For many years the need of giving our elementary teachers special work during the summer, that they might be fitted for teaching in our schools, has been apparent; but owing to conducting schools for both white and colored teachers, it seemed impossible to do anything more than to have a summer school for each race every alternate summer. It remained for the Board this winter to vote that the Southern

Junior College maintain a summer school every year, that its teachers might better prepare themselves for their arduous work.

This is the first year that an eight weeks' session has been voted, and we are looking forward with great anticipation to the benefits our teachers will derive from this work.

It has been thought best to offer a regular summer school course, beginning with this summer. After finishing this course, a teacher may complete the Advanced Normal in one year resident work, having had twelve grades previous to this course. First and third years will be offered 1919; second and fourth years offered 1920.

Summer School Course

First Year

	Daily Rec. Hours	Hrs. per Week	Semester Hrs.
Principles of Education	1	5	2
Primary Bible, Primary Reading and Language	1	5	2
Grammar Grade Bible, Civics	1	5	2
Normal Art, Blackboard Drawing	1½	6	1
Sewing I, Thin Woodwork	1½	6	1

Second Year

Pedagogy	1	5	2
Intermediate Bible, Reading, Language	1	5	2
Geography, Physiology	1	5	2

How to Reach the School

Two trains each way every day stop at Collegedale. Trains leave Chattanooga for Collegedale at 5 a.m. and 3 p.m. Trunks may be checked direct to this station. Trains arrive at Collegedale from Atlanta at 11:35 a.m. and 8:50 p.m. All through trains stop at Ooltewah. For teachers arriving not later than June 5 and remaining until July 31, baggage will be delivered free of charge.

Credits

For academic credit it will be necessary to pursue one study throughout the summer term, reciting three times a day, hour periods. If a student takes Normal work and Reviews, a regular summer school credit is issued.

Convention

It is planned this year to have no daily conference periods, which have been listed heretofore under the head of Round Table, but to put in its place a Teachers' Institute from July 24-29. This will make it possible to give much more intensive study, and for the Educational Secretaries and Superintendents to be present when these problems are considered.

Tuition, Home Expense

The tuition and home expense, aside from board, for the entire term of eight weeks will be \$27. This includes tuition \$19, furnished room, light, and plain washing \$8. Meals are served on the cafeteria plan, and will average approximately \$3 a week. Three meals are served each day. Where the student works one hour per day, these expenses will be reduced \$6. All expenses are to be paid in advance. The Conferences have made special arrangements for the tuition of churchschool teachers. For the details of this arrangement, teachers are requested to write to the Educational

Superintendent in the local Conference, or to the Educational Secretary of the Union Conference.

Fees

Registration Fee.....	\$.50

Description of Studies

Education 1

Principles of Education—Under this subject are studied such topics as the following: Aim of Education, Principles of True Christian Education, The Bible as an Educator, and Character Building. Text—"Education," "Counsels to Teachers"—E. G. White.

School Hygiene—A brief study of conditions that make for the betterment of school sanitation and hygiene. Text—"An Introduction to School Hygiene"—Drummond.

Pedagogy—The object of this course is to give the student a clear idea of the laws underlying the teaching process. Text—"A Brief Course in the Teaching Process"—Strayer.

School Management—A study of the successful management of the school room. Topics like the following are considered: Daily program, study period, discipline, lesson assignment, qualifications of the teacher. Text—"School Management"—Bagley.

Methods 1

This course covers methods of teaching in the primary and intermediate grades. The following subjects are taken up: Primary and Intermediate Bible, Primary and Intermediate Reading and Language, Primary Numbers and Construction, Nature Study, School Music, Spelling, Penmanship. No text is used. McMurray's books on Primary and Intermediate Methods will be used as reference.

Manual Arts 1

This course prepares the stu-

dent to teach manual training in grades one to five inclusive. It will include work in cardboard construction, blackboard drawing, Sewing 1, Normal Arts 1, Gardening 1, and Physical Culture.

Methods 2

In this course all grammar grade subjects are studied, not from the point of content, but the best methods to present these subjects. Latest methods of all these subjects will be studied. Text—"How to Teach the Common Branches"—Kendall & Merrick.

