation of McBride, B.C. held Sabbath services in their new church on Lamming Pit Road, Sabbath, February 18. The church is adjacent to their new school, Robson Valley Junior Academy, which opened a year ago last September.

The register, presided over by Sister Molly Gustavsen, showed 110 in attendance. The church had already been used November 6, when Laurenda Lamming was baptized in the unfinished baptistry. Since the old church did not contain a baptistry, services had previously been limited to summer, when the icy waters of the Dore River were used for the service. Friday evening, January 6, Communion service was held around a large table set up in the unfinished sanctuary. The candlelight and informal setting added much to the meaning of the service. Before separating for the Ordinance of Humility, Pastor Norman Manweiler gave a short sermon on the service as Christ initiated it in the Upper Room. As the congregation assembled around the table to partake of unleavened bread and fresh grape wine, the pastor led in a testimony of praise to God, and was joined by many of the members in a spirit of soul-searching communion and fellowship.

The Lord has blessed in many ways, and the building has progressed thus far without going into debt. A special thank-you goes to Brother Charlie Turner of Duncan, who donated several weeks of his time to direct the basic construction.

Pathfinder Club Organized

In October of 1977, the Rosthern church conducted an after-school Bible hour. As this program neared a close, the children expressed an eagerness in continuing such an activity throughout the year. Shortly thereafter, Elder Philip Knoche held an evangelistic crusade in Prince Albert. It was at this time that several juniors in that area showed an interest in having the opportunity to meet, associate with, and learn with others who shared their ideals. Thus the idea of a Pathfinder Club was born. In January of 1978, the group became officially organized as the Prairie to Pine Pathfinder Club.

Using the facilities of the new Rosthern church school, the members from that area meet after school one day each week for Bible study, stories, M.V. progressive classwork and physical activities. Due to the distance separating members, the Prince Albert unit carries on these activities separately under the direction of Mrs. Connie Abaraschuk. Every other Sunday, all members gather for recreation and work on crafts to meet requirements for M.V. honors. The girls are presently concentrating on a macrame project, while the boys are learning basic wood-working skills. Plans are underway for a 5-mile nature hike and a Good Samaritan Sunday in the near future.

Successful Losing

During the first quarter of 1978 weight-control classes, sponsored by the Adventist Community Services of the Winnipeg area, followed in logical sequence several Five-Day Plans. The West Park Manor Personal Care Home joined hands with Community Services and conducted the Wa-Rite program in the Charleswood area of the city as a community outreach service.

The Wa-Rite classes stressed much more than just losing weight. Emphasis was beamed toward re-educating living patterns for longer life and a healthier, happier day-by-day experience.

Moose Jaw News

Mayor Herbert Taylor spoke at the Spring Community Relations Day held in the Moose Jaw church April 1. Visitors came from as far away as 75 miles. Honorable John Skoberg, M.L.A., presented the church with portraits of Queen, Elizabeth and Prince Phillip in commemoration of the Queen's Silver Jubilee. Mr. Douglas Marr, Moose Jaw Jubilee Committee Chairman, addressed the congregation and was presented with a gift copy of *Desire of Ages*. The visiting choir from C.U.C. presented a thrilling 11:00 a.m. service. A fellowship dinner in the church hall followed the service.

The Moose Jaw church was filled the evening of March 18, as a musical program and Easter play "From Gethsemane To The Tomb" was presented.

Included in the musical program were selections by Moose Jaw guest artists and the Regina S.D.A. choir.

The projected scenes of Christ's crucifixion provided a most effective lighting and backdrop for the well dramatized play. The cast consisted of Tugaske and Moose Jaw church members. The program was ably directed by Mrs. James.

Three Join Regina Church

The Regina S.D.A. church was blessed on April 1, 1978 with the baptism of three new members. Mrs. John Klassen, her daughter, Debbie and son, Terry joined with God's remnant church.

We thank God for the Holy Spirit's directing of their lives, and also the dedicated efforts of Mr. Bill Puskas, layman, who studied with these precious souls for two years. Pastor Al Oetman was privileged to perform the baptism.

Curtis-Horne Academy Students Visit Moose Jaw

On March 4, the Moose Jaw congregation was privileged to welcome the Curtis-Horne Academy faculty and students. The 18 students, under the direction of Brother Earl West and Sister Paul presented "Consider Your Calling," during the 11:00 a.m. service. The well-prepared program truly inspired all in attendance to "Consider their Calling". The ability with which each selection was presented demonstrated the capacity of young people rightly-trained.

Following the service approximately one hundred people enjoyed a fellowship dinner.

