

# Sanitarium Workers Respond to Blood Donors Request

By JACK WEISBERG, Personnel Director New England Sanitarium and Hospital

The New England Sanitarium and Hospital showed that it had the interest of its community at heart when the workers and church responded overwhelmingly to an urgent plea to contribute to a worthy cause.

The Town of Stoneham had been experiencing some difficulty in raising their quota of blood for the Red Cross Blood Bank, so the Sanitarium put on an all-out drive among its workers to see what could be done about it. The result was that the Stoneham goal of 100 pints was exceeded by 29 and of this total the New England Sanitarium and Hospital had a credit of 67 pints.

Organized contributions such as this actually cost so little, yet accomplish so much toward achieving good public relations between our church organizations and the communities in which they are located.

## Every Member Must Have a Part Part IV

Did God see you carrying out your heaven appointed work when He gave the message in *Testimonies*, IX, 126? This is a prophetic message. You are a part of it.

In visions of the night representations passed before me of a great reformatory movement among God's people. Many were praising God. The sick were healed, and other miracles were wrought. A spirit of intercession was seen, even as was manifested before the great day of Pentecost. Hundreds and thousands were seen visiting families, and opening before them the word of God. Hearts were convicted by the power of the Holy Spirit, and a spirit of genuine conversion was manifest. On every side doors were thrown open to the proclamation of the truth. The world seemed to be lightened with the heavenly influence. Great blessings were received by the true and humble people of God. I heard voices of thanksgiving and praise, and there seemed to be a reformation such as we witnessed in 1844.

In Ps. 110:3 the Lord says of His people, "The people shall be willing in the day of thy power."

In Ministry of Healing, p. 149, we read, "Many would be willing to work if they were taught how to begin." And again in Gospel Workers, p. 82, "There are many who would work if urged into service and who would save their souls by thus working."

How we need a great spiritual revival! Then we need a real reformation. Notice that this is promised and is coming, not outside the church, but among God's people. Every discouraged sleeping church member whom Satan is seeking to destroy becomes a great concern to the church. This is the greatest problem that faces us. We have a superhuman task to perform. We can do it only with the direction and help of the Lord. The church must rise and do battle. We must pray for these people and work to arouse them.

# Song Writers Please Note! The Atlantic Union American Temperance Society desires a stirring and singable temperance song, to be used at rallies and church meetings. The writer of accepted song will re-ceive financial remuneration. Entries are due April 1, 1958. Send songs and correspondence to: V. W. BECKER Atlantic Union Conference South Lancaster, Mass.

Dear reader, if you have found yourself discouraged and slipping into Satan's power we hope that you will accept the prayers and friendly concern of the church to help you.

Jesus is coming soon! We must speed help to every perishing soul. As the Navy's Vanguard missile broke in two on its last test flight, so the world is breaking apart at the seams. We must make soul-winning the big business of the church. Those who are sleeping, listless, belonging to that ever increasing group who go out to walk no more with us, can be revived, and through their help we can win many others to their heip we can will many oulers to the truth. We hope that you will pray very earnestly about this. This work of revival and reformation must be-come a part of the life of every church and church member.

We must follow the Bible plan of sending our members out two by two. We face too strong an adversary to send our people out alone. It is better to get one team of consecrated workers out in the field than to plan and talk about a hundred teams getting into service. Don't wait for the whole church to start. Get one team into action. Then concentrate on another one

# Temperance Commitment Day

Every church member in the Atlantic Union Conference is urged to become a member of the American Temperance Society during 1958. This is the year for all to fign the pledge and join the hundreds who are fighting the evils of alcohol, tobacco, and narcotics.

Won't you respond when the invitation is given Sabbath, March 22?

## **Center Activities**

As the New York Center passes the midpoint of its second busy season, it continues the process of expanding and adapting its program to meet the needs of all who come. Education, inspiration, relief from loneliness, guidance in solving personal problems, answers to spiritual needs-the Center staff tries to meet all of these but is aware that many other important areas need to be developed.

Those who have attended programs at the Center in recent months are helping in this process as they provide information for the "Community Service Survey" which Miss Grace Fields is conducting. Miss Fields, who is coordinator of health education at the Center, is doing the study as part of her graduate work at the New York University School of Social Work. When the information given on the

A special feature of this year's Fellowship Supper at the Center has been Mrs. John Croft's brief "Hints from the Model Kitchen." Mrs. Croft plans and, with her group of hard-working volunteers, prepares and serves a tasty supper each Sunday night. With the supper she provides food for the mind as well—a brief talk on nutrition, a demonstration of salad-making, sample recipes to take home, and many another "hint" for healthier, happier living.

survey sheets is correlated it will be used as a guide in plotting the Center's Helen F. Smith future course.

