## Saved by Grace

'Tis the grief of my life that my love is so small  
To the Lord of my life, who is God over all;  
'Tis the shame of my thought, as I look to the cross,  
That so much of my thought is of earth's fleeting dross.

'Tis the pain of my heart that so weakly I cling  
To the Guest in my heart, my Redeemer and King;  
'Tis a weary refrain in my soul, every night,  
That so slow is my soul in its loyal delight.

'Tis the joy of my life that His love is so great,  
Such a life in my life, that my Lord does not wait,  
But over the mountains and over the sea,  
With the step of a victor, comes grandly to me.

'Tis my crown and my pride that though feeble and faint,  
There is One at my side who will own me a saint;  
'Tis my light amid gloom, and my bloom amid light,  
That the risen Redeemer retaineth my right.

I am crimson with shame when I think of my sin,  
But ah, through His name, what white robes shall I win!  
I am weak in myself, but in Christ I am bold,  
And His grace to my frailty can never be told.

O wonderful love of Messiah to me!  
O love beyond love, so triumphant and free!  
No angel above has a glory to wear  
So rich as this cross which my Lord lets me share.

—Margaret Sangster

## Harvest Ingathering

"Enlarge the place of thy tents, and let them stretch forth the curtains of thine habitation; spare not, lengthen thy cords, and strengthen thy stakes: for thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited." Isa. 44: 2, 3.

Thus spoke the prophet in the days of Isaiah and thus it is our privilege to do at this time. To enlarge our borders, however, means strong, active work on the part of all. We cannot do this with only a limited number of our people taking part. There is no phase of our work where this is more true than in the Harvest Ingathering. In order to make this a great success and inherit the Gentiles it is necessary to secure the cooperation of the largest number of members

possible in each church. If each and every member will do a little, the aggregate will be far in excess of the work where only a small minority of the members are active. More than this, it will bring new life to each individual thus engaged.

At the late council of the General Conference Committee it was voted to make our strong drive in the Harvest Ingathering during the month of September. The papers will be ready soon and orders should be sent in at once in order to have your papers by September first.

Our mission needs are greater than ever in the past. We need, therefore, to put forth our Herculean effort at this time. Souls will be won by the matter contained in the paper, by the money secured from the papers, and your spiritual grace will be increased if you take up this work with the love of souls in your heart.

There may be hard tasks to perform, but the Lord is ever present and according to your need so shall your strength be. If each individual member in the Lake Union Conference would do a little in this line during September, this Union would gain a place approved of God and praised by all the people.

WM. GUTHRIE

## Our Educational Goal

Next Sabbath, August 10, our churches throughout North America will observe Educational Sabbath. A special program is presented by the General Department. It is of readings and studies that have been carefully and prayerfully prepared. This next Sabbath should be a solemn day in our churches, for the subject to be considered is more important than any other subject that is before the people of God. The Spirit of prophecy has told us that the work that lies next to our church members, is to be interested in our children and youth. So we have no work nor duty in connection with our church and religious endeavor that stands above that to be considered on Educational Day. We should come to this day having prepared our hearts by study and prayer for its blessing.

Our goal is, "All the children of all the churches." To attain this goal every church member must work. The responsibility for the children and youth does not rest upon parents alone, but it is to be borne by all. Nothing can be more pleasing to heaven than to see all the members of all the churches united with all of the children and young people, walking together in the way to heaven. But for this to be accomplished there must be most earnest endeavor on the part of all.

An elementary school should be provided in every church where there are six members, so that all the children may have the opportunity to attend. Those who have passed the elementary grades should be in the conference academy and those of maturer years in

Emmanuel Missionary College. To bring this about no sacrifice is too great. The children and young people can materially assist in a financial way to make this possible and by enthusiastic cooperation it may easily come to pass, that every church where we have six members has its elementary school and that all of the youth above these elementary schools are in our advanced schools.

