CHURCH CHAIRTY FUND

IN this issue of the REPORTER we are publishing again the \$5,000 Fund, but under a new heading. As this money is to be used as chairty work, and our churches are to preform the part of the good Samaritan, we are heading this report, "Church Charity Fund," and we hope to see it reach at least ten thousand dollars.

At our camp-meeting the plan was suggested that each church member give one day's work each month for one year to this fund, and after thoroughly discussing the question, it was unanimously adopted by nearly every person voting in favor of the plan. In a recent testimony from Sister White, she urges all of

our brethren and sisters to take hold and render the Sanitarium financial assistance and this will not only help the institution but give each church a fund with which to do chairty work in the way of sending persons who are in need of Sanitarium treatments, to the Sanitarium and receive full credit for every dollar thus received.

The plan in the past has been to raise \$3 per capita for each member in the State, but that is not an equality in giving, but the plan proposed now makes it equal for all. If one only makes ten or twenty-five cents a day that is all he pays, while one who makes five dollars, gives that.

Is there a person in the Indiana Conference who can not afford to give one day's work in each month for a year to help some poor, sick person, and at the same time give present aid to the Sanitarium work of which the Lord says, "There is no more important work." When our hearts become imbued with the same love that the Master had, so that we have compassion upon the afflicted around us, one day a month will seem a comparatively small thing, beside that which our Lord did; for we are told that the greater portion of His time was given to ministering to the sick. Then he must have worked not one day each month but fifteen or twenty each month. While this is not directly ministering to the sick, if we devote a day's work each month for the benefit of the sick, and some one else applies the remedies, it is all the same and we will receive our reward.

There are great possibilities in this plan. Those who have not a means of labor to earn money can go out and sell ten to twenty-five copies of *Life and Health* or the *Signs Magazine* or the *Watchman*, and in this way earn some money to help the sick, and at the same time not only aid the Sanitarium, but

carry the precious truths to the people, so that three objects are gained, and this work is the most fruitful of all. I hope that every Seventh-day Adventist in Indiana will join this army and thus unitedly engage in this noble work.

"I am glad to do all I can to help the Sanitarium, as I am sure that it is the right institution in the right place at the right time. And I am glad that the Lord has by His spirit manifested His pleasure in behalf of it by sending us a special testimony which was read in the hearing of the people of Indiana at the camp-meeting. I only pray that our people will rally to this institution and make it all that the Lord would have it to be, and I feel sure that they will. I believe that the time will come when our people will appreciate the value of having this Sanitarium in Indiana, and will also realize in a greater extent what it has cost those who stand at the head and have borne the burden against circumstances under which many would be crushed if placed in the same position. I am sure if our workers all have the same spirit that the people had in the days of Nehemiah, and place themselves in an attitude that "the hand of the Lord be upon them"—having a mind to work—this institution will prove itself to be a great blessing to the cause of God. And they who hold up the hands of the institution in this time of embarrassment financially, both by voice and means, will be greatly blest at the outcome."

I trust that all will take hold of this work in earnest and receive the blessing that God has in store for them.

W. J. STONE.

"PERSONAL effort for others should be preceded by much secret prayer; for it requires great wisdom to understand the science of saving souls. Before communicating with men, commune with Christ. At the throne of heavenly grace obtain a preparation for ministering to the people."

THE PRESENT SITUATION

In a recent letter received from Elder Allen Moon, President of the Lake Union Conference, he speaks of the present outlook for a change of administration in our Government, and how it might effect the financial future of the country. He thinks there is danger of a great financial stringency. I quote his words as follows: "The financial flurry of last fall was only a warning or dagger signal hung out by the financiers of Wall Street to indicate that unless the government was administered after their conception of things, they would bring about a calamity in the financial world."

"I have feared for our work generally in case such a thing should occur as I have mentioned above. We seem to be straining every nerve to accomplish great things, and the time of prosperity had no influence upon us to bring about a policy that would stand through a financial panic."

