"The wind blows where it wills, and you hear the sound of it, but do not know whence it comes or whither it goes; so it is with every one who is born of the Spirit." John 3:8, Revised Standard Version.

When Roxy LaRonge became employed as an assistant in the physical therapy department at Hayward General Hospital, she had no idea of the changes that would soon be taking place in her life.

She noticed the calm and kind dispositions of Steve and Brad Krasean, the therapists in charge of her department, and felt a need for inner joy and peace. When she discovered that they were Seventh-day Adventists, she determined to find what it was that gave them such inner strength. Their habits of living so impressed her that she attended a Five-Day Plan to Stop Smoking at the hospital.

This seemed to solidify what she was beginning to believe and she started to study the Bible with the pastor, Gilbert Floyd.

Coming from a strong religious background and facing stiff opposition from her family, Roxy was determined not to make any careless moves. She wanted to be sure that she was doing the right thing.

"Roxy was without doubt one of the most enthusiastic people I have studied with," said Pastor Floyd. "Each time we got together she presented me with a list of questions for which she wanted answers."

As studies continued the picture became complete and Roxy began to realize that God was leading her to a full commitment in baptism.

It was at this point that the unexpected mysteriously happened. Roxy's entire family gave her their blessing, stating that if she really wanted to join the Adventist Church it was fine with them. In fact they even traveled from various parts of the state to attend the baptismal service.

We never know how the Spirit may use our influence to lead someone to Jesus. Let us pray daily that He will use us to make contact for Him.

THE HEART OF THE LAKE UNION

# Bread of Heaven

by Pat Whitworth

"It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matthew 4:4.

"For the bread of God is He which cometh down from heaven, and giveth life unto the world. Then said they unto him, Lord, evermore give us this bread." John 6:33 and 34.

Bread sustains life and satisfies hunger. In the Lake Union there are millions of hungry souls whom only the bread of heaven can strengthen and satisfy.

Mid American Health Services is bringing the bread from heaven to communities in this union by establishing nursing homes, and most importantly through the influence of Christians who have dedicated their careers to service in these institutions.

One way Mid American employees are bringing Christ, the Bread of Life, to Wisconsin is through music. Paul Cinquemani, vice president/finance; Dan Houghton, administrator of the Colonial House of Colby, and his wife, Karen, have formed a music group called Manna. When asked why they called the group Manna, Karen said, "It represents bringing bread from heaven to people through music."

Dan and Karen have been singing together since they met at Andrews University. Paul has been a musician all his life and was a member of various entertainment groups before giving his life to God in 1977. He joined Dan and Karen in singing for Christ in September 1978

for the Discovery Crusade by Evangelist Phil Huber in Marshfield, Wisconsin. Fourteen people were baptized after that campaign. Then for five weekends in November and December the group drove from Marshfield to Milwaukee for another Discovery Crusade. After that campaign 20 people were baptized.

Several Seventh-day Adventist churches in Wisconsin have invited Manna to present a concert and to tell what Jesus means to them. Karen, Dan and Paul say, "We would like to touch others with God's call and help awaken a revival among God's people. We would also like to spark a love for Christ in those who do not know Him by singing about His love for them."

Manna presented a public concert in Marshfield where more than 150 people, including many non-Adventists, attended. Rande Dager, guitarist and a science teacher at Cedar Lake Academy, joined Manna for that concert. The favorable response from that program has encouraged Manna to plan more public concerts. It is hoped that doors to other churches will be opened to Manna as music warms the hearts of the Christians who come to public concerts.

Manna plans to release a record soon to help broaden its ministry.

"Christ accepts, O so gladly! every human agency that is surrendered to Him. He brings the human into union with the divine, that He may communicate to the world the mysteries of incarnate love. Talk it, pray it, sing it, fill the world with the message of His truth, and keep pressing on into the regions beyond." —*Testimonies for the Church*, vol. 9, p. 30.