The associations and friendships formed in these schools may be of lasting good. There are no pleasanter associations, no truer friendships in all the world than are found in our church. The habits of thought and life which our children receive in these schools are bound to stand them in good stead in the dangerous times in which we are now living and in the more dangerous ones to come. Daniel "did as aforetime" in an hour of great crisis. He was true to his God when in great danger because he had been true to Him in favorable times.

So let us all work together, heartily and speedily, to the accomplishment of our educational goals—"All the children of all the churches" and "Every student a worker for Christ."

### To All Our Brethren

For a number of years we have published the Harvest Ingathering papers in several languages. After careful consideration the General Conference Committee decided that this year the Harvest Ingathering papers should be published only in the English language. Printing material is very expensive and it costs much to get out these papers. Then, too, we need to exercise care and thought lest we create opposition to the truth while gathering funds for the work. In view of present conditions it seems best to the brethren that we confine our Harvest Ingathering work this year to the *Watchman* only. But this need not, and should not, mean that our brethren who used to have other Harvest Ingathering papers, take no part in the work this year. The mission field is greatly in need of funds. One way by which we may show loyalty to our God and to our fellowmen is to bring the light of the gospel to those in darkness. Let us all order a large number of the *Watchman* and use them faithfully. We who have had our own papers in past years should be the first to begin the work with the *Watchman* this year. We should order no papers this year from the publishing house at Brookfield. Every order for papers should be sent to the tract society of our own conference.

### Literature to Every Nation

The gospel of Jesus Christ is to go to all the world. This great truth is being recognized more and more by the children of the Lord everywhere. We are now publishing the third angel's message in one hundred and twenty-four different languages and in every part of the earth. Many of these nations have sent of their children to our own country. The last Fourth of July was celebrated in Chicago by the representatives of seventy-five different nations, strangers by birth and from afar, yet loyal American citizens.

Our publishing house at Brookfield, Ill., is now handling literature in twenty-five different languages. All of this literature is devoted exclusively to the gospel of salvation. In a recent visit to our publishing house we were shown through the stock room. There are shelves and shelves of literature in many tongues—magazines, tracts, pamphlets, and books. We have been greatly encouraged to see an increase of circulation in this literature, but it should receive a much larger circulation. We must not permit the work to lag but speed it more and more. We request all our brethren to help us in this important activity.

At the recent General Conference Committee Council, Elder J. W. Hirlinger, Home Missionary secretary of the Columbia Union, was appointed to lead out in the circulation of literature among these peoples in the United States and Canada. We are glad that we can have Elder Hirlinger for this work, and we believe that all our conference tract societies and churches will give him their hearty cooperation. God has a purpose in bringing these sons and daughters from the ends of the earth to our shores. He desires them to read our literature and thus become acquainted with the truth.

### The Educational Campaign

I am sure the brethren in South Wisconsin are watching with interest the progress of the Educational Campaign.

The report up to Monday night, July 29, shows that the sum of \$5,154.75 has been subscribed to this fund. We have covered only four churches and one company. This success reveals a great willingness on the part of our people to assist in this important call that has come to us. I have personally found the brethren quite ready to respond when called upon.

There is no reason why we cannot raise sufficient money in this present financial educational endeavor to put up a boys' dormitory, and also very materially increase the fund to assist our church schools and the worthy students' fund. At present the two latter funds are set at \$1,000 each,—it should be \$4,000 each. Every family in the conference will be visited and given the opportunity to assist in the building up of the educational work. Remember there are 645 young people in our conference who should be in Bethel. Out of these only 111 attended the school last year. We must devise some plan by which our boys and girls will receive a Christian education. They must be sent to our training schools that they may be quickly prepared to take an important place in proclaiming the message of today.

If you have any Liberty Bonds we shall be glad to accept them. We have a plan by which we can use them in this educational fund. In case you are isolated, and it may be a long time before some worker can visit your home, we shall be glad to have you send in your donation whenever you have decided on the amount, and have it in hand. Let us all do our best.