In view of the possibility and even probability that a great crash may come in the future, we feel like asking our people to take warning and deposit their means in the bank of Heaven. The Indiana Conference is one of the branch offices and money deposited there will be safe even in the financial crisis. Let us heed the warning.

OUR PERIODICAL WORKERS

This week marks the close of the work of the periodical scholarship company which began operations on June 15th in Anderson. Since the La Fayette camp-meeting, the company has been located in this city, and many hundreds of papers have been sold during the month that the workers have been laboring here.

As people throughout the Conference have been watching with interest to see what these workers could accomplish and whether or not they would attend school, as desired, and therefore we give items concerning the work and workers. It may properly be said that several who joined the company did so too late to expect to earn a scholarship for this winter, but in the following notes will be found the names of all who were with the company two weeks or longer.

The first to state positively that they would take up the periodical work for the summer were Grover R. Fattic, Susie C. Blake, Linnie Vance, and Hazel Vance. Brother Fattic departed for South Lancaster on the 18th instant.

Miss Blake, after working until the first of September, spent two weeks at her home near Tell City and reached Beechwood Academy on the 18th instant.

Miss Linnie and Hazel Vance have taken up studies in Emmanuel Missionary College, Berrien Springs, Michigan.

Sister Ida Fattic, who served as chaperon and cook for the company from June 15 to August 27, accompanied her son to South Lancaster, Mass. The services of Sister Fattic were very valuable to the workers and they greatly appreciated her efforts in their behalf.

Business matters which required the undivided attention of Brother Fattic and his mother made it impossible for them to give much time to the care of the company after August 26, so that, on this date, Brocher and Sister Burton Castle, on their way to take up duties at Beechwood Academy, kindly connected with the company, Sister Castle serving efficiently as both cook and nurse.

The first serious illness in the company occurred about two weeks after the La Fayette camp-meeting. Brother and Sister Castle, being graduate nurses, gave effective treatment, so that, although the patient had to travel 130 miles to reach home, no turn for the worse occurred. She was frequently remembered before the throne of grace in the morning and evening worship of the company and God's blessing was manifested in the prevention of the ravages of disease.

Miss Vella and Leone Sparks, who joined the company two weeks after its organization, reached Beechwood on September 14.

Miss Ada Achor went to Nashville, Tennessee, Monday, September 7, where she is attending school this winter.

On September 23, Brother Floyd F. Thompson, who rendered valuable assistance to Brother Fattic in changing the camp location from time to time, and who joined the company on July 6, entered the In-

diana Medical College for the sophomore year.

Miss Margaret Bennett has begun teaching at Middletown.

Miss Amy G. Foote left Indianapolis en route to South Lancaster, Mass., on Tuesday of last week.

Miss Lora Duncan is returning to her home this week, expecting to engage in missionary work in that neighborhood during the winter.

Miss Clara Weber expects to continue work with our periodicals for sometime.

Brother Dale Hendrixon joined the book workers at Terre Haute on the 9th instant. He worked with the papers here while waiting for the organization of the book scholarship company at Terre Haute.

Miss Gertrude Davis, who began work with the company during the La Fayette camp-meeting, was obliged to return to her home on account of illness, Tuesday, September 1. She is slowly regaining her health and hopes to reach Beechwood Academy within a few weeks.

To sell 10,000 periodicals is no small task, but these young people have faithfully labored during the hot, dry, summer months until their total sales will not fall far short of this large number. Exact footings have not yet been made.

They have reached with the truth, hundreds who doubtless never saw one of our papers before. They have themselves had many enjoyable experiences, some trying ones, and some valuable ones. They have learned much concerning the needs of the people. They have become acquainted with persons and places and churches, and their influence has been a help wherever they have spent a Sabbath. Some of them, for the first time, attended camp-meeting, and several of them could not have attended had they not been in the scholarship company. The Christian influences which were thrown about them during the summer will undoubtedly have a lasting effect.

