## THE SUNDAY BILL

THE Knowlton Quebec *News* of July 13 said, "The Lord's day bill has passed both houses, but in so emasculated a form as to be beyond recognition by its own framers, and the parent denies the legitimacy of the child. Practically the bill will be a dead letter and in the Province of Quebec it will be entirely non-effective in the attainment of the object its promoters had in view, as no prosecution may be taken out under its provisions if such be contrary to the laws of this province, nor in any event without the previous consent of the Attorney General of Quebec. However, it is probable that the Lord's Day Alliance having its foot on the lowest round of the ladder will continue its agitation during the recess and press amendments at the next session which is promised for November."

## THE CANADIAN UNION CONFERENCE SESSION

THE THIRD biennial session of the Canadian Union Conference will be held in connection with the Ontario camp-meeting at Paris, August 23 to September 2. If the local conference delegates to this conference have not been chosen, it should be attended to at once and the names sent to B. B. Noftger, Toronto Junction, Ont.

Each local conference is entitled to one delegate without reference to numbers, and one additional delegate for each fifty members. At this session of the conference

the officers for the ensuing term will be elected, account audited and all business pertaining to the conference will be taken up.

The first meeting will be called at 9.00 A. M. August 24, and it is desired that all delegates be present at the first meeting.

The rates to the Ontario camp-meeting will apply to these delegates, but our brethren in the East holding half-fare permits will come cheaper that way, as far as Montreal.

As far as possible the delegates should bring bedding with them. Paris is on the main line of the Grand Trunk Railway, about seventy miles west of Toronto via Hamilton.

It is expected that Elder G. A. Irwin and Elder I. H. Evans of the General Conference will attend this meeting, and then attend the Quebec camp-meeting, and from there go to the Maritime annual meeting.

W. H. THURSTON, Pres.

## THE ONTARIO CAMP-MEETING

THE Ontario Conference and annual camp-meeting will be held August 23 to September 2 at Paris, Ont. which is on the main line of the Grand Trunk R. R. between Hamilton and London, 51 miles east of the latter and 33 west of the former place. The Canadian Union Conference will be held at the same time and place. The officers are to be elected. All members of our churches are delegates to the conference.

A. O. BURRILL, President.

**ONTARIO CAMP-MEETING**

ARRANGMENTS are being made for the use of family tents at the Paris camp-meeting, August 23 to September 2, for treatment tents, one tent fitted up with a full sized bath tub connected with a water tank for hot or cold baths, sprays, fomentations, etc. We expect that the doctors will give free consultation. Our nurses will be on hand to give free treatments. This will give all who desire an opportunity to learn how to treat the common sicknesses.

Brethren and sisters desiring treatments are requested to bring with them if possible two cakes of ivory soap, two turkish towels, one sheet, one woollen or cotton blanket, two sitz-aprons, made from four yards of five cent unbleached factory cloth, cut in two and hemmed, also slippers.

We expect Doctor White from Knowlton a portion of the time, Doctors McCormick from Toronto, Doctor Satterlee from Buffalo. For nurses, we expect Brother Ballou, Brother Wm. J. Hurdon and wife, Sisters Florence Van Dusen, Sadie Baker, Linnie Baker, Ethel Lyng, Annie Johnston, S. Oberholser, H. A. Niergarth, and also a good optician. It is likely that there will be one hour each day devoted to teaching all how to take care of the body, and what to do in sickness.

There is another feature of the camp-meeting which we think should have attention. It is to give those who are sick and desire to have the directions in James administered an opportunity for so doing.

We design to have a tent for this important feature of the gospel message. It is time for all to begin to plan for this important gathering of the Lord's people. I would add that we expect that we will be favored with the presence and labors of two of the oldest ministers in the denomination, Elder Isaac Sanborn and Washington Morse.

A. O. BURRILL

**TENTS FOR CAMP-MEETING**

THOSE desiring tents will please correspond with the writer. The tents are all furnished with flies, and are 12 x 16 ft. The price will be \$3.00. Lumber will be furnished at the best terms that we can secure. We will have abundance of straw and fruit will be abundant.

**REDUCED R. R. FARE**

WE expect to obtain reduced rates, probably the same as last year. We will inform about this later. We have the best of help from the General Conference, Elders Irwin and Evans. Elder Thurston will be present all through the meeting.

Come with the children and neighbors.

A. O. BURRILL

**LEGAL MEETING OF THE ONTARIO CONFERENCE ASSOCIATION**

— THE fourth annual meeting of the Ontario Seventh-day Adventist Conference Association will be on the camp-ground at Paris, Ontario, Friday August 21 at 10.00 A. M. for the transaction of such business as may come before it, and to render a report of the standing of the association. All questions relating to the titles of the properties and other possessions of the which are not fully understood, should be presented at that time, and will receive prompt attention.

A. O. BURRILL, PRESIDENT.

E. LELAND SECRETARY.

**FROM THE FIELD**

**GALT, ONT.**

WE HAVE a most cheering report to send in this time. The Lord has greatly blessed us here for which we are thankful.

Two dear souls were buried in baptism this morning, after which we all went to the

church and partook of The Lord's Supper.

Our hearts were full of praise and each one present felt the presence of Jesus in our midst.

Elder Burrill has met with us several times and we have received help and encouragement from his words.

Our courage is good and we desire to press on day by day and at last be found among the overcomers when Christ our Savior appears.

ANNIE JOHNSTON.

PALMERSTON, ONT.

---

Our meetings have now been in progress about two weeks. The weather has been fine only one meeting on the Sabbath broken into because of rain.

The attendance is not so large, averaging about thirty or thirty-five. The first Sunday night about seventy-five were present, last night nearly one hundred were present.

About a week before pitching the tent Dr. Gamble was here for nearly a week, lecturing and visiting the people. He and some of the ministers did what they could to keep the people away.

Last night we reviewed some of Dr. Gamble's positions upon the Sabbath question and we were pleased to have, so far, our largest audience present. We hope a good impression was made. At the close of the meeting we placed the tract "A Review of Dr. Gamble," by Uriah Smith, in every family present.

We are doing what we can to give this last message to the people in visiting and distributing literature in connection with these meetings.

We hope to faithfully sow the seed and trust the Lord to give the increase.

Remember the work here at the throne of grace.

NOTICE

---

Some of our people have received copies of a leaflet entitled "Some History, Some Experience, and Some Facts" and have asked what this means. To all such we would say that the General Conference Committee has prepared a pamphlet which sets forth in clear unmistakable language the meaning of the leaflet in question. Any Sabbath-keeper who has not yet received a copy of the General Conference pamphlet can obtain a copy by sending to B. B. Noftger, Toronto Junction, Ont.

We would urge a careful reading of this pamphlet that all may have the right understanding of the master and not be deceived. "Of yourselves shall men arise, speaking perverse things, to draw away disciples after them.

I would call special attention to Elder Daniell's report of the late Union Conference in the Review and Herald of May 24.

SELTON.

---

On the seventh of July I commenced a series of meetings with the Selton Church. We held eleven public meetings, and I visited from house to house, teaching the people repentance toward God and faith toward our Lord Jesus Christ. The time is short in which to work. The day of wrath will come upon the earth as a thief in the night, just as the earthquake in California came unexpectedly upon the people. Then all who are not ready will be forever lost.

O, if parents would really believe this, how they would labor for their neighbors and children! We do pray that the spirit of labor may come upon them so that they may all engage earnestly in labor for the salvation of those about them, and that the blood of souls may not be found upon them in the judgement.
