Commencement Week at Emmanuel Missionary College

The activities and formalities of commencement week were of more than usual interest and significance this year. The weather was especially delightful, except that the last morning was cold and rainy, making it easier for students to break away from the familiar scenes. More than a hundred visitors from a distance crowded the buildings and grounds. Never before was lack of chapel room more keenly felt, many being unable to get even standing room at some exercises. From the senior reception Thursday to the good-bye time the following Monday noon all was bustle and hurry, yet through it all there was a quiet hold upon the best things.

Thursday night, the always-popular closing exercises of the training school were given, when eight pupils were granted diplomas from the eighth grade.

Friday night at vespers an earnest stillness pervaded the chapel, filled with students who fully realized that this was the last opportunity to unitedly get spiritual strength in the old familiar way. Elder Christian spoke the word of inspiration and over two hundred testimonies rang true to a determination to stand during the summer's work and meet bravely the crises that are before us as a people.

Sabbath morning the baccalaureate sermon was delivered by Elder M. H. St. John of Chicago. His theme was the class motto "Ever More Christlike," from the text 1 John 3:2. After the Sabbath a mixed recital was given by the department of music, the orchestra, chorus, and individuals, rendering the various numbers.

Sunday the graduates and faculty were entertained at dinner by the alumni, a very pleasant social function enlivened with music and speeches.

In the evening the class exercises were conducted very successfully by the collegiates. The platform had been tastefully decorated by the juniors. Overhead the class motto, in the colors of green and white, was flashed intermittantly with electric-lights. Six of the seniors delivered orations very creditably. Others of the class interspersed these with some excellent musical numbers. There was a gratifying absence of the light and trifling in the whole program. Students are being graduated from this College with a full sense of the first things in life.

Monday morning the commencement address was delivered by Elder C. S. Longacre of Washington, D. C. With telling oratory he pressed home the great need and power of "Mental Efficiency." Never was there a more auspicious time than the present to bring into use every latent power for the finishing of God's work on earth.

Prof. O. J. Graf presented diplomas to forty-eight graduates, the largest class the College has ever had. It exceeded by eight the total enrollment of the institution at the opening of school nine years ago. Eleven courses were represented, with seventeen graduates from the sixteen grade courses. Practically every one from the training courses is already placed in the work, and all from the other courses are returning to continue their work next year.

Thus closed a week fraught with intellectual, social, and spiritual blessings. The students have gone with a firm determinatian to make good; and, by contrast with recent stir and life, a dead stillness reigns over E. M. C. R. B. THURBER

Students' Aid Fund

The school year has now closed and those who helped with the Students' Aid Fund will be glad to have a report of what was accomplished. With the money that came in last year we were able to help five students through school who otherwise would not have been able to attend. They are now going out into various kinds of work, hoping to begin school next year. When we think of these five boys and girls who have been helped and what that help has meant to them, our hearts are made glad.

We must not be satisfied with what has been done. There is another year coming and there are other young people who need help. There are nearly twenty on our list who cannot be in school next year on account of lack of funds. Some have said with tears in their eyes that they want to come and train for God's work, but they have no money. Now brethren and sisters, what will you do about it? A man up in Michigan has given us ten dollars for this work and promises more as God blesses him. We feel sure that he is no richer than many others who have so far been unwilling to help. An Indiana brother gave twenty dollars to this work. Many churches are doing their share, but some are not.

In this conference there was a young lady who wished to attend one of our schools. She had no funds and the money was not forthcoming to help her. Nearby was a Catholic school which she was urged to attend, and the money was raised to send her. She went and was lost to the Lord's cause. No child has to stay out of a Catholic school because he has no money? What about Seventh-day Adventists?

I often think of this quotation from the Testimonies, "We cannot call ourselves true missionaries if we neglect those at our doors who are at the most critical age, and who need our aid to secure knowledge and experience that will fit them for the service of God." —Vol. VI., page 217. Not only are we called upon to help in China and Africa, but in Indiana as well.

