# PACIFIC UNION RECORDER

OFFICIAL ORGAN OF THE PACIFIC UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS

VOL. 71

ANGWIN, CALIFORNIA, MARCH 13, 1972

NO. 35

## Mission '72

Live broadcasts of the Reach Out for Life meetings at Pacific Union College may be heard on KANG, 89.9 f.m., every night at 7:30, except Sabbath and Monday. Invite your friends and neighbors to listen with you.

### The Old West Will Come Alive at the Union Pathfinder Camporee

The call is again sounded for all Pathfinder Clubs in the Pacific Union to plan to assemble on June 20-23, 1972, at Big Pine, California, for the Pacific Union Pathfinder Camporee. All Pathfinders and their leaders who can measure up to the high standards and requirements of this camporee are welcome.

Students throughout the Pacific Union annually participate in projects to swell their Valentine offering to Faith for Today. Many hold bake sales, as did those students at San Francisco Junior Academy. From schools within the Central California Conference alone, Faith for Today received \$2,482.81.

Elder Harry Garlick, chief wrangler, sounds the call for all Pathfinder Clubs to come to the Pacific Union Camporee.

With "Footprints of the Early Western Pathfinders" as the camporee theme, the thrill of the Old West will again come to life. Not only will there be exciting events and features at the camporee site, but there will be opportunity for the clubs to explore such things as old ghost towns and camps that are tucked away in the corners of this fascinating area; or to visit the oldest living life on this planet, the bristlecone pines; or possibly to hike the second highest peak in the United States, Mount Whitney; or maybe to take a trip to the lowest point in the United States, Death Valley.

There are even such places of interest as fish hatcheries, old narrow-gauge railroads, Indian petroglyphs, hot springs, mines, wildlife, ancient artifacts, sand dunes, and many more thrilling, exciting, charming, and fun adventures.

All Pathfinder clubs should plan now to set up Squatter's Rights at this coming Union Camporee.

### SO YOU WILL KNOW...

Loma Linda Foods indicates that during 1971 their organization paid almost \$14,000 for labels that were turned in through the Sabbath schools. Since this label-saving plan was inaugurated many years ago, a total of \$276,871.97 has found its way into the mission budget of the church.

On Sabbath, April 8, all of the churches in the North American Division will be given the opportunity of donating to an offering that will be used to provide scholarships for young people who are students at our Theological Seminary or the School of Graduate Studies of Andrews University. These are worthy young people who merit our assistance as they prepare to serve the church either as ministers or teachers. Thank you for anything that you can do as the April 8 date approaches.

A recent report indicates that only 17,561 copies of the Review & Herald are arriving in our Union each week. The mailing list for the Pacific Union Recorder is 43,000 which approximates the number of homes represented in the Union Conference membership. This would indicate that more than half of our homes are not receiving the Review. If you are not a subscriber, please give this matter some serious consideration. There is no better way of keeping up with the work of the church throughout the world field than by becoming a regular subscriber to and reader of our church paper.

The Union Conference Committee met on the afternoon of February 28 and continued through February 29. At this annual audit and budget meeting we reviewed the financial statements as they appeared at the end of December, audited the reimbursement to all of the workers on the Union staff during the year 1971, and approved an operating budget for the year 1972. Our Union Conference is in a strong financial position. With the scope of the work here in this territory, it is essential that this organization remain strong and carry adequate reserves to meet any unforeseen emergency.

A report was given to us on the Revolving Fund. At this moment, there is a total of \$3,758,922.47 in the fund, most of which has been loaned to churches, schools, and other institutions for capital development purposes. A regular pay-back schedule is worked out so the Fund is really "revolving," as it was planned to do. In the eight years that it has been in operation, not one penny has been lost by the failure of any organization to meet its obligation to the Fund. We are most grateful that so many of you have placed your money in the Revolving Fund, and I wish to assure you that it is doing a tremendous amount of good. Numerous churches and schools are in use today that possibly would not have been established had we not such a Revolving Fund.

"Be of good cheer . . ."

Take a look around you, especially during their week, March 18-25, at the dedicated Seventh-day Adventist Christian youth. And why not ask them to participate in your services both Sabbaths, March 18 and 25?

### Director of Nursing Service Appointed to Hospital Board

The director of nursing service at National City's Paradise Valley Hospital has been appointed to a two-year term as a member of the medical institution's board of trustees.

Beth Hartley

Miss Beth Hartley, who joined the hospital staff in 1970 as in-service director and assumed her present duties last year, is only the second woman to ever serve as a trustee

of the 66-year-old facility.