C. S. WIEST

### Eau Claire and Osseo

Sabbath, July 6, it was my privilege to meet with our church in Eau Claire. It was a pleasant day, and we had good meetings. The ordinances were celebrated, and the brethren were encouraged to faithfulness in the cause of God. Of special interest was the quarterly report of the Sabbath school. There is a coming toward the perfect attendance idea. This church has also found it a blessing to set a fairly high goal each quarter for the Sabbath school offerings to missions. This goal has generally been reached. Last quarter it was exceeded by 33 per cent.

The following week I visited the isolated believers in the northern part of Trempealeau County, and on the Sabbath we met at the home of Brother Blake, seven miles south of Osseo, and on the following Sabbath at the home of Brother Kolstad, about twenty miles farther west. It made me glad to find these isolated ones of good courage in the Lord. Several of their youth are planning to go to our schools, and others are becoming interested in the truth. The people in these settlements are mostly foreigners and in sore need of the true gospel of Jesus.

P. M. HANSON

### Bethel Academy

Bethel is growing. We are glad to report that since camp meeting there has been launched a very energetic campaign among the young people and workers to encourage all of our youth in South Wisconsin to enter one of our schools. We have been pleased to notice the enthusiasm with which all have set to work, and the outlook for next year is a very large enrollment at the academy. We must not be satisfied until every boy and girl who ought to be in Bethel, is here. The Lord is not pleased if we cannot answer promptly when He says, "Where is the flock that was given thee, thy beautiful flock?" Jer. 13:20.

We are well advanced on the excavating for the new addition. The contract is let and we shall go just as fast as we can in the erection. The management at Bethel is counting on the support which our people so heartily voted at the camp meeting.

"The times demand an intelligent, educated ministry, not novices. False doctrines are being multiplied. The world is becoming educated to a high standard of literary attainment; and sin, unbelief, and infidelity are becoming more bold and defiant as intellectual knowledge and acuteness are acquired. This state of things calls for the use of every power of the intellect; for it is keen minds, under the control of Satan, that the minister will have to meet. . . .

"A higher grade of preparation is required in order to do good service for the Master."—*Volume V. pp. 528-529.*

We have come to a time when our cause is feeling a great shortage of qualified workers. Had we heeded the instructions of the Lord, we should have made better efforts to influence our youth to place themselves whole-heartedly in the work of preparing to save souls. Years ago the words were written:

"In the future there will be more pressing need of men and women of literary qualifications than there

has been in the past; for broader fields are opening out before us, white already for harvest."—*Christian Education,* p. 90.

Let us heed these words and respond with all our hearts. The Lord has said that "the work which lies next to our church members, is to become interested in our children and youth." Let us show our children that we really believe it.

H. T. ELLIOTT, *Principal*

### News Notes

The Sheboygan church has bought a neat meeting-house. The building was sold at auction, and cost \$360. The lot was bought for \$1,250, making the cost of the whole \$1,610. They need to invest about five-hundred dollars more for a place for the church school.

We are sorry to announce the death of Mr. John F. Fessler, the father of Mrs. C. D. Christiansen, one of our Bible workers.

We also mention with sadness the death of S. D. Smith, of Poy Sippi, who for a long time was elder of that church. These sorrowing families have our sympathy.

Remember the mission funds. A number of churches are behind and need to give this matter special attention.

Chas. Johnson will assist Brother Gaede at Watertown, and help in the English interest.

There will be a Sabbath school rally at Tomah, Sabbath, July 3.

The basement for the new building at Bethel is about completed.

Miss Bell, the young people's secretary, and Lawrence Jorgensen, Home Missionary secretary, attended the Berrien Springs young people's and Home Missionary convention.

### Port Huron

After the usual course of advertising, we started our meetings Sunday evening, July 14, with our tent quite well filled. At the close of the second week we find our attendance has increased. About the same ones are coming every night, and they manifest a splendid interest. We enter upon the vital points of our faith next week, and by the time you read this people will be making decisions for or against this blessed truth. We certainly shall need your earnest prayers at that time, that they may decide aright. The devil is working hard in this place, and this is a good indication that God has some precious souls here, and we mean by His help to hunt them out and bring them to the fold. Our tent is located at the corner of Thirtieth and Griswold Streets,—not very central, but on a good car line.

