Radio Work in Michigan

THE radio broadcast of the Voice of Prophecy program is now being heard over eight Michigan stations and as many more from surrounding states and Canada. Some have heard the program over as many as ten different stations.

In the state 12,147 persons have enrolled in the Junior and Senior Bible Correspondence School and this is the largest enrollment of any state in the union and is exceeded by only one conference, Georgia-Cumberland, which has 693 more. The donations sent in directly by Michigan listeners average almost \$1700 each month.

Nine Michigan newspapers are now using the feature column, "Bible Questions Answered by the Voice of Prophecy Broadcaster." About 300 newspapers in the United States have already requested this new service which gives

many phases of our message in question and answer form. If you would like to approach the editor of your local newspaper about this free service please write for information and printed instruction will be sent.

Five local broadcasts are also being conducted in the Michigan Conference. Elder C. B. Messer conducts a 30-minute program over WDBC (1490 kilocycles) in Escanaba each Sunday morning from 9:30 to 10:00 o'clock. The broadcast is entitled "The Bible Auditorium of the Air." Elder W. H. McGhee gives a fifteen-minute program over WHDF (1400 kilocycles) in Houghton each Tuesday at 4:30 P.M. This is called "The Bible School of the Air."

Elder R. K. Krick speaks each Sunday morning from 8:45 to 9:00 o'clock over WFDF in Flint under the title "Your Bible Speaks." This program may be heard at 910 on the dial. Charles M. Mellor conducts three fifteen-minute broadcasts a week over WHLS (1450 kilocycles) in Port Huron, Sunday, Tuesday and Thursday at 1:15 P.M. This program is called "The Bible School of the Air." Brother

and Sister Mellor are also conducting a correspondence school with almost 800 enrollees. Brother and Sister G. M. Schram will assist in taking care of this interest for the next two months.

Thomas Jimerson, elder of the Detroit East Side church, conducts the "Signs of the Times" radio program each Sunday morning at 8:00 o'clock over WJBK (1490 kilocycles) in Detroit. This is a half hour program. Rhecha Ross is the announcer, soloist and music director. A number have already accepted present truth as the result of these programs.

As the result of radio evangelism in Michigan many have already begun to observe the Sabbath and a number have been baptized and united with God's remnant people. The chief results of this kind of seed sowing, however, are still future for the fruitage from radio work is naturally a delayed harvest. The divine promise is, "Cast thy bread upon the waters: for thou shalt find it *after many days*." Eccl. 11:1. The "after many days" is mostly during the latter rain.

Let all our Michigan members make every possible effort to get their neigh-

Supplication

O God, be with Thy boys we pray,
The battle's just begun;
We hear the sound of cannon fire
And songs of heroes sung.

The distant skies are painted red
With fire's destructive glow;
Huge ships are sunk, lands laid to waste
As armies onward go.

The history through the ages past
Has rested in Thy hand;
We trust in Thee to guide, direct,
The progress in our land.

We will not shirk our nation's call;
We'll do our very best,
Asking when we kneel to pray
For strength to stand each test.

Nor will we shirk our Master's call,
Who rules in heaven above;
We'll not forget the One who died
For us in matchless love.

O God, be with our boys we pray;
On Thee we will rely,
And firmly stand with Christian faith
To either do or die.

The Colored Churches of Flint and Battle Creek

WE ARE happy to report progress in district 18. Our progress in Flint would be greater if we had a church building in which to worship and to which we could invite visitors. The building in which we hold our services does not at all represent our message. However, God has blessed our efforts to secure a location for a church building.

Four lots have been bought with the assistance of the conference association in one of the best locations in the city, and the church is now raising money to build a suitable church edifice that will be a credit to the cause. We expected to start building this spring, but were not permitted by the War Production Board because of a shortage of labor. We are hoping that this situation will soon change.

The membership of the church was brought to eighty-one by five additions to the church by baptism on May 20, and two were received on profession of faith.

The amount of tithe paid for the first quarter of 1944 was \$1,253.90. The mission offerings were \$244.58. The total received for local and miscellaneous work was \$1,093.41 making a grand total of \$2,598.99.

We are also glad to report that there has been another successful church school year. Three of the pupils were graduated from the eighth grade. The school was taught this year by Miss Devolia Fowler.

More than two years ago the Berean church, Battle Creek, paid off the indebtedness on their house of worship.

This building was a dwelling house. The partitions on the first floor were removed so that there might be an assembly room in which the church services could be conducted. Money is now being raised to remodel the building so that it might present a better appearance and look more like a church building. The present membership is fifty-one.

