Preface to the 1990 Edition

Scope of the Yearbook
A world directory of the Seventh-day Adventist Church is given in the following pages. It includes the General Conference and its international divisions, union and local conferences and missions, and related institutions. Institutions that are managed but not fully owned and operated by church entities are not included. The information has been furnished by the organizations themselves; but in cases where current reports have not been received, the most recent previous records have been retained or adjusted.

In the conference and mission sections, employees are listed in the following sequence: ordained ministers holding ministerial credentials, credentialed commissioned ministers, credentialed commissioned teachers, credentialed missionaries, licensed ministers, licensed commissioned ministers, licensed commissioned teachers, and credentialed literature evangelists. The Directory of Workers gives the names and addresses of these workers, institutional employees are listed separately in the Index of Institutional Workers.

The data that appears below has been summarized largely from the 1988 Annual Statistical Report, while the figures for the number of churches and for church membership throughout, at the Yearbook are drawn from official reports rendered for June 30, 1989.

Denominational History
Seventh-day Adventists are, doctrinally, heirs of the Millerite movement of the 1840’s. Although the name “Seventh-day Advent” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church’s first missionary, J. N. Andrews, was sent to Switzerland. Africa was penetrated briefly in 1879 when Dr. H. P. Ribton, an early convert in Italy, moved to Egypt and opened a school, but the project ended when riots broke out in the vicinity. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 the Church had its representatives in Japan.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Advent Review and Sabbath Herald (now the Adventist Review), general church paper, was launched in Paris, Maine, in 1850; the Youth’s Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened its doors in 1866, and missionary society work was organized on a statewide basis in 1870. The first of the Church’s worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, the denominational headquarters was moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to Silver Spring, Maryland, where it continues to form the nerve-center of an ever-expanding work.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus.”

FUNDAMENTAL BELIEFS
OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church's understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God's Holy Word.

1. The Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration through holy men of God who spoke and wrote as they were moved by the Holy Spirit. In this Word, God has committed to man the knowledge necessary for salvation. The Holy Scriptures are the infallible revelation of His will. They are the standard of character, the test of experience, the authoritative revealer of doctrines, and the trustworthy record of God's acts in history. (2 Peter 1:20, 21; 2 Tim. 3:16, 17; Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; Heb. 4:12.)

2. The Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three co-eternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. He is forever worthy of worship, adoration, and service by the whole creation. (Deut. 6:4; Matt. 28:19; 2 Cor. 13:14; Eph. 4:4-6; 1 Peter 1:2; 1 Tim. 1:17; Rev. 14:7.)

3. The Father

God the Eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also revelations of the Father. (Gen. 1:1; Rev. 4:11; 1 Cor. 15:28; John 3:16; 1 John 4:8; 1 Tim. 1:17; Ex. 34:6, 7; John 14:9.)

4. The Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, but perfectly exemplified the righteousness and love of God. By His miracles He manifested God's power and was attested as God's promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. (John 1:1-3, 14; Col. 1:15-19; John 10:30; 14:9; Rom. 6:23; 2 Cor. 5:17-19; John 5:22; Luke 1:35; Phil. 2:5-11; Heb. 2:9-18; 1 Cor. 15:3, 4; Heb. 8:1, 2; John 14:1-3.)

5. The Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He inspired the writers of Scripture. He filled Christ's life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His children, He extends spiritual gifts to the church, empowers it to bear witness to Christ, and in harmony with the Scriptures leads it into all truth. (Gen. 1:2; Luke 1:35; 4:18; Acts 10:38; 2 Peter 1:21; 2 Cor. 3:18; Eph. 4:11, 12; Acts 1:8; John 14:16-18, 26; 15:26, 27; 16:7-13.)

6. Creation

God is Creator of all things, and has revealed in Scripture the authentic account of His creative activity. In six days the Lord made "the heaven and the earth" and all living things upon the earth, and rested on the seventh day of that first week. Thus He established the Sabbath as a perpetual memorial of His completed creative work. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was "very good," declaring the glory of God. (Gen. 1:2; Ex. 20:8-11; Ps. 19:1-6; 33:6-9; 104; Heb. 11:3.)

7. The Nature of Man

Man and woman were made in the image of God with individuality, the power to think, feel, act, and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position under God. The image of God in them was marred and they became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7; Ps. 8:4-8; Acts 17:24-28; Gen. 3; Ps. 51:5; Rom. 5:12-17; 2 Cor. 5:19, 20; Ps. 31:10; 1 John 4:7, 8, 11, 20; Gen. 2:15.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led
Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:4-9; Isa. 14:12-14; Eze. 28:12-18; Gen. 3; Rom. 1:19-22; 5:12-21; 8:19-22; Gen. 6-8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

9. The Life, Death, and Resurrection of Christ

In Christ's life of perfect obedience to God's will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement indicates the righteousness of God's law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ triumphs over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth will bow. (John 3:16; Isa. 53; 1 Peter 1:21; 2 Cor. 5:17-21; John 16:8; Gal. 3:13-14; 1 Peter 2:21, 22; 2 Cor. 5:14, 15, 19-21; Rom. 1:4; 3:25; 4:25; 8:3, 4; 1 John 2:2; 4:10; Col. 2:15; Phil. 2:6-11.)

10. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Lord and Christ, as Substitute and Example of the faith which receives salvation comes through the divine power of the Word and is the gift of God's grace. Through Christ we are justified, adopted as God's sons and daughters, and delivered from the dominion of sin. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God's law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation now and in the judgment. (2 Cor. 5:17-21; John 3:16; Gal. 1:4; 4:4-7; Titus 3:3-7; John 16:8; Gal. 3:13, 14; 1 Peter 2:21, 22; Rom. 10:17; Luke 17:5; Mark 9:23, 24; Eph. 2:5:10; Rom. 3:21-26; Col. 1:13, 14; Rom. 8:14-17; Gal. 3:26; John 3:8; 1 Peter 1:23; Rom. 12:2; Heb. 8:7-12; Eze. 36:25-27; 2 Peter 1:3; 4; Rom. 8:1-4; 5:6-10.)

11. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world; and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord's Supper, for service and for the worldwide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word, and from the Scriptures, which are the written Word. The church is God's family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body of Christ, a community of faith of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or wrinkle, but holy and without blemish. (Gen. 12:3; Acts 7:38; Eph. 4:11-15; 3:8-11; Matt. 28:18, 20; 16:13-20; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

12. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, a remnant has been called out to keep the commandments of God and the faith of Jesus. This remnant announces the arrival of the judgment hour, proclaims salvation through Christ, and testifies of our death and resurrection of Jesus Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentance and reform on earth. Every believer is called to have a personal part in this worldwide witness. (Rev. 12:17; 14:6-12; 18:1-4; 2 Cor. 5:10; Jude 3, 14; 1 Peter 1:16-19; 2 Peter 3:10-14; Rev. 21:1-14.)

13. Unity in the Body of Christ

The church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation; distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by one Spirit has bonded us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the revelation of Jesus Christ in the Scriptures we share the same faith and hope, and reach out in one witness to all. This unity has its source in the oneness of the triune God, who has adopted us as His children. (Rom. 12:4, 5; 1 Cor. 12:12-14; Matt. 28:19, 20; Ps. 133:1; 2 Cor. 5:16, 17; Acts 17:26, 27; Gal. 3:27, 29; Col. 3:10-15; Eph. 4:14-16; 4:16; John 17:20-23.)

14. Baptism

By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our purpose to walk in newness of life. Thus we acknowledge Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgiveness of our sins, and our reception of the Holy Spirit. It is by immersion in water and contingent on an affirmation of faith in Jesus and evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Rom. 6:1-6; Col. 2:12, 13; Acts 16:30-33; 22:16; 2:38; Matt. 28:19, 20.)

15. The Lord's Supper

The Lord's Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present to meet and strengthen His people. As we partake, we joyfully proclaim the Lord's death until He comes again. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to unite our hearts in love. The communion service is open to all believing Christians. (1 Cor. 10:16, 17; 11:19-30; Matt. 26:17-30; Rev. 3:20; John 6:48-63; 13:1-17.)
16. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts which each member is to employ in loving ministry for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, the gifts provide all abilities and ministries needed by the church to fulfill its divinely ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, reconciliation, compassion, and self-sacrificing service and charity for the help and encouragement of people.

Some members are called of God and endowed by the Spirit for functions recognized by the church in pastoral, evangelistic, apostolic, and teaching ministries particularly needed to equip the members for service, to build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ these spiritual gifts as faithfull stews of God's varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Rom. 12:4-8; 1 Cor. 12:28-31; 27, 28; Eph. 4:8-11; 11-16; Acts 6:1-7; 1 Tim. 2:1-3; 1 Peter 4:10-11.)

17. The Gift of Prophecy

One of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and was manifested in the ministry of Ellen G. White. As the Lord's messenger, her writings are a continuing and authoritative source of truth which provide for the guidance, instruction, and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17; 19:10.)

18. The Law of God

The great principles of God's law are embodied in the Ten Commandments and exemplified in the life of Christ. They express God's love, will, and purposes concerning human conduct and relationships and are binding upon all people in every age. These precepts are the basis of God's covenant with His people and the standard in God's judgment. Through the agency of the Holy Spirit they point out sin and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Ex. 20:1-17; Ps. 40:7, 8; Matt. 22:36-40; Deut. 28:1-14; Matt. 5:17-20; Heb. 8:8-10; John 16:7-10; Eph. 2:8-10; 1 John 5:3; Rom. 8:3; 4; Ps. 19:7-14.)

