noon, the Mayor of the town gave us a short address in which he assured us of the fact that Berwyn would be only too glad to have us come back next year. On the last Sunday night, public utterance was given in the tent by one of the citizens of Berwyn to the effect that they wished us to come back another year. We are indeed glad that we could leave this little suburb of Chicago with such a good impression of our people and of our work resting upon the hearts of the inhabitants. We hope and pray that this impression may be for an everlasting good. We hope that by and by we may be able to baptize some of the good people of Berwyn, and in that way add them to the body of Christ, namely, the church.

Right here I would like to report that our tithe for the month of June was more than twice the amount we had during the same month of last year. It is remarkable how our people throughout Northern Illinois respond to calls for means to advance the work of God. If the tithe keeps on growing until the end of the year as it has been until now, we will no doubt have a tithe of \$70,000 this year, which is most extraordinary. As far as our foreign mission offerings are concerned, I am glad to bring the gratifying news that our conference is up to twenty-five cents per capita per week, and about \$500 above it. This is certainly very encouraging and shows a deep interest in the hearts of our people toward foreign missions, for if there were not a deep interest, the funds would not be flowing in so freely. May the Lord help us to continue in this Christian liberality so that our foreign missions at the end of the year may have reached at least thirty cents per capita per week instead of twenty-five. The foreign mission work needs this support, and will get it, too.

It might be well for me to state that inasmuch as there is always such a pressure bearing upon us toward the end of the year to keep up with our funds that we should work toward the end of overcoming this pressure by continuing the way we have been doing up to this time, namely, keep up our twenty-five cents per capita per week right up to full and overflowing. If we do this then we will not need to press matters so hard toward the end of the year. Of course as you know our Harvest Ingathering goal must be kept constantly in mind. Ten thousand dollars is not so easily collected from the outside people, yet if we keep it in mind and begin even now and organize our work as thoroughly as possible, with everybody under the yoke, we shall get our ten thousand dollars which means only five dollars for each to collect, and oh, how easy that is. Many hands make light work, so if each church tries to collect the amount that will average five dollars for each member, the ten thousand dollars will be in God's treasury at the end of the year and some more, too. Oh, let us just get into the spirit of this, my dear brethren. May Satan not make us be-

In the Crucible

Out from the mine and the darkness,
Out from the damp and the mold,
Out from the fiery furnace,
Cometh each grain of gold,
Crushed into atoms and leveled
Down to the humblest dust,
With never a heart to pity,
With never a hand to trust.
Molten and hammered and beaten,
Seemeth it ne'er to be done.
Oh! for such fiery trial,
What hath the poor gold done?
Oh! 'twere a mercy to leave it
Down in the damp and the mold;
If this is the glory of living,
Then better be dross than gold.
Under the press and the roller,
Into the jaws of the mint,
Stamped with the emblem of freedom
With never a flaw or a dint;
Oh! what a joy the refining
Out of the damp and the mold!
And stamped with a glorious image,
Oh, beautiful coin of gold!

Progress

I am again glad to report through the columns of the LAKE UNION HERALD the progress the work is making in our Northern Illinois Conference. We had a very good camp meeting. The spirit prevailing was certainly Christlike in every particular. We had beautiful grounds and everybody seemed satisfied. The impressions we made on the citizens of Berwyn was good. They were anxious to have us stay another week. We received a few very encouraging letters congratulating us as a people for the orderly and hygienic arrangements of our camp, also for our good singing and preaching. On the first Sunday after-

lieve that we cannot do it. There is enough means in the United States that twenty or thirty billion dollars can be raised for the war besides a few millions for foreign missions. Let us not be scared out of our goal. Let us all constantly remember that it means five dollars for every Seventh-day Adventist to collect from the world between now and January 31. The hearty cooperation of other years convinces me that the goal will be reached.

