*"In due season we shall reap, if we faint not"*

VOL. XII.

BERRIEN SPRINGS, MICH., WEDNESDAY, JUNE 9, 1920

No. 23

## A Prayer

"O Lord, who knowest every need of mine,  
Help me to bear each cross and not repine;  
Grant me fresh courage every day,  
Help me to do my work alway  
Without complaint!

"O Lord, Thou knowest well how dark the way.  
Guide Thou my footsteps, lest they stray;  
Give me fresh faith for every hour,  
Lest I should ever doubt Thy power  
And make complaint!"

## Notes from the Michigan Campaign

Editors and publishers for the most part are pleased with the attitude we are taking in the campaign against the proposed amendment to the constitution forbidding any parochial school system. It is some time until election day, but a large amount of literature from the different viewpoints is being passed out among the people who will vote on the proposition in November, so we are beginning the campaign none too soon.

With the view of interesting the HERALD readers in what is being said by editors and others on the subject, I will quote from a few of these responses.

From the president of a Michigan college: "Your protest against the educational amendment to the Michigan constitution was duly received, and I have a good deal of sympathy with your protest."

From a journal devoted to manufacture and finance: "I have your letter relative to the forthcoming campaign on an amendment of the state constitution concerning parochial schools. I want to thank you for the same and suggest to you that the matter was very welcome to me."

From a prominent daily of the state: "Your communication of recent date at hand. We would be pleased to make public your views with regard to this matter. We will make every effort to publish your communication in our issue of next Sunday."

Lutheran and Catholic editors and leaders have expressed appreciation of the attitude we as a people maintain on the principles of religious liberty for all, and have invited us to counsel and cooperate.

A leaflet is now on the press dealing with the subject of the amendment as a study of principles and legal points. The leaflet is eight pages in length and will be distributed among the Michigan conferences through their respective offices in a few days. In the distribution of this document care and discretion should be used to the end that the most good may be

accomplished in this means of educating the general public on the great principles involved.

## The Bible Chautauqua Effort in Chicago

Many inquiries have come to us of late concerning the Bible Chautauqua effort in Chicago, and I felt that a report would be of interest to our people throughout the Union. We feel that the effort in every way was a success. Our attendance was good all the way through and closed a little larger, if anything, than it had been in the earlier part of the meetings. We feel that a great deal of good has been accomplished. There seems to be quite an interest which can be followed up, and surely a publicity has been given to the Advent Movement which cannot help but work for the advancement of our message.

Each evening during the series we conducted a forty-five minute musical program which was much appreciated by all. I believe that which has been accomplished has not only been a benefit to those outside of our faith but has also brought a real inspiration into our own ranks.

Expenses in the city are very high at present and have advanced decidedly since our effort started. This made the expense larger than we had planned and yet we feel that we came out well financially as it was the least expense to the conference of any large effort we have conducted. We had hoped to make it pay, and had it not been for the increased cost in advertising, I believe we would have accomplished our purpose, but we feel very grateful to the Lord for the success that we have had and sincerely hope that in the near future we shall see many accept the truth whose first interest in this message can be traced to our Bible Chautauqua effort. Pray with us for success in our work and for a harvest of souls.

Company No. 1 is to be located on Chicago Avenue near St. Claire Street, a short distance from the new link bridge. This effort will be conducted by Elder St. John, assisted by Brother Metcalf as chorister, Sisters Kozel, McKean, and Svenson as Bible workers, and Brother Cook as tent master.

Company No. 2 is to be located at Emerald Avenue and 69th Street. Elder Woodman will have charge of this effort with Brother Paul Campbell as chorister, Sisters Jarvais and Henry as Bible workers, and Brother Angelo as tent master.

Company No. 3 is to be located at the corner of Lincoln Avenue and Walnut Street. This is the colored effort and will be conducted by Elder Forde. He will be assisted by his regular corps of workers.

Company No. 4 will be conducted for the Danish-Norwegian people under the direction of Elder N. R. Nelson, assisted by Brother Hilman and Sister Hjelle as Bible workers. This tent will be located at Armitage Avenue near Crawford Avenue.

