Preface to the 2018 Seventh-day Adventist Yearbook

Scope and Purpose of the Yearbook

The Seventh-day Adventist Church conducts its activities through ecclesiastical organizations (such as local churches, local conferences and missions, unions, the General Conference and its divisions) and a wide array of other entities and corporations established for specific functions aligned with the Church’s beliefs, values and mission. The Seventh-day Adventist Yearbook (including the online version) is a directory of the organizational units and institutions that comprise the Seventh-day Adventist Church. It presents information on ecclesiastical organizations beyond the local church (the General Conference and its divisions, union and local conferences and missions) and on institutions that are owned, controlled or directed by these organizational units. All information in this Yearbook has been furnished by the organizations themselves and may have changed since submission for this publication; in cases where current reports were not received, the most recent previous records have been retained or adjusted. The General Conference of Seventh-day Adventists reserves the right at its sole discretion to change, modify, add, or remove any content.

The Yearbook does not define church structure or describe legal relationships among church entities or any of the listed organizations, most of which are separate legal entities. It is a directory of the many and varied organizations, other than local churches and congregations, local church-sponsored entities, and elementary schools, through which the Seventh-day Adventist Church advances its mission. No listed entity assumes any responsibility for the liabilities, debts, or alleged acts or omissions of any other listed entity simply because of its inclusion in this Yearbook. Persons with grievances or claims against a listed entity must directly address such with the entity involved and not with any other entity or organization.

The General Conference section lists its employees as follows: ordained ministers holding ministerial credentials, persons holding administrative ministries credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionaries. Employees whose credentials are issued by divisions, unions, conferences/missions, or institutions (other than General Conference institutions) are not published in this edition of the Yearbook. The Directory of Credentialed Employees, which lists all employees credentialed by the General Conference, gives the names and employing entity of these individuals, while institutional employees from around the world are listed separately in the Index of Institutional Employees.

The data that appears on the next page has been summarized largely from the 2018 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 2017.

Denominational History

Seventh-day Adventists are, doctrinally, heirs of the Millerite Movement of the 1840s. Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church’s first missionary, J. N. Andrews, was sent to Switzerland. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco, California, and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church has since established work in 216 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Adventist Review and Sabbath Herald (now the Adventist Review), the general church paper, was launched in Paris, Maine in 1850; the Youth’s Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened in 1866, and missionary society work was organized on a state-wide basis in 1870. The first of the Church’s worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, denominational headquarters moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to its current location in Silver Spring, Maryland.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus.”

SYSTEM CODES — Explanation

Three types of codes are included with each administrative field and institution; they appear under the general heading “System Codes” at the end of each entity’s Yearbook entry. These codes are used in denominational information management systems. An example are the codes for the East-Central Africa Division: System Codes: EntityID, 20731; OrgMastID, AF1111; AdmFieldID, ECD.

FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

(As amended at the 60th Session held in San Antonio, Texas, United States of America, July 2 to July 11, 2015)

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teachings of the Holy Scriptures. These beliefs, as set forth here, constitute the church’s understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference Session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God’s Holy Word.

1. The Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration. The inspired authors spoke and wrote as they were moved by the Holy Spirit. In this Word, God has committed to human-inspired authors the test of experience, the definitive revealer of doctrines, and the trustworthy record of God’s acts in history. (Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; 2 Tim. 3:16, 17; Heb. 4:12; 2 Peter 1:20, 21.)

2. The Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three coeternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. God, who is love, is forever worthy of worship, adoration, and service by the whole creation. (Gen. 1:26; Deut. 6:4; Isa. 6:8; Matt. 28:19; John 3:16; 2 Cor. 1:21, 22; 13:14; Eph. 4:46; 1 Peter 1:2.)

3. The Father

God the eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also those of the Father. (Gen. 1:1; Deut. 4:35; Ps. 110:1-4; John 3:16; 14:9; 1 Cor. 15:28; 1 Tim. 1:17; 1 John 4:8; Rev. 4:11.)

4. The Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly human, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, but perfectly exemplified the righteousness and love of God. By His miracles He manifested God’s power and was attested as God’s promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to heaven to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. ( Isa. 53:4-6; Dan. 9:25-27; Luke 1:35; John 1:1-3, 14; 5:22; 10:30; 14:1-3, 9, 13; Rom. 6:23; 1 Cor. 15:3, 4; 2 Cor. 3:18; 5:17-19; Phil. 2:5; Col. 1:15-19; Heb. 2:9-18; 8:1, 2.)

