Early years were full of hardships. The land had to be cleared and drained. The process of building and equipping the institution has been delayed by lack of funds. About two years ago a definite action was taken toward placing the school on vantage ground. A well-built public-school building in excellent condition but too small for the use of the entire village, was purchased by the academy and moved out to the grounds. This has been remodeled and is known as the Academy Building.

About this time the Southern Illinois Conference voted to

FOX RIVER ACADEMY, EAST END OF CAMPUS

Greetings

Believing that many loyal friends in Illinois and neighboring States, whose gifts and sacrifices started the Sheridan Industrial Academy, and by whose generous and continuous efforts it has been possible to make that school one of the foremost of it's rank, will be glad to know a little more about their institution, we take this occasion to present a few cuts taken this spring, together with some notes on what has been accomplished since the last conference, and the prospects for the coming year.

It will be remembered that the school was started in 1900 by the Illinois Conference on forty acres of timber land two miles from Sheridan. Without doubt no more beautiful and suitable location could have been found in the State. Back of the buildings the ridge drops some seventy feet to the valley of a picturesque little stream known as Mission Creek which joins the Fox River about a mile from the academy.

unite with the Northern Conference in the support of this school. This has meant a greatly increased attendance, in order to provide for which several thousand dollars has been invested the past year. All principal improvements are being completed this summer and the Illinois conferences may justly be proud of having a school where their young people will be housed in comfortable buildings with modern conveniences and necessary equipment, given thorough instruction under competent teachers, and where, above all, Christian character and a training for service for the Master are the aims.

Special attention is called to the following pages with the hope that all the young people who should be here but have not enrolled will seriously consider spending some time in training.

Friends, patrons, and all interested in Christian education are cordially invited to the academy at any time.

A CORNER IN THE LIBRARY

Improvements

Among the most important improvements made during the past fifteen months may be mentioned:—

A very efficient central steam-heating plant has been installed which heats all the buildings.

A pneumatic pressure water system carrying sufficient pressure to throw water over any of the buildings and supplying all the buildings with a constant supply of pure water, has been completed and thoroughly tested. Power is furnished by a gasoline engine.

The academy building has been completely remodeled, painted inside and out, and equipped with the necessary furniture. Here are located the chapel, class-rooms, library, business office, and the principal's office. In the basement are the water tanks, the boiler, coal bin, and the plumbing and repair room.

The girls' dormitory has been entirely remodeled inside, plastered partitions being used instead of ceiled partitions, and the walls painted or papered throughout.

The boys' dormitory has been remodeled inside and papered, and a stone and brick foundation placed under it.

A new two-story cottage which will be known as the principal's cottage is being erected and will be ready to use in September.

Cement sidewalks are being laid from the boys' dormitory to the cottage west of the girls' dormitory, thus connecting all the principal buildings.

The campus extending in front of the boys' dormitory and the academy building has been graded and sown to lawn grass. All the terraces have been sodded.

The remainder of the bottom land has been cleared and placed under cultivation.

New dressers, chiffoniers, beds, mattresses, chairs, tables, rugs, maps, etc. deserve a prominent place in the list of improvements.

Bathrooms with hot and cold water have been installed in the dormitories and cottages.

A modern sewer system including three septic tanks, which will dispose of the sewage from all the buildings, is nearing completion.

A Gundlock-Manhattan two-thirds and one-sixth power microscope and other equipment has been added to the science department.

The library has been given a room in the academy building and has been strengthened by an addition of over one hundred and fifty books.

A fire-proof safe and a Burrough's adding machine have been purchased for the business office.

The work of painting the buildings inside and out has been going steadily forward, and will doubtless be completed by the opening of school.

Calendar for 1911-12

Fall Term

Entrance Examinations and Classifications,
Wednesday, September 20, 1911.

Class Work Begins, September 21, 1911.

Fall Term Closes, December 13, 1911.

Winter Term

Opens Wednesday, December 14, 1911.

Closes Tuesday, March 8, 1912.

Spring Term

Opens Wednesday, March 9, 1912.

Closes Tuesday, May 30, 1912.

Faculty

WALTER E. STRAW, *Principal*,

Science.

MRS. W. E. STRAW,
Sewing, Domestic Science.

