Preface to the 2016 Edition

Scope and Purpose of the Yearbook

The Seventh-day Adventist Church conducts its activities through ecclesiastical organizations (such as local churches, local conferences and missions, unions, and the General Conference and its divisions) and a wide array of other entities and corporations established for specific functions aligned with the Church’s beliefs, values and mission. The Seventh-day Adventist Yearbook (including the online version) is “a directory of the organizational units and institutions that comprise the Seventh-day Adventist Church” (Working Policy BA 80 05). It presents information on ecclesiastical organizations beyond the local church (the General Conference and its divisions, union and local conferences and missions) and on institutions that are owned, controlled or directed by these organizational units. All information in this Yearbook has been furnished by the organizations themselves and may have changed since submission for this publication; in cases where current reports were not received, the most recent previous records have been retained or adjusted.

The Yearbook does not define church structure or describe legal relationships among church entities or any of the listed organizations, most of which are separate legal entities. It is a directory of the many and varied organizations, other than local churches and congregations, local church-sponsored entities, and elementary schools, through which the Seventh-day Adventist Church advances its mission. No listed entity assumes any responsibility for the liabilities, debts, or alleged acts or omissions of any other listed entity simply because of its inclusion in this Yearbook. Persons with grievances or claims against a listed entity must directly address such with the entity involved and not with any other entity or organization.

In the division, union, and conference/mission sections, employees are listed as follows: ordained ministers holding ministerial credentials, persons holding administrative ministries credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionary. The Directory of Credentialed Employees gives the names and employing organization of these individuals, while institutional employees are listed separately in the Index of Institutional Employees; both of these are published in electronic form only (CD-ROM), but not online.

The data that appears on the next page has been summarized largely from the 2016 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 2015.

Denominational History

Seventh-day Adventists are, doctrinally, heirs of the Millerite Movement of the 1840s. Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church’s first missionary, J. N. Andrews, was sent to Switzerland. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco, California, and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church now has established work in 216 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Adventist Review and Sabbath Herald (now the Adventist Review), the general church paper, was launched in Paris, Maine in 1850; the Youth’s Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened in 1866, and missionary society work was organized on a state-wide basis in 1870. The first of the Church’s worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, denominational head-quarters moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to its current location in Silver Spring, Maryland.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus.”

SYSTEM CODES — Explanation

Three types of codes are included with each administrative field and institution; they appear under the general heading “System Codes” at the end of each entity’s Yearbook entry. These codes are used in denominational information management systems. An example are the codes for the East-Central Africa Division: System Codes: EntityID, 20731; OrgMastID, AF1111; AdmFieldID, ECD.

FUNDAMENTAL BELIEFS
OF SEVENTH-DAY ADVENTISTS

(As amended at the 60th Session held in San Antonio, Texas, United States of America, July 2 to July 11, 2015)

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church’s understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference Session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God’s Holy Word.

1. The Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration. The inspired authors spoke and wrote as they were moved by the Holy Spirit and wrote what God reveals. The written Word of God, given by divine inspiration. The inspired authors spoke and wrote as they were moved by the Holy Spirit and wrote what God reveals. The Holy Scriptures, Old and New Testaments, are the supreme, authoritative, and the infallible revelation of His will. They are the standard of character, the measure of truth, with God’s Holy Word. (Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; 2 Tim. 3:16, 17; Heb. 4:12; 2 Peter 1:20, 21.)

2. The Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three coeternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and eternal, and God the eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also those of the Father. (Gen. 1:1; Deut. 6:4; Isa. 6:8; Matt. 28:19; John 3:16; 2 Cor. 1:21, 22; 13:14; Eph. 4:46; 1 Peter 1:2.)

3. The Father

God the eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also those of the Father. (Gen. 1:1; Deut. 4:35; Ps. 110:1-4; John 3:16; 14:9; 1 Cor. 15:28; 1 Tim. 1:17; 1 John 4:8; Rev. 4:11.)