19. The Sabbath

The beneficent Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a token of our allegiance, and a foretaste of our eternal future in God's kingdom. The Sabbath is God's perpetual sign of His eternal covenant between Him and His people. Joyful observance of this holy time from evening to evening, sunset to sunset, is a celebration of God's creative and redemptive acts. (Gen. 2:1-3; Ex. 20:8-11; Luke 4:16; Isa. 40:28; Matt. 12:1-12; Ex. 31:13-17; Eze. 20:12; Deut. 5:12-15; Heb. 4:1-11; Lev. 23:32; Mark 1:32.)

20. Stewardship

We are God's stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God's ownership by faithful service to Him and our fellow men, and by returning tithes and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag. 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26, 27.)

21. Christian Behaviour

We are called to be a godly people who think, feel, and act in harmony with the principles of heaven. For the Spirit to recreate in us the character of our Lord we involve ourselves only in those things which will produce Christlike purity, health, and joy in our lives. This means that our amusements and entertainment should meet the highest standards of Christian taste and beauty. While recognizing cultural differences, our dress is to be simple, modest, and neat, befitting our bodies, and should meet the highest standards of Christian taste and beauty. While recognizing cultural differences, our dress is to be simple, modest, and neat, befitting our bodies, and should meet the highest standards of Christian taste and beauty.

22. Marriage and the Family

Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian a marriage commitment is to God as well as to the spouse, and should be entered into only between partners who share a common faith. Mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, and marries another, commits adultery. Although a Christian may fall short of the ideal, marriage partners who fully commit themselves to each other in Christ may achieve loving unity through the guidance of the Spirit and the nurture of the church. God blesses the family and intends that it be the church to each other toward complete maturity. Parents are to bring up their children to love and obey the Lord. By their example and their words they are to teach them that Christ is a loving disciplinarian, ever tender and caring, who wants them to become members of His body, the
family of God. Increasing family closeness is one of the earmarks of the final gospel message. (Gen. 2:18-25; Matt. 19:3-9; John 2:1-11; 2 Cor. 6:14; Eph. 5:21-33; Matt. 5:31, 32; Mark 10:11, 12; Luke 16:18; 1 Cor. 7:10, 11; Ex. 20:12; Eph. 6:1-4; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6.)

23. Christ's Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle which the Lord set up and not man. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. He was inaugurated as our great High Priest and began His intercessory ministry at the time of His ascension. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of the blood of Jesus. The sins of the judgment revealed to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who, among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent. (Heb. 8:1-5; 4:14-16; 9:11-28; 10:19-22; 1:3; 2:16, 17; Dan. 7:9-27; 8:13, 14; 9:24-27; Num. 14:34; Eze. 4:6; Lev. 16; Rev. 14:6, 7, 20;12; 14:12; 22:12.)

24. The Second Coming of Christ

The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour's coming will be literal, personal, visible and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ's coming is imminent. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Titus 2:13; Heb. 9:28; John 14:1-3; Acts 1:9-11; Matt. 24:14; Rev. 1:7; Matt. 24:43, 44; 1 Thess. 4:13-16; 1 Cor. 15:51-54; 2 Thess. 1:7-10; 2:8; Rev. 14:14-20; 19:11-21; Matt. 24; Mark 13; Luke 21; 2 Tim. 3:1-5; 1 Thess. 5:1-6.)

25. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Rom. 6:23; 1 Tim. 6:15, 16; Eccl. 9:5, 6; Ps. 146:3, 4; John 11:11-14; Col. 3:4; 1 Cor. 15:51-54; 1 Thess. 4:13-17; John 5:28, 29; Rev. 20:1-10.)

26. The Millennium and the End of Sin

The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city: but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Rev. 20: 1 Cor. 6:2, 3; Jer. 4:23-26; Rev. 21:1-5; Mal. 4:1; Eze. 28:18, 19.)

27. The New Earth

On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (2 Peter 3:13; Isa. 35; 65:17-25; Matt. 5:5; Rev. 21:1-7; 22:1-5; 11:15.)
THE CONSTITUTION AND BYLAWS
of the
General Conference of Seventh-day Adventists
(As revised at the Fifty-fourth Session held in New Orleans, Louisiana, June 27 to July 6, 1985.)

CONSTITUTION

Article I—Name
This organization shall be known as General Conference of Seventh-day Adventists.

Article II—Object
The object of this Conference is to teach all nations the everlasting gospel of our Lord and Saviour Jesus Christ and the commandments of God.

Article III—Membership
Sec. 1. The membership of this Conference shall consist of:
   a. Such union conferences and union missions, either in organized division sections or without divisional affiliation, as have been or shall be properly organized and accepted by vote of the General Conference in session.
   b. Such local conferences and properly organized local missions not included in any division, union conference/mission, or such local conferences/missions/unions of churches directly attached to divisions, as have been or shall be properly organized and accepted by vote of the General Conference in session.

Sec. 2. The voters of this Conference shall be designated as follows:
   a. Delegates at large.
   b. Regular delegates.

