Volume XVI. College Heights, Alberta, June 23, 1948. No. 26.

## Introducing G. Eric Jones

H. L. Rudy

Soon after the last Autumn Council the Canadian Union Conference placed a call for Elder G. Eric Jones, then president of Atlantic Union College, to serve as secretary for the Missionary Volunteer, Educational, and Public Relations departments of the Canadian Union Conference. Elder Jones accepted our invitation, but was unable to discontinue his work at Atlantic Union College until the

Elder and Mrs. Jones are arriving at Oshawa in time to attend the campmeetings in the Canadian Union this summer. We are very happy to extend a warm welcome to Elder Jones and his family and assure them that we will do our utmost to make their service most enjoyable and successful.

The Canadian Union Conference has reason to consider it fortunate that Elder Jones has accepted the invitation to work in this field.

Elder Jones is of Canadian vintage. He began his work as pastor of the Waterville, Quebec church in 1919-1920. It was at the close of that pastorate that he received a call to serve in India, where he was engaged in educational work for seven years. Upon his return from India, Elder Jones connected with Washington Missionary College as dean of men for nine years. From there he was called

close of the school year. While it meant some inconveniences and possibly loss to us to leave the departments to which he has been called without strong leadership for a number of months, we felt that we were justified in allowing Elder Jones sufficient time to complete his work at Atlantic Union College, and then have him join with us here in this large Canadian field.

to Atlantic Union College in 1936 where he served as president of that large institution for a period of twelve years. Thus Elder Jones comes to us with a background of rich experience and we are very happy to introduce him to the churches and the youth of the Canadian Union Conference. We feel confident that you will want to become personally acquainted with Elder and Mrs. Jones and their children and we hope that this opportunity will be afforded you at least to some extent during the campmeetings this summer. May the Lord richly bless the ministry of Elder Jones in our midst, and may the work of the departments to which he is called to develop to the extent that the youth of this large union will be inspired to greater usefulness and higher forms of service for the Lord.

### Campbell--Lewis

Elder R. G. Campbell, who for the past three and a half years has been serving as Publishing Department secretary for the Canadian Union Conference, recently accepted an invitation from the Southwestern Union to serve as Publishing Department secretary of that field. Elder Campbell was with us a little over three and a half years and has become well known across the Canadian Union. His energetic and competent service was greatly appreciated by the workers and the believers of this field, and we shall miss him from our midst.

Elder and Mrs. Campbell have already proceeded to their new

### B. C. CAMPMEETING

There will definitely be campmeeting in British Columbia this summer, July 29 to August 7. Exaggerated rumors of flood conditions have led some to believe that this would not be so. These rumors and any newspaper reports to the contrary should be disregarded. Campmeeting will be held as usual.

field of labour and we take this opportunity to extend to them our best wishes in the work to which they have been called. We believe that their service in the Southwestern Union will be marked with the same degree of success that has attended their labours in our midst in this large field of the north.

To fill the vacancy left by Elder R. G. Campbell, the Canadian Union Conference invited Elder P. M. Lewis, Publishing Department secretary of the Missouri Conference, to join our staff as Publishing Department secretary of the Canadian Union Conference. Elder and Mrs. Lewis and their children will be arriving in our field very shortly and we hope that Brother Lewis will be able to attend all of our campmeetings this summer. We shall report more fully regarding Elder Lewis and his experience in a later issue. We take this opportunity now to welcome Elder Lewis and his family in our midst and assure him of our interest and cooperation for success in his work here in the Canadian field. We feel satisfied that the Lord has led in this call and as Brother Lewis comes in contact with the workers and believers in this field, we trust that he will receive full cooperation in the heavy duties and responsibilities to which he has been called.

### "SIGNS" CAMPAIGN

When one joins the Seventh-day Adventist church, he enlists as a soldier in a life-long campaign—a campaign to help eradicate sin from the universe, to conquer this earth for Christ. This planet of ours, now the territory of the enemy of souls, the prince of this world, will come under new management when the kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign forever and ever.

Our main business is not to accumulate the perishable things of earth, but to win souls. To the extent that we do this, we take possession of the enemy's territory, and hasten the day when the meek shall inherit the earth, when the knowledge of God shall cover the earth as the waters cover the sea.

We should thank God that in the program of the remnant church, there are regular and frequent campaigns, and that the ultimate objective of these campaigns is soul-winning. These bear eloquent testimony to the fact that we are not satisfied to remain where we are. Our united efforts signal further advances into the enemy's territory, and should the Lord tarry until our earthly lives have expired, our campaign must be of life-long duration.

