"In due season we shall reap, if we faint not"

VOL. XI.

BERRIEN SPRINGS, MICH., WEDNESDAY, OCTOBER 29, 1919

No. 44

Today

- "Upon the threshold of 'today' I stand,— It lies before me, fresh from God's own hand,
- Without a blemish-mine, for good or ill,
- But, if I trust to self, to my weak will,
- To keep it spotless, I shall surely fail;
- Thy strength and guidance can alone avail.
- So now my heart goes out in earnest plea,

That, for today, Thou wilt abide with me.

"Life's yesterdays forevermore have passed Beyond my reach; and now, O Lord, Thou hast Them in Thy keeping. Let Thy righteousness Hide the dark stains they bear. Help me to press On toward the mark. Humbly, dear Lord, I pray That, as each 'morrow' merges in 'today,' I may surrender all I am to Thee,

And that Thy presence may abide with me."

Men's Dormitory

WM. GUTHRIE

Once more we are pleased to present the diagram showing the number of rooms taken in the men's dormitory. In our last report rooms 1-42 had been taken. Rooms 43-52 have since been taken by a friend whose name I am not now free to reveal. Room 53 has since been taken by West Michigan. Rooms 54, 55, and 56 have been taken by Indiana. You will notice that Indiana has passed her first goal and has a credit of \$1,958.62 on the new goal. The amount of this new goal will be applied on the new water system and heating plant. North Wisconsin takes room 57 leaving in all 33 rooms to be taken. I trust some brother or sis-

ter may become interested as the friend above referred to and take from one to ten rooms of those remaining. If you expect to have your name engraved upon the doorplate together with an appropriate wish for the occupant, it will be necessary for you to take rooms very soon.

The building is now very nearly completed and we are to place the names of the conferences and individuals in their proper place in the near future. I trust the Lord will lead you in this matter and that you may crave a part with us in the training of workers for mission fields.

LAKE UNION HERALD Our Boys and Girls to All the World in This General As one who haltdepending on God as my helper, I hereby pledge to pay 2% of what God gives me for ____ one, ____ two, ____ three years beginning Nov. 1, 1919. The fund thus raised to be used principality in equipping our Academies and College in the Lake Union Conference with suitable buildings in which to care for our young people while in training for Christian Service.

Signed

The 2% is just one fifth as much as your tithe. It should be paid at the same time the tithe is paid.

Keep this card where you can see it as a reminder of your pledge.

The Card Plan

WM. GUTHRIE

I take this opportunity to call your attention to the pledge card printed above. No doubt you have been thinking of the needs of more workers for mission fields and have been contemplating the sending of your boy and girl to college preparatory for mission work. If you are interested in this and desire to have a part in finishing the third angel's message in this generation, sign your name to the above pledge, placing a cross in the square or one, or two, three, indicating the number of years that you will pay the two-per-cent and prepare our training schools for effective work in the training of our young men and women. I hope in every case the cross may be placed in the third square, and that our people will take hold of this proposition, paying the two-per-cent monthly as they do the tithe; three years will finish up our campaign and put the Lake Union Conference schools in first-rate condition for service. No one will miss the amount given, month by month, and the Lord will make a record and a reward will be given at the gathering of the saints.

This plan was adopted by the Lake Union Conference Committee in counsel with the local committees of the different conferences when together here at Berrien Springs. It seemed to all the men assembled the safest and most equitable and least expensive method for raising funds necessary to equip our college and academies to do good service.

You perhaps have not paid the two-per-cent and of course have missed the blessing of having a part in sacrificing, in this line at least, for the Lord's work. I trust that every individual who shall read this may be persuaded to begin November 1 and pay two-per-cent for three years to come.

The card which appears above will be sent to your church in a short time and those who do not secure a copy from the paper may sign the pledge card sent you. It will be sent in duplicate at which time we hope you will sign both cards. Send the thin one to

your conference secretary and keep the cardboard one for yourself. We hope you will keep it in your Bible or somewhere so you may see it frequently and have your mind refreshed concerning your pledge.

Our great aim is, our boys and girls to all the world in this generation, and I am sure you would rather have them go as missionaries than to have them become infatuated with the world and lost to the truth. Only a short time ago I learned of eight splendid young people in one family, who, because of not being engaged directly in the work, have drifted therefrom and are now withdrawing from the truth.

May the Lord help you to take better care of your. children than this.

When you have signed the card prepared above, cut it out of the paper and send it to the tract society secretary and request him to send you one of the cards to be retained by you.

Boulder

Nestled at the very foot of the Colorado Rockies, lies the picturesque little city of Boulder. It is situated northwest of Denver, at a distance of about thirty miles. It is a college town, the University of Colorado being located here. Banked up against the foothills, is the beautiful and spacious building operated by our people and known as the Colorado Sanitarium. Running water from the mountain streams supplies the Sanitarium, irrigates the lawn, and broadens out into a beautiful pool in the center of the spacious grounds fronting the edifice.

From the rear, one begins the ascent of the Sanitas Mountain, while Flagstaff, Flatiron, and Green Mountain are within easy reach of the mountain climber. Boulder Canon winds about among the mountains, past the richest tungsten mines in the world, and on up to the glaciers.