Marion

11

The work in Marion is progressing. Sunday, May 20, seven adults were baptized, and we expect others to follow soon. We have commenced our tent effort in the south part of the city, and although the second evening of our meetings was a little cool we had an attendance of over three hundred. Our tent at present is a seventy foot circle and we hope we will have to add the twenty foot splice, which we will have to do if our attendance is much larger than it was last night.

We have a church membership of about seventy here in Marion, and we have asked the Lord to double the membership of this church. We are praying and expect to work to that end, and we ask our brethren throughout the Union to aid us with your prayers. Let us all seek God earnestly for the success of all the tent efforts this summer. C. L. WHITE

Among the Churches

I have spent some time of late in visiting different churches in Indiana. In a recent Sabbath service at Anderson the Lord came very near and as His Holy Spirit spoke to hearts fourteen children and young people came forward to reconsecrate and yield their hearts to the Saviour. All expressed a determination to serve the Lord and get rid of every sin. Sabbath, May 19, was a good day for the church at Jefferson. Three adults were buried with their Lord in baptism, and altogether six persons united with the church. I have spent the last few days with the members of the church at Northfield. They are very much scattered, but their hearts are united, and they are enjoying Christian unity. M. C. GUILD

Wanted at Once

We want one hundred farmers in Indiana who will devote the proceeds of from one to two acres toward clearing the Indiana Conference from debt this year. The campaign is on and many are lifting. Let us all

pull together that Indiana may sing the Jubilee song of freedom from debt by Jan. 1, 1918.

One brother and his wife have sent word that they will give ten bushels of corn, raise 12 chickens, give two bushels of wheat, one cream check, one fleece of wool, the profits from two days canvassing, \$25 in money, and will help all they can. A liberal spirit is taking possession of many hearts. Many have sent word from different parts of the conference telling what they will do. We shall be greatly pleased to hear from all who have not yet written. Twenty-five thousand dollars has been received in cash from various sources thus far, and we also have twelve thousand dollars in pledges. Each week marks advance-We earnestly request that our people continue ment. to pray that the Lord will give prosperity to His children and bless their efforts in raising the debt this M. C. GUILD year.

Walderly Academy News Notes

Applications for admission to the school have been coming in for some time and there are prospects of our having a full school next year. Do not delay in sending your application and make all your arrangements early to enter the school.

Mr. Virgil Baker visited our school recently.

We were glad to welcome Elder Irwin to the academy, May 28.

Mr. Charley Cheever of Jim Falls, joined us to help with the summer's work.

The young ladies of the school entertained the young men at an informal reception given in the ladies' dormitory, May 19.

Sunday evening, May 27, the students and teachers had a most enjoyable time at the home of Mr. and Mrs. J. M. Colburn.

Misses Eliza Hummell, Jewell Hansen, and Ruth Oswald are planning to canvass in Barrnett Co., Wis., and Messrs. Guy Engelbert and Ole Lyberg in Menominee Co., Mich. May success crown the efforts of these young people. The cuts that we were having made for our new calendar were in the Superior Telegram building when it was destroyed by fire May 20, and were lost. We are having new cuts made, but our calendar will be delayed a week or ten days.

Our school closed for the summer vacation Monday, May 28. Many of our students are leaving for their homes, others will spend the summer canvassing, and still others will remain at the school to help with the summer's work. There will be work in gardening, carpentry, painting, blacksmithing, land clearing, agriculture, dairying, plumbing, etc., that will keep a number busy all summer and enable them to have credit ahead for the next year's schooling.

It is with much sadness that we report the death of Foster Meadows at St. Mary's hospital, Superior. Funeral services were held in Superior, May 29, by Elders Irwin and Edwardson, and Foster was laid to rest in the Greenwood Cemetery. Our last days of school have been sad ones.

News Notes

Brother T. S. Copeland spent Sabbath at Ladysmith and while there he organized a Junior Missionary Volunteer Society.

Elder J. J. Irwin is spending a few days at the Walderly Academy this week.