As has been reported at the camp meeting, we have planned to have eleven tent companies in the field. Most of these started Sunday evening, July 7. The others will start this week. The efforts that have already started have made a promising beginning. I believe we shall be able to garner in a surprisingly large number of souls. Of course, as you know, our goal is five hundred new members, but as our brethren said at the camp meeting, we believe that our goal should be higher. We should say one new soul for every member of our present membership. Let us work toward that end and then, of course we can feel assured that the five hundred souls will be gained and more, too. Pray for our Bible workers that they may speak the truth in the power of the Holy Ghost so that the hearts of the people may be stirred to call out, "Men and brethren, what shall we do to be saved?"

We are pressing our educational work just as hard as we can. Our goal is, "Every boy and girl in our denomination in one of our schools the coming year." This means a very strong campaign during this summer. In order to make this campaign as effective as possible, our whole corps of laborers has been so organized that all will have a part in it. Our goal is not only every boy and girl in our schools, but that every family shall be visited in the interest of the educational work. Our goal is also to raise the minimum sum of \$9,000 for Emmanuel Missionary College; \$1,000 for our church school educational fund in this conference, and \$2,000 for our church schools and academy together, and \$2,000 for our colored work. This means good hard work. It means an unintermitting effort, but with the Lord's help we shall succeed. Let us pray as we never prayed before that we may close this year with all these goals completely reached, so that we can sing the song of Moses and the Lamb before we get on the other shore.

Our magazine work is progressing nicely. We have a large number of girls engaged in this work in the city of Chicago and elsewhere. The prospects are that a number will earn their scholarships and be able to go to school. Pray that these girls may have success, that everyone may be able to go to school. Remember Sister Godsey in your prayers who is heading this department.

I would not dare to forget our pioneer workers, namely, the colporteurs who are going from house to house throughout the conference carrying the printed page, notwithstanding the fact the people's interest is taken up so completely by the events occurring around us daily. They have succeeded nobly in taking hundreds and hundreds of orders for our books. We feel very grateful for the success that has accompanied our colporteurs.

We are certainly thankful for the hearty cooperation

of our people with the various successes in our conference, and may it always be so.

Hoping that many earnest prayers will ascend to the throne of God for the success of our work during this summer's tent campaign, and wishing all the richest blessing of God, I am

Your brother in Christ,
J. H. SCHILLING

Sabbath School Notes

The following Sabbath schools reported before the 8th: German No. 2, Kankakee, Sheridan, Pittwood, Dearborn, Rockford, Aroma Park, Stockton, St. Anne, Englewood, Humboldt Park, South Side, Swedish No. 2, West Central, Hungarian school, Aledo, Belvidere, Elgin, Joliet, Kingston, Moline, Watseka, and Seaton.

Home department secretaries that reported before the 8th: Kankakee, Dearborn, Englewood, South Side, Aledo, Elgin, Joliet, Moline, Stockton, Watseka, Huntsville, Mo.

I would be pleased to receive the other reports at an early date. Please address me at 116 N. California Ave., Chicago, until further notice.

A Great Mistake

In the LAKE UNION HERALD of last week, it was reported that we are \$750 behind in our twenty-five-cent-a-week offerings to missions. This is a mistake, because a later report to us from the Lake Union Conference shows that the Southern Illinois Conference is \$1,305.27 short for the first five months of this year. The report for June is not yet in.

It is a "great mistake" to be so far behind our apportionment in the middle of the year, but we are not discouraged for we fully believe that the people of Southern Illinois desire to be right with the Lord. We are asking the Lord to put it into the hearts of the people to lift this deficit in the midsummer offering and we believe He will answer prayer.

We might better do it now, brethren, than wait until late in the fall. It is needed now. Missionaries are waiting and calling for help. Let us respond by making a sacrifice. Let us give five, ten, fifteen, and twenty dollars apiece on Sabbath, July 20. The midsummer offering should bring a real windfall to foreign missions. Some are thinking of giving \$100 and even \$500 to missions this year. Why not give it now?