From the summit of Mt. Sanitas, about two miles from the Sanitarium, may be seen the glistening peaks of the Great Divide as they lift their snow-white heads against the western horizon; while the beautiful little city, with its parks and drives, lies at one's very feet. Spread out as a map before the vision, are miles and miles of gently undulating plains, dotted with a score of beautiful lakes sparkling like diamonds in the clear, bright Colorado sunshine. Joining these lakes and pools and feeding them are the irrigation streams from the mountains, looking like threads of silver as they wind about over the grassy plains.

Sunset on the Great Divide is a vision, once seen, never to be forgotten. The solitude; the majestic grandeur, and sublimity of those towering peaks clothed in their mantle of eternal snow; the striking contrast of coloring as the sun sinks to rest behind those impassible barriers and throws up his streamers of scarlet and crimson about the glittering, crystalline snow, all this paints a picture which no artist can ever reproduce, which must be seen to be appreciated.

Amid such surroundings, instinctively the heart turns toward the great Artist, the Master Architect, and pours out its anthems of prais. to the One who in wisdom and power created all these wonders. Truly with the Psalmist, the very soul cries out in the pean of praise: "The Heavens declare the glory of God and the firmament showeth His handiwork."

"Unshaken as the sacred hills, And fixed as mountains stand. Firm as a rock the soul shall rest That trusts the Almighty Hand."

C. A. RUSSELL

Progress

I was greatly encouraged when I saw the mission report for September, and I am sure the readers of the LAKE UNION HERALD will be interested in the progress made by the conferences of the Lake Union.

At the end of August we were short on our mission fund \$26,088.57 with one conference \$34.98 over. At the end of September our total shortage was \$15,790.13 with Chicago \$1,440.77 over and East Michigan \$1,710.17 over, giving us a net shortage of \$12,639.19.

The total amount received on the Harvest Ingathering from January to September was \$10,-870.60. The total amount raised on the Harvest Ingathering last year was something over \$28,-000. Our goal for this year is \$40,000. I think we can easily reach that goal if all will place. themselves in the line of service for October and November. We ought to reach \$15,000 during the month of October and \$15,000 during the month of November. This will give us a nice surplus on our mission fund for the year 1917.

I trust that no member of the church will feel he cannot work in the Harvest Ingathering, but will take a strong hand and help meet the requirements for the mission field. You would have been encouraged and greatly stimulated had you been present at the Autumn Council just closed at Boulder, Colo. I feel sure you will respond to this invitation.

WM. GUTHRIE

North Wisconsin Conference

Office Address, 620 Tenth Ave., West, Ashland, Wis. Mail Address, Drawer 482 President, J. J. Irwin

Advancement

Surely the Lord has been very good to us in this conference this past quarter, in helping us to reach our various goals and especially our financial goals in the Sabbath school work. Never before have we had such a record in the field, and never before has any device been so pleasing as the Mission Bond. Not only should we make an earnest effort for Mission Bonds this guarter, but for more Mission Bonds. I am sure that you will rejoice with us in noting these figures: Offerings for July \$351.01, August \$368.31, September \$1,376.67. We are glad to report that \$636.79 of this is Thirteenth Sabbath Offering. As yet we have not reached our dollar per member but we are making a desperate effort to close the year with a dollar per member in Our goal for the entire year is this conference. \$6,500. Up to date \$5,169.02 has been raised, leaving a balance of \$1,330.98 to be raised. Let us pray earnestly that the Lord of the harvest will impress every heart to put forth every effort to make this quarter a record breaker of all quarters.

The following Sabbath schools placed themselves on . the Honor Roll by reporting before October 15:

Ashland English, Ashland Scandinavian, Antigo, Bashaw Lake, Bear Lake, Bloomville, Bone Lake, Clear Lake, Clearwater Lake, Crandon, Cumberland, Chippewa Falls, Chassel, Mich., Heafford Junction, Hudson, Iron River Wis., Iron River Mich., Ironwood Mich., Ladysmith, Merrill, Menominee, Mich., Orange, Plum City, Polar, Prentice, Rhinelander, Spooner, Superior, Siren, Springbrook, Stetsonville, Trade Lake, Tripoli, Walderly, Washburn English, Washburn Scandinavian, and Zeba. There are, as yet eight schools that we have not heard from, but we trust that another quarter all will be on the Honor Roll by having their report in by the 15th of the next month.

Good reports are coming from each of our schools, showing that every boy and girl is anxious to take hold of the Harvest Ingathering work. Each one of the Junior societies is intensely interested in raising its goal for missions. I am sure that our prayers will be with these boys and girls that they may be more than successful in reaching these goals as a means to an end in saving other boys and girls in distant fields.

Perhaps one of the best young people's papers that can visit your home is the one called the *Youth's Instructor*. Until this month, we have gone on record as having more than reached our goal in subscriptions. As a matter of fact, we have been just a few ahead each month until the report has now come that we are short two subscriptions. I am sure that this cannot last long, for those who have once welcomed this paper into their homes cannot easily get along without it. I trust that your subscription may come in a few days, so that you will not be without a single paper. Willyou please send in your subscription which is only the small sum of \$1.75. I am sure that if you have read it you will say that it is second in value to none, and that every boy and girl in this field should have access to it.