Sec. 3. Delegates at large shall be:
   a. All members of the General Conference Executive Committee.
   b. Such representatives of missions of the General Conference and of general institutions and departments of work, and such general laborers, field secretaries and lay persons as shall receive delegate’s credentials from the Executive Committee of the General Conference, such credentials to be ratified by the General Conference in session. The number of these delegates thus seated shall not exceed 25 per cent of the total number of delegates otherwise provided for.
   c. Four delegates from each division, without regard to membership, and one additional delegate for each 200,000, or major fraction thereof, of the division membership, such delegates to be appointed by the Division Committee and their credentials to be ratified by the General Conference in session. Calculations for these delegate allotments shall be based upon the membership as of December 31 of the second year preceding the session.

Sec. 4. Regular delegates shall be appointed in the following manner:
   a. Delegates representing union conferences shall be appointed by the respective unions.
   b. Delegates representing union missions, and local conferences/local missions/unions of churches attached to the division but not to any union, shall be appointed by the Division Committee in consultation with the organization concerned.
   c. Delegates representing union missions, and local conferences/local missions/unions of churches without division affiliation, shall be appointed by the General Conference Committee in consultation with the organization concerned.

Sec. 5. Regular delegates shall be appointed and accredited on the following basis:
   a. Delegates from union conferences/missions. Each union conference/mission shall be entitled to one delegate in addition to its president, without regard to number, an additional delegate for each local conference and each regularly organized mission in its territory without regard to number, and an additional delegate for each 5,000 or major fraction thereof, of the membership of the union conference or mission.
   b. Delegates from attached local fields. Each local conference/local mission/union of churches directly attached to a division or to the General Conference, as has been or shall be properly organized and accepted by vote of the General Conference in session, shall be entitled to one delegate, without regard to number, and an additional delegate for each 5,000 or major fraction thereof, of the membership of the local conference or mission.
   c. Calculations for delegate allotments shall be based upon the membership as of December 31 of the second year preceding the session.

Sec. 6. Credentials to sessions shall be issued by the General Conference to those appointed as provided for in harmony with the provisions of this article.

Article VII—Term of Office
All officers of the General Conference and those members of the Executive Committee provided for by Article VI, Sec. 1, a, shall hold office from the date of election until the next ensuing regular session, or until their successors are elected and appear to enter upon their duties.

Article VIII—Incorporations and Agents
Sec. 1. Such incorporations may be authorized by the General Conference in session, or by the General Conference Executive Committee, as the development of the work may require.

Sec. 2. At each regular session of this Conference, the delegates shall elect such trustees and corporate bodies connected with this organization as may be provided in the statutory laws governing each.

Sec. 3. The Conference shall employ such committees, secretaries, treasurers, auditors, agents, ministers, missionaries and other persons, and make such distribution of its laborers as may be necessary effectively to execute its work.

Sec. 4. The Conference shall grant credentials or licenses to ministers and missionaries except in division fields, in union and local conferences, and in organized union missions.

Sec. 5. The General Conference Corporation is an organization formed as an instrumentality of the General Conference for the purpose of assisting the General Conference in carrying out its purposes.

Article IX—Sessions
Sec. 1. This Conference shall hold quinquennial sessions at such time and place as the Executive Committee shall designate and announce by a notice published in the Adventist Review in three consecutive issues at least four months before the date for the opening of the session. In case special world conditions seem to make it imperative to postpone the calling of the Session, the Executive Committee, in regular or special council, shall have authority to make such postponement, not to exceed two years, giving notice to all constituent organizations.

Sec. 2. The Executive Committee may call special sessions of the General Conference at such time and place as it deems proper, by a like notice as of regular sessions, and the transactions of such special sessions shall have the same force as those of the regular sessions.

Sec. 3. The election of officers, and the voting on all matters of business shall be by viva-voce vote, or as designated by the chairman, unless otherwise demanded by a majority of the delegates present.

Article X—Bylaws
The voters of this Conference may enact bylaws and amend or repeal them at any session thereof, and such bylaws may embrace any provision not inconsistent with the Constitution.

Article XI—Amendments
This Constitution or its Bylaws may be amended by a two-thirds vote of the voters present and voting at any session, provided that, if it is proposed to amend the Constitution at a special session, notice of such purpose shall be given in the call for such special session.

BYLAWS

Article I—Division Sections
Sec. 1. The General Conference shall conduct its worldwide work in division sections, each section to operate within a specified territory in harmony with the policy of the General Conference.

Sec. 2. Union conference and union mission field organizations, together with all other organizations and institutions within the territory, shall be responsible to the respective division committees, or in the case of fields without divisional affiliation, to the General Conference Committee.

Sec. 3. The division sections shall be known as: Africa-Indian Ocean Division, China Division, Eastern Africa Division, Euro-Africa Division, Far Eastern Division, Inter-American Division, North American Division, South American Division, South Pacific Di-
vision, Southern Asia Division, Trans-European Division, The Seventh-day Adventist Church in the Union of Soviet Socialist Republics. The boundaries of these division sections shall be subject to adjustment only at a session (sessions) of the General Conference, at an annual council (annual councils) of the General Conference Committee.