Most recently affiliated with Loma Linda University medical school, she is a graduate of Walla Walla College and holds an M.A. degree in nursing from the University of California at San Francisco.

Miss Hartley's professional affiliations include the National League for Nursing, American Nurses' Association, California Nurses' Association, District 8, and the Association of Seventh-day Adventist Nurses.

She is active in volunteer nursing programs sponsored by Smoking Research and the American Cancer Society.

### Lay Activities Director D. L. Olsen Reports on the 1971-72 Ingathering Results

Results of the 1971-72 Ingathering crusade are now available, with totals representing those funds received from February

1, 1971, until January 31, 1972:

Conference	Last Year's Final Totals	Per Cap.	This Year's Final Totals	Per Cap.	Amount of Increase	Percentage of Increase
Arizona	\$ 69,911.25	16.95	\$ 75,859.59	17.55	\$ 5,948.34	8.5%
Central California	228,775.76	12.55	231,577.71	12.32	2,801.95	1.2%
Hawaii	60,880.20	23.36	62,234.85	22.73	1,354.65	2.2%
Nevada-Utah	44,332.62	21.76	44,432.14	21.29	99.52	.2%
Northern California	232,158.67	9.52	242,963.09	9.75	10,804.42	4.7%
Southeastern California	216,436.36	7.99	216,930.69	7.72	494.33	.2%
Southern California	302,310.60	11.01	310,165.97	11.06	7,855.37	2.6%
Union	\$1,154,805.46	10.90	\$1,184,164.04	10.86	\$29,358.58	2.5%

It has been a crowning victory! Every field registers an increase over last year. Arizona leads, with an 8.5% advance. Well done, Arizona!

The large Northern California Conference steps up and ranks second for percentage of increase, with 4.7%. Remarkable! Southern California leads in total amount, with \$310,165.

Hawaii takes first place in per capita, with \$22.73. Central

California, Southeastern California, and Nevada-Utah would not be deterred until they had exceeded last year's total. An amazing performance!

We bow our hearts and heads to thank God . . . to thank God's leadership . . . and to thank God's people for their strength of purpose and loyalty demonstrated in this tangible way. It is an outstanding performance and sets the pace for Mission '72.

### D. D. DOLEMAN CONDUCTS MEETINGS AT EAGLE ROCK

The Eagle Rock Seventh-day Adventist Church located at 2239 Merton Avenue in Los Angeles is hosting the Dimensions of Faith evangelistic program, which began March 4 and will last for six weeks.

D. D. Doleman

Meetings are at 7:30 p.m. on Tuesdays, Wednesday, and Fridays, and on Sabbath afternoon at 4 o'clock.

Meetings are in their second week now.

Travelogues on the Bible Lands are included throughout the series.

Elder D. D. Doleman preaches the distinctive Adventist message with great power and thoroughness. Adventists in the Eagle Rock community will want to attend and invite their friends. Elder A. Howard Miller is pastor of the church.

R. E. BROWNING,  
Associate Evangelist.

### Morris Taylor Family To Give Concert at the Pasadena Church

The Morris Taylor family from Andrews University will give a sacred concert in the Pasadena church, 1280 East Washington Boulevard, Friday, March 24, at 8 p.m.

Dr. and Mrs. Taylor are duo-pianists. The four children, ranging in age from 10 to 15 years, all play string instruments.

fitness March 31 to April 2. The programs are open to the public.

Diet, weight, stress, and exercise will be discussed on Friday, March 31, at 7:30 p.m. in Rupp Memorial Chapel, 11111 Harris Avenue, Lynwood.

At 8 a.m. Sunday, April 2, in the auditorium, 4200 Imperial Highway, Lynwood, the team will do individual testing, evaluation, and counseling. Blood pressure, breathing capacity, posture deviations, weight problems, and the heart's response to stress during exercise on a monitored treadmill will be evaluated. Each individual is advised in regard to diet and exercise suitable for his particular condition. If tests reveal positive signs, a report is forwarded to the person's physician.

During the past five years, the team has screened and evaluated nearly 10,000 persons in the United States and Canada.

Preregistration is necessary for those who wish to be tested. The cost is \$10 per person. For an appointment, call (213) 639-0223.