T. S. COPELAND

News Notes

Elder Wright came to the conference office today, bringing a report of a trip among the churches in the southern part of the conference. He visited the church of Jim Falls and reports that Sister William Robinson used fourteen Harvest Ingathering papers and secured \$25. She set her goal for \$50.

The church school at Superior set its goal for \$40, divided into four bands, and has already raised \$20. The Superior church used 600 papers and secured \$150.

Elder Wright has been out on a campaign for the educational work the last three weeks, and was successful in securing over one thousand dollars.

The Ashland church school passed its goal of \$12 for the Harvest Ingathering work, and set a new goal of \$20. The Ashland church has already raised nearly half of the amount of their Ingathering goal. Some went out for the first time this year and had very encouraging experiences.

Elder Irwin reports splendid meetings at the Fall Council.

West Michigan Conference

Office Address, 8 Pearl Street, Grand Rapids, Mich. President, E. K. Slade

Success

"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then *thou shalt have good success*." Josh.

1:8. There is perhaps no time in the year when so much is being said about success as during the Harvest Ingathering campaign. Each conference as well as each department in the conference and each individual desires success. The Church of christ has as much right to look forward to success in spiritual and material things as any business has to expect commercial success. God promises His people success if they will fulfill the conditions which make for it. There never was greater opportunity for success for the various enterprises of the church than just now. "Men's hearts are failing them for fear and for looking after those things which are coming on the earth." The "strong delusion to believe a lie" is here. The third angel's. message is the solution to all these problems. Surely there is "a sound of a going in the top of the mulberry trees," and it is time for the church to bestir herself for the Lord will go before her to battle.

In order that success attend her efforts, a church must preach the truths of the gospel. The church that succeeds must live the truths that it believes. The truths preached from our pulpits must be lived by the people in the pews. Truth must be put into action. What the truth needs today is life and an opportunity to express itself in deeds. This is "the riches of the glory of the mystery, which is Christ in you the hope of glory." How terrible to proclaim a doctrine and not live a life in harmony with it, no glory but shame. "For this purpose was the church organized:" Every church member who has a knowledge of the truth is expected to work while the day lasts; for the night cometh wherein no man can work. Ere long we shall understand what that night means. Let the church arouse and go forth to do her appointed work. Every believer educated or uneducated can bear the message,"-Vol. IX p. 26.

It is not only true that the individual who wins souls is wise, but the church which wins souls is wise. The church must reproduce itself and the only way it can do this is through the new lives which are born into the kingdom of God.

The church that succeeds must be a praying church. Then God will roll upon her the burden of souls and she will be like a mother with a sick child who goes around the house sighing as if her heart would break. If she goes out of the room where her child is, her mind is still on it, and if she tries to sleep, still her thoughts are on it and she starts in her dreams thinking it is dying. Her whole mind is absorbed in that sick child. Where the church carries a burden for souls in like manner, success will attend all her efforts. When Zion (the church) travailed she brought forth children. Let it never be forgotten that a burden for souls will never come to the individual who is unwilling to labor for While on the other hand, "The Holy souls. Spirit will come to all who are begging for the bread of life to give to their neighbors."-Vol. VI., p. 90.

Are you timid? Do you dread to go up to strangers and ask, for an offering for God's cause? "Be not afraid of their faces; for I am with thee, to deliver thee saith the Lord." Jer. 1:8. Perfect love casteth out fear. Praise the Lord with those who have obtained the victory by venturing out with the papers in the fear of God and are now enjoying most precious experience. S. T. SHADEL

The Goal Passed at Battle Creek

Under the blessing of God the Battle Creek church has reached and passed its goal of one thousand dollars in the Harvest Ingathering drive. Last Sabbath a total of \$1,040 was turned in. One of our M. V. young men raised eighty dollars.

We feel grateful to our Heavenly Father for the way He is blessing the Battle Creek church. We expect to pass the fifteen-hundred dollar mark before the drive is over. W. A. MALLERNEE

Cedar Lake Academy Notes

Our chapel is now seated with new opera seats. These add greatly to the beauty and comfort of the room.

The students held an auction sale last Sunday evening to help swell the fund being raised for a grand piano. Over sixty dollars was taken in.

Miss Lillian Gibson and her brother, Miss Hazel Kane, and Mr. Cummings from Holly spent the week-end with friends at the academy.

Brother Clark of Carson City has donated a fine horse to the school.

Professor Simpson and the farm manager attended an auction last week and purchased a Portland Cutter. We are now ready for the snow.

The last of the potatoes has been dug. Over fifteen hundred bushels were raised on the academy farm this year.

We are still adding to our laboratory equipment. Three hundred dollars' worth of new equipment was installed last week.

West Michigan Notes

While visiting the Three Rivers church in the interest of the Harvest Ingathering work Sabbath, October 4, Elder S. T. Shadel, baptized one sister and held several meetings with a company of interested people representing several denominations who have formed themselves into a band and are like sheep without a shepherd.

Berrien Springs College certainly deserves a word of commendation for her good work in the Ingathering for mission—\$639.68 reported to October 11, not including work done by students. Every auto load returned with from \$23

to \$55. Battle Creek reports \$1,080.10 to date. Muskegon was \$110 over its goal of \$290 (\$5 per member) on October 1. Howard City was following close after, passing its goal of \$100.

What these churches have done, others can do. A vision of the great need; a burden for souls; earnest prayer; an effort, and then the jubilee song.