WHO LIVES AT YOUR HOUSE,

# Angels or Demons?

by John and Millie Youngberg

Have you ever had the experience of attending a festive wedding, of participating in the joy of the occasion, and then learning some months or years later that the couple have separated or divorced?

The tuxedos, the white gown, the wedding cake, the pictures—all seem to mock us now. People begin asking each other, "Why couldn't they make it?"

Some may speculate about the nagging wife, the husband who gave first priority to his work, boredom or unfaithfulness as the probable cause of the break-up.

Worse yet, those who before seemed to be head-over-heals in love turn on each other and, to vindicate themselves, tell the world the faults of their former spouse which made it "impossible" to live with him or her.

As impressive as some of the reasons seem to be, however, somehow they seldom explain the tragedy.

To us the underlying factor could be summarized in five words of Jesus—"An enemy hath done this." Matthew 13:28. Yes, while men slept, unperceiving, unaware of what was happening, Satan was sowing tares in the marriage.

## "Natural" Causes?

With the growth of the behavioral sciences, marriage counseling and sophisticated testing, the tendency has risen, even among some professional Seventh-day Adventists, to explain family problems in terms of natural causes.

The limitations of the scientific method are not realized. We forget that "we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12. The Phillips translation says, "We are up against the unseen power that controls this dark world, and spiritual agents from the very headquarters of evil."

This world is too much with us. If the curtain were drawn aside, if our eyes and ears and spirits were open to the supernatural, we might be appalled to learn that there is more involved than marital incompatibility, nagging and inconsideration to spouse or children.

We are actors in a cosmic drama. The stage is the universe. Words spoken in the home echo to eternity. They can be responding notes to angels' songs, or share in the discord of degraded devils. We make angels rejoice or demons exult.

It is possible to go to the other extreme. Some study their Bibles but do not search for the warm human ways of expressing its clearest

teachings. They profess the truth but do not practice it in their daily home life.

We know students of the ministry who have steam-rolled over their wives' basic needs, and have refused their entreaties to attend any kind of marriage enrichment or communications skills training on the pretense that prayer and Bible study were enough.

Their eyes were blinded to the fact that they were making home a hell for their wives and that their dictatorial spirit and lack of warmth was slowly withering up the delicate plant of love.

In order to have a happy family there should be an ample understanding of human development and the natural laws with which we must cooperate in order to be a blessing to others and grow ourselves.

But beyond this there must be a sensitivity to the Spirit. "That which is born of the flesh is flesh; [natural development can carry us only so far] and that which is born of the Spirit is spirit." John 3:6.

"Except a man be born of water and of the Spirit, [conversion—having a renewed spiritual nature] he cannot enter into the kingdom of God." John 3:5. The Word of God draws the curtain aside to give us an understanding of another reality which is beyond that normally perceived by our five senses.

Titanic forces are striving for the mastery in our homes and hearts. We are not mere spectators but actors in

the great controversy.

We are told that Satan "is a mighty general who controls the minds of evil angels, and that with well-matured plans and skillful movements he is warring against Christ to prevent the salvation of souls. . . . While men are ignorant of his devices, this vigilant foe is upon their track every moment. He is intruding his presence in every department of the household, . . . breaking up families, sowing hatred, emulation, strife, . . ."—*The Great Controversy*, pp. 507 and 508, italics supplied.

Sometimes Satan influences a loved one to speak harshly or adjusts our ears to hear something the wrong way. Thus when no harm was intended, the snowball begins rolling and builds up to avalanche proportions which may wreck a marriage.

"Those we love may speak or act unguardedly, which may wound us deeply. It was not their intention to do this; but Satan magnifies their words and acts before the mind, and thus hurls a dart from his quiver to pierce us. We brace ourselves to resist the one whom we think has injured us, and by so doing we encourage Satan's temptations. Instead of praying to God for strength to resist Satan, we suffer our happiness to be marred by trying to stand for what we term 'our rights.' Thus we allow Satan a double advantage. We act out our aggrieved feelings, and Satan uses us as his agents to wound and distress those who did not intend to injure us."—*Testimonies*

for the Church, vol. 1, pp. 308 and 309.