Education 2

Only one subject of Education 2 is given, "Child Study and Junior Work." This is given because it will be more helpful to the teacher for immediate use than the other subjects. All teachers should have this subject as soon as possible.

Review Subjects

No credit will be given for these subjects; they simply prepare the teacher for examination toward securing his certificate. The following review subjects will be given:

Grammar 4 weeks, Arithmetic 4 weeks, Geography 3 weeks, Physiology 3 weeks, Nature 2 weeks.

Music

A good course in sightsinging will be offered. This will cover more than such a class usually does. This course will be given with special view of preparing the teacher to teach this subject in our schools. The authorized text for our church schools will be used as the basis of class work.

Penmanship

A representative of the Palmer Penmanship System will be secured to give a series of lectures on how to teach the Palmer Method in our schools.

Agriculture and Gardening

This course will run throughout the entire eight weeks. It will prepare the teacher for the

work as taught in the elementary schools. Not only will the theory be taught, but the class will have in the College farm and gardens opportunity to see a practical demonstration of the class-room theory. This course will especially appeal to the country school teacher.

Medical Hour

There is great need, and has been a call from the teachers, for instruction in health principles, simple treatments, and care of the sick. We have this year planned a course of one hour a day, running throughout the full eight weeks, in which such work will be given. It will also include instruction in medical inspection and calisthenics.

We have the promise of a two weeks' course by a representative of the National Red Cross, which will be a part of the regular course. The entire work will be given and supervised by a trained nurse.

MISSISSIPPI CONFERENCE

Some Interesting Things In Mississippi

There are many things in Mississippi that are interesting, and certainly the Sabbath School convention is among them. Since the meeting at Birmingham we have held eighteen S. S. conventions in this State, and I wish I had the time and space to tell you about everyone of them; anyway as a result the offerings to missions have almost doubled this past quarter, and at every school there are some, if not all, studying the lesson every day. I notice, too, a decided increase in the Home Department membership.

A greater number have enrolled for the Teachers' Training Course than ever before. Almost every teacher and officer take the Sabbath School Worker

now, and I am watching for results from personal work for every pupil.

Something else interesting in this Conference is our Junior Missionary Societies. The one at Jackson has just lately been organized with twenty-one members. Last Sabbath afternoon we organized one at Hattiesburg. We also have one at Greenville and Sumrall in connection with the church schools. I wish more of our grown-ups were as much in earnest about missionary work as the Juniors are. We have about fifteen taking the Reading Course too, and several reading the Bible through.

Another thing of interest is our circulating library. All the Reading Course books from the very first are here. All you have to do is to write for them, pay the postage on them, take good care of them, and return them in two weeks. That's fair enough, isn't it?

NANNIE MAY SMITH,
Sabbath School and Y. P. M. V. Sec.

Mississippi Colporteur Notes

This was Big Week in Mississippi. The big week has been a great blessing to all the workers that took part. The heavy rains caused some not to report full time. In some sections the rain fell in torrents, and it rained every day, but nevertheless all of our workers are of good courage. I am glad to say they are following the example of Paul. They are forgetting those things that are behind, and are pressing forward to reach their goal. We have made a good gain over last year. Our sales for April are \$3,186.94 greater than last year, and our deliveries \$1,229.85 more than in April of last year. Let us thank our heavenly Father for His love toward our workers and the success that has attended each one.

Also notice the report of our new workers. Their first report shows their earnestness and determination. Surely this ought

to stir your hearts and cause you to think, What am I doing? And are you going to continue in what you are doing? Or are you going to apply for a part of the work that is yet undone in the Lord's vineyard? The work will soon be finished, and what will your record be? Did you help finish it? By the help of the Lord we expect to see that every home in Mississippi will have a warning of the soon-coming of the Lord and the Third Angel's Message.

