be blessed. "What shall it profit a man, if he shall gain the whole world, and lose his own soul?"

At one of the western camp meetings a soldier gave his wrist watch to missions just before crossing to France. Another gave \$1,000, the full amount of his father's estate. Then with his life entrusted to God he started for the western front. A sister, recently married to a young man who was drafted and sent to France, gave her wedding ring to forward the cause. The Lord loves the cheerful giver.

## The Better Way

The world has griefs enough;  
It has no need of thine,  
Or mine;  
So hide from human gaze  
The thorn that thou must bear;  
But on thy breast where all may see,  
The rose of gladness wear.

The world has tears enough  
From hearts more sad than thine,  
Or mine;  
Then in thy closet shut,  
Let all thy tears be shed;  
But to the world do thou still turn  
A smiling face instead.

The world has doubts enough;  
It must not hear of thine,  
Or mine;  
If of thyself thou hast  
No tidings that will please,  
The grace and goodness of our Lord,  
Oh, let it hear of these!

## Six Months of Missions

It is refreshing to note that for the first five months of this year our offerings to missions were \$8,376.42 more than for the corresponding months of 1917. At the same time our Union was \$29,536.99 short of the amount needed for our missions. At the end of June we had paid in for missions \$53,193.04. This is \$10,887.11 more than was paid in during the first six months of last year. In spite of this we are still short \$25,931.46 in the Union.

It is comforting to note that six of the eight conferences of the Lake Union have paid in larger amounts than for the corresponding period of last year. One conference paid in \$571.11 more than an average of twenty-five cents per member per week for the first half of the year.

At the rate at which prophecy is fulfilling it is time that our treasures are placed at the disposal of the Lord for the finishing of His work. We are told that the man found thus doing when his Lord comes will

## Emmanuel Missionary College

### A Personal Word

As I connect with Emmanuel Missionary College as its president I feel very deeply the need of special help from God for my work. I need the prayers and the support not only of the patrons of the school but of all the friends of our cause throughout the Lake Union Conference, and I most sincerely and earnestly ask for this not alone nor primarily for my own personal satisfaction, though I shall certainly appreciate it very much, but more than this do I ask it for the advancement of the work of the College.

The greatest work in the world today is the Great Second Advent Movement. It demands all the resources of all who espouse its cause. This movement will be carried forward rapidly only by the hearty and united efforts of all believers in it. The opportunities for work are abundant, for the uneducated as well as for the educated. Our greatest work, however, is in heathen lands. The almost uncounted millions of heathendom must have the gospel given them in terms of their understanding, and for this work we must have educated and specially trained men and women.

Emmanuel Missionary College, the outgrowth of old Battle Creek College, has had a long and successful work in preparing men and women for places of usefulness in gospel service. Its ideals of Christian education have always been among the highest, and my anxiety is great that these ideals shall not only be maintained but strengthened in every way, as our growing cause certainly demands. Emmanuel Missionary College is a strong school. The most successful and long administration of President Graf has given it great spiritual power. Its students are loyal, not only to the school, but to the cause of truth for which it exists. This last year, under the administration of President Benson, has been a most successful one, even though so badly broken into at its beginning by the most regrettable illness of President Graf.

And now as Professor Benson has been called to work in the general department of education and I am asked to connect with the College, I desire that it shall continue to grow in power and usefulness to the cause

of truth; hence I ask, not only for myself but for those who shall be associated with me on the faculty, a continuation of that prayerful cooperation of the patrons and friends of the school which has been extended in the past.

As a faculty we have given to us a sacred trust in the care and education of young men and women for service in our most blessed cause. It is a responsibility which we are utterly unable to discharge unless we have help from God. The times and our cause demand the highest ideals of intellectuality and spirituality. Emmanuel Missionary College must send forth an increasing number of workers for this and other lands and the loyal people of the Lake Union must put forth every effort necessary to do this. Every young man and woman should be encouraged to here seek that preparation necessary to successful service. Facilities in the way of building and equipment, must be provided for their proper care and education. By united and whole-hearted efforts we shall soon finish this work in all the earth.

FREDERICK GRIGGS

### Emmanuel Missionary College

Do you want an education? Get it. Would you like to come to Emmanuel Missionary College this fall? Come.

Never were the demands for trained laborers so imperative. Never was work so plentiful. Never were wages higher. Never were our student canvassers making better records. Never did our books sell themselves as now. If you want an education, you may obtain it. It simply depends upon how strongly you desire it. It simply means, have you the grit and grim determination to win? Money can be earned. Money can be saved. Scholarships can be secured. Even our soldier boys can go to school. Studies may be pursued through the Fireside Correspondence School, Takoma Park, D. C. Full credit is given for this work by all our schools to the amount of one-half the units required for graduation.

Many young married people are planning to attend the College this year. The school owns about twenty-five houses and small cottages. These are rented to members of the faculty and to married people who desire to do light housekeeping while attending school. These are practically all spoken for already. There are other houses in the neighborhood, and the village of Berrien Springs is but one and one-half miles away. Some houses or rooms may still be rented within easy reach of the school.