5. The Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He is as much a person as are the Father and the Son. He inspired the writers of Scripture. He filled Christ’s life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His chil-

6. Creation

God has revealed in Scripture the authentic and historical account of His creative activity. He created the universe, and in a recent six-day creation the Lord made “the heavens and the earth, the sea, and all that is in them” and rested on the seventh day. Thus He established the Sabbath as a perpetual memorial of the work He performed and completed during six literal days that together with the Sabbath constituted the created week of time that we call a week today. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was “very good,” declaring the glory of God. (Gen. 1:1, 2; 2 Sam. 23:5; Ps. 8:4-8; 14:7, 15; Prov. 20:6-8; Ps. 19:16; 33:6, 9; 104; Isa. 45:12, 18; Acts 17:24; Col. 1:16; Heb. 1:2; 11:3; Rev. 10:6; 14:7.)

7. The Nature of Humanity

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position, then became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7, 15; 3: Ps. 8:4-8; 51:5, 10; 58:3; Jer. 17:9; Acts 17:24-28; Rom. 5:12-17; 2 Cor. 5:19, 20; Eph. 2:3; 1 Thess. 5:23; 1 John 3:4; 4:7, 8, 11, 20.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God’s adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when He led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the global flood, as presented in the historical account of Genesis 1-11. Observed by the whole creation, this world became the arena of the universal conflict, out of which the Good of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Gen. 3; 6, 7; Job 1:6-12; Isa. 14:12-14; Ezek. 28:12-18; Rom. 1:19-32; 3:4; 5:12-21; 8:19-22; 1 Cor. 4:9; Heb. 1:14; 1 Peter 3:8, 2 Peter 3:6; Rev. 12:4-9.)

9. The Life, Death, and Resurrection of Christ

In Christ’s life of perfect obedience to God’s will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the
righteousness of God's law and the graciousness of His character, for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The bodily resurrection of Christ proclaims God's triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of the living Christ, before whom every knee in heaven and on earth will bow. (Gen. 3:15; Ps. 22:1-21; Isa. 53; John 3:16; 14:30; Rom. 1:4; 3:25; 4:25; 8:3, 4; 1 Cor. 15:3, 4, 20-22; 2 Cor. 5:14, 15, 19-21; Phil. 2:6-11; Col. 2:15; 1 Peter 2:21, 22; 1 John 2:2, 4:10.)

10. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Saviour and Lord. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God's law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation, now and in the judgment. (Gen. 3:15; Isa. 49:22-23; 53; Jer. 31:31-34; Ezek. 34:31; 36:25-27; Hab. 2:4; Mark 9:23, 24; John 3:34, 16; 16:8; Rom. 3:21-26; 8:1-4, 14-17; 5:6-10; 10:17; 12:2; 2 Cor. 5:17-21; Gal. 1:4; 13:13, 14, 26; 4:4-7; Eph. 2:4-10; Col. 1:13, 14; Titus 3:3-7; Heb. 8:7-12; 1 Peter 2:3-25; 22, 1); 1 Peter 3:1-4, Rev. 13:8.)

11. Growing in Christ

By His death on the cross Jesus triumphed over the forces of evil. He who subjugated the demonic spirits during His earthly ministry has broken their power and made certain their ultimate defeat. Jesus’ victory gives us victory over the evil forces that still seek to control us, as we walk with Him in peace, joy, and assurance of His love. Now the Holy Spirit dwells within us and empowers us. Continually committed to Jesus as our Saviour and Lord, we are set free from the burden of our past deeds. No longer do we live in the darkness, fear of evil powers, ignorance, and meaninglessness of our former way of life. In this new freedom in Jesus, we are called to grow into the likeness of His character. We meet daily in prayer, reading God's Word, meditating on it and on His providence, singing His praises, gathering together for worship, and participating in the mission of the Church. We are also called to follow Christ’s example by compassionately ministering to the physical, mental, social, emotional, and spiritual needs of human beings. As we give ourselves in loving service to those around us and in witnessing to His salvation, His constant presence with us through the Spirit transforms every moment and every task into a spiritual experience. (1 Chron. 29:11; Ps. 1:1, 2; 23:4; 77:11, 12; Matt. 20:25-28; 25:31-46; Luke 10:17-20; John 20:21; Rom. 8:38, 39; 2 Cor. 3:17, 18; Gal. 5:22-25; Eph. 5:19, 20; 6:12-18; Phil. 3:7-14; Col. 1:13, 14, 2:6, 14, 15; 1 Thess. 5:16-18, 23; Heb. 10:25; James 1:27; 2 Peter 2:9; 3:18; 1 John 4:4.)

12. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world, and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord’s Supper, for service to humanity, and for the worldwide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word revealed in the Scriptures. The church is God’s family; adopted by Him as children, its members live on the basis of the new covenant. In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Saviour and Lord. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God’s law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation, now and in the judgment. (Gen. 3:15; Isa. 49:22-23; 53; Jer. 31:31-34; Ezek. 34:31; 36:25-27; Hab. 2:4; Mark 9:23, 24; John 3:34, 16; 16:8; Rom. 3:21-26; 8:1-4, 14-17; 5:6-10; 10:17; 12:2; 2 Cor. 5:17-21; Gal. 1:4; 13:13, 14, 26; 4:4-7; Eph. 2:4-10; Col. 1:13, 14; Titus 3:3-7; Heb. 8:7-12; 1 Peter 2:3-25; 22, 1); 1 Peter 3:1-4, Rev. 13:8.)
these spiritual gifts as faithful stewards of God’s varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Acts 6:1-7; Rom. 12:4-8; 1 Cor. 12:7-11, 27, 28; Eph. 4:8, 11-16; 1 Tim. 3:1-13; 1 Peter 4:10, 11.)

18. The Gift of Prophecy

The Scriptures testify that one of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and we believe it was manifested in the ministry of Ellen G. White. Her writings speak with prophetic authority and provide comfort, guidance, instruction, and correction to the church. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Num. 12:6; 2 Chron. 20:20; Amos 3:7; Joel 2:28, 29; Acts 2:14-21; 2 Tim. 3:16, 17; Heb. 1:1-3; Rev. 12:17; 19:10; 22:8, 9.)

19. The Law of God

The great principles of God’s law are embodied in the Ten Commandments and exemplified in the life of Christ. They express God’s love, will, and purposes concerning human relationships and are commitments Christlike purity, health, and joy in our lives. This means that our amusement and entertainment acter of our Lord we involve ourselves only in those things personal and social life. For the Spirit to recreate in us the char -

20. The Sabbath

The gracious Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a memorial of Creation. The fourth commandment of God’s unchangeable law requires the observance of this seventh-day Sabbath as the day of rest, worship, and ministry. Through the agency of the Holy Spirit they point out sin and awaken a sense of need for a Saviour. Salvation is all of grace and the work of Christ, and this is the divine ordination to the commandments. This obedience develops Christian character and results in a sense of well-being. It is evidence of our love for the Lord and our concern for our fellow human beings. The obedience of faith demonstrates the power of Christ to transform lives, and therefore strengthens Christian witness. (Exod. 20:1-17; Deut. 5:12-14; Ps. 99:7, 14; 40:7, 8; Matt. 5:17-20; 22:36-40; John 14:15; 15:7-10; Rom. 8:3, 4; Eph. 2:8-10; Heb. 8:8-10; 1 John 2:3; 5:3; Rev. 12:17; 14:12.)

21. Stewardship

We are God’s stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God’s ownership by faithful service to Him and our fellow human beings, and by returning tithe and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. Stewards rejoice in the blessings that come to others as a result of their faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Haggar 1:3-13; Mal. 3:8-12; Matt. 23:23; Rom. 15:26; 27; 1 Cor. 9:9-14; 2 Cor. 8:15-18; 9:7.)

