Midsummer Offering

By W. B. OCHS

Vice-President for North America

Sabbath, July 14, has been set aside by the General Conference as the time for receiving the Midsummer Offering. For many years we as a people have had the privilege of bringing an offering during the middle of the summer that the work of the Lord might be carried forward. At the close of the year we recount our blessings and are grateful to God for His protection that has been over us during the year. At the beginning of each year we make resolutions and we ask the Lord to be with us as we enter upon the new year. Is it not fitting therefore that our attention should be called in a special way to the cause of God during the middle of the year? Through the offering that we are to bring to him we express our gratitude for His keeping grace thus far along the year's journey.

The General Conference calendar calls for many regular foreign mission offerings. Some of these are the Thirteenth Sabbath offerings and the offering that is taken each second Sabbath in the month. It is God's plan that His people should support His work in a systematic way week by week and month by month. But now and then we are called upon to bring a special offering for the support of foreign missions. The Mid-summer Offering is one.

Our people have been most liberal through the years in the support of the work of God, and their hearts have been cheered as they have seen the progress of the work throughout the world field. We truly appreciate the loyalty of all our church members, and we know that they will again bring a liberal offering on the Midsummer Sabbath, July 14. We are setting as our goal for this offering \$100,000 and hope it may be reached.

The Midsummer Offerings given in the North American Division have greatly helped in the proclamation of the truth in all lands. Because of the seriousness of the times in which we live and the nearness of the end, and because of the great unfinished task before us we must again do what we can to help further the cause of God. We know that all our church members in the North American Division will not fail us as this important offering is taken. The Lord has been good to us thus far during the year. He has blessed us in many ways. Shall we not therefore remember Him in a definite way by bringing to him a liberal offering on Sabbath, July 14?

"What, give again?" I asked in dismay.
'And must I keep giving and giving away?'
'Oh, no,' said the angel, piercing me through,
'Just give till the Father stops giving to you.'"

Medical Missionary Work

There has been no better opportunity for our people to prepare for medical work than now. In most of the conferences in this union there is a program for assisting those who wish to become fitted for this important work. Those who are isolated or in small churches and do not have any one qualified to give either a Home Nursing Course or a First Aid Class may request this work at camp meetings. Several conferences are planning to give Home Nursing courses.

Plan to attend camp meeting. "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matt. 4:4. Many are feeble spiritually and physically because they do not understand the importance of the close relationship between the two. We have but a short time to prepare before the great storm breaks. It is no surprise to the world because the world is preparing for it and expecting it. Shall we not be preparing our own hearts, and also become intelligent in medical missionary work? Jesus spent more time in healing than He did in preaching. He is our pattern.

If you do not have a medical missionary program in your church, contact your conference leaders or the local Red Cross. They will aid you in supplying an instructor or will tell you when and where you may attend the classes in First Aid or Home Nursing.

Twenty-five Years of M. V. Camping

Anniversaries usually look backward over the past. To make this anniversary of M. V. camping most valuable we must think of the present and the future. It is ours, not to glory in the past, but to bend every energy to making our camping program soul-winning and character-building for the boys and girls of today.

The experiences of twenty-five years of camping have developed a technique, or camping program, that has eliminated most of the non-essential activities, that has corrected most of the mistakes of the past, and that enables us to reach the aim or objective of the Seventh-day Adventist camping program—the development of Christian ideals and attitudes through summer fun and fellowship in the great out-of-doors.

Many of our boys and girls live where the church is small and they do not have the opportunity to associate with a group with standards and ideals like their own. They need this association.

Too many of our boys and girls live in a city atmosphere and do not have the opportunity of seeing the beauties of a hillside unobstructed by billboards. They need to get away from city streets, the movies, and the flood of cheap literature, and cheap radio and television programs. They need to find that beauty and joy are to be found in the stillness of an evening in the woods, in the glory of a sunrise on a lake, in the fresh air, and pride of achievement is to be found on a hike to a mountain top.

Camping provides pleasure and training experiences that cannot be obtained in any other way.

So — — —

To best celebrate the 25th anniversary of S. D. A. Camping—

Help the boys and girls to attend the camp.