Sec. 4. If a territorial adjustment is made at an annual council, it shall be made only provided each of the division(s) affected is represented at the council by at least one of its executive officers. An exception to the requirement of division representation shall be made in a condition of emergency. In such a case, the General Conference Committee shall make whatever adjustments are necessary for the conduct of the work in the territory affected.

Article II—Standing Committees

Sec. 1. At each regular session of this Conference, such standing committees as may be found necessary, including the following: Constitution and Bylaws Committee; Nominating Committee; Plans Committee; and all other standing committees based upon its proportion of the world membership as of December 31 of the second year preceding the session. The total under this provision is not to exceed 200 provided, however, that no division have less than eight members on the Nominating Committee.

2) One member for each attached union and one member for each of the following General Conference institutions: Andrews University, Christian Record Braille Foundation, Harris Pine Mills, Home Study International, Loma Linda Foods, Loma Linda University, Oakwood College, Pacific Press Publishing Association, Review and Herald Publishing Association, and Seventh-day Adventist Radio, Television, and Film Center.

b. The members of the Nominating Committee shall be chosen as follows:

1) Each division delegation shall act as a unit in selecting the members to which it is entitled on the basis of church membership. Delegates at large will join the delegations from the divisions in which they are or were last employed, or now reside.

2) The election of division representatives on the Nominating Committee shall be by the method of voting considered by the division to be most convenient and efficient, taking into consideration the size of the delegation and other circumstances.

c. Each division delegation in selecting its representatives on the Nominating Committee shall take into account the following points:

1) The division's representation on the Nominating Committee should, as far as possible, represent the various geographical areas, organizational segments, and types of activity of the division.

2) Those chosen as members of the Nominating Committee must be duly accredited delegates in attendance at the General Conference Session.

3) Members of the General Conference Committee whose term of service is ending at the Session and therefore stand for reelection shall not be members of the Nominating Committee.

d. No delegate shall nominate more than one person for election to the Nominating Committee.

Sec. 1. General vice-presidents shall be elected to assist the President with the general administrative work of the General Conference. One additional vice-president shall be elected for each division of the General Conference.

b. The Nominating Committee shall select its own chairman and secretary under the temporary chairmanship of the President of the General Conference.

f. The Nominating Committee shall limit its nominations to those positions for which budgetary provision has been made.

g. In order to expedite the work of the Nominating Committee, representatives from the $50,000, including North America, shall be allowed a reasonable amount of time to meet and consider the personnel needs of their respective divisions and to make recommendations to the full Nominating Committee. Decisions of these groups shall not bind the Nominating Committee as a whole, but shall be submitted as recommendations which will be considered. The North American Division group shall recommend personnel for the following offices in the General Conference:

Two associate secretaries
Two elected members of the General Conference Treasury staff
One associate director for the Department of Communication
One associate director for the Department of Education who shall serve as executive secretary of the NAD Board of Higher Education and who shall have been recommended by that board

Sec. 3. Division committees may appoint such associate and assistant secretaries as may be required to carry on the work.

**Article VI—Undertreasurer and Associate Treasurers**

An undertreasurer and associate treasurers shall be elected to share with the Treasurer the work of his office. They shall perform such duties connected with the Treasury as may be assigned to them by the Treasurer or by the Executive Committee. They may be authorized by the Executive Committee to sign checks under the instruction of the Treasurer.

**Article VII—Division Treasurers**

Sec. 1. A treasurer shall be elected for each division outside of North America, to be designated “division treasurer.”

Sec. 2. It shall be the duty of the division treasurers to receive and disburse the funds of the General Conference made available for their territory, under the direction of their respective division committees, and to perform such other duties as usually pertain to such office.

Sec. 3. A division committee may appoint an undertreasurer and such assistant treasurers and assistant auditors as may be required to carry on the work.

**Article VIII—General and Division Field Secretaries**

Sec. 1. The term “general field secretary” shall be used to designate general field workers elected in addition to the officers to serve in carrying the field responsibilities of the General Conference.

Sec. 2. The general field secretaries shall work under the direction of the General Conference Committee and the President, and be assigned either to field service or to special projects or responsibilities as may be determined by the General Conference Committee.

Sec. 3. Division field secretaries may be elected as shall be deemed necessary to labor in the divisions under the direction of their respective division committees.

**Article IX—Departments—Directors/Secretaries, Associates and Assistants**

Sec. 1. The departmental, association, and service directors/secretaries and associates elected by the General Conference shall work under the direction of the Executive Committee of the General Conference, or in the case of departmental, association, or service directors/secretaries in divisions under the direction of their respective division executive committees, and shall occupy an advisory relation to the field.