The work of remodeling the buildings is progressing rapidly, and all will be in readiness for the opening of school in September.

The new calendars are nearly ready for distribution. Write for copy, addressing Emmanuel Missionary College, Berrien Springs, Mich., or the President, Prof. Frederick Griggs.

### Camp Meeting Notice

Sullivan, Aug. 22 to Sept. 1

Conference laborers will be on the grounds at Sullivan, Tuesday, August 13, to pitch the tents for camp meeting. This notice is to invite any of our brethren who feel that they can give their time to come and help pitch the camp. We feel very anxious in regard to this part of the work, as labor is very scarce, and wages very high. We will doubtless be obliged to hire some help, but it will greatly reduce the expense of the camp meeting and also hasten our preparation if several of our brethren can drop in and help us. The workers' meeting, which precedes the camp meeting, is often as enjoyable as the camp meeting itself. One hour each day is devoted to spiritual thinking and the rest of the time to physical exercise in preparing the camp. Our ministers will be there to do what they can, but usually our ministers are not in physical shape to do as good work as our brethren who are spending more time in physical labor. This notice is not for those who are so burdened that they cannot possibly come to the workers' meeting and also the camp meeting. Many times through the conference there are men so situated that they can donate a little help to the Lord's work in physical labor at that time of the year and, my brethren, I assure you that we will welcome you on the camp grounds at any time during the eight or ten days preceding camp meeting. Some may be able to come August 19 and help two or three days before camp meeting. This, too, will be much appreciated. Sullivan is a small place and the camp grounds, located on the Chautauqua grounds, can be easily located by those coming to assist in pitching the camp. Definite announcement of prices of tents, etc. will appear next week. Any who can assist us by donating a few days in pitching the camp should notify the writer at the office address, and tell us the days we may expect you so we can plan accordingly in making arrangements.

### Superior

Doubtless the readers of the HERALD know that North Wisconsin is now my field of labor. During the busy days of the West Michigan camp meeting, we bade good-by to friends and the dear believers won to the truth either directly or indirectly through our labors.

We arrived at Spooner during the camp meeting, June 25, where we formed new acquaintances and planned for the summer's work. My heart was touched by the many needs of this conference, and my great desire now is to help build up the work in this field.

I found that it would be impossible for me to have a tent in Superior because there was none for me. It was then planned to launch a campaign with the biggest little book out—"A World in Perplexity." We have divided the city into districts, and the church members are planning to sell one thousand copies of this book, which means that the light of God's truth will shine in that many homes. This will be a good preparation for our public services which will be held soon in the church.

The outlook is bright but the uplook is brighter, and the promise is that it will be brighter until the perfect day. I trust that we shall all have the blessing of God in our work this summer, and that a rich harvest of souls may reward our efforts. I ask the earnest prayers of all for the work in this part of the field.

## South Wisconsin Conference

Office Address, Room 305 Ruh Bldg., Fond du Lac, Wis.  
President, C. S. Wiest

### Improvements at Bethel

In harmony with the vote of the conference, the Bethel Board has taken steps to enlarge the present administration building. At the conference it was made plain that our class and chapel room is inadequate to accommodate our students. In harmony with

these needs the board voted to put up a one story chapel building at the west end of our main building, and convert the present chapel into classrooms and library room.

The erection of this addition has been given to Mr. J. E. Wagner, contractor of Marshfield, Wis. After close investigation it was learned that brick is as cheap as wood, and it was therefore voted to construct the building in brick and tile.

The school will excavate the basement. The ground was broken a few days ago, and at this writing about one-third of the excavating is done.

It is hoped that the building will be completed by the time the school opens. This, however, depends very largely upon the liberality of our people. In our last issue it was stated that we can go only as far as our funds will permit. Therefore we will welcome any amount of money that is sent to the office for this purpose.

We ought to finish raising this fund of \$19,000 for educational purposes within three months. Since our last writing \$500 more has been pledged. This makes the present fund \$1,964.75. We hope to keep you in touch through the HERALD as this fund increases.

C. S. WIEST

### Enlist for Service

The Lord has entrusted His people with a work which angels would delight to do—that of giving the last message of warning to the people of this earth. The work committed to Seventh-day Adventists is on small undertaking; it demands the whole life and intellect of each individual. God has given a talent or talents to every one which He expects us to use in saving souls. We cannot all be teachers, neither are all to be editors, nor evangelists. All cannot go as missionaries to foreign fields, but we can all be workers for Prince Immanuel. At our very doors are hungry souls waiting for the message so dear to us. Thousands in our home country are ignorant concerning the Bible and its wonderful story of salvation.

The Spirit of prophecy told us long ago that the laymembers in our churches must arise and take a more active part in spreading the truth. This can be accomplished by them in the distribution of our magazines and literature, selling our large and small books, visiting the sick, and giving Bible readings.

Dear brethren, take advantage of your opportunity, because the time is not far distant when we will not be permitted to work as now, but will be obliged to do the work under trying and difficult circumstances. "The harvest is ripe but the laborers are few."

Write to the secretary about selling our small books and magazines.