Help to improve the camp facilities.

Pray for the youth and their leaders in this camping season.

Veterans It Is Not Too Late!

You have heard much of July 25, 1951, as the latest date when you can actually begin work on a course of study and have expenses met by the Veterans' Administration. This time limit applies to veterans discharged from the armed forces on or before July 25, 1947. The time is extended for those discharged later.

Many veterans who had hoped to receive benefits from the "Bill of Rights" and attend classes on some college campus for several years have been denied such privileges by circumstances. Veterans, *it is not too late!* You must not give up. Here is a plan by which you can get the benefits.

For several years the Veterans' Administration has approved the courses of instruction offered by the Home Study Institute and assumed all expenses for eligible veterans enrolled in the school. This instruction is offered in courses on both the secondary and college levels and is especially designed for attaining the best results with the greatest ease. Many veterans have already enrolled and have received their "benefits" by mail.

It would seem a very wise plan to enroll immediately for at least one course and thus cast an anchor into a plan that would assure benefits for an extended time to complete your chosen curriculum. All regular courses are given for school credit and are accepted by our schools everywhere. Systematic

progress on any course will keep your enrollment valid and assure a continuance of the "benefits."

Now is the time to complete your plans. Write your regional Veterans' Administration office for information and correct forms, and send to the Home Study Institute, Takoma Park, Washington 12, D. C. for our 1951 Bulletin describing all courses offered. Enroll at once and be at work on some course by July 25. *It is not too late!*

"These Times"

These Times Magazine for July will carry a feature article by Senator Estes Kefauver, who was during the Senate crime investigations chairman of the Senate Crime Investigating Committee. At the present time Senator Kefauver is a national figure, and we feel indeed fortunate to have been granted an article from his pen written especially for our magazine.

We believe that this article entitled "The Churches of America Against the Cesspools of Crime" will be an attention-getter and useful in breaking down prejudice among our non-Adventist friends and neighbors, as well as an article of great interest to our own people.

Camp Meeting

We are thinking of our coming camp meeting to be held in Union Springs, June 29 to July 8. We are sure that the Lord has untold blessings to pour out on those who meet together and call upon His name.

From *Testimonies*, VI, 38, we read the following:

It is important that the members of our churches should attend our camp meetings. The enemies of truth are many; and because our numbers are few, we should present as strong a front as possible. Individually you need the benefits of the meeting, and God calls upon you to number one in the ranks of truth. Some will say, "It is expensive to travel, and it would be better for us to save the money, and give it for the advancement of the work where it is so much needed." Do not reason in this way; God calls upon you to take your place among the rank and file of His people. Strengthen the meeting all you possibly can by being present with your families. Put forth extra exertion to attend the gathering of God's people.

The fathers and mothers, the young people and boys and girls throughout our conference will be making their way to Union Springs for the coming camp meeting. We will have outstanding meetings not only for the seniors and the young people but for the boys and girls in the different age groups. In the primary division Mrs. C. A. Nelson will be in charge and

Mrs. Ruel Edminster will lead out in the cradle roll and kindergarten divisions. They are looking forward to seeing all of you boys and girls.

Sabbath school will convene at 9:15. We know that you will plan to be on time. We will be looking for you.

13th Sabbath Offering

On account of camp meeting coming the last Sabbath of the quarter our 13th Sabbath offering will be taken on June 23. From the servant of the Lord we have the following:

The Lord would have His followers dispense their means while they can do it themselves . . . We must acknowledge that our possessions are absolutely His, by using of them freely whenever means is needed to advance His cause. Some close their ears to the calls made for money to be used in sending missionaries to foreign countries, and in publishing the truth and scattering it like autumn leaves all over the world. Such excuse their covetousness by informing you that they have made arrangements to be charitable at death.—*Testimonies* IV, 479-80.

We are encouraged to believe that our Sabbath school members in the conference are endeavoring to carry out the instruction to dispense their means while they can do it themselves. Let us make this a *Double Dollar Day* for the coming 13th Sabbath offering on June 23 for the Lord's cause. Our Sabbath school members have loyally supported our missions. Yet we believe that each will respond with larger offerings so that souls may be warned and brought into the fold to walk with Jesus in His kingdom.