Sec. 2. The term “associate director/secretary” shall be used to designate such individuals as may be elected to associate with the director/secretary of any General Conference department/service or committee in carrying the responsibilities of his office. Such person shall have the requisite experience, background and expertise to facilitate the work of the department in carrying out the duties assigned to it not only at headquarters but also throughout the world field. Certain specialized associate activities may be largely accomplished without extensive field activity.

Sec. 3. The term “assistant director/secretary” shall be used to designate such persons as are appointed by the General Conference Committee to assist the director/secretary and his associates in any department, association or service in carrying the work of the General Conference office, usually in one or more special procedures or functions. These special assignments shall be carried on largely in the office and serve to expedite the work of the departmental staff. Field appointments for departmental assistants shall be of a very limited nature and shall normally be confined to the North American Division.

**Article X—Departmental Advisory Committees**

The Executive Committee shall appoint a representative advisory committee for each department, association, or service of the General Conference. Such committee shall in each case be composed of the director/secretary, associates and assistants of the department, association or service; the directors/secretaries of departmental, association, or service work in the divisions; and such other persons as the Executive Committee may deem necessary.

**Article XI—Division Departments—Directors/Secretaries, Associates and Assistants**

Sec. 1. Division departmental, association and service directors/secretaries shall be elected by the General Conference for the respective division fields and shall labor under the direction of their respective division committees.

Sec. 2. Division committees shall appoint such associate and assistant directors/secretaries, as may be needed to serve in special capacities, to labor under the direction of their respective directors/secretaries.

**Article XII—Director of Archives and Statistics**

At each regular session the General Conference shall elect a director of Archives and Statistics whose duties shall be to administer the General Conference Archives and to compile and report the statistics of the world work, and who shall serve under the direction of the Executive Committee.

**Article XIII—Executive Committee**

Sec. 1. a. During the intervals between sessions of the General Conference, the Executive Committee is delegated the authority to act on behalf of the General Conference in session including the authority to elect or remove, for cause, officers, directors and associate directors of departments/services and committee members and to fill for the current term any vacancies that may occur in its offices, boards, committees or agents by death, resignation, or otherwise.

b. The Executive Committee shall also have power to grant or to withdraw credentials or licenses and to
approve such committees and employ such personnel as may be necessary to execute its work effectively.

c. The Executive Committee shall have power to effect the retirement, before the expiration of the term for which they have been elected, of persons elected under Article V, Sec. 1 a, of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

d. The removal from office by the Executive Committee of any person elected under Article V, Sec. 1 a, of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

Sec. 2. a. A meeting of the Executive Committee, known as the Annual Council, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A majority of the full membership of the Executive Committee, including the President or a general vice-president, is empowered to transact denominational business of any nature at any time and place.

Sec. 4. Any fifteen members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee and shall be empowered to transact such executive business as is in harmony with the general plans outlined by the Committee at the designated place of meeting of the Executive Committee as hereinafter provided.

Sec. 5. All meetings of the Executive Committee, except majority meetings, shall be held at the General Conference headquarters, or at such other place as may be definitely arranged by a majority meeting of the Executive Committee, or by the quorum of at least fifteen members meeting in regular session at general headquarters.

Sec. 6. Meetings of the Executive Committee may be called at any time by the ranking officer of the Conference who may be present at headquarters, and such officer, or any member of the committee appointed by him, shall act as chairman of the meeting.

Article XIV—Division Committees

Sec. 1. In each division outside of North America, a division committee shall be constituted as hereinafter provided for the transaction of business pertaining to the division.

Sec. 2. The members of a division committee shall be the President, the Secretary, the Treasurer, and the field secretaries of the division; the presidents of union conferences; the presidents of union missions; the division departmental, association, and service directors/secretaries; and any other members of the General Conference Committee present. Other members may also be appointed by the Division Committee.

Sec. 3. The actions taken by division committees pertaining to the administration of affairs in division fields shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws, and with its Executive Committee actions at regular Annual Councils.

Sec. 4. Five members of a division committee, including the chairman, shall constitute a quorum for the transaction of business. When the chairman is unable to present, the secretary may convene such a meeting at headquarters and shall serve as chairman unless otherwise determined by the President. Minority meetings of fewer than five members of the Division Committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present.

Article XV—Corporation Boards

At each regular session of the General Conference the requisite boards of trustees, according to their respective Constitutions and Bylaws, shall be elected for each legal corporation serving as trustee and holding properties and receiving gifts and legacies for the General Conference unincorporated. The trustees of the General Conference Corporation shall also constitute the Board of Trustees of the General Conference Association.

Article XVI—Auditors and Audits

Sec. 1. The Executive Committee shall have the accounts of the General Conference and of its legal corporations audited at least once each calendar year, and the auditor or one of the associate auditors shall report upon the same to the Executive Committee annually. The auditor or an associate auditor, as may be arranged, shall report also to the General Conference at its regular sessions. The General Conference auditor and the associate auditors shall also be made available for auditing the accounts of union conferences and general institutions as well as division accounts. The auditors shall be under the general direction of the Executive Committee.

