## DEVOTIONAL MESSAGE

C B Hirsch, Chairman, read Ephesians 4:17-24, a portion of which follows:

"So I tell you this, and insist on it in the Lord, that you must no longer live as the Gentiles do, in the futility of their thinking. They are darkened in their understanding and separated from the life of God . . . Having lost all sensitivity, they have given themselves over to sensuality so as to indulge in every kind of impurity, . . .

"You, however, did not come to know Christ that way. . . You were taught . . . to put off your old self, . . . to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness." (NIV)

The Chairman stated that we must find ourselves in the center of God's will--in Jesus Christ--in all phases of our lives.

M L Mills offered prayer.

 DEVOTIONAL MESSAGE

A C McClure, President of the Southern Union, gave the devotional message based on Paul's admonition to Timothy (2 Timothy 1-4).

Paul was anxious that the Christian church should preserve pure doctrine and that the lives of the members would be consistent with their teaching.

82-76  
April 7, 1982

Spring Meeting

(Devotional - contd)

Paul also exhorted Timothy to be faithful in service, filled with zeal and courage, and unashamed of the Gospel. The Church cannot be overthrown since it is built on the firm Foundation. The Apostle charged Timothy to "Preach the Word" since it "is profitable for doctrine, for reproof, for correction, for instruction in righteousness."

In closing, the members sang, "I Know Whom I Have Believed," thus emphasizing 2 Timothy 1:12.

A C McClure offered prayer.

---

Neal C Wilson welcomed General Conference Committee members to the 1982 Spring Meeting. He illustrated how the One Thousand Days of Reaping plan is developing throughout the world field. A few highlights of his report follow:

The Eastern Africa Division has tripled its original goal after the challenge of the East African Union. This largest union in the world field believed the original Division goal could be doubled in the Union alone!

The Africa-Indian Ocean Division has set a goal of winning 180 a day in that Division. A well-attended evangelistic campaign is underway in the Division headquarters city of Abidjan, Ivory Coast.

The Far Eastern Division is hoping to reach a prayer objective of 3,000 baptized in Manila, Philippines on October 9, 1982, following a large evangelistic campaign. The last 16 evening meetings will be conducted by the General Conference President.

The Australasian Division is making unprecedented progress in public evangelism. John Carter is holding evangelistic meetings in the Opera House in Sydney, Australia. The third week-end of the campaign there were still 10,000 attending.

In the Inter-American Division, 6,400 baptisms are reported for the Central American Union in 1982. A goal of 5,000 baptisms is set for the evangelistic campaign to be conducted in Colombia.

In closing, Elder Wilson said that everything we do should be in the setting of the One Thousand Days of Reaping.

DEVOTIONAL MESSAGE

L A Ramirez, Director of the Publishing Department of the General Conference, read Revelation 18:1 as his text:

". . . I saw another angel come down from heaven, having great power; and the earth was lightened with his glory."

It is largely through the power of the printed page that the light goes out into the world. During the 1,000 Days of Reaping, we should continue to sow the gospel seed. "Tracts upon the important points of truth for the present time should be handed out freely to all who will accept them." (LS 316).

The speaker encouraged all to dedicate a pocket to the Lord and keep it filled with missionary literature.

"More than one thousand will soon be converted in one day, most of whom will trace their first convictions to the reading of our publications." R&H Nov 10, 1885.

114-82 QUEST LEARNING CENTER REPORT

Neal C Wilson introduced the program of redemptive outreach to homosexuals which has been entered into on a limited and trial basis by the General Conference, the Columbia Union and the Pennsylvania Conference.

Colin Cook is director of the Quest Learning Center in Reading, Pennsylvania which was begun about six years ago. At present approximately 25 come to the Center each week. After a counseling/learning period of a month, those who wish to continue, commit themselves to follow the program for six months to a year. Many recoveries are taking place. The healing of the homosexual is by the same means as the healing of all humanity in its broken relationship with God.

Over 400 have contacted the Center for help since the interview published in the Ministry concerning help for homosexuals. Responses have come from around the world making evident the need for more such centers in other locations.

## DEVOTIONAL MESSAGE

Enoch Oliveira read 2 Samuel 22:30 as his text:

" . . . by my God I can leap over a wall." (RSV).

Leaders see problems on every hand--liberal theology in the church, financial difficulties, leadership paralysis, lack of dynamic evangelism--but God is mightier than any adversary and can give power to "leap over a wall" of difficulty. God calls us to go forward and to surmount our problems.

W J Brown offered prayer.

## REPORTS

W Duncan Eva gave a report of his visit to the Australasian Division. He attended six camp meetings as well as a number of workers' meetings. Members and workers are loyal to the Advent Message and support the work of the church in the homeland countries and mission fields of the Division. He expressed a need for immediate and more thorough instruction in the prophetic aspects of our Message in order to prevent confusion in the minds of believers.