This is a busy time for the field agent. The student colporteurs will soon be in the field. These workers certainly need our prayers at this time that they may so present the truth to the people that souls may be won to it.

Mr. George Halvorsen, a graduate from the Commercial Department at Emmanuel Missionary College, has taken up work in the Conference Office.

All mail intended for the Conference or Tract Society or any of the officers or workers connected with the conference should be directed to Spooner, Wis., from June 4 to June 22, as the office will be closed during camp meeting.

We have been glad to receive a number of letters from people stating that they were planning to attend this camp meeting. We have definite word from Elder Spicer that he will be with us also for a part of the time, but we do not know which part. Those who desire to hear him should plan to be present at the first meeting and stay through to the last.

Thursday evening the pupils of the Ashland Church school gave a very interesting program in the church. The teacher, Miss Euphemia Macaulay, has rendered faithful service and this was revealed in the program.

The new reading course books will be on display in the book tent at Spooner. Don't fail to look them over.

Camp Meeting Notes

Despite the inclement weather, the camp meeting at Sturgis for the West Michigan Conference began at the appointed time, May 31, with the tents all up and

the brethren and sisters comfortably located. The camp is pitched in a very appropriate part of the growing city of Sturgis, where a friendly reception has already been extended. About one hundred and twenty tents have been pitched and all are occupied at this writing. Besides these, a score or more rooms have been provided in the neighborhood for visitors.

Owing to illness Elder Guthrie, the president of the Conference, did not occupy the pulpit on the night of the opening, Elder S. B. Horton taking up the subject, "How to Conquer Our Enemies."

The book tent is placed in a very convenient location with a splendid array of books, pamphlets and periodicals.

A large number of young people as well as children are coming in at this writing, and doubtless a profitable time will be enjoyed carrying out the program outlined for them.

The local papers have shown our people great courtesy in furnishing ample space in their columns for our work in connection with the camp meeting.

We are expecting to have Elder W. A. Spicer, secretary of the General Conference, Elder L. H. Christian, president of the Union Conference, and Elder W. A. Westworth, with us. Elder F. W. Johnson, of Eastern Canada has also arrived, and will connect with the West Michigan Conference as one of its laborers.

Covert

The Covert church school taught by Mrs. Mary DeVillez closed May 4. Sabbath, May 5, eight pupils were baptized as a result of the splendid work done in the school. A. W. McNEAL, *Elder*

Kalamazoo

We have recently completed a systematic house to house camgaign with our literature. A letter was prepared calling the attention of the people to a copy of "Present Truth" Series No. 5, and a card was enclosed upon which a request for additional literature could be sent to us. Many cards have been received and are still being received asking for more literature on the signs of the times. The church here entered heartily into the campaign, and we are hoping for several baptisms in the near future.

Belleville

Elder L. O. Drews in a recent letter writes: "Our meetings are well attended and the interest is growing. Those who attended the first meeting are still attending. The people are looking for light. I am now putting out my third set of bills. The only difficulty I have here is the singing. It all depends upon me, and I cannot keep it up all summer. We greatly need a Bible worker. I want to make this effort a success by the help of the Lord. I am keeping up the interest at Venice and there is a good attendance every Monday evening. There are two German families who are interested and one of the men expects to attend some of our German meetings here. Pray for our work that many may decide for this blessed truth."

Brother Drews is holding a series of meetings especially for the German speaking people at Belleville where the population is largely German. Let us remember our brother and his work in our daily devotions. E. F. PETERSON

Quincy

We held meetings five nights each week through the month of April in a Jewish temple and as the attendance was not as large as we expected we began meetings in a Baptist church. Here we have secured a larger attendance. Our Sabbath school is held at 10:00 A. M. Four have decided to keep the Sabbath. There are others very much interested. Some of them have been told to stay away from our services, yet they leave their own church and attend our meetings every Sunday night. Let us pray for those who have taken their stand and for those yet in the valley of decision. C. J. SMITH