The tithe paid for the first quarter in 1944 was \$940.54 which was a gain of \$519.14 over the same period in 1943. The mission offerings were \$260.59 which was \$5.87 above the amount paid the first quarter of 1943. For local work \$461.33 was received, making a total of \$1,662.46.

The senior and junior volunteers are endeavoring to promote the various activities of the Missionary Volunteer Society.

We believe that greater advancement will be seen as all unite to work together for the hastening of the Master's coming.

We give to the Lord the glory for whatever success has been attained.

News Notes

HEADLINE news was made June 10 at the dedication of the Monroe church. Speakers for the occasion included Elder J. J. Nethery, president of the Lake Union, and Elder T. G. Bunch. The church was banked with floral gifts from Monroe business men; visitors came from all over Michigan, parts of Indiana and Ohio. The newly completed church, designed and built by Elder W. W. Ellis, is a beautiful white colonial structure trimmed with azure blue shutters, and blue roofs. Bright flowers in attractive boxes underline the windows. Interior of the church, according to Elder Bunch, is most artistic with burnished lighting fixtures, stained glass windows, special room with fireplace for mothers with small children.

Advance notice of interest to all who plan to attend camp meeting at Grand

Ledge this summer is the announcement by conference president T. G. Bunch of some of the speakers scheduled for the annual encampment. Those coming from Washington, D.C., will include Elder B. L. Anderson, recently returned from China, Elder R. A. Anderson, well-known evangelist and associate secretary of the Ministerial Association, Elder E. D. Dick, secretary of the General Conference, Elder W. A. Scharffenberg, Associate Home Missionary Secretary, Department of the General Conference, R. E. Crawford, manager of the periodical department at the Southern Publishing Association, and Dr. H. M. Walton, General Conference medical secretary.

Colporteur sales for the first 22 weeks of 1944 have reached over \$74,000, an average gain of \$1,000 a week over the record set in 1943. Twenty-six student colporteurs have already begun work in the Michigan field, according to Brother L. E. Abelson. Sabbath, June 10, the field missionary secretary spoke at Ann Arbor, and went to Belleville for the afternoon service.

Meeting his last appointments before commencing the summer round of camp meetings and junior camps, Elder D. W. Hunter held an Investiture service Tuesday night, June 6, for children of the Detroit Union school. The following Friday evening the M. V. secretary conducted an Investiture at Grand Rapids, preached the baccalaureate sermon the next morn-

One of the best Sabbath school rallies of the year was the one held in Lapeer, June 10, according to Miss Edith Shepard. Representatives from churches at Otter Lake, Port Huron, Marlette, Oxford, and Vassar crowded the building, and even Flint sent over guest speakers for the day.

Aiding the Sabbath school rally at Lapeer, June 10, was Elder H. F. Brown. Sabbath afternoon at the Lansing M. V. Society the home missionary secretary presented a Thespian portrayal of mission life in Latin America.

Hugh Forquer spoke at Carson City and Ola on Sabbath, June 10, was forced to miss Greenville due to a misunderstanding on the question of which places were on fast and which on slow time.

Charles E. Mellor, leader for the Port Huron district, visited conference headquarters on Monday, June 12. Excellent results from the radio work are being seen everywhere, according to Brother Mellor.

tary delivered the principal address at the graduation exercises for the Grand Rapids school. Leading out in a meeting of the Cadillac school board June 12, Brother Cowin discussed with local residents the overcrowded set-up, and talked of plans for enlarging the school.

Miss Jane Kerr, former stenographer at the Michigan Conference, visited Lansing over the week end of June 10. Miss Kerr is currently employed at the Chesapeake Conference in Catonsville, Maryland.

Miss Bertha Leiske, stenographer in the treasury department and well-known throughout the conference for her ability in music, left Lansing, June 12, to attend Washington Missionary College.

Ingathering Notes

MUSKEGON reached a new high in Ingathering this week with a total of \$1564—a \$224 overflow. District 25 boasts 127% of its total goal.

Riverside has had two field days bringing in over \$90 each time. This more than doubles the Riverside church goal.

A. J. Risberg, indefatigable leader of the Calumet church says: "Goal \$150—reached \$339.12." He is a seven Minute Man himself. Oh, for a whole church of Risbergs! Elder W. H. McGhee's district (No. 29) has almost 200% of its goal. Both Dollar Bay and Calumet have twice their goal.

Clarenceville reached its goal and sailed right over the top for a \$300 overflow. They report: "God has greatly blessed our singing band this year. For about two hours' work one evening we received \$61.26. Another evening we received \$52."

