

Young People's Work, B. D. Gullet; Executive Committee, R. W. Parmele, W. L. Bird, L. T. Crisler, H. A. Shreve, and W. J. Ewing; Secretary of Young People's Work, Negro Mission Department, J. W. Manns; Negro Mission Committee, R. W. Parmele, W. L. Bird, and J. W. Manns.

Elder G. I. Butler was present during the latter part of the meeting and spoke with usual vigor on the great truths of the message which are especially applicable at this time.

The camp meeting for the colored people was held at the same time only a few blocks distant. This made it possible for our ministering brethren to assist in their services. It was pleasing to note the progress made in the Negro Mission Dept. during the last year. A successful tent effort has been held in Jacksonville which resulted in sixteen being added to the church there.

Three tent companies have been in active service nearly all the time during the conference year, and with pleasing results. Near the close of the meeting seventeen followed in the ordinance of baptism.

The unity and harmony manifested in all the deliberations of the conference proceedings made the session a pleasant one. Truly as we look back upon this meeting, it brings only pleasant remembrances of meeting so many of the dear brethren and sisters on this occasion. From the good resolutions made we may expect further advancement in our conference work.

MRS. R. G. STRINGER.

## 1911

THE year 1911 is fast drawing to a close. Its record will soon be closed. Has it been to you a year full of mistakes and failures, or do you feel that it has been a year full of sweet memories? Can you say, "I know I am nearer my heavenly home than I was one year ago, and I believe I am much better prepared for it."

It seems but a few days since 1911 came, but it has been long months—months which to some seemed as long as years, while to others, they glided by like merry hours.

The years come, and the years go,

Not too fast nor yet too slow;  
Just fast enough for you to do  
All that God appointed you;  
Just slow enough that you may be  
Able to do it perfectly.

No christian will say that all that we might have done, has been done, and it is this fact that causes sorrow of heart; and all the resolutions that may be made for the coming year, will not change the record of 1911.

Our only joy is in the hope of making 1912 a success. This we may do by using the failures of 1911 as stepping stones.

As believers in the Advent Message, the close of 1911 causes us to be glad that another year of sin, sickness and death is in the past, and that we are one year nearer home.

Let us be faithful during the coming year, and until Jesus comes to take us to that land where,—

"When we've been there ten thousand years.

Bright, shining as the sun.

We've no less days to sing God's praise

Than when we first begun."

T. D. R.

## Campobello, South Carolina

DEC. 6 was spent by the writer with the church at Campobello, S. C. Nine services were held while there; the leading themes being, "The office and work of the Holy Spirit", and a review of some points of the message.

On Sabbath, Dec. 9, the Spirit of God came into the meeting in a remarkable manner. All those in attendance felt the power of His presence and knew that He was beginning to do his first work—that of convicting the soul of sin. As opportunity was given, many arose, and with bitter tears flowing freely, made humble confessions, asking that special prayer be offered that the power over their lives might be broken. All differences seemed to be confessed and buried, and the parents were turned to their children and the children to their parents. It was good to be there.

After this service all felt better prepared to enter heartily into the week of prayer services, and we trust that the good work that has begun will continue till every sin is overcome and all are

prepared to labor for the Master. The time has truly come when a revival is needed among us as a people that those already engaged in the work may have greater power, and that the latent talent in our midst may be employed to help swell the message to a loud cry.

During the remaining part of this week of prayer, the writer will visit Spartanburg, Woodruff, Laurens, and Columbia.

W. H. BRANSON

## Cumberland News Notes

ELDER Stanley will visit a number of our small churches during the week of prayer.

Elder Stanley assisted Brother Russell a few days last month in his series of meetings at Greenback.

J. L. Shuler has recovered from an attack of typhoid fever, and has returned to Lenoir City to take up his work again.

Services were conducted at the Mission Ridge church, Sabbath the 2nd., by Elder Stanley and Brother G. M. Hicks of Champaign, Ill.

Elder Shoup has located at Elizabethton and will fit up a store room, and begin a series of meetings at that place after the Union Conference.

The Cumberland Conference has made her full quota to missions for 1911. The full amount given was \$2424.50. Now for the 15-cent per week quota for 1912.

The little company of believers at Lenoir City will be organized into a church Sabbath, December, 23. Elders Stanley, Locken and Shuler will perfect the organization.

Elder J. B. Locken has joined Brother Russell in his series of meetings at Greenback. The brethren have a good interest at that place, and we are hopeful that another church will be raised up.

The tithe sent in by our churches has been a little short the last few months of paying our monthly pay roll. We hope all our people will be faithful in paying their tithe that our workers may be sustained.

George M. Hicks of Champaign, Ill., is visiting some of our churches during the week of prayer with a view of locating in our conference. Brother Hicks is a staunch member of the Southern Illinois Conference.

## Prophecy Fulfilled

In Charleston, South Carolina, a man now makes the claim to be the divine Son of God, Jesus Christ, the author of the Bible; he claims to heal the sick, lame and blind; to have all power in heaven and earth, and to have come to set up his kingdom upon the earth.

