Freedom

This brief article is written from the Free Territory of Trieste, at the head of the Adriatic Sea. I just arrived here on the Orient Express that runs between Paris, France, and Istanbul, Turkey.

I have just spent some days in a Police State. That term means little to Americans. It is largely a figure of speech to them. No free-born man can know what a Police State is until he has been there. The inhibitions and controls and spying, the scarcities and incessant propaganda can be described, but the fears and apprehensions and depression can be realized only through experience.

Here in Trieste in the security of an American Army hotel and the abundance of a good dining room, I feel relieved—just as if I had suddenly been released from prison. It has taken only a day or two to readjust myself to personal freedom, to private enterprise, and to the abundance of food and clothing and household articles shown in a thousand shop windows. But I can't think of anything else than what I've been through—what I've heard and experienced—and most of all of those dear souls I've left behind. They have had twelve years of mental and physical torture. I cannot say more!

Thank God for *our* freedom! When that is lost, everything most precious in this world is gone. Life means little then.

Thousands of Seventh-day Adventist young men, with many others, are giving of their all to help to preserve lib-

Will Korea Perish ?

On May 23 the General Conference Famine Relief Committee gave study to a number of items among which was the need of Korea. Because I recently spent a number of days in the land of Korea the committee asked me to prepare an article to go into the union papers.

Never have I seen such a devastated land. Korea needs pity and help. I traveled from the southernmost end of Korea up to Seoul and then beyond the 38th parallel up to the iron triangle at Chorwong. North of Seoul I did not see one single house. Everything has been laid low. I saw orphan children by the hundreds. I saw refugees on the roads by the thousands—all trying to go somewhere, but where is there to go? Most of our own people have lost everything they ever possessed. The farmer has had his home destroyed, his oxen have been killed, and he is coming back to dig his field by hand this spring, so he can plant a few things by which he might live this coming winter.

Korea's people are fighting for survival against the terrible conditions through which they have passed and are passing. They fight against desperate odds, hunger, disease, and sudden death by violence; they are struggling and praying for enough clothing and enough shelter to cover themselves. The very existence of these people depends on whether they receive help in

time. It's the difference between death and life. These Koreans must not be forgotten. They must receive help.

We have just received word from the CARE company that packages can now be sent to institutional addresses in Korea. CARE has offered packages containing materials that we know are greatly needed at the present time. The food packages cost \$10, and contain eleven different items. We have studied the list, and we think they are very good items. There is another package for \$7.00. It contains dress print, cotton suiting, thread, needles, soap, etc. These things would be very helpful to the Korean people this summer.

We believe many of our people would like to send one or more of these packages. If you will send to James F. Cummins, General Conference Treasury Department, either \$10 or \$7 for one of these packages it can be sent at once to our office in Pusan or Seoul and thus be distributed to our people. We know that many of our people will welcome this opportunity of sharing with our Korean people, so we are writing this article for our union papers with the hope that many of our people who have food to eat and to spare will be glad to pay for one package or more to be sent to Korea to feed the hungry.

Wanted: Access to Copy of 1863 Prophetic Chart

The manuscript of Volume IV of *The Prophetic Faith of Our Fathers* is now in completed form, and the illustrations are being prepared. One outstanding illustration not yet available is the James White prophetic chart of "1863," pictured in M. E. Olsen's *Origin and Progress of Seventh-day Adventists*, page 234. We have the pamphlet, *Key to the Prophetic Chart* (1864), but need access to a clear copy of an original chart for the wording and for photographing—hence this appeal. Colleges, churches, publishing houses, retired workers, and pioneer workers' descendants, will you not make search and see if you have it?

Here is a description: The symbols of Daniel are at the upper left, and the 2300 year diagram on the upper right. The three angels, followed by the coming of Christ on the clouds, appear at the lower left; while the prophetic symbols of Revelation are on the right. The sanctuary, with its two apartments, is at the lower center, and the inscription or title of the chart is

in the lower right corner. This apparently reads, "A pictorial—of the Visions of Daniel and John," with the remaining information about the publisher or lithographer at Boston, and the date, not legible on the photograph in our possession.

If you have a copy of this chart, kindly communicate at once with L. E. Froom, General Conference of Seventh-day Adventists, Takoma Park, D. C., and arrangement will be made for its safe transmission and return, or for a local photographer to make a good negative for us. Your help in locating a copy will be greatly appreciated.

