The Kingsway College Concert Band under the direction of Alonzo N. Lang was one of the amateur musical organizations chosen to perform at Canada's world festival, EXPO '67. On October 4 and 5 the band gave concerts twice daily at the outdoor bandshell situated on the water's edge between the British and French pavilions. The 45-member band also gave an evening concert

at the Victoria Concert Hall for which a large number of tickets were sold, the proceeds of which went towards the proposed new Montreal Seventh-day Adventist Church.

The band members were housed with various members of the church for their two-day stay. Our thanks go to Elder Earl Parchment and the Montreal Church members for their hospitality.

Literature Evangelist Experiences

Weekend Rally and Sales Clinic

F. W. CONNORS, Manager, Ontario-Quebec Book and Bible House

On September 16, fourteen of our Literature Evangelist families of the Ontario section of our Conference met at the Hamilton Church for a weekend Rally and Sales Clinic. Sabbath afternoon was spent in the Royal Botanical Gardens enjoying the many beautiful flowers and shrubs. Our guest speaker at the park was Elder Clements from the Review and Herald Book Department.

During the Sabbath Vesper Service, the Literature Evangelists told their most outstanding experiences and then enjoyed a Moody Science film. A trip to see Niagara Falls by night, and a late swim in the Motel pool brought a perfect day to a close.

On Sunday morning we moved to the Niagara Falls Church where Elder Crawford from the Southern Publishing Association, conducted two sessions on the psychology of selling. These lectures were slanted for the beginners as well as for those with years of experience.

We were happy to have Elder and Mrs. P. Moores, our Conference President and his wife with us, also our new Conference Treasurer and his wife, Elder and Mrs. E. White.

At the close of the meetings we all enjoyed dinner together. Before leaving for fields of service many loaded their cars with peaches, pears or grapes which were purchased at wholesale price.

After receiving a card from a lady, I tried contacting her several times. Finally one evening I found her home. One of her girl friends was visiting with her. As we began to talk of religious things her girl friend began to cry. I learned that there was serious trouble in her home. I tried to comfort her with promises from the Bible. We bowed our heads in prayer and asked the Lord to guide and direct in the lives of these two young women.

After prayer the lady of the house said, "You know, I believe the Lord sent you here tonight."

I gave a canvass for *The Bible Stories* and they were both very much impressed with the volumes. The lady purchased *The Bible Story* and her friend plans to purchase them later.

One sees distress and sorrow each day. May we do our part to hasten the return of Jesus.

Esteemed Visitors Receive Hearty Welcome

Elder and Mrs. L. H. Hartin

Elder and Mrs. L.H. Hartin have been enjoying a visit in Newfoundland. Mrs. Hartin, of course, is a daughter of Newfoundland, nee Miss Elsie Forward, so they have been enjoying a visit with her sister Mrs. Ernest Spracklin, and other relatives and friends, and sharing in the church programme of the island. Elder Hartin retired from his heavy responsibilities at Pacific Union College where for sixteen years he headed the department of religion. He has endeared himself to many students in North America and many from other countries. His work as a teacher has been greatly appreciated. He taught in Oshawa Missionary College, now known as Kingsway College, in Battle Creek Academy, and in Canadian Union College. From Canada he went to the United States and taught in Atlantic Union College for about twelve years, and from there he went to PUC; so the world over, there are ministers, doctors and teachers who remember the challenging thoughts that came to them as a result of sitting in classes conducted by Elder Hartin.

He was the guest speaker at the 11 o'clock service at an evangelistic rally held in Lethbridge on Sabbath, October 7. For these meetings, three churches: Botwood, Bay Roberts, and Lethbridge met together, as well as some friends from St. John's. The church at Lethbridge was crowded, with people sitting in the aisles as Pastor Hartin presented a message dealing with receiving the Holy Spirit.

The people of Newfoundland would be very happy if the Hartins would settle in Newfoundland for their retirement, but apparently they have decided to live in British Columbia

near Sidney on Vancouver Island, and when their home is finished on this West Coast island, they will be leaving Newfoundland to return to their new home. All their friends across Canada join in wishing the Hartins the very best as they share in Christian service in the Canadian field.