C. B. VAN GORDER,
Agriculture.
MRS. C. B. VAN GORDER,
Matron.

General Information

Expenses

Board.—The European plan of boarding will be continued, giving the students the privilege of ordering their meals from the bill of fare, paying only for what they order. By this plan the expenses range from one dollar per week up; but for good substantial board the student should plan on from \$1.50 to \$1.75 per week.

At the beginning of each month, each student is required to deposit \$6 to pay for his board. If his board is less than this amount the remainder will be refunded to him at the end of the month. The minimum charge for board is \$4 per month.

Tuition and Home Expenses are \$8 per month of four weeks. This includes room, heat, light, plain washing (not to exceed 14 pieces), home supervision, and tuition for full work. One dollar extra will be charged those taking more than full work. At these rates two students are expected to occupy one room.

The tuition of piano and organ students who are not taking full work will be one dollar per month for each study taken, and \$4 per month for home expenses.

The tuition for resident students is \$4 per month for full work.

Expenses Estimated.—Estimating \$6 per month for board, the student's entire expenses, aside from text-books, special fees, etc., would amount to \$14 and 28 hours' work per month. This, however, is made considerably less in the case of some students by the work they do.

Music Department

The uplifting effect that the right kind of music has on

character makes it a power for good that cannot be too highly valued by the gospel worker.

The management of the academy desire to make the music department as strong as that offered by any other school of similar rank in the country. A thorough course requiring, for the average student, four full years or more of study is offered, and in the case of students who are advanced in music, but who have not yet completed the literary work offered by the academy, or who desire to study only music, work will be given beyond the course outlined.

Each music student is assigned definite hours for practice, at which times he has the exclusive use of the instrument. No visitors are permitted to disturb the student at these hours.

Band and Orchestra

A small band and orchestra have been organized and will be continued through the coming year, with opportunity for others to join. Members will be expected to furnish their own instruments and music.

Literary Society

Plans are being laid to conduct a profitable literary society during the coming year. While primarily a student organization, it will receive the assistance of the teachers.

How to Reach the School

All applicants for admission should make definite arrangements with the Principal before coming to the school. A letter of recommendation from some responsible person should accompany every application.

It will be necessary to notify the school of the date on which the student will arrive in Sheridan, in order that he may be met at the train and conveyed to the school. Trains run direct to Sheridan from Aurora, Streator, or Ottawa.

OUR DINING ROOM

Library

A preceding cut shows a corner of the library which occupies one of the most pleasant rooms in the academy building. Over one hundred and fifty books were added the past year, making a total of about five hundred carefully selected volumes for the use of students and teachers. By means of the library fee, fees for special examinations, and continued contributions of friends and patrons, it is hoped that as many more will be added the coming year. Some of the best magazines and papers are kept on the reading table.

Religious Exercises

The academy is a denominational institution, and is conducted on a religious basis. Worship is conducted in the school home morning and evening. Prayer and social meetings are held on Friday evenings, and Sabbath-school and

2. Sufficient and suitable buildings.
3. Beautiful location and surroundings.
4. Excellent equipment for all work taught.
5. Modern home conveniences.
6. Plenty of wholesome food at cost of production and serving.
7. Well-lighted, steam-heated rooms.
8. Opportunity for several to earn a considerable part of their expenses by labor.
9. An earnest Christian influence.
10. Tuition within the reach of every young person who really wants a Christian education.

A post card will bring a beautiful forty page illustrated calendar containing full information of every department. Address W. E. Straw, Principal, Sheridan, Ill.

THE GIRLS' DORMITORY

church services are held each Sabbath. A missionary society is organized among the students, and holds regular weekly meetings. The meetings have done much to instill the spirit of true missionary labor into the hearts of the students.

Course of Study

The regular course of study for academies adopted at the Educational Convention held last year at Berrien Springs, and followed by all our principal schools, is also followed by us. Thorough work is offered under college and normal graduates who have specialized in the branches which they teach. A full description of each study, with the work required and credit given, may be found in the calendar for 1911-12.

