## Fill Your Spirit of Prophecy Library

RICHARD HAMMILL, *Associate Secretary*  
*Department of Education, General Conference*

Undoubtedly by this time very few Adventists have failed to hear that during 1961 it is possible for them to purchase any book written by Ellen G. White at a very liberal discount. The plan for such a discount during the course of the year 1961 was suggested by the General Conference Spirit of Prophecy Committee, which has a strong burden to circulate Sister White's books among our people so that they might receive the precious instruction God has given to strengthen us for the perplexities of the last days, and so that we might be ready to meet our Lord at His soon coming. Our publishing houses accepted the proposal, and for almost a year now the special discounts have been given on any Ellen G. White book.

This generous arrangement made by our publishing houses for the benefit of our people has resulted in a great upsurge in the distribution of Spirit of Prophecy books. Statistics for sales in United States and Canada are presently available only for the first seven months of this year. Of forty-nine titles of Ellen G. White books currently available in English, in thirty-six cases more books were sold in the first seven months of this year than in the entire previous year. In the case of eighteen of these different titles, more than twice as many were sold; in five cases, three times as many; and in two cases, ten times as many.

Recently the Spirit of Prophecy Committee of the General Conference, in discussing the need for wider distribution of the Ellen G. White books asked that our people be notified again of the special discounts, and that they be urged to

avail themselves of this discount and to add to their Ellen G. White books, or to completely fill out their Spirit of Prophecy library.

Moreover, with the Christmas season just before us, we remind you that Ellen G. White books make excellent gifts.

Spirit of Prophecy books make excellent Christmas gifts—your Seventh-day Adventist friends will appreciate receiving such treasures. Now is the opportunity to profit by the money-saving plan. Purchase a number of these books for yourself, and send many to your friends as Christmas gifts.

Certain titles will be greatly appreciated also by your non-Adventist friends. Why not, as you give your gifts at the holiday season also do something thereby to extend the gospel?

We also point out that the Morning Watch book for next year entitled *Our High Calling* is an Ellen G. White book. This new book, just recently published, is a collection of Ellen G. White writings, fifty-one per cent of it from the manuscript files of Ellen G. White, forty-five per cent from periodicals written by Ellen G. White and published in our journals during her lifetime, and only four or five per cent from currently available E. G. White published books. This new book should be purchased by every Adventist family and read faithfully morning by morning during the coming year.

## A Million-Dollar Offering

During the past several months much publicity has been given to the fact that the General Conference is expecting the Sabbath School Department to raise one million dollars or more through the Sabbath School Investment plan during 1961.

The tremendous needs of our ever-growing and expanding work in the mission fields and our belief that the coming of Jesus is very near justifies this extraordinary appeal to our entire membership around the world. We plead for 100% participation on the part of the entire church membership. All can and should do something. Our response to this, and other similar appeals, will to a considerable extent determine the future course of our work in many foreign lands.

God has dealt liberally with us. This is our opportunity to do something extraordinary for Him. Invest a little time or money, and permit God to multiply your efforts through the Sabbath School Investment plan. It will mean souls saved.

This is a unique opportunity for our loyal members to meet one of the greatest and most urgent appeals of its kind ever to be made to this people. This is not an ordinary appeal. It is made with the conviction that this is our day of final opportunity. It is therefore made with the utmost confidence that all our loyal members in every land will respond and do their utmost to meet this timely challenge. Please remember:

**THE OBJECTIVE**—100% participation.

**THE AMOUNT**—One Million Dollars.

**THE TIME**—During 1961.

# Disfigured Face But New Heart!

J. R. SPANGLER, *Secretary, Ministerial Association*  
Far Eastern Division

Mrs. Hardjosentono and her two children. Superstition is now replaced with the love of Jesus Christ.

Her name is Mrs. Hardjosentono. The story takes place in a small village on the island of Java, Indonesia. Until six years ago, she had never heard of the Bible, Jesus, apostles, cross, or salvation. Fear and superstition were her gods. The fact that she knew nothing about the love of Jesus Christ was the first tragedy. The second tragedy took place when her only earthly security, her husband, fell ill and died. She had been a widow only a week when one of the village men asked her to marry him. Her love for her husband made this offer repulsive. Marriage was unthinkable when her husband had been dead only a short time. However, to refuse this proposal would inevitably bring trouble.