This work must not be left to the Sabbath school alone, but when we hand in our tithe envelope each Sabbath let us also remember the fields beyond in a special way. Now let me ask a favor of you. When you have read this appeal, ask others in the church if they have read it. Pass your paper on to those who do not take the HERALD, and encourage all to lift in a generous way Sabbath, July 20. W. H. HOLDEN

South Wisconsin Conference

Office Address, Room 305 Ruh Bldg., Fond du Lac, Wis.
President, C. S. Wiest

Our Camp Meeting

The camp meeting and conference of South Wisconsin is now a thing of the past. Truly we had a very precious season. The weather was ideal and all conditions were favorable for an excellent meeting. Those from outside the conference were the Union officials, Elders E. E. Andross, W. J. Westphal, B. L. Anderson, Meade MacGuire, O. A. Johnson, H. R. Johnson, and H. H. Dexter.

We do not have the exact figures in hand of all the money that was raised, but on Sabbath afternoon a special donation for missions was given, amounting to \$4,087, besides the Sabbath school offerings of \$900. The educational drive that was inaugurated at the conference was responded to by an offering of \$1,500.

The resolutions that were adopted will appear in the HERALD in a later issue.

The officers for the coming two years are practically the same as heretofore, with the exception of Lawrence Jorgensen who was chosen for home missionary secretary, and Loren Shepard for the field secretary work. W. J. Walter was made a member of the executive committee. These officers solicit your earnest cooperation and prayers for the success of the work the coming two years. Especially do we solicit your earnest interest in the great educational drive that is now on. Workers will visit every family in South Wisconsin as far as possible in the interests of the educational work. It is our desire to have all our young people in our schools.

Then it has been voted that we shall raise the sum of \$19,000 in the interests of education,—\$8,000 for the Bethel Academy, \$1,000 for assisting in the church schools, \$1,000 for a students' fund, and \$9,000 for Berrien Springs College. Two men have been appointed to give this work their special attention for the next three months. They are Elder Ferris and Elder French. When either or both of these men come to your home I hope that you will be liberal and ready to assist in this great educational campaign. Let us pray for the success of the work in South Wisconsin.

C. S. WIEST

Poy Sippi Church

Sunday, July 7, the writer, assisted by Elder H. R. Johnson, visited the Poy Sippi churches. There was a desire on the part of many in the Poy Sippi English and Danish churches to disband and to reorganize into one church. This matter has received our study for about six months or more, and so on this occasion it was decided to disband both of these churches and reorganize them into one, which received the name of the Poy Sippi church.

I understand that the Danish church was the oldest one of that nationality in the state, but because many have moved away and others have died it was thought best to have but one organization.

Poy Sippi has produced many workers for this cause

and I believe that the same blessing of Heaven will continue to rest upon this people.

There are those who have been away from Poy Sippi for a long time, and it was recommended that these should either unite with the conference church or join the church at the place where they reside. Those living at a distance will therefore know that their membership no longer remains at Poy Sippi, but that they will be taken into fellowship either in the conference church or else where they reside, in case there is a church in that place.

Our Good Camp Meeting

The camp meeting at Spooner was one which will long be remembered by our people as a season of great blessings. The attendance was larger than ever before, and the weather was ideal. The attendance the first Sabbath of the meeting was as large as it was the last Sabbath the previous year.

From the very beginning of the meeting, a deep interest was taken in all the services from the early morning meeting at six o'clock until the last meeting at night.

We were favored with the help of Elder E. E. Andross for two days. In addition to the help from the Union conference, we had with us Elder J. W. Westphal, from South America; Elder Meade MacGuire; Elder B. L. Anderson, from South China; Elder E. F. Peterson, who takes up work in South America; and Elder O. A. Johnson, from Walla Walla, to assist in the Scandinavian work. The general workers in the Union were present as were also all of the local conference helpers.

The educational work received careful attention, and definite plans were laid to enlist our boys and girls in our schools. If we save our young people, we must train them for the Lord. The matter of enlarging our schools at Berrien Springs and Walderly was considered, and a substantial offering was taken for this work.