Foremost in the list of denominational campaigns are the In-gathering Campaign and the SIGNS OF THE TIMES Campaign. The former is now reaching its successful culmination for this year. As we consider seriously the signs of the times, I am sure that we will all unite in a common determination to make this year's SIGNS OF THE TIMES Campaign the best ever. The dates for our SIGNS OF THE TIMES Campaign this year have been set from September 18 to October 16. Further announcements relative to this special effort will be made from time to time. Shall we not even now start planning for the largest circulation of our soul-winning SIGNS OF THE TIMES among neighbors, relatives, and friends in the history of the Canadian Union Conference? Under the banner, "FORWARD

WITH FAITH IN FORTY-EIGHT," we will win more souls with the SIGNS OF THE TIMES and thus wrest additional territory from the enemy.

### HELP FOR CAMPMEETINGS

Time for the annual campmeetings in the Alberta Conference is rapidly approaching. Definite plans have been laid for the meeting at Beauvallon, which will convene July 4 to 7. Elder Lornz from the General Conference Bureau of Home Missions, and Elder A. C. Harder, a returned missionary from South America and Brother C. G. Samograd of the Manitoba-Saskatchewan Conference will be with us to render spiritual help. We have informed the Ukrainian brethren and the English speaking brethren of that territory to make preparations that will make it possible for them to attend this spiritual feast.

Following the meeting at Beauvallon the campmeeting at Peace River district will convene at Peoria July 7 to 11. Splendid help has been provided for this meeting. Elder Harder from South America and Brother Lornz from Washington, D. C., will be there to assist in bringing the Bread of Life to hungry souls. We extend a cordial invitation to all the believers of the Peace River territory to avail themselves of this very important meeting. The first meeting will be held Wednesday evening July 7. As many as can possibly be present for that meeting should arrange their affairs so they can arrive on the grounds sometime during the day.

The general campmeeting for the Alberta Conference will convene at Lacombe July 22 to 31. As many of you know, this is the year when the conference session is to be held. All delegates appointed by the churches should plan to be present for

the first meeting which convenes Thursday evening the 22nd of July. Splendid help has been promised for the meetings at Lacombe.

Sometime ago we published the news that the Voice of Prophecy group would be with us for our annual campmeeting, but we have recently been informed that it will likely be impossible for them to come. We are sorry that these good people cannot be with us, but we are not able to alter circumstances and consequently we must make the best of these meetings without having that splendid help which could only be rendered by the Voice of Prophecy group.

We appeal to the brethren and sisters throughout the Alberta Conference to remember this forthcoming campmeeting in their daily devotions. We should pray most earnestly that this will be the best campmeeting that has ever been held in Alberta. We have come to the time when God has promised to pour out the Holy Spirit. God's people stand in need of it and the promise to them as well as to the disciples. By continual devotion and most earnest prayers the forthcoming campmeeting can be made a real spiritual feast and may God bless His people and strengthen them for their services.

**CORRECTION ON RATES FOR LACOMBE CAMPMEETING**

We regret that in the last issue of the *Messenger* with reference to tent rates for the Lacombe campmeeting, an error was made. Instead of reading \$3.50 as the rental rate for tents, it should have read \$6 per tent. The \$3.50 rate is the rate for the Peoria and Beauvallon campmeeting.

We trust that the error in this notice has not caused inconvenience to anyone and we apologize for the same.

**Room Reservations**

**COLLEGE FIELD DAY**

The most delightful experience your secretary has had this year was the privilege which came on June 3, of working with our young people at the college in connection with their Ingathering field day. Elder Balharrie had cared for every detail of the program, and as a result of good organization and the burning zeal of our youth, the college goal of \$2300 was surpassed in one day. Parents would have felt their sacrifice small had they heard the wonderful testimonies given by their children on Friday evening following the field day on Thursday.

Two young ladies reported they even got people out of bed late at night. The disturbed felt that any work so important promoted by youth with such zeal certainly was deserving of a contribution, and so they gave heartily.

Two of the ministerial students worked hard all day and late into the night Ingathering farm homes, and returned with over \$100 and a great blessing for their reward.

Wednesday evening after our Ingathering rally program, a young lady who has been acquainted with this message for less than a year, came to me in tears because she had been left out—not willfully, but because of too few cars. Elder Balharrie finally arranged a place for her, and she had many thrilling experiences on the field day. She was anxious to contact lost souls and pass on the good news that meant so much to her.

How can our college help but be a success when the faculty and students cooperate so won-

derfully in donating their lives to God's work! Thank you, faculty and students for the fine Christian spirit shown on your field day June 3.