Detroit Hartford with \$1800 brings Elder J. E. Johnson's district completely over—with every church a "Ten Percenter." Further word has come that the district plans on getting even more!

Benton Harbor will be over the \$1000 mark by next week and Elder Pontynen reported that on D-Day most of his donors doubled their gifts. Bangor, too, is to be congratulated on the Ingathering work.

District 4-C, assisted by Brother Stephen Hornyak, was so busy working on its goal that only this week did the full report come in and what a splendid report! Carlton Center and Hastings, now both "Ten Percenters" swell the district percentage to 115%!

Flint No. 1 has a total now of \$2,012.14. Goal—\$1870. Detroit Grand River has an overflow of almost \$400. Belding with a goal of \$110 has actively raised \$150. Rhodes sent in the report of \$219.11—their goal is \$165. Wilson, Detroit German, and Luce are also singing the Victory song.

Mr. Ellis Drumm of Homer raised the goal set for the Homer company in a couple of hours through business contacts. Congratulations!

Notice

If you have recently placed an order for a single subscription to the *Signs of the Times* and your copy has not yet been received, please be patient. Due to the abnormal flood of that type of subscriptions the publishers have been overwhelmed with work until they are now several months behind in getting these on the way. Your Book and Bible House sent the orders in promptly but the publishers have been unable to keep up to schedule. You will, however, receive your full year's subscriptions but the beginning date is necessarily delayed because of the unexpected volume.

Camp Meeting

THE treasury department of the conference is corresponding with the cottage owners in the Battle Ground Assembly, but at this writing have not secured any cottages. However, by the time this reaches the readers we hope that these will all be in hand.

Those who wish cottages should apply to C. B. Caldwell, 3266 North Meridian St., Indianapolis 7, Indiana, and he will do his best to supply you with what you want. Those who have been on the grounds know that these cottages are limited. We wish there were more.

Then, in the hotel there are several rooms that can be had on application to Brother Caldwell, secretary. You can send in your orders and we hope that we can accommodate all who wish to come. Already some orders have been received.

We are looking forward to a good meeting and a great blessing.

Hammond Investiture

THE Hammond church has an active Missionary Volunteer Society. Mrs. Gillman, the leader, and the secretary, Marcel Serf, carry their responsibilities in a strong way. The membership is not as large as some of our societies, but this does not lessen their enthusiasm. The literature band is active and also the Ingathering band.

The progressive class work has been systematically carried on this year. A fine group had completed the Friend requirements and on Sunday night, June 4, an Investiture service was conducted. Cars took the church members and the young people to a beautiful grove south of the city. Here a central

campfire was built. Also, each one who was to be invested, prepared a small campfire and lit his fire as he gave an interpretation of a portion of the Junior Law. This service, conducted out in the beauties of nature, was very impressive. We believe in the program being promoted in Hammond. We believe that the progressive class work helps bind the young people to the church. We will watch this society grow.

Church School Teachers Needed

SEVERAL churches which did not operate church schools last year are calling for a school for next year. This is the way it should be. The children of Adventist parents should be enrolled in church schools.

Our present staff of teachers cannot possibly fill all the openings this fall. We do appreciate the loyalty and faithfulness of our teachers. All who possibly can do so are going to teach next year. Our need is for more teachers to answer the many calls.

Possibly there are those who have taught in years past that would be willing to help meet the present emergency. It is a financial sacrifice to teach a church school, but there are compensations in other ways that more than balance financial losses. This appeal is for consecrated, qualified volunteers who are willing to work for the children of our churches. Please correspond with the educational superintendent of the Indiana Conference.

"The Lord wants men who see the work in its greatness, and who understand the principles that have been interwoven with it from its rise. He will not have a worldly order of things come in to fashion the work in altogether different lines from those He has marked out for His people. The work must bear the character of its Originator."—*Testimonies for the Church*, Vol. VIII, p. 209.

Missionary Volunteer Federations

ALL Federations of Missionary Volunteers are scheduled to convene the second Sabbath of the Portage camp meeting, August 19, during the special M. V. Federation hour.

Inasmuch as the summer program involving Ingathering and other engagements is heavy, it was felt, upon conferring with the Federation leaders concerned, that we postpone the following M. V. Federation meetings until Federation Day, August 19, at Portage:

Madison, Menomonie, Wittenberg

The Wausau Federation, however, will meet as previously scheduled:

TIME: July 1, 1944—Sabbath School, 9:30 A.M.

PLACE: Marathon County Youth's Building, Fairgrounds Park, Wausau.