### On Time

The Sabbath schools reporting before the 11th are not as many as for some quarters. Several reports have been received since that date. The following is the list of those entitled to a place on the prompt Honor Roll:

Robinson, Belmont, Eland, Tunnel City, Readstown, Yuba, Fish Creek, Belleville, Eau Claire, Appleton, Milwaukee German, Cataract, Rockland, Sparta, Stowell, Green Bay, Lodi, Wausau, Berlin, Granton No. 1, Valley, Chili, Welcome, Underhill, Bethel, Tomah, Milton Junction, Sand Prairie, Kenosha, Raymond, Hillsboro, Sheboygan, Milwaukee English, Poy Sippi, and Albion.

MAY BELL

### News Notes

Out of town visitors during the week were Brother Constantine, of Sheboygan; Mrs. Mikkelsen, of Wild Rose; and Miss Irene Cutler of Hinsdale, who is visiting her parents at Bethel.

Principal H. T. Elliott was at the office recently, looking after the interests of Bethel Academy.

Brother L. Jorgensen left immediately after camp meeting for an extended trip among the churches in distant parts of the conference in the interests of home missionary work.

Conference business took Brother W. J. Walter to Milwaukee two days recently.

Elder C. S. Wiest, accompanied by Brother Ferris, spent a recent Sabbath at Oconto and received practical encouragement in the educational campaign. He also visited Milwaukee and reports a good location found for the tent effort there.

Miss Bell visited the little company at Waupaca Sabbath and organized a Sabbath school there.

Word from Brethren Trowbridge and Howard brings the encouraging news that their tent effort at Almond began very auspiciously with an attendance of about two hundred.

### Kewadin

We have our tent located in a grove five miles north of Kewadin on the West Michigan Pike and the Dixie Highway.

The meetings began July 1 and from the first have been well attended, averaging through the week from forty to sixty-five, and on Sunday nights about one hundred and twenty-five.

The people are friendly, and so far seem to enjoy the messages of truth they are hearing.

We are praying and trusting that God will bless our labors to the salvation of many souls.

We solicit an interest in your prayers.

### It Can Be Done

It has been said over and over again that you *can't* earn a scholarship in North Michigan, and if you want to get back to school next winter you had better go to one of the other conferences to canvass, for the people are "too poor here." Notice how the students of

this conference are putting to flight the "t" of *can't*.

One of our canvassers, who was anxious to earn his scholarship began, some time ago. He put in seven hundred and forty-four hours, and the Lord blessed his efforts with success. He has delivered \$1,006.85 worth of books. Brother Coleman has proved the story untrue that North Michigan is an unfruitful field.

Miss Katherine Schmidt has worked during vacation just one hundred and nineteen hours, and the records show eighty-three orders for "Bible Readings," valued at \$344, an average of over \$2.89 per hour.

Miss Clara Greve, who is canvassing for "Our Day," has given to the Lord one hundred and fourteen hours of service and He has given her one hundred and sixteen orders, valued at \$244, or an average of over \$2.12 an hour.

Miss Emma Gooden is handling "Our Day." In one hundred and nine hours she received ninety-four orders, valued at approximately \$200, almost two dollars an hour.

Lawrence Schmidt's record shows for three weeks, one hundred and thirteen hours, sixty-nine orders, valued at \$157. The last three persons never canvassed for our books before.

It has been said that you *can't* put in as many hours here as in some other conference, but in June Brother Emerson proved this untrue. His total hours for the four weeks were two hundred and three.

Another has said that a man *can't* make a living for a family, but Brother Friday and his family are still alive. He has canvassed more than seven years. His record to date this year is seven hundred and fifty hours with sales valued at \$903.55.

All wishing to enlist in the conference where the *can't* is a thing of the past, and where every one who will work faithfully for the Lord *can* have success, should write immediately to 315 W. 12th St., Traverse City, Mich.

### Our Sabbath Schools

The Sabbath schools that sent in their reports on time are: Edenville, Nahma, Sigma, Boyne City, Frankfort, Cadillac, Barryton, Leroy, Cooks, Midland, Ellsworth, Coleman, Alden, Grant, Colfax, Mio, Pellston, Cheboygan, Rothbury, Wilson, Omer, Mesick, West Bliss, Gladwin, Shelby, Petoskey, and Levering.

For the quarter ending in June we find we have a gain of \$550.06 over the quarter ending in March. The Inca Union Mission is calling for the Sabbath school offerings this quarter. Can we make a better gain for the present quarter?

Gladwin, Petoskey, Cheboygan, Pellston, Alden, Ellsworth, and Edenville Sabbath schools went beyond their mission goals for the quarter ending in June.

### Among the Churches

It was my privilege to meet with the Greenville church, Sabbath, July 13. According to the announcement that had been given, a special educational meeting was held at this time. Many came from the nearby churches and the Greenville church building was filled. It was a great pleasure to me personally to meet the Greenville church and those who came in, and especially those whom I have known in past years. The forenoon meeting was devoted to a sermon relating to our educational work, and in the afternoon educational questions were discussed in a very interesting meeting in which Brother W. P. Elliott, Prof. G. H. Simpson, Paul Ford, and Miss Lotta Bell took part.

