porters, managers, and printers are certainly to be congratulated on their successful work for this paper. We have received a special number of *The Student Movement*. This beautiful issue is brimful of class pictures, graduation orations, news, poems, and missionary reports. Any one reading this will better understand the noble, godly ideals and the simple gospel spirit of our beloved College. Every young person in this Union should read *The Student Movement*.

The Beautiful Land

There's a beautiful country that lies far away
From the earth with its burden of tears,
Where night never enters, but shadowless day
Shines on through eternity's years,
Where the wail of the mourner is heard nevermore,
And tears never fall for the dead;
But life's waters wash soft on the heavenly shore,
Whence the sorrows of earth are all fled.

And angels of beauty, with faces that shine,
Look down from the heavenly land;
They are ministers sent by the Saviour divine,
Though we see not their welcoming hands;
But we feel their sweet presence as dew on the flowers,
And as strength to the sorrowing soul,
Till we yearn for that Eden with heavenly bowers,
Where the waters of life gently roll.

From the shadows are lifted our sorrowful eyes
To the hills where the angels have trod,
And our hearts ever yearn for our home in the skies,—
Our home in the garden of God.
And on some glad morning shall shades flee away,
And the ransomed of Zion shall stand
In the rapture and glow of a shadowless day
At home in the beautiful land.

And all of our sorrows will fade as a dream
As we enter the country of rest,
While before us in heavenly beauty shall gleam
The mansions prepared for the blest.
And Jesus the King of the country is there,
On the mountains of Zion he'll stand,
And welcome his children with faces so fair
To their home in the beautiful land.

"The Student Movement"

When *The Student Movement*, that is the Emmanuel Missionary College paper, was started about a year ago quite a number of us felt that it was a sort of a needless fifth wheel in the cart. And some feared the expense of a new paper. Now that we have been shown, we are all convinced. The paper is full of good things and free from the giggle and nonsense that cheapens so many college papers. At the close of the year after all expenses are paid it still has a small surplus on hand. The editors, cartoonist, re-

Truth By the Carload

Although our book business in this territory has been on the increase year by year until we passed all expectations during 1915; still we have never had as broad a vision of a year's demands as we have had this

Unloading a Carload of Books at the South Bend Branch

Spring, with a great army of student canvassers from the College and Academies as well as representatives from other schools outside the field, to join our regular corps of workers.

With this in mind, and the responsibility of having stock on hand when needed in the face of a proposed railroad strike, we decided to order a

Full Carload of Our Books

This car was accordingly loaded and shipped us in good time. It weighed 36069 lbs. and consisted of the following stock:

- 5500 Bible Readings
- 1066 Great Controversy
- 748 Heralds of the Morning
- 688 Bible Footlights
- 576 Practical Guide to Health
- 184 Daniel and Revelation
- 180 Coming King.

About 9000 books in all. The value of this carload was \$28,000.00 at retail.

This does not mean we are not ordering and receiving books all the time, but it gives us a large stock to fall back on in the August rush.

Last year we used two carloads of Bible Readings

alone at this office although not purchasing in carload lots, so we are beginning to figure in this field on selling present truth by the carload.

If our canvassers place all of these books before September 1, as we believe that they will, present truth in a substantial form will be placed in the homes of nearly 50,000 people who possibly never investigated it before.

Truly the spreading of this message by the printed page is in itself a miracle.

"The Christian Educator"

In the light of instruction received through the Spirit of Prophecy; in the light of our own observation; in view of the trend of the teaching in the public schools; in view of the military instruction about to be demanded in these schools, our people are at last becoming somewhat awake to the situation, and are earnestly considering the pointed question, what are you going to do about it?

The journal *Christian Educator* is the exponent of our educational work. This monthly magazine should find its way into every Adventist home in the Lake Union Conference. Instead it reaches just 196. A campaign has been inaugurated to raise the subscription list to 5000. This means 600 new names in the Lake Union Conference. Even though you have no children of your own, the Home Department is well worth the subscription price of \$1. Contribute this amount to the cause of Christian Education.