Brother Blessing, Wausau Federation leader, writes that both Bethel and Emmanuel Missionary College will contribute to the day's program and urges that all M.V.'s from neighboring churches remember this important engagement. Plan now to attend this youth session. M. J. PEREPELITZA

Wisconsin Labor Shortage!

WANTED: *Fishers of Men.*

MANY places in Wisconsin are without the aid of a colporteur to carry the message of truth to perishing sinners. The call of the hour is for *men and women*. "Hundreds of men should be engaged in carrying the light all through our cities, villages and towns."—*Colporteur Evangelist*, p. 79. We need men or women in the following places as colporteurs in Wisconsin: Superior, La Crosse, Ashland, Madison, Stevens Point, Wausau, Manito-

woc, Eau Claire and for many other cities. We also need at least ten men for rural work.

On page 26 of "Colporteur Evangelist" we have this promise: "God has His workmen in every age. The call of the hour is answered by the coming of the man. Thus when the Divine Voice cries 'Whom shall I send, and who will go for us?' the response will come, 'Here am I; send me.'" Isa. 6:8.

Again I say the call of the hour today is for men and women. God needs *men!* God needs *women!* Do you have a reason for not being in this work that will stand the test of the judgment? Think it over. Pray about it. Open your heart to the call and if you feel the urging of the Spirit, don't hesitate. Simply say, "Here am I; send me."

Investiture Service at Clear Lake

SUNDAY, May 21, was a day which will long be remembered by the youth of Clear Lake. The very oppressive rain ceased in time and it was possible to arrange a campfire for an outdoor Investiture service.

Hopes ran high with thrilling excitement as the candidates and spectators took their places around the campfire. Mr. Vernon Nelson led the group in a stirring song service. At the beginning of the service Miss Helen Lunz explained the purpose of the progressive class work and pointed out that the candidates ready for investiture had worked faithfully and long to prepare themselves for this honor. She then called for the Sunbeam and Builder classes to come forward. After giving them the charge and hearing the response this the first of the progressive classes was invested.

Mr. Edgar Grundset then invested the Friends and Companions. This was a large group and they proved successfully their fitness for investiture as various members of the group demonstrated some of the requirements—Bible memory work, nature

requirements, bandaging and other items.

The Comrade class which was the next class to be invested was followed by the investment of the Master Comrades. How inspiring it was to listen to these five candidates as each told why he had chosen to be a Master Comrade.

Following the Investiture service proper, Mr. O. H. Pearson, the M. V. leader for the church, awarded over 125 vocational honor certificates. In closing the service we all joined hands around the campfire and in the stillness of that never-to-be-forgotten evening the 52 candidates who had been invested joined in singing that stirring song of youth—Missionary Volunteers.

EDGAR GRUNDSET

Report of District 7-A

IN GIVING His final instructions to His disciples, Jesus said, "Go ye therefore, and teach (make disciples) of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." (Matt. 28:19, 20)

In presenting this message to those in darkness there comes a thrill that nothing else can supplant. We have experienced this thrill as we have endeavored to carry out the commission of Christ in Richland Center and the surrounding territory. As the direct result of the evangelistic meetings conducted in the Masonic Temple in Richland Center last fall and winter, several fine individuals have taken their stand for the truth, and will be baptized soon. We are conducting two Bible schools a week in following up the interest from the effort. There are twenty-five adults enrolled in these Bible schools in addition to the children. We trust that these studies will help others to take their stand for this message.

On Sunday night, April 16, we opened a series of meetings in the La Farge church. In spite of the April blizzard over the week end, a fine group of honest-hearted men and women was present for the presentation of Daniel 2. In the appeal at the close, almost every person present raised his hand.

One of the leading businessmen of La Farge was present at the opening service. He has regularly contributed a substantial sum to the Ingathering work each year, but has never before attended a meeting in the Seventh-day Adventist church. Certainly there will be souls in the kingdom as the result of the follow-up work connected with Ingathering campaigns.

In visiting with a lady who attended the Sunday night meeting, we found that she regularly attended another church on Sunday evenings, but she felt impressed to come to our church for the evening. The Lord spoke to her heart, and so convicted her with the power of this message that she now feels that every person in La Farge should be attending the meetings. She is now doing all within her power to bring friends and neighbors with her.

We solicit the prayers of our brethren and sisters for the success of these meetings, that many souls may rejoice in this truth.

D. W. ANDERSON

Northwestern Camp Meeting

THE district camp meeting held annually at Spooner, Wisconsin, has just closed. The opening meeting on the evening of June 7 was unusually well attended and the attendance increased daily until on the Sabbath about 350 young people and adults gathered to share the blessings of the Lord. The weather was ideal and the accommodations in the Armory were excellent. As in previous years, the Superintendent of the City Schools made available to us a number of rooms in the elementary school building across the street where our children and juniors

gathered daily for their services.

