RELIGIOUS BROADCASTING COURSE--The first course in religious broadcasting ever held in Inter-Aemrica was conducted at Antillian College June 11-22. GRADUATION--We are quoting from a letter sent to Elder Archbold by British Honduras Mission president James Kaine: "We wish to report that the first sixteen students were graduated from Adventist Vocational College. Representatives from the government Educational Department and other government officials attended the event."

CORRECTION--In the #59 issue of the FLASHES we mistakenly stated that the Hon. Eric Gairy and his wife Lady Hilda Bynoe, were especially invited to the Grenada church dedication. The statement should read: "The governor, Lady Hilda Bynoe and the premier, Hon. Eric Gairy, were especially invited for the occasion." We want to mention however, that Governor Bynoe was unable to attend.