#### Intercessory Prayer For Children

We have personally seen the cases of children who seemed to have one habit or "compartment" of their characters where years of their parents' most diligent efforts had been fruitless in effecting any reformation.

However, in other aspects the children seemed to be normal. These we have encouraged to persevere in fasting and prayer.

Along with doing everything they can to meet the developmental needs of the child, these parents must claim divine promises such as 2 Corinthians 10:4-5: "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds; Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ."

We are told that "children are the lawful prey of the enemy" but that "by the faithful and untiring efforts of the parents, and the blessing and grace entreated of God upon the children, the power of the evil angels will be broken, a sanctifying influence is shed upon the children, and the powers of darkness must give back." (Ellen G. White in the Review and Herald, September 19, 1854).

One of the greatest promises for our young children was penned by Ellen White in this same article: "... the seal, or mark, of believing parents will cover their children, if they are trained up in the nurture and admonition of the Lord."

#### Warfare

The battle that surrounds the human soul and the Christian family today is real and earnest. It is warfare. Myriads of evil angels are trying to crowd around us. They are awaiting any opportunity to find an entry through the television set, music we listen to, books and magazines, food we eat, sexual perversion, excesses within marriage, or simply by the feverish pace which leaves no time to hear the still small voice.

At the same time angels that excel in strength are commissioned to build a hedge about that family which chooses to be on God's side. The conflict is severe. At the voice of fervent prayer, demons are forced to retire from the field.

Oh how our families need the protection of praying parents and grandparents! How we need to put on the whole armor of God as mentioned in Ephesians 6!

Satan is the real enemy who is trying to break up our marriages and separate our families. Thank God for the clear instruction in His Word and for giving us the victory through our Lord and Savior Jesus Christ.

## BOGDANOVICH AND FIRTH NAMED TO NEW POSTS

Andrews University's Board of Trustees has named Michael Bogdanovich assistant to the vice president for financial administration and director of independent operations, and Morna Firth as assistant director of purchasing.

Mr. Bogdanovich has been manager of the College Place Bindery at Walla Walla College for the past 10 years. Prior to that, his sales and managerial experience included five years in private industry.

He was also manager of the binderies at Maplewood Academy in Minnesota and Atlantic Union College for a total of 14 years.

In addition to coordinating the operations of the various university-owned industries, Mr. Bogdanovich will be expanding work opportunities to meet the growing demand by students and their families.

Community business leaders will be encouraged to locate operations near the university and efforts are being made to provide light assembly opportunities on campus.

Mrs. Firth, formerly secretary to Vernon H. Siver, vice president for financial administration, has been involved in university purchasing operations for several years.

She will be responsible for the purchase of all classroom furniture, office furnishings and other items. She will continue to handle all carpet and drapery purchases, telephone orders and changes, and employee housing and moving.

## NEW SIGNS AT MID AMERICAN

Mid American Health Services facilities recently installed new signs identifying them as community services of the Seventh-day Adventist Church. The signs, which stand five feet high and are ten feet long, are lighted at night. Above is the sign for the Bethel Convalescent Center.

## VOLUNTARY EFFORTS CUT HOSPITAL COSTS

HINSDALE—In 1978 Hinsdale Sanitarium and Hospital reduced the rate of increase in its expenditures by 4 percent compared to the previous year, according to Irwin C. Hansen, hospital president.

Under the program known as Voluntary Effort (V.E.) to Contain Health Care Costs, hospitals have been encouraged to reduce the rate of increase in expenditures by 2 percent per year by the end of 1979.

Hospitals nationally realized a 2.8 reduction in 1978 over the 1977 rate of increase, despite recent increases in expenses due to inflation.

"The success of V.E. at Hinsdale Hospital can be attributed to several factors," says Mr. Hansen.

A stringent utilization review process has successfully lowered the average length of stay to 7.1 days—the third lowest in the state. A shorter hospital stay translates into a smaller hospital bill.