A willingness to consecrate means as well as service to the cause of God was shown by the gifts to missions. On the last Sunday afternoon of the meeting twenty-five were baptized.

It was unanimously voted to begin the Harvest In-gathering work the first week in September, and early bring our work to a close. It was also voted that we endeavor to secure \$5 per member for the offering this year.

There were practically no changes made in the conference officers. The only change from last year was that of Elder J. M. Hoyt, who takes the place on the conference committee made vacant by the removal of Elder Edwardson to Minnesota.

At the close of the meeting, the workers left for their various fields. Brethren Schebo and Hillman went to Hudson to work for the Scandinavians; Brethren Wikander and Peterson to Ironwood; Brother Wright to Superior; and Brother Hoyt is to look after interests at Spooner and the surrounding country.

The last Sabbath of the meeting Brother George Wikander was ordained to the important work of the gospel ministry. The Spirit of the Lord witnessed to this service.

North Michigan Conference

Office Address, 510 Petoskey St., Petoskey, Mich.
President, E. A. Bristol

Gaylord

It was planned that our tent should be located in Grayling, but being unable to find a suitable location, we were transferred to this city, the county seat of Otsego County.

Our first meeting was held Friday evening, June 28, with an attendance of about thirty-five, which consisted mostly of our brethren. Those not of our faith, who first came, have been here nearly every evening; and our brethren have been very faithful, both in preparation for and in attendance of the meetings. About seven hundred bills were distributed, and the editor of the leading newspaper gave us a fine, first-page write-up.

Sabbath, July 6, will be a day long remembered by the church as a day of spiritual feast. It was the first Sabbath meeting in the tent, and the Lord "above all that we ask or think," according to His divine mercy gave us of heaven's meat and drink. His wonderful love led to renewed consecrations to His service, and we rejoiced for a part in the third angel's message.

Covert and Keeler

Since camp meeting, it has been my pleasure to visit the faithful ones at Keeler. These isolated ones need our prayers, for it is not possible for them to meet with those of like precious faith each Sabbath and thereby obtain the help and encouragement thus afforded.

Sabbath, July 6, I met with the church at Covert and celebrated the ordinances of the Lord's house with them. I found many familiar faces, but some were missing—they are sleeping, waiting the coming of the Life-giver.

As we studied the Word at the little chapel, we found that it is a whole-hearted service that is required, and that it will take *all* to "buy the field."

R. U. GARRETT

Tent Meeting

We are glad to announce to our brethren and co-workers that we have our tent in readiness and gave the first number of our series last Sunday evening.

The Lord blessed us in securing a very pleasant location on the Niles-Saint Joseph road, five miles south of Saint Joseph, and three-fourths of a mile north of Scotdale, near Station 29.

This is a beautiful and prosperous fruit country, and we find many of the people favorable to our work.

This is due in a large measure, we believe, to the good work done by the faithful students of Emmanuel Missionary College, who conducted Sunday night meetings in this section during the school year, thereby breaking down prejudice and paving the way for the tent meetings.

We believe there are precious souls here who will be willing to follow the Master. We earnestly ask you to pray for the work here that many may be won to Christ.

R. U. GARRETT
H. O. BUTLER

News Notes

The tithe receipts for June were \$7,872.37. In view of the heavy expenses by reason of many tent efforts in the field this summer, we feel very grateful to God for such a good tithe. The offerings to missions amounted to \$4,247.48.

Last Sabbath the Grand Rapids church enjoyed the presence of Elder William Guthrie and Professor C. A. Russell, who spoke to the congregation on duties pertaining to the educating of our youth.

Our brethren and sisters will be glad to learn that Elder Leroy T. Nicola has been chosen as the pastor for the Grand Rapids church. He expects to assume his new duties shortly.

