●**IN APPRECIATION**--Brother A. L. Edeburn has made an outstanding contribution to Inter-America and more recently to the Central American Union as treasurer and auditor. The division is very grateful for his loyal service. He and Sister Edeburn have set a noble example as self-denying and hard-working missionaries. Brother Edeburn will be retiring after more than forty years of devoted service to the cause of God.

The Central American Union has eighteen organizations and institutions to be audited before Brother Edeburn leaves the field and the new secretary-treasurer arrives around the end of May. It was, therefore, arranged for Brother Edeburn to be relieved of the treasurer's work and devote full time to the auditing program of the union.

During the absence of a treasurer in the office, assistant treasurer Paula Garcia has been asked to carry the responsibility until the arrival of the new treasurer, and Elder G. E. Maxson will serve as acting secretary.--*B. L. Archbold.*