Company No. 5 will be conducted for the Swedish people in charge of Elder August Anderson who will be assisted by Brother Blomstedt and Sister Erickson, and Brother Emil Anderson as tent master. This tent will be located at 111th Street, between State and Perry.

Company No. 6 will be in charge of Brethren Ochs and Hermann. As Brother Hermann will soon leave our conference to go to Europe, Brother Ehrhardt, recently from the Clinton Seminary, will also connect with this effort, taking Brother Hermann's place when he leaves. Brother Schmidt will be the tent master and Sisters Klaus, Reinmuth, and Liebau will be the Bible workers. This German tent will be located at 22nd Street and Hoyne Avenue.

Two tent efforts will be held in the territory outside of the city. One at Joliet, conducted by Brethren Nyman and Hibben, with Miss Florence Utter as Bible worker. The other at Aurora for the Roumanian people, with Elder Krainean in charge, assisted by Brother Popescu.

We would be glad to have any in the city from outside of our conference attend these meetings, and we sincerely hope that our own people in the Chicago Conference will take a personal interest in the meetings this summer and do all they can toward their success by their attendance and prayers.

## Camp-Meeting

By the time this paper reaches its readers the workers on the camp-ground will be busy getting the grounds ready. Each day they will cease their labors for a time and gather for Bible study and prayer. These seasons are greatly appreciated by the workers, and often the expression is heard, "This is one of the enjoyable parts of the camp-meeting."

All of our workers are earnestly praying that this may be one of the best meetings that we have ever had, and I am sure the Lord is anxious that it may be the best. He has made every provision and if we relate ourselves aright to Him we shall receive a rich blessing.

Some may think they can not afford to go to camp-meeting. To such I would say, "Let the army of the Lord be on the ground to represent the work and cause of God. Do not plead an excuse. The Lord has need of you. He does not do His work without the cooperation of the human agent. Go to the camp-meeting, even though you have to make a sacrifice to do so."—*Testimonies, Vol VI, p. 40.* Surely such words ought to inspire us with a determination to be with God's people at their annual gatherings. Let us join our forces with the angels of the Lord and make this occasion one of great benefit to the cause in North Wisconsin.

## Zeba Indian Church

Sabbath and Sunday, May 29 and 30, Brother Robison and I had the privilege of visiting the church at Zeba where we have a small company of Indian brethren and sisters. This church was raised up by Elders Peterson and Bellows a number of years ago. They have a neat church building, beautifully located on the shore of Keeweenaw Bay. The church stands within a few feet of the water's edge. A splendid view of the bay is to be had from the rostrum and it certainly is an inspiration to worship the Lord where one is so near to nature.

A number of the believers have moved away and some have grown weary of the service of the Lord, so

their numbers are not as large as formerly, but those who are left are earnestly striving to hold aloft the banner of the Lord. They expressed themselves as feeling very sorrowful in regard to the loss of the academy building at Walderly and while no one was asked to give anything, they wished to do something to show they desire to help. One sister gave me a sash that was made nearly one hundred years ago, and said she wished the proceeds to be given to Walderly. This sash is made of fibre and the colors have not faded in any way. It is a beautiful piece of work and it is to be hoped that some one who likes to secure work of this nature will be led to give a liberal price for it so that the school may get the benefit.

The few who were present were much encouraged by our visit and we trust that lasting good may result from our work there. Some of this company are planning to attend the camp-meeting at Ashland.

**Cedar Lake Academy**

Thursday evening, May 13, Mrs. Helen Jackson of Detroit, an escaped nun, spoke in the academy chapel. She kept her audience interested for three hours while she related instances in connection with her convent life and escape.

The final piano recital of the year was rendered by the pupils of Miss Witt on Saturday night, May 15. The numbers were much appreciated.

Wednesday evening, May 19, the church school children gave a very interesting program. It was evident that Miss Miles and Miss Northrop had done thorough work in drilling the children.

Thursday evening we all enjoyed a voice recital. About twenty-five students have done creditable work in the vocal department this year. Not less than fifty students have been enrolled in one or the other of our music departments during the year. Our young people have appreciated the strong teachers we have over this branch of our work.

The brethren about Cedar Lake, as well as teachers and students, very much enjoyed the visit of Professor Lamson for a few days. On the last Friday evening of school he gave us a very helpful talk. Sabbath afternoon he spoke to us again, and evening after the Sabbath he gave the class address. We feel that we need not comment on this address. Those who have heard Professor Lamson know that when he occupies the hour something is said.

