"However meager be my worldly wealth,
Let me give something that will aid my kind:
A word of courage or a thought of health,
Dropped, as I pass, for troubled hearts to find.
Let me tonight look back across the span
'Twixt dawn and dark, and to my conscience say,
Because of some good act to beast or man,
'The world is better that I lived today.'"

Suggestive

Information just received from Chicago acquaints us with the fact that one of our tents has been taken down by the authorities. Had it been the German tent we would have believed it due to sentiments arising as a result of the war. It was the Italian tent, however, that was taken down, and inasmuch as it was pitched in a strongly Catholic section it seems to indicate a feeling on the part of that denomination. There was but one sermon preached in the tent before it was taken down. At that time all was quiet inside the tent, but I am told that it required a man outside for each guy rope to prevent them from being cut. In spite of these facts the meetings were declared to be a nuisance.

Our brethren believe in this country as a land of liberty and for this cause are making a test case of this. There seems to be no law to prevent meetings being held in the Italian language, yet this privilege has been denied by men who seem to be more prejudiced than fair. Justice is falling in the streets and equity does not enter, at least in this case. This is a foretaste of what will come in the future, as outlined in the prophecy. What we have not done in times of peace we must do in times of trouble. It is time to be clothed with the armor of God.

"I heard those clothed with the armor speak forth the truth with great power. It had effect. Many had been bound; some wives by their husbands, and some children by their parents. The honest who had been prevented from hearing the truth now eagerly laid hold upon it. All fear of their relatives was gone, and the truth alone was exalted to them. They had been hungering and thirsting for truth; it was dearer and

more precious than life. I asked what had made this great change. An angel answered, 'It is the latter rain, the refreshing from the presence of the Lord, the loud cry of the third angel.'

"Great power was with these chosen ones. Said the angel, 'Look ye!' My attention was turned to the wicked, or unbelievers. They were all astir. The zeal and power with the people of God had aroused and enraged them. Confusion, confusion, was on every side. I saw measures taken against the company who had the light and power of God. Darkness thickened around them, yet they stood firm, approved of God, and trusting in Him. I saw them perplexed; next I heard them crying unto God earnestly. Day and night their cry ceased not: 'Thy will, O God, be done! If it can glorify Thy name, make a way of escape for Thy people! Deliver us from the heathen around about us. They have appointed us unto death; but Thine arm can bring salvation.' These are all the words which I can bring to mind. All seemed to have a deep sense of their unworthiness, and manifested entire submission to the will of God; yet, like Jacob, every one, without an exception, was earnestly pleading and wrestling for deliverance.

"Soon after they had commenced their earnest cry, the angels, in sympathy, desired to go to their deliverance. But a tall, commanding angel suffered them not. He said, 'The will of God is not yet fulfilled. They must drink of the cup. They must be baptized with the baptism.'

"Soon I heard the voice of God, which shook the heavens and the earth. There was a mighty earthquake. Buildings were shaken down on every side. I then heard a triumphant shout of victory, loud, musical and clear. I looked upon the company, who, a short time before, were in such distress and bondage. Their captivity was turned. A glorious light shone upon them. How beautiful they then looked! All marks of care and weariness were gone, and health and beauty were seen in every countenance."—*"Early Writings," pp. 271-272.*

"How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, 'Thy God reigneth.'" Isa. 52:7. May the Lord find us giving meat in due season.

Emmanuel Missionary College

We have been very much delayed this year in bringing out the catalogue of our school; however, it is now ready for distribution, and we are sending it to the names which we have on our mailing list. There must be many who should receive this catalogue whose names we do not have. So if those desiring the catalogue of Emmanuel Missionary College do not, within

the next few days receive it, they should write for it and it will be mailed immediately upon receipt of the request,—also if those who know of young people, who might be interested in the College, will send us their names and addresses we will take pleasure in writing them and sending them the catalogue and other advertising matter of the College. It will benefit these young people to attend Emmanuel Missionary College.

Now, just now, is the time when young men and women should give most earnest thought to their school work this coming year. Every one who has not taken a good course in one of our schools in preparation for gospel service should enter this year. Our young men and women must place themselves under influences which draw toward such service. We are such creatures of influence, that unless we place ourselves in an atmosphere in sympathy with our highest and best ambitions, we are drawn away from them.