We are hoping that at least two such companies can be organized for work in our conference next summer. Applications for membership in such companies have already been received by the Missionary Secretary of the conference, who has had the oversight of this department of the work.

has proven a great blessing to the youth who have availed themselves of its advantages. But there are some, we feel confident, who should be here and who are not. For such you have an opportunity to do missionary work. Encourage them, show them the importance of gaining a preparation for service *now* if they would ever have a part in the Message; or, if necessary, and if you can, help some one with your means to come here. The Lord will bless your sacrifice, and you can make no better investment.

The work and the responsibilities rest heavily upon those here in charge. We need your co-operation and your prayers. Give us this and we believe the Lord will give us our greatest desire—souls for service.

Miss Ada Frazee, of Michigan, is teaching at Fair Oaks.

The Indianapolis school on the East Side is favored with Brother Wm. J. Farchild, of Ligonier, as teacher. His family is moving to this city this week.

A new name on Indiana's list of church schools is Longansport, were Sister McMahan assisted in organizing one last week, Miss Myrtle Robertson being teacher.

The Middletown school, which is also a new one, has Miss Margaret Bennett in charge.

Miss Lena Vance began teaching at Muncie on the 14th inst.

A home school is conducted by Mrs. Elizabeth Lawson near the former location of the Olivet Chapel church.

Our people at Petersburg have requested that a teacher be supplied them, and Miss Mayna Miller, of this city expects to go to fill the call shortly after October 1st.

The Pleasant View school opened on the 21st instant, with Brother Lowell Knapp in charge.

Princeton retains Miss Nannie Blake for another year.

Miss Grace L. Davis, of Michigan, after assisting in the tent meeting at North Vernon, went to Salem to teach.

Brother H. C. Chapman, who taught the Wolf Lake school satisfactorily last year, has been retained for the present season.

Sister McMahan has already visited several of the schools and as rapidly as consistent with her many other duties, will call at the remaining ones. Her visits are much appreciated by both patrons and teachers.

ELDER W. J. STONE.

Dear Brother:—These are busy days with us here at the Pacific Press. Every department of our office, from the typeroom on through the foundry, press room, and bindery is crowded with work. Have had to call in extra help, and work overtime in order to meet the demand,—this, too, on our own denominational work. Never before have we seen anything like it for such a long period of time.

Our canvassers are meeting with remarkable success. Twenty tons of subscription books were shipped out from this office in July, and about the same amount in August. It is wonderful, isn't it?

And our periodical workers, too, are meeting with remarkable success, earning all the way from \$1.00 to \$5.00 per day and even more.

The *Signs of the Times* in magazine form is giving general satisfaction, and a little army of workers is being gathered together to handle this monthly magazine.

Just a few days ago we received a telegram from one of our tract societies asking us to send 1,185 copies of the September number to one of their workers. But best of all is the knowledge that persons are becoming interested in the truth by reading this journal.

We printed 60,000 copies of the August number and they are all sold. The first edition of the September number consisted of 50,000, and already these are nearly all gone, and we shall be obliged to print another edition.

Yours Sincerely,

C. H. JONES.

ITEMS OF INTEREST

MUCH encouragement may be gained from a thoughtful study of the *Review* of September 17, which contains many interesting facts and figures regarding the growth and development of this denomination, giving particularly statistical tables for 1907. If you have not seen this number, secure a copy and study it carefully.

THE periodical company, in its summer's work, used all of our leading missionary papers, namely, *The Watchman* (Temperance Number, 1,400), *Life and Health* (July issue, 3,000; August issue, 4,500), *Liberty* (No. 2, 200), the *Signs* (August Monthly, 500). The figures in parentheses indicate the estimated number of each sold.

WEEK before last, Brethren Archer Wright, Martin Grim, Luther Jacobs and Dale Hendrixson found a location in Terre Haute where they expect to live during the next few months while selling "Daniel and the Revelation" "Great Controversy" and "Christ's Object Lessons" in Vigo County. We wish these brethren abundant success in their labors for the Master.