The Greenville church is laying plans for a larger and stronger work for the education of their children the coming year. A new school building has been erected which is nearly completed. It was thought best to postpone the dedicatory service until some later date when the work could be wholly finished.

From Greenville I went to Long Lake where Brother Byron Hagle has been holding meetings. A faithful company of believers was found there. On Sunday morning we organized a church of nineteen with others to join later. The full corps of officers was elected. Steps have already been taken to build a neat little church building at Long Lake. I am pleased to report this work and hope that the Long Lake church may be prosperous and grow into a strong working body. Brother and Sister Hagle will soon pitch their tent for another effort in some near-by place.

I spent a few hours at Cedar Lake looking over the farm and meeting with the workers there. I am pleased to report that everything looks well and the prospects for crops are good. The work of improvements and additions to our facilities there is in progress. The faithful corps of workers at Cedar Lake are endeavoring by earnest labor and careful economy to have everything in readiness for the opening of the school in the fall.

### At Camp Meeting

When our camp meeting closed at Allegan, June 23, we felt assured that our young people and children had received a great blessing. Though they were about the same ones who usually attend, they seemed to be different this year. Perhaps the seriousness of the times has stirred them. A large number came at the opening and stayed through.

The young people greatly appreciated the help of Elder Meade MacGuire, who was with us for a week, arriving in time for the first meeting. His studies on "The Christian Life, the Easy and Natural One," brought courage and strength to many. Nearly everyone in attendance witnessed for Christ. The last Sabbath forty young people and children were

baptized. The camp ground became a battle ground where victories were won.

Others assisting in this work were Prof. C. A. Russell and H. B. Lundquist. Because of our nearness to Camp Custer about twenty of our young men from there were able to spend one Sabbath with us. The last Sunday afternoon Mr. Lundquist told interesting experiences of his work for these boys. Especially glad were we to hear from Mr. Fred Anderson and Mr. Oakley Palmiter concerning the presence of God with them since entering camp.

When the Reading Course books were presented, one hundred and sixty-nine sets were sold besides a good supply of The Senior Attainment Manual, The Bible Year, and King's Pocket League packages.

Perhaps never before have we had so many children at camp meeting, there being one hundred seventy-five in the kindergarten and intermediate tents, besides fifty juniors. The intermediates worked enthusiastically selling mottoes and magazines, thus realizing \$37 with which to send two little India boys, Hari and Bulwant to school. It costs \$20 for each and since camp meeting some children have written that they will earn the other \$3 so both boys will be in school. Mrs. Lillian Eyestone had charge of this division.

Around the large kindergarten tent many visitors watched the little people making books illustrating their lessons and listening to new songs taught them by their leader, Mrs. Abbie Parker.

The Sabbath school offerings for the two Sabbaths amounted to \$1,385.62. The young people gave \$359.07, and the children \$19.23.

We know God was with us during the camp meeting, but are we sure He is with us today?

### Laborers Are Needed

The following from Mamie Kenney shows that our books are appreciated: "Recently I canvassed a poor family. Their home was burned a few years ago, and they did not have a Bible in the house. I asked them to give me their order for a Bible. The man said, 'I want that book. I am not sure that I can have the money for both when you come, so I will just order the book.'"

Miss Fern Stevens, who is working with Miss Kenney, writes: "I expect to get my scholarship, with the Lord's help."

Other students who are out in the field will soon have their scholarships earned. Good reports are coming from all of them. Brother Ferney sends word that he is going to continue in the work until school begins.

The students will be returning to school before long. Where are the men and women who will step in and take their places? "Lift up your eyes, and look on the fields; for they are white already to harvest." If you can see your way clear to help, write me at Box 55, Grand Rapids, Mich. I shall be glad to help you in the selection of territory, and in any other way.

### News Items

Brother Royer, our conference treasurer, is devoting two weeks to visiting some of the church treasurers in our conference, auditing the church accounts, etc. He has already called on the treasurers of the Hastings, Charlotte, Elkhart, South Bend, Berrien Springs, and Benton Harbor churches, and expects to call at Cedar Lake, Edmore, Greenville, Hartford, and Muskegon before returning to the office.

Brother Royer has also visited the four tent efforts held at South Bend, Galien, Scottdale, and St. Joseph, and speaks of a remarkably good interest.

He reports an awakening along missionary lines. The people are ready to take advantage of the opportunity provided in the sale of "A World in Perplexity."

Brother and Sister Andrews, from Nebraska where they have been engaged in the canvassing work, are visiting friends in Hastings.

### Hazelton and Ola

It was the privilege of the writer on Sabbath, July 6, to meet with the brethren and sisters of the Hazelton church. Meetings were held on Friday evening, on the evening after the Sabbath, and also on Sunday, besides the Sabbath services. There was a splendid attendance of the friends living in the neighborhood of the church, and a good interest was manifested. The little church was filled at each of these services, and without doubt, faithful and earnest effort will result in some deciding to obey the truth.