4. The Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man, as Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, but perfectly exemplified the righteousness and love of God. By His miracles He manifested God’s power and was attested as God’s promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to heaven to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. (Isa. 53:4-6; Dan. 9:25-27; Luke 1:34; John 1:13-3, 14; 5:22; 10:30; 14:1-3, 9, 13; Rom. 6:23; 1 Cor. 15:3, 4; 2 Cor. 3:18; 5:17-19; Phil. 2:51; Col. 1:15-19; Heb. 2:9-18; 8:1, 2.)

5. The Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He is as much a person as are the Father and the Son. He inspired the writers of Scripture. He filled Christ’s life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His children, He extends spiritual gifts to the church, empowers it to bear witness to Christ, and in harmony with the Scriptures leads it into all truth. (Gen. 1:1, 2; 2 Sam. 23:2; Ps. 51:11; Isa. 61:1; Luke 1:35; 4:18; John 14:16-18, 26; 15:26; 16:7-17; Acts 1:8; 5:3; 10:38; Rom. 5:5; 1 Cor. 12:7-11; 2 Cor. 3:18; 2 Peter 1:21.)

6. Creation

God has revealed in Scripture the authentic and historical account of His creative activity. He created the universe, and in a recent six-day creation the Lord made “the heavens and the earth, and the sea, and all that is in them” and rested on the seventh day. This He established the Sabbath as a perpetual memorial of the work He performed and completed during six literal days that together with the Sabbath constituted the same unit of time that we call a week today. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was “very good,” declaring the glory of God. (Gen. 1:1-5; 11; Exod. 20:8-11; Ps. 19:16; 33:6, 9; 104; Isa. 45:12, 18; Acts 17:24; Col. 1:16; Heb. 1:2; 11:3; Rev. 16:6; 14:7.)

7. The Nature of Humanity

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position. The fall of God in the created universe became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Gen. 1:26-28; 2:7, 15; 3: Ps. 8:4-8; 51:5, 10; 58:3; Jer. 17:9; Acts 17:24-28; Rom. 5:12-17; 2 Cor. 5:19, 20; Eph. 2:23; 1 Thess. 5:23; 1 John 3:4; 4:7, 8, 11, 20.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God’s adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the global flood, as presented in the historical account of Genesis 1-11. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Gen. 3: 6-8; Job 1:6-12; Isa. 14:12-14; Ezek. 28:12-18; Rom. 1:19-32; 3:4; 5:12-21; 8:19-22; 1 Cor. 4:9; Heb. 1:14; 1 Peter 5:8; 2 Peter 3:6; Rev. 12:4-9.)

9. The Life, Death, and Resurrection of Christ

In Christ’s life of perfect obedience to God’s will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the
righteousness of God’s law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The bodily resurrection of Christ proclaims God’s triumph over the forces of evil, and the ascension of Christ assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth will bow. (Gen. 3:15; Ps. 22:11; Isa. 53; John 3:16–18; Rom. 1:4; 2:3; 4:23; B. 3, 4; 1 Cor. 15:3, 4; 20–22; 2 Cor. 5:15; Phil. 2:6–11; Col. 2:13; 1 Peter 2:21, 22; 1 John 2:2; 4:10.)

10. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Saviour and Lord, Substitute and Example. This saving faith comes through the divine power of the Word and is the gift of God’s grace. Through Christ we are justified, adopted as God’s sons and daughters, and delivered from the lordship of sin. Through the Spirit we are born again and sanctified; the Spirit renews our mind and gives us the power of God’s love. In Christ we have the given power to live a holy life. Abiding in Him we become partners of the divine nature and have the assurance of salvation now and in the judgment. (Gen. 3:15; Isa. 45:22; 53:9, 11, 12; John 12:31–34; Phil. 2:19; Heb. 2:9–23; 24; John 3:3–8, 16; 16:8; Rom. 3:21–26; 8:1–4, 14–17; 5:6–10; 10:17; 12:2; 2 Cor. 5:17–21; Gal. 1:4; 13:1, 14, 26; 4:4–7; Eph. 4:2–4; Col. 1:13, 14; Titus 3:3–7; Heb. 8:7–12; 1 Peter 1:23; 2:21, 22; 2 Peter 1:3, 4; Rev. 13:8.)