Young Men, Attention! National Medical Cadet Camp

The draft is to be accelerated this summer and autumn. Are you prepared to face the problems of military service? The General Conference has authorized the holding of a national camp to train you to meet the problems of military life. For only \$29.50 you receive two whole weeks of the most profitable and pleasant training imaginable, including board, room, tuition, books, and registration fees. You cannot afford to miss this enjoyable time. You will meet young men from all parts of the United States and form life-long friendships.

The camp has been named Camp Desmond Doss in honor of our denominational military hero. Desmond Doss will be there personally to tell his experiences and to give the boys the benefit of his knowledge of military life. Camp Doss is located near Lansing, Michigan, at the beautiful Michigan camp-ground at Grand Ledge, Michigan. The date is August 6-20.

If you think your call for induction is coming soon, ask your draft board to postpone your induction until after you have had the opportunity of taking this valuable pre-induction training which will make you more valuable to the army.

Attention: All Nature Students, Teachers, M. V. Workers

The *Naturalist* magazine is growing larger every year because of the continued support given by hundreds of people all over the country. Yet, we find that there are still many others who have never heard of it. The *Naturalist*

is the only S.D.A. magazine on nature study and outdoor biology. It is published four times a year by the Associated Nature Clubs of America, an organization founded and operated by the biology teachers of the S.D.A. colleges and academies.

Three years ago the *Naturalist* began a series of articles dealing with nature study methods, and each article (16 to 30 pages in length) deals with the methods for study of such topics as trees, flowers, insects, butterflies and moths, mammals, stars, rocks and minerals, shells, amphibians, reptiles, fish, and many others. Each of these articles is complete enough to furnish almost all directions needed in that line of study, and includes all the information asked for in the M.V. honor study as outlined in the Master Guide manual.

In addition to these long articles, there are many shorter ones dealing with a host of subjects from fossil horses to sea weeds, from migrating birds to fresh water plants. There are regular departments in the magazine, too, such as those for book reviews, observations of interesting things from nature sent in by readers, news from the nature clubs, a junior page, a section devoted to elementary school teaching of nature subjects, and advertising of natural history books, field glasses, etc.

Still Working

We are very glad to state that we have ten Minuteman districts and thirty-two Minuteman churches at the present writing. Our total Ingathering funds to date amount to \$60,000.00. Last year the total for the New York Conference was \$69,768.83. We certainly appreciate the hard faithful work of our pastors and church members in the 1952 Ingathering campaign. Many of us have planned to go out and raise some Ingathering funds but perhaps something has prevented us from doing it. Why not do it now? We are appealing to every member in the conference who has not yet had a part to come up to the help of the Lord in this hour.

There are many of our folk who have raised large sums to carry on the Lord's work. A number of these have not stopped working but are still bringing in funds to help support our program at home and abroad. Our General Conference brethren tell us that if they had other funds equal to the Ingathering they could use it in the mission fields. The boys and girls and their teachers in the church schools are to be highly commended for their good work. Some have done outstandingly well. Our young people have nobly supported the cause of God in the Ingathering effort.

May we earnestly appeal to each one to do his or her best as God gives strength and ability. Let us make this our best year for God. A reward will come later when Jesus makes up His jewels.

Ingathering in Our Church Schools

S. D. A. youth have always been active participants in the Ingathering program. I was startled when the report came from our General Conference that from 45 to 50 per cent of all our Ingathering funds were brought in by the children and youth of this denomination.

This year we again assigned Minuteman goals to all of our primary, junior and senior youth who are attending our church schools and academy. These goals were assigned on the basis of their age and church membership.

Our Union Springs Academy youth have participated in a marvelous way again this year. The Academy church has 105 per cent of their goal, with the youth carrying more than their share of the load.

Our church school children have gone way over the top this year, demonstrating greater enthusiasm than we have seen for a long time. The word came to me as I visited in many of the churches this spring that the church school children sparked the Ingathering program for the entire church. One pastor said that the Scriptures were right when they said "A little child shall lead them."

Our church school children throughout the conference have reached 156 per cent of their Minuteman goals.

The Academy church has raised \$3,030.68 to date, and the children and youth at the Culver School in Rochester raised \$1,003.24. These are certainly fine contributions to our conference goal.

