**IAD RETREAT**--Our division family enjoyed four lovely days on Sanibel Island in the Gulf of Mexico, August 16-19. The daily spiritual messages brought to us by General Conference president R. H. Pierson, the unspoiled beauty of the environment and happy Christian fellowship with one another, made of this retreat a memorable occasion. At the Saturday evening social Elders I. B. Benson, Gabriel Castro, Raul Rojas and T. G. Sample and their families were welcomed along with Hilda Matar, a graduate of the La Sierra Campus of Loma Linda University, who is the latest addition to our secretarial ranks.

**FULTON COLLEGE TO BENEFIT FROM 13TH SABBATH OVERFLOW OFFERING**--Hundreds of young people from the many countries of the South Pacific look to Fulton College, Fiji, for a Christian education.

At this time Fulton College desperately needs your support, for the education explosion has created accommodation problems. The young men's dormitories, initially built in wartime with secondhand materials, have long outlived any semblance of comfort and dignity. Students live under incredibly crowded conditions.

Your sacrificial offering on September 29 will materially aid the youth of the South Pacific in their quest for education that will enable them to face the demands of the future and find a place in God's work. We thank you in advance for your support.--*M. N. Townsend, Sabbath School Secretary, Australasian Division.*