F. W. HUDGINS, Director,  
Public Relations.

## "This Is Inner City's Finest Hour for Working"

The work of Inner City programing was born out of necessity. Great changes have been taking place in our great cities. People are moving into the suburbs away from the congestion of decaying cities, and the poor and disadvantaged of all races and creeds are moving into the inner cities. Frustration and despair run at a high pitch. Crime thrives there. Suddenly we have the birth of a virtual mission field right in our cities. The church has a job to do, and that job must be done quickly and lovingly.

In volume nine of the *Testimonies*, p. 127, we are faced with a direct challenge: "Christ's example must be followed by those who claim to be His children. Relieve the physical necessities of your fellow men, and their gratitude will break

### BACK-PACK TRIP PLANNED ON THE JOHN MUIR TRAIL

Plan now for two full weeks of healthful exercise and Christian fellowship.

Climb famous Mt. Whitney or relax in a quiet mountain meadow. These and other joys of the mountain world can be yours.

The MV department has again scheduled a back-pack trip on the famous John Muir trail. Announced for August 13 to 28, 1972, the trip will begin with a boat ride across beautiful Florence Lake. After covering over 100 miles of high mountain trails and spectacular scenery, the hikers will arrive at Whitney Portal near the town of Lone Pine.

No experience is necessary for this once-in-a-lifetime trip but hikers must be at least 14 years old, able to carry their own gear and food, hike 8 to 10 miles per day, and must provide their own transportation to and from Merced.

Trip fee of \$25 will include food, insurance, and group transportation from Merced.

Don't miss out on this! Write now for an application and further information: Pack Trip, Box 580, San Jose, California 95106.

### April 15 Declared "Iowa Day" at the Whittier Church

Pastor Fred Kinsey and the Whittier Church Board have set aside Sabbath, April 15, as "Iowa Day."

The pastor, recently from Des Moines, welcomes all former Iowa residents and vacationing Iowans to attend his church and bring a lunch. The church will provide picnic tables and hot and cold drinks. A musical program is planned in the afternoon and there will be a short meditation period at sundown.

For more information, call (213) 696-9417 or write to the Whittier Church, 8841 S. Calmada, Whittier, California 90605.

Take Interstate 605 into Whittier. Exit at Whittier Boulevard off-ramp and drive five miles east on Whittier Boulevard to Calmada. Turn south two blocks.

down the barriers, and enable you to reach their hearts." Every church member in our conference can do something for Christ along this line.

Plans are already being laid to reach hundreds and even thousands in Central during 1972. A new Community Service Center is being readied for opening in East Palo Alto. Elder H. Edison Nembhard is gearing his members to launch out in a strong way to minister to the people of his area. Surely God will richly bless them.

In San Jose the Ephesus Church is launching out in preparation for their Inner City work. The former Dorcas building will become a Community Service Center and will be adequately staffed and programed to accommodate the needs of young and old alike. Training sessions are planned prior to the summer months so that all who are involved in Inner City work will be fully prepared to relate to those with whom they come in contact.

The Inner City work is a timely work for God's people today. The poor and suffering of all races are to be reached in this special kind of ministry of love. Every department of the Church can do Inner City work. If performed lovingly and prayerfully, the Lord will bless both the doer and the receiver and we shall soon have the privilege of walking into the kingdom together as brothers and sisters in Christ. This is Inner City's finest hour for working!

TED T. JONES, Director,  
Inner City Services.

### Recreation-classroom Building To Be Built at Orangewood

Ground-breaking ceremonies for Orangewood Academy's new recreation-classroom building were held Wednesday, February 16.

The first soil was turned by Jerry Nyström and Joe Railey, Associated Student Body presidents for the first and second semesters of this school year respectively. Next with the shovels were Mike Mosbeck and Cindy May, boys' and girls' vice-presidents. Physical - education teacher Louis Yaw presided over this part of the ceremony.

Speeches were given by history and German teacher William Dutton, Principal Robert Hamilton, and board member Dr. Thaine Price.

Mr. Dutton talked about the history of the academy, tracing it back to the Centralia school, perhaps the first Seventh-day Adventist school in California.

Elder Hamilton discussed the school's

need for the new building, emphasizing the shortage of classroom space and the need for a place where school and church groups could meet for recreational activities.

Dr. Price told where the money was going to come from. A large share of the funds was left to the school in the will of Mr. and Mrs. (Erma and Henry) Wagner, two non-Adventists who were impressed by the godly life of their Seventh-day Adventist housekeeper. In addition, students raised funds in a candy-selling campaign. The balance of the money will come from the churches in Orange County, the conference, and the academy itself.

Also participating in the ceremony were the Orangewood Academy band, under the direction of Robert Behr, and the pastors of several of the Orange County churches.