**INGATHERING NEWS ITEMS**

Congratulations to Elder Hubley for seeing his district over the top in less than six weeks' time. The Lord greatly blessed Elder and Mrs. Hubley and the faithful members of the Lethbridge district. These dear people faced seemingly unsurmountable difficulties, but as a result of much self-sacrifice and hard work they now have \$2474.14 to their credit. Even though they are \$300 over the district goal they are still working hard. Elder Hubley writes: "Working after a goal is reached always gives special pleasure." The members of the Lethbridge district have raised an average of \$40 per member.

In four weeks our members in the Peace River district under the leadership of Elder Fred Johnson raised over \$1,500. The following incident proves their faithfulness. It seems that Brother and Sister Toftner had taken a carload north to Dawson Creek where they were Ingathering. The police in Dawson Creek, being the anxious type and wishing verification of our program, got in touch with the Edmonton police, who in turn visited the office. The Edmonton police sent back word to Dawson Creek stating the Toftner group were good people doing a good work. They did a good job too, because in one day they Ingathered over \$200 according to a report received from Elder Johnson.

The young people in the Edmonton singing band went to Stony Plain Saturday night, June 12, and returned with \$43.25, and a song in their hearts.

The Edmonton church school children are all excited since they have exceeded their \$50 goal. Thank you, Miss Anderson and school children, for your faithful work.

Miss Melnechuk, teacher of the Calgary church school, re-

ports the school children have nearly reached their super goal of \$100. We certainly appreciate the fine Ingathering record of our church schools this year. Just watching the children run from door to door gives me a great thrill.

One of our isolated sisters, Mrs. E. E. Edmonton of Tawatinaw, decided she would try Ingathering this year and set her goal at \$18. She reached this amount in a very few days, and has raised her goal to \$50. We are anxiously awaiting reports from the rest of our isolated members. We all have a part!

Elder Yakovenko was in the office June 16, and reported the Ukrainian district had gone over the top. Elders Soloniuk and Yakovenko and our faithful Ukrainian believers have always been among the first to complete their Ingathering. We are happy this year has been no exception in this regard. No, they have not stopped working, but are instead attempting to cover all accessible territory. All churches should do likewise, and cover the territory, not merely the goal.

Dear members, be faithful stewards, and finish your Ingathering as soon as possible.

## JUNIOR INGATHERING AT SASKATOON

"And who's this young lady?" asked Elder R. E. Metcalfe, after the church dedication at Saskatoon. "This is Florence Koseruba, one of my juniors who raised \$33 for Ingathering this year," I answered. "Good work! ought to put that in the *Messenger*," he suggested. "It is \$34.19 now," whispered Florence as Elder Metcalfe turned to greet someone else.

Surely the Lord did bless the juniors in their Ingathering here in Saskatoon this year. It was a new experience for most of them.

There are only four juniors and two primary children in the new Saskatoon church school. Two other members in the junior Sabbath school class who do not attend church school, were ill at the time of our Ingathering and could not go with us.

When the goal of \$50 was given to the juniors, it seemed immense. Russell Spangler, the smallest member in the group,

felt sure he could not reach the primary goal of \$4.50 before leaving with his parents on a trip two days later. After going out twice, about an hour each time, he needed only 74 cents to have his \$4.50, so he went out alone after supper around his home and had \$4.83 when he finished.

As befitted the son of the Conference Home Missionary Secretary, Bobby Rick raised the most the first time we went out; a touch of the "flu" kept him from going with us each time, but he had \$14.14 for his total.

In addition to Russell Spangler, Connie Lebedoff had her junior goal of \$9 at the end of our second afternoon's work. Working about an hour and a half after school, squeezing in a few minutes canvassing around the church school during the noon hour, and the brave ones who "did their blocks" around their homes after supper, took us "over the top" the third afternoon. We went out about two hours Friday afternoon and brought our total to \$76.11, although Florence became a casualty with a bad cold which prevented her from going with us a number of times.

The juniors wanted to go out another week "to double our goal." With enthusiasm running high, several dollar donations and a \$5 offering which Connie received, we raised over \$80 the second week, which more than tripled our goal and gave us a total of over \$156. David Iglar overcame the mumps in time to go with us twice and raised \$7.31; Vern Monson went out once with us and got \$3.25 in an hour, but it did not help his pleurisy and we were sorry he had to spend some time in the hospital after that.