The Lord has promised much for those who will surrender all, and a special blessing to those whom He will find giving meat in due season when He comes. Consider your own case; examine yourself and see if you do not want to join the Army of the Lord, for they shall go through to the kingdom. "How beautiful upon the mountains are the feet of them that bringeth good tidings, that publisheth peace; that publisheth good tidings of good, that publisheth salvation; that said unto Zion, 'Thy God reigneth.'" Isa. 52:7. "And in Nahum 1:15 we read, 'Behold upon the mountains the feet of him that bringeth good tidings, that publisheth peace.'" According to this statement the Lord is keeping a special watch over those who are bringing these good tidings to the people, and I think it a blessing to have the Lord watching us, and His angel's being our bodyguard.

Come and join the *Army of the Lord* and receive the blessings that God has in store for you.

Sister Waller went to one of the shops in Hattiesburg to canvass. She asked permission in the office, which was granted, but when the foreman saw her, he stopped her, saying, "We cannot allow you to take up the time with our men." She responded that she had permission from the office, but the foreman answered, "That matters not, we can't allow it; but I will buy some books from you and give to the men," and he handed her two dollars. The Lord opens the hearts of men, and always pre-

parés a way for the books to get in the hands of the people. She may not have sold that number of books had she been permitted to go on.

Brother Cannada has been handling "Best Stories" as helps, and he has sold them to several of the agricultural schools, and they are using them in the primary department and intermediate grades. May the Lord bless the little, tender minds and teachers that study these truth-filled books.

Have you noticed Brother Rogers' name? The report is his first added to the list. The Lord certainly was with him in taking so many orders. He says he will continue in the work till the Saviour comes—the end. Let us remember him and all the other workers.

M. J. Patrick says he came to a territory where he could not secure lodging, and drove way into the night, when he came to a home and they took him in, and the next morning they told him that as long as he was in the neighborhood to make their home his home. God always cares for His servants. No matter where they are, the blessings attend those who will call upon His name.

Brother Waller, who is the oldest canvasser we have in our field, is setting a merry pace for the younger ones, and they don't seem to be able to keep up with him. His hours for April are 230, while West Brown's close upon him with 221 hours. Brother Waller's orders for the month also heads the list, \$1158. How does time and orders compare with your record? He is working in the hills and some of the territory is very thinly settled, but the hours put in will bring results. The Saviour said when here on earth, "I must be about my Father's business," and He never saw an idle moment, and therefore He brought forth a report of victory. Let us also be at the work as was Jesus, for this is our Father's business.

The workers all speak of how God is blessing them in many ways. God's love to us is more than we can appreciate. Let us

count our blessings one by one and see what God has done for us.

Let all lift their voices to God daily for the workers who are going from home to home, for the Lord says that He will hear our prayers, and the prayers of the righteous availeth much.

Brother Balsbaugh has sent in his largest report for this year, and he is working in one of the cities in the Delta. The Lord is certainly giving him favor in the sight of the people. Although feeble, he keeps going day by day. I can always look for a report from Brother B. every week. May he have many sheaves to take with him into the Kingdom.

I shall speak of others next week. May each send in some good experience that we may pass on to others.

F. W. SCHMEHL.

TENNESSEE RIVER CONFERENCE

Tennessee River News Items

The Conference Committee met at the Conference Office Wednesday, May 7th, and the Mission Committee met Thursday, May 8th.

Elder Glen C. Russell is holding an effort, at the present time, in Paducah. Report comes to the office that he is having some large crowds attending his meetings there in the theater. He expects to follow the theater meetings up with a tent effort.

Elder S. N. Haskell spoke at the Fatherland Church Sabbath, May 10th. The subject of his talk was "The Need of the Holy Spirit."

The Young People's Society at Nashville spent the evening after the Sabbath, May 10th, in giving away some literature and selling some small books. Besides the papers given away, over \$18.00 worth of magazines were sold. There is a real missionary spirit that exists among our young people here in Nashville, which is leading them to do something.

You will be glad to learn that our remittance to the Union for

the month of April amounted to \$1718.01. Our funds are nearly all doubling to what they were last year.

Sabbath, the 3d, Elder Elliott baptized 6 students at Hazel Academy. Elder Allen baptized 14 at the Kingsfield Church the 3d. These have recently taken their stand for the Truth. This is the result of a good work which is being done by the members of the Kingsfield Church. Sabbath, May 10th, Elder Elliott baptized 8 at Fountain Head. We are indeed glad that souls are being converted to the Truth in this field.