The following is a list of our church schools and the percentage of the Minuteman goal each attained:

Jamestown	286%
Vienna	269%
Schenectady	233%
Rochester	187%
Buffalo	165%
Albany	160%
Cortland	154%
Syracuse (Lower)	153%
Binghamton	151%
Wayland	149%
Olean	134%
Union Springs (Upper)	134%
Utica	133%
Syracuse (Upper)	101%
Glens Falls	72%
Union Springs (Lower)	63%

Midway

We have almost reached midway of the year 1952. Our Sabbath schools have been greatly blessed of the Lord.

"The Sabbath school should be one of the greatest instrumentalities, and the most effectual, in bringing souls to the Lord."—TSS., p. 20.

Each superintendent has carefully planned with the officers and Sabbath school members to bring as many not of our faith in contact with the Sabbath school as possible. As Sabbath schools we want to do our part in helping to increase the membership in our churches under the direction of our Heavenly Father.

Our 13th Sabbath offering for the second quarter will be on June 21. It

would come on the last Sabbath in June, but camp meeting will be in session at that time. So let us plan to make this a great day in bringing a large 13th Sabbath offering to Him on June 21.

If you know that you cannot be present in your Sabbath school on June 21, won't you please plan to leave your 13th Sabbath offering with your Sabbath school. Let us remember that the 13th Sabbath is *Double Dollar Day* and of course there will be many who will turn in \$25, others \$15, some \$10, and a large number \$5. The servant of the Lord tells us that God marks in His record books every cent turned in to His cause and the spirit that prompted the gift.

We thank you for a larger gift on this 13th Sabbath.

A Tribute

Another Minuteman? Yes, she always gets her Minuteman goal for In-gathering and has scattered thousands of pages of truth-filled literature among the Scandinavians in Brooklyn.

Eighty-eight years young, Sister Lena Carlson is a devoted and beloved member of the Brooklyn Swedish church. Regardless of weather and the afflictions of age, like Hannah of old, this dear sister may always be found in the temple at every scheduled meeting, despite the fact that she must walk some distance to the church.

Meeting in Burlington

Nearly two hundred people attended the all-day double-district meeting held in the Burlington church on Sabbath, May 17. The church, which ordinarily seats about one hundred, was filled to overflowing, including the two adjoining rooms. Members were present from as far as Orleans, Vt., and Claremont, N. H.

Speakers of the day were Elder R. W. Moore, conference president, who spoke in the morning, and Elder W. R. Leshner, Morrisville, district superintendent, who spoke in the afternoon. The morning service challenged us to bring our lives into harmony with God's will, and during the afternoon Christ Our Righteousness was brought anew to our hearts.

During the later part of the afternoon six individuals came forward to unite with God's remnant church. Five by baptism and one on profession of faith. The baptismal service was conducted by Elder R. W. Moore in the Baptist church.

Three of these individuals united with the Rutland church and the remaining three united with the Orleans, Burlington, and Vergennes churches. We extend a warm welcome to these dear folks as they endeavor to walk in the light God has shown them.

Other guests present at the day's services were P. I. Nosworthy, secretary-

to many of the younger generation among both ministers and laymen in the Greater New York Swedish churches, besides rearing two sons of her own through many difficult years of widowhood. She is particularly loved by the young people. Above all else, however, she loves Jesus deeply and steadfastly. Every morning it is her custom to rise, like Jesus did, before daylight and pray for the church and God's work. Needless to say, the Word of God is very precious to her; she has read it through year after year and holds an enviable record therein. Like the Shunamitish woman of old she is truly one of God's great handmaidens.

This article was contributed by Pastor V. A. Lidner from the Swedish churches in New York City.

News Notes

From Amesbury. Preparations for work in the medical missionary service have already been completed by the Amesbury church. In September and October a class in home nursing was conducted by Mrs. Hazel Muller (wife of the pastor) in the church basement; ten members took this course. Another class is to be formed soon.

In February a motion picture, "Blood and Bullets," prepared by the Red Cross, was shown at the church under the sponsorship of the Dorcas society. A lecture was presented by a first-aid instructor and a call was made for those interested to join a class and receive instruction from the Red Cross. Nineteen members participated in the class, which started February 4 and continued for ten weeks. The public was also invited to join. Plans are in progress for another class to be formed in the near future.

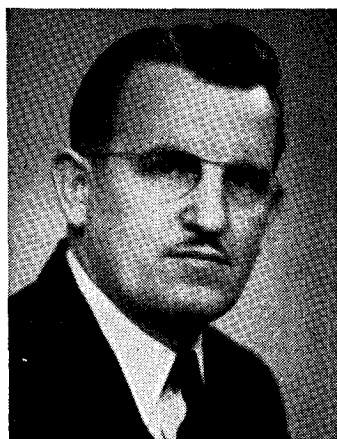

Amesbury is marching along in time with the various phases of the advent movement!