Elder Piper preached the baccalaureate sermon Sabbath morning. Splendid encouragement was given our graduates at that time illustrations being drawn from the lives of apostles and prophets to emphasize the importance of steadfast fidelity to God.

Sunday afternoon students, teachers, and friends

had a very enjoyable time on the academy campus. The day was pleasant and dinner was served on the lawn. The afternoon was spent in innocent amusements.

We gathered in the chapel Sunday evening for the last time this year. The hour belonged to the graduating class. As a faculty we feel justly proud of the eleven Christian young people who are going out from our midst. It is hard to give them up, but we wish them Godspeed in their advanced education and in their ministry of soul-saving. Several of the class plan to be at the College next year.

A large number of friends visited the school during the closing days. Our fine large chapel was packed to overflowing.

Monday morning saw our students scattering in every direction for the summer vacation. We have finished a very successful school year, and though we are now separated the hearts of teachers and students are still united.

Nearly all of our boys and girls are planning to be with us next year, and all intend to work hard this summer to encourage other young people to come and share the blessings of a Christian education.

### The Dormitory We Need at Fox River

Last week, the writer, with the local board of the Fox River Academy, sat for sometime in counsel at Sheridan, considering most earnestly the needs of the Fox River Academy, and the possibility of our beginning activities on the new dormitory at once. We find on investigation that funds have not come in sufficiently to enable us to start even the basement. While we have pledges amounting to about \$12,000, we have only \$3,000 or \$4,000 cash on hand, and I am placing this notice in the LAKE UNION HERALD to request all who have made pledges to send in the money as soon as possible so that we can begin our work, otherwise the work will be necessarily delayed.

The accompanying picture of the dormitory at Bethel, Wis., was taken shortly before its completion. This is the dormitory after which we plan to pattern our new building at Sheridan. We hope that those who have an interest in the education of our young people will quickly respond with pledges and gifts so that this work can go forward before a greater crisis comes upon the people. Our neighboring conferences have gone forward with zeal during the past two years. Shall we not do as well by our boys in Illinois as other conferences are doing for theirs?

We are praying that the Lord will impress hearts everywhere to send in money that we may soon place a picture in the HERALD of a building which is actually our own, and not be obliged to borrow pictures from other conferences.

### News Notes

Brother Clyde Ellis, who has spent the last year at the Washington Seminary, has connected with the Peoria tent effort.

Brother and Sister F. G. McAlister spent a few days visiting friends at Berrien Springs College before connecting with the work at Springfield.

Elder Hicks recently visited the members at White Hall, and at the same time secured a location in the city for the tent which will be located there this summer.

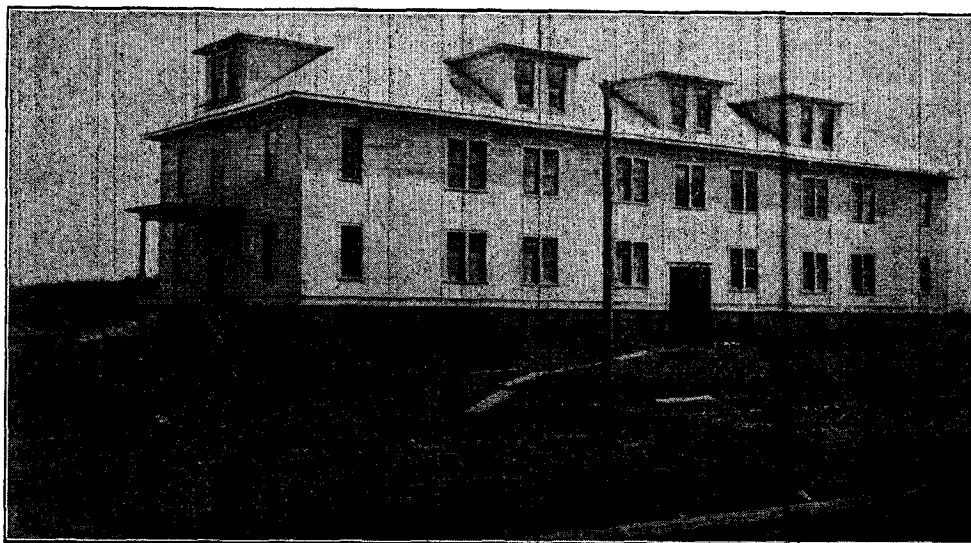

Elder Holden spent Sabbath, May 29, with the members at Peoria, going from there to the College at Berrien Springs.