Upon the strong plea of Brother Lawrence for one of the colored brethren to connect with his work in Birmingham, it was decided to release Bro. T. H. Allison from Memphis. Bro. G. A. Oglesby, from Louisville, who has been assisting there at Memphis for some time, will have charge of the work. We regret very much to lose Brother Allison from our field, but we trust that he will be of great assistance to Brother Lawrence in the work in Birmingham.

For week ending May 3d the orders taken by our colporteurs amounted to \$1705.45. This is the most ever taken in this conference. Once during 1914 the largest week amounted to \$1471. We feel that this was only made possible with the Lord's help and in each of our colporteurs putting in good faithful time. Brother Wade is wearing a smile on his face these days.

Bro. Clarence Warakee, from Ohio, has joined our colporteurs this week in the field. Brother Wade is helping him get started in the work.

ALABAMA CONFERENCE

Alabama News Notes

Elder J. F. Wright returned to the office Tuesday from Miami, Florida, where he enjoyed a short rest. Mrs. Wright stopped in Georgia to visit relatives and will soon return to the city.

It is a pleasure to report that Elder Martin and his co-workers are meeting with success in Birmingham. Some 35 are keeping the Sabbath and the interest continues to grow. A number will soon be ready for baptism.

It is planned that Elder O. L. Denslow open his tent meeting in Mobile Sunday night, May 18. He will have associated with him Miss Kalar as Bible worker, also Brother and Sister C. T. Burroughs from Pensacola, Florida. The church in Mobile has been getting our literature before the people the last few months, so the prospects are very bright for a splended and fruitful effort. We trust that you will remember these workers in your prayers.

Brother and Sister Marshall, with the baby, have started on their way North to visit relatives. Brother Marshall has been working very hard the past year, so will enjoy his vacation.

It is encouraging to see many of our Sabbath Schools taking on new life as the result of the Birmingham convention. The first quarter's report of 1918 shows that we gave the rate of 7c per member, while for the first quarter of 1919 the report shows that we gave 15c per member. That is a good gain. Let us endeavor to do more, however, and try to make it the full 20c through this department.

Remember that June 7th is Sabbath School Rally Day. Are you preparing for it? If you have not, kindly give this attention at once, for we want every school to make this the best Rally Day we have ever had in the Conference. Many of our schools are making big plans for the day.

In a few days now our students from school will be entering the colporteur work, so watch the reports closely from week to week. The book work is making rapid strides in our field this year, and we want to pray that the Lord will overrule in behalf of His work, so that many books will find their way into the homes of the people during the summer.

Brother Hugh Jones, who has been canvassing in Winston Coun-

ty since the Institute, passed through the city Thursday and called at the office. He gives a very encouraging report of his work in that county, and we wish for him still greater success in the future.

We were pleased to have Mr. J. E. Wooten, of Warrior, Ala., call at the office the past week and subscribe to some of our papers and renew some subscriptions.

Pensacola Sabbath School

Upon our return from Workers' meeting we decided to use Sister Plummer's suggestion and adopt the use of the little wooden barrels and hats for gathering our 13th Sabbath offering. As we had a late start, and our school being small, we thought best not to set our goal too high, and finally agreed to try for \$76 for missions through the Sabbath School for the first quarter of this year. Adults as well as children took readily to this plan and many pennies which would have been otherwise wasted found their way into the little barrels and thus into the Sabbath School. God blessed us abundantly and we can see our Father's hand in His work here.

When all the barrels and hats were brought in, we found that more than \$93 had been gathered. This put us far over our goal. Our new goal for this quarter was set at \$100.00 for missions. This we hope to reach with God's help.

It makes our hearts rejoice to see things moving so nicely here, and it can readily be seen that God saves souls through the Sabbath School.

MRS. K. RASMUSSEN, Supt.

KENTUCKY CONFERENCE

Office Mail Bag

Elder Wight attended the meeting of the Conference and Mission Committees in Louisville last week.

Elder R. I. Keate was called to Fountain Head, Tenn., to

attend a meeting of the Union Conference Committee.

Brethren Jacobs and Williams were in Louisville last week in attendance at the meeting of the Conference Committee.