From Stoneham. Another baptism was held in the new chapel of the New England Sanitarium on May 31. Two of the candidates baptized became members of the Stoneham church.

June 4 was the occasion of the closing exercises for the Stoneham church school, which has an enrollment of thirty-two pupils. This program was held in the sanitarium gymnasium and four students graduated: David Beers, Roger Cummings, Glenn Toppenberg, and Alan Turpel. The three teachers in charge of the Stoneham church school are doing a splendid work for the youngsters in providing them with a Christian education. May God continue to bless their efforts.

To the Constituency of the Southern New England Conference:

By the time you read this article at least three of our camp meetings in the great Southwest will be history, which accounts for the necessity of the

rapid move when we accepted a call to the Southwestern Union. In view of the fact that the first of these three meetings began on May 29, it was necessary for us to move to Fort Worth to take up our responsibilities in the Southwestern Union prior to the opening of our camp meetings in this union.

We want the members of the Southern New England Conference to know that we greatly enjoyed our sojourn among you, even though our stay there was rather short.

I sincerely hope that every member in the Southern New England Conference will do everything possible to finish the 1952 Ingathering campaign in a good strong way, making possible the full \$100,000 sum which was our united objective for the 1952 campaign. As we left Southern New England on our move to the Southwest, \$82,551 of this amount was on hand, leaving only \$17,448.77 to make available the full \$100,000 to the cause of missions.

I want to congratulate every member and every worker for this splendid accomplishment, but I trust there will be no letdown between now and camp meeting, and that you will do everything in your power to present the new president, who will be selected at that time, with the \$100,000 as an accomplished objective for the cause of missions in 1952. Living as we are in the very closing scenes of this world's history, surely anything less than our best for God would be a lame offering indeed.

We thank each member and worker for your splendid accomplishments and loyal support during our period of service in the Southern New England Conference, and wish each of you God's richest blessing as you press on in His service. Our new address will be 2625 Greene Avenue, Fort Worth 9, Texas.

If it is not the will of God that our paths cross again in this life, may our relationship to Him and to one another be such that we may live together eternally in His kingdom so soon to be established.

ELDER AND MRS. L. C. EVANS

Hartford District

The evangelistic services held in the Hartford church under the direction of Harold E. Fagal, pastor, recently came to a close after twenty-nine Sunday evening meetings were held. An excellent attendance was present every Sunday evening from October until May, and a splendid interest has developed as a result. Each Sabbath finds a large number of visitors present at the worship service.

On Sabbath, May 24, the second baptism of the year was held, at which time eight persons gave public evidence of their faith by being baptized into the membership of the remnant church. This brings to sixteen the number who have been added to the membership of the churches of the Hartford district this year. Another group is preparing for baptism sometime in June.

A local radio program over station WONS ran concurrently with the effort. The program was well received by the public and gained a wide listening audience, as was evidenced by the large number of mail responses received each week. Many persons were led to attend the evangelistic meetings as a direct result of the Sunday morning radio program. The loyal support of the members of the Hartford district made this program financially possible.

A large number of persons are receiv-

ing Bible studies and weekly visits as a follow-up to their attendance at the evangelistic meetings, and we believe that many of these will soon take their stand for this message. Mrs. Robert Wynn is the Bible instructor for the meetings. Robert Anderson served faithfully and efficiently as the music director. The success of the meetings is due in no small measure to those who assisted in a public way and to the members of the Hartford church, who not only believe in a church evangelistic program such as this but who demonstrated their belief by their support in attending the services and bringing their friends and relatives with them.

Every phase of the church program is being carried on in a strong way. A Dorcas-Welfare Center was opened in downtown Hartford in January, and already one family is attending church who were reached through this means. The full Ingathering goal of the church was raised in a little over three weeks in an intensive campaign. The church is now working to become free from any debts that were incurred in securing their new church building. The work of the Lord is onward in the Hartford district, and we are of good courage as we see evidences of God's blessing as we labor for Him.

HAROLD E. FAGAL

It Didn't Just Happen

On Sabbath, May 10, I planned as usual to remain at the church to complete my press item for the local paper, when I found the room where the typewriter was stored had been locked by mistake. This greatly delayed my work.