The picture which appears with this article was taken in the home of the writer and his family as they shared an evening visit with the Hartins.

Summer Activities in The Fredericton District

The young people of the Fredericton District, New Brunswick, have had a full programme during the summer months, with three Vacation Bible Schools and a youth camp.

The first VBS was held in Zealand, N.B., from July 3-7, with 94 students attending, 83 of which were not Seventh-day Adventists. The parents were quite enthusiastic over the school and a capacity audience of 125 people attended the closing programme.

The following week, July 10-14, a Vacation Bible School was held in Harvey Station, N.B. Since this was the first year one was held in Harvey, the members were pleased with an enrolment of 43 children, 40 of whom were not Seventh-day Adventists. The members of the Harvey Church are planning to rent a hall next year since their church was filled to capacity this year. Again, the parents responded very well by attending the closing programme.

Twenty-four young people from the district enjoyed four days at Camp Crawford in Minto, N.B. Swimming, nature studies, crafts, and hikes gave each day a full programme. The Christian Association and Sabbath School lesson study by the campfire in the evening brought each person closer to God.

The third Vacation Bible School was held in Fredericton, N.B., August 28-September 1. Thirty-six enthusiastic children attended. Each child has expressed an interest in a Pathfinder Club to be started in a few weeks. A club will also be started in Harvey Station and a growing group of Pathfinders will continue their meetings in Zealand.

God richly blessed the efforts of the many persons who helped Pastor and

Mrs. Corkum in these four youth projects of the summer. We feel that one of the most important ways of giving the gospel to others is working with young people.

A series of evangelistic meetings will be held in October in the Zealand area. A children's Bible story hour will be conducted during the services so that parents may bring their children and attend the meetings. Let us all work and pray together so that the coming of Christ may be hastened.

The Upper Kent Church held their Vacation Bible School August 14 to 18, under the direction of Mrs. Basil Kinney. There were 41 children attending, of which 31 were non-Adventist.

The youngsters enjoyed every minute of the songs, crafts and Bible lessons. The teachers also enjoyed working with such interested children. Many learned their Bible memory verses and on the closing evening the divisions presented a most interesting programme.

Certificates of achievement were awarded to every child.

NOTE: The following song, to be sung to the tune of "Jesus Loves Me" was written by Alvery Mitchell of Moncton, New Brunswick, 88 years of age but still young enough at heart to compose a song for the children, and with the hope of the second coming of Jesus still burning brightly in his heart.

JESUS IS COMING SOON

Jesus soon will come I know,
For the Bible tells me so;
He is coming back again
But the time we know not when.

CHORUS: Yes, He is coming;
Yes, He is coming,
Yes, He is coming,
The Bible tells me so.

When He's coming in the sky
He'll be seen by every eye,
He'll be coming with a shout,
We should all be watching out.

If He comes and we're asleep,
We will surely wail and weep;
Our dear Lord will be our friend
If we serve Him to the end.

Jesus Christ is good and kind,
Cures the sick and heals the blind;
Lame and halt shall leap and walk,
Deaf and dumb shall hear and talk.

Satan will lose his power and pride,
For a thousand years be tied,
With his angels will try again
But they all will then be slain.

When Christ comes with love He'll reign,
No more sorrow, death, nor pain;
If we serve Him night and day
He will take us home to stay.

Elder Wilson comes from the denomination's world headquarters offices in Washington, D.C. A scholar and world traveller, he will present the age-old truths of the Bible in a modern setting for the space age.

Elder Wilson has had extensive experience in the mission field, having served in the treasury department in Poona, India in 1939-40, and in the Middle East Division in 1944-45, and from 1950 to 1958. He was president of the Columbia Union for four years prior to his present post.

While in the mission field Elder Wilson negotiated for the opening of Adventist work in Libya, Sudan, and Aden. His booklet, *Return of Jews*, is used extensively by the Arab League throughout the Middle East. He acted as Advisor to the Governor of Cairo on religious liberty. He also did considerable work with the Department of An-

tiquities and leading archaeologists in Egypt, and was anti-narcotics consultant to the Arab League. He developed close friendships with many religious and political leaders in the Middle East, and received a citation from the Libyan government for opening the Adventist Benghazi Hospital. He has survived two attempts on his life and an assortment of revolutions, military invasions, civil disorders, and religious riots.

