**Preface to the 2004 Edition**

**Scope of the Yearbook**
A world directory of the Seventh-day Adventist Church is given in the following pages. It includes the General Conference and its international divisions, union and local conferences and missions, and related institutions. Institutions that are managed but not fully owned and operated by church entities are not included. The information has been furnished by the organizations themselves; but in cases where current reports have not been received, the most recent previous records have been retained or adjusted.

In the conference and mission sections, employees are listed in the following sequence: ordained ministers holding ministerial credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionaries. The Directory of Credentialed Employees gives the names and addresses of these individuals. Institutional employees are listed separately in the Index of Institutional Employees.

The data that appears below has been summarized largely from the 2002 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 2003.

**Denominational History**
Seventh-day Adventists are, doctrinally, heirs of the Millerite Movement of the 1840's. Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church’s first missionary, E. N. Andrews, was sent to Switzerland. Africa was penetrated briefly in 1879 when Dr. H. P. Ribton, an early convert in Indiana, was sent to Egypt and opened a school, but the project ended when riots broke out in the vicinity. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco, California, and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1899—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church now has established work in 203 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Adventist Review and Sabbath Herald (now the Adventist Review), general church paper, was launched in Paris, Maine, in 1850; the Youth’s Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened its doors in 1866, and missionary society work was organized on a state-wide basis in 1870. The first of the Church’s worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, the denominational headquarters was moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to Silver Spring, Maryland, where it continues to form the nerve center of an ever-expanding work.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus.”

7. The Nature of Man

Man and woman were made in the image of God with individuality, the power and freedom to think and to do, though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position under God. The image of God in them was marred and they became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; Ps. 51:5; Rom. 5:12-17; 2 Cor. 5:19; Ps. 51:10; 1 John 4:7, 8, 11, 20; Gen. 2:15.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God’s adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:9; Isa. 14:12-14; Ezk. 28:12-18; Gen. 3; Rom. 1:19-22; 5:12-21; 8:19-22; Gen. 6:8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

9. The Life, Death, and Resurrection of Christ

In Christ’s life of perfect obedience to God’s will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the righteousness of God’s law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ proclaims God’s triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ,
before whom every knee in heaven and on earth will bow. (John 3:16; Isa. 53; 1 Peter 2:21, 22; 1 Cor. 15:3, 4, 20-22; 2 Cor. 6:14, 15; 19-21; Rom. 1:4; 3:25; 4:25; 8:3, 4; 1 John 2:2; 4:10; Col. 2:15; Phil. 2:6-11.)

10. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Lord and Christ, as Substitute and Example. This faith which receives salvation comes through the divine power of the Word and is the gift of God’s grace. Through Christ we are justified, adopted as God’s sons and daughters, and delivered from the lordship of sin. Through the Spirit we are born again and sanctified; the Spirit renew our minds, writes God’s law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation now and in the judgment. (2 Cor. 5:17-21; John 3:16; Gal. 3:14; 4:4-7; Titus 3:3-7; John 16:8; Gal. 3:13, 14; 1 Peter 2:21, 22; Rom. 10:17; Luke 17:5; Mark 9:23, 24; Eph. 2:5-10; Rom. 3:21-26; Col. 1:13, 14; Rom. 8:14-17; Gal. 3:26; John 3:3-8; 1 Peter 1:23; Rom. 12:2; Heb. 8:7-12; Ezr. 36:25-27; 2 Peter 1:3, 4; Rom. 8:1-4; 5:6-10.)

11. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world, and we join together in worship, for instruction in the Word, for the celebration of the Lord’s Supper, for service to all mankind, and for the world-wide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word, and from the Scriptures, which are the written Word. The church is God’s family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body of Christ, a community of faith of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or wrinkle, but holy and without blemish. (Gen. 12:3; Acts 7:38; Eph. 4:11-15; 5:8-11; Matt. 28:19, 20; 16:13-20; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

12. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, a remnant has been called out to keep the commandments of God and the faith of Jesus. This remnant announces the arrival of the judgment hour, proclaims salvation through the preaching of the gospel. This remnant is a remnant has been called out to keep the commandments of God and the faith of Jesus. This remnant announces the arrival of the judgment hour, proclaims salvation through the preaching of the gospel. This remnant is a community of faith of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or wrinkle, but holy and without blemish. (Gen. 12:3; Acts 7:38; Eph. 4:11-15; 5:8-11; Matt. 28:19, 20; 16:13-20; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

13. Unity in the Body of Christ

The church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation; distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by one Spirit has bonded us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the revelation of Jesus Christ in the Scriptures we share the same faith and hope, and reach out in one witness to all. This unity has its source in the oneness of the triune God, who has adopted us as His children. (Rom. 12:4, 5; 1 Cor. 12:12-14; Matt. 28:19, 20; Ps. 133:1-4; 2 Cor. 6:16, 17; Acts 17-26, 27; Gal. 3:27, 29; Col. 3:10-15; Eph. 4:14-16; 4:1-6; John 17:20-23.)

14. Baptism

By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our purpose to walk in newness of life. Thus we acknowledge Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgiveness of our sins, and our reception of the Holy Spirit. It is by immersion in water and is contingent on an affirmation of faith in Jesus, as evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Rom. 6:1-6; Col. 2:12, 13; Acts 16:30-33; 22:16; 2:38; Matt. 28:19, 20.)

15. The Lord’s Supper

The Lord’s Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present to meet and strengthen His people. As we partake, we joyfully proclaim the Lord’s death until He comes again. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to unite our hearts in love. The communion service is open to all believing Christians. (1 Cor. 10:16, 17; 11:23-30; Matt. 26:17-30; Rev. 1:20; John 6:48-49; 13:13-17.)

16. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts which each member is to employ in loving ministry for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, the gifts provide all abilities and ministries needed by the church to fulfill its divinely ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophesy, proclamation, teaching, administration, reconciliation, compassion, and self-sacrificing service and charity for the help and encouragement of people. Some members are called of God and endowed by the Spirit for functions recognized by the church in pastoral, evangelistic, apostolic, and teaching ministries particularly needed to equip the members for service, to build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ these spiritual gifts as faithful stewards of God’s varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Rom. 12:4-8; 1 Cor. 12:9-11, 27, 28; Eph. 4:8, 11-16; Acts 6:1-7; 1 Tim. 3:1-13; 1 Peter 4:10, 11.)

17. The Gift of Prophecy

One of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and was manifested in the ministry of Ellen G. White. As the Lord’s messenger, her writings are a continuing and authoritative source of truth which provide for the church comfort, guidance, instruction, and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17; 19:10.)

18. The Law of God

The great principles of God’s Law are embodied in the Ten Commandments and exemplified in the life of Christ. They express God’s love, will, and purposes concerning human conduct and relationships and are binding upon all people in every age. These precepts are the basis of God’s covenant with His people and the standard in God’s judgment. Through the agency of the Holy Spirit they point out sin and awaken a sense of need for a Saviour. Salvation is all of grace and not of works, but its fruition is obedience to the Commandments. This obedience develops Christian character and results in a sense of well-being. It is an evidence of our love for the Lord and our concern for our fellow men. The obedience of faith demonstrates the power of Christ to transform lives, and therefore strengthens Christian witness.
19. The Sabbath

The beneficent Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a memorial of Creation. The fourth commandment of God’s unchangeable law requires the observance of this seventh-day Sabbath as the day of rest, worship, and ministry in harmony with the teaching and practice of Jesus. The Lord of the Sabbath. The Sabbath is a day of delightful communion with God and one another. It is a symbol of our redemption in Christ and the companionship of our heavenly Father. Sabbath observing is a credit to the believing family, and a foretaste of our eternal future in God’s kingdom. The Sabbath is God’s perpetual sign of His eternal covenant between Him and His people. Joyful observance of this holy time from evening to evening, sunset to sunset, is a celebration of God’s creative and redemptive acts. (Gen. 2:1-3; Ex. 20:8-11; Luke 4:16; Isa. 56:5; 58:13, 14; Matt. 12:1-12; Ex. 31:13-17; Eze. 20:12, 20; Deut. 5:12-15; Heb. 4:3-11; Lev. 23:32; Mark 1:32.)

