Campmeeting for the Tennessee River Conference

coming The campmeeting which will be held in the beautiful Maplewood Grove, Nashville, beginning Thursday night Aug. 19th should be the most important meeting ever held in the Tennessee River Conference. Surely there never was a time when we had a greater need for the benefits of this annual convocation than now, and we trust that all are making definite plans to be on the ground for the first meeting.

The success of this meeting depends on the presence and power of the Holy Spirit and careful plans are being made in order that this may be the greatest spiritual feast that we have ever had. The daily program has been arranged so that all may have time for heart searching and the near by groves offer many beautiful retreats where

After spending fifteen months in Nashville we closed up our work July 4 in the tabernacle, having held three efforts there during this time, one in a tent and two of these meeting in a wooden structure which would

During the year there were different ones connected with the writer in the effort and all contributed to the success of the all who so desire may be alone for study and prayer. Come prepared to take part in the meeting. As a steward of the grace of God you should feel a personal responsibility for the success of this meeting and you should begin now to seek that outpouring of the spirit that will make you a strong factor for the uplift of the church.

Satan will do all in his power to hinder you from coming to this meeting. He knows that the perils of the last days are upon us and that soon probation will close. Business matters will press hard and it will seem impossible to get to the camp but come even though you have to make a tremendous effort to do so. Do not allow Satan to gain a victory and lull you to sleep for you need the meeting now as never before.

Eider Harry Gray was secured for the last two efforts held in the tabernacle and we were in a continous meeting from last December except the time it took to move the building to a new location. In Vol. 6 page 38 beginning we read, "It is important that the members of our churches should attend our camp-meetings....Brethren and sisters, it would be far better for you to let your business suffer than to neglect the opportunity of hearing the message God has for you. Make no excuse that will keep you from gaining every spiritual advantage possible. You need every ray of light . . . You cannot afford to lose one such privilege."

Surely these strong statements from the Spirit of Prophecy should cause us to ponder long before deciding to stay away from this coming campmeeting. Everything possible will be done to keep down the expense of attending, so we trust that all will plan to come. I. M. MARTIN.

Having received a call from the Lake Union to work in the city of Detroit, we are stopping a few days with our parents in Lincoln, and will soon be on our way to our new home in Detroit.

As Brother Gray and I take up our new duties in the 4th city in size in the United States, we solict the prayers of our people for continued success in that large city, and we bespeak for Elder Hubbard, the new pastor at Nashville, the hearty cooperation given us while in your midst.

Colporteur News Items

Brother James Gordon writes as follows: "I find that when I pray for strength to give a good canvass I get more orders than when I pray directly for them. I feel that the Lord has a great blessing in store for me and I mean to have it."

Brother Johnson, who has been canvassing around Erin, informs us that a number of people at that place are interested in the truth, and he asks that a worker be sent there to follow up the efforts of our faithful colporteurs who have placed quite a number of books in Houston County. I trust the Lord will lay the burden upon some one to follow up this interest.

Brethren Jessie Miller and James Gordon are working Lawrence County and are meeting with excellent success. Notice their good reports in this paper.

Brethren Elton Chapman and Paul Zalabak are canvassing Decatur County with "Great Controversy." They say the territory is rough and the houses scattered, but they thank the Lord for the part He has given them in the finishing of this work.

We are sorry to announce that Sister Starkey is quite ill at this writing. Brother Starkey has been making good records in Cheatham County.

Brother Knapp states that he has delivered over four hundred dollars worth of books since the Institute, and is still placing "Great Controversy" in some of the best homes in Tullahoma.

We trust the Lord will continue to bless Brother Knapp in his faithful service for Him.

Sister Mattie Cox and daughter Lillie Bell are doing nicely selling "Coming King."

Miss Winnie Allen has just completed a very successful delivery in Coffee County, and is now spending a few days at home.

Brethren Odegaard and Christensen, who are canvassing in Hardin County, say that their territory is a real mission field. They are located forty miles from the railroad, and they frequently find people who have never seen a train of cars. Though the weather is hot and the country rough, still they praise God for a part in giving the knowledge of a soon coming Saviour to those in darkness.

Brother Ray C. Kinney, who is working in Rutherford County, is still of good courage and spending good faithful time in the field.

Brother R. J. Hyatt writes that he is the happiest man in Tennessee. We trust he will remain happy in this message and at last wear the crown.

Brother Wm. J. Keele praises the Lord for what He is doing in the finishing of the work in Tennessee.

Brother H. G. Miller's health is much improved, and we are glad to note his good reports from week to week. Brother George Wallace plans to join Brother Miller. Brother Wallace has been meeting with good success selling "Great Controversy," and we wish him Godspeed in his work.