The student colporteurs are now entering the field for their summer's work. We believe their reports will be watched with interest and many prayers offered in their behalf as they seek to pave the way for another year's schooling.

Brother C. E. Grandy is giving Brother Watson some assistance in getting the students started in their work.

### Decatur Church School

The Seventh-day Adventist church school on Mariette Street closed a very successful term May 27. A very interesting program was given by the children

Plan for New Dormitory Building

consisting of dialogues, recitations, and music. Thirteen Reading Course certificates were presented to the pupils. Two prizes were awarded for the highest average during the year. We were glad to have several friends present at the closing exercises.

### Noble Church School

A successful term of church school taught by Miss Maude Bisbee, has just closed. Patrons, neighbors, and friends of the school, to the number of seventy-five, gathered with baskets filled with good things, and a sumptuous dinner was served on the church lawn. After dinner a program was given by the pupils and teacher. At the close, a vote of thanks was given Miss Bisbee for her efficient services, in behalf of the young people. We said "good-bye," hoping we may have her with us for the school term of 1920-21.

### Home Missionary Work

To the Brethren and Sisters of North Michigan, greetings: As my work will carry me to every nook and corner of this conference, I hope soon to greet you personally at your church or in your home.

This summer will be of great importance in the history of God's people. Let us determine by His help to make the most of our spare moments. We cannot afford to be idle or to shift our responsibility on others for "God expects personal service from every one to whom He has intrusted a knowledge of the truth for this time."

Will not each one in the North Michigan Conference order at least one complete set of *Present Truth*? Make it five or ten sets if you can. Take or mail a copy to the same individual as they come out every two weeks. They cost only 25 cents per set. This is the easiest, cheapest, and most effective way of doing missionary work that I know of.

North Michigan has many prosperous towns and summer resorts. People are spending money freely. What an opportunity for workers to sell our magazines. The *Watchman* and monthly *Signs* magazines are now priced at 25 cents per copy, and at the new price are selling better than at the old. This enables our workers to make more as it gives them 15 cents profit on each one. These magazines are attractive in appearance and are filled with soul-saving truths. Please write me for territory.

Last, but not least, let us determine by God's help to live more devoted, consecrated, consistent Christian lives, for "people will believe, not what the minister preaches, but what the church lives."

### An Important Matter

To all the Believers in South Wisconsin: There is a matter which I wish to call to your attention. I should be glad could I sit down with you at your fireside, and talk this matter over. It means much to the cause of God and the finishing of the work.

The General Conference brethren at the fall council held at Denver, Colo., in October, 1919, passed a recommendation which was most urgent, needy, and timely. After carefully and prayerfully considering the needs of the work in foreign fields, it was voted to ask all our people to give an amount equal to 50 cents a week per member. I am sure this was in God's

order. The conditions prevailing in the world call for the speeding up of the third angel's message. The time of our Saviour's return is overdue, and we should redeem the time.

There were two reasons for making this advance move. First, the earnest pleas of the missionaries already in the field who were in great need of help, as they were working far beyond their strength. Second, unless the mission offerings could be increased to 50 cents a week per member we could not send help to our overworked missionaries nor send out a single missionary during 1920. This confronted our General Conference brethren. They could not stop the work by not sending more missionaries out. What were they to do? What would we have done had we been in their place? Only one course was open to them. Relying upon the loyalty of our faithful people they decided to ask all to increase their gifts to missions to 50 cents per week. I know all who read this will thank God for the decision to raise our mission offerings to 50 cents a week, and thus hasten the return of our blessed Saviour.

Then they asked the Sabbath schools to raise 25 cents a week per church member. This they accepted as their goal, and have nobly, bravely, and gladly accepted this responsibility, one greater than the Sabbath schools had ever been asked to take before. You may ask, Will they succeed? Yes, for there is no such word as failure with God. Isa. 42:4.