22. Christian Behavior

We are called to be a godly people who think, feel, and act in harmony with biblical principles in all aspects of personal and social life. For the Spirit to recreate in us the char -

23. Marriage and the Family

Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian marriage is a relationship with God as well as to the spouse, and should be entered into only between a man and a woman who share a common faith. Mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and the church. Regarding divorce, Jesus taught that the person who divorces his wife, except for fornication, and marries another, commits adul -

24. Christ’s Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle that God’s people shall assemble in upon entering His heavenly kingdom. The sanctuary is a type of the heavenly tabernacle. In the heavenly sanctuary, Christ is engaged in ministering for those in the earthly sanctuary. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of the blood of Jesus. The investigative judg ment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent. (Lev. 16; Num. 14:34; Ezek. 44:6; Dan. 7:9-27; 8:13, 14; 9:24-27; Heb. 1: 3; 2:16, 17; 4:14-16; 8:1-5; 9:11-28; 10:19-22; Rev. 8:3-5; 11:19; 14:6, 7; 20:12; 14:12; 22:11, 12.)
25. The Second Coming of Christ

The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour’s coming will be literal, personal, visible, and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ’s coming is near. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Matt. 24; Mark 13; Luke 21; John 14:1-3; Acts 1:9-11; 1 Cor. 15:51-54; 1 Thess. 4:13-18; 5:1-6; 2 Thess. 1:7-10; 2:8; 2 Tim. 3:1-5; Titus 2:13; Heb. 9:28; Rev. 1:7; 14:14-20; 19:11-21.)

26. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Job 19:25-27; Ps. 146:3, 4; Eccl. 9:5, 6, 10; Dan. 12:2, 13; Isa. 25:8; John 5:28, 29; 11:11-14; Rom. 6:23; 16; 1 Cor. 15:51-54; Col. 3:4; 1 Thess. 4:13-17; 1 Tim. 6:15; Rev. 20:1-10.)

27. The Millennium and the End of Sin

The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Jer. 4:23-26; Ezek. 28:18, 19; Mal. 4:1; 1 Cor. 6:2, 3; Rev. 20; 21:1-5.)

28. The New Earth

On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (Isa. 35; 65:17-25; Matt. 5:5; 2 Peter 3:13; Rev. 11:15; 21:1-7; 22:1-5.)

c. The General Conference Executive Committee shall have power to elect or remove, for cause, officers, directors, and associate directors of departments/associations/services and committee members, and to fill for the current term any vacancies that may occur in its offices, boards, committees, or agents due to death, resignation, or other reasons. The phrase “for cause,” when used in connection with removal from an elected or appointed position, shall include but not be limited to 1) incompetence; 2) persistent failure to cooperate with duly constituted authority in substantive matters and with rele-
van employment and denominational policies; 3) actions which may be the subject of discipline under the Seventh-day Adventist Church Manual; or 4) failure to maintain regular standing as a member of the Seventh-day Adventist Church.

d. The General Conference Executive Committee shall have power to effect the retirement, before the expiration of the term, of any fifty members elected, of persons elected under Article VI, Sec. 1. of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

e. The removal from office by the General Conference Executive Committee of any person elected under Article VI, Sec. 1. of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

b. A meeting of the General Conference Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided for in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A meeting of the General Conference Executive Committee, including the president or a general vice president, is empowered to transact denominational business of any nature at any time and place. All meetings require notice to members as per Sec. 8. below.

Sec. 4. A meeting of the General Conference Executive Committee, including an officer of the General Conference, shall constitute a quorum of the Executive Committee for the disposition of routine items, and shall be empowered to transact business that is in harmony with the general plans outlined by the Executive Committee. A quorum of forty members is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the election of presidents of divisions and of general vice presidents. All meetings require notice to members as per Sec. 8. below.

Sec. 5. All meetings of the General Conference Executive Committee shall be held at the General Conference headquarters, or at another place that may be voted by the Executive Committee. Members may participate in meetings by means of a telephone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting. All meetings require notice to members as per Sec. 8. below.

Sec. 6. Meetings of the General Conference Executive Committee may be called at any time by the ranking officer of the General Conference who may be present at headquarters, and this officer, or any member of the Executive Committee appointed, in harmony with Bylaws, Article III, Sec. 2., shall act chair of the meeting.

Sec. 7. Local conference/mission/field presidents shall be invited to attend Annual Council meetings of the General Conference Executive Committee when it is held within the territory of their division. Unless an executive session, which consists of members only, is called, such invitees shall be extended the privilege of participation in all discussions of the meeting, but without vote.

Sec. 8. Notice as to time, place, and any other requirements under these Bylaws of all General Conference Executive Committee meetings shall be provided to all members in a reasonable manner at least three (3) days prior to the meeting if the meeting is to take place by telephone conference or similar communications, or at least fourteen (14) days if it is to take place in person, unless the meeting is held during a General Conference Session. These notice requirements are waived in the case of a General Conference Executive Committee meeting convened during a General Conference Session since all General Conference Executive Committee members are expected to be in attendance at the Session.

