INDEPENDENT WORK REPRESENTATIVE:

In view of the fact that the so-called Independent Work in the Division Conference is to be considered, and the Committee appointed to investigate this matter at the last Council is to render its report, it was

VOTED, That we instruct the President of the Southern Union Conference to arrange with either Dr. P. T. Magan or Dr. E A Sutherland to attend the Fall Council.

ENTERTAINMENT - FALL COUNCIL:

A letter received from the President of the Pacific Union Conference stated that owing to the unusually large number to be in attendance at the Council they would be able to provide free entertainment to only a limited number of the delegation. While very sincerely appreciating the cordial invitation of the Pacific Union Conference to hold the Council in their midst and the efforts they are making to provide for those who may come, we feel that the spirit of hospitality should be cultivated in our denominational work, both by precept and example, and that all who have been invited to attend the Council should be provided with free entertainment. It was, therefore,

VOTED, That if the Pacific Union Conference does not see its way clear to provide free entertainment to those who have been asked to attend the Council, that the General and Division Conferences join in furnishing free entertainment for those who have been invited to attend the Council.

Adjourned.

I H Evans, Chairman,