Miss Helen Weston, our Bible instructor, who very seldom comes back to the church Sabbath afternoon, happened to stop in and, finding me still typing that day's sermon, visited with me for a short time.

Miss Weston had not been there for more than fifteen minutes when there came a rap at the door. I opened it, and there stood a stranger. The man inquired for the pastor, and I told him the minister was not here, but our Bible instructor was, and that he could feel free to talk with her.

As a result of the visit, the man handed her an envelope containing \$270, which we believe to be an answer to prayer for our Ingathering.

Miss Weston and Elder Leach, pastor of our church, visited this man and

found that he had been visiting Adventist churches for some time in different parts of the world. He had also been a reader of the *Signs of the Times*, and as far as he is concerned, this is the church. It is planned to hold Bible studies with him.

We desperately need Sabbath school teachers for our Cradle Roll, Kindergarten, and Primary Divisions during the week of camp meeting. If you are interested in helping us in this very important soul-winning project please contact Elder Carl P. Anderson, South Lancaster. We hope a number will respond to this special appeal. The time for these meetings during camp meeting is 9:30-10:30 each morning and 3:30-4:30 each afternoon.

Another Welfare Center Dedicated

Under the leadership of Mrs. Elsie Howland and Brother Earl Chace, the Taunton English church has dedicated their Welfare Center on Bay Street, in Taunton. Thursday, May 29, was the special day set apart for this dedicatory service. A few brief words of welcome were given by Mrs. Elsie Howland, leader of the Taunton Dorcas society, and the writer gave a few appropriate remarks concerning Adventist welfare work. The prayer of dedication was given by Brother Earl Chace, pastor of the church. Fine newspaper publicity was given for this opening and we know it will create good will in the city of Taunton.

OBITUARIES

LEHNHOFF—Mrs. Lina Lehnhoff, nee Fischer, was born Nov. 7, 1883, in Weende, Goettingen, Germany, and died May 27, 1952, in her home at Boyntonville, N. Y.

In 1906 she was united in marriage with Albert Lehnhoff. This happy union was blessed with two sons and two daughters. All the children were present at their mother's funeral.

In 1921 she accepted the advent message in Germany, and remained a faithful member until death claimed her.

In 1930 the Lehnhoff family came to America and lived for 13 years in New York City, then moved to a farm at Boyntonville, N. Y.

Sister Lehnhoff was a true Mother in Israel. Of the four children the Lord had given her, all are in the truth and three are now in the Lord's work. Eklers Erwin and Siegfried are ministers in Ohio, and her daughter, Annaeliese, is the wife of Elder Kehney, a minister in So. Dakota. The other daughter, Elly Flick, and her husband lived on the farm with Brother and Sister Lehnhoff at Boyntonville.

She is survived by her husband, two sons, two daughters, eight grandchildren, and many relatives and friends who mourn their loss. Sister Lehnhoff went peacefully to her rest with a sure and certain hope of a joyful resurrection at the second coming of our Lord. She rests from her labors and her works do follow her.

J. A. WASENMILLER

WALKER—John Edward 3rd, infant son of John and Shirley Walker, Esmond, R. I., passed away at the Memorial Hospital in Pawtucket on May 17. Since his birth on February 14 he had been suffering from a heart condition, from which it was not expected that he could recover. Funeral services were conducted by the writer at the Merrick Williams Funeral home and interment was at the Moshassuck Cemetery. Though this blow is hard to bear, Brother and Sister Walker look forward with confidence to rearing this little one in the earth made new. C. M. PIKE

WILLIS—Delos James Willis passed from this life May 17, 1952, at the Hartford Hospital. He was 76 years of age. He was a native of Willimantic. For the last twenty years he has made his home at Rocky Hill, Conn. He leaves his wife, Mrs. Flora Lincoln Willis; a daughter, Mrs. Arthur J. Leblond, and a grandson, both of Willimantic.

He was a good man and beloved by all who knew him, a loving and devoted husband and father. He believed in God and was a praying man. During his last illness he surrendered his life to his loving heavenly Father and put his whole trust and faith in his sin-pardoning Saviour, and his purpose was to unite with this faith. His dear companion, Sister Willis, is a member and one of the deaconesses of the Hartford S. D. A. church. The funeral service was conducted by the writer, who was assisted by the pastor of the Hartford Seventh-day Adventist church, Elder Harold E. Fagal. Words of comfort were presented from 1 Thess. 4:13-18. A. E. SANDERSON

BODEL—Mrs. Isabella Bodel, 83, a member of the Brockton, Mass., church, died of coronary thrombosis on April 26, 1952, at Quincy City Hospital.

