CAMPION ACADEMY BOYS' DORMITORY:

Request was presented from the Central Union on behalf of the Colorado Conference for authorization for the erection of a boys' dormitory at Campion Academy, to cost \$29,000. The conference has \$19,162 in cash in hand, and is willing to make available another \$5,000 if necessary. They have pledges from church members to the amount of \$6,325, and \$1,000 from the city of Loveland, with prospect of securing another \$2,000. It was

VOTED, That we approve of the erection of the boys' dormitory at Campion Academy, with the understanding that when the cash in hand is used up, construction will proceed only as fast as pledges are paid, so that the building may be completed free of debt.

INDIANAPOLIS COLORED CHURCH:

Request was presented from the Lake Union on behalf of the Indiana Conference for permission to begin construction of a church building for the colored congregation in Indianapolis, the building to be of brick, 46 x 90 feet. They request permission to proceed on the following plan:

That inasmuch as \$4,000 has been appropriated from the General Conference Church Extension Fund, and \$2,000 by the Lake Union, for this project, \$2,000 of this amount be made available at once to put with the \$3,000 in the Indiana Conference, making \$5,000 with which to begin operations. That for each \$600 raised by the local church, \$400 be made available until the entire \$6,000 from the General Conference and the Lake Union is consumed, making a total of \$15,000, which it is estimated will be sufficient to enclose the building and make it usable.

VOTED, That we authorize the Indiana Conference to proceed with the erection of a church building for the Indianapolis colored church on the plan as outlined, with the understanding that construction will proceed only as the funds are in hand.

DR. A. ARZOO:

Dr. A. Arzoo, who was born in Iran, spent some time in India, and then came to America and took the medical course, returned to Iran about the year 1925 as a self-supporting medical worker. After spending some time in private practice he was later employed as a regular worker in the mission. He now makes request for regular furlough status for himself and family. Since under our policy, Dr. Arzoo as an Iranian citizen working in his homeland, is not entitled to furlough privileges, it was

VOTED, That inasmuch as Dr. Arzoo feels he cannot continue in Iran unless such privileges are granted, we offer to bring him and his family to the United States, meeting the transportation expense and giving him four months salary from the time of leaving Iran. However, if he wishes to remain in the work in Iran on the non-furlough status, we invite him to do so.

W.H.Branson, Chairman.
E.D.Dick, Secretary.
E.Zeidler, Recording Secretary.