It was Junior Stickle in the second grade who wanted a smaller lunch to take to school so he could finish it sooner and go Ingathering. He raised \$13.83, tripling the primary goal. Connie Lebedoff's splendid total of \$55.86 was more than the entire original junior goal. Betty Heinrichs, sixth grade, raised \$25.02.

Miss Polishuk, the church

school teacher, and I enjoyed going with the juniors. Their enthusiasm was an inspiration to the entire church.

"I wish I could get more dollar bills," said Betty. "Do you pray?" asked Florence. "Yes, I do," answered Betty, and then they all told of praying for offerings as they ran from house to house and while they waited for the offering. They all wanted to continue Ingathering but music examinations and school "finals" called a halt to their work at present.

**THREE CHURCHES  
DEDICATED**

We were sorry to see that a number of our city churches did not have their own places of worship when we came to this conference and we encouraged and urged our members to secure buildings to provide Sabbath homes for our people. In the past few years, most of them have built or bought buildings which are helping to stabilize the work in these places.

The weekend of June 12 and 13 brought with it special blessings to the churches at Regina, Moose Jaw, and Saskatoon, Saskatchewan. The Regina church was dedicated to the Lord Sabbath morning; the Moose Jaw service took place Sabbath afternoon. On Sunday night, June 13, the dedication of the Saskatoon church took place. Members from the surrounding churches came to rejoice with the people at these places.

We had hoped to have Elder Rudy, our Union Conference president, with us at these services and were sorry that other appointments prevented his coming. It was a privilege and a pleasure to have Elder R. E. Metcalfe of Winnipeg, who recently came to our conference from Toronto to preach the dedicatory sermons.

The brethren and sisters at all three places had worked hard to make the buildings as attractive as possible. Elder W. B. Streifling and the members at Regina and Moose Jaw, and the members at Saskatoon under the leadership of Brother B. H. Stickle, local elder, are to be commended for the results achieved. The Regina church with its new light-colored pews and pulpit, all the aisles carpeted, the baskets of gladioli and iris, presented a beautiful appearance. The Moose Jaw and Saskatoon churches were beautified by lovely peonies. Luxuri-

ant ferns added to the appearance of all three places. We were impressed with how much the handiwork of God enhances our places of worship. Members who were ill and could not be present were remembered as the flowers were taken to them after the services.

The programs at the dedication services of the three churches were similar. The following is the program for the Moose Jaw church:

Doxology	Congregation
Invocation	B. H. Stickle
Hymn, "O Worship the King"	
Scripture Reading, Psalms 26:4-9	S. G. White
Prayer	S. G. White
Solo, "Christ is Made the Sure Foundation"	Mrs. N. Brown
"The Building of the Church"	W. B. Streifling
Dedicatory Sermon	R. E. Metcalfe

Announcements	
Dedicatory Hymn and Responsive Reading	S. G. White
	and Congregation
Benediction	W. B. Streifling

At Regina the special music was provided by a piano solo "Nearer My God to Thee," by Miss Vivian Horne, and a vocal duet, "A Heart Like Thine," by Mrs. W. B. Streifling and Miss Horne.

At Saskatoon Elder Metcalfe, accompanied by Mrs. A. H. Mansfield, sang, "Bless This House." The "chimney tall... windows shining bright, letting in God's heavenly light," other parts of the building as well as the people meeting there were remembered in this beautiful solo. David R. Iglar on the violin and Connie Lebedoff at the piano played, "Rock of Ages."

The church histories were given by Elder W. B. Streifling at Regina and Moose Jaw, and by Brother N. H. Koseruba, local elder, at Saskatoon.

In his dedicatory sermons, Elder Metcalfe emphasized the consecration of the members in addition to the dedication of the buildings. In Regina he based his sermon on Revelation 12:17: "...Who keep the commandments of God and have the testimony of Jesus Christ." In Moose Jaw, after leading out in the singing of "Spirit of the Living

God, Fall Afresh on Me," his opening text was Exodus 14: 15, 16: "Speak unto the children of Israel, that they go forward." Proverbs 29:18: "Where there is no vision, the people perish," was the first verse used in Saskatoon. He presented to the congregations the task before us of finishing the work of the Lord so He could come to take us to our heavenly home.

An offering was received at each church for the further improvement of the buildings as each church was dedicated free of debt.

We thank God for our members of these cities and trust that many more will be added as a result of their work and the dedication of these churches.

The Six Nations Indian Mission had as its guest Elder E. J. Lorntz of the Home Foreign Bureau of the General Conference for the weekend May 28-30. Friday evening meeting was held in the Christian Aid Hall, where Mr. Follett has been conducting evangelistic services. The hall was crowded and people were standing both at the rear

and on the outside. This meeting climaxed the effort at this hall.