"CONCENTRATED and Concentrating Wealth: The Great Issue of the Day" and "Signs of Christ's Second Coming—in the Industrial World" are two of the very important articles contained in the October magazine number of the *Signs*. Such stirring truths, so clearly setting before the reader the close proximity of the advent of Christ, ought to be placed in many hands. Orders may be sent to this office.

J. H. CRANDALL of Wolf Lake writes that there is a good opportunity for a few children who wish to attend a church school to secure board and attend the school at Wolf Lake. He writes that they have an excellent school and would like a few more pupils. Any who are desiring to avail themselves of this privilege can address, J. H. Crandall, Albion, Indiana. R. F. D. No. 2.

"RELIGIOUS Liberty Threatened" and "An Argument against Religious Legislation," two articles in

Liberty No. 3, are excellent matter to place in possession of those who are solicited for their signatures to petitions against Sunday legislation. The magazine, like *Life and Health* and the *Signs Monthly* may be had at 4 cents per copy in quantities of 25 or more, and for 10 cents for single copies.

THE INGATHERING FOR MISSIONS

WE trust all our readers have seen the announcement of the Thanksgiving Ingathering plan, which provides for all the members of our churches in the United States to solicit for donations for missions during next Thanksgiving week. If any are not familiar with this plan, we would be pleased to send them circulars containing the full details.

There is manifested a commendable interest in this plan in all parts of the field. Everybody seems to think it is just the thing to do, and many are beginning now to plan so they can spend all of Thanksgiving week, gathering in money for our needy missions. Elder S. N. Haskell thinks it is the time to claim the promise of the prophet Isaiah. He says:

"I am glad the Thanksgiving plan is met with favor. We read in the Bible that the wealth of the Gentiles shall flow into the work of God, and I have always been a firm believer in getting help from the outside. Every meeting house that we have ever built, if I am right, and I have built many, we always get plenty of money from the outside. I have thought that sinners are under obligations to the righteous. You remember that God could not destroy Sodom until he had gotten the righteous out of the city, so sinners have much to be thankful for through the influence of the righteous around them. The time was that the Religious Liberty movement was carried so far that it was thought a sin to accept a favor from the Government. I wrote to our Religious Liberty brethren at the time, citing the example of Cyrus, and how God used him to accomplish His work in the earth. I hope this plan will be a great success and that a large sum of money will be received to advance the cause."

Let all begin to plan now so they

can have at least the greater part of Thanksgiving week to solicit for donations to missions.

SPECIAL THANKSGIVING "REVIEW"

THE special *Review* for Thanksgiving will be profusely illustrated with cuts of our various mission workers, publishing houses, sanitariums, and periodicals. Every page will contain some of these photos, making the whole number very attractive, as well as instructive. It will be the very best presentation of our home and foreign work ever given. It will do much toward giving the world an enlarged conception of our work. It will make the work of soliciting for donations for our foreign missions comparatively easy, and will have a favorable impression upon the minds of the people. This number of the *Review* will be furnished free to all who will use them in soliciting for cash donations to missions. With them will be sent a suggestive canvass, showing how to approach the people, and something of what to say. A registered solicitor's card containing the name of the solicitor and a list of mission stations operated by the Adventist, with space opposite each station to enter the amount donated, will be issued to each person authorized by the elder State Tract Society Secretary, or the Mission Board to receive donations.

When the week has ended, the donations with the cards are to be passed in to the Church Treasurer, and by him forwarded to the State Tract Society Secretary. The State Tract Society Secretary will remit for all churches and isolated members to the Mission Board.

Let all plan to have a part in this important work. If our people do their duty during this one week, the message in foreign fields will receive an impetus heretofore unknown, and our home work will be greatly strengthened through the better knowledge gained of it through the special *Review*.

WOLCOTTVILLE, INDIANA.

THE interest at Wolcottville is increasing in attendance and eight souls are keeping the Sabbath, all adults but one, and this a noble girl of fourteen years. Several more are in the valley of decision. The harvest is ripe in this part of the State. I am receiving many calls to come to other places to hold meetings. We organized a Sabbath-school of thirteen members and last evening the people held me for two hours answering questions. B. HAGLE.