A high point of the season's Lyceum series for the younger generation was the return of Sam Campbell. Afterward he autographed a copy of his new-est book for Neil Peck, one of his admiring young friends. Future lyceum programs include a sculpture dem-onstration by Madame Silvercruys on Saturday night, April 5, and a return —The Faith for Today quartet—in a secular concert on May 3.

#### Action

"Let the gospel message ring through our churches, summoning them to universal action." Testimonies, VII, 14.

'Our General, who has never lost a battle, expects willing, faithful service from every one who has enlisted under His banner. In the closing controversy now waging between the forces for good and the hosts of evil, He expects all, laymen as well as ministers, to take part. All who have enlisted as His soldiers are to render faithful service as minutmen, with a keen sense of the responsibility resting upon them." Testimonies, IX, 116.

We all should be proud of the fact that we are in the army of Christ. However, do we respond to our Commander as quickly and obediently as the regular army soldier does to his commander? Or do we make excuses for not performing the duties, which should be a privilege, that Christ asks us to do?

One command is, "Our work has been marked out for us by our Heavenly Father. We are to take our Bibles, and go forth to warn the world." Testimonies, IX, 150.

Let none of us hesitate to obey this command. Let us find someone to whom we can give a Bible study.

CARL P. ANDERSON Home Missionary Secretary

# Mount Zion-"On the March"

The Mount Zion church located in New Haven, under the leadership of Pastor Everett Alexander, witnessed a real jubilee period during the last of 1957.

The month of December started with baptisms. Eight were baptized. Elder Robert Carter from New Rochelle was our guest speaker for the occasion and he spoke with vigor on the subject "The Power of Salvation."

The Missionary Volunteer Homecoming Day was the 13th of December, and we had the opportunity to hear Pastor A. R. Jones from New Jersey, who brought a timely message entitled "Repentance."

Our Building Fund Rally Day was December 31, and the members were pleased to have one of our former pastors home again in the person of Elder R. T. Wilson from Buffalo. Elder Wilson's text was Joshua 13:1: "There remaineth yet very much land to be possessed." As Mount Zion looks to the future in its building plans, there is definitely much land to be possessed. Elder Wilson ended his inspiring sermon with the question, "Lord, what can I do as an individual to advance the cause?"

Our program for the month ended with the ordinance of humility, and Pastor Alexander spoke on "The Last Supper."

The Mount Zion Health and Welfare Society of New Haven has been endeavoring to prepare soil for gospel seed-sowing in several families of the community by supplying these needy families with almost a thousand pieces of clothing in the past two months and several baskets of food, in which literature for both the parents and the children was placed. Bible studies are to begin soon in several of these homes. A program of systematic weekly home visitation to seek out needy families has been adopted by the Mount Zion Society, at which time our literature has been placed in many homes with the hopes of an abundant harvest.

Our tithe increase for the year 1957 was over \$4,000, and we were able to add over \$5,000 to our building fund.

The year 1958 holds much in store for us as the church seeks diligently for needed larger quarters. As soon as the weather breaks, our Home Missionary Society will launch Visitation Day and we shall enroll our friends, neighbors, and all that we possibly can in the course entitled "Faith for Today." Every member will be on the alert for souls as we look forward to a tent effort in the summer.

Mrs. Bertha Davis

#### New Rochelle Projects

The people of the New Rochelle church have realized the fulfillment of three big projects they had on hand for the last quarter of 1957: (1) new robes for the choir were dedicated; (2) a number of the members, along with their beloved pastor, Robert H. Carter, painted the rooms of the Children's Department on two Sundays; (3) under the leadership of Mitchell Brunson and Mrs. Rosella Saunders, the Dorcas Society shipped several barrels of clothing to the needy mission field of Uganda, Africa, where Elder W. R. Robinson serves as president.

#### **Every Member A Bible Instructor**

In the three-fold message of Revelation 14:6-12, we have enunciated God's last warning to judgment-bound men and women. The immensity of the task involved in the presentation of the message is clearly indicated in the prophecy itself.

To do this work, the energy, talent, and devotion of every member of the remnant church is needed. Within the field of lay evangelism there is opportunity for all to labor successfully. God has not designed that a few specialists should accomplish the great work of reform embodied in the Third Angel's Message. It is a task of such magnitude and importance that it calls for the service of all. Every member of the church must be pressed into service.

If every member of the church were a Bible instructor, a grand and glorious work of untold dimensions would speedily be accomplished. This is the very work that the Lord would have us do.

Speaking to His disciples, Jesus said, "Ye are the light of the world. A city that is set on a hill cannot be hid. . . . Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

"Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee. For behold the darkness shall cover the earth and gross darkness the people." These words of the gospel prophet never applied to any time or generation with greater force and certainty than to this time and generation.