Recapitulation

To the prospective student the Fox River Academy offers the following advantages:—

1. A strong and united faculty.

Religion and Courage

Religion gives a man courage . . . I mean the higher moral courage which can look danger in the face unawed and undismayed; the courage that encounter loss of ease, of wealth, of friends, of your own good name; the courage that can face a world full of howling and of scorn—aye, of loathing and of hate; can see all this with a smile, and, suffering it all, can still toil on, conscious of the result, yet fearless still. —*Theodore Parker.*

The work is soon to close. The members of the church militant who have proved faithful will become the church triumphant. In reviewing our past history, having traveled over every step of advance to our present standard, I can say, Praise God! As I see what God has wrought, I am filled with astonishment and with confidence in Christ as a leader. We have nothing to fear from the future, except as we shall forget the way the Lord has led us, and His teaching in our past history.—*Mrs. E. G. White.*

WISCONSIN

Bible School in Milwaukee

September 4, the time for opening this school, will soon be here, and those who are to attend are now making preparations. As we have no bedding in the mission, and as it will be a small item for the students to furnish their own, we would recommend that, as far as possible, each one bring bedding. Two will occupy one room and one bed; therefore, if each student will bring pillow cases, two sheets, a blanket, and a quilt, it will be sufficient. If you have lace curtains you might also bring them for your windows. Bring toilet paraphernalia, stand cover, and other useful articles that will make your room pleasant and attractive.

We do not favor any spread-eagle style, but a modest, sensible decoration of rooms makes them inviting and pleasant. If you have a set of the "Testimonies for the Church," "Great Controversy," "Patriarchs and Prophets," "Daniel and the Revelation," and a church history, bring them with you. Bring "Hymns and Tunes" and "Christ in Song." Bring your Bible and a portion of the Holy Spirit with you, and come to study, pray, and work; for it is written in the prophets, "And they shall all be taught of God."

So may it be.

W. H. THURSTON.

Spooner

We are glad to report a growing interest here. Last Sabbath there were about twenty-five present at the Sabbath-school, and some were present from the outside at the preaching service.

Sunday evening the "Change of the Sabbath" was presented to an audience of seventy-five people, and a kindly interest was manifest. Just now we are at the testing point in our meetings and cannot predict definite results, but the outlook is encouraging. Pray for the work in Spooner.

P. C. HANSON,
E. E. TROWBRIDGE.

Madison

Every week, and sometimes two or three times a week, one of the sisters of this church has gone out with our pamphlets, papers, and tracts and has met with success selling them. Where interested individuals felt unable to purchase, reading matter was given them. Six other members of this church have done something along various lines, though not in the systematic way in which the sister first mentioned has labored.

We are all expecting to have a part when the special ingathering campaign opens this fall, and hope we may gather in fifty dollars this year. I desire to add that a few of us have tried to improve the appearance of the sanitarium by supplying curtains, rugs, and pillows, and while I have not been over to see, it would seem that our efforts should have accomplished something in the way of improvement.

MARY J. LAMONT.

The August "Watchman"

I have received and am selling my twenty-five copies of August *Watchman*, and as they are so good I am sending for more. Perhaps many of our brothers and sisters might be able to order and sell a few copies and receive a blessing in so doing.

No great educational qualification is needed to sell this number. I think it well for us to have a good understanding of the contents of the magazine we are selling and then ask the Lord to give us wisdom. As we become imbued with the precious truth it contains, and our hearts filled with love for

our fellow beings who are in darkness, let us go forth from house to house, over hills and valleys with the precious truth, and if our pathway should sometimes be dim with tears it is all the better.

If any are doubtful of the good resulting from the scattering of the printed page, please read concerning the work in China in the LAKE UNION HERALD of August 2, first page. Surely "we have not followed cunningly devised fables," but the sure word of prophecy which shines upon and lights up the future. It is indeed a privilege to have some humble part in this great message. To the Lord be the glory.

Maiden Rock, Wis.

C. C. WARD.

News Notes

Prof. C. L. Stone and Mrs. Stone, Miss Cutler and Mrs. Howell were among the visitors at the Milwaukee church, August 12.

Brother N. H. Keizer of LaCrosse sends in his tithe accompanied by a kind and encouraging letter. He expresses great joy at thus being of use in the upbuilding of the Master's kingdom. A sister belonging to the Madison church sends in tithe amounting to \$800.

On Tuesday, the 15th, Mr. E. E. Trowbridge and Miss Clara Paeschke were united in the bonds of holy wedlock, at the home of the bride's parents in Milwaukee, Wis. The ceremony was performed by Elder C. L. Stone of Bethel. Our hearty congratulations are proffered these young people who have thus united their interests in the work of the Lord.