Brother Keitts attended the meeting of the Mission Committee last week. He reports a good interest both at Paris and Richmond.

Prof. C. H. Castle, who is on his way to his new position as principal of Williamsdale Academy in Nova Scotia, spoke at the Jefferson Street Church Sabbath morning and at the Chestnut Street Church Sunday evening. Brother Castle and his family are visiting relatives here in the city.

Elder G. A. Davis spent last Sabbath with the Stanford church. He reports two new members taken in by baptism.

Elder W. H. White was a caller at the office en route to Bee Springs, where he will hold a few meetings with the believers.

We have some exceptionally good colporteur reports this week. Look for them in the weekly summary.

The Louisville Church School has just closed and the teacher, Miss Davis, has returned to her home in Michigan. Elder Davis is spending a few days with relatives in Michigan. He drove through in his new "Overland."

It is expected that a new worker, Bro. A. A. Davis, brother of our Louisville pastor, will be with us in a few days.

We are sorry to report that Sister Ralls, who has been teaching the Covington Church School, has been forced to give up her work on account of sickness. Brother Ralls is finishing out the year for her.

Brother Hickman is exceedingly busy, but managed to spend a few hours in the city with the committee last week.

WANTED—Everyone to know that our campmeeting begins the second day of June. Be sure to notice that it is not the same location that we had last year. The meeting this year is to be held at 34th Street and Garland Avenue. Be sure to come.

BURTON CASTLE.

Report From Madisonville

Brother Page and I have finished all our deliveries for Madisonville. The Baptist and Christian ministers have been talking to the people not to take our books, as they will lead them astray. These churches have had two large revivals going on at the time of our deliveries, and the ministers have announced it from the pulpits about our books and went so far as to warn the people in the daily paper not to buy any book until they asked them about it. The first lady I called on said: "I know I am buying a book that our minister denounced, but we have past the days of popery, and I can tell a good book without asking him if I can buy it." The second house I called at the lady asked me if the book would lead her astray, and what church I belonged to. I told her, and had a talk with her, and will take up Bible readings with her as soon as I have the time. At the third home I delivered a leather binding; she asked what church I belonged to. After having a talk with her, she was delighted with her book. Well, it went this way all day until I called on the Holiness minister's wife. She told me that everyone was telling her that she was getting a S. D. A. book, and she told them that if they had any light on the Bible she was going to take the book. I met her husband in the afternoon and went home with him. I gave him a reading on the seventy weeks and have an appointment each Sunday afternoon for a reading. I delivered four books to families of his faith, and they all knew it was a S. D. A. book. So you see the good Lord is working on the hearts of the people in this town. Brother Page and I gave out 350 "Present Truth" No. 38 Friday and will put out more later on.

We organized a Sabbath School at my home with 14 attendance last Sabbath and had 10 present this Sabbath. The collection amounted to \$1.25 each Sabbath. Sister Ashby and all of her family have taken a firm stand for the truth. Her minister came to see her last week and told her

she would lose all of her friends by joining herself and family to our faith. She told him she was willing to go farther than that and would lose her children and all she had rather than give up the Sabbath. Her sister was up to see her and I gave her the change of the Sabbath and the 2300 days. She told us all today she was going to keep the Sabbath. They are going to take me down in the country where they live to give Bible-readings on Sundays.

Brother Page is up in arms because you do not send a Bible worker here, and is going to pull off his coat and give some Bible readings. So look out for a report from him about some one keeping the Sabbath.

I forgot to tell you, Sister Ashby's oldest son took a stand for the truth today. This makes a family of six. Pray for them and her sister.

F. F. HARRISON.

Recent Experience of a Colporteur Who Is Over 75 Years of Age

While selling our small books I stepped into the office of the chief of police in one of Louisville's suburbs. As soon as he was at liberty to speak with me I began telling him about the book. He asked to take it, and he at once turned to where it was published. After looking it through quite carefully he asked: "Is that a Seventh-day Adventist book?" Upon receiving my answer in the affirmative he told me that he used to know some Seventh-day Adventists in the mountains of Tennessee, and they would go out Sundays and do missionary work for the love of souls, not for the money there was in it. He spoke very high of their work and said further: "You people are on the right road. I would rather spend a quarter for that book than for anything else I know of." Then warmly grasping my hand he said: "I wish you God-speed."