11. Growing in Christ

By His death on the cross Jesus triumphed over the forces of evil. He who subdued the demonic spirits during His earthly ministry has broken their power and made certain the ultimate victory of Jesus’ victory gives us victory over the evil forces that still seek to control us, as we walk with Him in peace, joy, and assurance of His love. Now the Holy Spirit dwells within us and empowers us. Continually committed to Jesus as our Saviour and Lord, we are set free from the burden of our past deeds. No longer do we live in the darkness, fear of evil powers, ignorance, and meaninglessness of our former way of life. In this new freedom in Jesus, we are called to grow into the likeness of His character, joyfully ministering in prayer, feeding on His Word, meditating on it and on His providence, singing His praises, gathering together for worship, and participating in the mission of the Church. We are also called to follow Christ’s example by compassionately ministering to the physical, mental, social, emotional, and spiritual needs of humanity. As we give ourselves in loving service to those around us and in witnessing to His salvation, His constant presence with us through the Spirit transforms every moment and every task into a spiritual experience. (1 Chron. 29:11; Ps. 1:1, 2; 23:4; 77:11, 12; Matt. 20:25–28; 25:31–46; Luke 10:17–20; John 20:21; Rom. 8:38, 39; 2 Cor. 3:17, 18; Gal. 5:22–25; Eph. 5:19, 20; 6:12–18; Phil. 3:7–14; Col. 1:13, 14; 2:6, 14, 15; 1 Thess. 5:16–18, 23; Heb. 10:25; James 1:27; 2 Peter 2:9; 3:18; 1 John 4:4.)

12. The Church

The Church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world; and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord’s Supper, for service to humanity, and for the worldwide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word revealed in the Scriptures. The church is God’s family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body and self-sacrifice of Christ, of faithfulness of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, free from spot or blemish, who is without blemish. (Gen. 12:1–3; Exod. 19:3–7; Matt. 16:13–20; 18:18; 28:19, 20; Acts 2:38–42; 7:38; 1 Cor. 1:12; Eph. 1:22; 23; 2:19–22; 3:8–11; 5:23–27; Col. 1:17, 18; 1 Peter 2:9.)

13. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy and betrayal, Christ has called out a remnant. This remnant has been called out to keep the commandments of God and the faith of Jesus. This remnant announces the arrival of the judgment hour, proclaims salvation through Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentance and reform on earth. Every believer is called to have a personal part in this worldwide witness. (Dan. 7:9–14; Isa. 1:9; 11; Jer. 23:3; Mic. 2:12; 2 Cor. 5:10; 1 Peter 1:16–19; 4:17; 2 Peter 3:10–14; Jude 3, 14; Rev. 12:17, 14:6–12; 18:1–4.)

14. Unity in the Body of Christ

The Church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation; distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by His death has bonded us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the revelation of Jesus Christ in the Scriptures we share the same faith and hope, and reach out to one witness to all. This is the testimony of the triune God, who has adopted us as His children. (Ps. 133:1; Matt. 28:19, 20; John 17:20–23; Acts 17:26, 27; Rom. 12:4, 5; 1 Cor. 12:12–14; 2 Cor. 5:16, 17; Gal. 3:2729; Eph. 2:13–16; 4:36, 11; Col. 3:10–15.)

15. Baptism

By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our choose to walk in newness of life. It also proclaims that Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgiveness of our sins, and our reception of the Holy Spirit. It is by immersion in water and is contingent on an affirmation of faith in Jesus and evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Matt. 28:19, 20; Acts 2:38; 16:30–33; 22:16; Rom. 6:1–6; Gal. 3:27; Col. 2:12, 13.)