Brother Paul Keele is now holding the fort in Centerville, and is sending good reports to the office each week.

The colporteur work was given a very prominent place at the colored campmeeting held Nashville, and it was indeed inspiring to hear the reports of those who are on the firing line. Sister Mollie Hurdle told of how the Lord had wonderfully blessed her in securing many orders for "Coming King" in Dyersburg, Tenn., also Fulton, Kentucky. She gave us the names of two white people who have accepted the truth as the result of reading our literature. and they are asking for some one to visit them in their homes.

Sister Virgie Wilson, who has been associated with Sister Hurdle, brought to the campmeeting two young women who have recently accepted the truth as the result of her work. One of these, Sister Lucie Cork, has sent to the office an order for "Great Controversy" which she sold on the train on her return home from campmeeting, She also sold fourteen "Crisis Books."

Brother Nicholson, in giving his experiences on the campground, told of selling "Coming King," "Our Day" and "Great Controversy" to a woman who already had "Bible Readings," and she told Brother Nicholson that if he had any more good books she would be glad to get them.

Brother Louis Rayford related how the Lord had wonderfully blessed him because he had been faithful in putting in time. Brother Rayford hol is the record thus far this year in both time and sales. I trust others will follow his example in this respect, as I am sure that success will follow if they do.

Three individuals at the campmeeting decided to enter the field as colporteurs. We pray for their success.

Louisiana News

A rare treat was afforded the church at New Orleans by the visit of Elder M. D. Wood, who for years has been in active Missionary work in India. He spoke to the Sabbath School, at the Young People's Society, and at the regular hour for services Sabbath morning, also Saturday night, and Sunday night, on various phases of the work, the people and their customs. The interest was intense from the time he stepped on the platform. until the congregation reluctantly left the tabernacle with indellible impressions stamped on the hearts of many.

We are glad to report Brother Christman feeling very much better, and able to be at the office again.

A card just received at the office from Elder Parmele, states that he will be in New Orleans the latter part of the month, taking boat for La Ceiba, Honduras.

We are glad to note the splendid report of Thos. R. Longware who holds the record for the past week, both time and value of orders. W. C. Martin follows. It is very readily seen that the time put in to a large

extent controls the value of orders.

A very interesting program for the 13th Sabbath was given by the children at the colored Sabbath School, under the direction of Sister Lottie Washington. The Sabbath School offering for the day amounted to\$100, willingly given to this worthy cause.

The Home Missionary Department of the New Orleans Church No. 2, report a steady growth, under the leadership of Sister A. Williams. Three new bands have been organized, one for prison work, with Brother F. Smoot as leader; one for the distribution of literature, with Sister E. Burke in charge; and a correspondence band. We are glad to see these new developments, and know it will mean rejoicing at the harvest time.

Writing from Lake Providence, Thos. R. Longware says "I like my field of labor just fine. By the help of the Lord I am planning on big things in this place." He plans to attend school this winter, and further prepare himself for the Lord's work.

A letter just received from Byron H. Lord says, "This is the first Sunday I have ever canvassed, but the Lord helped me to take orders amounting to \$82 in 6½ hours." In five hours last week he took 13 orders amounting to \$66.50

A good supply of the books for the Missionary Volunteer Reading Courses for 1920—21 are now on hand at the Conference office, and all orders will receive prompt attention.

What we do upon some great occasion will probably depend on what we already are, and what we are will be the result of previous years of self-discipline.

Elder R. I. Keate has just visited the tent company at Madisonville and reports that they have a growing interest and prospects are good for something definite being accomplished.

Elder J. G. Dasent reports that the meeting opened at Bowling Green Sunday night with an attendance of ninety. This was good considering the other effort that is being held at that place at this time by the Holiness people.

The meetings at Danville have also opened very encouragingly. We expect good results from there.

Up at Covington where the Union effort is to be held they are experiencing some difficulty in finding a location. They are hoping that this matter will be satisfactorally settled soon.

In a few days now we are expecting a new colporteur from Iowa. Another brother has just written from Pennsylvania who desires to enter the colporteur work, so the work is growing.

Brother Ira O. Wallace sends the following interesting item: "A party told me that the Christian minister in this county reccommended a person of their denomination as a foreign missionary. This person went to the field but very soon he became a Seventh-day Adventist." They said, however, that this ex-missionary was honest enough to return all the money that they had sent him. Brother Wallace tells us that he sold books to everyone of the people that mentioned this occurance to him.

moved to Winchester and is nicely located and out at work again.

Brother Fred A. Mote had a new experience the other day. The man whom he canvassed for "Heralds of the Morning" said he had "Bible Readings" and wouldn't care for that book but he wanted to help him on his scholarship, so he gave him \$1. Said he paid a tenth anyway and would pay it out of that.