Elder Heckman, president of the Ohio Conference, made a pleasant call at the West Michigan Conference office on his return from the Fall Council.

Union Meeting

The union meeting of the churches of Allegan, Gobleville, Kalamazoo, Monterey, and Otsego, will be held at Allegan, Sabbath November 1. Help to make this meeting an inspiration by your presence.

B. I. VAN HORN

Your Work

Do not run hither and thither, asking for work. How can any one tell you what the Master wants you to do? We can but guess at the best. Go straight to the Lord Jesus for yourselves.. Tell Him you cannot bear to be shut out of His glorious fellowship. Entreat Him to indicate your place. And never rest content until, like Peter, you turn from the vision to the task, and, in the knock of the far-traveled messengers, you are summoned to the work which needs you. -F. B. Meyers.

South Wisconsin Conference

Office Address, Rooms 257-60 Washington Bldg., Madison, Wis.

President, E. A. Bristol

German Work in Milwaukee

We took our tent down September 15 and the next night began meetings in a hall at 852 Greenfield Ave., near the place where our tent had been located. We have services in the hall Sunday, Tuesday, Wednesday, and Thursday nights, also Sabbath afternoon, with a good attendance and interest. The Lord willing, we expect to have baptism Sabbath, October 18, and another a few weeks later.

Every Tuesday night we give a health lecture, and this seems to be just what the people want and what they surely need. G. P. GAEDE

Harvest Ingathering-Home Run

It's the last foot of the last mile which determines the winning of the race. It may be the last dollar from the last church which will determine whether we reach the Harvest Ingathering goal. Good reports from individuals and some churches are coming in, but it will take the earnest efforts of every individual in every church to reach our goal. The figures show that we have up to date \$3,535 raised, and our goal, you know, is \$7,000. I am sure you are happy to see that we have turned the halfway corner and are on the home run of the second half. We hope to finish up the task by the close of the Big Week, November 1-9, and If every man, woman, and child why not? catches the spirit of service, and puts his shoulder to the work during the time mentioned, we can just as well finish the work in a specified time as to let it drag on longer. Let's do it. What do you say? Decide right now that you will so arrange your work that you can have a part in the Big Week's effort which is to put us past our goal.

It may be you have reached your five dollar goal, but what is that compared with the great need of the foreign fields? Word just came from the Fall Council at Boulder, Colo., that the demands from the foreign fields for men and means were never more pressing, and that we dare not cut down the budget called for by those faithful laborers. So do not stop with five dollars, but do as many others are doing itdouble it, triple it, quadruple it! Mrs. D. B. Christianson, a Bible worker of Madison, reports \$100, and her goal was \$25. This was done without taking time from her regular Bible work, and those who know her realize that she is a very busy woman. She did this by taking advantage of every opportunity that presented itself-while waiting for street cars, or

on the cars; wherever she had business, or made calls.

Don't forget that the children and young people have a large part in this. The church schools and young people's societies should definitely plan to have a share in this Big Week's work. Remember the Big Week—November 1-9 and remember the work!

The following are the churches and their reported amounts:

| Almond\$ 78.15 Appleton\$ 71.17 Bethel | Janesville\$ 16.40 Kenosha La Crosse |
|--|--|
| Clintonville De Bello | Madison |
| Fish Creek 54.45 Grand Rapids Granton | Marshfield |
| Hebron | Oneida |
| Lena | Robinson |
| Milwaukee Ger. 207.53 Milwaukee Scan 5.45 Moon | Sparta |

| Eau Claire | Waterloo 9.60 Wausau 10.00 |
| Green Bay 140.29 Hund. Mile Grove 16.75 | Lodi• 15.38 |

The amounts will again appear at the close of Big Week. Watch them grow!

L. G. JORGENSEN

Junior Harvest Ingathering Work

By the reports that are coming in from the Juniors to me from the schools, it would seem that this is to be a record-breaking year in the Harvest Ingathering work for the children. Each school has set its goal, and most of them are well on their way toward it. It is hoped that by November 9 every school will have passed its goal.

The eighteen pupils in the Oneida school (twelve of these Indians are not from Seventh-day Adventist homes) set their goal at \$12, and in the last report the teacher stated that they had almost half of it, and the children were "wildly enthusiastic." . The Green Bay school of twenty-five members set its goal at \$50 and a few days later reported \$16 toward it. The thirteen pupils of the Sheboygan school are working toward their goal of \$25. Milwaukee, with its forty-one pupils, has a goal of \$85 and has more than half of it already. In two hours one Sunday morning eleven of the pupils with their teachers collected \$26.36. Marshfield set its goal at \$15, and at the close of one day's work they found they had gone over their goal \$5. The Madison school has tripled its goal of \$10. The eight families at Fort Athinson passed their goal of \$10 and are still at work. Oshkosh reports that they have about five dollars on their goal. Milton Junction

has over \$5, and we are sure this large school will do its part.

Teachers, do not let these beautiful days slip by without taking advantage of either one school day or Sundays to get out with your children in this practical missionary work. You have until November 9 to reach your goal, and be sure to report so we can know definitely how much the children did in this campaign. AUGUSTA B. JORGENSEN

News Notes

Sabbath School Investment Ingathering Day will be November 29. This is the first Sabbath after Thanksgiving, and will give ample time for all to bring their investment money.