The suitor became enraged and threatened her, but to no avail. Anger turned to revenge. His retaliation followed an ancient custom which strikes fear in the hearts of those who believe that evil spirits can cause bodily harm if the proper procedures are followed. He contacted a spirit (or witch) doctor, and paid money to this agent of Satan to cast a spell over this poor, defenseless soul who could look to neither God nor man for help against this nefarious power.

Within hours after the ritual and incantations of the spirit medium were finished, a boil-like growth began in the victim's nose. Nothing she did could stop this monstrous evil. At this time, she was totally unaware of what was taking place. She appealed to her god,—superstition! Finally, one Friday morning—to her a

sacred day—she burnt incense to appease the wicked spirits. The moment she lit the incense, a horrible sensation like that of scalding water thrown in her face caused unutterable agony. Next, she felt three spear-like stabs in her nose. Rushing to the elders of the village, she pled with them to tell her what was wrong. The evidence they presented caused her to realize that a spell had been cast over her and that evil spirits were doing this work.

It is customary in a case like this to search out another spirit doctor who possesses superior power over the one who is causing the damage. Money is paid to this doctor to counteract the horrible prescription of the enemy. This she did, but no doctor in the village seemed to have the power of the one hired by her spurned admirer. Nearly a year passed. Her face slowly disintegrated. Finally her nose completely collapsed and the area between her eyes turned into a sunken hollow. There was no infection, no drainage, and most amazing of all no pain whatever following the experience of lighting the incense.

As I looked at this woman and heard her story, I could not help realizing that physical disfigurement is strictly secondary to the greatest disfigurement of all—the disfigurement of the soul resulting from sin. Every human being in this world suffers from this inward deformity. There has lived on this planet only one soul who escaped this tragedy—Jesus Christ. His escape is our salvation.

I saw what this salvation could do for a person. Here, standing before me was a woman, who at one time, suffered both tragedies of having not only her face but her heart scarred with sin, ignorance and unbelief. Had her life ended then, perhaps those who knew not Christ would have claimed it was all for the best.

God, however, in His mysterious and remarkable way, had a plan for this dear soul. First, He led Mrs. Hardjosentono's sister, Mrs. Lewis, to a knowledge of the gospel of Jesus Christ. Secondly, Mrs. Hardjosentono with her children finally moved in with her sister, Mrs. Lewis, and then the great miracle took place. The deformed and sinful heart of Mrs. Hardjosentono was cleansed and purified by the blood of Jesus Christ. She was restored to full health and strength spiritually and physically. Today she stands as a witness of the power of the gospel of Jesus Christ. True, her face bears the awful scars of what Satan can and will do if given the opportunity, but her heart has been rescued from the clutches of Satan. Today she is a faithful member of the Seventh-day Adventist Church.

This story could have been different—far different! Suppose our mission offerings had stopped. Suppose no one had been willing to leave the comforts of the homeland to share with those in other countries the message of salvation. Liberation from sin and fear would never have taken place in the life of this former prisoner of Satan.

Thank God our sacrifices for missions result in saved souls for the kingdom.

CANADIAN UNION MESSENGER

This present fourth quarter, the 13th Sabbath overflow offering once again comes to the Far Eastern Division. Half of the overflow offering will go to the very island where the above story took place—the island of Java. It will be used to help erect a lovely evangelistic centre in one of the largest cities of the world, Djakarta, Indonesia.

The prominent site allocated to us by the government plus stringent building codes as to area and height have forced us to build on larger dimensions than anticipated. However, this is not a deterrent but rather a sign that God is causing the Indonesian Government to compel us to build on a scale that we should have built on originally had our faith been sufficient!

This coming 13th Sabbath, we earnestly pray that you as well as ourselves will have an experience similar to that of Moses on Mt. Nebo. An experience where our eyes of faith will be able to see across the ocean—to see the capital city of Djakarta; to see the multitudes who have no hope in God; to see those who were born into the world just as we were; to see them eat, drink, laugh and cry just the same as we! To see their insecurity, their fearfulness, their total ignorance of God's grace! Let us put ourselves in their place. Let us remember when we knew not the sanctifying power of Christ and then remember what it did for us when we found it. If we can feel with them, we can no more refrain from sacrificing on 13th Sabbath than we can refrain from breathing!