I know you will regret the fact that of the \$18,122 which we should have raised by the close of April 30 we contributed only \$8,030.34 which leaves a deficit of \$10,091.66 for our mission funds. If this continues we shall be over \$15,000 short by the close of June.

I know you will all say we must plan so we shall be up with our mission quota at the close of camp-meeting. We certainly can do this. Instead of making Sabbath, June 26, a dollar day, let us now definitely plan to make this thirteenth Sabbath a two dollar day. I am sure all will say by God's help we will. Begin to plan now.

At the close of April our mission offerings averaged only 22½ cents a week. It may be some can not give two dollars on the coming thirteenth Sabbath. Some will be able to give more. Let the children give what they can and then let all in South Wisconsin rally to the need of our foreign mission offering and give, some two dollars, some five, some ten, others twenty-five dollars, but let all give as God has prospered them and thus cause joy in the family of heaven as they see the loyalty of God's people and our full quota raised.

E. A. BRISTOL

### Camp-Meeting

We are doing all we can to make all comfortable this year at our camp-meeting. Many will remember the good meeting they enjoyed last year. The Spirit

of God was present. We are sure we shall have a good meeting this year, as the times demand it. God has promised to meet with His people in their annual convocations.

The price of tents and supplies is as follows: Tents, according to size and quality, \$3.50, \$4, \$4.50; chairs, each, 15 cents (2 for 25 cents); tables, large, 50 cents; tables, small, 35 cents; double springs, 75 cents; spring cots, 60 cents; cotton cots, 50 cents; lumber, per thousand, \$20; lumber, per foot, 2 cents.

The high cost of lumber compels us to charge the market price for all lumber cut or nailed. Straw will be furnished at cost.

Let all send in their orders for tents at once so their tents will be in readiness when they arrive at the meeting. Send the order to W. J. Walter, 260 Washington Bldg., Madison, Wis.

This year we have the conference in connection with our meeting. The churches should elect their delegates, one for the organization and one for each additional fifteen members. The delegates' credentials should also be sent in to W. J. Walter.

The camp-meeting will be held at Madison, Wis., June 24 to July 4. Come expecting much of the blessing of God. Spend much time in prayer, asking God to make this the best meeting ever held by His people, and we shall not be disappointed, for His promises are sure.

### Camp-Meeting

Final arrangements have been made to hold the camp-meeting on the fair-grounds in Madison, Wis., June 24 to July 4, 1920.

To those who have been attending camp-meetings for the past thirty or forty years the word "camp-meeting" seems almost sacred. These yearly gatherings should mean more to us as time passes,—not that one should not enjoy a large degree of the Holy Spirit all the time, but somehow we look to the time of camp-meeting for a special blessing and manifestation of the Holy Spirit.

The forty-sixth camp-meeting for the state of Wisconsin was held at Manona Park, Madison, in 1916, at which time the state was divided into North and South Wisconsin conferences. The meeting to be held this year at Madison will be the fiftieth annual meeting.

Many who were in attendance at camp-meeting in the early days have moved away; many now sleep awaiting the call of the Life-giver; many are in the work in some other field. Some familiar faces seen at camp-meeting last year will be absent this year. All these conditions cause one to long for that land where partings will be no more.

A camp-meeting is just a miniature scene of what that homecoming will be in the new earth, only under far different conditions. Plan to come to camp-meeting this year. Plan to help to make it the best meeting of like nature ever held in the state. Do not let

anything of a trivial nature keep you away. Time is short. A great many things have transpired and are transpiring that show to the student of prophecy that we must be in the last of the last days.

As a band of needy and dependent children, shall we not one and all most solemnly plead with our Father in heaven that His Spirit may be there in mighty power, so that the careless and indifferent ones may be reclaimed and others perhaps for the first time take their stand for Christ. May there not be a mighty refreshing from His presence, a copious shower of the latter rain manifest at this most important meeting.

It is high time that every one claiming to be a Seventh-day Adventist knows what it is to live a victorious life. This cannot and is not done in a moment, but one must commence sometime to enter into an experience that will spell victory in every-day life. If you do not have that blessed experience come to camp-meeting determined to gain such an experience, and if you already are enjoying the blessings of a daily victorious life, come to the camp-meeting and lend your effort and influence to help others to enter into such a life.