16. The Lord’s Supper

The Lord’s Supper is a participation in the elements of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present to meet and strengthen His people. As we partake, we joyfully proclaim the Lord’s death until He comes. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot-washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to purify our hearts in love. The communion service is open to all believing Christians. (Matt. 26:17–30; John 6:48–63; 13:1–17; 1 Cor. 10:16, 17; 11:23–30; Rev. 3:20.)

17. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts that each member is to employ in loving ministry for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member, the gifts are abilities and ministries needed by the church to fulfill its divinely ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, reconciliation, compassion, and ministry. The spiritual gifts are offered for the benefit and encouragement of people. Some members are called and endowed by the Spirit for functions recognized by the church in pastoral, evangelistic, and teaching ministries particularly needed to equip the members for service, to build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ
these spiritual gifts as faithful stewards of God’s varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Acts 6:1-7; Rom. 12:4-8; 1 Cor. 12:7-11, 27, 28; Eph. 4:8, 11-16; 1 Tim. 3:1-13; 1 Peter 4:10, 11.)

18. The Gift of Prophecy

The Scriptures testify that one of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant with whom we believe the reappearing of the irresponsible use of drugs and narcotics are harmful to our bodies, we are to abstain from them as well. Instead, we are to engage in whatever brings our thoughts and bodies into the discipline of Christ, who desires our wholesomeness, joy, and goodness. (Gen. 7:2; Exod. 20:15; Lev. 19:1-5; Prov. 10:12; Rom. 12:1-2; 1 Cor. 15:34; 2 Cor. 6:14-17; 10:5; Eph. 5:1-21; Phil. 2:4; 4:8; 1 Tim. 2:9, 10; Titus 2:11, 12; 1 Peter 3:14; 1 John 2:6; 3 John 2.)

23. Marriage and the Family

Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian a marriage commitment is to God as well as to the spouse, and should be entered into only between a man and a woman who share a common faith. Mutual love, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, and marries another, commits adultery. Although some family relationships may fall short of the ideal, a man and a woman who fully commit themselves to each other in Christ through marriage may achieve loving unity through the guidance of the Spirit and the nurture of the church. God blesses the family and intends that its members shall assist each other toward complete maturity. Increasing family closeness is one of the earmarks of the final gospel message. Parents are to bring up their children to love and obey the Lord. By the words they are to teach them that Christ is a loving, tender, and caring guide who wants them to become members of His body, the family of God which embraces both single and married persons. (Gen. 2:18-25; Exod. 20:12; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6; Matt. 5:31, 32; 19:3-9, 12; Mark 10:11, 12; John 2:1-11; 1 Cor. 7:7, 10, 11; 2 Cor. 6:14; Eph. 5:21-33; 6:1-4.)

24. Christ’s Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle that the Lord set up and not humans. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. At His ascension, He was inaugurated as our great High Priest and, by the work of the high priest in the holy place of the earthly sanctuary. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry, which was typified by the work of the high priest in the most holy place of the earthly sanctuary. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical work the sanctuary was cleansed with the blood of typical sacrifices, but the heavenly things are purified with the perfect sacrifice of the blood of Jesus. The investigative judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy except for the unrighteousness of the last days, who among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The culmination of this ministry of Christ will mark the close of human probation before the Second Advent. (Lev. 16; Num. 14:34; Ezek. 4:6; Dan. 8:13; 9:24-27; Rev. 8:3-5; 11:19; 14:6, 7; 20:12; 14:12; 22:11, 12.)

Unless other arrangements are made in consultation with administration, such individuals will be expected to fulfill during the session itself any session-related responsibilities which have been assigned to them. In situations where official responsibilities cannot be transferred immediately to a newly elected individual, the officer whose term has expired may be requested by the newly elected officer, and approved by the General Conference Administrative Committee, to carry limited responsibilities, for a defined period of time until transition arrangements have been completed. The current term of office for those elected under Article VI, Sec 1. or elected by the Executive Committee between General Conference sessions to fill such office for the remainder of a term, unless government requirements dictate otherwise, is not subject to division retirement policies, which may determine specific ages for mandatory retirements. This provision does not override the service credit limitations, if any, of a retirement plan in which the person participates. Those who have passed the age of mandatory retirement, as determined by their division or legislation, shall not be eligible for election to a new term of office for positions indicated in Article VI, Sec 1., in that division.