The call for workers in the cause of Christ is so loud and so imperative that it should be heard by every one. The response to this call will, of course, mean in many cases self-denial but it will yield very large returns for any sacrifice that may be made. So we trust that every young man and woman in the Lake Union Conference, who should be in attendance at our Union Conference training school, Emmanuel Missionary College, will be here this coming year.

Let us hear from you.

Sabbath School Notes

The following schools reached an amount on the last thirteenth Sabbath, that averaged one dollar per member, and are therefore placed on the Honor Roll: Northshore, West Central, German No. 2, South Side, Aledo, Aroma Park, Belvidere, Elgin, Joliet, Kankakee, Moline, Pontiac, Stockton, and Watseka.

The West Central, Northshore, and German No. 2 schools are placed on the Honor Roll for the first time. We appreciate the hard work done in these schools to reach this goal. We hope to have every Sabbath school in Northern Illinois on the Honor Roll before the close of 1918.

Moline averaged more than two dollars per member. Their membership is seventy-six and their thirteenth Sabbath offering was \$169.51.

These are some of the children who repeated all the Memory Verses last quarter, without any help, and they told where each verse was found in the Bible:

Rockford—Neita Holmes, Dorothy Nelson, Oscar Holmes. Englewood—Lester Johnson. Swedish No. 1—Rose Skowbo. Humboldt Park—Margaret Murman, Vivian Steen, Myrtle Christian, Asta Christian, Florence Friels, Lillian Johnson, Elsie Fritz, Ethel Fritz. West Central—Homer Perry, Lucille Bradfield, Ethel Friels, Florence Friels, Grace Sheets, Ruth Sheets. Hinsdale—Delbert Hess, Elden Thompson, Lula Wine-land, Helen Swanson. Other names will appear later.

Forty members studied their Sabbath school lesson every day last quarter in the Dearborn Sabbath school.

There were seven members in the West Central school that did the same.

The conference Sabbath school secretary visited the Aledo and Seaton schools July 13, the Bohemian and West Central schools July 20.

"There Is Danger in Delay"

"We are to present the word of life to those whom we may judge to be as hopeless subjects as if they were in their graves. Though they may seem to be unwilling to hear or to receive the light of truth, without questioning or wavering we are to do our part.

"There is danger in delay. That soul whom you might have found, that soul to whom you might have opened the Scriptures, passes beyond your reach. Satan has prepared some net for his feet, and tomorrow he may be working out the plans of the arch-enemy of God. Why delay one day? Why not go to work at once?"—*Volume VI, p. 443.*

Dear reader, do you catch the import of this quotation? It means that if you fail to heed the call of the Lord, precious souls whom you might save will be lost. The above quotation is enough in itself to bring home to us the pressing need of the hour. We must either reply to the above question now by hastening to enter the Lord's work, or we must answer to our neglect of the call when the Lord of the vineyard comes. Some are taking their places in the work. Hear some words of cheer from them.

Brother Claude Morris sends in a good report of forty-seven hours, and orders amounting to \$104.85. He says, "I am sure that God will bless our efforts this year if we are faithful." An accident prevented Brother Morris from going to the field immediately after camp meeting.

Brother Wheeler, sending in a report of forty-three hours, and orders amounting to \$142.65, says, "Our Heavenly Father has given me many blessings. He has sent the angels to prepare hearts, as you will see by the report. All praise to His name."

Sister Jewell Hanson, just starting with "Our Day," says, "How good it seems to be back in the canvassing work again. I believe that we are representatives of this truth, and leave lasting impressions in the homes, even if we do not place books in all of them".

Sister Alice Hanson, working in Pierce County, reports that her courage is good and says, "This surely is a great work, and I am glad to be in it."

Brethren R. O. and E. H. Cheever, working in Rusk County, report good success. Brother R. O. Cheever writes: "After staying all night with a family, and telling them that I was a Seventh-day Adventist, I introduced my book. When I had finished the canvass, the man took the book and looked at it saying, 'This book presents things just as I feel,' and immediately ordered one." Brother R. O. Cheever's orders in thirty-two hours, amounted to \$51.50.

Sister Anderson, in Taylor County, after working thirty-two hours had received orders amounting to \$56 for "Our Day." She says, "I am of good courage, and my strength and health are in the Lord. He will guide and keep me. Without Him, I could do nothing."

The workers are rejoicing because of the splendid summer's work. Dear sister and brother, please heed the instruction given in the quotation at the beginning

of this article, and write me immediately concerning book and territory. Do not delay. Time is precious. Many souls are to be saved and characters are to be developed in this work. May God help you to decide immediately in favor of the Lord's appointed work.