### Hylandale Convention

May 7-9 a very pleasant as well as profitable home missionary convention was held in our Hylandale church. A goodly number were present from La Crosse, Sparta, and Tunnel City.

Brethren P. M. Hansen and Worrel assisted Brother Jorgensen in the work. Friday evening Brother Worrel spoke on "A Spirit-Filled Church," which was helpful to all. Sabbath was a busy day from 10:30 A. M. until Brother P. M. Hansen closed an evening discourse on "Go ye into all the world as a witness." On Sunday we greatly enjoyed the talks of Brethren Bristol, Sanders, and Johnson; their visit was short but it was greatly appreciated. As a result of this meeting the La Crosse people plan to place a copy of *Present Truth* in every home in La Crosse, the Sparta people in every home in Sparta, and we will place it in every rural home in La Crosse County.

May God bless these brethren in their work, and us as we try to add our *little* to the great work being done.

**Bethel News**

The senior class was entertained by the juniors on the afternoon and evening of May 22. Games were played and a lively march was enjoyed by all. About 6:30 p. m. two of the junior boys led the two classes to the ladies' assembly room where a bountiful supper was spread. After supper a very enjoyable program was given in which both the seniors and juniors participated.

Among the visitors during commencement were Mr. and Mrs. L. M. Janke and daughter of Oxford, Mr. and Mrs. Purdy and son of Racine, Mrs. Wangerin, Mrs. Tubbs and son, and Mr. Hinch of Franksville, Mrs. Russell and Mrs. Leddington and daughter of Milwaukee, and the C. B. Cady family of Wyeville. Besides these there were many others who came in their cars to spend the day.

Monday morning the senior class and Professor Elliott made a trip to Marshfield.

Elder Bristol, Mr. King, and Miss Bell attended the closing exercises. Elder Sanders paid his first visit to the academy and expressed his appreciation of the work done in the school.

Elder Guild of Milwaukee gave the commencement address on Monday evening.

A community picnic was held on the school campus on Monday. After dinner a short program was given in honor of the teachers who are leaving Bethel this year to engage in other work. After a short speech by Mr. Weaver and a history by Miss Myrtle Jennings, the teachers were presented with a check from the school and community. Six of the teachers are leaving. They will be missed by all. We are sorry to see them go but wish them the best of success.

Mr. and Mrs. G. B. Taylor left on Tuesday evening for a short visit with their friends and then they expect to travel toward New York, leaving there June 23 for South America.

Professor and Mrs. Elliott left here Thursday morning, Mrs. Elliott and children going to the sanitarium and Professor Elliott to his work as Young People's Missionary Volunteer leader of the Lake Union Conference.

**Subscription Rates for the "Herald"**

At the recent session of the Lake Union Conference presidents some attention was given to the cost of the LAKE UNION HERALD. The high cost of paper and

increased rates for labor make it necessary that our subscription rates in the future be \$1.50 per year. We have been losing heavily on the 50 cent rate and have felt sure our brethren would prefer to pay the additional \$1 per year than to have us meet the deficit from some other source. Believing in your liberality and interest in this paper, we have therefore increased the price to take effect June 1, 1920.

**Business Notices**

Approved advertisements will be published in the HERALD at the following rates: Forty words or less, \$1.00 for each insertion, and two cents per word for each additional word. Each group of initials or figures counts as one word. Cash must accompany copy for all advertisements.

**WANTED AT ONCE.**—Middle-aged man to help on highly equipped dairy farm. Must be steady and industrious. Good wages to right person. Address A. J. Klooster, R. F. D. 3, Box 47, La Porte, Indiana.

**HOMES WANTED.**—Mrs. Bessie Blessing of 3012 Van Buren St., Chicago, is not financially able to care for her children and wishes good homes for them, preferably in the country. She has a boy 9 years of age, a girl 7, a boy 5, and a little girl 3. The children are not for adoption. Please address all information to the above name and address.

"Words cannot express what the scholarship plan has meant to me. In addition to increasing my faith, earnestness, love for souls, and dependence upon God, it has enabled me to continue my school work."—William I. Coleman.