On Sabbath, July 13, we had an excellent meeting at the Ola church. The outside attendance was not large, but our people were faithful in attending and the Lord came very near to us. Two were baptized on Sunday and united with the church. As the church had not elected officers, a new corps of officers was chosen at this time. One of those who were baptized was a girl fifteen years old. She has taken her stand for the truth alone, her mother being bitterly opposed.

When she asked her mother's permission to be baptized, her mother told her she would have to leave home if she was baptized. She told her mother that she felt that it was right, and that it was her duty to obey the Lord. Her mother told her to take everything that she possessed and leave the house never again to return. It was a struggle for the girl, but she decided to obey the Lord. I believe that it will be a great victory in the girl's life. Before the day was over, we could see evidences that the mother's heart was being softened. Let us pray that the family may be united in this blessed truth. The experience was one of great encouragement to the young people of the church and to the older people as well. May the Lord help each of us to stand firm for the truth, being faithful in that which God has revealed to us that we may receive a home in His kingdom.

### Once Upon a Time

There was an academy in a certain conference, and the members of that conference stood loyally by it, and prayed for it, and toiled for it, and defended it against every aggressor. And when appealed to for means to support it, they gave liberally. The school was well managed, got out of debt, and stayed out. Its equipment was greatly enlarged and its teaching force increased and improved. Altogether it was behaving just as a strong, thorough-going academy ought to behave, as every one said.

But, there were empty rooms in it, and the classes were not large, and just about half of the young people in the conference who ought to attend it did so. Then its leaders became alarmed when they saw this condition, and were pressed by our higher school and the field men to supply more workers, and still more workers, for home and foreign service. So they started a stirring campaign to fill the academy with students. They agitated, they traveled, they visited,

they gave out literature; in short, they spent every energy in trying to make the people realize that the school must have their youth to prepare them for the work. They contended that our school holds the key to the Master's vineyard, that it is the only gateway to efficient service, that the stay-at-home cry now is red with danger. They made the school attractive and the way thither and through easy and interesting for every ambitious youth.

In response to this earnest endeavor on the part of the educators, the conference members—

### Mt. Clemens

We began our tent effort here Sunday evening, July seven. About eighty were present at the first meeting, and half that number came regularly during the week. At the second Sunday evening service more than one hundred listened to the message. We are greatly encouraged as we enter the second week of our series of meetings—not because we have great numbers attending, but because those who do come appear to be real seekers after truth. We are putting *Present Truth* into the homes of the people, and many small books are being sold. Our working force is small. There is no church here to assist us, but the workers are all of good courage, and earnest and faithful in their efforts. We expect success. Pray for us that our expectations may be realized.

B. L. POST

### Riverdale Church

Our quarterly meeting was held July 6. Elder Poole came over from Saginaw to assist in the services. Ten believers were present, seven of whom were members of the Riverdale church.

Though we are few in numbers and some have to drive a distance of four and five miles, we hold regular meetings. In the severest weather of last winter we missed only two meetings.

We are all strong in the Lord, and glad we can have a part in the closing gospel work. Our prayers, our hopes, our aims are always with the people of God. May the work soon be finished so that our blessed Lord can come, is our prayer.

R. D. COBB, *Clerk*

### The Educational Campaign

We are glad to unite with the Educational Department and the other conferences in the Lake Union in sounding the slogan, "Every Seventh-day Adventist boy and girl in one of our schools." Our campaign is being pushed largely by teachers of the Adelphian Academy, but we are making the general advancement of the educational work our aim.

Nine prominent centers in the conference were chosen for week-end rallies. During the week previous to the rally, the homes of the members in the local and near-by churches are visited, a copy of *Christian*

*Educator* and other educational literature placed in each one, and students solicited for our schools. This work is being carried forward by Brethren Newbold and Little of the academy, and Brother Phipps is also giving some time to it. Mrs. Flora H. Williams is stirring around for the church school work.

On Sabbath and Sunday these workers unite with the writer in a series of meetings in the central church. In these there is a symposium by the local members, helpful discussion, and a strong missionary plea is made for youth to prepare to be workers.

The following dates are set for the future centers:

Alma	- - - - -	"	27, 28
Jackson	- - - - -	Aug.	10, 11
Lansing	- - - - -	"	17, 18
Detroit	- - - - -	"	24, 25
Pontiac	- - - - -	"	31

We earnestly solicit the cooperation of every member of our churches in this campaign to save our youth for service.

### News Notes

Brother Dudley Newbold is visiting churches in East Michigan in the interest of the Educational Campaign.

Mrs. Williams spent last Sabbath with the church at Vassar.

Brother E. R. Thiele has just returned from a visit to the Port Huron society. Although only a few members are left there, they expressed their desire of doing what they could in missionary work. A tent effort is being conducted in that city by Elder A. V. Morrison and F. A. Quackenbush, with Brother Wilkenson as

tent master. Ivah Krome is assisting with the music. Elder and Mrs. O. M. Kittle left Holly this week for their new field of labor in Jackson.