As I go from house to house I am more than ever convinced that we are very near the close of human probation, and that the Holy Spirit is pleading with men and women to turn to God before it is too late.

A. B. CASTLE.

Southern Union Worker

Published weekly, 50 numbers, by the Southern Junior College, formerly Southern Training School, for the Southern Union Conference of Seventh-day Adventists.

Ooltewah, Tenn. Price 50 cents a year
J. P. McGEE, editor.

Southern Junior College Notes

Mr. W. D. Wade, Field Missionary Secretary of the Tennessee River Conference, spent Sabbath at the College.

Mr. and Mrs. George Hanlon and Mrs. Roberts from St. Petersburg, Fla., motored through to Collegedale. Miss Carrie Miller came with them, and expects to remain at the school this summer.

We were all glad to welcome Mrs. B. F. Summerour of Norcross, Georgia, for a few days' visit with friends at the school.

Mr. and Mrs. W. J. Ewing from Jacksonville, Fla., are visiting Professor and Mrs. Straight.

Elder J. W. MacNeil spent a few hours here last week.

Dr. and Mrs. A. J. Harris of Nashville spent the week-end at the College.

Elder S. E. Wight paid us a visit Sunday.

Hazel Academy News Notes

Hazel Academy is still living and prospering, though she has spoken but little through the columns of the WORKER for some time. Her students are happy and contented, despite the fact that unusual hindrances have been encountered during this term, as in many other schools.

We have recently had the pleasure of welcoming two more students into the school family, Miss Cora Morrow of St. Louis and Mr. Arthur Jennings from Vanleer, Tenn. Mr. Jennings is intending to put in full time on the farm from now until the beginning of the fall term.

Good progress is being made in the farm work.

Perhaps the Academy grounds have never presented a more attractive view than at the present time. The campus grove is trimmed neatly and the grass furnishes a luxuriant carpet of green beneath, and is an inspiring sight. More than \$50 worth of paint has been applied to the buildings upon the premises lately.

A "Students' Meeting" is held each Sunday afternoon, at which time any student is free to offer suggestions that will tend to the betterment of conditions relating in any way to the school in its operations. Not a meeting has yet been held but what students had valuable ideas and suggestions to offer, and these have been put into effect as rapidly as possible.

We are greatly encouraged over the fact that the Southern Union Conference has taken the school in hand with the object of enlarging its capacity, and providing better equipment for the training of our youth. If present plans are worked out, vacation periods at Hazel Academy will not be so lonesome after all.

Now is the time to begin to lay definite plans for your next year in school. Responsible places are waiting for young men and women who are trained

in our schools. Why not determine to get the education that will enable you to grasp the possibilities that are before you? The work of God will never be overstocked with young people who are fitted to render efficient service. There is room for you.

LOUISIANA CONFERENCE

Louisiana Items

An interesting colporteurs' institute has just been held at New Orleans, La., for the colored colporteurs. About fourteen or fifteen took the drill, preparing to give themselves definitely to the sale of our large books, besides a few others who will handle the smaller works.

Louisiana is already making good headway in the sales of our books, compared to what has been done in former times, so when these are added to our former list we may expect even greater things. It is a time to "ask great things of God and undertake great things for God."

Sergeant Arthur J. Thiele from Berrien Springs, Michigan, has just located at Opelousas. His report for the first three days' work is \$214. He says in his letter: "I believe the Lord has called me to this field." We certainly welcome him to our conference.

Brother Wilson and family have not been well the past few weeks, and Brother Sellars writes that he is on the sick list this week. Remember these workers in your prayers.

We are sorry to learn that Brother Watson's oldest boy has just undergone an operation. He is in the hospital at New Orleans at the present writing.

The total colporteur sales for the month of April amount to \$8,531, being \$5,111 more than for the corresponding month of last year.

Brother Curtis is at the present time auditing the books for the Louisiana Conference. His assistance with the music at the effort in New Orleans is also greatly appreciated.
