NORTHERN EUROPEAN DIVISION--THIRTEENTH SABBATH OFFERING:

Under date of January 21, 1935, there was presented to the Committee a plan of the Northern European Division whereby the Thirteenth Sabbath Offering for one quarter of each year in Northern Europe should go to the support of the mission fields of that division. The Committee was under the impression at that time that this would affect the income of the General Conference from the Northern European Division. However, further explanation regarding the plan, contained in a letter recently received from L.H. Christian, makes it evident that the purpose is to more fully familiarize the believers in the Northern European Division with the needs of their own mission fields, in the hope of greatly increasing the offerings. Said arrangement, he assures us, will not affect the income of the General Conference from the Northern European Division detrimentally, but on the other hand they hope it will increase the funds both of the division and of the General Conference.

Inasmuch, therefore, as the proposed plan does not seriously interfere with the Thirteenth Sabbath Offering program, but may increase the mission offerings both to the Northern European Division and to the General Conference,

VOTED, That the action of this Committee of January 21, 1935, with regard to the Northern European Division Thirteenth Sabbath Offering, be rescinded. And, further,

VOTED, That we consent to the plan of the Northern European Division for the year 1935, in respect of their Thirteenth Sabbath Offering, with the understanding that the plan be not continued beyond 1935 without further consideration being given to it by the General Conference Committee at an Autumn Council, when Northern European Division representatives are present.

VOTED, That ^R. Ruhling be authorized to report as expense the rent which it was necessary for him to pay in Germany on his unexpired lease after his transfer to America, amounting to approximately \$122.00.