We have associated with us in this effort Miss Pearl Morrison, Miss Ivah Krome, and William Wilkenson of Saginaw. Do not forget to pray that God may bless us with a harvest of many souls.

### The Wabash Valley Sanitarium

#### Its Urgent Needs

The new sanitarium addition is now nearly finished. This gives us twelve pleasant rooms with private baths, as well as a beautiful sun parlor, reading and writing room, and a small lounging room. On the ground floor there is a massage room, chapel and gymnasium, and two classrooms.

While the work is nearly finished, we can use only a small part of these rooms because we have no money to finish the plumbing and the steam fitting and to purchase the furnishings. These rooms might have been ready for occupancy three months ago, but for the lack of a few hundred dollars to complete the work. I hope the Lord may impress the hearts of some who have means to help us.

In the past we have not had sufficient capacity to pay the overhead expense, so the work here has always been a source of embarrassment and perplexity to the local conference. This new addition, when properly furnished and fitted up, will put us on our feet financially and enable us to press the work on in a far more successful manner.

We would not have been short financially if it had not been for the burning of the nurses' dormitory last December. As we had absolutely no accommodations for the twenty-five or thirty nurses, it was essential that we build another nurses' dormitory without delay. This building, with the necessary heating plant, has cost us about \$5,000 more than the insurance we received. The nurses' dormitory is now practically completed, and part of our nurses are already enjoying the splendid quarters provided. If our brethren will now rally to our support and help us make up the amount we have had to spend extra on account of the sanitarium fire, we shall be able to complete the work here and come out at the end of this year without a penny of extra indebtedness because of the large and valuable improvements that have been made.

W. C. DUNSCOMBE, M. D.

### Lafayette

The work in this place is still going forward. Our midweek attendance is not as large as at the first, but we still have about two hundred who attend regularly, and on Sunday nights five or six hundred. Most of these have listened attentively to the Sabbath truth and acknowledged it as being the truth. About thirty have signified their intention of keeping the Sabbath and uniting with us. No doubt some of these will fail, but there are enough more who are deeply interested to more than keep the number good.

We are now giving the nature of man and state of the dead. By the time this reaches our readers, the tent meetings will have closed for camp meeting. We hope this will be the last time we shall have to break off a good interest for camp meeting. Our force of workers, consisting of Brother and Sister O. B. Hall,

Brother and Sister Ennis Moore, Miss Helen Woods, and the writer, are as busy as they can be calling on people and establishing them in the truth. Through the Spirit of prophecy we are told that many will accept the truth here. We expect to see this fulfilled.

After camp meeting we shall pitch the tent in another part of the city, and continue the work. We ask the prayers of God's people that the message may reach many hearts.

C. L. WHITE

### Cheering Reports

In 139 hours Brother Wm. Bergherm has taken orders amounting to \$748, \$5.38 per hour.

Brethren Aucerman, Hoffman, Berry, Fellows, and Peterson, all of whom hold responsible commercial positions, are candidates for the colporteur work. Let us pray that nothing may prevent these men from getting a good start in the work. When such men give their services to the work of God, there is plenty of evidence to assure us that the work will very soon close.

Mrs. E. G. White has written that "probation will close when we least expect it." Surely then, we must conclude that that event will come as a great surprise to many.

Brother Moore writes, "I had some real interesting experiences this week. I visited one home where Elder Spicer's daughter (Helen) sold 'Bible Readings' three years ago. I found the lady very much interested, to the extent that she desired a Bible study. She told me that she would endeavor to attend our camp meeting this year. I sold 'Bible Readings' to both of her sisters."

Brother Gibson, who sold \$80 worth of books in forty hours last week in Green Castle, writes thus of his work: "You know the Bible teaches us that in these last days Satan is going forth as a roaring lion, and we find that the more he roars the more the people realize the seriousness of the times and the more books we sell."