The boundaries of these divisions shall be subject to adjustment at Annual Councils of the General Conference Executive Committee.

Sec. 3. If a territorial adjustment is made at an Annual Council, it shall be made only provided each division and other territory affected is represented at the council by at least one of its officers, or in the case of an unorganized territory, by a senior church leader from that territory. An exception to the requirement of such representation shall be made in a condition of emergency. In such a case, the General Conference Executive Committee shall make whatever adjustments are necessary for the conduct of the work in the territories affected.

Certain specialized activities may be largely accomplished without extensive field travel.

Sec. 4. The term “assistant director/secretary” shall be used to designate those persons who are appointed as determined by the General Conference Executive Committee to assist the director/secretary and associates in any department, association, agency, or service in carrying out the work of the General Conference, usually in one or more special procedures or functions. Such persons, who shall work under the direction of their respective departmental, association, agency, or service directors/secretaries, shall function in these special assignments largely in the office and serve to expedite the work of the departmental, association, agency, or service staff. These appointments shall normally be made at the time of the regular General Conference Session, but in no event later than December 31 in the year of the regular General Conference Session.

ARTICLE XII—DIRECTOR OF OFFICE OF ARCHIVES, STATISTICS, AND RESEARCH

At the first Annual Council of the General Conference Executive Committee following a regular session, the General Conference shall appoint a director of Office of Archives, Statistics, and Research whose duties shall be to administer the General Conference Office of Archives, Statistics, and Research and to compile and report the statistics of the world work, and who shall serve under the direction of the General Conference secretary and the General Conference Executive Committee.

ARTICLE XIII—GENERAL CONFERENCE EXECUTIVE COMMITTEE

Sec. 1. a. During the intervals between Sessions of the General Conference, the General Conference Executive Committee is delegated the authority to act on behalf of the General Conference in Session. The membership of the General Conference Executive Committee includes representatives of all the divisions of the world field and the presidents of all unions and therefore speaks for the world Church. Major items affecting the world Church are considered at the Annual Council meetings of the General Conference Executive Committee, when all the members of the Committee are invited to be present. The authority, therefore, of the General Conference Executive Committee is the authority of the world Church.

b. The General Conference Executive Committee shall also have power to grant or withdraw credentials or licenses, to appoint committees, such as an administrative committee, with their terms of reference, to review, change, and create administrative policies, to approve programs for the world Church, to employ personnel that may be necessary to execute its work effectively, and to take all necessary actions not otherwise reserved for the General Conference in Session to assure the continuous effective operation of the world Church to fulfill its mission.

c. The General Conference Executive Committee shall have power to elect or remove, for cause, officers, directors, and associate directors of departments/associations/services and committee members, and to fill for the current term any vacancies that may occur in its offices, boards, committees, or agents due to death, resignation, or other reasons. The phrase “for cause,” when used in connection with removal from an elected or appointed position, shall include but not be limited to (1) incompetence, (2) failure to cooperate with duly constituted authority in substantive matters and with
vant employment and denominational policies; 3) actions which may be the subject of discipline under the Seventh-day Adventist Church Manual; or 4) failure to maintain regular standing as a member of the Seventh-day Adventist Church.

d. The General Conference Executive Committee shall have power, before the expiration of the term for which they have been elected, of persons elected under Article VI, Sec. 1. of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

e. The removal from office by the General Conference Executive Committee of any person elected under Article VI, Sec. 1. of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

f. The General Conference Executive Committee shall have the power to remove, for cause, members from the Executive Committee or any committee for which it is responsible by a two-thirds majority vote of the members present and voting at any duly called meeting.