A 256-page book, *Good News for You*, from which the theme of the meetings is taken, will be given free to every adult and young person over 16 years of age who attends the opening night, at which time the subject will be *Strange Sights in the Sky*, in which the significance of cosmic chariots, space craft, and flying saucers will be discussed, with the question posed, "Are these devices of Deity or demons?"

Health And Welfare Meeting In Montreal

On September 20 approximately forty persons gathered at the Seventh-day Adventist Montreal English Church in Westmount to hear words of inspiration from Elder Jack Martz, Lay Activities secretary of the Ontario-Quebec Conference, Miss Mabel Vandermark, Health and Welfare associate secretary of the General Conference, and Mrs. W. E. Kuester of the Canadian Union Conference.

Elder Martz, bursting with enthusiasm from his previous experience, ignited the flame deep within us as he pledged his support in our efforts to fulfil the commission given to us in *Welfare Ministry* on page 86: "If we would humble ourselves before God, and be kind and courteous and tender-hearted and pitiful, there would be one hundred conversions to the truth where now there is only one."

Mrs. Kuester wished us well and encouraged us to be zealous and faithful to our great commission.

Miss Vandermark, our main speaker for the evening, called our attention to Isaiah the 58th chapter, and *Welfare Ministry*, page 105, as she urged us to unite in exercises of charity as a family and laymen of the church. The general thought was that if we engage in this work as we should, we

will surely develop more Christ-like characters.

As a tribute to the inspiring visit by our conference workers, many not only rededicated themselves, but have since reactivated their talents in this line of service. In spite of the Montreal Transportation Commission strike, we have meetings once weekly, day and evening at the church, with unit members processing clothing and food for distribution.

Plans have been made to solicit on Halloween in our "Treat for the Needy" project, assisted by our church school and MV Society.

May the flame rekindled in our hearts burn brightly until Jesus returns.

Baptism in the Toronto Estonian Church

Members of the Toronto Estonian Church had occasion to rejoice recently when Miss Evy Hannes followed her Lord in the rite of baptism. The writer had the pleasure of officiating during his visit to Toronto in September.

Evy's father is the local elder in the Estonian Church, and her mother a very enthusiastic lay-missionary who every quarter sends more than fifty copies of Estonian quarterlies to her friends.

Evy was born in Sweden when her parents had to flee there from Estonia. The youngest girl in the family, she is very talented. She composes, writes and accompanies her own songs, singing them in the Estonian services.

We wish for Evy God's richest blessings, and success in her work for Him. May her Christian influence draw others to Jesus, and help them to decide to unite with the Remnant Church.

Interviewed by Press on His Philosophy of Life

William Egan, a Seventh-day Adventist public school teacher, was interviewed recently by the Oakville, Ontario press concerning his life in India and his newly-adopted home in Eastern Canada. The reporter was greatly impressed because of William's philosophy of life and his enthusiasm for his work with young people.

Brother Egan is heavily involved with activities in the Hamilton Seventh-day Adventist Church. He holds the offices of local elder, MV leader, and just recently the committee appointed him Lay Activities leader of the church. He is also chairman of the Education Committee of the Oakville Branch of the United Nations Association of Canada.

Brother Egan believes in letting his light shine before his associates.

Witnessing Through Literature

Jim and his organized group, faithfully witnessing for the Master by distributing literature.

Jim Tounshend is a young man of vision. For the past few months he and others of the Kingsview Village Church in Toronto have been passing

out literature throughout the city. The organized group is alert to the different activities of the city where pieces of truth-filled literature can be distributed by the hundreds.

A revival by a non-Adventist organization offered a challenge to Jim and his co-workers. As the people were leaving the meetings a piece of literature was placed in their hands. Jim says that little of the literature is thrown on the streets or into trash cans. Many are seen reading it as they make their way to their cars.