Baptism at Utica, N. Y.

Sabbath, May 19, the Utica church was filled to capacity. Following the inspiring sermon by Elder J. J. Reisinger, president of the conference, there was great rejoicing as eight precious souls were baptized by the writer. Two of these united in fellowship with the Utica church, and two others with the Herkimer church. Four united in membership with the Sherburne church which was organized last August. Two others have recently joined this church by profession of faith, while more are looking forward to joining soon. Pastor Sidney English under the direction of the writer has been confining his work to this section of the Utica district in order to build up the work in the vicinity of Sherburne. Evangelistic series of meetings will be started June 2 in South Hamilton. These services will be conducted by Pastor English and the writer. Souls are being contacted in other parts of the district. We are praying that many more will take their

stand with the remnant church within the next few months.

"The Master . . . Callesth for Thee"

We are living in a time when the whole world is alarmed as to what is going to happen to civilization. At such a time as this the Master is calling for laborers to go work in His vineyard. He is calling everyone who has a knowledge of this glorious message to impart it to others. He is calling you, today. Think of the thousands, even millions who are perishing without God, and without hope. Many of those who sit in darkness we are told "are on the verge of the kingdom waiting only to be gathered in." The Spirit of prophecy makes clear that "many of God's people are to go forth with our publications into places where the third angel's message has never been proclaimed. . . . With these books, humble, faithful men are to go out as colporteur-evangelists, bearing the truth to those who would otherwise never be enlightened." *Testimonies*, IX, 33-34.

One of the chief duties imposed upon those who love God and His salvation is to publish the good news everywhere. Admonition concerning this matter runs all through the Scriptures. The song of Moses declares, "I will publish the name of the Lord." Jeremiah proclaims it the duty of the righteous to publish the goodness of God to all the people. Amos urges the righteous to publish in the palaces

God's will toward transgressors. Jesus Himself announces it as the duty of His followers to publish the gospel among all nations. The Master is calling you today. "We have no time to lose. We know not how soon our probation may close. Eternity stretches before us. The curtain is about to be lifted. Christ is soon to come. The angels of God are seeking to attract us from ourselves and from earthly things. Let them not labor in vain." *Testimonies*, VIII, 314.

The Value of Little Things

Jesus likened the kingdom of heaven to a grain of mustard seed—so small and apparently insignificant—yet so great in its maturity. This is true of everything we do in God's work. The Saviour's lesson of the mustard seed was intended to teach that we must have faith to believe that God can do great things by means of the little acts, the insignificant part that we as members perform in our sphere of service.

As members of the remnant church we need to reevaluate our own efforts in relation to the overall program that God is carrying on in this world—yes, in our own individual communities. You may think, "My effort is so little, my abilities so limited, what does it matter if I do not participate in this plan or in that program?" And yet, the success of the whole thing depends entirely upon each small thing filling its proper place. The dollar is large, and round, and valuable, while the penny is small and of so little worth. Why, it is only a copper cent piece, and yet if one small penny is lacking the dollar does not exist.

It is told that a musician playing a piccolo in a great orchestra stopped playing because he felt that the feeble melody of his instrument would not be noticed. Immediately the master stopped the orchestra and asked, "Where is the piccolo?" The Master of heaven and earth is aware of our individual relationship to the great work of the gospel. Our part may be small, but to fail in our duty be it ever so humble a part definitely hinders in the perfection of the Master's plan.

Two and one half million dollars for Ingathering in 1951 is our world goal—a tremendous amount you say, and yet according to the General Conference we almost reached this sum in four weeks time. This magnificent sum has been, or will be raised, because we consider it as an individual member task—a small \$20.41. How happy I can feel, yes, you can feel that you have had a small part in that large figure. It is like the small boy running down to see the Pitcairn Mission launch depart. A gentleman asked, "What is your hurry, son?" The lad replied, "I'm going down to see my ship off." "Your ship," exclaimed the man, "and pray tell, how much do you have in it?" "A nickel," shouted the lad as he went on his joyous way.