The August edition of the *Signs* was entirely sold out by July 31, and the September issue going very rapidly. Our agents doubtless appreciate the fact that they may get the magazine early in the month. An examination of this and our other papers shows them to be well filled with the message so much needed by a careless world. Send in your orders quickly for the September journals.

JOHN C. McREYNOLDS, Treas.

"Keep the purpose honest and clean."

WEST MICHIGAN

Muskegon Camp-Meeting

The first of the workers reached the camp-ground, Tuesday morning, August 8. The team was busy for three days hauling the equipment to the grounds; and tents began to arise in various places. Among the first so be pitched was the new 35x75 foot dining-hall, which has a special wall all around made of mosquito netting.

Gospel meetings have been held at Muskegon Heights for some weeks by Brethren Sanders, Russel, and Bayley, where a good interest has been manifested. Nearly all the workers attended their service on Friday evening.

On Sabbath morning seventy-one individuals met on the grounds for Sabbath-school at 9:30. The review of the previous lesson was conducted by Brother J. M. Hoyt, and the company was divided into nine classes for the study of the lesson. Elder R. C. Horton had charge of the preaching service at 10:45, speaking from Revelation 3:21. His theme was our need of overcoming every besetting sin.

At three o'clock in the afternoon, Brother C. A. Russel led out in a study on "Prayer." He was followed by a number of other workers. It was a very interesting service, the main thought of all being the need of thorough consecration.

At 6 p. m. Elder W. C. Hebner took up the topic of "The Proper Observance of the Sabbath." This study continued until the close of the day. The thought in particular that was left on the minds of the workers was the need of keeping in mind, from that moment until the beginning of another Sabbath, "Remember the Sabbath day to keep it holy."

Sunday morning Elder S. E. Wight occupied the time in acquainting the workers with the financial condition of the conference. Sunday evening another service was held at the gospel tent in the Heights, and the greater portion of the workers listened to Elder C. N. Sanders give the closing discourse of the series of meetings. The tents were moved to the camp-ground on Monday morning. The definite results of these meetings cannot be here stated, though several have signified their intention to keep all God's commandments.

On Tuesday morning at seven o'clock, Elder C. A. Hansen read a paper on "Personal Influence," and at 7:30 in the evening Elder Eugene Leland presented another paper on "Sanctification." Both these papers were excellent and were followed by discussions. If possible, these will be printed later.

On Wednesday morning, the 16th, Brother J. H. McEachern gave an interesting talk on the canvassing work, and the relation that the workers should sustain to it. This was but a preliminary to the Canvassers' Rally that will be held later. Quite a number of those in the field have already earned scholarships, and others expect to. The book work is showing a decidedly upward tendency in West Michigan.

The program that has been arranged for the camp-meeting begins with the rising bell at 5 a. m., and closes with the silence bell at 9:45 p. m.

One feature that is perhaps new to this conference is a silent period from 8 to 8:45 a. m., during which time the camp is to be perfectly quiet and the time given to meditation, study, and prayer. All business is to be suspended, no one is expected to run about on the grounds, and loud talking is not permitted.

At the time of writing this report the tents are nearly all pitched, and the campers have begun to arrive. We are looking forward to a spiritual refreshing such as will be remembered for weeks to come. We trust that every individual who can possibly arrange to be here will share in its benefits.

E. L. RICHMOND.

"Noble examples stir to noble actions."

EAST MICHIGAN

East Michigan Camp-Meeting

This meeting should be the largest general meeting ever held in the East Michigan Conference. May it not be a time in which we all shall enjoy a rich blessing from heaven. We expect to have splendid help from the General Conference, as well as from the Union Conference. Let each family throughout the conference lay plans for this meeting. Remember the date and place—Oxford, September 7-17. We would like to have several of our brethren from the churches come to the workers' meeting beginning the 4th. Meals will be served free to those who help during the workers' meeting, and during the remainder of the meeting tickets will be sold at the rate of five for one dollar. Orders for tents and cots should be sent in immediately.

E. K. SLADE.

Canvassers' Notes

Brother O. D. Pettit has just concluded a very successful delivery in Tuscola County.

Brother A. L. VanFossen has demonstrated that sticking to the canvassing work, faithfully, pays. Last week the Lord gave him orders amounting to \$86.50. Our good brother gives the Lord all the praise.

Brother Claude Keiser says he has discovered that faithful time, and a consecrated worker is what counts in the Lord's work, to which, emphatically, we say AMEN.