Address a postal card today to Christian Educator, Takoma Park, D. C., and receive sample copy, prospectus for next year, clubbing offer, and subscription blank. Or, better still, order through the tract society, enclosing \$1 for one year's subscription accepting by faith the statement that this, our only educational journal, should be in every Adventist home.

A Work That Pays

Here is an extract from a recent letter from one of our Missionary Volunteer secretaries which gives in concrete form some of the good results of our Missionary Volunteer work:—

"I had a Reading Course review paper recently from a fine young person, on the book 'Things as They Are.' One question is, 'Mention a way in which the book has helped you.' She said, 'It has helped me not only to realize the great need in that benighted land, but has made me willing to go if God calls me.' I know that she meant it. And to think that our Missionary Volunteer Reading Courses can have such an influence on our young people's hearts! It certainly shows us that they are worth while.

"I visited a society two or three weeks ago where I was especially struck with the earnest, well-expressed prayers of the young people, several of whom led in prayer. All of the girls had accepted the truth only last fall, and it seemed so unusual to hear them give such good prayers. One of my girls who attended camp meeting last fall said to me, 'I am' so glad that you prevailed upon me to take part in prayer band at camp meeting, even though I did dread it so every

time; if I hadn't become accustomed to it then I don't know what I should have done, for all these new girls looked to me to teach them how to pray to the Lord right, when they came into the truth last fall. And I couldn't have helped them at all if I hadn't gotten a start at camp meeting.' It seemed wonderful to me that so timid a girl had been the means of encouraging all these young folks to take part in the meeting in this way."

Rally Day at Aurora

Rally Day, June 3, was observed according to appointment as advised in the *Sabbath School Worker*. The entire arrangement was carried out in full. The attendance was much larger than usual for the Aurora church and Sabbath school.

In addition to the advertised program we had a baptismal service in which Eld. E. R. Lauda baptized three persons who came from Princeton and these became members of the Princeton church. We would be glad to have many such services; and probably if we faithfully do our part the Lord will give us a large number of good things to build up the work which we love. We surely intend to keep on trying for we know the Lord loves to bless well directed effort.

Three new names were added to our Sabbath school list on Rally Day, and this was rich pay for the effort put forth. We give the Lord the praise.

Notes of Progress

Cooperation, Preparation, and Consecration made Sabbath school Rally Day a success in our schools.

Nineteen Volunteers of the Dearborn Society passed the Standard of Attainment examination in Bible Doctrines this spring and now Pastor Forde is conducting weekly studies in Denominational History. Isn't this a record worth copying?

The Southside and Humboldt Schools have placed one hundred books in their school libraries. Northside school expects to reach that mark before next fall. Both Humboldt and Northside schools will build new book cases. Are you working for a school library?

Fifty-one juniors and twenty-three seniors have completed the Reading Course. Who will be the 75th one to get a certificate?

Bring your 1 cent a day boxes to camp meeting. Thirteenth Sabbath will be observed there. Help to roll in the dollars for Brazil.

Eighty-six volunteers are averaging a tract a day. Are you a member of the King's Pocket League?

Sabbath school Officers! Don't fail to attend the daily Sabbath school council meetings upon the campground.

The Juniors have raised over \$200 during the school year. Help them fill the Vacation Banks for Brother Jim's schooling.

Bethel Students Plan to Raise One Thousand Dollars on Bethel Debt This Year

The North American Division Conference Committee has voted that Bethel Academy may raise its course to twelve grades; but this raise is contingent upon our having first made a raise of the Bethel debt. It is planned to do this during the present year.

Bethel students are Bethel Boosters. They are going to do their best to help pay this debt. At the close of school this spring they laid definite plans for a vigorous debt campaign this summer. They adopted the following slogan:

Nineteen sixteen
One thousand dollars
Twelve grades
One hundred scholars.

One thousand dollars is no small sum for these students to raise, but they are going at it with courage and system. They have appointed their committee of three students and the writer, and are going to work hard this summer.

Each student is going to raise a dollar for each year of his age thus making the load a proportionate one. They are going to raise this money in different ways. Some are going to raise chickens, some potatoes, several are canvassing, and others are planning in still other ways.