You may feel satisfied that the goal will be reached even though you yourself may not have turned your hand to help but Christ knows it and He is calling for *you* to "go work today in My vineyard." What excuse can be given for failure to have a little part in this work? Come, join with those who have "invested their nickels" of time and energy and who have the sweet consciousness of a share in the great amount gathered in to help finish God's work so Jesus can come and take His people home.

News Notes

Kingdon W. Whitney, secretary-treasurer of the Panama Conference and now on furlough, visited Portland recently and spoke at the prayer meeting at the White Memorial church. He attended Pine Tree Academy and was employed at the New England Sanitarium prior to his call to the mission service.

Elder R. W. Moore and Brother P. I. Nosworthy have just returned from trips to Claremont, New Hampshire, and Milltown, Maine. Our church members at these places are contemplating new church buildings. A beautiful lot has been purchased at Claremont. One of the brethren at the church has very generously offered the lumber for the building. A lot at Milltown is in the process of being secured. A brother has also offered the lumber for the building in Milltown. We greatly appreciate the generosity of these brethren and others who are so much interested in the progress of our work.

Mr. and Mrs. J. Harmon Tymeson have opened the Hitchin' Post which is located in Searsport overlooking Penobscot Bay. If you are planning to take a trip along the Maine coast you will want to stop at these most modern cabins.

Members of the Northern New England Conference church have been very active in the Ingathering campaign this year. One sister, Mattie A. Fuller, of Greensboro Bend, Vermont, writes the following: "I mailed the papers with a prayer and asked God to impress these dear souls to donate. I enclosed literature and cards for the 20th Century Bible Course or the Voice of Prophecy Bible Course. One party I had solicited for three years without any success, but this year I felt impressed to try again and received a check for \$2.00, so if we don't succeed at first try again."

News Notes

Baptism in North Boston District. Eight precious souls joined God's Remnant church on Sabbath, May 12. This fine group of believers is a result of the Lynn evangelistic meetings. It was a thrilling moment indeed for the members of the North Boston district to see these souls enlist under the blood-stained banner of Prince Emmanuel. The Lynn, Somerville, and Everett churches gathered in the Boston Temple to witness the baptism, prior to which Elder L. O. Coon, who officiated, presented a spirit-filled message on the significance of this sacred sacrament, stressing the importance of both the baptism of water and that of the Spirit. Five other souls are keeping the Sabbath and are looking forward to baptism.

From the Danvers Church. Richard Smith, a junior at Hamilton High School, Hamilton, Mass., attends the Danvers church and has known the truth only a short time, but already the power of the message has changed his life. Since becoming interested in the truth his school work has improved in such a marked manner that recently he was chosen as a representative of the Hamilton High School to the Boys' State, to be held in Amherst, June

22-29. This is indeed an honor. Class officers were by-passed by the faculty when this choice was made. We praise God for this witness, that the people of the world recognize what a knowledge of the truth can do for a person who accepts it into the heart. Congratulations, Richard, and may God continue to lead you and use you to His name's honor and glory.

Mr. Tuck

We have been requested to ask if any of our readers know of the whereabouts of Mr. Edward F. Tuck, who was for many years an employee in the Auburn Trust Company in Auburn, New York, and whose wife was active in the work in Union Springs. The friend who is trying to locate him believes he may have moved to North Carolina, but this is not certain. Anyone who has an address for Mr. Tuck or knows where he is now will please write to Mrs. James R. Rice, Shell Maron-Cayuga, Route 1, Cayuga, New York. Mrs. Rice will pass the information on to the friend who is inquiring. Thank you.

OBITUARIES

SLOCUM—Isabella (Davis) Slocum was born May 1, 1866, in Providence, R. I., a daughter of John and Julia Davis. In 1892 she was united in marriage to Benjamin Slocum. To this union three sons were born.

Early in life she and her husband joined the Seventh-day Adventist church, to which they both gave most faithful service. They were among those who laid the foundation of the church work in the city of Providence many years ago. Their work was well done.

Her husband, a son, Gail, and a daughter preceded her in death. Surviving her are two sons, Lloyd of Sumter, S. C.; and Clark of Providence, R. I.