Sabbath, May 29, Elder and Mrs. Millner joined us in our services and helped us with the Sabbath school. Elder Lorntz gave a helpful message to the Indian believers at the eleven o'clock hour and Elder Millner continued the subject at the three o'clock service.

The Simcoe Ukrainian church had the privilege of hearing Elder Lorntz at meetings at 8:00 p.m. Sabbath and 10:30 Sunday morning.

Elder Lorntz spoke again Sunday evening at the Six Nations church. This, too, was the closing meeting of a four month series held in the church. This last meeting was unique in every way. The Toronto Symphonettes graciously traveled to the Reserve and enhanced the service with several numbers. We were especially privileged to have Lt. Col. E. P. Randle, Superintendent of the Reserve, present to make an opening speech. Elder M. H. Philbrick also was present. The church was filled and every part rendered was appreciated by us all. A baptism is to be held June 20 and a number of interested persons are planning to be baptized at that time.

**NEWS NOTES!!**

On Sabbath May 15 the English and French churches in Montreal united together at the English church for a baptismal service. Elder A. Lecoultre of Oshawa conducted the service and was ably assisted by the local pastors E. Hillock and A. L. Rochat. Of the six persons baptized at this time, three became members of French Church.

We were glad to welcome these three converts, along with two others on profession of faith, into the Adventist family

of the Mission. This recent addition to our membership raises the number of members to forty. Now the fruits of the seed sown many months ago are being harvested and we pray that the Lord will continue to bless the efforts of our workers as they continue to sow more seed and cultivate the growth of the new shoots. Gradually the Light from the Sun of Righteousness is having its effect upon this field.

Recent visitors to the Mission headquarters were Brother G. E. Watson of British Columbia, in Montreal on a business trip, and also Brother Digweed from St. Catherines, Ontario, visiting a fellow colporteur, R. Morneau. Both these brethren enjoyed their visit in Montreal and were pleased to meet the members of the Montreal churches. We are glad to welcome anyone who comes to Montreal.

On June 1 the members of the Mission Committee met together again to lay plans for the work of the following autumn. We believe that these plans when blessed of God, will help to develop the interest that is beginning to appear in various parts of the province. We ask your prayers on behalf of our workers that their work may not be in vain.

Dr. and Mrs. Rudy of Spokane, Washington, accompanied Elder and Mrs. Rudy and Ingrid on a short visit to Montreal and the Mission headquarters this month. We hope they enjoyed their first visit to Eastern Canada.

On June 16 Elder and Mrs. Lecoultre and family left the port of Montreal for a trip to Switzerland and Europe where they will spend a furlough of several months. They hope to see their relatives and former associates. We hope they have a pleasant and safe journey across the ocean and back and that they will enjoy their visit. On their return, Elder Lecoultre plans to take up residence in Quebec province and to strengthen the evangelistic work here.

Our colporteurs are doing fine

work and are of good courage. Without a French medical book, they are selling only the inspirational books and other small books. They are looking forward to the time when the new medical book will be available and they hope that with God's blessing they can increase their sales and thereby increase the number of contacts through which they can spread the Message. May they be able to continue the good work and to find those who are looking for the Light of truth. During the month of May two men have delivered \$219 worth of books.

### MUSIC AT CAMPMEETING

Once again the time has come when we can gather together to receive great spiritual blessings from God. Not only can we receive these blessings as the Spirit of God speaks to us as we hear an arousing sermon; but as we are singing and listening to the good old songs of faith, are our hearts quickened? Many are the ones who found Christ, not in a sermon, but in a song. This year in Saint John and Halifax we are planning on good programs of music at our meetings, but it will mean that you will have to help; so come ready to take part in every song service. Be sure and bring your Church Hymnal along with you, as we will use this at every song

service. Also those who play musical instruments, bring them along in order that we might have a good Sabbath school orchestra.

In every song service at the campmeetings this year, may we say with the psalmist, "I will bless the Lord at all times: His praise shall continually be in my mouth." Ps. 34:1.

**Weddings**

Miss Lydia Zapotichny and Mr. John Fedrock were united in Holy Matrimony in the New Westminster Ukrainian church on the evening of May 23, 1948. The church was beautifully decorated, and filled to overflowing by the many friends and relatives to witness the ceremony.

After the reception a program was given. The large number of gifts presented showed the many good wishes extended to the happy couple. Brother and Sister Fedrock will make their home in the Surrey district. We wish them God's blessing as they establish another Christian home.