News Notes

We are sorry to announce to the readers of the HERALD the death of Sister A. C. Allen of the Portage church. Sister Allen died Friday morning, July 19, and was buried the following Sunday. Elder C. S. Wiest officiated.

We also regret to report the death of Gust Jones, the husband of one of our sisters in the Green Bay church. Elders Hicks and Ferris conducted this funeral service, which was held on Sunday, July 21. These broken families need our sympathies and prayers.

Elder Wiest met with the Oxford church, Sabbath, July 20. Sister Bell was there on that day, and they report a profitable time with the church. At this time the quarterly meeting was held. On the same Sabbath Elder Ferris met with the Fish Creek church for quarterly service.

The Raymond church received a visit from Elders French and H. R. Johnson, who have been working in the interests of the Educational Campaign.

The tent effort at Milwaukee opened on Sunday night with a good attendance. Other efforts at Sheboygan, Watertown, and Almond all report a good interest.

Miss Bell reports bright prospects for the new Missionary Volunteer society at Oxford.

Sabbath School Rally Day will be observed throughout the conference on August 10. Programs have been sent to the superintendents and every school is expected to observe this day.

News Notes

Mrs. Gladys Pool Harrison has gone to Battle Creek where she will spend the rest of the summer. Her husband, Russell Harrison, is at Camp Custer.

Mr. Thiele spent Sabbath with the churches at Saginaw and Bay City. He reports the Saginaw church as having one of the best war gardens he has ever seen, a plot of ground several blocks in length adjoining the church and furnished them by the city. The Bay City church is carrying on a strong campaign with "World War" and "World in Perplexity," in which most of the members are taking part. They hope in this way to help in the payment of their church debt.

Mr. Clarence Jorgensen, of Wisconsin, who is visiting automobile manufacturers in this part of the state, spent the Sabbath with the church at Holly.

On the evening of July 15, at the home of J. N.

Brant, elder of the Lansing church, a goodly number met in a farewell reception to Elder L. T. Nicola, who has greatly endeared himself to the people of Lansing during his stay there, and who is soon leaving for pastoral work at Grand Rapids, Mich. Some small tokens were given him, and a very pleasant and profitable time was enjoyed by all. The company was also pleased to welcome the new pastor, Elder Parkhurst at the same time.

Professor Steen stopped at Holly over Sabbath on his way to Washington, D. C. He expects soon to leave for South America. All will miss his smiling face, but our best wishes go with him to his new field.

Are you a subscriber to the *Review and Herald*, and the LAKE UNION HERALD? If not, why not?

Elder Clark visited the tent efforts at Otisville, Mt. Clemens, and Port Huron recently, and the work seems to be going well at each place.

Notes

Preparations for our camp meeting are going along nicely, and the word that comes to us from various parts of the state, indicate that we will have a goodly number of our people in attendance. We are pleased at the responses we are already receiving, and we do trust that every Sabbath-keeper in the conference will do his utmost to be present at this important gathering. The times in which we live, the strange circumstances that are developing,—some of them peculiar to the state of Indiana,—the intensity of the times, all indicate the great need of God's people coming together for counsel and seeking Him that our work may go forward unhampered during the coming year. We trust, moreover, that as many as possible will come to the camp meeting, planning to stay all through. Don't be contented to merely run down for the Sabbath days, expecting that you will be able to get the full benefit of the entire feast by simply coming at these times. There will be opportunity for several to assist in paying their expenses by working in the dining room and kitchen. We shall be very glad to hear from any who can assist along these lines. Please write to the undersigned immediately, at the conference office.

We have been pleased to note the goodly attendance at our various tent efforts. It has been the privilege of the writer to visit the tent companies at Anderson, Lafayette, and the efforts for the white and colored people in Indianapolis during the past week. At each of these places the outlook is very encouraging, and we believe that there will be a large ingathering of souls as the result of the faithful efforts put forth by the brethren and sisters in charge.

A visit to the Lafayette sanitarium during the past week, showed us the nurses' dormitory almost entirely finished, and already being used to accommodate a number of our nurses. We trust that before long we can report the building entirely finished. Several patients are also in the new addition to the main building. The walls are all up for the new heating plant

and laundry, and the brethren are now busy putting on the roof. This we believe is one of the most important and advantageous improvements made to the sanitarium plant, and we believe that it will add greatly to the efficiency of this institution.