A Tribute to "Mr. Ingatherer"

Brother Eldred Longard, 75, of the Tantallon S.D.A. church, does not let age serve as a barrier between himself and the Lord's work. Known affectionately as "Mr. Ingatherer", his devotion and love for God has been the result of a life of continual service. For at least 45 years, from the time ribbons were first awarded, Brother Longard has Ingathered, never receiving less than a \$50 ribbon. The past ten years he has acquired a \$250 ribbon each time.

Brother Eldred Longard, faithful worker for God.

Brother Longard's missionary endeavors take him to the homes of his friends where he leaves literature and never fails to offer prayer if there are no objections. In places of business, he passes out *Signs of the Times*, *Listen* and *Life and Health*.

More from Tantallon

February 5, 1978 marked the beginning of a series of Evangelistic meetings conducted by Pastor David Crook at the Tantallon S.D.A. Church.

To the church members, the meetings proved beneficial as the truths of God's Word were refreshed in their memories through films, songs and the study of the Word from Bibles provided.

Friends in attendance who were new to the Faith were few in number, but God never forgets those who gather together in His Name. Several of those hearts were touched at the close of the series as Pastor Lawton Lowe, Ministerial Secretary of the Canadian Union Conference, gave them the invitation to surrender their lives to the Lord. A feeling of joy filled the congregation as they came forward expressing a desire to follow the Master.

Correction

In the article "Tantallon Invests for God" on page 6 of the March 2 issue of the CANADIAN ADVENTIST MESSENGER there was an editorial error. The statement was that among other activities Brother Hubley cut hair. It should have stated that Brother Hubley made a contribution to Investment each time he received a free hair cut.

Apologies to Brother Hubley and Anne Hurshman, Tantallon's active communication secretary.

It Is Written Coming to the Maritimes

On March 19, 1978, the Maritime Conference Executive Committee voted to sign a contract with Atlantic Television to air *It Is Written* for one year starting September 3, 1978. ATV is presently increasing power in several relay stations so that by the middle of the summer virtually every person in New Brunswick, Nova Scotia and Prince Edward Island will be able to view ATV clearly.

There were many evidences of the providences of God in the negotiations. Normal cost for a half hour prime time Sunday broadcast would be \$1,280.00. Certain discounts became available reducing the cost to \$1,000.00. Friends of the Maritimes along with the Union Conference have already contributed nearly \$22,000.00 to launch the project.

It is planned to make the program as regional as possible so that church members and pastors will be involved in the conference-wide outreach. With a good advertising program there would be a viewing audience of approximately 50,000. We desire the prayers of fellow members across Canada as the gospel of Jesus goes over the air waves in the Maritimes.

Maritime Conference of S.D.A.

Annual Meeting of "Friends of Canada"

"Friends of Canada," an organization of southern California, held its annual supper/social and business meeting at the Clifton Cafeteria in Covina under the chairmanship of Elder E. E. Bietz, Vice President.

Well over 150 Canadians and those who had lived or worked in Canada, joined in singing the stirring words of "O Canada!" to begin the program and business meeting which followed the supper and social hour of visiting.

It was a treat to many who had not seen or heard Ben Glanzer for years to have him sing, as only he can, "How Great Thou Art".

Merle Campbell, daughter of Elder and Mrs. J. M. Campbell, gave a personal report from her father, president of the Seventh-day Adventist Church in Newfoundland, on the progress of our work in Newfoundland. Reports from each of the other conferences in Canada were also recognized.

Two young people from Toronto, Debbie Waylett and Calvin McGinn, now in nurses' training at Glendale Adventist Hospital, delighted those present with their rendition of the song which declares "Canada is My Home!"

Elder C. C. Weis, formerly of the General Conference Lay Activities Department, was introduced as the newly-appointed Director of Development for the new Senior College in Canada. In his inimitable way he inspired his listeners with zeal to support a senior college in Canada.

Dr. N. O. Matthews, Superintendent of Education for the Canadian Union and President of Canadian Union College, was the guest speaker for the evening.

"The Canadian Union is the fastest growing union in North America," he declared, and he reported Canadian Union College enrolment this year to be 170, compared to 122 last year, an increase of 35%.

"The General Faculties Council of the University of Alberta has approved the authorization of second year university courses on a course-by-course basis," he reported, and cited some of the resultant needs—laboratory equipment, a resource library, and well-qualified instructors for each course.

Plans call for the starting of construction this spring on two residence halls, for men and women.

"Friends of Canada" officers for the coming year are:

President—Anna May Crawford

Vice-president—Elder J. M. Hnatyshyn

Secretary—Floyd Penstock

Publicity—Theda Kuester

The evening climaxed by all joining hands and singing "Blest Be The Tie That Binds."