Any who have completed reading the Testimonies through in 1918 or 1919, having read them through within two years time, may have a gift book by sending that information to your Missionary Volunteer secretary.

In every walk of life men and women are earnestly asking, "What will be the ultimate destiny of the world and of the human family? Will wars, famine, pestilence, and disease, always prey upon the people of earth? Will mankind, having made the effort, through the winning of true democracy, finally work out a perfect government for all men everywhere, and then our world continue on to all eternity?" These questions are all answered in a very able way in the little book, "World's Destiny." After reading its pages, you will want not only a copy for yourself, but a number for your friends. Single copies 25 cents; ten copies postpaid \$1.35.

W. J. Walter went to Ladysmith and also to Neenah, last week, on conference business.

Mrs. L. G. Jorgensen is still quite ill at her home.

A prominent congressmen, who is much interested in the truths we hold and is investigating them, was in the office one afternoon last week looking over our books. He has become quite conversant with our doctrines through reading a number of Seventh-day Adventist books which he obtained from the Congressional Library at Washington.

Elder E. A. Bristol returned from the General Conference Council last Tuesday feeling none the worse for his trip. He is still improving healthwise.

News from the Colporteurs

Sister Mabel Crandall is working in Janesville with "Our Day," and her first reports sound a note of courage and good cheer. In

two instances she took the order because the book was written by a Seventh-day Adventist. In another home she took three orders.

Brother Riley has demonstrated that "Our Day" can be successfully sold in the city of Beloit on Sunday, by securing in six hours sixteen orders valued at \$42, and the following Sunday \$67 worth of orders in nine hours. We believe that what Brother Riley is doing in Beloit can be done in other cities as well, by earnest effort and consecration.

Brother Hirsch has just sent in his first report since beginning work in the city of Milwaukee with our "Our Day,"—29 hours and \$83.90. We can note a tone of triumph in Brother Hirsch's letter, and we rejoice with him that the Lord has given him success in his first week of city work.

Brother Fred Breyer is now on the regular force again with "Bible Readings," and is having some interesting experiences in Dodge County, where he is able to secure many orders, even under difficult circumstances. The Lord will give His grace and Spirit and lead us to victory if we "faint not."

Brother Barton has made another delivery of "Practical Guide" in Rock County, also reporting 29 hours with \$56 in sales.

The Lord is especially blessing the workers who are putting in faithful time giving the health message, and in some conferences "Practical Guide" is leading the list in book sales this year. The time is here for the health message to go. "Epidemics" with "Practical Guide" will make an excellent combination.

Brother Henry Radke is now studying the book, "Our Day," and will soon be reporting from Milwaukee. There is no end to the possibilities of success where our workers press forward in this great work. "There is no crisis" with the Lord." C. C. KING

Chicago Conference

Office Address, 28 E. Jackson Blvd., Chicago, Ill. President, A. J. Clark

Chicago Conference Items

It is predicted that the influenza may return this winter, thousands may die that might be saved if they had a copy of the new book "Epidemics." Two chapters are devoted to influenza. "Epidemics" is one of our popular priced books. It sells at 25 cents and costs you in quantities of ten or more twelve and a half cents plus the postage, if sent to you. Order today and cover your territory before some one else gets the start of you.

Other books in this same series are "Arma-

geddon," "Bible Prophecy," "Christian Sabbath," "Glorious Appearing," "Other Side of Death," "Paradise Home," "Spiritualism Vs. Christianity," "Shadow of the Bottle," "World Crisis," "World Destiny," "World Peace," "World in Perplexity," "World Problems," "World War." The price of these books is the same as that of "Epidemics."

Our Thirteenth Sabbath Offering was \$2,-520.47, and as a conference we averaged almost 25 cents per capita in our total Sabbath school offerings.

Mr. Adam Hardt, one of our colporteurs, is suffering the results of a hemorrhage of the lungs. We hope that he will make a speedy recovery.

D. J. Graham reports one lady keeping the Sabbath as a result of one of the many books he has sold on the south side of Chicago. We are looking for Brother Graham to again begin the canvassing work. He was, it seemed, forced to give it up during the race riot which was in his district.

Another encouraging report was received from Hudson L. Spiers who has recently taken up the colporteur work. He writes that "the colporteur work becomes more fascinating as the days go by."

East Michigan Conference

Office Address, Holly, Mich. President, Wm. A. Westworth

Sabbath Schools

The Honor Roll is made up on the basis of reporting on or before Oct. 10, 1919, for the quarter ending Sept. 27, 1919. All the schools in the conference are on the "Hönor Roll except the following: Bunker Hill, Detroit German, Detroit Second, Detroit Serbian, Elkton, Greenbush, Hillsdale, Holly, Luce, Ola, Pontiac, Riverdale, Sumner, Thornville.

If your school is here, try hard to have it on the Honor Roll next quarter.

SABBATH SCHOOL DEPARTMENT .

The Bible is the window of eternity.—Dwight.