Come with me to our modern prophet. She is in vision. A terrifying scene is taking place. She sees a company of people whose hair and garments are in a deplorable state. Look at their faces—see the despair and horror branding them. They come closer to Mrs. White. She tries to avoid them, but their wretched garments touch hers and in agony she sees large spots of blood appearing at the contact points. Slowly her own garment begins to disintegrate. Listen to her speak. "... I fell like one dead, at the feet of my accompanying angel. I could not plead one excuse." Now listen to the reply of the angel. "This is not your case now, but this scene has passed before you, to let you know what your situation must be if you neglect to declare to others what the Lord has revealed to you. But if you are faithful to the end, you shall eat of the tree of life, and shall drink of the river of the water of life."—*Early Writings*, pp. 76, 77.

If we neglect—if we neglect—what a cruel but deserving experience will be ours! Ah, but if we are faithful—if we are faithful! Water of Life! Tree of Life!

New Jerusalem! Fellowship with Adam, Abraham, Paul! Companionship of Angels! Personal contact with Christ! If we are faithful! Djakarta will have its centre. If we are faithful! Citizens of this city will hear this message! Many will be baptized. If we are faithful, we will stand on the sea of glass and beside us will stand someone from Indonesia. Remember 13th Sabbath!

## Joins Publishing House Family

Mrs. Grace Reeves

Mrs. Grace Reeves who has spent nine years as a secretary in the Maritime Conference office has recently joined the Kingsway Publishing House family as secretary to the treasurer, Mr. Leslie Dunn. This vacancy was made by the sudden passing of Mrs. Gladys Hubley on the 2nd of August, 1961.

We welcome Brother and Sister Reeves and their son Tony to Oshawa. Brother Reeves is connected with an electronics organization here while Tony is attending Oshawa Missionary College as a student. We are happy to have them in our midst and wish them heaven's richest blessing in their new field of labour.

## Newfoundland—

### A Review of God's Blessings in St. John's Newfoundland

CARL WESSMAN, Pastor

At the writing of this article, our next year's Ingathering is already out of the way, and God has signally blessed the work here in St. John's and Bay Roberts.

Two fine schools are in our district,

manned by consecrated teachers, who are doing a tremendous job of putting over a denominational school programme, with a probable less than one-third of 250 students being S.D.A. The past two years have seen an active programme carried on in all phases of the work. Our two schools have yielded fifteen young people baptized into this wonderful message. Close co-operation between the principals and the pastor have made this possible. Of these fifteen, five are of non-Adventist homes. Surely our Christian schools bear fruit.

The Missionary Men's Society of the St. John's Church is actively engaged in helping the pastor to reactivate backslidden members, and to reduce the number of backsliders which numbered forty-five in 1959. We have been happy to bring back a number of them now, and some others are only "a prayer away".

At present our baptisms number thirty-seven, since our coming to St. John's two years ago. There are another fourteen making preparations, including several families.

Our evangelistic programme for the winter includes a series of meetings in Bay Roberts. Here in St. John's, we have held two winter series, but this year are concentrating on preaching the full message in evangelistic style over the radio on Sabbath morning. Unfortunately we have never been able to broadcast our Sunday night meetings in the past.

The work of the Community Welfare Centre, in which Mrs. Wessman leads out is proving a real blessing to our sisters in the church. Two generous cleaning establishments supply us with "free cleaning" of all the old clothing we collect. Last year we were able to care for 193 families here in St. John's alone. Some members have been re-activated through this activity in the church, and God is blessing this work.

Our Bay Roberts group is continuing an active literature programme. We hope to see a rich harvest of souls as a result of their consecrated work during last year, as brother David Crook makes contact in a personal way sometime this fall and winter with the many interested.

The writer is responsible for two weekly radio broadcasts, a fifteen minute devotional on Sabbath, and a half-hour evangelistic programme on Sunday evenings. God is adding His blessing to this ministry.

Please pray for God's continued blessing upon the work in this district.

**Week of Prayer  
November 11 - 18**

## Joins Ministerial Staff

Elder and Mrs. A. E. Anderson, their sons David, Leslie, Daniel and Vernon, district pastor for the Rosebud, Acme, and Cluny churches.

It is with pleasure that we present a further addition to the ministerial staff of the Alberta Conference. Elder and Mrs. A. E. Anderson and their family, who have recently returned from a term of mission service in the Southern Asia Division, have taken up their work in our conference. The Andersons served a number of years in the educational and evangelistic programme of the Burma and Ceylon Unions. Prior to their mission service, they laboured in the Central California Conference.

The Andersons have taken up residence at Rosebud and are leading out in the work of that church as well as the Acme and Cluny churches. David and Leslie, their two older sons, are enrolled at Canadian Union College.

## Twelve To One

Twelve-to-one Vacation Bible School

Mrs. George Holde conducted a Vacation Bible School at Canmore, ten miles from the Banff-Jasper park, August 27 to 31.

