The "Signs"

A MESSENGER OF TRUTH

The name **Signs of the Times** has become a trade mark in the work of Seventh-day Adventists. Wherever this message is carried forward with ever increasing success, the **Signs of the Times** has become one of its chief mediums of propagation. This name has now come to Canada. Here the Canadian **Signs of the Times** is well known throughout the entire Dominion and in Newfoundland. We rejoice that this messenger of truth is with us and that it occupies such a prominent place in our literature evangelism.

Every Seventh-day Adventist believer in this territory should be an enthusiastic reader and promoter of the Canadian **Signs of the Times**. The only way that any Christian can become enthusiastic over a religious journal is to read and study it regularly himself, and to use it effectively in helping others find Christ and salvation.

We believe that the Canadian **Signs of the Times** is unusually well suited for both Seventh-day Adventists and other readers. It will deepen our love for the great threefold message and at the same time serve as a mighty instrumentality for the winning of those who are willing to give ear to God's message for this time.

For one, I not only read this timely and inspirational journal

regularly, but I use it in bringing others to a true knowledge of God; and I appeal to every Seventh-day Adventist in the Canadian Union to take advantage of this year's special subscription offer. Get the paper for yourselves and for many others.

ROBERT BRUCE THURBER
Editor, Canadian Signs of the Times.

Elder Thurber comes to us with a background of wide experience in our denominational work. He has recently returned from India, where he served as editor of the *Oriental Watchman* for seven years. Prior to that he was editor of the *Watchman Magazine* for fifteen years. Before taking up editorial work, he spent a number of years as an educator in our denomination, and was the founder of the Meiktila (Burma) School during his first term in the Orient. He is the author of some of our well-known books.

"THE SKY IS RED"

"The sky is red" with the glare of global war; and the great-minded statesmen of earth are sure they see the "shape of things to come," and that within their hands is the making of a new and better world. "It will be fair weather," they proclaim. Yet the One who has shaped things to come has said, "Ye can discern the face of the sky; but can ye not discern the signs of the times?"

Our **Signs of the Times** magazine is our discernment of the "times" just before Christ emerges to give perfect shape to the world that men have left so misshapen. Never were times like these, and never were signs so earth-filling and so heaven-spreading. Never were there greater incentives and opportunities for the discerner to tell the world what is to come beyond tomorrow.

The year 1944 will be the hundredth since judgment began. During that year the "signs of the times" are sure to multiply; and the **Signs of the Times** will announce and interpret them. During the next year every issue of the magazine will contain the cardinal truth of the Three-fold Message so not a single reader of a single copy will miss its message.

Short, illuminating articles of eternal interest will be the features. Editorial application of the latest news to Biblical forecasts, in "The Good News" and "This Is That," will stand out prominently. The Cover illustra-

APPRECIATION

Elder W. B. Ochs' departure from the Canadian Union came as a sudden and unexpected surprise to the entire field over which he presided. Those who were closely associated with him learned to appreciate Elder Ochs as a Christian and a leader. He was a real friend to all the workers, and a spiritual power in the churches. Wherever one goes in the Canadian Union territory, one hears only words of appreciation of the work that Elder Ochs did both as a local conference and union conference president.

As Elder Ochs and his family continue their faithful service for God, now in the Northern California Conference, we crave for them God's special guidance and blessings. If time and circumstances ever permit again, we will want our dear brother and his family to come back to us.

We greatly rejoice over the pleasant memories of God's true servants when they have labored earnestly and faithfully. This has surely been true of Elder Ochs' work in Canada and Newfoundland, and we are confident that it will be his record in his new field.

Canada's great loss has been California's gain. For us remaining in this great northern field is left the task of building upon the good foundation that has been laid and to finish God's work.

GATHER THE CHILDREN

The one great task of the church is the carrying of the Gospel to all the world. Next to that lies our task of saving our youth and children.

If we are to save these lambs of the flock we need to gather them into places of shelter lest the storm over takes them. The Prophet Joel saw the dangers already in his day and prophesied as follows:

"Blow the trumpet in Zion, sanctify a fast. Call a solemn assembly: Gather the people,

sanctify the congregation, assemble the elders, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber and the bride out of her closet." Joel 2: 15-16. Our schools are truly places of refuge.

Every age is confronted with dangers. The evil one is sowing the seeds of distrust, unbelief, worldliness, atheism, and rank infidelity. The question often arises as to what age might be most in danger of being swept away. There exists today a variety of opinions on this point. Let us do a bit of reasoning. When the farmer sows his seed he expects a rich harvest. But he also knows that just as soon as the tiny plant appears above the ground the ugly weed is present. Our question is—at what age is it most important that we keep down the weeds? Most farmers will agree that the hoeing and cultivating needs to be done when the plant is small. Why?