But the students can not pay the debt alone. They are counting on the hearty help and cooperation of the Wisconsin people. No doubt this summer you will be asked to give a lift in the form of a good liberal donation; plan now to do it.

The paying of the debt will mean a leap forward to the educational work in Wisconsin. Don't fail to help do it.

Notice!

The conference laborers will soon be putting the camp-ground in readiness for our coming camp-meeting. There will be a large amount of work in connection with the pitching of tents, flooring them, decorating, etc., and we should be very glad if some of our brethren would feel like helping in this work. If several can spare a few days, and will come to Saginaw on Monday, June 19, we shall appreciate their assistance greatly.

Camp Meeting

When this paper reaches you it will be just one week until the camp meeting commences, and I hope all are planning to attend. Let us come praying that the blessing of the Lord may be with us, and that as individuals we may all receive the spiritual uplift that we should.

If you have not ordered your tent before this, it should be done at once stating whether or not you desire it floored.

All should plan to leave the train at the depots and Interurban station on the East Side of the city and take the Washington Avenue car going south to the camp-ground. Those arriving on the West side should take cars for the East side and ask for transfers to cars going south on Washington Avenue. The camp-ground is to be Rust Park on South Washington Avenue.

Detroit

After a two month's wait in Detroit, being kindly entertained at the Trumbull Ave. Mission, we have at last secured a home at 222 Pingree Ave., our future address. The housing problem at Detroit at present is serious. Buildings are not being erected fast enough to accommodate the ever increasing inflow of population. Detroit now suffers a boom as does, perhaps, no other city in the land. We are informed that it also is the most expensive city in which to live. However, here too, the message must be given fully. A small beginning has been made.

The membership here are generally active and zealous. A great effort is now being made to raise funds for the erection of a church building for the west side company. Considerable progress has already been made in this effort, but much more must be done before a suitable site and building can be obtained.

Besides our work in the West Side Church and with the company at Birmingham, we are holding Sunday night services in a theatre building on the east side. A good interest is manifest in these meetings and we are looking for definite results. Pray for us, that our work may receive Heaven's endowment and that God's mind shall be met in the plans laid for the work in this large city.

News Notes

Brother and Sister H. O. Butler, who have been at Holly for two years, Brother Butler having been con-

nected with the Academy, left last week on a trip west. They expect to stop at a number of places and spend some time in selling our magazines and books of the Crisis Series.

Elder Clark spent Sabbath and Sunday, June 3, 4, with the company at Ithaca.

Brother George Clarke, who finished his college work at E. M. C. this year, has come to East Michigan to take up work with the Academy. During the summer he will have charge of the Academy farm.

Miss Lamson, who has been connected with the Academy practically during the life of the school, left last Wednesday, expecting to take up work at Sheridan, Illinois, next fall. Having seen the school grow to its present standing, Miss Lamson felt as if she were leaving a near friend behind. But it was a mistake; she was not leaving a friend behind, but many friends. A few evenings before she left, a large number of friends and acquaintances gathered at the country home of Sister Carrie Patterson, and as a token of the esteem in which she was held, presented Miss Lamson with a nice clock. All trust Miss Lamson will enjoy her work at Sheridan, and that she may return to East Michigan occasionally and visit old friends.

Elders French, Summerville, and Videto have been exercising physically recently by painting the conference and tract society office. The buildings had not been painted for some time, and a good coat or two of paint will add to the value of the property.

Some of the canvassers are having interesting experiences. The first day or two he was out, one young man felt he was making a failure of the work. But he persevered, and the first week showed up quite well. Another says, "I am certainly glad I have the privilege of having a part in this great work." A number of the canvassers are using "Shadow of the Bottle" as a help, and so while out in our work will also be assisting in the effort to make Michigan dry.

Brother H. F. Pedan, of Washington, D. C., is selling the Temperance number of the *Instructor* in the city of Detroit, and is having good success. He expects to be able to distribute a few thousand copies of this most excellent paper in Michigan this summer.