Twelve children were present from non-Adventist homes and one child from a Seventh-day Adventist home. Nearly all the work was done by Mrs. Holde, although, Mrs. Mike Lakusta from Canmore helped when possible. Many parents and friends of the non-Adventist children were present at the graduation exercises. All children said that they loved the Vacation Bible School and requested that another one be held next year.

Although practically alone, Mrs. Holde plans to hold another Vacation Bible School next summer.

### The Results of Prayer

On Sabbath August 12, of this year Brother Vernon Zwicker was baptized in the cool waters of Northumberland Strait, thus fulfilling his wife's dreams and prayers. For years Brother Zwicker was determined not to join her church. About two years ago a man of another denomination called on the Zwicker home, he was going to show Mr. Zwicker the truth. While Brother Zwicker studied with this man he became convinced his wife's religion was the right one to follow.

Brother Zwicker and his dear wife are living over 50 miles from any believer, yet they are faithfully holding Bible studies each week in their home.

May God continue to bless you, Brother and Sister Zwicker, as you faithfully wait for His return, the Lord you love and serve so faithfully.

## British Columbia —

### Vandeman Evangelistic Crusade

Beginning on the afternoon of November 4 in Victoria, British Columbia, Pastor George Vandeman, speaker and director of the IT IS WRITTEN television ministry, will conduct an evangelistic crusade. On the night of November 4 the crusade will begin in Vancouver at the Garden Auditorium. These meetings in Victoria and Vancouver will continue simultaneously through November 26.

This is a concentrated effort to tie in

the many IT IS WRITTEN interests with the Seventh-day Adventist church programme.

The conference committee has arranged for several of our ministering brethren to connect with this crusade in both Vancouver and Victoria so that a good staff will be on hand for the meetings and the visitation programme.

In addition to the local brethren who will be co-operating with Pastor Archbold in Vancouver and Pastor Spens in Victoria, the Manitoba-Saskatchewan Conference is generously loaning to British Columbia the services of Brother and Sister Norman Matiko who will be in charge of the musical ministry during this evangelistic crusade.

Working with Pastor Archbold in Vancouver will be Pastor Hochstetter of the New Westminster Church, Pastor Beavon of Langley and Brother Wilson of Chilliwack and Sister Mason, the Bible Instructor in Vancouver. Co-operating with Pastor Spens of Victoria will be Pastor W. W. Rogers of Oliver and Brother Orpana of Port Alberni. All these workers will be an evangelistic team under the direction of Pastor Vandeman for an effective presentation of the Message.

The co-ordination of the programme in two centres will be under the leadership of W. E. Kuester, Secretary of the Home Missionary Department of the Conference. The conference committee is highly desirous that every possible arrangement be made so that the results of this meeting can be of utmost good.

We certainly appreciate the co-operation of all the brethren and sisters directly concerned with the crusade. We are also very much encouraged by the enthusiasm of the church members in the churches concerned. Certainly their support in prayer and liberal giving, in visitation and in Bible study will go far with the blessing of God in bringing conviction to many hundreds of hearts.

We thank the Lord for making it possible for Brother Vandeman to be with us. We are grateful to all who have had a part in making the arrangements possible. We thank all who are engaged in special prayer for the success of this crusade. We solicit the full co-operation of every member and friend in attendance at the meetings, in inviting friends and relatives to attend, and in continual prayer for Pastor Vandeman and the preaching of the Word.

# Vancouver Looking Forward to New Church—W. R. ARCHBOLD, *Pastor*

The Vancouver church is looking forward to the day when they will be able to replace the old building at 10th and Yukon with a more adequate and representative structure. The accompanying drawing shows the architect's recommendation for the proposed building. Because of the soil condition in Vancouver the city requires that such a building be of masonry, preferably reinforced concrete. Admission to the main entrance will be of gradually slanting walks or ramps, thus eliminating steps entirely. The lower level of the building will be

for Sabbath School with a curtain arrangement to isolate each class when the class period begins.

The second level, or sanctuary, will be used for worship as well as for large weddings and special evangelistic meetings. There is to be a Youth's chapel on the second level which will also be used for small weddings, conference workers' gatherings, etc. It will be so arranged that we can use it for overflow audiences on special occasions. Glass partitions at the rear of the sanctuary and the small chapel will make it possible for the

"overflow" audience to look across the foyer and see the sanctuary chancel when it is necessary.