Sec. 2. The division auditor or auditors shall audit the books of such organizations or institutions within their territories as the division committees shall direct.

Article XVII—Wages and Expenses

Sec. 1. The Executive Committee shall appoint annually eight persons not in its employ who, with the officers of the General Conference and not less than seven presidents of union conferences, shall constitute a committee to audit the expense accounts of employees and to fix their wages for the succeeding year.

Sec. 2. The Executive Committee shall have power to make such adjustments from time to time in the wage of clerks, stenographers and other routine workers as may be necessary.

Article XVIII—Funds

Sec. 1. The funds of the General Conference shall be as follows:

a. A tithe of the tithe receipts of the union conferences and union missions and of the local conferences and missions not included in union conferences and union missions.

b. Regular mission offerings.

c. Special donations and proceeds from the maturities of deferred gifts.

d. Such percentage of the tithe of local conferences and missions as may be determined by a committee composed of the conference and mission presidents and the Division Executive Committee, or, in the case of North America, the conference and mission presidents and the General Conference Executive Committee.

e. Surplus tithes which may be appropriated by local and union conferences for the mission field.
f. Appropriations from our publishing houses, sanitariums and other institutions that are under the control of the General Conference which, because of the character of their work, have more than local influence and responsibility as may be arranged by joint counsel of the Executive Committee of the General Conference with the board of management of each institution.

g. Such percentage of the funds of union and local conferences and missions, institutions and Adventist Book Centers in North America as may be arranged by the General Conference Committee in counsel with conference presidents, the same to be known as the Retirement Plan for the support of aged and infirm workers and for the dependent widows and orphans of workers.

Sec. 2. Divisions outside North America shall adopt a retirement plan which shall be in harmony with the principles set forth in the General Conference Retirement Plan.

Article XIX—Appropriations

Sec. 1. The Executive Committee shall make its appropriations for home and foreign work at the Annual Councils, said appropriations to be based on budgets from the fields requiring financial help.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major permanent investments shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to division fields shall be administered by the Division Committee.

Sec. 4. All funds raised in division fields, except the regular funds belonging to the General Conference, as indicated under Article XVIII, may be used for the advancement of the work in the fields in which they were raised.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

Article XX—Finance

Sec. 1. To tide over a possible financial depression and to provide a working fund for regular operations the General Conference shall maintain an amount of working capital as defined and specified in the Working Policy.

Sec. 2. The Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make such annuity contracts as may seem desirable; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be held as a trust for appropriation to the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the General Conference Committee, the Treasury, nor of any agent or agency of the denomination, to loan these funds to private individuals, to endorse notes, sign bonds or other securities or in any other way to divert the funds of the General Conference from their intended purpose. Advances specifically authorized under regular policy, and made in order to enable workers to become located and equipped for service, are not a violation of this provision.

Sec. 4. The basis for computing goals and per capita funds shall be the average of the membership of the four consecutive quarters ending on September 30 of the preceding year as published in the General Conference official statistical reports.

What has God done for us lately?

Don't be discouraged. Remember the way the Lord has led us in our past history. And if you want something more current, subscribe to the Adventist Review and see what God did for us last week.

You'll read wonderful news about doors opening in countries where we once faced brick walls. You'll hear about big baptisms. And you'll even hear the inspiring experiences of individual Adventists.

Subscribe to the weekly Adventist Review, and see what God has done for us lately.

Blessings reported as they happen. In the weekly Adventist Review.

Please start my subscription to the weekly Review immediately.

THE SEVENTH-DAY
ADVENTIST CHURCH IN THE
UNION OF SOVIET SOCIALIST REPUBLICS

During the last few years, especially since 1977, the Seventh-day Adventist Church in the Union of Soviet Socialist Republics has been reorganizing with the goal of establishing an organization similar to the one organized in 1920 and reorganized in 1928, which included all the republics. This has not yet been fully accomplished. The following directory indicates the present status of the Seventh-day Adventist work in the U.S.S.R.

Territory: The Union of Soviet Socialist Republics; comprising the Baltic, Moldavian, Russian, and Ukrainian Union Conferences and the Asian-Caucasian, Kazakhstan, and Kirgizian Conferences.

ADVENTIST WORLD PURCHASING & SERVICES

(Formerly Institutional Services/ESDA)

1. Available to serve our overseas missionaries and institutions needing equipment and supplies from the United States and some other sources.

2. National Contracts available to all organizations in North America. Unions, conferences, universities, colleges, senior academies, Adventist Book Centers and nursing homes have the listing. All others should contact their conference or AWPS. With these the organization deals direct with the nearest outlet.

3. Dealer contacts are also available through AWPS for a limited number of items. Here orders are placed with AWPS and delivered through nearest outlet or factory, direct to the customer. Billing is also via AWPS.

Write or telephone us.