Illinois Conference

Office Address, 304 W. Allen St., Springfield, Ill. President, W. H. Holden

Peoria

Two more are ready for baptism and others are keeping the Sabbath who will be baptized later. We have secured the G. A. R. hall for Sunday night meetings, and hope for a good attendance. For some time we have been holding cottage meetings and visiting from house to house, in this way establishing an interest already formed. The church is doing well in the Harvest Ingathering work, having to date secured about \$100. The tithe and offerings show a very gratifying advance. The church was encouraged by a recent visit from Elder M. G. Huffman who at one time labored in this field. We are of good courage in the Lord and expect victory all the way. Pray that this may be so. B. L. Post

Decatur

Some have almost reached their goal in the Harvest Ingathering campaign, others have passed theirs and are still working. The children are working for their goal. Surely this is one of the plans devised by Heaven whereby the most humble and those who think themselves inefficient for the Lord's work may do something.

Our school building has been completed and equipped sufficiently to use. Our school, taught by Mrs. McBride, opened September 15. Thirty-eight pupils are enrolled. Not many of the members are able financially to do much, so we kindly invite those who are able to help us with a donation or a loan until we are fully equipped.

Three of our pupils were baptized at camp meeting and one since. A little girl and her father, who has recently been converted, were baptized at the same time. Some who are just beginning to keep the Sabbath desire baptism.

Our church membership is sixty-six. Our Sabbath school numbers about the same. Our Sabbath-school goal is \$11 per Sabbath and we reach from \$14 to \$16 each Sabbath. Our church is located at the corner of College and Packard Streets. MARY B. CRAIG 1424 N. College St.

424 IV. College SI.

. News Notes

Miss Etta Young returned to the office early last week after having spent some time with her father who is very ill at their home at Manton, Mich.

Brother G. W. Kimberlin is now located at Carrollton in Greene Co. His first report shows that the Lord is blessing in his work of placing "Daniel and Revelation" in the homes of the people of that county.

Miss Cora DeVoe is one of our new recruits in the colporteur field. She is located at Grafton in Jersey County. Her first report shows sales averaging more than \$2.50 per hour.

Many have known Brother A. P. Lager as one of

our steady, all-the-year-round pioneers in the colporteur work. Sister Lager has now entered this work. Their first two reports were just about equal, Sister Lager coming out a little ahead. They are handling "Practical Guide."

We are greatly pleased with the appearance and "make-up of our new book, "Epidemics, and How to Meet Them." We have placed orders for a good stock, anticipating that our home workers will see in this a grand opportunity of getting our health principles before the people at a time when they will be most needed. One binding only, price 25 cents, 50 per cent discount. Order now.

We are glad to learn that our church schools at Duquoin and Galesburg have reached their goals in the Harvest Ingathering campaign.

North Michigan Conference Office Address, 510 Petoskey St., Petoskey, Mich. President, R. J. Nethery

Our Weekly Caller

Most of us appreciate callers, especially do we enjoy listening to those whose conversation educates and edifies us. Now there is a great variety of callers: business men, society women, keen-witted agents, and occasionally a sorrowful countenanced beggar. Each caller makes some impression on our minds. But these are not the kind of callers that I am writing about.

The caller that I wish to mention comes once each week and usually on the same day of the week. It is modestly yet neatly garbed, only on special occasions does it wear a cloak of colors. The Youth's Instructor is a splendid journal of sixteen pages. Not only does it instruct and entertain, but it acts as a potent force in the creation of noble aspirations and high ideals. It brings to us the most important news from'all over the world, it contains poems that cheer the weary; marvelous and interesting discoveries from the world of science and nature are described. Then there are thrilling accounts of boys and girls who have achieved success by forging ahead in spite of difficulties which cause many men and women to give up in despair. Such articles are worth reading and re-reading for they prove an inspiration to all young people who are determined to push ahead and do something worth while. Yes, and there are often interesting stories written by our missionaries far across the waters-records of their toils and experiences in preaching Jesus to the poor heathen, who know not what it is to worship a God of love and mercy.

The Youth's Instructor also contains a Missionary Volunteer department in which are described the methods used by our Volunteers in South America, Africa, India, and other places. It contains helpful suggestions for doing service

for the Master in our community. And I must not forget to add that there is something to interest the Juniors, stories and puzzles and questions to answer.

I have mentioned only a few of the good things that this visitor brings to us from week to week. Sixteen pages and every page worth reading carefully. What a pity that this visitor does not come to every home in North Michigan.

Do you want it to come to your home? It will not cost you much. Only about three cents a week or \$1.75 a year. Single issues have been worth the price of a year's subscription to me. Perhaps your neighbors would like to have the Instructor come to their homes. It would be splendid missionary work to take their subscriptions for a year. Call on five of your neighbors and see if you do not get at least one subscription. Now listen! If you send in a new subscription to the Instructor within the next thirty days, we will make yoù a neat little present. Send your subscription to the North Michigan Tract Society and be sure to state if it is a new subscription or a renewal. Do not put off until tomorrow what you should do today.

L. M. PETERSON

News Notes

L. M. Petérsen has just returned from a five weeks' trip in the Upper Peninsula. He visited the churches and isolated in the interests of the M. V., educational, and Harvest Ingathering work.

One of our sisters, a member of the Wilson church, has received her five dollars without leaving home. She took advantage of her opportunity and presented the needs of the mission field to callers. "Go, thou, and do likewise."

In the Upper Peninsula a lady not of our faith asked for permission to engage in the Harvest Ingathering work, as she recognized it to be splendid missionary work. Permission was granted and she has raised quite a sum for missions.