20. Stewardship

We are God’s stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God’s ownership by faithfully serving Him and our fellow men, and by returning tithes and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag. 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26, 27.)

21. Christian Behaviour

We are called to be a godly people who think, feel, and act in harmony with the principles of heaven. For the Spirit to recreate in us the character of our Lord we involve ourselves only in those things which will produce Christlike purity, health, and joy in our lives. This means that our amusements and entertainments should meet the highest standards of Christian taste and beauty. While recognizing cultural differences, our dress is to be simple, modest, and neat, befitting those whose true beauty does not consist of outward adornment but in the imperishable ornament of a gentle and quiet spirit. It also means that because our bodies are the temples of the Holy Spirit, we are to care for them intelligent ly. Along with adequate exercise and rest, we are to adopt the most healthful diet possible and abstain from the unclean foods identified in the Scriptures. Since alcoholic beverages, tobacco, and the irresponsible use of drugs and narcotics are harmful to our bodies, we are to abstain from them as well. Instead, we are to engage in whatever brings our thoughts and bodies into the discipline of Christ, who desires our wholesomeness, joy, and goodness. (Rom. 12:12, 2; 1 John 2:6; Eph. 5:3-21; Phil. 4:8; Z Cor. 10:5; 6:13; 1 Pet. 3:3-4; 1 Cor. 6:19, 20; 10:31; Lev. 11:1-47; 3 John 2.)

22. Marriage and the Family

Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian a marriage commitment is to God as well as to the spouse, and should be entered into only between partners who share a common faith, mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, commits adultery. (Matt. 19:9-12; 1 Cor. 7:1-11; 2 Cor. 6:14; Eph. 5:23-33; Matt. 5:31, 32; Mark 10:11, 12; Luke 16:18; 1 Cor. 7:10, 11; Ex. 20:12; Eph. 6:1-4; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6.)

23. Christ’s Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle which the Lord set up and not man. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. He was inaugurated as our great High Priest and began His interces sory ministry at the time of His ascension. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are puri fied with the perfect sacrifice of the blood of Jesus. The investigative judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent. (Heb. 8:1-5; 4:14-16; 9:11-28; 10:19-22; 13; 2:16, 17; Dan. 7:9-27; 8:13, 14; 9:24-27; Num. 14:34; Eze. 4:6; Lev. 16; Rev. 14:6, 7; 20:12; 14:12; 22:12.)

24. The Second Coming of Christ

The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour’s coming will be literal, personal, visible and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ’s coming is imminent. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Titus 2:13; Heb. 9:28; John 14:1-3; Acts 1:9-11; Matt. 24:14; Rev. 1:7; Matt. 24:43, 44; 1 Thess. 4:13-18; 1 Cor. 15:51-54; 2 Thess. 1:7-10; 28; Rev. 14:14-20; 19:11-21; Matt. 24; Mark 13; Luke 21; 2 Tim. 3:1-5; 1 Thess. 5:1-6.)

25. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Rom. 6:23; 1 Tim. 6:15; 16; Ecle. 9:5-6; Ps. 146:3, 4; John 11:11-14; Col. 3:4; 1 Cor. 15:51-54; 1 Thess. 4:13-17; John 5:28, 29; Rev. 20:13.)

26. The Millennium and the End of Sin

The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabi tants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth.
The universe will thus be freed of sin and sinners forever. (Rev. 20; 1 Cor. 6:2, 3; Jer. 4:23-26; Rev. 21:1-5; Mal. 4:1; Eze. 28:18, 19.)

27. The New Earth
On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (2 Peter 3:13; Isa. 35; 65:17-25; Matt. 5:5; Rev. 21:1-7; 22:1-5; 11:15.)