It keeps us perplexed to keep enough of "World in Perplexity" in stock to fill our orders which are coming in on every mail. But send the orders along, and we shall try to supply you,—10 copies postpaid for \$1.34, 200 copies by prepaid freight, \$25.

Brother C. H. Knight of Fenton has gone to the Wabash Valley Sanitarium to take treatment for a few weeks.

Have you noticed our ad for cooking oil and snow-drift in the advertising section of this paper?

Brother Melvin Garrison, who is serving in Field Hospital No. 26 in France, reported some time ago that a young man had accepted the truth and was keeping the Sabbath with him as a result of reading his "Daniel and Revelation." This young man has now sent us an order for three of these books to be sent to his relatives here in America. Who knows what may result from the efforts put forth by Brother Garrison? Let us be faithful in circulating the printed pages in the form of books and tracts. The Lord has promised to give the increase if we will but be faithful in the sowing of the seed.

Mrs. Herald, of Southern Illinois, is visiting with her daughter, Mrs. B. H. Phipps, of Holly.

Brother Clark spent last Sabbath with the church at Ola. He reports a good meeting. Two received the rite of baptism.

In a letter received from Brethren Schank and E. L. Peterson, who are conducting a tent effort at Otisville, they report a splendid interest at that place. The meetings are well attended, and Sunday night many people had to return home for lack of seats. The church there has subscribed for a number of *Present Truth* papers and is cooperating in every way possible.

Miss Vesta Warren, of the conference office, is spending a week at home with her mother in Ionia, Mich.

In a letter received from the publishers last week they state that they expect a raise in the price of Bibles in the near future. We shall be glad to furnish you a catalogue upon application.

A large number are going from house to house with the printed page in East Michigan as you will notice by the canvassers' report in another part of this paper. Let us do all in our power to encourage these self-sacrificing workers.

Miss Mary Crampton is spending the summer at home with her mother at Marine City. She expects to take up her work again with the Southern Publishing Association in the fall.

### M. V. and Educational Notes

The following Senior Missionary Volunteer societies are on the Honor Roll for having sent in their second quarterly report by July 10: Joliet, Aledo, Brookfield, Aroma Park, Sheridan, Elgin, Streator, Rockford, Moline, Chicago—West Central, S. Scandinavian, N.

German, Dearborn St., Humboldt Park, N. Swedish. The Junior M. V. societies on the Honor Roll are: Aurora, Humboldt Park, Galesburg, Aledo, Harvey, Kingston, Joliet, and Hinsdale.

A few M. V. Society secretaries have not sent in the second quarter's report. Please attend to this at once. In case new M. V. Society officers have been elected, be sure to send these new officers' names and addresses to the conference M. V. secretary.

There were from twenty-five to thirty-five junior boys and girls (between ages twelve and sixteen) at the camp meeting recently held at Berwyn. The special meetings held for them were well attended and all seemed to receive a blessing. The junior boys had their "Busy Bee Scout Band," and the girls their "Sunbeam Band." All were busy volunteers. The girls made one dozen raffia baskets which were sold in the large tent for thirty dollars toward their M. V. India goal.

The following persons passed in one of the Standard of Attainment subjects in the May examination: Ruth Johnson, Ellen Carlson, Albert Nadig, Helen Payne, Martha Brown, Esther Enquist, Mrs. Emma Ihlen, Bernice Joseph, Gladstone Forde, Yula Paul, Ehebert Forde, Zilde Forde, Cora Griffin, Reginald Kimbrough, Florence Griffin, Bernard Paul, John Nolan, Clarence Forde, Margaret Hansen, Mrs. H. Mortenson, Mrs. P. T. Hjelle, Mr. P. T. Hjelle, Marian Puels, Mrs. E. Sorensen, Melvin Durland, A. L. Yakovenko, Einar Thuesen, Jeanette Durland, Purnell Swartz, Wilma Paulson, John Corey, Albert Taylor, Horace Paulson.

The following persons received Standard of Attainment certificates during June: Ellen A. Richards, M. D., D. R. Devereaux, Minnie Peterson, Rose Kozel, Hannah Ryberg, Emma Anderson, Byron Young, Nellie Marsh, Violet Rank, Vivian Shull, Ilott Vickery, Victor Marsh, Arnold Lundmark, Arvid Anderson, Helen Wolfson, G. D. Bennett, Mrs. F. E. Endriss, and Mrs. Albert Nadig.

Now is the time to prepare for the December examinations in Bible doctrines and denominational history. Elder MacGuire's new Standard of Attainment Manual (fifty cents) and the "Great Second Advent Movement" (sixty cents, in paper) are just the textbooks needed for this study. Order from the tract society. The Junior S. of A. Manual (five cents) is to help the children in their preparation for S. of A. membership.

The great drive for Christian education is now on in this conference. Our goal and slogan are "Every Seventh-day Adventist boy and girl in our schools" and "Every Seventh-day Adventist home visited in the interest of the boys and girls." Elder Schilling, Elder Webster, Professors Avery and Steen, and the conference educational superintendent will give their time to this work this summer.