The call of the country has occasioned another change in our office force. Brother Albert Nelson, who has been acting as our bookkeeper, was obliged on account of the draft call, to discontinue his services with us. We were very loath to see him leave. His work has been taken up by Miss Sweet, who has been acting as secretary to Miss Shepard, and in her place we have secured the services of Miss Helen Gettys of Hartford City, Indiana.

We are pleased to announce that word has come to us that at our coming camp meeting, we shall have the help of all our general men from the Union, while the General Conference will furnish us the assistance of Elders G. B. Thompson, M. N. Campbell, and Prof. C. L. Benson. We are sure that our brethren and sisters will be pleased to get this information, for these men are all men who will bring us much help.

Sabbath School, Educational

The following Sabbath schools reported by July 5, thus placing their schools on the Honor Reporting Roll: Grass Creek, Jasonville, Evansville, Jefferson, Middletown, Elnora, Hartford City, Greenfield, Mt. Zion, Mt. Vernon, Marion, Kendallville, Pleasant View, Montpelier, Connersville, North Vernon, Barbers Mills, Elwood, Wolcott, Monon, Ligonier, Rochester, Unionville, Logansport, Cassville, Kokomo, Honey Creek, Ft. Wayne, Fortville, Salem, Waldron, Wabash, Indianapolis (colored), Boggtown, Indianapolis (rural), and Jonesboro. Surely all the other reports will come in promptly.

Of these schools, Barbers Mills, Academy, Elnora, Fortville, Ft. Wayne, Greenfield, Indianapolis (rural), Jasonville, Jefferson, and Jonesboro have gone over the top for missions. Indianapolis (rural) stands at the head, being \$148.21 over its goal. Ft. Wayne is second with \$38.66 past the mark. Each school will report its seven months' mission work at camp meeting. Be steady, mission climbers.

Sister Adah Graham moved to Danville recently. Studying the Sabbath school lessons alone was lonesome work so the neighbors and friends were invited in. The attendance now is from fifteen to twenty each week.

Linton has a branch school at Lyons. Cassville is a branch to Kokomo. May these lesser lights continue to shine until many are gathered into the church fold.

Most of our sisters are working loyally for the I. W. A. Fund. Only nine churches have not responded to the call. Surely they will before camp meeting.

Eighty-five boys and girls have reached the fifty cent goal for the Academy Chair Fund, and of these the following have given \$1 since the last report: Irene Coltrell, Mildred Sigler, Emerson Sigler, Willie Lutenberg, Lola Cooper, Dale Holland, Maurice Nash, Robert Bish, Murrell Mellinger, Ruth Byers, Chas. Niemeyer, John Hosford, Vera Brown, Dorethea Rose, Jack Griffith, and Reese Zirkle. Seventy-two dollars

and eighty-four cents has been reported on the \$300 Chair Fund. Surely no school will fail to reach its goal by camp meeting. Indianapolis (colored), Jasonville, Marion, Muncie, and Wolf Lake schools have given their quota. Which school will be next?

Boggestown: I visited this school on the thirteenth Sabbath and found all alive in the work. They nearly tripled the offering of the previous thirteenth Sabbath.

Anderson: It was encouraging to greet so many new faces at this Sabbath school. Twenty-five members have been added during the quarter. You will find this school on top for missions by camp meeting. Definite plans are being laid for the church school for next year.

Jonesboro: I found this school wide-awake for missions, having passed its goal by \$23.29. The church is being painted this week. It is a neat place of worship. Surely heaven is pleased to see these improvements, and adds a special blessing.

Marion: A blessed spirit was in the meeting Sabbath and practically every one present voted to establish a church school. Only one of a high standard is wanted, so the committee began laying plans at once for a new church building with schoolroom added. How happy we are to add this new school to our list for it means a large band of boys and girls to receive a Christian training.

Eight of our eighteen teachers who are already engaged for next year are at summer school. Let us pray that the new workers joining this faithful, earnest corps may receive instruction which will well fit them for the *best* work man can do—teaching the lambs of the fold.

Educational Day for West Michigan

Sabbath, August 3, has been set apart by the General Conference Committee as Educational Day in all of our churches. I hope that the West Michigan churches will feel free to enter heartily into this suggested plan. There are decided reasons for our agitating this question of education in our midst at this particular time. In all of our conferences we have agreed to give it the front place in our work during this summer. I had hoped to be able to assign our workers to the churches so that ministerial help might be furnished for nearly all of the churches for this date. But in going over the list I find that with the special efforts that are in progress, and considering the fact that as far as possible the ministers in the conference will already be with some of the churches, we could make no improvement upon the present state of things and allow our workers to reach the churches that they will naturally be with without any special arrangement.