Breathes there an Adventist with zeal so low that he has not taken part in the Harvest Ingathering work?

A banker in the North has become interested in the message through reading the *Present Truth.* One of our sisters sent it to him. What does your banker think of the paper?

The Upper Peninsula is a great mission field. Haven't some of you parents a son or daughter that you would like to educate for that needy field? If so the doors at Cedar Lake Academy are open.

North Michigan's enrollment at Cedar Lake

is almost twice what it was last year. Thank God for that.

Parents, attention! You cannot save your son or daughter by keeping him or her at home. The surest way to save your children is to educate them for the Master's service. What plans are you making for your children?

Elder Dexter has begun meetings in a hall at Sheboygan. A good interest and a large attendance is reported.

Calls are coming from various parts of the conference for ministers to come and hold meetings. We are living in a time when men and women are making decisions for eternity.

Sister Rasmusson is out visiting church schools.

Elder Nethery just returned from the Fall Council.

Brother and Sister Chubb left last week for their home at Rhodes. Sister Chubb is gradually recovering from her operation.

Indiana Conference Office Address, 417-421 Castle Hall Bldg., 230 E. Ohio St., Indianapolis, Ind. President, C. S. Wiest

Muncie

October 12 we began our Sunday evening meetings in a hall in the central part of the city. Tuesday night I began a series of prophetic studies in the meeting house of the Pentecostal people. A number of their members attended our tent meetings and became interested in our message, so they, through their pastor, invited us to use their hall one night each week.

Eight new members have been received into the church the past month, and a few more will be baptized in the near future. Some Adventists have moved to Muncie, bringing their membership here, so the church is beginning to grow. This is giving the few old members renewed courage. After an absence of three weeks, I returned to find the interest still good. Mrs. Allen carried on the meetings, Bible studies, and visiting in my absence.

We have been kept very busy following up the interest created by the tent meetings, but we were able to do this very well until we met with the loss of our car, which was burned in a private garage October 15. We find it difficult to do all the work since we have to walk to our appointments.

If any of the HERALD readers desire to help us in our work for the Lord, I have a few copies of my little book of twenty-one sermons, "Why I Left the Catholic Church"; these could be sold and we would use the money to buy a car. The price of the book is 50 cents. If you will send us 39 cents or more we will thank you and send whatever books you need. Pray for the work in Muncie. MATT J. ALLEN

The above report is not complete—several churches do not have the credit due them. The reason for this is, that they have falled to report to the conference treasurer. This report was taken from the office record. If you are not proud of the report as it applies to your church, you will know where to put the blame. O. B. HALL

Business Notices

Approved advertisements will be published in the HERALD at the following rates: Forty words or less, fifty cents for each insertion, and one cent per word for each additional word. Each group of initials or figures counts as one word. Cash must accompany copy for all advertisements.

WANTED.—Young or middle-aged woman to work in store, also one who has had some experience in bookkeeping. Steady employment to right persons. L. W. Swan, Ludington, Mich.

WANTED.—Work year round by Adventist married man, three in family, experienced in carpentry, steamfitting. brick laying, and painting. Will also do janitor work. A. Nelson, 368 Bagg St., Detroit, Mich.

FOR SALE.—Our home at Clearwater Lake. Cozy 4-room cottage, new barn, and other buildings, good well, fruit trees, and small fruit, $2\frac{1}{2}$ acres of land one-half mile from good Seventh-day Adventist church and school, 30 rods from store, post-office and depot. Three good young cows and feed on place. Will consider trade for larger place. E. R. Birge, Clearwater Lake, Wis. 2

Union Items

On his return from the Boulder, Colo. Council, Brother W. A. Harvey, superintendent of the Southern Publishing Association of Nashville, Tenn., paid the Union Conference office and the College a short visit, spending some time looking over the College printing office.

We were also pleased to have a visit from Elder I. M. Martin, the new president of the Tennessee River Conference.

Elder Wm. Guthrie and Brother H. K. Presley returned from the Council, Monday, October 20, and reproted a very interesting meeting. Elder Guthrie is this week filling some appointments made in the Union,

the first of which is the special committee meeting at Brookfield, Ill.

Professor C. A. Russell was in the office three days this week after his return from the Council getting his work in good shape before leaving again. He spent Friday with Brother L. A. Wilcox in a meeting with the young people of Lafayette, Ind.

Brother J. W. Davis spent Sabbath, October 25, in Indianapolis and leaves after that for a recruiting tour in that state.

Brother G. R. Fattic is at present in Wisconsin assisting in a young people's convention at Milton Junction.

Brother J. Holden of Brookfield, Ill., spent one day this week in counsel with the Lake Union Conference officials.

College Notes

Elder McNeil, president of the Carolina Conference, visited the College on Tuesday and spoke to the students at the chapel hour. He showed us that all things are possible through Christ, also that we must study if we wish to become workers for God

The sanitarium is becoming quite popular these days when coughs and colds are so common and we believe it will be a factor for good in the physical life of each student.

Miss Mary E. Lamson made a short business trip to the Hinsdale Sanitarium Friday, October 17.

The floor of the men's assembly room is now ready for the finishing. For about a week the young men will join the young women in their morning worship in the assembly room in Birch Hall.