Answer—Because the plant is delicate, helpless and easily destroyed, it needs every opportunity to get a good start. Because a good start is half the battle. Once the growing season is over very little can be done to make up for lost time. Because as the twig is bent so the tree will grow. This being true a good start is essential.

The above lessons may be properly applied to a child. Some will reason that you see more evidence for your labours for those who are older. That may be true, you may see quicker results, but let us not be misled by these seeming evidences. The Bible has the answer, "Train up a child in the way he should go: and when he is old, he will not depart from it." Prov. 22:6.

It is much too costly for farmers to let the weeds grow until the time of the harvest and then deal with them. Because the weeds having grown up with the plants you have a sickly and poor crop, so much so that you dare not pull the weeds lest you destroy your own crop. The re-

The SIGNS Gives the Message for These TIMES

sult is a poor crop, and much disappointment.

The lesson should be plain to parents, and every effort should be put forth to gather our children into our schools. "Nothing is of greater importance than the education of our children and young people. The church should arouse and manifest a deep interest in this work: for now as never before, Satan and his host are determined to enlist the youth under the black banner that leads to ruin and death." Counsels to Teachers, p. 165.

News Notes !!

Elder C. C. Weis has been visiting churches in the Fraser Valley. The following churches have had the privilege of hearing his edifying messages: Chilliwack, Langley Prairie, Pinegrove, White Rock, New Westminster Ukrainian, Vancouver Ukrainian and the Vancouver English.

Miss Mary Neufeld, of the Alberta Conference, and her brother Henry, of Milwaukee, have been visiting their parents at Langley. We were pleased to have Miss Neufeld call at our office for a few minutes.

We are glad to have Miss Patricia Wilkinson join the office staff here at the British Columbia Conference. She is already enjoying her work and fitting into the program most excellently.

Splendid results are coming in from all parts of the field. Miss Mena Roberts reports \$297.00 while working at Terrace, and Bertha Wills \$249.00 in the same territory. What we need is more consecrated and faithful workers, and we are sure that

there are many of our sisters who could be doing an excellent work, for the reports that are coming in are an evidence of that fact.

Elder R. D. Steinke reports that while working in New Westminster with Brother Petersen, they took \$138.00 worth of orders for our truth filled literature in one day, and this was in a Catholic section. Brother Petersen has sold in less than five full weeks \$824.00 worth of books.

We are glad to announce that there are nine church schools in operation in the British Columbia Conference, with the following teachers in charge:

Creston — Miss Marion McCartney; Grandview — Mrs. J. D. Stickle; Langley Prairie — Miss Evelyn Hill; Rest Haven — Mrs. Juanita Tyson-Flyn; Rutland — Mr. Edw. Edstrom and Mrs. Ruby Lindgren; Silver Creek — Mrs. L. O. Astleford; Vancouver — Mr. John McCartney and Mrs. R. H. Locke; Victoria — Miss Edythe Vatcher; White Rock — Mrs. M. Betts.

CHANGE OF ADDRESS

We shall not attempt at this time a history of the moves made during past years by our Conference office in search of a permanent and suitable home—but they have been many. We are happy to announce at this time that, by the time this issue of the **Messenger** reaches the field, we shall be in our new office building at 9848-106th Street, Edmonton.

Inasmuch as the building has been purchased by the Conference Association and is well located for office purposes, we are hoping our wanderings are over. Hereafter kindly address

all correspondence for the Alberta Conference, the Alberta Book and Bible House, and for any of the workers connected with the Conference office to the above address. And, when you are in the city, call in and see us.

"SIGNS"

DISTINCTIVELY CANADIAN

The second annual Campaign for an enlarged subscription list to the **Canadian Signs of the Times** finds a great need in the Province of Alberta for the truth of God's word in these days of pre-occupation with the things of the world. We believe the **Signs of the Times**, both in content and in make-up, is a fine piece of literature to supply this need in our field.

In last year's subscription campaign and then again in the recent distribution of the "Temperance Signs," the churches and isolated believers of the Alberta Conference rallied wonderfully and in both cases exceeded their goals by a substantial margin. With a need greater than ever before for giving the message contained in the **Signs** to the world, we believe the churches and isolated members of our conference will again rally loyally and enthusiastically to further extend the circulation of this distinctively Canadian magazine with a world message.

C. W. Degering

THANK YOU

While orders are still coming in for copies of the special Temperance number of the **Canadian Signs**, we have definitely reached our objective of 15,000 for our Conference. We just want to thank those of our churches and people who have rallied so liberally and promptly to this effort to acquaint the public with our position on the temperance issue. Now that we have the papers, let's be sure they are wisely distributed. If there are those who have not ordered as yet, it is not too late.