NORTH VERNON, INDIANA.

OUR interest is still good. We could not seat our congregation last night. We have heard of several keeping the Sabbath who have not yet made it publicly known. We have a Sabbath School organized of over thirty members and several more will be here next Sabbath. Pray for the success of the work at this place. U. S. ANDERSON.

TEACHERS AND PRINCIPALS, NOTICE

THE pupils' Lesson Sheets, the first section of the standard Graded Course of Sight Singing, recommended by the general Conference Text-book Committee are now ready for mailing. Send in your order at once so that your pupils may get the benefit of these effective exercises at once. Address Recorder Press, 843 East 46th St., Chicago, Ill.

GERARD GERRITSEN.

NOTICE

WE do not carry any of the new school books in stock at our conference office, but will order from publishers for those desiring them, providing cash accompanies the order. T. A. GOODWIN, *Treas*

CHRIST IN SONG

WHEN the first announcement of the new edition of "Christ and Song" was made, it was thought that we would be able to get the complete book into 544 pages. Afterwards,

in order to get in all the old favorites and the new songs also, it became necessary to enlarge the book to 576 pages. This addition makes necessary a raise of five cents a copy on the *flexible* binding, making the present prices as follows:—Flexible, 45 cents; cloth, 60 cents; half morocco, \$1.00

LEATHER BINDINGS OF "STEPS TO CHRIST"

THE leather styles of the new edition of "Steps to Christ" will be listed as trade books, the retail prices being \$1.00 for the red Russia flexible; \$1.50 for the full morocco, de luxe. On the other styles, agents will receive the regular Subscription Book Discount. The retail prices are: Paper, 30 cents; cloth 60 cents; presentation gilt, \$1.00.

OBITUARIES

MOOY.—Inez Elizabeth, daughter of Edward and Daisy Mooy, was born July 6, 1907, died September 2, 1908, of abscess of the bowels, aged 1 year, 1 month, and 26 days.

Directly after being taken sick, she was removed to the Wabash Valley Sanitarium where everything possible was done, but though her life was lengthened, yet to-day she is gone. One has said:

"We know not what it is, dear, this sleep so deep and still;

The folded hands, the awful calm, the cheek so pale and chill;

The lids that will not lift again though we may call and call;

The strange solitude of peace that settle over all."

But in Him she sleeps along with the little babes of Bethlehem whom Herod slew, and the promise to them is that "they shall come again from the land of the enemy."

Funeral services were held at the home four miles west of Reynolds, where a very large concourse of friends assembled to mourn with the parents, the loss of the dear one. Words of comfort were drawn by the writer from 2 Kings 4:26. We appreciate the fact that she is taken away from the evil—the time of trouble—which is to come. The singing by Elder and Mrs. Buhalts was especially appreciated. Interment was made at Monticello, Ind.

NEWS AND NOTES

HAVE YOU seen the October *Signs Monthly*?

SIXTEEN church schools are being conducted in our conference this winter.

BEGIN your winter missionary work now; do not wait until Thanksgiving week.

THE address of Brother J. W. Moore is now 116 Willow Avenue, Takoma Park, Washington, D. C.

BROTHER and Sister Niehaus have taken up work in Fort Wayne and are now living at 2717 Indiana Ave., that city.

HAVE you received a petition against Sunday legislation? If not, get one and secure signatures of friends and neighbors.

REMEMBER the annual collection for the benefit of the colored work in the South, to be taken up next Sabbath, October 3.

ORDERS for more than 11,000 copies of the August number of *Life and Health* passed through this office. The total edition of this journal for August numbered 55,000.

THE Sabbath-School lessons for the fourth quarter of this year are based upon the Epistle to the Ephesians. *Quarterlies* may be obtained by addressing this office.

IF your church has not yet decided how many copies of the Thanksgiving *Review* to order, be sure to take this matter up next Sabbath. These orders should all be in by this time.