An excellent location has been purchased from the Canadian Pacific Railway in the Shaughnessy Heights area. Twenty-five per cent of the cost of the property will be given back to us as a donation when construction begins. In addition to the structure, the ground will accommodate 60 cars as is required by the city. The building committee hopes to begin construction soon.

## Ablaze for God

Ablaze for God!  
How was John's life so fired?  
Ablaze for God!  
How was his soul inspired?  
John pressed so close  
To Jesus' pulsing breast,  
Love's fires were kindled  
In a heart possessed!

Ablaze for God  
Made John a shining light.  
Ablaze for God  
And for His cause of right.  
We all will shine  
When we are all aflame,  
Consumed by passion  
To exalt Christ's name.

Ablaze for God  
Will purify desires  
And unify  
Our hearts by purging fires.  
Ablaze for God  
Will bring us holy power!  
Ablaze for God—  
The need of this great hour!

### Week of Prayer and Sacrifice

Soon the Week of Prayer and Sacrifice will be with us once again, and another year will be almost in the past. God has been good to His people and His work. Yes, there have been sorrows and trials on the way, but there have also been many blessings. From His great and calm eternity He has ordered for us that which His providence has seen best.

As the Week of Sacrifice offering is taken Sabbath, November 18, let us as Conference workers and church members everywhere give a truly liberal and sacrificial offering. Some are planning to give a week's earnings. All of us, I am sure, will want to give according to our ability and in proportion to the way that God has prospered us. As we engage in earnest prayer during this special week, God will draw near and bestow upon us a bountiful blessing.

H. D. HENRIKSEN, *President*  
Ontario-Quebec Conference

### Fall Meeting— Eastern Townships and Montreal Churches

The semi-annual meeting for the Montreal and Eastern Township Churches will be held in the Montreal Church, 4250 Western Avenue, Westmount, Quebec, on Sabbath, November 18. Elder H. D. Henriksen, conference president, Elder C. Klam, and other department secretaries will also attend.

We invite our church members to plan now to join with their fellow-believers for this important meeting.

### St. Thomas Church Extension

Front view of the extension to the St. Thomas Church.

For some years the St. Thomas Church has carried on a very active Welfare programme in St. Thomas. They had a building that was located on the church property as headquarters for their strong Welfare programme in that city. As their work grew they found that the old building was inadequate and in such a state of disrepair that it was necessary for them to do something drastic to expand their Welfare facilities.

Earlier this year, Brother Paul Kantor, who is a general contractor, together with

Brother Paul Kantor, general contractor of the St. Thomas Church, pauses to check measurements of the new Welfare section of the St. Thomas Church.

the local elder, Brother W. J. Pincombe, led a building committee in laying plans for an extension to the church building that would provide Welfare facilities on the main floor, besides Sabbath School rooms in the basement and on the upper level. This extension will also improve the church facilities greatly by opening a new entrance on the side street which will give ample entrance room and clothes closet facilities. It is estimated that this addition will cost some \$6,000.00 to \$7,000.00 to complete.

Pastor Ferrier, district pastor, reports a wonderful spirit of co-operation as the church members are rallying under Brother Kantor's leadership in forging ahead with this programme.

We congratulate Pastor Ferrier and the St. Thomas Church for their vision in building a new Welfare centre.

## Baptismal and Baby Dedication Service

Standing between Pastor F. A. Knutson and Mr. Monte Myers, first elder of the Oshawa Kendalwood Church, are the baptismal candidates and parents with their children who were dedicated.

On Sabbath afternoon, October 7, the Oshawa Kendalwood Church was the scene of an impressive baptismal and baby dedication service. Four precious souls were united with the church by baptism and four little children were dedicated to the Lord. Brother and Sister Lawrence Jerome brought their infant son to be dedicated, and an older son, David, was baptized at the same service. A new interest, Sister Summers, presented three of her children for dedication, and she herself is looking forward to baptism. Three candidates from Peterborough were also bap-

tized: Brother Thomas Montgomery, Barbara and Derreck Gallagher.

Brother T. J. Bradley and the writer shared the service. At the conclusion of the meeting an appeal was made with about twenty people responding to the altar call for further study and baptism.

We thank God for these victories won and for these precious babes dedicated to His service.

## Diamond

## Anniversary

Mr. and Mrs. L. Leatherdale

Mr. and Mrs. Luke Leatherdale observed their Diamond Wedding Anniversary on October 16, at the home of their daughter, Mrs. Edward Sorrell, with whom they reside in Scarborough, Ontario. Mr. and Mrs. Leatherdale were married in Chatham, Ontario, in 1901 and lived in Windsor, Ontario for 55 of those years. Mrs. Leatherdale was a charter member of the Windsor Seventh-day Adventist Church on Moy Avenue and played a key role in establishing the congregation in its early development.