Telephone: (301) 680-6103/4
EDUCATIONAL INSTITUTIONS

The following Directory of Educational Institutions lists denominationally owned secondary, collegiate and university schools with their administrative and teaching personnel. An incomplete secondary school (S-3 or S-4) or a complete elementary school (E-1) is listed only if it is a boarding school or the highest-level Adventist school in the country where it is located.

The categories of the individual schools are given following their names. Categories are based on national systems and national-post-secondary requirements for admission to higher education either directly or by officially-recognized examinations. Such terms as “college,” “university,” or “institute” have varying meanings in different countries. Where more than one category follows the school name, secondary, tertiary and/or graduate tertiary programs function on the same campus under joint administration, even though the faculty listing may not so indicate.

Category Description of School

G-1 Has four or more schools offering graduate work leading to graduate degrees.
G-2 Offers limited graduate work in its own name.
G-3 Affiliated graduate programs are offered on campus by another institution.
C-1 Four years of post-secondary offerings with twelve or more majors on undergraduate level.
C-2 Four years of post-secondary studies with four to eleven majors on undergraduate level, or studies leading to the first degree.
C-3 Four years of post-secondary studies with one to three majors on undergraduate level or studies leading to the first degree.
C-4 One to three years of post-secondary studies.
S-1 Complete national secondary program, admitting to institutions of higher learning, with specialized terminal courses on secondary level.
S-2 Complete national secondary program, admitting to institutions of higher learning.
S-3 Incomplete secondary program (the number of years varies), not giving admission to institutions of higher learning, with additional worker training courses at that level.
S-4 Incomplete secondary program (the number of years varies), not giving admission to institutions of higher learning.
E-1 Complete elementary (primary) school program, with worker-training courses on elementary level.
U Unclassified. Falls within none of the categories outlined, or insufficient information is available.

THE COMPLETE GUIDE TO BIBLE PLANTS AND ANIMALS

Artist and naturalist Harry Baerg shows you every mammal, every plant, every bird, and every other creature mentioned in the Bible. His written descriptions include fascinating details about the behavior of each animal and its most notable appearances in ancient human history. You'll also learn how various plants provided Bible characters with dyes, perfumes, spices, and even medicines.

Set of three volumes, US$29.95, Cdn$37.45.

Martin Weber wrote this book for sharing that features true stories of triumph over the pain of death, disappointment, divorce, and loneliness. It acquaints readers with a loving God, His guidelines for a happy life, and His plan to end pain permanently.

Paper, 160 pages.

US$2.50, Cdn$3.15 each.
5-pack, US$7.95, Cdn$9.95.

True-to-life stories that hold interest and build character have come to video! Each Best of Guide video is packed with three adventures and two music videos, plus live-action scenes with host Ron Pride.

The stories don't paralyze the thinking process like a movie or cartoon. Charming color illustrations give kids room to exercise their imagination. They watch the stories over and over, seeing for themselves the benefits of good character.

US$19.95, Cdn$24.95 per volume.

Find more joy and meaning in your prayer life, more assurance that the channel between you and God is clear!

Using her own deeply personal and triumphant experience, the author guides you step by step toward satisfying communion with your heavenly Father. She tells how she lost the boredom and guilt that had choked her lifeline to God and how in its place she found intimate two-way conversation.

Paperback, 128 pages. US$7.95, Cdn$9.95.

If you're trying to reach someone, leave a Message.

If you want to reach someone with the gospel and share a better lifestyle, leave MESSAGE magazine.

This dynamic ethnic magazine has something to attract every member of the family! It serves up delicious vegetarian recipes, dramatic stories of faith, and helpful articles on happy family living. MESSAGE also has a long history of inspiring interviews with the successful and famous.

But here’s what MESSAGE does best: It specializes in applying Bible principles to personal problems—stress and finances, for example—as well as national issues like drug abuse and AIDS. It brings its readers a Christian perspective on today’s hottest issues. It also presents the fundamental beliefs of Seventh-day Adventists in a one-year “soul-winning doctrinal schedule.”

As you see your friends discover a beautiful new Christian lifestyle, you’ll be glad you left a MESSAGE.

To send MESSAGE for one year (six issues), send us the name and address of the person(s) you want to reach. Please enclose check or money order for US$8.97 (for each name) and mail to: MESSAGE, Box 1119, Hagerstown, MD 21741.

*Please add US$4.80 for addresses outside the U.S.A.

## List of Countries with Their Organizational Locations

This list contains countries and major island groups of the world, especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference or union mission where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country or island group should consult both this list and the index to find the page where the desired Seventh-day Adventist headquarters is given.

Our Advertisers

Effective advertising is more than a gesture of goodwill between competent suppliers and their favorite buyers. It is specific information concerning available services rendered by whom, when, and where.

The Yearbook serves thousands of S.D.A. offices throughout the world. While it is designed primarily as a directory and reference book, the advertisements introduce several business establishments and their products and services to the administrators and institutional purchasing agents of the Seventh-day Adventist denomination.