Until her recent illness, Sister Bodel resided at 292 Quincy Avenue, Quincy. She was baptized in Boston about twenty years ago and was the finest Christian the writer has ever known; many others also have these sentiments. She will be greatly missed, but her great devotion to God and her powerful witness of the Spirit of Jesus will live on.

Our dear sister was born in Glasgow, Scotland, but lived most of her life in this country. She leaves a son, Benjamin Bodel; two granddaughters; and a grandson.

Services were conducted at the John Hall Funeral Home, Quincy. Interment was made at Weymouth Village Cemetery.

The *Naturalist* began in 1946 and has not missed an issue since that time. Back numbers are available for most of the years in the past, including some of the 1948 issues, and all of the 1949, 1950 and 1951 issues. In 1949 there appeared a series of highly important articles dealing with creation week and problems relating to creation and evolution. There have been other articles relating to this topic, too, including several of radioactivity, and late in 1951 (issue number 4) appeared an important article on the method of dating fossils by radioactive carbon, or carbon 14. This article showed the weak points of the newly popular evolutionary theory.

The *Naturalist* should be of interest to all S.D.A. church members, and to young people as well as older ones. But since the biology teachers who publish this magazine do not have any subsidies of any kind it is necessary that we obtain many subscriptions in order to keep the magazine going. We, therefore, wish to invite all interested people to subscribe for one or more years, and to buy as many of the back numbers as possible. The size of the magazine is 7 x 10 inches, about 45 to 60 pages per issue, or around 200 pages per year, yet the cost has been held to \$1.00 per year in spite of higher printing and engraving costs. There are approximately 25 to 75 pictures in each issue, and the paper is of highest quality. Whenever possible please send for sets of back numbers (at the same price of \$1.00 for four issues) and for one or two years in advance, thus saving your time as well as ours. Send all subscriptions to the *Naturalist*, Drawer 128, College Place, Washington.

Heaped-up Treasures

In Ecclesiastes 2:26 we read: "For God giveth to a man that is good in his sight, wisdom, and knowledge, and joy: but to the sinner he giveth travail, to gather and to heap up, that he may give to him that is good before God."

God expects His children to benefit from the treasures that men are heaping up these days. Of course we can't expect them to come and bring these gifts to us; we must be God's helping hand in going to the people and giving them an opportunity to give for the advancement of God's great work.

The needs were never greater; the opportunities are passing. Let us therefore do what we can with all our might to finish this great Ingathering campaign.

Freedom

erty and freedom and human decency in this evil world. Sabbath, June 21, an offering is to be taken in all our churches to enable the denomination to keep in touch with our servicemen at home and overseas and to provide religious literature for them. I'm sure the offering will be a liberal one, for no cause is dearer to our hearts than the welfare of our boys in the service of God and country.

*Same as last year.

**Gain over same week a year ago.

With great interest we have watched the progress of the Ingathering campaign. It has been an enthusiastic race as well as an all-out crusade for Christ. Souls have been awakened and constrained to accept the Saviour. Thousands of dollars have rolled in, and the treasury of the Lord has been replenished.

The race has now reached the home stretch. Just a few more days of hard work and a few more dollars will take us across the victory line. All conferences—all workers—all church members are to be commended for your fine spirit and excellent work.

To those who are not quite through, whether it be a conference or an individual, we urge you to keep on working until the full goal is attained. Remember this—a little overflow will be a great help just now. It will help to make up for someone who was not able to work or contribute. Do not be hesitant in doing a little more than is expected. There is a great blessing in going the second mile.

Hats off to all of our conferences, workers, and church members for a wonderful campaign!

"I Love It!"

"I'm going to try it, but I am just sick," said one of our members who was afraid to go out on tag day for fear she would meet someone she knew and be embarrassed. "I do not know what I shall do, but I am going to show the devil he isn't going to get the best of me any longer!"

After three hours out on the streets, she came back with \$14.10, and her

testimony was, "I never minded it at all—it was wonderful! Do you suppose we will have any more tag days? I love it!"

Mrs. Katherine Donovan of Haverhill, Mass., sent us the story of this lady, in the hope that it would be of encouragement to some other member.

Sainthood amid routine duties will be the triumph of the majority of the saved.