ARTICLE XIV—DIVISION EXECUTIVE COMMITTEES

Sec. 1. In each division, a division executive committee shall be constituted, as hereinafter provided, for the transaction of business pertaining to the division. The division executive committee functions on behalf of the General Conference Executive Committee in the division, and its authority shall be limited to the recognition of denominational and local organizations in matters of division administration and counsel. A division may establish for the use, benefit, and purpose of the church in countries of that division various legal entities and may entrust to these or to other entities previously established full responsibility for property, governance or other functions provided such responsibility is exercised in harmony with denominational policies and values.

Sec. 2. The ex-officio members of a division executive committee shall be the division president, the division secretary, the division treasurer/chief financial officer, other division officers, the division vice presidents, and the division field secretaries; the heads of division institutions; the presidents of union conferences; the presidents of union missions; the presidents of unions of churches; the presidents of associated conferences/missions fields; the directors of division departments, associations and services; and any members of the General Conference Executive Committee present. Other division executive committee members shall be appointed according to the policies of the division. Appointed members shall include representation from denominational employees and from church members in regular standing who are not denominationally employed. Denominational employee representation shall include some pastors and institutional personnel.

Sec. 3. The meetings taken by division executive committees pertaining to the administration of affairs in division territories shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws and with General Conference Executive Committee actions.

Sec. 4. Five members of a division executive committee, including the chair, shall constitute a quorum for the transaction of routine business. When the chair is unable to be present, the secretary may convene such a meeting at division headquarters and shall serve as chair. Minority meetings of fewer than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members, or 25 percent of the members of the division executive committee, whichever is greater, is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the appointment of union mission officers. To the extent permitted by applicable law, division executive committee members may participate in meetings by means of a telephone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting.

Sec. 5. Notice as to time, place, and other requirements under these Bylaws of all division executive committee meetings shall be provided to all members in a reasonable manner appropriate for the jurisdiction.

ARTICLE XV—AUDIT OF THE GENERAL CONFERENCE

The General Conference Executive Committee shall have an audit of the financial statements of the General Conference and of the General Conference Corporation conducted by an external auditor at least once each calendar year. the General Conference Working Policy.

they were raised and are to be administered by the respective
church entity in harmony with denominational policy.

Sec. 5. To the extent permitted by law, General Conference
funds in all the world shall be made available to meet the
annual appropriations of the General Conference.

of working capital as defined and specified in the General
Conference Working Policy.
Sec. 2. The General Conference Executive Committee, act-
ing through its legal agency, the General Conference
Corporation, shall have power to make annuity contracts; but
all moneys obtained in this way shall be invested in securities
and not be made available for appropriations until the annuity

EDUCATIONAL INSTITUTIONS

This directory includes educational institutions owned and operated by the Seventh-day Adventist Church around the world, arranged in alphabetic order of their English-equivalent names. The entries are grouped in three sections. The first lists post-secondary institutions—colleges, seminaries, and universities (accredited and non-accredited). The second presents only accredited, complete/full secondary schools. The third provides statistics on Seventh-day Adventist elementary schools in each of the world divisions.

The secondary and post-secondary institutions are classified according to the following categories:

- **G**: A tertiary-level institution offering one or more graduate degree programs under its own authority.
- **C**: A tertiary-level institution offering one or more baccalaureate degrees under its own authority.
- **JC**: A tertiary-level institution offering less than four years of post-secondary studies (not leading to a baccalaureate degree).
- **CS**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country).
- **CSB**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country), with boarding facilities.
- **WT**: An employee training school offering secondary-level and/or advanced studies.

**Note:** Secondary schools, colleges, seminaries, and universities that are currently accredited by the Adventist Accrediting Association are identified by the acronym, AAA.

This list contains countries and areas of the world (mainly as listed in the online United Nation's Statistics Division, Standard Country and Area Codes Classifications (M49) list, November 6, 2013), especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference, union mission, or local field where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country should consult both this list and the General Index to find the page where the desired Seventh-day Adventist headquarters is given.

**NOTE:** * Indicates an area/island/region that is actually a subsidiary of one of the countries or areas mentioned in the United Nations report above.