Loma Linda University Presents Creationist View

LOMA LINDA — A difference of opinion exists among some members of the scientific community over such issues as how old the earth is and whether or not man evolved from a lower form of life.

Interest in this area has been particularly great in the Santa Clara Valley area of California. Public school leaders there have debated at length the issue of presenting the creation theory in the

classroom along with the theory of evolution.

Three faculty members from Loma Linda University were invited last month to teach a four-week course entitled "Evolution or Creation? A Look at the Evidence" at West Valley College of Saratoga and De Anza College of Cupertino.

Loma Linda University has been actively involved in disseminating scientific evidence for the creation concept. Graduate degrees in earth history and biology are offered, along with seminars designed to inform teachers about the evidence for creation.

New Album Released by King's Heralds

Dr. H. M. S. Richards reminisces with members of the original King's Heralds. From left are Louis Crane, first tenor; Ray Turner, bass; Wesley Crane, baritone; and Pastor Richards. Second tenor Waldo Crane is deceased. The get-together was a special concert commemorating the 40th anniversary of the King's Heralds as the *Voice of Prophecy* quartet. A recently released double album includes a selection of each of the 16 quartet combinations from 1937 to the present, plus a dozen gospel hymns sung by the current quartet. Pictures of all the quartets, with names and dates, are included on the album jacket.

Andrews to Hold Food Service Supervisors Workshop in July

The 1978 Food Service Supervisors' Workshop at Andrews University will be held July 9 to July 27. PUC, Andrews to Offer Pre Marriage Counselling Workshop

"Pre-Marriage Counseling," a workshop for ministers and others engaged in pre-marriage counseling, will be held at Pacific Union College in cooperation with Andrews University from July 10—20.

The workshop will offer three hours of graduate credit through Andrews University at a tuition cost of \$59 per credit hour, plus a \$10 materials fee. A post-session will be held on July 21, 23 and 24, for an additional hour of credit.

According to Dr. Adrian Zytoske, workshop coordinator and chairman of the Behavioral Science Department of Pacific Union College, the purpose of the workshop is to provide pastors, teachers and other professionals with guidance techniques and tools to use in advising those contemplating marriage.

For more information, contact Dr. Gordon Madgwick, Workshop Director, Office of the Academic Dean, P.O. Box 242, Angwin, California 94508, (707) 965-6234.

New Program at School Of Health

LOMA LINDA — The development of a new graduate program and the restructuring of two graduate programs are part of a face-lift for Loma Linda University's Department of Health Administration and Family Health Services.

The new program, a Master of Hospital Administration (MHA) degree, is distinct when compared to other MHA degrees because of LLU's focus on the "total" well-being of the human. "Our aim is to teach future administrators to encourage this well-being and to eliminate the impersonal element in their work," says Harold Phillips, PhD, chairman of the Health Administration and Family Health Services department.

SCALZI — DOUVEN

Marc Scalzi and Annie Douven exchanged marriage vows on March 26, 1978. In a lovely ceremony they made personal pledges to each other and expressed their desire for their Lord to be first in their home. The wedding and reception were at the Chatham Seventh-day Adventist Church, Ontario. Both are doing self-supporting health evangelistic work at the Living Springs Retreat, N.Y., where they will set up their home. May God's blessings be on their labors together.

BORDER — KRENZLER

Gaylene Krenzler, daughter of Pastor and Mrs. L. R. Krenzler of Oshawa and Daniel Border, son of Pastor and Mrs. Brent Border of Loma Linda, California were united in marriage March 16, 1978 in the Loma Linda Campus Hill S.D.A. Church.

Pastors Krenzler and Border shared in the marriage ceremony.

Daniel works for an accounting firm in Riverside where he will soon have his CPA. Gaylene is an instructor in the School of Dental Hygiene at LLU. They will continue to live in Loma Linda.

The reception followed in Linda Hall next to the church. God's blessing, peace and happiness to them is the wish of their relatives and friends.

L. R. Krenzler, *Pastor*

TUCKER — GOERTZEN

In a lovely afternoon ceremony on December 15, 1977, in the St. Helena, California church, Treva Goertzen and John Tucker were united in marriage. Treva is the youngest daughter of Elder and Mrs. Clarence Goertzen of Abbotsford, B.C. and John is the youngest son of Elder and Mrs. LaVerne Tucker of Redlands, California.

Treva's sister, Lois Ridgely was matron of honor and John's brother Pastor Bill Tucker, was best man.

Both fathers officiated at the ceremony and, to make this a memorable family occasion, 'Grandpa', (Elder J. L. Tucker) assisted by asking God's special blessing on this new home.

John and Treva will be continuing their studies at P.U.C. Treva is in the nursing program and John will be finishing his theology course in June.