Brother Frank E. Thompson has just returned from a trip in the interests of church schools.

Brother Wilbur Moore is spending the week doing colporteur work near Ashland, Ky.

The Conference secretary, with his brother, Elder C. H. Castle visited the believers at Sand Hill last Sabbath and Sun-

There was a good attendance of our people at the Sabbath service. Sunday afternoon more than fifty attended the meeting, several neighbors and friends being present. The believers of the Sand Hill church are of good courage and are anxious to do all they can to finish the work. Brother C.A. Beck is planning to enter the colporteur work at once and give all the time to that work that he can spare from his farm. The elder of the church, Brother S. G. Grimes besides conducting the regular services of church, holds a meeting the evening after Sabbath every third week. These meetings are a strength to the church and have uplifting influence in the community. BURTON CASTLE.

Kentucky Colored Campmeeting

This meeting was held in shady Greenwood Park, June 17-27, Louisville Ky. There was the best attendance that we have ever had in this Conference. The Lexington church was well represented. One commendable thing about the meeting was that practically every person came at the beginning and stayed until the very close. Elder W. H. Green was present nearly all of the time.

An excellent spirit prevailed throughout the meeting and on the last Sabbath morning at the close of Elder Green's sermon, about one hundred forty people came forward in a definite consecration service.

The other laborers present were those from the various departments in the Union Conference sessions were held each day and an excellent interest was shown in the plans that were laid for the futherance of the work. Doctor E. A. Sutherland, the Union Medical Secretary spent one day at the meeting and practically the whole day was devoted to the discussion of the medical missionary and health our work. Elder phases of McElhany and others joined very heartily in this and there was a very definite response on the part of those present. The Doctor also examined about fifty of our people during his

The dining tent was in charge of Sister E. P. Campbell, formerly matron at Oakwood but now living in Chicago.

A good many of those present joined in visiting the people of the neighborhood and inviting them to the meeting. The outside attendance was quite good.

There were a number present

from outside of the Kentucky Mission, these coming from Chicago, Dayton and Cincinnati.

The Tract Society had on display an excellent line of our books and the people showed their appreciation by purchasing over \$300.00 worth of these. The large sale of the Testimonies and other of Sister White's writings was especially noticeable.

The Kentucky Mission has a membership of 182 and on the last Sabbath there were a little over 150 present. The Thirteen Sabbath offering on this Sabbath amounted to \$183 cash. afternoon Sister Anna Knight spoke on the work in India and following this, cash and pledges were contributed for missions. sufficient to make the day's offering a little over \$1,000. When it is recalled that just two weeks before this, Elder M. D. Wood was at our colored church in Louisville and after talking on missions raised \$500.00 in cash and pledges, thus making a total for missions from the Kentucky Missions within two weeks time of over \$1500.00, it certainly shows that our good people in Kentucky are demonstrating their interest in the fields bevond in a very tangible way.

Items in the report of Elder J. G. Dasent who has charge of the colored work in this field, also showed many other lines of real progress. Surely the text "Thy people shall be willing in the day of thy power" is being demonstrated over and over during these closing days of the work. One other item that was very encouraging was the definite interest taken in the colporteur work, quite a number definitely settling it that they are going to devote their time from

now on to this phase of thework.

May God richly add his blessing in the carrying out of the plans for advance movements that were made at this meeting.

ALABAMA

CONFERENCE

Decatur Effort

Sunday night the 11th. I was in Decatur where Elder Denslow is holding a tent effort this summer. The tent is pitched on one of the main streets of Albany just across from the high school. Albany is located near Decatur and is connected by street car. The second Sunday they had quite a storm and it had rained almost all the week so the attendance had not been as large as they had hoped. However, it was very gratifying to see the large crowd that came to hear what the Bible had to say concerning Spiritualism. Every one of the 400 seats were taken and several were standing outside while many others were seated in the more than fifty automobiles that were parked around the tent.

We have secured over seventyfive names of those who are interested and want literature, and
further instructions. Quite a lot
of prejudice has been shown
against Adventism, but I am sure
the Lord has some honest souls
there, to be gathered into His
garner.

Elder Denslow has associated with him J. G. Mitchell and wife, R. L. Russell and wife and Miss Vinney Goodner. They are in need of one or two more Bible workers to follow up the interest that is nicely started. Let us remember these workers in our prayers as this is a new field.

There is not an Adventist in the city. They are all working hard and are of good courage and we believe that souls will be saved as a result of their faithful, untiring effort.