Energy-saving measures will reduce hospital expenditures by more than a quarter million dollars during the next few years. Savings such as this will be reflected in patients' bills. Due to a reduction in professional liability

insurance rates, Hinsdale Hospital was able to cut overall expenses for hospitalization by \$125,000 annually.

Group purchasing also allows the hospital to reduce costs while maintaining modern quality care. For example, a recent contract for intravenous solutions and tubing resulted in a \$30,000 annual savings to Hinsdale Hospital.

Hospitals nationwide are committed to cost efficiency without jeopardizing their present or future ability to meet their communities' health-care needs. The success of Voluntary Effort seems to be resolving many of the arguments for increased governmental control.

### SPEECH CHOIR AT DOWNERS GROVE

Three groups of teachers and superintendents made up a speech choir as part of a dedication for all Sabbath School leaders at the Downers Grove Church in July. The groups asked questions and gave the Scripture responses in front of a combined adult and lower division Sabbath School. After a brief introduction by Margaret Best, senior superintendent, the pastor, John Baldwin, concluded the presentation with a few remarks and closing prayer.

### BOLINGBROOK BUILDS A NEW CHURCH

"And let them build me a sanctuary; that I may dwell among them." Exodus 25:8.

Monday, July 9, was the ground breaking for the Bolingbrook Church.

Families from Downers Grove and Hinsdale churches began the church in rented quarters two years ago. Land for the church was purchased by the members of the Oak Brook Church before they disbanded. The Oak Brook Church was made up of many members from the old Swedish Church.

There was a short ground-breaking ceremony. Those present were conference president John Hayward; conference treasurer Ray Rouse; Pastor Burton Wright; Pastor Tom Shepherd; Richard Meier, treasurer; Lewis Carson, first elder; Gary Strong, building committee chairman; Daniel Snider, the oldest member; Charles Klosterman, pastor of the First Methodist Church located next door, and members of the Adventist congregation.

The building should be finished by late October. The members are looking forward to a truly thankful Thanksgiving.

The Moline Church

## MOLINE CHURCH DEDICATED

Dedication services for the \$140,000 Moline Church building were recently held in special weekend services on July 6 and 7.

A consecration candlelight service on Friday evening commemorated the Lord's Supper with music, testimony and a personal renewal of faith.

Conducted by the present pastor, Paul Larsen, the service prepared the members to accept and comprehend the blessings God would have the following day.

Sabbath was a joyful day for the members and guests in attendance. John Hayward, Illinois Conference president, presented the 11 o'clock message, emphasizing that the true church on earth will soon triumph because the Rock, Jesus Christ, upon which the church is built, cannot suffer defeat.

In the afternoon dedication service, former pastor Don Lewis, now of the Peoria Church, showed slides of the construction of the church that members helped build.

Members were privileged to have Lowell L. Bock, Lake Union Conference president, present the dedicatory address. He stressed the importance of a dedicated people through which the community might understand the love of God.

Ninety-two years ago the first meeting of the Seventh-day Adventist Church on the Illinois side of the Quad Cities was begun with the baptism of three persons on May 29, 1887.

In 1904 a company assembled to form a church organization in the Moline Tri-City Sanitarium.

In June 1963, Dr. William Howe Otis, son of Drs. Frank and Mabel Otis, who were active members in the Moline Church and helped build a positive reputation for the Tri-City Sanitarium, offered the present site for

the church as a gift in memory of his parents.

On July 28, 1968, with the leadership of E. H. Moldrik, ground-breaking ceremonies were held on the new site. Don Lewis later became pastor and saw the building to completion.

### NEWS NOTE

• As interim pastor for the Glendale Church, Jerry Lastine, conference director of stewardship and trust services, met each Monday with the fifth- and sixth-grade classes at Indianapolis Junior Academy to study the Bible. The class members also decided to outline the sermon each Sabbath to help increase their interest and attention. Pastor Lastine surprised everyone who did outline each sermon during the month with the gift of a book. In April fifth-graders Melissa Barnhart and Mark Pfothenauer were baptized along with Michelle McKinley, Angela Hammans and Floyd Knight. Several others requested further Bible study to prepare for baptism. The church members expressed their appreciation to Elder Lastine at a reception in his honor in June.