Ways and means whereby each member of the church may prepare for, and qualify to do, the work of a Bible instructor have already been devised through classes conducted by ministers and Bible instructors. The following statements from the messenger of the Lord are a great source of encouragement to faithful laymen, God-fearing men and momen. Such men and women are greatly needed as Bible instructors in every community.

"It is not the Lord's purpose that ministers should be left to do the greatest part of the work of sowing the seeds of truth. Men who are not called to the ministry are to be encouraged to labor for the Master according to their several ability. Hundreds of men and women now idle could do acceptable service. By carrying the truth into the homes of their friends and neighbors, they could do a great work for the Master. God is no respector of persons. He will use humble, devoted Christians, even if they have not received so thorough an education as some others. Let such ones engage in service for Him by doing house-to-house work. Sitting by the fireside, they can-if humble, discreet, and godlydo more to meet the real needs of families than could an ordained minister." Testimonies, VII, 21.

"To every man is given his work—not merely work in the fields of corn and wheat, but earnest, persevering work for the salvation of souls. Every stone in God's temple must be a living stone, a stone that shines, reflecting light to the world...

"When we bring our hearts into unity with Christ, and our lives into harmony with His work, the Spirit that fell on the disciples on the day of Pentecost will fall on us." *Testimonies*, VIII, 246.

### Ebenezer Church Visitors' Day

Sabbath, February 1, was Visitors' Day for the members of the Ebenezer church in Rochester, and a large number of visitors and friends in the community congregated at the Methodist Zion church in honor of this day. ## **Biennial Session**

This is a preliminary announcement of the 18th Biennial Session of the Northern New England Conference which will convene in Portland, Maine, on Sunday, April 13, at 9:00 a.m. At this meeting, officers will be elected, reports given covering all phases of the work, and all other proper business transacted. This will be a one-day meeting, and we hope to adjourn by 5:00 or 5:30 in the afternoon.

We have engaged the use of Frye Hall for the day. Frye Hall is located at 76 Spring Street, Portland, Maine. This hall is adequate for our needs, having an auditorium on the first floor that will seat 750 people, with a smaller auditorium, other rooms, and kitchen facilities downstairs. The hall is centrally located in the business section of town. On Sunday, we are led to believe that certain parking lots nearby will be available.

Brother C. H. Gerald, treasurer of the conference, will be sending out detailed instuction soon pertaining to the delegates, who will be chosen from each church. We believe that our members are interested in hearing of the onward progress of the work in the conference, and we anticipate a large attendance. Roscoe W. Moore

## **Bible Course Comments**

In this age of enlightenment, you may wonder if there are still those who are not familiar with the fundamental teachings of Christ and the plan of salvation. Let me share with you two recent comments from the city of Portland, Maine. The first one comes from a man who saw the Bible course advertised in the newspaper.

This letter is being written by a man thirty-four years of age, who is quite ashamed to state that he can quote only one verse from the Holy Book—John 3:16—upon which I base my faith.

Your generous advertisement caught my eye and I hope it does the same for a great number of people, because thousands of us who profess Christianity are nearly at a loss when it comes to knowing or interpreting the Book, which tells us the life story of the God-Man—what happened before He came, and what occurs after He left.

Pupils and teachers of the Riverview Intermediate School, featured in an article in last week's Gleaner.

Please enroll me as a member in your Bible course, and if you could, please send me a Bible. Include the cost and I will gladly send you a check to pay for the price, plus postage and handling. Thank you.

The second comment is from a lady. She asks:

What does the *shed blood of Christ* mean? Also, what does the term, *to be born again into Christ*, mean?

Yes, earnest souls are still seeking for salvation. Let us avail ourselves of every opportunity to help them.

> VERNA C. MOORE, Supervisor 20th Century Bible Course

There will be six 15-minute programs on Sunday for six weeks, from 3:00-3:15 p.m., beginning March 2. The purpose is to bring before the community the hospital needs, the story of the Parkview Hospital and Sanitarium and its objectives, along with other organizations in the community which are interested in meeting the hospital needs in the area.

Those of you who have made pledges will realize the importance of being faithful in sending in regular payments so that once started, this construction can move forward without any delay. Many of you have been waiting until actual construction begins before making your pledges to the project and you will be glad to know that construction is about to begin.

During the past several months, Mr. Harry Clough has been working out the specifications, and the plans are pretty well drawn up. It is estimated that this project will cost about \$450,-000, and we have committed ourselves to raise \$100,000 among our own constituency. To date we have raised \$43,-000 in cash and pledges. We ask for your continued interest and support in this worthy project.