Brother Kaufman, because of illness in his home, has been greatly hindered in his work this year, but in spite of these unfortunate conditions the Lord has enabled him to take orders amounting to \$856, averaging \$2.50 per hour.

During the last 169 hours Brother King has taken orders amounting to \$238 in old Allen County, where Catholics and Lutherans seem to be confirmed largely in their own belief.

Fred and Roy Moat, of Crawfordsville, have begun selling "Bible Readings." While these boys are only fifteen and eighteen years of age, the Lord is demonstrating through them that boys who are consecrated to the Lord's work can sell our books.

Brother Grim had a \$60 week last week. Brother Gettys is also having excellent success in his work. Several new workers have enlisted lately, and all are doing well.

We hope that no worker will let anything hinder him from attending the camp meeting, for these solemn times demand that every individual shall avail himself of all the spiritual help possible.

#### Order Your Tents Now!

Camp meeting will be held in Wyman Park, Sullivan, Ill., August 22 to September 1, and you should send your order to the conference office at once for tents and fixtures. Prices will range as follows: (They are practically the same as last year.) Tents 14x18 (only a few), \$4; 12x16, \$3.50; 12x14, \$3. Spring cots and mattresses, 60 cents each, canvas cots, 40 cents each. Tables 25 cents, chairs 10 cents. Floor in tent will depend on size and cost of lumber. A full floor for a 12x14 tent will probably cost \$1.50. Bring bedding and a tick for straw. Straw will be sold on the ground at cost. Board will be served on the cafeteria plan. Be sure to give your baggage check to C. J. Smith or leave with H. E. Moon at the bookstand.

#### Freeburg General Meeting

I was glad to meet with a large number of our brethren in a general meeting at Freeburg, Ill., Sabbath, July 13. Several came in from Belleville and Duquoin, and the large tent was well filled when all were assembled for Sabbath school.

An all day's meeting was conducted by the writer and associate ministers, Elders Curtis, Drews, and

Brother Smith. Dr. W. C. Dalbey of Duquoin reviewed the Sabbath school. The Lord was with us and we believe that all were richly blessed.

The report has come to us that three men have been baptized in Freeburg since this meeting, making seventeen baptized this summer as a result of the meetings conducted in Freeburg this year.

We have also received word that the Lord has blessed with fruit each of the other three efforts, but we do not yet know the exact number to be baptized. The ministers are all closing their tent meetings in time to attend the camp meeting, and we believe they will bring with them rich experiences from the field.

W. H. HOLDEN

### Duquoin Church School

Those desiring to send their children to the Duquoin church school should correspond at once with the chairman of the local board, W. W. Brayshaw, Duquoin, Ill. At a meeting of the board, July 14, it was definitely decided to build a two-room schoolhouse, to employ two teachers, and to conduct a ten grade church school, which is to be supported by the local church and those moving to Duquoin for the purpose of educating their children.

The plan is for families to move to Duquoin and rent land, work in the mines, or engage in other employment, and thus keep their children at home during the first ten grades of their school life. This plan is approved by the General, Union, and local conferences. Several families have already secured homes in Duquoin for the above mentioned purpose, and we urge all, who desire to cooperate in this plan, to write Brother Brayshaw at once, because house accommodation is becoming very scarce.

### Southern Illinois Conference

The fifteenth annual session of the Southern Illinois conference of Seventh-day Adventists will be held in connection with the camp meeting, at Wyman Park, Sullivan, Ill., Aug. 22 to Sept. 1, 1918, for the election of officers, and the transaction of such other business as may properly come before the conference. The first meeting of the conference is called to convene at 9:15 A. M. Friday, August 23. Each church is entitled to one delegate for the organization, and to one additional delegate for each ten of its membership.

W. H. HOLDEN, *President*

### Goal Dollar Day

Again the Missionary Volunteers of North America are to have a special opportunity to have their Goal Dollar Day to apply on their India mission goal. The date is August 24. Material for the program will appear in a special number of the LAKE UNION HERALD. Begin now to earn and save your dollar for "pleading, bleeding India." We are some behind on our goal of \$1,920. Shall we not redeem ourselves, making up this lack by an extraordinary effort on this day?