MISSION STATEMENT of the Seventh-day Adventist Church

Our Mission—The mission of the Seventh-day Adventist Church is to proclaim to all peoples the everlasting gospel in the context of the three angels’ messages of Revelation 14:6-12, leading them to accept Jesus as personal Saviour and to unite with His church, and nurturing them in preparation for His soon return.

Our Method—We pursue this mission under the guidance of the Holy Spirit through:

1. Preaching—Accepting Christ’s commission (Matthew 28:18-20), we proclaim to all the world the message of a loving God, most fully revealed in His Son’s reconciling ministry and atoning death. Recognizing the Bible to be God’s infallible revelation of His will, we present its full message, including the second advent of Christ and the continuing authority of His Ten Commandment law with its reminder of the seventh-day Sabbath.

2. Teaching—Acknowledging that development of mind and character is essential to God’s redemptive plan, we promote the growth of a mature understanding of and relationship to God, His Word, and the created universe.

3. Healing—Affirming the biblical emphasis on the well-being of the whole person, we make the preservation of health and the healing of the sick a priority and through our ministry to the poor and oppressed, cooperate with the Creator in His compassionate work of restoration.

Our Vision—in harmony with the great prophecies of the Scriptures, we see as the climax of God’s plan the restoration of all His creation to full harmony with His perfect will and righteousness.

A meeting of the Executive Committee, known as the spring Meeting, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided for in the General Conference Working Policy relating to spring Meetings.

Sec. 1. A majority of the full membership of the Executive Committee, including the president or a general vice president, is empowered to transact denominational business of any nature at any time and place.

Sec. 4. Any fifteen members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee for the disposition of routine items, and shall be empowered to transact business that is in harmony with the annual plans outlined by the Executive Committee at the designated place of meeting of the General Conference as hereinafter provided. A quorum of forty members is required for the disposition of nonroutine items such as major financial decisions, the dismissal of elected and appointed employees, and the election of presidents of divisions, and of general vice presidents.

Sec. 5. All meetings of the Executive Committee shall be held at the General Conference headquarters, or at another place that may be voted by the Executive Committee.

Sec. 6. Meetings of the Executive Committee may be called at any time by the president or the General Conference, when it is held within the territory of their division. The president shall set the date, time, and place of such a meeting. Such invitees shall be extended the privileges of full participation in all discussion and decision-making processes of the meeting.

Sec. 8. Divisions may send presidents of unions of churches to attend Annual Council meetings of the Executive Committee. Such invitees shall be extended the privileges of full participation in all discussion and decision-making processes of the meeting.

ARTICLE XIV—DIVISION EXECUTIVE COMMITTEES

Sec. 1. In each division, a division executive committee shall be constituted, as hereinafter provided, for the transaction of business pertaining to the division. The division executive committee functions on behalf of the General Conference Executive Committee in the division, and its authority shall be recognized by union and local organizations in matters of division administration and counsel.

Sec. 2. The members of a division executive committee shall be the president, the secretary, the treasurer, other division officers, the vice presidents, and the field secretaries of the division; the heads of division institutions; the presidents of union conferences; the presidents of union missions; the presidents of unions of churches; the presidents of attached conferences/missions; the division departmental, association, and service directors/secretaries; and any members of the General Conference Executive Committee present. Other members shall include nonemployees of the church and additional representation from pastoral and educational personnel.

Sec. 4. Any fifteen members of the division executive committee, including the chairman, shall constitute a quorum for the transaction of business. When the chairman is unable to be present, the secretary may convene such a meeting at division headquarters and shall serve as chairperson. Minority meetings of less than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members or 25 percent of the committee membership, whichever is greater, is required for the disposition of nonroutine items such as major financial decisions, the dismissal of elected and appointed employees, and the appointment of union mission officers.