Sec. 2. a. A meeting of the General Conference Executive Committee, known as the Annual Council, shall be held annually for the purpose of considering budget requests and making appropriations, for the transaction of other business, and the adoption of policies that may be necessary in the operation of the worldwide work.

b. A meeting of the General Conference Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of receiving the audited financial statements of the General Conference and for transacting regular Executive Committee business as provided for in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A majority of the full membership of the General Conference Executive Committee, including the president or a general vice president, is empowered to transact denominational business of any nature at any time and place. All meetings require notice to members as per Sec. B. below.

b. Any fifteen members of the General Conference Executive Committee, including an officer of the General Conference, shall constitute a quorum of the Executive Committee for the disposal of routine items, and shall be empowered to transact business that is in harmony with the general plans outlined by the Executive Committee. A quorum of forty members is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the election of presidents of divisions and of general vice presidents. All meetings require notice to members as per Sec. B. below.

Sec. 4. Five members of a division executive committee, including the chair, shall constitute a quorum for the transaction of routine business. When the chair is unable to be present, the secretary may convene such a meeting at division headquarters and shall serve as chair. Minority meetings of fewer than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members or 25 percent of the committee membership, whichever is greater, is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the appointment of union mission presidents. The executive committee, subject to applicable law, division executive committee members may participate in meetings by means of a telephone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting. All meetings require notice to members as per Sec. B. below.

Sec. 5. Meetings of the General Conference Executive Committee may be called at any time by the ranking officer of the General Conference who may be present at headquarters, and this officer, or any member of the Executive Committee appointed, in harmony with Bylaws, Article III, Sec. 2., shall act as chair of the meeting.

Sec. 6. Local conference/mission/field presidents shall be invited to attend Annual Council meetings of the General Conference Executive Committee when it is held within the territory of their division. Unless an executive session, which consists of members only, is called, such invitees shall be extended the privilege of participation in all discussions of the meeting but will not vote.

Sec. 7. Notice as to time, place, and other requirements under these Bylaws of all division executive committee meetings shall be provided to all members in a reasonable manner at least three (3) days prior to the meeting if the meeting is to be held in person or by telephone conference or similar communications, or at least fourteen (14) days if it is to take place in person, unless the meeting is held during a General Conference Session. These notice requirements are waived in the case of a General Conference Executive Committee meeting held during a General Conference Session since all General Conference Executive Committee members are expected to be in attendance at the Session.

ARTICLE XIV—DIVISION EXECUTIVE COMMITTEES

Sec. 1. In each division, a division executive committee shall be constituted, as hereinafter provided, for the transaction of business pertaining to the division. The division executive committee functions on behalf of the General Conference Executive Committee in the division, and its authority shall be recognized by union and local organizations in matters of division administration and counsel. A division may establish for the use, benefit, and purpose of the church in countries of the division with new or small communities and may entrust to these or to other entities previously established full responsibility for property, governance or other functions provided such responsibility is exercised in harmony with denominational policies and values.

Sec. 2. The ex-officio members of a division executive committee shall be the division president, the division secretary, the division treasurer/chief financial officer, other division officers, the division vice presidents, and the division field secretaries; the heads of division institutions; the presidents of union conferences; the presidents of union missions; the presidents of unions of churches; the presidents of attached conferences/missions/fields; the directors of division departments, associations and services; and any members of the Executive Committee, including the president or a general vice president, who, with officers of the General Conference, have full responsibility for property, governance or other functions in one of the territories established by the General Conference.

Sec. 3. The actions taken by division executive committees pertaining to the administration of affairs in division territories shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws and with General Conference Executive Committee actions.

Sec. 4. Five members of a division executive committee, including the chair, shall constitute a quorum for the transaction of routine business. When the chair is unable to be present, the secretary may convene such a meeting at division headquarters and shall serve as chair. Minority meetings of fewer than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members or 25 percent of the committee membership, whichever is greater, is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the appointment of union mission presidents. The executive committee, subject to applicable law, division executive committee members may participate in meetings by means of a telephone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting.