East Michigan Conference

Office Address, Holly, Mich.
President, A. J. Clark

Detroit

Last night, July 7, was the beginning of our mid-summer tent effort. Our tent is the new camp meeting pavilion. It is located on the ground that was occupied by Billy Sunday's tabernacle, a very desirable location in the heart of the city, easy of access by the street car lines. Nearly every seat was filled, and the interest throughout the service was the best. The collection amounted to over thirty dollars. Brother L. C. Metcalf has organized a good orchestra and choir which greatly help in the meetings. Today the papers have a very comprehensive report of the meeting. The outlook is encouraging and we are praying that God will give us good success.

ARCHER V. COTTON

Resolutions Adopted by the East Michigan Conference Camp Meeting, June 6-16, 1918

WHEREAS, We, as members of the East Michigan Conference are objects of God's supreme regard, and, in spite of the adverse conditions in the world about us, during the past year the prospering hand of our Father has blessed us with freedom from molestation, non-combatant service for our young men, exceedingly large tithe and offerings, material, numerical, and spiritual progress, and new and larger opportunities to extend the message in our own and foreign fields; therefore,—

1. *We recommend*, That as delegates to this conference we give whole-hearted thanks to God for His pro-

tecting care and prospering hand; and that we earnestly pledge ourselves anew to remain true to the faith and to use every power we possess to quickly finish His work in the earth.

WHEREAS, During the interval since our last conference, the hand of death has removed from our midst our aged and beloved brother and laborer, Elder J. L. Edgar; therefore,—

2. *Resolved*, That we hereby extend our sympathies to the members of the family.

We also extend our heartfelt sympathies to our dearly beloved Elder L. T. Nicola and his bereaved family in the loss of wife and mother who so suddenly was snatched by the hand of death.

The second resolution was read, and by common consent the following words were added: "and that a copy of this resolution be sent to Elder Nicola and family, and also to the daughter of Elder Edgar." This resolution passed by unanimous vote.

WHEREAS, There are approximately two million people in the territory of the East Michigan Conference who must be reached with our message and, whereas, the Testimonies tell us "the work of God in this earth can never be finished until the men and women comprising our church membership rally to the work, and unite their efforts with those of ministers and church officers"; therefore,—

3. *Resolved*, That we urge all the churches in the East Michigan Conference to engage in an aggressive campaign during the next two years to place the message in every home in the city, town, or community, in which they are located,—

First, by a liberal distribution of our literature in a systematic house-to-house work.

Second, to so organize this work that every member may be encouraged to take part in this campaign, using any and all other methods of missionary activity as is possible.

WHEREAS, The call for laborers in the home fields and across the seas was never so pressing, and

WHEREAS, Our recruits must come from the ranks of our young people; therefore,—

4. *Resolved*, That we enter whole-heartedly into the great educational campaign launched at the General Conference to the end that we may reach our goals, "Every Adventist boy and girl in one of our schools" and "Every student a worker." To this end we dedicate ourselves and our children to the finishing of the work, and we pledge ourselves to support our schools by our prayers and by our means.

In carrying forward this campaign, we recommend that every worker in visiting our churches and our homes does not leave until the call of God to this people to train and educate their children for a place in this work has been pressed home.

In view of this great educational awakening, we urge our young people to plan at once to enter the Adelphian Academy or Emmanuel Missionary College this fall that they may pursue a course of training to fit them for service in the message.

Since there are still many churches where there are children but no school established, we urge our people to consider earnestly and prayerfully the organization of such a school or, if not possible, the removal to a location where they might unite in establishing or in

supporting a church school already in operation, and that our workers cooperate in bringing this about.

WHEREAS, According to a careful estimate, there are approximately seven hundred and fifty young men and women in our Union, who should be in attendance at Emmanuel Missionary College, and

WHEREAS, The greatly increasing demands for educated men and women for our home and mission advance has led the College Board to obtain authorization from the General Conference Committee for the raising and expenditure of \$75,000 to enlarge the capacity and equipment of the College to meet demands; therefore,—

5. *Resolved*, That we enter heartily into the raising of our portion of the \$75,000, and further,—

Resolved, That we raise the sums of \$5,000 for improvements at Adelphian Academy, \$2,000 for a church school equipment fund, and \$2,000 for a scholarship fund to assist worthy young people in attending the academy and College; these funds to be expended at the discretion of the conference committee; and further,—

Resolved, That we endeavor to raise this money before January 1, 1919. It is understood that the College building fund and the funds for use in our conference shall be raised together and distributed proportionately to the different purposes for which they are raised.