J. O. FERRIS

Plans for the Summer

We plan to have four tent efforts conducted this summer before camp meeting. At Peoria the tent company will be Elder N. Sargeant, Brother J. O. Ferris, and Miss Cora Hicks; at Centralia, Elder C. W. Curtis, Brother C. J. Smith, and Miss Rika Wohlers; at Springfield, Brother F. C. Phipps for the colored population assisted by the members of the Second Springfield church; Elder L. O. Drews at Belleville for the German speaking people assisted by a student from Clinton, Mo., Seminary. Elder P. C. Hanson will visit churches and will meet urgent calls in the field. Brother A. L. Van Fossen will be more than busy with his large corps of colporteurs and will have to be assisted from time to time as he can not attend to all the calls necessary in his work. Sister Katherine Drury will assist some of the young lady colporteurs and other of our experienced colporteurs will assist the young men needing help. Sister Grace Evans plans with some help to conduct several Sabbath school institutes during the month of July.

In order to conduct four tent efforts this summer it was necessary to buy a new field tent which was no small item in these days of advanced prices. It will mean also some extra expense in conducting these efforts by way of advertising and freight and drayage of outfits shipped to the different points from Springfield; but as these expenses are met from the 2% fund we trust that every member will give this earnest consideration and do his part in meeting this extra expense. Only about one-third of our tithe payers are paying 2%. This means that just one-third are meeting all of the additional expense above the salary and traveling expense of the workers which is paid from the tithe. Surely the other two-thirds will be glad to assist in the summer's campaign. We have added two more workers to the pay roll for the summer and this will mean a heavier draught on the tithe fund during the summer months. We have been told in the Testimonies to the Church that if all would give faithful tithe and offerings there would be no dearth in the treasury.

We are looking forward to a fruitful season and trust that a large number of souls will accept the truth as a result of the work done. As the workers lay their plans let all unite with them in praying for a large ingathering of souls. Between now and camp meeting we should receive several hundred dollars on the 2% fund as our new tent will cost us about \$350, and we had a camp meeting deficit from last year of about \$200. Let us adopt as our motto and aim "Every member faithful in tithes, 2%, and 20 cents a week." While it costs more to live than formerly, most wage earners are receiving higher salaries and those having anything to sell get higher prices, so the tithe and offerings should be larger than heretofore. Let us pray and work together for the desired results. E. F. PETERSON

Camp Meeting

We are grateful to God that He has permitted us to come to the time of another annual camp meeting. All should plan to attend this meeting. There will be no business sessions in connection with camp meeting this year, and plans are being made for a spiritual feast. All should come determined to receive the help necessary to successfully meet the attacks of the evil one. We need to follow the instruction found in Volume V, pages 164 and 165. "The work of humiliation and heart searching should go on in the church, so that all differences and alienations among brethren may be laid aside before appearing before the Lord at these annual gatherings. Set about this work in earnest, and rest not until it is accomplished; for if you come up to the meeting with your doubts, your murmerings, your disputings, you bring evil angels into the camp, and carry darkness wherever you go."

We are surely living in trying times. We need to know that the Lord is by our side. We may have the blessed assurance of His presence constantly with us. Let no trivial excuse keep you from the camp meeting.

We are making every provision possible for your comfort and convenience. Meals will be served at the dining room as reasonable as possible on the cafeteria plan. The grocery will handle supplies for those that desire to board themselves all or part of the time. Tents will rent for \$3.50 and \$2.50; bed, conplete \$1; springs, 50 cents; cots, 50 cents; tables, large 40 cents, small 25 cents; chairs, two for 25 cents; floor for entire tent \$2; half floor \$1; straw for ticks 25 cents. Remember the place and date. Fond du Lac, June 21 to July 1, on the Fair Grounds. The Soo, North Western, Milwaukee, and Interurban lines run into Fond du Lac. Arrangements will be made to transfer passengers and baggage from the stations to the camp ground. There will be some one to meet the trains the first two days of the meeting. If possible come early, and do not miss any meetings. The first meeting will be held Thursday evening, June 21. W. J. WALTER

Tract Society Notes

Students from Clinton, Mo., are arriving to begin their colporteur work for the summer.