There is being sent to each church enough copies of the campaign number of the *Christian Educator* to supply each family with a copy. Read this carefully and send in your subscription to the tract society. A subscription blank will be found inside of each copy.

Each home is to be supplied with a service poster recording by stars the number of children and young people from that home who are receiving a training in a Christian school. If any home is overlooked by our personal

call, write to your conference superintendent who will supply you free of charge.

If there are those young people who would like to earn a scholarship for either our academy or College during the remaining vacation weeks, they should correspond with either Mr. W. A. Bergherm or Miss Sadie Godsey, 116 North California Avenue, Chicago.

Miss Harriette Schadiwy is the first person in the Northern Illinois Conference who has reported as having completed the reading of all the back reading courses. She has read both senior and junior courses, numbering twenty-one and including sixty-five books. Several others are reading, as fast as opportunity permits, all the back courses. If these find they cannot obtain some of these books, the conference circulating M. V. library will supply the books as far as possible. The reader will only pay postage both ways.

Lucile Bradfield, of the Humboldt Park church school, has the record of being neither absent nor tardy during the entire school year. Florence Karr, Clotilde James, Arnold Schildknecht, and Walter Roeper of the North Side school Chicago, have no tardiness on the record book for several years back.

Elder MacGuire spent a Sabbath in Chicago recently. The inspirational talks given at the South Side and West Central churches by him will not soon be forgotten.

### Indiana Conference

Office Address, 417-421 Castle Hall Bldg., 230 E. Ohio St., Indianapolis, Ind.  
President, Wm. A. Westworth

### Our Annual Camp Meeting

The time is rapidly drawing on when our camp meeting and conference will be in session. We are glad to report that a number have sent in their orders for accommodations during this most important season. We urge our people to get in their orders for tents and equipment just as rapidly as possible, and we do hope and pray, brethren and sisters, that there will be a most serious effort made on the part of every one to attend this meeting. The developments in our own conference, as well as the conditions that prevail in the world today, surely make it very essential that just as many of our people as possibly can do so, attend

this meeting. There are some instructions of which we will not write, which must enter into the counsels of this meeting, and we believe that in view of the prospective compulsory military training in our schools, and in view of the holding of schools six days in the week instead of five, that our people should rally to this council with the determination to do their part in finishing the work.

#### Camp Ground

In reply to several inquiries, we can say that the grounds that have been secured, afford plenty of shade, and are dry. We do not think that it will be necessary for all to have full floors laid in their tents, as we have a very fine close sod, well drained upon which to pitch our tents, though we have the assurance that we shall be able to get whatever lumber we desire.

#### Trains

We are pleased to announce that the limited trains, as well as the local traction trains, will stop at the Fair Ground entrance. The limited trains, however, will stop only where the ticket is bought north or south of Frankfort. They will not stop at the Fair Ground gate for Frankfort passengers. But, for all of our brethren and sisters who come from points north or south of Frankfort, by speaking to the conductor on all electric cars on the T. H. I. & E., can be let off, with their baggage, right at the Fair Ground entrance.

#### Baggage

We would also be glad to have our people note that the checks for baggage for those coming in over other lines, should be brought to the camp ground. Arrangements have been made to have all baggage handled at a very reasonable rate for those who bring their checks to the bookstand. Remember this.

#### Musical Instruments

It is especially requested that all who are coming to camp meeting, who can play any musical instrument, bring the same to camp meeting to take part in the music which will be under the direction of Professor Summers. We would also be greatly obliged if those who can come and bring their instruments, will drop a card to Professor Summers, 417-21 Castle Hall Bldg., Indianapolis, Ind., stating what instrument they play, and when they can be expected to be on the camp ground. Kindly cooperate with us in making the musical feature of our camp such as will be attractive, and help along in our work of soul-winning and in our efforts to praise our Maker's name.

#### Young People

We trust, brethren and sisters, that an earnest effort will be made to have the children and young people on the grounds early, as special plans are being laid out to make the service for these classes of special importance and interest.

Let us all rally to this call for our annual meeting, believing that the the Lord Jesus will be with us to grant us the help that we so much need.

W. A. WESTWORTH

### Fort Wayne

We began meetings on the east side of this city June 2. We found that we had located in a community of

Catholics and Lutherans, and after holding meetings here for nearly three weeks it seemed best to seek another location. This effort was not in vain, however, for one new member from here attended Sabbath meeting, and two or three others are about to take their stand with us.

We are now located in the west part of the city, where we have a fairly good attendance every night. We shall continue our meetings until July 30, when we must take down the tent for camp meeting.

M. J. ALLEN  
G. S. LIVINGSTON

### The Work at Lafayette

We started our meetings in this place June 2. The first Sunday night the large camp meeting pavilion, which we are using for our meetings, was filled and hundreds were turned away, while more than one hundred and fifty stood, or sat in automobiles around the tent during the lecture. The subject for the evening was "The Kaiser Doomed, if World Empire is His Ambition." The people are eager to learn what the Bible has to say about the condition our world is in. The public in general will give an attentive hearing to any who have a Biblical explanation of the serious conditions we are facing. The people of this old, sin-cursed earth are groping in darkness, hoping for the best and fearing the worst. The clergy as a body are not giving their congregations a satisfactory explanation of the many disasters that occur every day on land and sea. "Men's hearts are failing them for fear, and for looking after those things which are coming on the earth." There was never a time in the history of our denomination when our evangelists could get a better hearing for our doctrines than they can get now.