### Broadview Theological Seminary Notes

Among recent guests of the Seminary were Elder W. A. Spicer, Dr. G. B. Wilkinson, Elders G. E. Nord, A. J. Clark, O. F. Gaylord, Brother Ernest Lloyd, and Miss Hazel Leach. Their addresses of unusual interest and inspiration were of special help to all.

One of our Greek students canvassing in Chicago in one day sold magazines in the French, German, Greek, Hungarian, Italian, Polish, Slovak, Swedish, Yiddish, and English languages. She met several Turks and Armenians but she had no papers for them. Besides gaining a treasure of experience, she cleared more than ten dollars in the few hours she was in the foreign district.

A scene that reminded us of the burning of the Papal Bull was witnessed at the close of the Sabbath, one week ago, when students and teachers gathered round the site of the new dormitory to watch questionable books, periodicals, and music destroyed by the flames set for the purpose of purifying the school of undesirable property.

Were you ever surprised? Then you can sympathize with the members of the faculty when the seniors in their reception for them, on the evening of May 6, entertained the entire school by exhibiting, on the screen in the chapel, "Small Beginnings of the Great"—childhood pictures of their teachers.

The seniors were invited to a picnic given by the juniors last Sunday. It was a most beautiful day and all reported an exceptionally good time out-of-doors. Their statement was substantiated by their inactivity the next day.

In his chapel talk, May 14, President Olson emphasized the importance of the place of Bible study and prayer in the student life of the prospective Seventh-day Adventist worker.

By special request, Professor J. G. Lamson delivered a lecture on Ezekiel thirty-eight, on Saturday night, May 15. It was of immediate help to several of the students who were writing semester themes on the subject. All students desired to study further with Professor Lamson.

For over an hour and a quarter on the following evening, Miss Alida Thorson and Professor J. W. Osborn, who are in charge of the Broadview Theological Seminary School of Music, delightfully entertained a large audience with a program on "The Music and Musicians of Scandinavia." It was of both artistic and educational value.

Sabbath afternoon, May 15, will long be remembered by the Broadview family who witnessed an event which was first among those of most importance that occurred during the commencement season. It was the occasion of the baptism of eleven students, four of whom were young women. A fifth was baptized later, making a class of twelve who thus expressed their acceptance of the Saviour.

The final chapel hour of the school year brought

with it both joy and sorrow,—joy for the accomplishments of the year, sorrow because some of our number will not take their accustomed seats at the opening chapel service next September. A simple but sincere farewell was tendered Miss Nellie Swenson, matron, Mrs. Pearson, preceptress, Mr. J. W. Osborn, professor of music, and his mother, Mrs. Osborn, who, through the four years of her residence here, has been so devoted to the interests of the school. The efficient, untiring efforts of all of these faithful workers will win for them success in their new fields of service, and our prayers and best wishes go with them.

The Chicago Conference workers, the Chicago churches, especially the First Swedish church, the Brookfield and the Hinsdale churches were well represented at the commencement exercises. We appreciate the presence of our friends at this time and their continual interest in the upbuilding of Broadview.

May 21, an impressive vesper service was conducted by Elder William Guthrie, who made his hearers happy as he brought vividly before them the courage-renewing message of "The Transforming Power of the Word of God."

Elder Carlyle B. Haynes spoke on Sabbath afternoon, the twenty-second, his subject being "Christian Consecration," which he defined as "the voluntary surrender of ourselves to God, to do His will instead of our own." He dwelt upon the significance of the terms, "yield," "present," "give." A hearty response on the part of old and young assembled closed this meeting, in which God's presence was signally enjoyed.

Elder Erickson and Professor C. C. Lewis, respectively, gave the baccalaureate sermon and the commencement address in connection with the closing exercises of the Seminary.

Sunday, May 23, was field day. A large number of students went to Chicago to sell magazines among the foreign-language-speaking peoples of that great center. Thus the year 1919-'20 closed in field missionary service.

### Advertising Rates

Owing to the increased cost of labor and material it has become necessary to increase the rate of advertising in the LAKE UNION HERALD. Instead of being 50 cents for one insertion of forty words or less, the rate in the future will be \$1 with 2 cents a word for all additional words over forty.