WHEREAS, The truth must be carried to many by means of personal house-to-house work, and, whereas there is a great dearth of such personal workers and, whereas our forward move in education will call for many more teachers; therefore,—

6. *We recommend*, That our conference workers and church officers make a careful search in our churches for suitable persons and that they may be urged to make preparation to enter the Bible work and the teaching profession.

7. *Resolved*, That inasmuch as the Medical Missionary work is yearly assuming an increasingly important place in our organization, we encourage suitable young men and women of this conference to take a course of training in the Wabash Valley Sanitarium.

WHEREAS, The Lord has designed that our literature and especially our subscription books do a large work in preparing hearts for His coming, and whereas many homes in this conference need to be visited by our colporteurs; therefore,—

8. *We recommend*, That each church encourage suitable persons to engage in this work, and that as a conference, we extend to these self-supporting workers our Christian greetings and support.

WHEREAS, The Trumbull Avenue church has petitioned the conference that authorization be given the conference committee for the sale of their church building with a view of erecting another building, and

WHEREAS, We feel that before this step is taken, a careful study should be made of the needs of our people in the city of Detroit, as a whole with reference to their building accommodations; therefore,—

9. *We recommend*, That our conference committee ask the Lake Union Committee and the officers of the General Conference Committee to meet with them for a consideration of this matter and that they take such

steps in providing church accommodations for our people in Detroit as this council may deem wise.

WHEREAS, The Common Council of Holly very kindly contributed \$20 toward the expenses of the camp meeting; therefore,—

10. *Resolved*, That we, as delegates in conference assembled, extend to them our hearty thanks in appreciation of this kind gift.

11. *Resolved*, That we extend to the Adelpian Academy management our appreciation for the use of rooms in the dormitories and for the excellent dining service during the meeting.

WHEREAS, There are at the present time, forces which are actively at work for the purpose of securing legislative action, compelling strict observance of the first day of the week, and

WHEREAS, It has been demonstrated that the circulation of our religious liberty literature is one of the best ways of educating the public concerning right principles of religious liberty, and has been of great assistance in defeating the aims of these so-called reformers; therefore,—

12. *We recommend*, That in harmony with the action of the last General Conference that an effort be made in the East Michigan Conference to increase the subscription list of the *Liberty Magazine* to a number equal to the conference membership.

WHEREAS, For nearly seventy years our general church paper, the *Review and Herald*, has been an important factor in assisting the members of our church to become more informed concerning truths of the third angel's message, and the progress of the work, and has also led them to have greater faith in, and to bring their lives into conformity with the word of God, and

WHEREAS, There are in the East Michigan Conference many homes where the *Review* is not a weekly visitor; therefore,—

13. *We recommend*, That workers, church officers, and members do their utmost in inducing every member to become a reader of the *Review and Herald*.

WHEREAS, There is being published in our Union Conference a paper for the purpose of keeping our people in touch with the work in the Union Conference as a whole, and in each local conference, and whereas, the circulation of the paper has not been large enough to pay for the publication of the same, and there is a deficit each year, which must be apportioned to the several conferences in the Union, and whereas, the paper can be made self-supporting by the increasing of its circulation; therefore,—

14. *We recommend*, That every Seventh-day Adventist family in the East Michigan Conference be urged to subscribe for the LAKE UNION HERALD, that they may keep in touch with our work, and that the circulation of the paper may be large enough to make up this deficit which we are now helping to pay each year, and for which we receive nothing in return.