East Michigan Conference

The fourteenth annual session of the East Michigan Conference of Seventh-day Adventists will be held in connection with the camp meeting at Saginaw, Michigan, June 22 to July 2. The first meeting will be held at 9:30 A. M. Friday, June 23, 1916.

At this session officers will be elected for the ensuing year, and any other business transacted that may properly come before the conference. Each church is entitled to one delegate to each fifteen members or fraction thereof.

Camp Meeting, August 17-27

The committee selected to locate the camp meeting took a survey of the prospects in Grand Rapids, Greenville, Kalamazoo, and Allegan with the result that Allegan was selected as the best suited to the needs.

This will be a most important meeting and we are praying for a large attendance and much of the spirit of the Lord. Begin now to plan for the meeting. Come yourself and bring another with you.

Notice, West Mich. District No. 1

A union quarterly meeting will be held in Holton at the home of Brother G. A. Klose June 24. We invite the churches of Fremont, Holton, and Huber to meet with us. We especially desire to have all our young people present as Sister Flora Williams will be with us on that date.

Lakeview, Clifford Lake, Trufant

At Lakeview I met a very happy, congenial company. We had a splendid meeting and Sabbath school. The little company at Howard City met with us. It is a very busy time, many marketing their potatoes, and getting in their crops. I spent one week with them visiting every family except one. Orders taken \$64.75. This was splendid for this company, much more than I expected. Several pledged to do work, and to report their work faithfully.

From Lakeview I went to Clifford Lake where I found a nice company, though much smaller than when I visited them 21 years before. There were six persons who still live at Clifford Lake, and are faithful members of the church, who were at the meeting 21 years ago. Most of this company have to labor hard to gain a livelihood, still their interest is good and they are doing what they can for the advancement of the message. I remained with them five days and held one meeting. The Sabbath school was most interesting. Orders taken \$44.00.

I am now with the Trufant company. On my way here I was glad to visit the family of Lars Jorgensen, the only family remaining at Gowen. This was a welcome stopping place, and a family who love the truth. Orders taken \$4.00. I go from Trufant to Howard City, and from there to Greenville.

Nahama

We are glad to report a very encouraging interest at the above place. Nahama is located five miles back from the Soo railroad on Big Bay de Woc off the north end of Lake Michigan. We came to the place and began meetings soon after the week of prayer, and considering the fact that many of the men are or have been in the woods in camps, and that the village is four-fifths Catholic, we have had a very good attendance.

Quite a number of the French people became interested and Elder Hannon's services were secured for a time. He was with us during the temperance campaign and gave some very interesting stereopticon lectures on Bible temperance and the prophecies. His help was very beneficial and much appreciated by all, although he could be with us but a short time.

A Sabbath school was organized of about fifteen members and it has grown some since. We have met some opposition but we expect that in every town. I think that is one way the Lord has of separating the wheat from the chaff. As the result of our meetings and the work of canvassers, etc., quite a number are planning on being baptized as soon as they become a little better acquainted with us and our faith.

As is usually the case, other localities have learned about our meetings and we have been invited to hold services in the Swedish Lutheran church which has been done and a lively interest is awakening there.

At Nahama the people of the town have given us the free use of their neat little mission church and also free wood for which we feel very thankful. Other items of interest might be mentioned but I will leave them till later.

News Notes

Elder Irwin is visiting some of the churches in the extreme northern part of the Upper Peninsula this week. Sabbath, June 3, he was with the Hancock church, where he baptized twelve precious souls. The work is going forward and men are seeking the truth in these perilous times.

Are you prepared to attend the Escanaba camp meeting June 15 to 25? We are going to have a feast of spiritual things and you cannot afford to miss the blessings of this meeting.

The office here will be closed from June 12 to 26, while we are at the Escanaba camp meeting, but send on your orders as usual and we will give the same prompt attention.

WANTED—to correspond with every person in North Michigan interested in entering the colporteur work. No better field in the Union to develop moral backbone and mental efficiency while putting out the books. Brother Milton Marks is working again, and Brother W. H. England writes that he expects to enter the field at once. Watch our reports grow!