### Educational and M. V. Notes

Plans are being laid to start church schools at Ottawa and Rockford with a prospective enrolment of fourteen and twenty pupils respectively.

An educational rally was recently held in the large tent in Chicago where Elder St. John is conducting meetings. Professor Griggs, Alma J. Graf, Rena Klooster, and Fred Green attended. Besides these representatives from the College, the following persons were present: Elder Webster, who is to visit the homes in Chicago in the interest of our educational campaign; Elder Schilling, who represented Fox River Academy, and Miss Ellen Knudson, who is to teach the Chicago intermediate school.

The chairmen of two school boards recently sent in these progressive messages: Streator—"We have received donations of about fifty books for our school library, and hope to have a good bookcase to hold these and others by fall." Aurora—"We had a meeting of the church and are planning to fix up our school along the lines suggested by the score card."

August 10 is Educational Day for the Missionary Volunteer Societies. Material called for by the *Gazette* for this program will be mailed each leader. Let us make the most of this day.

The following items show how the Northern Illinois Missionary Volunteers have succeeded in reaching half of their yearly goal by the close of the second quarter:

	Midyear Goal	Reached
Reporting members	720	507
Young people baptized	72	54
Reading Course certificates	72	164
Standard of Att. certificates	24	17
Bible Year	60	5
Youth's Instructor Sub.	432	425
Money for India	\$960	\$843.46

Has your M. V. Society reached its midyear goal?

### Moline Sabbath School

The Moline Sabbath school had an average attendance of seventy-six members for the second quarter of 1918. There were twenty-eight in the children's division and forty-eight junior and senior members. Our goal for the twelve Sabbaths was \$9 per Sabbath, and

for the thirteenth Sabbath \$150. We were truly thankful to our Heavenly Father for the good donations we received each Sabbath. We made our goal each week, and several Sabbaths our offering amounted to \$12. On the thirteenth Sabbath, when our offering had been counted, we found that we had about \$143. I asked the Sabbath school members if they were willing to make our goal all during the quarter and then fail on the thirteenth Sabbath. They unanimously voted "No." So we took up the second offering and we had \$150.85. But our offerings did not stop coming in, and when our books were closed on Sunday evening we had \$169.51, for which we say, Praise the Lord! Our donations for the entire quarter amounted to over three hundred dollars. Truly the Lord is blessing us that we may be a blessing to others in helping to give this last message to our brothers and sisters in Bengal, Burma, and South India.

### From Our Canvassers

Miss Gladys Adams writes: "One day I came to a small tile factory settlement. The foreman of the factory hunted up all the English-speaking men who worked there so that I could canvass them. I secured eight orders in a little over an hour. Some of these men are 'rolling stones' so the foreman told them it was better to pay in advance, and set the example which five of them followed. The others live there and have families." In thirty-three hours Miss Adams secured orders amounting to \$198.50.

Miss Carrie Butcher sends in the following good report: "I canvassed a family who seemed indifferent. As I was leaving, the woman came running after me saying that she wanted one of those books. We sat down on the grass and had a good talk on religious subjects."

Miss Ruth Anderson says, "I have had good experiences this week. I took two orders over the phone." Orville Endriss said one day when he was walking along the railroad track he took the switchman's order for a book in the best binding by simply showing him the book, without giving him a canvass.

Miss Gladys Shaw wrote: "I met a minister who had a copy of an old edition of 'Bible Readings.' He wrote a recommendation in my prospectus, bought a 'Best Stories,' and even offered to help deliver my books."

Dear reader, do you not want a part in carrying the light of truth to those who have never heard it? "Every church member who has a knowledge of the truth is expected to work while the day lasts; for the night cometh wherein no man can work. Ere long we shall understand what that night means."—*Volume IX, p. 26.*

W. A. BERGHERM

### Notice

Sabbath, August 10, is Educational Day. A special number of the Missionary Reading contains the program for this day. This is sent to all elders. There is also being sent to each elder one of the church service posters on which is to be recorded by stars each young person who enters the Lord's work. These should be put up in the church on Educational Day.