Failing health prevented her attendance at the church for several years past, but in the memory of the older members of the church there lingers the sweet fragrance of a quiet consistent Christian life. She went to sleep in Christ March 27, 1951, to await the call of the Life-giver at the first resurrection.

J. BRANSON CHRISPENS

JOHNSON—Louise A. Johnson was born in Finnekumla Parish, Sweden, January 17, 1864, and died in New York City in her little apartment "just a heartbeat off Times Square," on March 11, 1951. A beloved, indefatigable,

and consecrated Bible instructor, Sister Johnson gave more than thirty years of loving ministry among the Swedish people in this great metropolis. Though she had been on sustentation for many years, she was still active in service until January of this year, when she became bedridden.

Miss Johnson came to this country in 1894. Her search for truth was rewarded in 1906, when she heard Pastor G. E. Nord preach the advent message, and readily accepted God's call. Having completed the Bible instructor's course at Broadview College, La Grange, Illinois, in 1915, she immediately joined the great Swedish pioneer, Prof. J. M. Erikson, in labor for the Swedish people in Lindsborg, Kansas. The Greater New York Conference called her in 1917 to work for her countrymen in this area. Our dear sister gave herself unstintingly to her ministry, loyally supporting and cooperating with each of the various pastors who, during her outstandingly long tenure here, served the Greater New York Swedish churches. Thousands of lives both in and out of the church, have been helped by her positive, devoted labors.

In 1946 Sister Johnson was struck down in the subway in an accident that led to much suffering from a broken hip, subsequent operation, and increasing complications which eventually led to her death. As she was greatly beloved by old and young among us, so she is deeply missed by all. Her only surviving relative is a nephew in Sweden. A service for our sister was held at Ericson and Ericson's Funeral Chapel, Brooklyn, on the evening of March 14. Visiting brethren at the Atlantic Union Conference Session, then in progress, assisted in the service. They were Brother J. E. Osterblom of South Lancaster, Mass., who had known Sister Johnson for many years, and Pastor V. A. Anderson, of Jamestown, New York. Interment was at Evergreen Cemetery, Brooklyn, the following morning.

V. A. LIDNER

JOAQUIM—Mrs. Mary Joaquim, was born on April 18, 1877, in Saint Michael, Azores Islands, and died on March 21, 1951. She came to this country in 1920 and made her home in New Bedford, Mass., where she lived until her death. In June of 1943 she embraced the third angel's message and became a Seventh-day Adventist and was from that time a member of the Portuguese church in New Bedford. Our dear sister has been a faithful witness for the message. Throughout the years of her illness she trusted in God and hoped to be among those who will stand on the sea of glass and sing the song of victory.

Sister Joaquim leaves to mourn, one daughter, Mrs. Mary Gajo; and six grandchildren, Joseph, Esther, Norman, Gaddie, Abel, and Nancy Gajo. All reside in New Bedford and are faithful members of the Portuguese Seventh-day Adventist church.

Prayer in behalf of the family and friends was offered in the Ashley Boulevard funeral home, after which the funeral service was conducted in the Portuguese church. Sister Joaquim was laid to rest in the Pine Grove Cemetery in New Bedford where she awaits the blessed resurrection of the righteous. Words of comfort were spoken by the writer.

A. R. FRIEDRICH

ZINK—Mrs. Caroline Zink (nee Schlienzy) was born in Buffalo, New York, on July 9, 1875. She passed away April 8, 1951, at the home of her son in Kenmore, New York.

Caroline Schlienzy united in marriage with Herman Zink in October, 1896. They made their home in Buffalo and reared three children, all of whom are living in the vicinity of Buffalo at the present time. They are Louis Zink, Mrs. Clara Christopher, and Mrs. Marjorie Brown. Mrs. Zink is also survived by three brothers, Charles, Henry and John Schlienzy; and two grandchildren, William Brown, Jr., and Robert Brown.

Approximately fifty years ago Mrs. Zink and her husband became members of the Seventh-day Adventist church, becoming charter members of the present constituency in Buffalo. Mrs. Zink did door-to-door work with the *Signs of the Times* and *Watchman* magazines, and often placed from five hundred to one thousand issues in one month in the homes of her neighbors. Only our heavenly Father knows the number of souls our dear sister had a part in leading to the foot of the cross.