Besides their daughter, they have one son, J. Leonard Leatherdale of Oshawa and two granddaughters, Darlene Leatherdale, a student nurse in training at Branson Hospital in Willowdale, Ontario and Lenore, an elementary school student at the Oshawa Missionary College.

Greetings from Her Majesty the Queen, the Governor-General of Canada, the Lieutenant-Governor of Ontario, Prime Minister Diefenbaker, Premier Frost, Senator David A. Croll, and Labour Minister Starr were received expressing the congratulations and best wishes of these individuals as well as from their many friends and relatives.

## Yorkton Harvest Festival

P. MOORES, President

Showing contrast in size of produce from draught area farm with that of a watered area.

Two of the men, Brother Sereda and Brother Bodowich, who brought produce for the Yorkton Harvest Festival show how the drought affected crops in Saskatchewan. Both brought their large size cabbage. One farm had water but the other along with thousands of others received no water. The cabbage is small and so is the rest of the crop. It is estimated that Saskatchewan will suffer a loss of more than \$200,000,000 this year because of drought.

However, God has ways of blessing His people that we know not of and the Yorkton Church was crowded with people who had come to the Thanksgiving service.

Pastor Philip Moores drew spiritual lessons from the harvest season. Evangelist F. F. Schwindt who had just moved to the area to begin evangelistic meetings offered a prayer of thanks and prayed for a harvest of souls.

Pastor P. Uniat gave an invitation for all visitors to join with the congregation for a Thanksgiving dinner at the Legion Hall. The tables were filled and a thank offering was taken for church projects.

In the afternoon the young people from the Saskatoon Church, under the direction of Mrs. W. Negrych, gave a musical programme. Many folks stayed for the evening evangelistic service. The same evening Pastor Uniat conducted

evangelistic meetings for the Ukrainian people at Sturgis.

### Winnipeg's New Church School

On October 15 the walls of the Winnipeg church school were partly up as shown in the above photo. One can also see the size of the auditorium in the foreground.

God has kept the weather mild for this time of year in order that the new school in Winnipeg which is being built may get a roof before the snow flies. On October 22 they had almost a foot of snow in Regina and it came as close as

Brandon, but still Winnipeg is enjoying good weather.

During the week of October 16 to 20 workers managed to get part of the roof on and part of the auditorium walls, with about nine more feet to go up before the roof is on it as well. The plumbing and fixtures are in place, and teachers are hoping to be able to occupy the new building in November.

School children have taken a great interest in raising money for the \$3,000.00 floor in the auditorium, and are sponsoring entertainment for church members, charging \$1.00 for adults and 50c for children, or \$2.00 for a complete family. A record crowd at the Free Press Hall last Saturday night brought in over \$100.00. They plan to have an amateur hour and church dinners. The children have offered to raise \$1500.00 of the \$3000.00.

At present school is being conducted in the English and German church basements. Mrs. R. Meyers is acting principal and teachers are Marjorie Ericksen and Iram Clark.

## The Secret!

"There was a time when, in my human reckoning, I was sure that only the most clever and eloquent people with a college education could work successfully with educated people to win them to this message. But now, on further acquaintance both with God and with people in the church, the only conclusion I reach is that for *all* of us, without exception, educated or not, our own complete conviction of *total inadequacy* and *total dependence* on the Holy Spirit is the only road to success in God's work; and that one might have great gifts in one way or another and fail in the terribly important field of plain everyday human sympathy and friendliness and genuine interest in and love for people."

There is the secret of successful lay evangelism! It is not talent, but love; not education but sympathy. We shall never win any one without understanding him and loving him first. One has put it this way, "It takes a sympathetic heart to love people into this truth." And it does, friend, it does!

not, however, forgotten those less fortunate than themselves. At present they are working in conjunction with the girls' club—the Wochelos—in a programme to collect several tons of clothing to be sent to refugees from East Germany, living temporarily, in camps near Darmstadt, in the western sector.

All of us are grateful to all of you who made the summer project "new look" possible. The educative value of physical surroundings cannot be over-emphasized. The influence of a clean, comfortable, and functional dormitory will be seen in tomorrow's homes.

will not want to miss the beauty and enchantment of that evening. The young ladies of Maple Hall are hoping that all of you will come and help make their dream of a rug for their parlour become a reality.