Sister Helen Medford reports having taken an order from a Catholic priest for "Coming King."

Brother Tim Summerville felt like hunting for "good territory" last June when Huron County looked like a saturated sponge. He is now praising the Lord because he did not run away. Last week he came in with \$50.60 worth of orders.

Brother F. J. Rowland had a very good delivery last week. He did not lose an order; and only one postponed. We rejoice with Brother Rowland over this excellent delivery.

Camp-meeting is near at hand. With the opening of school, many of our canvassers will leave the field to complete their education. The Lord is calling for recruits to fill their places. If you know of any one who is interested, or ought to be, in the canvassing work, send me their names and addresses, or better still, induce them to attend camp-meeting and be present at the interesting meetings we are going to have devoted to this branch of God's service. The time for scattering the printed page is limited. Let us work while we may.

W. D. MOORE.

Adelphian Academy Notes

Miss Tillie Barr spent the 9th inst. in Flint.

Brother Howard May went home on the 17th for a visit. The boys have been cutting wood for a few days, and hauling it from the swamp.

The academy will send one or two loads of watermelons to the camp-meeting at Oxford.

Brother Howard Hicks is at the academy now, doing some printing for the school and for the conference.

All of the academy family expect to attend camp-meeting. If you have not yet received one of the new calendars for 1911-1912, write to the principal for one at once.

On Sabbath, August 12, Prof. C. L. Taylor met with the Lansing church. He expects to visit Bunker Hill on the 19th inst. and the Prattville church the Sabbath following.

Letters are coming in from young people desiring to enter school this year. Some are making arrangements ahead for their manual labor and for their rooms.

Notwithstanding some damage done by hail and later by the blackbirds, the corn crop is quite good. The nine acres of beans give promise of being the best we have ever raised here.

Brother Irving Hall and his wife, former students of Adelpian Academy, made a brief visit here last week. Sister Hall has completed the nurses' course at Loma Linda, Cal., and Brother Hall two years of his medical course there.

NORTH MICHIGAN

Copper Country

We began a series of tent-meetings at Hancock, July 9. We secured a location accessible to Houghton so as to draw from there also. The local papers granted us space from time to time, and we supplemented this by the distribution from house to house of neat programs, also by giving personal invitations to many; but the attendance, aside from our own people, was small and transient.

One lady, formerly a Catholic, began the observance of the Sabbath, and others expressed an interest, giving us invitations to come to their homes. So we hope to see further results.

During the past year nine have begun the observance of the Sabbath in Houghton. The meetings were a source of strength to these, as well as to our older members. The attendance at our Sabbath meetings has nearly doubled, the past year, and the tithes and offerings are also gaining each month over last year.

We enjoyed a visit from some of our Indian brethren of L'anse the last few days of our meetings. They rowed about thirty miles to visit us.

R. J. BELLOWES,
E. F. PETERSON.

NORTHERN ILLINOIS

Medical Help at Northern Illinois Camp-Meeting

By invitation of the conference committee, the medical department of the conference has made arrangements for competent medical help to attend the coming camp-meeting to be held at Aurora. Lectures and demonstrations along health and medical lines will be given under the direction of the conference committee. The work will be continued during such time of the meeting as the interest may demand and other interests will allow.

We are confident that the instruction and help to be given at this meeting will be valuable to our people and their neighbors after they return to their homes. The assistance of the doctor and nurses will be at the disposal of our people while in camp if their services are needed. A special tent will be on the grounds where consultation with, and examination by the medical workers may be had.

W. C. FOREMAN.

News Notes

Our Chicago office will be open as usual during the camp-meeting.

By the time this number reaches our readers our conference will be in session. Pray much for the success of this meeting.

Elder I. H. Evans was a visitor at our office one day last week. He was on his way West to attend some of the camp-meetings.

More orders for tents were received this year than ever before. One small church orders four tents. This indicates to us an unusually large attendance.

Nearly all of the boys who have been in the canvassing field this summer are with us at the camp-meeting. They have had some rich experiences in this work. Come and hear them tell about them.

Elder John Hanson of the West Michigan Conference joined our force of Chicago workers this week. He will con-

nect with the North Side tent company. We give him a hearty welcome to this needy field.

Elders J. C. Harris and C. R. Magoon, who have been conducting tent-meetings at Franklin Grove with a good interest, recently took down their tent and shipped it to the camp-ground. They will continue the meetings in a church building.