Sister Freda Swenson, one of our new colporteurs in the Upper Peninsula, writes that she is of good courage and enjoying God's blessings every day.

Sister Alva Wearer, another one of our new

workers in the upper field says, "There are showers of rich experiences connected with a work of this kind, and even though trials come at times, we see clearer than ever the leading of the hand of God."

Sister Aurora Wearer, who was with us last summer, writes, "It seems good to be out in the field again." She is selling "Daniel and Revelation" and her sales for last week were over \$1.35 per hour.

Sister Annie Swenson, who was with us last summer also, writes that she has had experiences this week which she would not miss for money, and that she found some interested people, one being a Catholic lady from whom she received an order for "Daniel and Revelation."

These courageous workers deserve our prayers and support, so let us remember them each morning before the throne of grace, that the Lord will bless their efforts and many souls be brought into the kingdom as the result of the many books they shall place in the homes of the people.

Orders are coming in for the new *Liberty Extra*. Every church ought to have a liberal supply of these for distribution at this time. Price, \$1.00 per hundred.

Our stock of the new Present Truth Series No. 18 is now here. This number treats on the subject of Religious Liberty and is full of interesting articles and striking illustrations. This number should have a wide circulation at this time.

The July number of the *Watchman* and the *Signs* magazine are here. We have just received an order from one sister for 550 copies of the June and July issues. Are there not others who could use a quantity of these valuable truth-filled magazines?

Orders are still coming in for "Armageddon" and the new book, "The Other Side of Death."

Providential Delay

The promises of the Lord are fulfilled to his children in many ways. Ps. 34:7 says "The angel of the Lord encampeth round about them that fear him and delivereth them." A recent experience of one of our faithful colporteurs illustrates this Scripture. In a letter to the office the above colporteur says in part: "Enclosed find check for books delivered last week. I am thankful that I have this money to send and can pay for the books delivered. If I had gotten home May 30 in the evening I would have been robbed as some one broke into our house and one copy of 'Bible Readings' in cloth binding was stolen. I tried to get home that night, I was only twelve miles away, but the way was blocked so I was compelled to stay away over night which I did not want to do as I had about \$175.00 in my pockets and May 30th being Decoration Day could not deposit it in the bank; but when I got home I understood why I was delayed the day before as the good Lord overruled and to his name be the honor and glory."

It is very evident from the above that if our brother had been able to get home on the night of the 30th that he would have been robbed and lost the \$175.00. But hindrances came up so as to keep him away and thus he was delivered from the experience

of losing his money. Surely the Lord is good to his children. He delivers us from harm and danger both seen and unseen. We do not always realize this while passing through some experiences but afterwards can see that the Lord led in it all. Let us all trust in the Lord.

News Notes

Last Sunday night the first Springfield church school gave an instructive program. An orchestra composed of five pieces rendered some selections. A school garden was planted and taken care of by some of the scholars and it was considered a very successful enterprise. To date \$2.50 worth of vegetables have been sold and the proceeds applied on pledges made by scholars who are members of the Junior Missionary Volunteer Society. We are glad to see the children in our schools interested in the cause of foreign missions.

The Bloomington tent company report they are conveniently located in the heart of the city. The outlook is bright for a good attendance. Besides the regular Conference workers Misses Cora and Alta Anderson will assist in the meetings at night and will canvass for "Bible Readings" through the day.

Word has come from Martinsville where Eld. E. N. Sargeant and Brother C. J. Smith are holding tent meetings that the opening service was attended by about 100 persons. They are hopeful of good results from the effort at the above place.

The Sabbath school lesson quarterlies for the third quarter are now ready for mailing. Secure your supply early.

The lessons for the next four quarters will be on the book of Acts. The book "Acts of the Apostles" will be and excellent help in the study of these lessons. A special low priced edition has been issued that will sell postpaid for \$1.00 only. This is printed from the same plates as the \$1.50 edition. This special price ought to place it within the reach of every English speaking family. It can be secured in German and Swedish also at \$1.50 for the cloth; a limp leather, thin paper edition, in any of the three languages at \$2.00. Unless you already have this book don't deny yourself the valuable help it may be to you. Every time you study your lesson for the next year it will be an aid to you. The Tract Society can furnish you with one or more copies.