We have already had thirty articles, that will average five hundred words each, in thirty different issues of the daily papers. These articles were all free. They have given us excellent headings, and placed the articles in good positions in their papers. The articles have stirred the thinking people. We had people in attendance at our Sunday night meeting who lived twenty-five miles in the country. They had been reading our articles and had come to hear Elder C. L. White preach on "Who Changed the Sabbath."

We have a few who are keeping the Sabbath, and many who are interested, and very desirous that we come and explain our truths to them in their homes.

We have only three more weeks in which to hold meetings before camp meeting, and we ask the prayers of all, that many of the honest souls here will accept this truth as the result of this effort.

ENNIS V. MOORE

### Indiana Conference

The forty-fifth annual session of the Indiana Conference of Seventh-day Adventists, will be held in connection with the camp meeting at Frankfort, Ind., August 8-18, 1918, for the election of officers and the transaction of such other business as may regularly come before the conference. Each church is entitled to one delegate, without reference to numbers, and one

additional delegate for each fifteen of its membership. The first session will be called Friday, August 9, 1918, at 9:15 A. M.

W. A. WESTWORTH, *President*  
O. G. ALBERT, *Secretary*

### Indiana Conference Association

The Indiana Association of Seventh-day Adventists will hold its regular annual session in connection with the conference and camp meeting, to be held at Frankfort, Ind., Aug. 8-18, 1918. The first meeting of the association will be called on Monday, Aug. 12, 1918, at 9:15 A. M. ## Second Report

Two weeks have now passed since our first report. We are pleased at the progress that has been made. One conference has its proportion of the Educational Fund complete.

Wisconsin reports the appointment of Brethren Ferris and French to tour the conference in behalf of the work in their field. We trust the good people of Wisconsin will receive the brethren warmly and respond liberally to their pleas for the help of our young people.

The report by conferences now stands as follows, so far as reports have come to me:

	College	Local	Pledged to date
West Michigan	\$16,000	\$16,000	\$3,804.50
East Michigan	16,000	9,000	1,200.
North Michigan	4,500		1,000.
South Wisconsin	9,000	10,000	2,000.
North Wisconsin	3,000	12,000	700.
Northern Illinois	9,000	5,000	1,700.
Southern Illinois	4,500	1,000	5,888.50
Indiana	9,000		
College	5,000		2,000.
	\$75,000	\$53,000	\$16,293.

At our Union committee meeting July 31 we hope to get plans perfected by which many of our youth may be benefited. Facts were presented at the late council at Washington which greatly emphasize the need of training our boys. The influence of these boys is being felt in the army. Some boys have been converted as a result of the earnest lives of our boys. We should have a large number of these young people in training this fall.

WILLIAM GUTHRIE

## Our Summer School

The summer school will be a little more than half over by the time this issue reaches its readers. The enrolment at this writing is seventy-three. Nearly all of these are under appointment to teach.

Never was there a better spirit manifested by a company of workers. The unsettled condition of things incident upon the remodeling of the college building has caused no discontent. All are taking hold of the work at hand with a will.

The commercial room has been seated and is being used as an assembly room and chapel. Other classrooms on the same floor, which have not been disturbed in the remodeling, and the training school are used for class work.

Doctor Banks, traveler, explorer, and archaeologist, gave two highly instructive lectures on the evenings of the 17th and 18th. His subjects were "The Bible and the Spade" and "1,000 Miles up the Tigris." These lectures were well calculated to establish faith in the prophetic and historical portions of the Bible.

The summer school institute will be held according to announcement, August 8-11, at which time we have the promise of help from the General Department.

Lake Union Conference teachers' examinations will be conducted on Monday and Tuesday, August 12 and 13. At this time applicants may write for any grade of certificate issued by the Lake Union Conference Educational Department, namely: Third Grade, Second Grade, First Grade, and Professional.

C. A. RUSSELL

## Emmanuel Missionary College

For the first time since school closed the college chapel was in use again this week. The large rostrum has been removed and the pipe organ is out, so that with a small platform the room will hold about fifty more people than before. One has to watch out for the pillars, however. Sabbath school and church are being held in the chapel now.

Joseph Nixon and wife were here for a few days this week packing their goods. They are going to be in a tent effort in Kankakee, Ill., with Will Harris, another former student of E. M. C.

President Griggs and Mr. Green were in Chicago Sabbath, at an educational rally held there.

Miss Klooster, our matron, left Friday for a ten-day vacation at her home in Chicago. Miss Graf went with her and will spend a few days there.

Raymond Shafer, a last year's student now in uniform, was here Sabbath. At the young people's meeting he gave a very interesting account of his experiences in the army.

D. K. Royer, of the West Michigan office, and his wife were at the College Friday and Sabbath. He is on a trip among the churches auditing the books.