For twelve years prior to her death, Mrs. Zink was an invalid, and for the past year and a half had been entirely confined to her bed. Through all of her suffering she remained faithful and true to her Saviour.

She has been laid to rest beside her beloved husband in the Elmlawn Cemetery at Kenmore, New York, where they now wait together the call of the Master.

**Surpassed last year's total

Progress to Date

This is a most happy day! We have looked forward to the time when we would pass last year's totals, and we are now pressing on to a substantial gain for the year. And why not? As we reach the close of the work, we are going to have to double and redouble our efforts for *time is short*.

This week's orchids go to the Greater New York Conference. Congratulations! The Greater New York Conference has passed last year's total by \$864.64. They were a Minuteman conference last year, and they can and will do it again.

Hearty congratulations to all of our new Minuteman churches, which number 94. Union Springs Academy church deserves special mention. For so many years everyone has been saying that an institutional church can't make a Minuteman goal. Professor Bartlett, principal and district leader, accepted this as a challenge, and Union Springs has done it. Congratulations to every

student and member. The New York Conference lacks only \$1,410.11 of reaching the total amount raised last year.

The air is full of good news. We are \$35,106.29 ahead of the same time a year ago. Southern New England has reached the \$90,000 mark and is pressing on to the last \$6,115.32 of their Minuteman goal. They will make it.

We want to take this opportunity of thanking our workers and members who have had a part in this year's campaign. Wouldn't it be wonderful if every church would reach its Minuteman goal? Let's not stop until we have finished the job!

Your Help Is Needed

This is an appeal to our members to help in locating certain books, pamphlets, and periodicals needed in completing Volume IV of *The Prophetic Faith of Our Fathers*—this last volume now in process of writing under sponsorship of the General Conference. The first third of the manuscript is already written, and leads into the thrilling story of the rise of the Great Second Advent Movement in America in the 19th Century. It will prove to be of priceless interest and value to our cause, and will appeal to the thoughtful non-Adventist as perhaps no other approach could.

Nearly all the key documents are in our hands, and unmistakable providences have marked the finding of many of these at first elusive items. But there are certain others still needed to fill in little gaps along the way. Hence this appeal to our trained laymen—school teachers, doctors, dentists, business men, scientists, nurses, local elders, lay preachers, or others interested—to make search in your local libraries, whether they be public, college, seminary, or university, and in your state or local historical societies, and outstanding private collections of the community. The following items are needed now, and a subsequent list will be submitted later.

1. William C. Davis, *Lectures on the New Testament*, Vol. I. (Copyrighted at Lexington, Ky., in 1820). He taught the 2300 years end around 1847.

2. Nathan Bangs, D.D., *Introduction to Christianity*, (New York: Methodist Publishing House, 1833).

3. William Ramsay, D.D. of Philadelphia, *Second Coming of Our Lord . . . Before the Millennium* (1841).

4. [Anonymous], *Notes on Various Scriptures*, (Boston: 1798).

5. David McGregor (1771-1845) pastor of Presbyterian Church, Bedford, N. H. (Title of book, publisher and exact publishing date unknown; probably between 1830-40). Very important, because though not a Millerite he held similar views on the 2300 years.

6. A. J. Krupp, "of Philadelphia." (Title, publisher, and date likewise unknown, but probably 1830-40). Likewise very important because he too advanced a position similar to Miller. These two items are greatly needed.

7. Nathaniel S. Folsom, *Critical Interpretation of the Prophecy of Daniel* (1842).

8. Charles B. Wheeler, of West Virginia, founder of Rector College, Puntytown, in 1838 incorporated as "Western Virginia Education." About 1823 wrote important book fixing upon 1843 for close of 2300 years.

9. An English writer by the name of Mann (given name or initials unknown), who holds the 1260 years of the special papal epoch are from 538 to 1798 A.D. (Title, publisher, and date similarly unknown.)

If you locate any of these items kindly communicate this fact to me, and directions will be given as to how to arrange for photostats, or a microfilm, and just what is needed to complete the arrangement. I shall be most grateful for your aid, and the cause we love will benefit by your assistance.