Elder and Mrs. Carter gave nine Bible study enrollment cards to Pastor Ed Barnett. The Carters enrolled people when they visited from house to house in Crawfordsville.

evangelists of the Indiana Conference in an evangelistic rally.

Approximately 20 literature evangelists, leaders, and laymen from the Lafayette Church united to distribute 1,300 Bible study guide cards and 1,300 copies of the book, *Hours to Live*.

Forty-eight families signed up for Bible studies that afternoon and several others have responded by mailing in the cards left at homes where no one answered the door.

Elder and Mrs. Carter enrolled nine families in the Bible study plan.

Teresa Hermsdorfer preregisters her son, Tim, for V.B.S. Teresa brought nine young people to V.B.S. each day.

## NEW IDEAS USED IN GLENDALE V.B.S.

The Glendale Church would like to share some Vacation Bible School ideas they found successful this year. Vacation Bible School was held June 11 to 15, with an enrollment of 70 V.B.S. members.

A softball game was played before V.B.S. between the Teen Club members and other V.B.S. workers.

Preregistered members participated in a bicycle parade to distribute V.B.S. invitations to the young people in the community.

V.B.S. preliminaries were begun one-half hour before the opening

exercises. The preliminaries included taking registration and attendance records at the welcoming table. A film was shown each morning to children who arrived early.

Coupon stickers were attached to the attendance card of the children who attended every morning. Coupons could be earned at the welcoming table for attending, bringing a Bible or

bringing a friend. Each teacher also awarded coupons for memory work and completed assignments. The children could cash in the coupons at the "gift store."

A new idea that really added a lot was the Teen Club. Members of the club were in charge of registration, attendance and the gift store. It was an added inspiration to the V.B.S. staff to watch their kindness and patience in working with the younger V.B.S. participants. The teens also enjoyed their own softball games, crafts and club meetings.

The Shelbyville church members, Pastor James Vetter and Earle Davis were invited to take motion pictures and slides of V.B.S. participants. The pictures were shown at the family night program. Ruth Cherry, also of Shelbyville, taught a class each day and exchanged ideas for a successful V.B.S.

### CHRIST IS THE ANSWER CRUSADE AWAKENS NAPTOWN

The city of Indianapolis, Indiana, was awakened and revived as Evangelist R. C. Connor and the Christ Is the Answer Crusade team converged upon the town during June.

Nightly, in the new Eastside Church, soul-stirring and soul-searching messages were preached to awaken and revive the people of Indianapolis for the second coming of Christ.

Many hearts were delighted by the message in song as presented by Nancy Wallace and Betty Bellamy. Further rejoicing was experienced when Cloie Logan, accompanied by Leroy Logan, expressed the message through song.

As a result of the crusade, 183 persons were baptized and united with either the Eastside or Capitol City church.

Pastors Roy Bellinger and J. D. Simons reminded us to give the glory to God for these new believers.

With the leadership of both pastors, classes have been established and activities set up to provide further study and counsel.

We pray that through this awakening each convert will be found faithful when Christ comes to gather His precious Jewels.

## GROUND-BREAKING CEREMONY AT EVANSTON

Sunday, May 6, 1979, was an exciting and grand day for the members, friends and well-wishers of the First Evanston S.D.A. Church in Illinois as the ground-breaking ceremony took place.

This was half of a dream come true.

The other half is to see the completion of the church.

The members have decided that with God's help they will take up the task of seeing a suitable building built to shine as a beacon in the city of Evanston.

Dr. C. D. Joseph, conference president; R. C. Brown Sr., secretary; Don March, former pastor; O. Martin, local elder, and Ronald Bell, pastor, took part in the ceremony.