WHEREAS, The liquor forces in the state of Michigan are entering upon a state-wide propaganda, seeking to secure an amendment to the constitution which, if adopted would nullify the prohibition law and turn the splendid victory for the cause of temperance into defeat; therefore,—

15. *Resolved*, That we hereby place ourselves on re-

cord as being forever and unalterably opposed to the liquor traffic as unchristian and unpatriotic, the destroyer of homes and morals, and we propose to stand shoulder to shoulder with the temperance forces in our commonwealth in so far as these forces adhere strictly to the principles of Christian temperance, to the end that lasting victory may come to the cause of Right.

Be it further resolved, That at least one Sabbath during the year be devoted to the temperance cause, and that an earnest effort be put forth to place our splendid temperance literature before the people, especially the Temperance Annual of the *Youth's Instructor* and the "Shadow of the Bottle."

Realizing the magnitude of the work and the responsibility laid upon our Sabbath schools for the finishing of the Lord's work in the earth; therefore,—

16. *Resolved*, That we dedicate our lives to God for service, and

Further be it resolved, That the East Michigan Conference adopt the Sabbath school departmental recommendations passed on to this conference, together with all others throughout the world, by the departmental committee of the General Conference in its session held in San Francisco, Calif., March 29 to April 17, 1918.

We, the members of the East Michigan Conference, desire to express our gratitude to God for His manifold blessings upon the organized work for our children and young people throughout the past two years. We feel that a crisis has been reached, not only in the history of the world, but also in the experience of the church. We, therefore, dedicate ourselves anew to God for this work, yielding ourselves fully to Him to be used in the attainment of our Missionary Volunteer ideals, namely, the salvation and training in Christian service, of every Seventh-day Adventist child and young person in our field, and the conversion of young people who are not yet of our faith. To this end,

17. *Be it resolved*, That the East Michigan Conference adopt the Missionary Volunteer departmental recommendations, passed on to us by the departmental committee of the General Conference Committee in its recent sessions.

COMMITTEE

"Find access to the people in whose neighborhood you live. As you tell them of the truth, use words of Christlike sympathy. Remember that the Lord Jesus is the Masterworker. He waters the seed sown. He puts into your minds words that will reach hearts."

Business Notices

Approved advertisements will be published in the HERALD at the following rates: Forty words or less, fifty cents for each insertion, and one cent per word for each additional word. Each group of initials or figures counts as one word. Cash must accompany copy for all advertisements.

WANTED.—A single man to work on farm. Must be able to handle axe and crosscut, and work with young team. If satisfied, I will pay \$45 a month, board and washing included. Reference required. Alvin Goff, Lovells, Mich.

FARM FOR SALE.—Well improved 87-acre farm in Wisconsin. Good soil and good water, four miles from Marinette on main hard road. Good market. The reason for selling is I am an invalid. H. F. Balke, owner, 140 Champion St., Battle Creek, Mich.

WANTED.—Six or more dozen quarts of blueberries. Canned preferred. This year's crop. Mrs. F. J. Otis, 1894 Fourteenth Ave., Moline, Ill.

WANTED.—Housekeeper who is a good vegetarian cook, neat, clean, and able to instruct girls, also companionable for them. Seventh-day Adventist, under forty and no children preferred. Reference given and required. Clarence Walter, R.F.D. 2, Hartford, Michigan.

FOR SALE.—Forty-acre farm, good soil, pleasant location. Two miles from town. Fair buildings, phone, good orchard. May consider house and lot part payment. Reason for selling, not able to work. Address J. C. Jorgensen, R. F. D. 4, Lakeview, Mich.

COOKING OIL AND SHORTENING.—Mazola oil, two 5-gallon cans for \$20, f. o. b. Holly; one 5-gallon can, \$10.25. Snowdrift shortening, case containing six 8-pound pails to case, \$14 a case. Prices good for 10 days only. East Michigan Tract Society, Holly, Mich.

office.All matter intended for publication should be sent to the editor, LAKE
UNION HERALD, Berrien Springs, Michigan.