B. C. MARSHALL,

Pensacola

Many will be interested to know something of the work in this part of the Lord's great vineyard. Eld. J. F. Wright and corp of workers began a tent effort here June 6, which from the first has been a success.

The attendance each Sunday night has been far beyond our seating capacity, which is 375, while the attendance during the week has varied from 200 to 300 each night.

Weather was typical of Florida the first four weeks, fair and warm, with the evenings very pleasant, however, the past few days there has been occasional showers, but not enough rain to interfere with the meetings thus far.

The newspapers have been very liberal in their efforts to aid in the work by giving space each day to a synopsis of the lecture free of charge. The result of this has been very pleasing. People living in the surrounding country sending us word of their interest through reading these newspaper accounts, also delegates from the small towns being sent by their community to investigate these meetings.

At the present writing there are about 35 who are keeping the Sabbath while that many more are deeply interested and seriously considering the matter. The interest here makes our hearts glad as it reveals the hand of God set to finish His work in the earth. Without doubt these meetings will result in many souls uniting with us who will help to

finish the work.

It was the conviction of all that God would have a memorial built here and a suggestion of this met with a hearty response from the people who pledged themselves to help us build a suitable meeting place here. It is believed that this can be accomplished in the very near future.

Associated with Elder J. F. Wright are the following workers: Mrs. J. F. Wright, M. L. Wilson and wife, Mrs. M. G. Burroughs, Miss K. Meyer, Mr. George Fuller and the writer. Will you not unite your prayers with ours. that God will do a mighty work here in Pensacola.

Publishing House Notes

Brother C. E. Hooper, Circulation Manager of *The Watchman Magazine*, attended the Home Missionary Convention at Denver, Colorado.

A new Brown Folder is being installed in the Bindery this week. Its first work will doubtless be that of folding the Harvest Ingathering Watchman.

Mrs. Fannie Richardson and Miss Lena May Calloway are taking their annual vacations, Miss Calloway going to Memphis and Mississippi where she is visiting relatives.

A few days ago Miss Mary H. Moore, of Minnesota, arrived in Nashville to take the position of proof-reader. She is a welcome addition to our Publishing House family.

Brother R L. Pierce is in the Southwest on a business trip, one item being the new brick building for the Fort Worth Branch which is now ready for acceptance from the contractors.

At a recent meeting of the

Publishing House Board. Bro. R. C. Gray was made Assistant Superintendent. Other changes of interest that might be mentioned are the following: Bro. Hubert Morphew as shipping clerk, to take the place of Bro. William H. Allen who is leaving in order to attend school. Bro. A. J. Frank has been appointed stock keeper to fill the vacancy caused by Brother Morphew's transfer to the shipping department, Mrs. Roscoe Gray being placed in charge of the employee's grocery store.

The General Conference has given the Southern Publishing Association an order for one and one-half million copies of the Harvest Ingathering Watchman for 1921. The order was placed thus early so as to give proper time for the purchase of stock in view of the growing scarcity of paper. This is the same quantity that is being printed of this year's issue.

Last week a carload of books was shipped to the Atlanta Branch. The order called for 136 cases, 130 of which were for "Bible Readings" and "Great Controversy." The book work in the Southeast is advancing by leaps and bounds, and Brother Randall informs us that this is only one of several more large orders that we may expect from the Atlanta Branch between this and the close of the year.

Important Changes

An important meeting of the Union Conference Committee was held in Nashville on June 30. Our readers will be interested to learn that one of the actions taken at this meeting was the releasing of Brother G. H. Curtis, from his position as Secretary-Treasurer of the Union Conference. This action

was taken on the request of the Central Union Conference to which field Brother Curtis goes to act at Business Manager of the Wichita Sanitarium. Brother Curtis has served the Southern Union long and faithfully and his associates greatly appreciate his labors and will regret losing him from this field. It was only because of personal reasons that the brethren consented to his release. As Brother Curtis lays down his work in this field, the prayers and best wishes of his many friends will accompany him as he takes up his new duties.

The Union Conference Committee requested the Tennessee River Conference to release Brother F. L. Harrison to take the position as Secretary-Treasurer of the Union Conference.

This request was granted and Brother Harrison has already taken up his new work. We are sure he will be accorded the same cooperation by the entire field that has always been so generously given to Brother Curtis.

As we become accustomed to working with men and learn to love and appreciate them, we naturally dislike to see changes in the work, but in a growing cause like ours, men of experience must be released to meet the many calls and others must be called in and trained to bear responsibilities. In this way only can our laboring forces be built up and maintained speedy finishing of this great message lays a demand upon each of us to give ourselves entirely to the task before us.

Let us pray continually for fresh supplies of grace and spiritual power in order that we may each do our part well.

J. L. McElhany.
