## DEVOTIONAL MESSAGE

L L Bock, chairman, shared a soulwinning account of his visit with a young surgeon. During the chairman's recent visit in the South American Division he met this young physician who, with some Christian experience, but in witnessing suffering and pain, was losing faith in God. The experience ended beautifully when following a short Bible study, the doctor was able to grasp a fuller scope of God's plan of salvation for this world and those who believe and personally accept His provision. A tender conclusion to the story took place as the doctor read Rev. 21:1-4 with feelings of emotion and belief. Correspondence with the doctor continues.

G Ralph Thompson offered prayer.

## DEVOTIONAL MESSAGE

F W Wernick, chairman, read to us from Exodus 15:11-13. This passage of scripture was a portion of a song sung by Moses and the children of Israel to praise the Lord for His marvelous deliverance from Egypt. They had great cause for rejoicing, but they soon forgot God and His leadings and soon became perverted by the evils around them.

Today the people of God have reason to rejoice. We as a church are looked up to and respected by many nations around the world. Could we, like the children of Israel forget how God has led us in the past? Sometime we are prone to look to other sources for strength. We should always remember that our strength comes from the Lord who made heaven and earth. Let us praise Him daily with a song in our hearts for the wonderful way in which He has wrought for us.

Leo Van Dolson offered prayer.

## DEVOTIONAL MESSAGE

C B Hirsch read Ephesians 4:7 as his text and other verses of the chapter which set forth the gifts which Christ gives His church. Whatever our talents or duties, they must be used for the upbuilding of the body of Christ until we reach the unity of the faith and become mature.

The speaker contrasted unity and uniformity. The avoidance of uniformity must not become a cloak for disunity. As parts of the body of Christ, are we supporting the body?

Joseph Espinosa offered prayer.

## DEVOTIONAL MESSAGE

C E Bradford read 2 Samuel 4:17 and onward concerning David's encounters with the Philistines, emphasizing verse 24:

"When you hear the sound of steps in the tops of the balsam trees, advance, for that will be Yahweh going out ahead of you to rout the army of the Philistines." (The Jerusalem Bible)

There is also a divine signal and a divine strategy in soul winning. Church leaders must position, undergird and strengthen the church for action. "I believe that now the Lord is giving His church the signal to advance and I believe in following the signal," the speaker stated in closing.

Tulio R Haylock offered prayer.

## REPORTS

W R Leshar briefly outlined his visit to the Middle East Union for special meetings. Guidelines were established for the operation of Middle East College, among them the limiting of majors offered to theology, education and business, and the most effective work for volunteers at the College.

G P Babcock reported that he and W R Leshar visited all the schools and 157 teachers in the Middle East Union. There is a large non-Adventist attendance at our schools.

D R Christman reported 600 in attendance at the opening night of the Cox evangelistic meetings in Baton Rouge, Louisiana.
