Two Hundred Forty-Fourth Meeting

OTHERS PRESENT:

R. R. Figuhr, Chairman, read Psalm 19.

R. R. Figuhr said that a letter received from A. H. Roth reports there were 14,000 baptisms in the Inter-American Division in 1961, and that their membership has undoubtedly reached 150,000 at the end of the year. In the South American Division they fully expect to report 12,500 baptisms for 1961. In Chile alone, almost 1,000 people were won in 1961. In the local mission of Bolivia, 1,423 were baptized; their goal this year is 2,000. The reports from Korea are interesting and encouraging. The indications seem to point to well over 100,000 baptisms in the world field during 1961.

Opening prayer by L. E. Lenheim.

MINUTES of the meeting held January 25, 1962 were approved.

R. R. Figuhr, Chairman, spoke of David and of his having arranged for four thousand people to praise the Lord, while the Israelites were getting everything in readiness to build the temple. This is evidence that in worship there is a prominent place for praise and gratitude which come from the heart, and are not just formal. Elder Figuhr then read verses 21-36 from the 107th Psalm, as given on page 581 of the Church Hymnal, under the topic of Adoration and Praise-I.

Opening prayer by F. D. Nichol.

W. E. Murray, Chairman, read Romans 15: 1-7. He said that in these verses we find some good instruction for us. We who are strong ought to bear the infirmities of the weak. Sometimes we find strong men who do not use their strength in helping the weak; but the Apostle Paul says that if we are strong then we should help the weaker ones. He points out that the God of patience and consolation--we have a God of patience and consolation--should grant to us to be likeminded one toward another, according to Christ Jesus. In some other places in the Scripture it says also we should be likeminded, having one mind; here it says that we are to have one mind and one mouth; that we might be united not only in one mind, but also in one mouth. We are to keep in mind these wonderful principles. Sometimes in the hurry of our work, in getting things done, we can forget there is a God who is very near to us, who stands by our side, a God of consolation and patience with us.

Opening prayer by A. V. Olson, especially remembering those of our workers who are in difficulty, behind prison bars, and who are ill.

E. Phillips

OTHERS PRESENT:

A. W. Cormack, C. D. Forshee, N. W. Litchfield, L. C. Litten, R. Ruhling

W. E. Murray, Chairman, referred to talks given by L. E. Froom in the General Conference office worship period concerning recent contacts with members of another denomination, in which emphasis was given to the truths that we hold. Sometimes in the past these have appealed to the people as being peculiar. These principles and doctrines of the Bible will be accepted among some of these people in the latter days. He then read excerpts from Evangelism, pages 19-21, in which these statements appear: "This gospel missionary work is to keep reaching out and annexing new territory, enlarging the cultivated portions of the vineyard. The circle is to extend until it belts the world. ... Let there be the wisest planning for the success of the work. ... Endowed with divine energy, it will cut its way through the strongest barriers, and triumph over every obstacle. ... The places in which the truth has never been proclaimed are the best places in which to work."

Elder Murray then read a statement presented at a recent meeting in the Southeast Asia Union as follows: "Thailand is our largest population. We face the challenge of 25,000,000 people, and only about 800 church members after forty years of work. We have only one Thai pastor with any formal training in Bible or evangelism." Place that statement with that which Mrs. E. G. White wrote--the message is to go until it belts the world, and it gives us great inspiration. It is an encouragement to us to know that, and to ponder these statements.

W. E. Murray suggested that in the opening prayer we remember J. B. Cooks, who is soon to open a large evangelistic meeting in Cape Town, South Africa, where it is expected there will be an attendance of approximately 7,000 people.

MINUTES of the meeting held February 15, 1962 were approved.

Following his release he proceeded to America to complete his education, obtaining his B.A. degree in Washington Missionary College in 1949. He then resumed work for the church, and was auditor of the Columbia Union Conference from 1949-1953. There was an understanding with him at the time of his appointment to the Southern African Division that he was