Sec. 5. Notice as to time, place, and other requirements under these Bylaws of all division executive committee meetings shall be provided to all members in a reasonable manner appropriate for the jurisdiction.

ARTICLE XV—AUDIT OF THE GENERAL CONFERENCE

The General Conference Executive Committee shall have an audit of the financial statements of the General Conference and of the General Conference Corporation conducted by an external auditor at least once each calendar year. The external auditor shall also conduct an annual policy compliance test of these organizations, and shall report annually the results of the financial audit and policy compliance test to the General Conference Executive Committee and to the General Conference at its regular sessions.

ARTICLE XVI—REMUNERATION AND EXPENSES

ARTICLE XVII—FUNDS

   c. Regular mission offerings.
   d. Special gifts. Proceeds from the maturities of planned giving designated for the General Conference.

ARTICLE XVIII—DIVISION RETIREMENT PLANS

Sec. 1. Divisions shall adopt a plan for the support of retired and/or disabled employees and for dependent spouses and dependents of such employees in harmony with the principles set forth in the General Conference Working Policy.

Sec. 2. Such plans shall be funded by contributions from participating organizations as agreed upon by the respective division executive committees.

ARTICLE XIX—APPROPRIATIONS

Sec. 1. The General Conference Executive Committee shall make its regular appropriations to the world field at Annual Councils. These appropriations are to be based on budget requests from the fields.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall usually be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

Sec. 4. All funds raised in divisions, except the regular funds belonging to the General Conference as indicated under Article XVII, shall be used for the advancement of the work for which they were raised and are to be administered by the respective church entity in harmony with denominational policy.

Sec. 5. To the extent permitted by law, General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

ARTICLE XX—FINANCE

Sec. 2. The General Conference Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make annuity contracts; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be appropriated for the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the General Conference Executive Committee, the General Conference Treasury, nor of any agent or agency of the denomination to lend these funds to private individuals, to endorse notes, sign bonds or other securities, or in any other way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing goals and per capita funds shall be the membership on June 30 of the preceding year as officially recorded by the General Conference Office of Archives, Statistics, and Research.

ARTICLE XXI—INDEMNIFICATION

EDUCATIONAL INSTITUTIONS

This directory includes educational institutions owned and operated by the Seventh-day Adventist Church around the world, arranged in alphabetic order of their English-equivalent names. The entries are grouped in three sections. The first lists post-secondary institutions—colleges, seminaries, and universities (accredited and non-accredited). The second presents only accredited, complete/full secondary schools. The third provides statistics on Seventh-day Adventist elementary schools in each of the world divisions.

The secondary and post-secondary institutions are classified according to the following categories:

- **G**: A tertiary-level institution offering one or more graduate degree programs under its own authority.
- **C**: A tertiary-level institution offering one or more baccalaureate degrees under its own authority.
- **JC**: A tertiary-level institution offering less than four years of post-secondary studies (not leading to a baccalaureate degree).
- **CS**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country).
- **CSB**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country), with boarding facilities.
- **WT**: An employee training school offering secondary-level and/or advanced studies.

Note: Secondary schools, colleges, seminaries, and universities that are currently accredited by the Adventist Accrediting Association are identified by the symbol .

The two listings of denominational employees are now included in the accompanying Yearbook on Disk CD-Rom as Word files.
### LIST OF COUNTRIES WITH THEIR ORGANIZATIONAL LOCATIONS

This list contains countries and areas of the world (mainly as listed in the online United Nation's Statistics Division, Standard Country and Area Codes Classifications (M49) list, November 6, 2013), especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference, union mission, or local field where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country should consult both this list and the General Index to find the page where the desired Seventh-day Adventist headquarters is given.

NOTE: * Indicates an area/island/region that is actually a subsidiary of one of the countries or areas mentioned in the United Nations report above.