Mention should also be made of the spiritual activities. The dormitory prayer band leaders have agreed that they would study the Prophetic Guidance Course offered by the Voice of Prophecy by correspondence. Nineteen copies of the textbook, *Treasure Chest*, and 162 lessons 1-8 of the course are already on their way to us. The lessons will be returned as a group by the band leaders. We feel certain that the study of this course will raise the spiritual life of our dormitory and trust this influence will extend far beyond our doors.

Sensing that the times in which we live demand preparation unparalleled by any in our previous history we are confident that the young ladies at Canadian Union College in 1961-62 will arise to accept the challenge of the hour. We appreciate what you as parents and church members in the field have done for us in the past and earnestly solicit your continued prayers and support to help us prepare your daughters for service in God's cause now and for eternal life.

LILLIAN GABEL, Dean of Women

Four things in any land must dwell,  
If it endures and prospers well:  
One is manhood true and good;  
One is noble womanhood;  
One is child life, clean and bright;  
And one an altar kept alight.

## You AND THE WORLD AROUND YOU—

Pointers for more pleasant and meaningful relationships between you and your church and the people among whom you live and work.

### Don't:

Ignore people who live near the church, leaving them to wonder what you do.

### Do:

Make it a point some Sabbath afternoon to drop in for a friendly social visit. Express an interest in getting to know those who live near the church. Invite them to the services.

## OBITUARIES

**BRUSCH**—Arthur Brusch, born April 5, 1888 in Davenport, North Dakota, died at Great Falls, Montana, October 2, 1961. At an early age he and his family homesteaded near Winnipeg, Manitoba Canada, where he was united in marriage to Helen Wenzel. He was baptized in 1924 in Winnipeg and was an active member of the church until the time of his death. He retired from the farm in 1950 and moved to British Columbia where he resided until his passing. He is survived by his wife, Helen; a son, Leonard Brusch of Delano, California; three daughters, Wilma Duffy of Headingley, Manitoba; Noreen Prosch of Portland, Oregon; and Marguerite Jaspersen of Great Falls, Montana; and a sister, Mrs. Emma Lebus of San Diego, California.

**CROOKS**—Mrs. Florence Crooks, born in 1899 at New Harbour, Guysborough Co., N.S., passed to her rest on August 30, 1961, in Halifax, Nova Scotia.

As a young lady she became a member of the Seventh-day Adventist Church and served her Lord faithfully throughout her lifetime. In 1920 she married John Crooks and lived in Kingston and Windsor Ontario, then returned to the Maritimes in 1933. She held various offices in the church, and until recently shared her faith in the teaching of the Sabbath School lessons in the Halifax and Dartmouth Churches.

She leaves to cherish her memory her husband John H. Crooks, one son John, daughters Margaret (Mrs. Arthur Speed) and Ruby (Mrs. Carl Sollows) all of Halifax; brothers Leonard Sangster, Rhode Island; Lamont, Robert, and Herbert Sangster, Halifax, besides grandchildren and many friends. Funeral services were conducted in Halifax and Seal Harbour. Our sister in Christ awaits the call of the Lifegiver in a quiet cemetery beside the sea at Seal Harbour, Guysborough Co., N.S.

**MILLER**—Mrs. Catherine Miller was born at Kamishinsky, Russia, March 24, 1881, and peacefully passed to her rest September 23, at the age of 80 years. In 1898 she was married to Henry Miller, while in Russia. In 1899 the family moved to Argentina, South America, where they remained until 1904, when they moved to Winnipeg, and later to Leader, Saskatchewan in 1907.

Sister Miller accepted the Third Angel's message in 1914, and was a faithful member to the close of her life. She rests from her labours in the blessed hope of her coming Lord. She is survived by her husband, six sons and one daughter.

H. A. SCHULTZ

**GRAAFSTRA**—Sara (Bingham) Graafstra was born January 12, 1887 at Minnola, Manitoba and passed away at Souris, Manitoba, on October 13, 1961. She was a member of the Manitoba-Saskatchewan Conference Church. She leaves to mourn her passing, her husband, two daughters, one son, three grandchildren, one great-grandchild, and many neighbours and friends.

Funeral services were conducted by the writer, and assisted by Pastor Barbour, in the Souris United Church. Sister Graafstra was laid to rest in the Souris Cemetery where she awaits the call of the Lifegiver—who truly is the Resurrection and the Life.