I wish to appeal to all conference workers in every department to give whatever aid possible to bring about a general awakening in educational lines during the months to come. Especially should we endeavor to assist in making Sabbath, August 3, an occasion of real profit and encouragement to our people in this line. When all the people apply their minds and their hands to a definite object and a definite work and lift unitedly, something worth while will be accomplished. I hope that we may have the free and hearty cooperation of all.

With the Tents

I had opportunity to visit the tents at Paw Paw, St. Joseph, and Scottdale during the past week and it is cheering to hear of the good interest they have. At Paw Paw, Brother Orva Lee Ice and Brother Grant Hosford are presenting the message to a full tent every night. The same people are out each evening. As the boys supplement the public service with house-to-house work and a liberal use of literature and prayer, God will bless their efforts and add to the His fold such as shall be saved.

I also found Elder Serns and his helpers full of courage in the work at St. Joseph. A good interest is being manifested by the best class of people. His tent is well filled at each service. Miss Grace Amadon is assisting in the music, giving free service for the benefit of the meeting. Such kind deeds will be rewarded.

At Scottdale Elder R. U. Garrett and Brother H. O. Butler have their tent pitched by the St. Joseph-Niles road. It is a very busy time for the country people in the berry district, but still their attendance is very good and they hope for some believers at this point. Surely it is time to call the attention of the warring world to the value of a Christian life. Pray for these

dear workers that the Lord may make them true Christian patrols in their service to God and man.

Galien

We are nicely located here in Galien, on the main street, very near the business section, on the old ball grounds. Our meetings started Wednesday, July 17, with a good attendance, and already some are interested.

Pray for us, and that many here may decide to "keep the commandments of God and the faith of Jesus."

Paw Paw

The way has been providentially opened for work to be done in Paw Paw. Brother Hosford and I have secured a good location on Main Street for our tent, and the city officials were good enough to give us our lights.

This place has been considered a very sterile field, with giants and fenced cities of indifference. But the Lord has been our strength, and by His grace we go forth to carry the message of a soon-coming Saviour. The tent is well filled every evening and a lively interest is manifested. We look forward to definite results. Both papers have kindly given us a column of free space and we are using these to good advantage. We earnestly solicit the prayers of every soldier of the cross that we may take Paw Paw for Christ.

ORVA LEE ICE

To the Friends and Patrons of Cedar Lake Academy

I am writing to the friends and patrons of our school in order that they may become better acquainted with the work here.

At the meeting of the Cedar Lake Academy Corporation on the camp ground June 21 the following resolutions were adopted:

"WHEREAS, There is a great demand for educated and trained Seventh-day Adventists in the home field and abroad, and

"WHEREAS, There are in the West Michigan Conference many young people who should be taking advantage of the Christian education and training offered in our academies, and

"WHEREAS, The Cedar Lake Academy, being the academy of the West Michigan Conference, is the natural, logical, and proper place for our boys and girls of academic grades to obtain their education; therefore,—

"We recommend, That our ministers, Bible workers, educational secretaries, teachers, parents, and all laymembers put forth definite efforts this summer to encourage these boys and girls to attend our academy the coming year.

"WHEREAS, The dormitory accommodations last year were strained to the limit to accommodate an enrolment of fifty-one home students, and

"WHEREAS, The educational campaign this summer

will doubtless result in a large increase over last year in the number of students enrolled in the academy, and

"WHEREAS, The facilities and equipment of the school are altogether inadequate to meet the needs of an efficient Seventh-day Adventist academy; therefore,—

"We recommend, That the board be requested to provide the necessary accommodations and equipment to care for the prospective students and to enable the teachers to do efficient work in their classes."

In harmony with these resolutions the academy board in a session held at this place July 2 voted some definite and much-needed improvements for the accommodation of our students. In the past we have had but one dormitory for boys and girls, and this has been crowded to the limit. We have now purchased a large stone house adjoining the academy property in an ideal location for a boys' dormitory. We are making a few necessary changes in this building and expect to have it ready for the boys by September 11. We are planning to build a cottage where we can place any student in case of sickness, and thus avoid contagion. We are building an addition to the basement of the girls' dormitory for a new furnace and coal room, and enlarging our dining room to include the old furnace room and laundry. Other minor improvements are being made where necessary.