On June 19, 1979, at 4:30 P.M. the dream of a new church home was realized when the last transaction was signed and the keys to the new church were turned over to Pastor Ronald Bell at the Maywood Proviso State Bank.

For seven years the Maywood Community Seventh-day Adventist Church hoped and prayed for this day.

The church was formerly owned by another congregation and came fully furnished, with a seating capacity of approximately 350.

## LETTER OF APPRECIATION FROM SOCIAL SERVICE WORKER

Is the work of the church's community services centers appreciated? It would seem so, according to a letter received by the Lansing Center from Mildred Pratley of the Ingham County Department of Social Services.

On June 5 she wrote: "I must take time to express my appreciation for the service you have provided to three of my clients. You are always so gracious and kind, regardless of the appreciation shown by the client. Certainly your service is a testimonial to the benevolence of your church.

"I am sure I speak for other workers in our department when I say you are

indispensable to many needy people in our community, and we thank you for all you do."

## 10-MILE WALK-A-THON FOR INVESTMENT

Sunday morning June 10, dawned dark, cloudy and threatening rain, but that didn't stop 36 members of the Bauer Sabbath School from starting their Investment walk-a-thon of 10 miles.

Organized and directed by the Investment leader, Elmer Peterson, the walkers left the church at 9 A.M. and everyone was back by 12:15 P.M. Most of them were wet due to the heavy rain that fell at about the seven-mile mark.

Those walking were from every age group. The youngest was 5 years old and the oldest, 67 years of age. The Pathfinder club members also took part.

A total of \$952.55 was raised for Investment, putting the Bauer Church well over its goal with only half the year gone by. With the other

Investment money already turned in, the goal has almost been doubled.

There were other interesting statistics: Elder Jerry Jablonski jogged the entire 10 miles in one hour and 47 minutes. The average miles per person was 8.13. Estimated calories burned was 48,600. Miles walked totaled 292.6. Average money earned per walker was \$26.46. Ninety nonmembers participated by walking and/or sponsoring someone.

So far Bauer Church has 77 percent of its Sabbath School members participating in Investment.

## BILLY THE KID VISITED SABBATH SCHOOL AT MUNISING

On a recent Sabbath morning at the Munising Church the children had just been dismissed from their Bible study classes and the members in the adult division were just bowing their heads for closing prayer.

The silence of the service was broken by the terrifying crash of a window. A dog barked and children screamed. Parents rushed down the hall to see if one of the children had fallen through a plate glass window in the foyer!

Entering the foyer they saw a gaping

hole in the lower window. The glass strewn floor and the trail of blood brought horror to stricken minds. The trail led around a corner and into a new closet where they found little Billy, trembling and bleeding. He had two-inch cuts on his face, chest and leg.

Since Billy was her kid, Mrs. David Lovenguth, who is a registered nurse, rushed in and endeavored to stop the bleeding.

How had Billy gotten through that plate glass window? Why had he hidden in the closet? Well, this was the first time Billy had been to Sabbath School.

After Sabbath School Billy had been standing on the front lawn with the friend who had brought him, when a big black dog wandered around the corner and saw Billy. Billy also saw the dog and started to run. The dog closed in.

Billy shot around the corner like a streak of white lightning, lowered his head and took out the window. That's how it began, and thanks to Dr. Donald Fahrback's kind help, Billy will be all right. For Billy is a two-month-old registered French Alpine goat.

## THREE ORDAINED AT CAMP MEETING SESSION

Three pastors were ordained at the 111th Michigan camp meeting on Sabbath, July 21. Pictured, from left, are the newly ordained men and their wives: Leonard and Elizabeth Andrews of Manistee and Ludington, Ralph and Mary Darrough of Hartford and Covert, and Kwang Oh and Kyungsoon Kim of the Detroit Korean Church. Elder R. R. Bietz preached the sermon, and during the prayer by Elder W. A. Fagal the three men were set aside for their sacred calling by the laying on of hands.