EDUCATIONAL DEPARTMENT

“Lessons in Newspaper Reporting”

Hardly a week passes in the life of the average worker but what something happens which would form the basis of either a news item concerning the progress of our work, or a “letter to the editor” on the signs of the times, or an article bringing in some of our doctrines. Every worker in the denomination should be able to write acceptably for the newspapers.

The Press Bureau has just published a new and somewhat revised edition of “Lessons in Newspaper Reporting.” A set of these lessons will be sent free to those of our people who will send in their request. Such requests should be addressed to Press Bureau of the General Conference, Takoma Park, Washington, D. C.

**Report Number Three**

This is the third report for the Educational Drive. With this we have some good news for all our readers. The building committee has been at work and has decided to enlarge our dormitories to care for one hundred and twenty-five young men and one hundred and fifty young women. This will be done by additions to our present buildings. In this way we can avoid building new stairways and other expensive work, securing the necessary room at a great saving of money over what one new dormitory would cost. We hope to furnish the readers of the HERALD with a photograph by the first of September showing the appearance of the buildings when enlarged.

Our report for this week is as follows:

	College	Local	Pledged to date
West Michigan	\$16,000	\$16,000	\$6,200.
East Michigan	16,000	9,000	2,500.
North Michigan	4,500		1,000.
South Wisconsin	9,000	10,000	5,154.75
North Wisconsin	3,000	12,000	1300.
Northern Illinois	9,000	5,000	1,700.
Southern Illinois	4,500	1,000	6,000.
Indiana	9,000		
College	5,000		2,000.
	\$75,000	\$53,000	\$25,854.75

This is very encouraging, for as you notice the totals you will see an increase for the past two weeks of nearly \$10,000.

Our dormitory for the young men will be a double L shape with court and entrance between the wings and fronting east toward the interurban road.

**Summer School Institute**

According to announcement, this important gathering of teachers in the Lake Union Conference will be held at Emmanuel Missionary College, August 8-11.

The first session will be held at 2:30 P. M. Thursday. Professor W. E. Howell, Educational Secretary of the General Conference, and Professor Frederick Griggs, president of the College, will take a prominent part in the program.

An earnest invitation is extended to every teacher in the Lake Union Conference to attend this institute.

**Emmanuel Missionary College**

The conventions are still going on. We can hardly keep up with the changes in the names of the conventions, but just now the academy principals and educational secretaries are here. Several of them have been students of E. M. C.

Beans are being canned in abundance at our cannery. Shortly there will be one thousand quarts of these in our cellar.

Harold Cole's parents are visiting in the village. They drove over here in their car.

Almon Balkins and Donovan Johnson will make their deliveries this week. These boys have done very well this summer and will have the benefit of a first class scholarship next year.

Faye Ellis stopped work this week at the printing office to prepare for camp meeting and school.

Guy Crary appeared among us again this week. He has been with a tent effort in Freeburg, Ill. He will work in the mechanical department.

Dr. A. W. James was here for the week-end. He will teach modern languages in the College next year.

**The "Junior Missionary Volunteer Manual"**

"Is there really a "Junior Missionary Volunteer Manual"? I hear the Junior leaders ask. Yes, truly.

It was prepared by Miss Ella Iden, one of the assistant secretaries of the Missionary Volunteer Department, after consulting with our leading Junior workers.

We can say, then, that it represents the best ideas on Junior work thus far. Like children this Junior work is bound to grow. By and by we shall know more about this blessed work for the lambs of the flock, for God is going to do great things through the children in these last days.

The Manual is published by the Pacific Press, has eighty pages, is bound in paper, and sells for forty cents.

Everyone interested in Junior work should have a copy. The Junior leader cannot afford to get along without it. It was prepared as a summer school textbook for teachers. The majority of our Junior superintendents are the elementary school teachers. With the help of the appendix it is just as valuable to any Junior leader, whether teacher or not.

Order from your tract society. M. E. KERN