Word has been received from the Review and Herald that there have been 173,000 copies of "The World War" sold in about six weeks. How many of this number have you sold?

Have you ordered your tent for camp meeting?

Professor Fattic and Brother Belding made a trip through the southern and eastern part of the conference last week. They report good meetings in the churches in this part of the conference.

From all indications there will be a good attendance at the camp meeting. Pray that it may be so.

We will have the Bible you want at camp meeting. Ask us about it.

Sister Splaine of Portage worked Madison, Fond du Lac, Oshkosh, and Appleton last week with the *Watchman*. She sold about eight hundred copies of this magazine.

Miss May Bell is visiting the churches at Wausau and Moon. She is also visiting the isolated brethren in this section in the interest of Sabbath school work.

W. J. Walter met with the Moon church Sabbath, May 12. He reports a splendid meeting there, and also says that nearly all are planning to go to camp meeting.

Sister Bisbee called at the office this week. She is selling the *Watchman*. She and her daughter, Ruth, expect to canvass in Calumet County this summer for "Great Controversy."

Items Concerning The Young People's Work

Don't forget we have the Reading Course books in our circulating library for the use of our young people. They may be had for the six cents postage and the asking.

In company with Mr. Belding, it was my privilege to visit and hold meetings with the churches and young people at Ft. Atkinson, Franksville, and Milwaukee. En route we visited Milton Junction, Janesville, Kenosha, and Racine, besides calling on several of our isolated people.

We are expecting a large attendance of our young people at camp meeting. If you know of any who haven't decided yet, won't you help them make the right decision?

We have placed 1420 Morning Watch calendars in the homes of South Wisconsin. Do you have one and are you observing the Morning Watch with us?

This department would appreciate hearing from any of our young people who know that they are not on our mailing list. We want to keep in touch with all of you. We would also like your help in getting in touch with those engaged in public school work.

G. R. FATTIC

Tract Society News Notes

The new book "The Return of Jesus", just coming from the press, is excellent. Place your orders now.

Order your ten copies of "The World War" at \$1.33 today.

We can furnish you with a good selection of German tracts.

Miss Hazel Kane called at the office. She comes to this conference to work with "Bible Readings" this summer. We wish her God's blessing.

Miss Ruth Bisbee in passing through Fond du Lac, called at the office for a short time Wednesday morning.

Mrs. Franklin is in the southern part of the conference assisting some of the girls in starting their work for the summer.

Do you know of any one that should be out in the canvassing work? If so, send us their names.

Those not already subscribers to the *Review and Herald* should send in their subscriptions now.

Why can't you sell the Watchman in your neighbor-

hood? Try it. Send for ten copies for fifty cents.

Order a copy of "Alone with God," for 50 cents, or "Soul Winning" for 75 cents.

What methods have you to suggest that we can use to interest each of the members in this conference in soul winning work? Any suggestions will be considered, and if workable, we will try them out.

Present Truth at 25 cents a copy per year is a good way to take this great truth to the people. Cheap and yet effective.

Use the Signs, weekly or monthly, for missionary purposes. Write us for information.

Joliet

May 5 and 6 were important days for the Joliet church. A Sabbath school convention was held in connection with the dedicatory and baptismal services. The convention was held on Sabbath and Sunday mornings, and several were present from nearby churches. We are sure that all received an inspiration for better service in the Sabbath school work.

MRS. CLEORA WEBSTER

The Colporteur Work

Our canvassers are having some interesting experiences in the field. I believe that the Lord will bless His faithful workers this summer more than ever before.

Brother Will Harris, in sending in his report of \$94.75 for fifty hours spent in the field writes: "This is my first report and I greatly thank the Lord for what He has done for me."

Brother Joseph Granath, who is working with Will

Harris in Livingston County, sends in a good report of \$50.75 for forty-four hours spent in the field. He is thankful for the privilege of having a part in this work. He says: "With God's help nothing is going to stop me."