THE revised edition of "Christ in Song" may be obtained from this office. The prices are; flexible cloth, 45 cents; red cloth (a very durable book), 60 cents; half morocco, \$1.00.

MISSSES Linnie and Hazel Vance, who were with the scholarship periodical company during the summer, reached Emmanuel Missionary College in time for the opening exercises on September 9th.

ON Friday, the 18th instant, Elder Stone, accompanied by Sister Stone, went to the Wabash Valley Sanitarium, where he has since been constantly under the physician's care. When last heard from, his condition was somewhat improved and hopes for his speedy recovery are entertained by his attendants.

MRS. W. J. STONE and Everent are at the Sanitarium taking treatment and will undoubtedly remain several weeks as the doctor has advised that Mrs. Stone undergo a surgical operation.

ORDERS may now be taken for books for holiday delivery. A large number of our small books ought to be sold between this and the holidays by our lay member. Will you assist in this work.

A continued good interest in the meetings at North Vernon is reported and the outlook is encouraging. Elders Miller and Anderson have held meetings there regularly since the close of the camping-meeting.

ON the 16th instant Brother Grover R. Fattie and his mother began their trip to South Lancaster, Massachusetts, where Brother Fattie expects to complete his college course during the coming school year.

IF any of our readers desire to use August *Life and Health* for free distribution in their communities, there by spreading the health principles and advertising the Sanitarium, we can furnish them in quantities of five or more at 1½ cents each.

LARGE orders for the Thanksgiving *Review* have been received from the following churches, as indicated by figures following names of churches; Boggstown, 775; Farmersburg, 425; Linton, 500; and Muncie, 900. We hope for orders from all other churches within the next five days.

BROTHER Dan S. Hammond, of Jonesboro, has been busily engaged this month in selling the *Signs of the Times* monthly special for September in towns and cities near his home. The principal topic in this number, "Alarming Ravages of Destructive Insects," interests townspeople as well as farmers.

WE are glad to report that the orders are coming in from our Churches for the special Thanksgiving number of the *Review and Herald*. One individual has ordered 200 and two churches have sent in orders for 500 each. Some of our churches ought to use as high as 1,000 of these papers. We trust that every church in the Conference will take up this matter at once and report to T. A. Goodwin the number of copies they can use.

THE October number of *Life and Health* is full of instructive articles on the care of school children, discussing the health, diet, education and training of children. Every home must be benefited if one or more of its members read this journal. Hundreds ought to be sold throughout the state. Price, in quantities of 25 or more, 4 cents; single copies, 10 cents.

DURING the summer, our truth-filled papers were sold in more than thirty different towns and cities in Indiana by the periodical scholarship company, including the following eleven cities of more than 8,000 population: Anderson, Columbus, Elwood, Indianapolis, Kokomo, Lafayette, Logansport, Marion, Muncie, Peru, and Wabash.

THE health principles contained in the August number of *Life and Health* are still needed by the people, and the advertisement of the Sanitarium is as good as ever. We suggest that many secure copies for free distribution at the low rate for which we now can supply them, namely, 1½ cents per copy. Send orders to the conference office, 515 E. 23rd St., Indianapolis.

BROTHER J. R. MINNICK writes very encouraging of the work at Terre Haute. He says, "We have had Brethren Wright, Grim, Jacobs, and Hendrixon here canvassing for a few weeks and they are doing a great work for Terre Haute. Wish they could stay a month or two longer. We received into the Terre Haute Church, Sister Peacock and son from St. Joe, Mo., and Sister Harvey from Los Angeles, Cal. We can use about 500 of the special Thanksgiving number of the *Review and Herald*."

WEEK before last Elder Stone felt a peculiar sensation in his face which finally developed in paralysis of the left side of his face. He went to the Sanitarium and the doctors have hopes that by thorough treatment and the blessing of the Lord that his face may be restored again to its normal condition, although it may take some time. This has been brought on by overtaxing his already run down physical condition. Trust that all our Brethren and Sisters will daily remember this servant of the Lord in their prayers.