Anyone wishing a three volume set of the Testimonies in limp leather at an extra low price can secure the same by addressing the Southern Illinois Tract Society.

Our Tent Efforts

Tent season has opened and preparation has been made to place five tents in the field this summer. So many calls have been received for meetings of this nature in various parts of the conference and as all could not be answered for lack of funds, equipment, and laborers, it has been perplexing to know just where to place the tents for the best results.

The first meeting of the effort in Indianapolis was held Sunday evening, June 4. It was well advertised and about 700 were present. Good attention was given as Elder Lee S. Weeeler spoke on "Heaven." The tent is located on the corner of 20th and Central Streets in an excellent neighborhood. We believe the recent meetings in the Murat Theatre have helped materially in advertising this effort and in awakening an interest to hear the truth. Brother H. G. Patchett and wife and the Bible workers, Sister Myrtle Robertson and Bertha Wright, are assisting Elder Wheeler at the present time in his effort. The members of the various churches in the city and the young people have responded heartily in the matter of distributing notices of the meeting, etc.

A tent has also been secured for Elder L. W. Browne and meetings will be conducted by him this summer for the colored people of the city.

Equipment has been shipped to Bicknell, Ind., where Brother G. W. Rader and wife and Brother John Sampson of Berrien Springs will labor. We are hoping that a church can be raised up at this place. Brother Rader has recently been, at Jasonville, where he labored last summer, helping the brethren to complete their church building which will be ready for dedication in the near future.

Another location for a summer effort has been secured at Madison, Ind., in the southeastern part of the conference. Brethren Frank and Earl Dudley will soon begin services here. Surely this town of nearly 7000 has some honest souls who are hungry for the truth.

The work at South Bend will be continued and Elder M. C. Guild of the East Michigan Conference will join Brother T. S. Copeland in a tent effort a little later on.

Brethren and sisters, this will be the most important year we have ever had in all our tent work. The laborers who will carry on these efforts need your most earnest prayers. Seek God that their labors may be richly blest as they speak the Word, visit the people, and work for them in various ways. Pray that a rich harvest of souls may be garnered in 1916 as a result of this summer's work. The Lord will bring blessings to each of us individually as we remember them at the throne of grace and support them by our prayers and our means.

E. A. BRISTOL

The Indiana Colporteurs

Elder W. W. Eastman writes that he believes 1916 will be the banner year for the book work. May this be true indeed of Indiana.

Brother Colton writes, "On March 2 I canvassed a family and failed to get their order first hand. I started away from the house and was just a few steps away when the husband called me back and said that they had decided to take one of the cloth binding. I delivered the book several weeks later and he told me the circumstances. He said, 'Grandpa was living at that time and as he was fearful of meeting strangers went out in the back yard while you were canvassing. After you started away he came in and told me to order that book.' Thus the man explained how grandpa had died upon the 20th of March very sud-

denly. Surely the Lord is leading in this great work."

Brother Young writes that the Lord greatly blessed Brother Colton and himself last week in their delivery stating that they were enabled to deliver books amounting to \$343.00. Shall we not pray that the Holy Spirit may direct the attention of the purchasers of these books to the precious contents within.

Brother Redding writes, "Glad you induced me to take Great Controversy. Secured 14 orders for it and one Bible Readings this week. Took one order from a Catholic." We are grateful to God for the splendid success Brother Redding is having in his work. He put in over 50 hours last week and was rewarded for it. Realizing the value of time is the key to his success.

Brother Ortner, who has just located here for the summer from the German Seminary writes that he has already tried Indiana and finds it excellent territory. He is selling Great Controversy and averaged over \$2 per hour last week.

Brother Plake writes that after supper the other evening, he called on a man who was not at home the first time he called and secured his order. It takes perseverance in this work to succeed. Brother Plake will not fail as long as he follows such methods.