Brother Devereaux, our veteran canvasser is in the field again. He says, in sending in his report of \$42 for thirty hours work : "Conditions in the world cause the people to listen to us as we tell them of our books."

Brother Graham, our colored worker in Chicago, writes encouragingly of his work. Last Monday he took orders amounting to \$21.50.

Brother Tatton sends in a report of his best week's vork. "God is blessing me abundantly, much more han I deserve. The people are beginning to realize hat our books contain truth for these times.

Surely the people are being awakened. Last week I ad the privilege of spending some time in the field vith Brother M. V. Haight, who has recently been onverted and is starting in the canvassing work. In ight hours the Lord blessed us with \$25 worth of orders. We found one man who had been diligently earching the Scriptures to learn what the Bible said bout the Sabbath. He said that he believed we ought o keep the seventh day as the Sabbath. When we old him that we were Seventh-day Adventists he was very glad. He bought a book and said that he expected to be with us soon.

Is it not time that these honest in heart are being earched out and the message taken to them? What privilege it is to be engaged in this blessed work now, when the closing prophecies are being fulfilled. J. C. KLOSE, Field Miss. Sec'y

Jackson

Our work is still prospering in Jackson, and the interest of the people in hearing the truths for these times is growing. The attendance at our Sunday night meetings is good, and we are receiving many requests for Bible studies. We are greatly rejoiced to see these evidences that the Spirit of God is at work here. Sunday, May 27, was a day of great rejoicing when twenty-five precious souls were buried with their Lord in baptism. The Spirit of God was present in power, and all were deeply impressed by the solemnity of the occasion. A large audience attended. Brethren, pray that God will continue to bless His work in this needy city. W. D. PARKHURST

From Our Colporteurs

Brother Sykes writes: "I have put in a busy week and the Lord has blessed me. The war conditions are stirring the people to inquire for the truth. I want to do my part in carrying this message while it is day for we may not have long to work." Brother Sykes put in forty-eight hours last week and secured orders amounting to \$61.50.

Our student colporteurs are starting in their summer's work.

Brother Pengelly is also working faithfully. He put in forty-nine hours and received orders amounting to \$61.50.

Brother Budd is located at Cass City. The Lord is blessing his efforts. He has averaged about \$1.50 an hour

Let us remember these workers before the throne of God that they may have success. We are looking forward to our best year's work. W. A. BERGHERM

Announcement for Special Red Cross, First Aid, Emergency, and Simple Treatment Course

"I wish to tell you that soon there will be no work done in ministerial lines but medical missionary work."—E. G. White, Gen'l. Conf. Bulletin, 1901.

Inasmuch as our people are everywhere turning to our sanitariums for training and instruction at this crisis, the following course has been arranged to meet this emergency. We believe that the "right arm" today is more important than ever before in the history of our work. Soon Sabbath keepers will be confronted with many new and perplexing problems. We must now redeem the time and make earnest preparation for the future.

The course will consist of one hundred twenty-five hour periods, divided into twenty-five class days. This will give five lecture and demonstration periods each day. After examining the Red Cross course outlined in Government Bulletins, we are convinced that the course we offer is more complete and thorough than the average course given in most of the Red Cross training centers.

Those taking the couse are expected to bring with them all necessary bedding, including blankets, sheets, pillows and pillow slips, also toilet articles.

All those who wish further information should apply to the Superintendent of the Wabash Valley Sanitaium, Tri-City Sanitarium, or Madison Sanitarium. The course begins June 20, at the Wabash Valley Sanitarium.

Medical Missionary College Summer School

The Board of Trustees and faculty of the College of Medical Evangelists at Loma Linda, California have arranged to conduct a Medical Missionary Summer School from June 5 to July 3. The design of this school is to furnish a brief but comprehensive course of study in Red Cross Work, First Aid to the Injured, Emergency Service, District Relief Work, and allied subjects. The more common diseases and the simple treatment of the same will also be considered. The food problem, not only in its relation to digestion and nutrition, but also in reference to present high cost will be studied. For Announcement and particulars address Doctor Newton G.