MANY times you have wondered just how you could tactfully approach your relatives and friends with the Third Angel's Message. Here is your opportunity. The "Signs of the Times" is a soul-winning monthly visitor. It carries a positive and convincing message and is tactful in its approach. It is edited and illustrated to appeal to every class. Now, more than ever, this excellent missionary magazine should be going into every home in the Canadian Union.

Everyone will want to take advantage of the special rates during this campaign. Plan to send ten or more subscriptions to relatives and friends who do not know this blessed truth. Many could pay for fifty or one hundred subscriptions. Pray earnestly that God will guide you in doing your part in this great soul-winning campaign through the use of the "Signs of the Times." Let us circulate the Signs "like the leaves of autumn".

OUR CANADIAN "SIGNS"

The Canadian Signs of the Times is prepared to herald the advent of our coming King in clear, distinct utterances. Across the Dominion of Canada it will enter homes of all classes and invite men and women to get ready for that great event.

To us who have accepted the glad tidings, God delegates the responsibility of giving the message. Every resident of Canada has a post office address and the king's mail seldom fails in its task. There are so many living in the by-ways of travel throughout Canada. What a blessing a year's subscription to the **Canadian Signs** would bring to them! Twelve visits, each visit seven or eight studies on Bible doctrines or on principles of the Kingdom of Christ Jesus! Have we friends or relatives that we would like to interest in the message so that when the living preacher comes they are already convinced? If we have, why not do something now? Send a year's subscription to the **Canadian Signs of the Times**.

News Notes !!

Elder D. D. Neufeld has returned from visiting most of the isolated members in Manitoba; his visits were greatly appreciated. At present he and Mrs. Neufeld are in Saskatoon where Elder Neufeld is supervising the construction of a permanent kitchen for the camp ground.

Elder Reiswig and his family and Mrs. Wissner visited the Macrorie church the week-end of September 18; there is a good enrollment in the church school there this year; on Saturday

night the members enjoyed a pleasant social evening at the home of Brother and Sister Negrych.

Elder and Mrs. White and Brother and Sister Wissner spent a few days at Canadian Junior College recently. The following week-end Elder White and Brother Wissner met with the Winnipeg Ukrainian church.

There were a number of articles left at the camp ground during the last camp meeting — a new autograph book and a light weight wool blanket. Anyone identifying these articles may have them.

MIRACLE-WORKING LITERATURE

The Canadian "Signs" is being read in thousands of homes across Canada. This is as it should be. It should be noted, however, that in many large cities and small towns such as there are in Ontario and Quebec we have not begun to use this splendid periodical as we should.

Good wholesome literature can do a work that cannot be done by a minister. These printed words will reach those whom we cannot reach, who will give us no hearing at all, who are unreachable by any other method. Who can ever trace the influence of gospel literature to its end!

Only some few months ago a highly respectable clergyman of the Anglican faith, speaking of the "Signs" made the observation, "It is a fine paper, the write-ups are right to the point." Our own members, as willing workers, should see to it that their loved ones and friends receive it. Life is so uncertain that its messages may be the only chance many a person may ever have of eternal life. In view of such attractive prices now being

offered, why not place with the Book and Bible House an order for a dozen or more subscriptions! It may work miracles upon tender hearts.

A. E. Millner

GOD BE PRAISED

"Thy people shall be willing in the day of thy power," writes the psalmist. Without doing violation to the inspired word, there can be no doubt but that Ingathering work is included in the above counsel. It has been a wonderful campaign, and our hearts are filled with praise and gratitude to the Lord for His marvellous leadership.

A few weeks prior to the opening date all district workers were called into the conference office for prayer and counsel. The meeting lasted all day. From that important session our workers went back to their districts determined to reach assigned objectives by camp meeting time.

Workers and members went to work. It was thrilling to read what the brethren had to say about the progress of the campaign. When the camp meeting began all thirteen district goals had been reached totalling the sum of \$15,500 — \$3,000 above the conference goal. Since then Brother Neithercut has checked the figures from the churches and the amount to date is \$16,069.84.

So many of our dear members worked hard and long, not willing to pass by one soul who would want to help the work. I have seen some of our sisters finish the day's work completely exhausted, yet happy to have served the Master to the best of their ability. It has been reported that several of our church members raised over two hundred dollars each. This is commendable. Sister Merle Wells, Quebec's hard working solicitor, exceeded all previous records with a report of \$2400. A marvellous achievement indeed!