Brother C. C. King writes thus, "I had some very touching experiences with the poorer classes in Johnson county last week. Many houses were without God's Holy Word. I ate with one young man at noon who had four small children. Bread and potatoes comprised their meal." Notwithstanding all this Brother King secured orders amounting to \$67.95 in forty hours. God has honest hearted people everywhere and what a privilege to minister to them.

It was my privilege to call at the home of Brother and Sister Grimm Monday evening and spend the night with them. They are of excellent courage and are doing a good work.

Brother Brodt again writes very encouragingly of his work, "It is wonderful how people are hungering for the truth. Wednesday morning I took five orders straight without missing a house." Brother Brodt worked 43 hours last week and secured orders amounting to \$67. He has thus far worked 132 hours and secured orders amounting to \$226.

In four days Brother Ware worked 39 hours and averaged nearly \$1 per hour.

Brother Ruf, another one of our German Seminary students writes, "I feel thankful to the Lord for having given me so good a start, I know the Lord has some good things in store for us here." In twenty hours last week the Lord gave Brother Ruf orders amounting to \$62. And so the Lord pays his servants a good price for their labor.

Prohibition Special "Signs"

The *Signs of the Times* weekly of July 4 will be a special number, devoted exclusively to the discussion of the liquor question. It will be filled with striking facts. Sound and convincing arguments characterize every article. It will be well illustrated with a special cover design. Some of the writers are as follows: Professor B. G. Wilkinson, Professor M. E. Olsen, Doctor W. B. Holden, and C. S. Longacre. Also, brief

articles and paragraphs from leading authors and speakers of the world. The matter will be divided into the following sections:

1. The Despoiler of Childhood
2. The Wrecker of Brain and Brawn
3. The Anarchist of Law and Society
4. The Robber of the Public Treasury
5. The Certificate of Partnership
6. Weighed and Wanting
7. Prohibition's Onward March

This number will be one of the strongest documents on the prohibition question ever produced. The prices are as follows: Less than five copies, 5 cents each. Five to ten copies, 3 cents each, 10 or more to one address, 2½ cents each.

Our Missionary Societies and magazine agents will be glad to learn that the German, Danish-Norwegian, and Swedish *Signs of the Times* magazine for the third quarter will be ready June 10. Some disappointments have come because the magazines for the second quarter had to be omitted on account of the burning of the International Branch of Pacific Press Publishing Association at College View. With this third number the name of the Danish-Norwegian is changed from "Lys over Landet" (Light over Land) to "Tidens Tegn" (Signs of the Times). This will meet with the hearty approval of our workers many of whom have expressed themselves in favor of making the magazine more distinct in its character. This gives uniformity in name and character of our German, Danish-Norwegian, and Swedish *Signs of the Times* magazines—"Zeichen der Zeit," "Tidens Tegn," "Tidens Tecken" respectively. Will not our people help in giving this a large circulation. The coming numbers are filled with timely articles and are strikingly illustrated. Regular yearly subscription price to each is 40 cents a year (50 cents to Canada and foreign countries); in quantities, 5 to 40, 5 cents each; 50 and over, 4 cents each. Orders should be sent to your tract society.

INTERNATIONAL BRANCH
PAC. PRESS PUB. ASSN

Our truth-filled magazines are getting better every month. They should have a wide circulation for they are doing much in helping to break down prejudice among the people. The July *Watchman* is a most unusually attractive and interesting number. Order a supply and gain a rich experience in selling them.

Obituary

PHELPS.—Evelyn Ruth Gifford was born in Fulton Co., N. Y., Feb. 10, 1853. She was married to Royal A. Phelps of Rock county, Wis., Nov. 2, 1872. To this union were born two sons and three daughters, all of whom survive her. At an early age she united with the Baptist church. In 1875 she with her husband attended a series of meetings conducted by Elders Decker and Matteson, and they became convinced of the truth. This led them to join the Seventh-day Adventist church at Oakland, Wis. About twenty years ago they united with the church at Milton Junction, Wis., and have been active members ever since. Sister Phelps died at Janesville, Wis., May 11, 1916. All who knew her and her children can truly say "she rests from her labors, and her works do follow her."