Our lighting plant and water system are really inadequate to the needs of the school, but we are content to wait for these improvements until the remainder of the educational fund has been raised. We feel sure that our people are all going to rally to the support of our educational work and assist all they possibly can on this fund.

The rates charged students in our schools are figured on a basis of actual operating expenses. For several years past the rates have remained practically the same in spite of the advancing prices in all commodities and a small necessary advance in teachers' salaries. This year, in harmony with the General Conference recommendation, our schools are slightly increasing their rates. The exact rates may be found in our new calendar. If you do not already have one, write us.

The expense for the average dormitory student for the coming year will run \$180 to \$200. This money will be paid in six payments, one payment at the beginning of each six-week period during the school year. Each student will be asked to make a deposit of \$30 at the beginning of each six weeks, and if there is any of this left after his expenses are met it will be credited on the next payment, and if there is a shortage it will be charged in with the next payment. In addition to cash charges each student in the dormitory is expected to work one hour a day. In the past some of our students have been able to earn part of their expenses, and we expect to have work so some can do this in the future. Many of our students, however, find that when they prepare their lessons and work one hour, their time is quite fully taken up.

I am very glad to announce to those who are especially interested in music that we have secured the services of Mr. G. Earl Snyder of West Virginia as music instructor for the coming year. Mr. Snyder has had twelve years' experience in teaching music. He

was graduated from the Wittenburg Conservatory of Music, Springfield, Ohio, in 1908. He was assistant director in that institution for three years and director of the Metropolitan School of Music, Springfield, Ohio, for another three years. For a number of years he has conducted a private studio.

We are hearing from a large number of students who are planning to come to C. L. A. this fall, and it makes our hearts glad. The Lord is calling our youth, but they cannot successfully answer the call without a Christian education and training. He has planted this academy that they here may get a preparation for service. The location of our school in this quiet, beautiful section of the country is ideal.

Send your boys and girls, and do not forget to uphold us with your daily prayers.

Change of Time

On account of the leaders of our educational work being in the summer school on August 10, the regular time for the Educational Day, it has seemed best to have Educational Day in the Lake Union on August 17 instead of August 10 as in other parts of the field.

WM. GUTHRIE

Premedical

For some time it has seemed that the premedical work of Emmanuel Missionary College would not be recognized by the government. At present, however, we have the assurance that students taking this work at Emmanuel Missionary College will have the same privileges as students from any and all other schools. We shall be glad, therefore, to have students of this class at the College during 1918-19, and promise them a training such as God will approve.

Notes

I had the pleasure of a visit at Battle Creek on Sabbath, July 20. A big drive was made for the educational work that day. They set a goal for \$6,000 and raised in cash and pledges about \$5,000.

We are very grateful to our people who are so promptly responding to the call for funds. We are taking every precaution to conserve the money while making the very necessary improvements at the College. While you are reading this note a committee will be at work making the most conservative plans possible for the new buildings. As fast as the money comes in we will purchase material and thus avoid the higher prices of next year.

The new classrooms and library that are being made from the upper part of the chapel are nearing completion. The painters are now at work and all will be in readiness by September 15.

Emmanuel Missionary College

The young people's conventions and the various board meetings are beginning to bring many people to our College again. Last year's students, now in the work and here because of the conventions, are Charles Marsh, Edwin Thiele, Lawrence Jorgensen, and Amanda Perkins.

Ernest Nelson and Edwin Hanson were at the College one hour recently. Mr. Nelson was on his way to Minneapolis where he will be until school time in the fall. He expects to attend either Loma Linda or the University of Minnesota this year. Mr. Hanson is to be tent master for his uncle at St. Joseph.

Dr. Magan passed through last week on his way back from Washington. He talked to the summer school students out under the maples.

Loyal Minier and wife visited at the College a few days ago. He wears the uniform of a Y. M. C. A. worker, and travels all over the country in the interests of that work.

Robert S. Kirby, for two years a teacher in the agricultural college at Ames, Iowa, was here this week. He will be assistant in the agriculture and science departments the coming year.

The Student Movement summer issue will be off the press within two weeks. It is now being started and promises to be a good issue. There is just time enough to send in your subscription to Otto Johnson, circulation manager, if you have not already done so. If you have been taking subscriptions for the paper, kindly send them in so that the subscribers will get the summer issue.