To workers and members the conference extends a hearty vote

Don't Neglect Your Friends, Send Them the SIGNS

of thanks for the grand work done. It was a pleasure to be associated with you in serving the Master, and may it be that many souls will accept the message because of the faithfulness of God's people. Again it can be said it was a blessed campaign. With courage and confidence we look forward to the same program next spring.

News Notes !!

We were sorry to learn of the passing away of little Kenny Rick, son of Brother and Sister W. C. Rick, who are now located in Sudbury. Little Kenny had been ill with throat trouble for some time.

Elder C. A. Reeves has been called to the Maritime Conference, and left Ontario last week. We shall watch with interest his reports from that field.

Elder Foulston, pastor of the Toronto churches, will care for the meetings and interest in Toronto. It is his plan to conduct a strong effort through the winter months. He will be assisted by Mr. Wesley Choban as chorister, and Miss Ackerman, Miss Addie Wood, and Miss Esther Parrish as Bible Instructors.

Brother Gordon Hewlett has been called from the Maritime Conference to locate in London. We expect him and his family to arrive around the 7th or 8th of October. Brother Hewlett is not a stranger to our conference. Exeter is his old home place, and he is a graduate of O. M. C.

The fall meeting of the Eastern Townships was held at South Stukely September 25 and 26. Elders L. H. Rudy, C. O. Smith, R. B. Thurber, and A. E. Millner were present, as well as Brother Brock Wells of the Michigan Conference and J. C. Neithercut. A more detailed report of the meeting will appear in the *Messenger* at a later date.

The Toronto Ukrainian church is glad to have a pastor once more. Elder M. H. Philbrick has come to us from the Manitoba

Saskatchewan Conference, and will care for the Ukrainian churches in this conference.

The many friends of Miss Winnifred Bane will be interested to know she has accepted a call to take charge of the music department of the Adelpian Academy at Holly, Michigan. For several years Miss Bane has had a large private class in music in the city of Toronto. She acted as pianist for the Reeves' effort in Toronto last winter, and this summer attended the Conference of Sacred Music conducted by Homer Rodeheaver at Winona Lake, Indiana. We wish her much blessing and success in her new work.

NO SUBSTITUTE FOR THE "SIGNS"

No other periodical, however excellent it may be, can take the place of the Canadian *Signs of the Times*. It is going to members of Parliament, judges, doctors, educators, and others who help to shape the convictions of the masses of people. These men like to see evidence in a prophetic paper that Canadian History and Canadian problems are understood by the writers who bring to bear upon them the search-light of God's Word.

One copy of the Review is sufficient for a family, one copy of the Canadian Union Messenger, one copy of the Youth's Instructor, but our members should be responsible for several subscriptions a year (if at all possible) to our own missionary paper. There is no more tactful way of presenting the Truth to your relatives and friends in Canada.

They are: Clara Choban-White, Seth Elwin White, Helen Miller-Crawford, James Ivan Crawford, Mona Bancroft-Sands, and Jack Sands. Already on the island are Edith Walters-Baerg and Isaac Baerg, who are also former students of O. M. C.

Elder Gordon Balharrie, an O. M. C. alumnus, recently visited his Alma Mater while enroute to Canadian Junior College, where he will become head of their Bible Department.

From September 4 to 11, Professor C. W. Shankel and H. W. Taylor had a delectable time as they peregrinated in Ontario and visited in the homes of prospective students. They report that a number of young people from the Ontario district are planning to join the O. M. C. family this year. Earlier in the summer Prof. Shankel recruited students in the Maritimes.

REST HAVEN SANITARIUM Sidney, B. C.

REST HAVEN MEN HELP

For a long time we have wanted to clean up the back of the little island on which Rest Haven rests. Out there has been known as "The Jungle." There were several dead trees, several old buildings, and much undergrowth. This section of the island seemed to be a good place to dump any unused lumber or anything we did not need at the moment.

Our own men have been too busy to get at this unsightly spot and we asked the men of the church to volunteer to help us on Sunday, Sept. 12th. We were made very happy to have ten men respond to the call. All day

long the sound of the axe and the saw rang out through the length of our "Jungle." But by evening the jungle was no more. We cut up several big logs and added many dollars worth of wood to our fast dwindling wood pile.

One advantage of clearing out this brush has been to give more light to the kitchen and dining room. Before the day's work was done the kitchen window opened and a feminine voice called out, "That's fine, it is much lighter in here now."

And this has also added much to the beauty of the views from our dining room and patients' rooms in the back of the building. Instead of looking out into "the jungle" we now look through the trees and see the rocks and water. This view now stretches across the bay, over the distant hills into the sunset. And from the back of our island there are some of the most beautiful sunsets in the world.

To all the men who helped us we give our heartfelt thanks.