ARTICLE XV—AUDIT OF THE GENERAL CONFERENCE

The Executive Committee shall have an auditor of the financial statements of the General Conference and of the General Conference Corporation conducted by an external auditor at least once each calendar year. The external auditor shall also conduct an annual policy compliance audit of these organizations, and shall report annually the results of these audits to the Executive Committee and to the General Conference at its regular sessions.

ARTICLE XVI—REMETUNERATION AND EXPENSES

Sec. 1. The Executive Committee shall appoint annually a minimum of eight persons not in its employ who, with officers of the General Conference and not less than seven presidents of union conferences, shall constitute a committee to review the remuneration, related allowances, and expenses of employees.

Sec. 2. The Executive Committee shall have power to make necessary adjustments from time to time in the remuneration of employees.

ARTICLE XVII—FUNDS

Sec. 1. The funds of the General Conference shall be as follows:

a. A tithe of the tithe receipts of the union conferences and union missions, unions of churches, and of the local conferences and missions not included in union conferences and union missions.

b. Regular mission offerings.

c. Special gifts and proceeds from the maturities of planned giving.

d. A percentage of the tithe of the local conferences and missions of attached unions as determined by the General Conference Executive Committee or, in the case of North America, the General Conference Executive Committee meeting with the conference presidents.

e. Appropriations from publishing houses, health care institutions, and other institutions that are under the control of the General Conference which, because of the character of their work, have more than local influence and responsibility, as may be arranged by joint counsel of the Executive Committee and the board of management of each institution.

ARTICLE XVIII—DIVISION RETIREMENT PLANS

Sec. 1. Divisions shall adopt a plan for the support of retired and disabled and dependent employees and of dependent spouses and dependent dependents of such employees in harmony with the principles set forth in the General Conference Working Policy.

Sec. 2. Such plans shall be funded by contributions from funds belonging to the General Conference as indicated in the General Conference budget. In case of a shortage, the distribution shall usually be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

ARTICLE XIX—APPROPRIATIONS

Sec. 1. The Executive Committee shall make its appropriations to the world field at Annual Councils. These appropriations are to be based on budget requests from the fields.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall usually be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

Sec. 4. All funds raised in divisions, except the regular funds belonging to the General Conference as indicated under Article XVII, shall be used for the advancement of the work for which they were raised and are to be administered by the respective church entity in harmony with denominational policy.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.
ARTICLE XX—FINANCE

Sec. 1. To provide a working fund for regular operations and to protect against a possible financial emergency or depression, the General Conference shall maintain an amount of working capital as defined and specified in the Working Policy.

Sec. 2. The Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make annuity contracts; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be appropriated for the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the Executive Committee, the Treasury, nor of any agent or agency of the denomination to lend these funds to private individuals, to endorse notes, sign bonds or other securities or in any other way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing goals and per capita funds shall be the membership on June 30 of the preceding year as officially recorded by the General Conference Office of Archives and Statistics.

ARTICLE XXI—INDEMNIFICATION

Sec. 1. To the extent permitted by law, the General Conference shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, because he/she is or was a member of the General Conference Executive Committee or an officer, employee, or agent of the General Conference against expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit, or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the General Conference, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful.

Sec. 2. This right of indemnification shall be in addition to, and not exclusive of, all other rights to which such member of the Executive Committee or officer may be entitled.

ARTICLE XXII—DISSOLUTION

In the event of the dissolution of the General Conference Corporation, any funds remaining after all claims have been satisfied shall be transferred to any tax-exempt religious organization recommended by not less than a two-thirds majority of the Executive Committee and approved by a resolution of not less than three-fourths of the members of the Board of Trustees of the General Conference Corporation of Seventh-day Adventists. The dissolution process shall be in harmony with the procedural requirements of all federal and state laws applicable to unincorporated religious associations or religious corporations.

- **Note:** The list continues with similar entries for many more individuals, each representing different educational institutions across various locations globally.
This list contains countries of the world, especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference, or union mission where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country should consult both this list and the index to find the page where the desired Seventh-day Adventist headquarters is given.

**NOTE:** * Indicates a region that is actually a subsidiary of a United Nations approved country.
