

GENERAL CONFERENCE COMMITTEE

September 6, 1984, 10:00 a.m.

MEMBERS PRESENT

Enoch Oliveira (Ch), C D Watson (Sec), T M Ashlock, R E Barron, M T Bascom, W J Brown, Helen C Craig, D E Crane, P A Gordon, M G Hardinge, J H Harris, Marion L Hartlein, Iris Hayden, Tulio R Haylock, R H Henning, C B Hirsch, F L Jones, J C Kinder, G E Knowles, S D Meyers, S F Monnier, P F Pedersen, R L Pelton, W B Quigley, H F Rampton, R L Reynolds, D E Robinson, P G Smith, W M Starks, Michael Stevenson, G Ralph Thompson, O A Troy, L R Van Dolson, Irma B Vyhmeister, M K Widmer, K H Wood, F Donald Yost.

DEVOTIONAL MESSAGE

Enoch Oliveira called attention to the account of two conflicting reports given by the twelve spies (Numbers 13 and 14). The majority report was discouraging but the minority report glowed with confidence in God's power.

Today we again have two conflicting reports on the work of the Church. The majority proclaims that public evangelism is obsolete, that we do not have the financial resources for large evangelistic campaigns, that society is wholly secularized, that we need to adjust our message to the needs of the day, and that we are not able to fulfill the task entrusted to us. Acceptance of this report brings stagnation and decline.

The minority report contends that public evangelism is not dead, that there are signs of a great religious revival in the world, that the ecumenical movement has opened doors for evangelism and with God's power we are able to complete the task. Acceptance of these ideas brings remarkable results.

Let us encourage one another with the words found in Numbers 14:14 and Matthew 28:19,20, for truly, "the Lord is with us."

H F Rampton offered prayer.

INTRODUCTIONS

C D Watson called on W B Quigley to introduce David Newman. Formerly a worker in the Ohio Conference, David Newman is now serving as executive editor of Ministry.

September 6, 1984 - General Conference Committee

M G Hardinge presented Galen Bosley, associate research director of the Health and Temperance Department.

The Chairman introduced Siegfried Schwantes, retired Old Testament scholar and professor at Brazil College. He also served at Middle East College, Saleve Adventist Seminary (France), Montemorelos University, and Andrews University. He is fluent in several languages and has written books in both English and Portuguese. The Chairman expressed appreciation to him for 43 years of service to the Church.

REPORTS

G E Knowles gave a report on lay congresses held in Mexico, Haiti, Jamaica and Colombia during August. The teamwork between pastors and church members is remarkable and has yielded extraordinary results. In 1983 there were 14 laymen who had prepared 100 or more people for baptism.

In Mandeville, Jamaica, a husband-and-wife team invested personal funds and conducted an evangelistic campaign which resulted in 300 baptisms.

MINUTES of the meeting held August 30, 1984 were approved.

DEVOTIONAL MESSAGE

C E Bradford, Chairman, read John 4:34-38 in which Jesus speaks about the fields that are already ripe to harvest.

The Chairman stated that we are in the final days of the One Thousand Days of Reaping. The period from September 29, 1984 to June 15, 1985 leaves only 268 days of reaping. In the North American Division 60,000 must be baptized during this period if the goal of 141,000 is to be reached. He commended intensity of desire to win souls, and encouraged optimism in the face of the tremendous challenge to reap an abundant harvest of souls.

J H Harris offered prayer.

MINUTES of the meeting held September 6, 1984 were approved.

DEVOTIONAL MESSAGE

Kenneth J Mittleider, Chairman, read Psalm 17:15--"As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness."

The speaker admonished us to pray to be found in God's likeness. As people who live together a long time often grow to resemble each other, by beholding Christ we become changed into His image.

"The Lord Jesus is making experiments on human hearts through the exhibition of His mercy and abundant grace. He is effecting transformations so amazing that Satan, with all his triumphant boasting, with all his confederacy of evil united against God and the laws of His government, stands viewing them as a fortress impregnable to his sophistries and delusions. They are to him an incomprehensible mystery."---TM 18

M L Mills offered prayer.

INTRODUCTIONS

T M Ashlock introduced Fred L Harder, Vice-president for Financial Affairs, Union College.

September 20, 1984 - General Conference Committee

R L Dale presented Robert E Kyte, Manager for Marketing, Pacific Press, and Ernesto Cabrera, Assistant in Marketing. He also introduced Douglas Morgan, Editor of Collegiate Quarterly and Editorial Director of College People and Daniel Fahrbach, Editor of Insight.

DEVOTIONAL MESSAGE

C E Bradford read Luke 12:35-40, a message from Jesus for the watching and waiting time just before His return.

"Let your loins be girded about, and your lights burning;

"And ye yourselves like unto men that wait for their Lord, . . . Blessed are those servants, whom the Lord when He cometh shall find watching: . . ."

The Chairman stressed the importance of attitude. We carry our attitudes with us, and we can be joyful in service for God and see significance in whatever work He has given us to do.

Elizabeth Sterndale offered prayer.

INTRODUCTIONS

D A Roth introduced C A Miller (son of H W Miller, "China Doctor") who served in the Far Eastern Division as Associate Director of the Department of Health. Prior to his retirement, he was President of the St Helena Hospital and Health Center.

PAN-AFRICA POLICY COORDINATION--STANDING COMMITTEE
RE CONSTITUTION

On March 6, 1984, the Officers recommended the appointment by the General Conference of a Pan-Africa Policy Coordination Standing Committee to be composed of a limited group of headquarters staff members (approved March 14/84, GCC 84-85). On March 20, 1984 the committee was reconstituted to include specifically named members from the African fields (GCC 84-97). It is felt that the committee should be reconstituted again so that it may respond more quickly to the requirements of the field.