### LITTER-RIDDERS OF WILSON

Students from the Wilson Church School were among 13 organized volunteer groups who walked the roadsides of Menominee County in an effort to clean up the environment. In the 15 miles that the Wilson students walked, 165 bags of litter, paper and other trash were collected. Grades 1 through 10 also covered the area prior to the pickups to obtain sponsors who would pay them anywhere from 50 cents to \$5 per bag. To their surprise, \$1,017 came in from family, friends and neighbors to help obtain a sign for the school and a snare drum for the band. The remaining funds will be used for other school equipment.

### 100TH BIRTHDAY CELEBRATED ON FRIDAY THE 13TH

Friday, July 13, 1979, was a day of blessing for Evalena Hibberd who observed her 100th birthday on that date in Berrien Springs.

Evalena Boucher was born in Kinneyville, Michigan, and moved several times during her childhood. While living in Okemos she met John Hibberd at a church service where she sang in the choir. He was impressed with her lovely soprano voice and made her acquaintance. Sometime later he proposed and they were married on September 16, 1897.

The first 12 years of their married life the Hibberds spent in Barberton, Ohio. Then they moved back to Michigan where they purchased a 40-acre farm in Isabella County and lived there until 1967. The Hibberds had five children, four girls and one boy. There are now 8 grandchildren, 17 great-grandchildren and 3 great-great-grandchildren.

A surprise birthday party was given for Mrs. Hibberd on the evening of July 12 by her daughter, Mrs. Earl Forbes, at the home of Mr. and Mrs. LaVern R. Rice in Berrien Springs.

Since Mrs. Hibberd divides her time between the homes of her three living children, it has not been possible for her to attend her home church at Big Rapids during the past several years. However, she was honored at that church Sabbath, July 14, and presented with an orchid corsage by the pastor. The wife of the Big Rapids Church pastor, Mrs. C. W. Pomeroy, is Mrs. Hibberd's niece.

On Sunday, July 15, Mrs. Hibberd enjoyed a family reunion and potluck luncheon at Weidman, Michigan, followed by an open house in her honor.

Mrs. Hibberd has suffered fractures of both hips in recent years, but does not let her handicap prevent her enjoyment of life. She enjoys crocheting lace for sheets and pillowcases as gifts for friends and relatives.

She also makes it a habit of reading her Bible every day and enjoys other good reading material. She helps in the homes of her children with light housekeeping duties, and carries on an extensive correspondence with friends and relatives in many of the 50 states.

She looks forward to additional years of life and to our Saviour's return when she can be reunited with loved ones.

### BAND WORKSHOP TO BE HELD AT CEDAR LAKE

The Cedar Lake Academy music department has scheduled the 1979 band workshop for August 22 to 26.

According to the band director, Steve Hall, the workshop is to help students planning to play in the band get their skills back in shape after a summer off and to give the band a headstart on practicing for the year.

*A band concert held at Cedar Lake Academy this past spring was directed by Steve Hall.*

Attendance at this workshop is not required for C.L.A. band students but is strongly recommended.

This is the fifth year the academy has conducted such a workshop and "it seems to be quite successful," Mr. Hall reports. Usually about two-thirds of the regular band members participate, he added.

This year 50 to 60 students are expected to attend the five-day workshop which will be directed by Pat Silver, director of Andrews University's band.

As guest clinician, she will conduct three days of rehearsals and give a concert on Sunday evening, August 26. In addition, several other guests will be in attendance to help with the instrument sections of the band.

If you are interested in attending this year's workshop, write to: Steve Hall, Cedar Lake Academy, Cedar Lake, MI 48812, or just bring your instrument and come.

### VEGETARIAN DINNER FOLLOWS COOKING CLASSES

On June 13 the Williamston Church invited members of the community to a vegetarian dinner as a follow-up of a vegetarian cooking class sponsored by the church in April. More than 50 people attended the dinner held in a local school. Guests enjoyed, among other dishes, entrees made from meat analogs and from ingredients which they could purchase in local stores. Many requested recipes for the entrees. Shown serving at the dinner are Sheryl Rampton, Arlene Mohr, Kathy Jones, Pat Decker and Carol Calkins.