## Housing Arrangements

The Joseph E. Bates Memorial Youth Congress will open with a program of special interest on Friday night, March 21, and continue through until Saturday night, March 22. #### **Providence District**

Meet Miss Jasper Wayne of 1958. Gertrude Lindberg certainly merits that distinction. This fourteen-year-old girl, a member of the Slocum, R.I., church and seventh grade pupil at the Providence Temple church school, has solicited \$225.78 during this current Ingathering season. Most of this money came from caroling.

Fifteen-year-old Betty Bullock, a non-Adventist, solicited \$112.79. The Slocum church, a group of forty members, has now a total of \$757.38 or two-thirds of their 1958 goal.

Brother Paul Knowles, missionary leader for the church, was out front leading the members each night.

The Providence Temple also has a good start on their 1958 Ingathering goal. Under the capable leadership of Br. Arthur Mitchell, missionary leader, the church has raised to date \$2,337.90. This wonderful success is attributed to the spirit of loyalty and co-operation between the laity and the ministers in charge of this district.

### K.N.E. Women Entertain

Atlantic Union College L. M. STUMP, President Telepione Clinton 1270 South Lancaster Massachusetts

## Temperatice Team Performs

"The Uncrowned Queen," a dramatic monologue on the life of a great leader in the temperance movement, was presented by students from Atlantic Union College for the annual allday institute of the Hartford County Woman's Christian Temperance Union in the First Methodist church in Hartford on February 20.

Mrs. Reinold Bauer, president of the Hartford Federation and a state officer of the Connecticut W.C.T.U., writes that the presentation was deeply appreciated. Other churches and organizations invited the A.U.C. girls to present the same progam in their meetings on later dates.

Those taking part in the monologue were: Mildred Medeiros, the reader; Patricia Babick, Frances Willard at 18; Janet Westberg, the dean of Northwestern University; Beverly Dolan, the temperance leader. Incidental music was given by Mildred Medeiros and Geraldine Glascoe.

"The Uncrowned Queen" is to be presented on February 28 at Providence and later at the New York Center.

# Send Gift to Africa

The women of Kappa Nu Epsilon make an annual contribution to some foreign mission project selected by the group each year. This year the gift of \$100 has been sent to Elder R. L. Osmunson, Missionary Volunteer secretary of the East Africa Union Mission at Nairobi. Elder Osmunson has written of his peasure in receiving the gift and of the various worthwhile projects it will make possible.

This donation is made from the proceeds earned at the annual "Hour of Charm" program.

> Coming March 29! PHI DELTA CHI proudly presents "The Spirit of St. Louis" The Lindbergh Story in the Beautiful, New WarnerColor

Gleaming with polish and loving attention to detail of tasteful decoration, the rooms of Preston Hall and the Judy House looked delightfully inviting to the visitors escorted through by the women of Kappa Nu Epsilon.

Faculty, staff, and other students were invited to the women's dormitories for the Annual Open House on Tuesday, February 25.

The tours were preceded by a worship together and later a secular program in Music Hall. Sherry Curyk, spiritual vice-president of K.N.E., presided at the evening worship service. Two girls' trios, Beverly Barr, Doris and Joan Griffin, and Minnie Goldwire, Yvonne Murray, and Geraldine Glascoe, sang. Readings were given by Judy Cole and Janet Westberg.

Doris Griffin, president of Kappa Nu Epsilon, introduced a delightful comedy of dormitory life, Caryl Nagel represented Mrs. Felton, the secretary to the president; Esther Gladden played the "shy freshman"; Nannette Petti, the sophomore; Theresa Conticchio, the "cut-up"; Beverly Dolan, the honor student; and Ann Parrish, the dean of women. The scene was represented as taking place in Dean Yanke's office. Mrs. Yanke directed the play.

Open House is one of the memorable social activities of the dormitory life at Atlantic Union College.

# Every Member Must Have a Part

(Continued from page 2) and still another one. One picture, one example is worth ten thousand words. God help us to make a start.

Satan is working individually with every member, seeking to hold them in a state of inactivity to keep them from proclaiming the truth. With the help of the Holy Spirit we can defeat Satan only by personal and individual work. Paul used the individual plan in training new converts. He took them from house to house. This was the secret of his success.

Dear reader, are you a part of God's problem of giving our message in a short time, or will you become an answer to the problem? Enlist now in the program of your church. As you go forth in service telling what great things Christ has done for you, you will awake as from a dream, and the soul you save will be your own. Satan cannot defeat the earnest soul who will prayerfully read his Bible each day, study daily the Sabbath school lesson, read the Review, attend Sabbath school. church services, and prayer meeting each week, and take an active part in the soul-winning activities of the church. Christ's victory is certain and if you are faithful you will triumph with Him. Rev. 17:14.