DENNIS PETTIBONE.

### Interest and Attendance Steadily Rises at the Barstow Company

A typical group of believers and visitors who attend Sabbath services with the Barstow Company is pictured. Mrs. Sidney Watkins and Mrs. Edgar Woods, first and third ladies from the right, have worked along with their husbands for years to develop a new church in the area. Interest and attendance is steadily increasing under the spirited preaching of Chris Wimbish, first elder of the San Bernardino K Street Church.

### Students and Teachers Raise Money for Faith for Today

The students and teachers of the Riverside school have gone all out for Faith for Today in 1972. When the appeal was made for the annual Valentine's day offering, every room wanted to participate.

The first- and second-graders brought their personal offerings instead of buying valentines. Also, the first grade sponsored a bottle drive.

One day, the students had a special treat for lunch, since the eighth grade sold vegeburgers. On other days, a south of the border flavor was added to the drive as the third grade sold tostados, the fifth grade sold burritos, and the sixth grade sold tacos. The fourth grade provided sweetness with a bake sale.

A high point of the drive occurred on Wednesday, February 23, with an afternoon fair. The fair was sponsored by the seventh grade. There were pony rides, fun

booths, a movie, and lots of delicious food.

Over \$500 was raised for Faith for Today and the students learned that working for the Lord is more important than working for yourself.

### Fullerton Church Purchases Artificial Limb for a One-armed Pastor in Burma

Little Victor Kipzanang, 9, was small even for his tender years. He got lost in the crowds of other children in the North Chin Hills of Burma. However, he was old enough to work in the rice mills where he worked alongside other children until that day when the accident happened. Victor lost his arm above his elbow and began life, hard enough in that region, without his right hand.

Defying the handicap, the young lad gained an education in an American Seventh-day Adventist mission school. In spite of the odds, he completed his education at Spicer College in Poona, India, and became a minister.

The year before Pastor Kipzanang was ordained, in 1969, he was first-place in soul-winning endeavors in the conference. Continuing his successful efforts, in spite of the fact that 85 per cent of the Burmese people are Buddhist, the young minister baptized another 25 during the last quarter of 1971.

The story became known to Oscar and Jerry Lund of the Fullerton Adventist Church last year when Pastor and Mrs. Frank Wyman addressed La Sierra College alumni on Alumni Day. The Wymans were long-time missionaries in Burma, but were forced to leave the country when the Adventist hospital was nationalized. According to the Wymans, many nurses and teachers could no longer

work in the American sanitarium and hospital at Rangoon. Those who worked so hard for so many years for their countrymen there are now living in poverty in isolated places, according to the Wymans.

The missionary couple supplied Oscar and Jerry Lund with names of persons needing and deserving help in Burma, and the Lunds chose the name of Victor Kipzanang, the one-armed pastor.

With the help of many other members of the Fullerton Church, a series of mailings began between this city and the hills of Burma. The primary and junior divisions sent Crayolas and song books. The home missionary department sent Bible-lesson papers, and the Dorcas sent clothing. Pencils and yardage remnants were supplied by a Baptist church, music instruction books came from local music teachers, and soap came from an Anaheim motel.

Mrs. Jerry Lund also sent many items from Martin Luther Hospital in Anaheim, where she is employed. She also became dedicated to a new project when she read a line from the Burma minister's letter thanking them for the items sent.

Included in the box was a bunch of outdated rubber surgeon's gloves. Pastor Kipzanang wrote, "After receiving one box of supplies, I find an operating hand glove which I could use when I perform baptism. My right artificial hand is getting

very old. It is made of wood and is peeling away. I must be very careful with it if it is to last much longer and I must especially keep it out of water. The gloves, therefore, are very helpful." The message set many local people to work and Mrs. Lund headed up the effort.

Correlating details between the Burmese family and local medical personnel to ascertain correct features, dimensions, color and availability of a correct prosthesis, was the first step. Various companies were contacted and exact measurements of the deteriorating artificial arm now being worn by Pastor Kipzanang had to be determined. The limb, to be made here, fits over the artificial arm that extends from above the elbow, nearly to the wrist.

After months of work, including interviews with local persons who have been to that section of Burma, the hand and connection was completed. This week, the hand is on its way to the hardworking little minister.

Because of the efforts of many people in this area, including the Fullerton Dorcas Society, the new prosthesis is now in the mail to the rugged teakwood forests in Burma. Victor Kipzanang will no longer have to wear a rubber glove to protect a crumbling artificial hand when he "performs baptism."