## NEWS NOTES

• A child dedication was conducted at the Superior Church on June 9, 1979, by Elder Warren Dick, Wisconsin Conference treasurer. Infants dedicated were Michael John Chronister, Miriam Marie Springer, Mandy Beth Borgh and Mark Robert Bouchard. Children that were dedicated were Victor and Julie Borgh, Cheryl Lynn, Wayne Oral and Christine Sue Bouchard.

• On July 21, Mr. and Mrs. Thomas Stinson and Mark Mecha were baptized at the Manitowoc Church.

• On July 14 three nature movies were presented by Betty Zmaj to the Sheboygan Church at vespers. Film topics were: Pollution, Conservation, and The Stars and Universe. On July 20, The Bible and It's Influence on Western Culture will be presented. These films were obtained from a public library.

• The Sheboygan Church had a county fair booth for six years but lost it through a mix-up of contract renewal. Prayers of the church members were answered and they now have a booth in a better location with members planning to use it to spread His word.

The Wausau Church School has room for all the children.

## WAUSAU CHURCH SCHOOL EXPANSION

The new addition on the Wausau Seventh-day Adventist Church has brought real peace of mind and joy to

the teachers, students and church members.

The school was meeting in a large Sabbath School room and the church foyer. This made it necessary to move desks and equipment into corners so the Sabbath School and church could be conducted.

Then the teachers had to rearrange the desks every Monday morning. The new addition has provided a more permanent place for the school.

The children expressed the desire to have new desks for the new schoolrooms. With all funds going to the new building program there was no money available for this. Some other furniture was also needed.

The teachers suggested that the church members pray about it and she decided to have the children write to friends and relatives out of town asking them to sponsor a desk.

God answered the prayers. Generous friends and relatives made possible the purchase of 30 desks, chairs and a table.

What seemed an impossibility became a reality through the faith of the children. They prayed nearly everyday in morning worship that God would answer their prayers if it were His will.

Wausau is looking forward to another rewarding school year in the new addition. It is the hope of each of the church members that the school will be a soul-winning avenue—for the children attending the school and for others to witness what God can do.

Due to financial difficulties some of the children may not be able to attend this coming year; however, this is also a matter of prayer.

"And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isaiah 54:13.

indicating that they were special contributors.

According to Mr. Davis, one of the featured speakers, the Listen ministry is needed in the public school system to reach the next generation. Young people must be made aware of what control substances do to their minds.

In his remarks to the audience, Dan Devine, football coach for Notre Dame, mentioned a number of times his appreciation for the Listen program and Chuck Hood's work.

The linen and decorations for the dining room were supplied by a rental agency in South Bend as a donation to the Listen program, according to Mr. Hood.

The Indiana Conference provided the food for the banquet.

### INVEST FOR ETERNITY

One of the greatest challenges that God gave His church was and is, that of missions. "Go ye into all the world, and preach the gospel to every creature." Mark 16:15 is still the Lord's command for today.

You may not be able to go in person further than your neighbor, but if you give a portion of what God has shared with you, you can go vicariously and help others to know Jesus.

Our mission program is becoming increasingly difficult because of government controls, travel restrictions between countries, uncertain peace conditions, the conflicting philosophies and ideologies of the world, inflation and devaluation of the monies in our home base countries.

Yet in many parts of the world the most productive opportunities for evangelization of thousands upon thousands is ours today.

The greatest investment for eternity available to you and me is giving today to world missions because it starts a chain reaction. Consider Pedro of Eastern Costa Rica who was baptized with five other people he had personally led to Jesus.

And there is Jose of Western Guatemala, who said to the pastor, "This is my valley."

"What," asked the pastor, "do you own all the land?"

"No," Jose answered, "it is my mission territory and I share with the families that live here what you are teaching me in preparation for my baptism."

If you want a fresh blessing, give to world missions on September 8, in proportion to the blessings you have received from your Senior Partner.