Mrs. Mary O. Augh of Sangdo, Korea, arrived at E. M. C. September 10. She has been in America but two months and has come here first to learn the English language and then she expects to finish her college education.

Mrs. Parker of Battle Creek visited her daughter Lucile over week-end, October 17-19.

The physical examinations of the students is nearly completed. Every student in the school is required to take this in order that the health of the student body can be protected by the care given where needed.

The water piped to the dormitories is now being chlorinated to make it suitable for drinking purposes.

Last Sunday evening Professor French answered the arguments of Mr. Putman, a Presbyterian evangelist, against the seventh-day Sabbath, at the Court House Hall in Berrien Springs. Two hundred people attended and many expressed their desire to hear the subject, "The Two Covenants," discussed.

Harvin Evans, Paul Rowse and his sister, Ruby, are the latest student arrivals. Mr. and Miss Rowse come from Battleford Academy, Saskatchewan.

Moses and Samuel Karr from Indiana visited the College Tuesday.

Arthur Wilson is at Brooknook recovering from a strained back. He injured himself while working Monday.

E. M. C. will soon be run on uniform time. Twelve new clocks are waiting to be installed in the various buildings on the campus. The clocks will be regulated electrically from a "master clock" in the chapel.

The College Harvest Ingathering Campaign

The Campaign Launched

At chapel Monday, October 13, the annual Harvest Ingathering campaign was launched by President Griggs. He said in part:

"The Lord is calling on His people to arise and shine in this particular time. To those who do arise, the many promises that follow are made. 'Nations shall come to thy light, and kings to the brightness of thy rising.' 'Thy gates shall be opened continually; ... that men may bring unto thee the wealth of the nations.' R. V.

"The Psalmist expresses it thus: 'The gold and the silver are Mine and the cattle upon a thousand hills. If I were hungry I would not tell thee.' All wealth comes from the Lord."

"Seventh-day Adventists are coming to be as well known as any denomination. The reason for this is that the people are beginning to arise. This Harvest

....

Ingathering work is one of the best means of calling men's attention to the people of God, and what He is doing in the world.

"The gentiles should advance the cause of God. He has made men only stewarts of what they have. He holds the rich responsible for their riches. His people should call the attention of the rich as well as the poor to what He is doing in the earth. When God's people arise then the wealth of the gentiles will flow in.

"I once knew a young man in China who accepted the same message that you and I love.

The father of this man persecuted him. He even had a man scrape the skin off from his son's tongue. But the son endured all this for the sake of the truth. There are millions in the Orient who have hearts just as honest as was this heart, and the message must be carried to them.

"There is an excellent feeling in this community toward the work that we are carrying on, and they are looking for us to come and receive their gifts. Let us arise and pray, and run as we pray."

The Goal Is Set

"God never has a work to do but that He has men to do it." With this remark, President Griggs introduced his remarks on the Harvest Ingathering work at chapel Tuesday morning. While the remarks of the previous day based on Isaiah 16 were still fresh in the minds of the hearers, the speaker called attention to 1 Chronicles 11. There are some very striking experiences recorded in this chapter to substantiate the statement that God always has men ready to do the work which He sees is needful.

"The Harvest Ingathering work is one way that men may show their loyalty to the work of God," were the opening remarks of Mr. Green, the next speaker. He suggested that one way to make a success of the work was to study the question of our mission work. Select a partner in the mission field. "Write and tell him that you have chosen him as your partner; and that you are praying for him; and that you will do all that you can to support him."

The primary object of this work is not money, but to get the truth before the world. Missionary work comes first, money second. If every Seventh-day Adventist would raise as much accordingly as the students of the College, this denomination would gather at least \$1,000,000 per year for missions according to Mr. Green's figures.

President Griggs suggested the question of a goal

Notice to Contributors

It has become necessary to close the forms of the "Lake Union Herald" one day earlier due to the fact that the copy must be sent away to the linotype. It is therefore necessary that all copy for the "Herald" arrive on the WEDNESDAY morning mail. Copy arriving later than this cannot be inserted in the current issue. We also desire to ask our contributors to please DOUBLE SPACE all copy, as it is necessary for us to rewrite all that is not double spaced.

for the school this year. A motion was made and seconded that the goal be set at \$2,000. Some discussion followed both for and against the amount. It was stated by the College church treasurer that the church members had already raised \$675. After quite lengthy discussion, it was decided to place the goal at \$2,000; and let the amount raised by the church apply, thus leaving a little over \$1,300 to be raised by the students. The students of E. M. C. reach their goals-look for further report in next week's paper.

Harvest Ingathering Notice

We have been more than pleased with the results of the Harvest Ingathering campaign so far. In counseling here at the Union Conference office relative to closing our campaign the first of November, the brethren have felt it would he a mistake. In all our conferences throughout the Lake Union we find our people right in the midst of the Ingathering campaign and we feel that it would mean a loss of thousands of dollars if we stopped just where we are., so we take this opportunity to announce to our brethren that the Harvest Ingathering campaign will continue another month in the Lake Union Conference and we sincerely trust that every member will put forth every effort possible during the month of November to secure funds for the mission fields. Make November the banner month in the Harvest Ingathering campaign. We hope to be able soon to publish a list of all the churches in the Lake Union Conference that have reached their goal of \$5 per member.