Mrs. Lou Kirby Curtis - - - - - **Editor**

Emmanuel Missionary College

The College has already canned 1,653 quarts of raspberries, both black and red. With over 2,000 quarts of strawberries, and the hope of canning enough blueberries to make the 1,653 quarts rise to at least 2,000 quarts, we will have over 4,000 quarts of fruit in our cellar.

Mr. Chestnut, a graduate from Washington Missionary College, called at the College on Monday. He is leading the singing in the tent effort which is being held in St. Joseph.

President Griggs has returned from Washington, D. C., to take up his work in the summer school.

Mrs. F. O. Rathbun and Mrs. G. R. Fattic went to North Liberty, Ind., Friday, to spend the week-end with Miss Worster.

Prof. and Mrs. J. G. Lamson arrived at the College Wednesday and stayed until Friday. They came to visit Professor Lamson's sister and mother, who are here this summer.

Harry Lundquist and wife visited Walter Murray a few hours this week. They are on their way to the home of Mrs. Lundquist's mother in Iowa. They have been appointed to go to South America where Mr. Lundquist is to have charge of a new school. They sail from New Orleans the nineteenth of this month. We wish these two old students of ours the best of success in their new work.

C. Oliver Morris, a former E. M. C. student, called at the College Wednesday.

Mr. Spohr and daughter of Chicago had a pleasant visit with Mr. and Mrs. Fattic and his sister Beatrix Spohr this week.

Mrs. J. R. Sampson has returned to the College after a few weeks' stay at her parents' home in Wisconsin.

Augustus Ford, Jr., is spending a few days with his folks here. He was graduated last week from the nurses' course at the Hinsdale Sanitarium. He expects to return there in a few days.

The first numbers of the summer school lecture course will be delivered Wednesday and Thursday evenings, July 17 and 18, in the dining room. Dr. Banks will give stereopticon lectures on the "The Bible and the Spade," and "One Thousand Miles up the Tigris." He is an original explorer of antiquities and his lectures are sure to be profitable.

The reception of the summer school was held the evening after the Sabbath. After the general hand shake and tagging procedure was over with, an

interesting program of music, recitations, and readings was given.

Beechwood Academy

Since the close of school the brethren who were asked to look up suitable places for the relocation of the academy have been busy at their appointed task. Some one or more have visited suggested places at or near Indianapolis, Richmond, Marion, Middletown, Up-land, Attica, Lafayette, Brookston, Delphi, Danville, Shelbyville, Crawfordsville, and some others. In all of these places there were objectionable features as well as favorable ones, and the sub-committee to look up places has not yet been able to so clearly settle on any two or three places as to warrant the calling together of the large committee.

Some time ago it became quite clear that there would be no opportunity to get anything ready for the school to begin in September, so all plans are being laid to hold the school at Needham again next year.

It being so late in the season, no special calendar will be printed, for there will be but few changes in anything but the faculty. It has not yet been fully determined whether or not the classes of the eleventh grade will be offered. If the eleventh grade is taught, Spanish will take the place of German as a modern language, and also shorthand will be offered if present plans are carried out.

Brother C. J. Voris, who last year taught in Indianapolis, will be the preceptor. His wife will teach piano and voice. Miss Olive Woodard will take the work as assistant preceptress, and will likely carry the language and missions classes.

In view of the probability of this being the last year of the school at its present location, no one feels like spending much in the way of improvements, but several of the rooms will be made more desirable, the storm-sash will be placed at the proper time, and altogether there will be more comfort this coming year.

We have received encouraging word from many of the old students who are planning to return, and we look for a large class in the eighth grade to start their work in the academy. Inasmuch as we do not design to accept one student extra when the rooms are filled, we advise all who are hoping to attend to get application blanks in early, and thus not be disappointed. The rates will not be raised in spite of the fact that everything in the whole cost of operating a school has been raised. We hope that students who plan to attend will get into immediate correspondence with the principal, and all letters should be addressed to Beechwood Academy, Needham, Ind. Letters will be forwarded if the principal is not there. Last year's calendar and code still apply.

J. G. LAMSON