E. L. KORONKO, Pastor  
Moose Jaw District

**SCUTOWICH**—Mrs. Martha Scutowich was born in Russia, June 9, 1903; came to Canada in 1927, and for the past thirty-four years has been a faithful wife and mother to her husband and two children.

Mrs. Scutowich passed away on Sunday morning, September 24, at St. Joseph's Hospital, Chatham, Ontario, resulting from an automobile accident the previous day, Sabbath morning, while on her way to church. Failure of the brakes to hold at a Chatham city intersection causing the car to hit a tree resulted in the fatality.

She leaves to mourn, one daughter, Ella—Mrs. J. C. Goddard, Uplands, California; one son, Carl, Ridgetown, Ontario, and her husband, Mr. Paul Scutowich, Ridgetown. Also mourning her loss are two sisters, Mrs. T. Schultz, Warburg, Alberta and Mrs. Lydia Zielinski residing in Poland; two brothers, Mr. Rudolph Schilberg and Mr. Adolph Schilberg of Hanover, Germany; one niece, Mrs. E. Nowack, Windsor, Ontario, a nephew at London, Ontario, and five grandchildren in California.

The funeral service took place on Wednesday, September 27, at the McKellar and McDonald Funeral Home; interment was at the Evergreen Cemetery, Ridgetown, Ontario. Pastor Frederick G. Bell officiated.

We join with beloved relatives and friends in mourning the loss of this dearly beloved, respected, and faithful Christian of the church and community.

F. G. BELL, Pastor

### A Report From The Dormitory Deans

#### Project “New Look”

One hundred and eighty-two young men live in West Hall and its annexes—two neighbouring housing units.

They live in rooms that have been given a “new look”. The treatment has included: square-text masonite panelling on the ceiling, random cherry wood-grained panelling on the walls (in some cases two walls were panelled and two painted in blue, green or beige), new tiles on the floors—or repair of the old, wall plugs and new light fixtures, installation of curtain tracks, painting of radiators a deep chocolate brown, refinishing and varnishing of room doors, painting closets. In fifteen rooms built-in bunks and decks have been installed. The deck is a combination dresser, study table, and bookcase, and is finished with an arborite top; it is planned eventually to equip all the rooms with built-in furniture.

The rooms on first floor and in the annexes were painted either beige or blue.

The “new look” is part of a plan to provide Christian young men at Canadian Union College with a beautiful, comfortable, and functional living situation—a condition essential for the true development of the whole self.

The project is by no means complete—future plans include building a recreation room on the first floor, outfitting a laundry room with washing and drying facilities, completing work on the new parking lot west of the dormitory, installing an incinerator on a site now being excavated, and developing the grounds and flower beds around the dormitory.

The residents’ response to their “new” home has been excellent, and the influence of project “new look” is already being felt. During the second week of school the boys’ club, the Vox Fili, channelled the enthusiasm and energy of its members into planning a Saturday night smorgasbord and bake sale, the proceeds of which are to be spent in the constructing and furnishing of a lounge in the west side of the old worship room. Over \$300.00 was collected on this evening.

The young men—happy in their pleasant environment—have

*(Continued on Page 330)*

“How soon do you think I can move so there will be only two in a room?” “Can’t we have another dresser if we have to live three in a room?” These and similar questions asked repeatedly by many young ladies of Maple Hall are evidence of the population explosion we are experiencing this school year. And though there has been much necessary crowding on occasion the 160 young ladies have accepted all this with an excellent attitude. They may be crowded but none would want anyone to be denied the privilege of being here to receive a Christian education.

Miss Gabel and assistants Carol Lorensen and Belinda Bader anticipate the new parlour carpeting!

Dean Iglar (top right) with his “right-hand men”, Roy Holvarson and Bill Van Scheik. The men are chatting in one of the newly decorated rooms in West Hall.

Already there is much activity within our domain. The Wochelos, the ladies’ club, under the presidency of Carol Lorensen, has now fully organized having recently chosen leaders to direct the physical, social, cultural, and spiritual activities for the year. Each of these leaders is making plans for activities that will help the young women of CUC toward the development of balanced characters. In the immediate future, November 18, at 8 p.m., is the benefit programme, under the direction of the social activities leaders, Geraldine Bliss and Leona Kereychuk. Plans are to take the audience on a trip around the world and acquaint them with some of the delightful folk music and costumes typical of a number of countries. We are privileged in having a sufficiently cosmopolitan society to make it possible to have individuals here who can speak and sing in the language of the countries that will be represented. You