His adherents have the promise of never dying, while the rejected have pronounced curses and calamities before them.

He claims to have sent the recent storm which did over \$1,000,000 damage to the city.

To the students of prophecy this is another sign of the times. (Read Mat. 24:23,24.) The devil with his imps is busy deceiving people. Rev. 12:12.

Is it not time that every one who knows this message should do his part in bringing a knowledge of it to the people?

The opportunities to work will not be better than now. Who will say? "Here am I, Lord, send me."

S. H. SWINGLE.

## Georgia Items

ELDER Chas. Thompson spent the week of prayer with the Atlanta and Macon churches; Elder C. B. Stephenson with Alpharetta; and Atlanta: F. C. Clark with Gainesville and Stonewall; V. J. Spaulding with Ty Ty.

Mrs. Daisy Terry is planning to start this week on a trip selling magazines. She has ordered 1,000 copies of the *Watchman*.

Brother D. A. Fisher of Fitzgerald, and Brother P. R. Rainwater are moving, with their families, to Borden Springs, Alabama. We are sorry to lose them from our conference.

The Atlanta church No. 2 has been making a great effort to finish their quota on the \$300,000 fund. They now lack only \$10.00 and expect to finish this before Jan. 1, 1912.

Miss Edith Hiatt has begun the Bible work in Atlanta. She reports a number of interested readers.

Bro. J. A. Sudduth is moving with his family to Red Oaks, Ga.

The Macon Church No. 2 is beginning the work of selling "Ministry of Healing." If there is any church or individual who would like to begin selling their quota, we will be glad to furnish them from the conference office.

## From North Carolina to Oregon

For some time my health has been poor. I have felt the need of a change both in work and climate. So at our campmeeting at High Point N. C., our conference committee considered the matter and all felt that it was a wise thing for me to make a change.

We left High Point Aug. 28 for Boise, Idaho. We spent four days in Chicago. Here we met kind friends, and visited the many places of interest which the children enjoyed especially. I spoke to our people Sabbath at the South-side church.

We left Chicago for Denver, via the Burlington route Sept. 3, arriving at Denver next day, making one thousand thirty-four miles in one day. At Denver we spent only twenty minutes, changing to the Denver and Rio Grande, for Ogden, Utah, and then to Boise. Here we met Eld. Willoughby, the conference president, and some of his co-laborers, this city being the headquarters of the Idaho conference. We all felt well, our journey so far was very pleasant, being kept by our Heavenly Father from all harm and danger. We spent one month in Boise, which was very pleasant indeed. The dear brethren made us feel at home among them. Desiring to labor with my hands, Eld. Willoughby secured me a place at Union, Oregon where we are now pleasantly situated for the winter.

Here we have a company of loyal souls with a splendid church building where we can meet Sabbaths to worship God.

I had labored in North Carolina for eighteen years, and while it was very painful for me to pull away from those so dear to me, I can see with my advisers that it is best. My health is much improved and I hope soon to be at my post again. Pray for me.

W. L. KILLEN.

## Florida Colored Work

At the close of the Sanford campmeeting, the "Beacon Light Tent Company" moved to Orlando, where we began meetings November 5, with a good attendance from the very first. While we met with some opposition from those from whom it would be least expected, yet the

Lord has been with us, and some are walking in the light, and keeping the commandments of God. The meetings have proved a blessing to our brethren and sisters here.

They are now raising money for a new church building, and hope to see it started before we leave the city. The new believers are very anxious to have a place of worship, and are lending their assistance.

Let the readers of FIELD TIDINGS remember the work here in their prayers.

J. W. MANNS.

## Notes

THE Ingathering campaign continues with increasing interest. Orders from the Tract Societies are showering in on the Pacific Press, and all orders are filled and papers mailed out within twenty-four hours of receipt. Expect to pass the 400,000 mark today, the 26th. All orders should come through the Tract Society office. Send no orders direct. Many conferences, especially the smaller ones, are in the lead; that is, they have entered the honor roll by ordering more papers than they used last year. Secretaries and others report good interest. Let us see some early reports. Who first?

The first number of the "Fireside Bible Study Series" of the *Signs of the Times* weekly makes its appearance in another week. Already good lists of names are coming in. Our people appreciate this plan of our pioneer missionary paper in giving the great three fold message in this way. The verse by verse study of the book of Daniel is a good feature of the series. This is a splendid opportunity for presenting these important lines of prophecies to those in whom we are interested.

her death, she called the members of  
the family to her bed-side, and bade  
them good-bye, giving such instruc-

mother can give. She assured them  
of her peace with God and willing-  
ness to sleep till He comes who will  
give life and immortality to the

## Report of the Canvassing Work in the Southeastern Union Conference for the Month of November, 1911

It is regretted very much to see the space for Florida left blank this month. I do not know why her report did not reach us in time. It is encouraging to note however, that altho Florida is not represented, yet the deliveries in this report are about \$2400 more than it has been in one month since the organization of the Union.