SOUTHERN ILLINOIS

News Notes

Brother P. J. Wham has changed his location and is now canvassing at Findlay.

The interest at Findlay is increasing and we hope for a company of believers at this place.

Brother H. Mitzelfelt has been assisting Sister Cora Anderson at Bloomington the past week.

Don't lose any of the good articles in the *Review* by failing to renew your subscription to this valuable paper.

Brother Allan Wollard has recently entered the canvassing work and is having many interesting experiences.

Sisters Alice Reynolds and Jennie Iliff are doing a good work in the southern part of the conference selling our small books.

Prof. W. E. Straw has visited some of the churches in the conference recently. He met with the Peoria church, Sabbath, the 29, Springfield, Aug. 5, Decatur, and Bloomington, Aug. 6, and Stewardson the 12th.

The new "World-wide Symposium" number of *Liberty* is ready. This magazine sells well and appeals to all classes of people. Send the tract society one dollar for 20. Sell them and get a profit of one dollar and the truth concerning religious liberty before the people.

The camp-meeting equipment will be shipped to Shelbyville this week. The workers' meeting begins the 23d and the first meeting of the camp-meeting proper will be held Thursday evening, Aug. 31. Every mail is bringing in tent orders. Have you sent in yours yet?

WANTED.—An Adventist man to work on the farm for four months, commencing Sept. 1. If satisfactory, will hire by the year. Good wages to the right man. Write at once if interested. E. E. Patton, Morrisonville, Wis.

HONEY.—The Bible sweet, or the pure nectar of flowers, Clover or Basswood, fancy, extracted honey in two-can cases, 120 lbs, 10 cts. Gallon cans, 12½ cts. About three times as cheap as butter. Terms, cash with order. Address J. H. Haughey, R. F. D. 1, Berrien Springs, Mich.

LAKE UNION HERALD

ISSUED WEEKLY BY THE

LAKE UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS

PRICE, FIFTY CENTS A YEAR.

PRINTED BY EMMANUEL MISSIONARY COLLEGE PRESS, BERRIEN
SPRINGS, MICHIGAN.Entered as second-class matter November 3, 1908, at the post-office of
Berrien Springs, Mich.All subscriptions should be sent to your local conference tract society
office.All matter intended for publication should be sent to the Editor, LAKE
UNION HERALD, Berrien Springs, Mich.Approved advertisements will be published in the HERALD at the fol-
lowing rates: Forty words or less, fifty cents for each insertion, and
one cent per word for each additional word. Each group of initials
or figures counts as one word. Cash must accompany copy for all
advertisements.

MRS. LOU KIRBY-CURTIS - - - - EDITOR

Some may wonder why Fox River Academy is given so much space in this issue of the HERALD. Professor Steen had arranged for a supplement, but the small amount of copy received this week made a supplement unnecessary.

The "Watchman"

Our August edition of the *Watchman* is completely exhausted. The special message for September is related to the one for August. The conflict is on, what will be the outcome? The two conditions depicted on the September cover page will surely produce a result, for the Bible has prophesied, "Go to now ye rich men, weep and howl for your miseries that shall come upon you." James 5:1.

First edition, 65,000, August *Life and Health* all sold by August 8. Second edition, 7,000 copies, ready to-day, making 72,000 in all for August. September number ready for delivery August 15.

Emmanuel Missionary College

The name of Charles Lausten is added to the number who have reported scholarships for E. M. C.

Miss Nellie Strickler has been spending her two weeks' vacation at home. She will finish the nurses' course at Washington next year.

Grape picking has begun. About three thousand baskets have already been shipped. Bartlett pears are ready for the market. The crop is estimated at two hundred fifty barrels.

Professor and Mrs. Perry will continue another year with the Manson (B. C.) Academy. They sent in their subscription to the LAKE UNION HERALD last week, saying they were "getting lonesome to hear some home news."

Elder I. H. Evans visited the College last week, and gave a very interesting talk to the church. He brought his son, Jerome, with him, who will attend the College the coming year. His daughter will also be with us in school this year.

We were pleased to see a number of Indiana friends this week. They were: Dr. and Mrs. S. L. Strickler, James Strickler, Mrs. M. Johnson, Mrs. W. Allen, Mrs. Burt Johnson and daughter, and Mr. and Mrs. Samuel Johnson.