The workers from the local conference who were in attendance at this meeting were Brethren T. E. Unruh, R. G. Burchfield, H. E. McClure, M. J. Perepelitza, L. G. Wartzok, H. Grundset, Vern C. Hoffman and Brother and Sister M. H. Odegard. Elder T. E. Lucas, Missionary Volunteer secretary of the Lake Union Conference, was present through practically the entire time of this meeting and his helpful studies were greatly appreciated. Much of the success of this camp meeting was due to the soul-stirring messages delivered by Elder D. E. Rebok, president of the Theological Seminary. God greatly blessed his ministry and all present were drawn closer to the Lord as a result.

The liberality of our faithful believers was again demonstrated on the Sabbath day when those in attendance at the Sabbath school contributed almost \$600 for missions. In the afternoon the president of the conference presented the New Academy Project and the people responded by making contributions totaling approximately \$2,000. Many of those present desired a little time in which to plan for their contributions to this worthy project so that the amount received for the New Academy Project will be greatly increased by pledges that are to be sent in the near future. Saturday night the pictures of the New Academy Farm were shown as were also some pictures of the Junior Camp site near Drummond where the Northern Camp will be held this year.

The last meeting of this gathering was held Sunday afternoon at 3:15 P.M. and our people once more scattered to their homes deeply conscious of the fact that God had met with us. The ministry of all of our workers was greatly appreciated by those present.

Considerable interest was manifested in the announcement that on July 1 an all-day meeting will be held at the Federal Organization Camp at Drum-

mond. We have been assured that a large percentage of our believers in the northern district will be present at this meeting.

Ingathering Newsettes

This week three more churches have been added to our list of Victory churches—Neenah, Milwaukee German, and Racine. We want to commend all of these churches on their fine work. Both Milwaukee German and Neenah are without conference leadership. The believers at Neenah have raised their \$150 goal with \$1 to spare in a very short time. The Milwaukee German church reports \$930.53, which means a nice margin on their \$925 goal. Again we want to commend the faithful members of that church on the fine job they have done. Racine is in the Milwaukee Central district, under Elder C. W. Guenther's able leadership. Their goal was \$340, and they report \$424.03. Congratulations! Inasmuch as the Milwaukee Central church reports \$4741.84 this week, their district total now stands at \$5165.87, and their goal was \$4940. Both churches say that they are still forging ahead.

We point with pride to Eau Claire's record. With the exception of the little conference help they had at the start of their campaign they have carried on alone. This morning they report \$502.70. They expect to reach their \$600 goal by Sabbath. May the Lord continue to bless their efforts.

Waupaca took a large jump this past week also. Whereas last week they reported \$55.34, this week they report \$332.65, without conference help. We appreciate their fine work.

La Crosse gave a warm welcome to their new district superintendent, Elder J. H. Meier, by getting right into the swing of the Ingathering campaign this past week. They report \$205.17 this morning. Their goal is \$600.

There are other fine reports also. Superior and Oxford both made fine

progress this past week; and Clear Lake and Milwaukee Italian are forging ahead. We thank the Lord for His blessing on our work.

WISCONSIN CONFERENCE

(Continued from page 6)

Community Temperance Rally

A WELL attended temperance meeting was held at the Almond Community Hall on March 26. Talks on temperance were given: "The Effect

INGATHERING FOR 1944

of Alcohol on the System," by Dr. R. S. Ingersoll and startling statistics and statements about "Liquor and the War," were presented by Erling Calkins. A film entitled, "It's the Brain that Counts," was shown. The message of the night was a stirring sermon to all that attended.

On March 31 another temperance rally was conducted in Plainfield. We were assisted by local pastors of other churches and also a male quartette of the village.

These rallies were followed by regular evangelistic services held in the Almond Community Building and were conducted by Erling Calkins. Soft strains of phantom organ music before the services filled each listener with reverence. After the congregation sang its theme song, "Let the Beauty of Jesus," they heartily joined in singing from beautifully illustrated slides from the screen. The Almond quartette and mixed chorus rendered special music each evening, after which Erling Calkins delivered a sermon

which stirred the hearts of all in attendance. After another selection of special music, the benediction was pronounced and piano selections were softly rendered.

Each evening the services were well attended and much interest was manifested. The Almond church deeply appreciates the interest and effort given by Brother Calkins in behalf of the spiritual welfare of their community.