"What a golden opportunity to pass out literature in the shopping centre parking lots and other places," he states, "where people are in large numbers." God has said, "Sow the seed," and He will give the harvest in due time.

It may be that you are missing a great blessing by not taking advantage of the opportunities to witness for God in your community. Christ is coming soon and to the faithful witness will be said, "Well done, thou good and faithful servant." Could this be said of you if He were to come today?

A Pastor's Testimony

Perhaps some of the colporteurs or ministers may be surprised to see my name among those of God's Bookmen Army from time to time. It's true it is somewhat difficult to leave the ranks of the Literature Evangelist after spending ten successive summers adventuring with God from home to home, but as a minister I sense, perhaps more keenly than ever before, how wonderful it is to be a soldier with such an abundance of superb artillery. In my opinion our books play a key role in the evangelistic programme of the church.

A few Sabbaths ago, as two of the deacons and I were visiting one of the "Bible Speaks" enrollees, the lady began to unburden her heart to us. The story which followed was the most involved and perplexed marriage problem I have ever heard. The poor mother, with a mind that already had strong symptoms of breaking, was beside herself wondering where to turn. The thought came to my mind — well, just take the easy way out and get a divorce!! But in this age of "new morality" — which in my opinion is no morality at all and as old as sin itself — we as Adventist ministers

aim to strengthen the home relations rather than dissolve them. I advised seeing a Christian doctor and a Christian psychiatrist and then talked about the home and love. Here again in this experience I was thankful for our books, and yesterday she was introduced to the book, "Happiness For Husbands And Wives" and invited to explore it. She readily accepted. As she already had "Your Bible and You", I called her attention to the section on the home. She solemnly promised she would read them and I have faith to believe that as she reads from these truth-filled books in the privacy of her home, she will gain help and strength to make her home a better one. Surely God will water the seed which has been sown.

As a minister, I find our precious books very useful and believe they can do a work that nothing else can. May God richly bless every Literature Evangelist who circulates them.

Successful Home Vacation Bible School

Mrs. Bill Wigley of Arskine conducted a very successful Story Hour and Vacation Bible School right in her own home.

It all began when Mrs. Wigley decided to hold a Story Hour during the winter months. The attendance for this Story Hour ranged from 15 to 25. To end the Story Hour, it was decided to hold a Vacation Bible School. The craft work was held in the garage and Bible stories in the house. Attendance for the Vacation Bible School was higher, averaging about 36 students, only 9 of these were Seventh-day Adventist young people.

The members of the Stettler Church helped to pay the expenses and some ladies helped with crafts and teaching class work. Those helping to make the school such a success were Mrs. Bertha Clark, Mrs. Dorothy Hafner, Mrs. Ila Kay, Miss Star Wigley, and Mrs. Pamela Wigley.

Already many children of the community are asking about Vacation Bible School for the coming winter.

"The peace of God passeth all understanding and misunderstanding."

On Sabbath morning all assembled in the beautiful Vancouver Church for Sabbath School with H. E. Coupland acting as Sabbath School superintendent. Our speaker for the worship service was C. L. Paddock, Jr. At noon we enjoyed sack lunches in one of the

beautiful parks nearby.

Our Sabbath afternoon Literature Evangelist Symposium was held in the Westminster Church with Alfred Lennox as co-ordinator. Interesting experiences were related by several of the colporteurs, interspersed with special music. Service pins were presented to the literature evangelists. The attendance was very good.

Plans for Calgary Central Church Dedication

Calgary Central Seventh-day Adventist Church.

★ **SABBATH, NOVEMBER 25, 1967**, will be a very special day at the Calgary Central Seventh-day Adventist Church located at 1920 - 13th Avenue Northwest in the City of Calgary when Church and Fellowship Hall Dedication services will take place.

★ On Friday evening, November 24, commencing at 7:30 p.m., Elder Judson P. Habenicht, a former pastor of the Church will be the main speaker at the Consecration programme.

★ At 9:00 a.m. on Sabbath, November 25, a special all-musical programme will get under way. Following this, a distinctly different programme format has been planned. The eleven o'clock hour will mark the opening of the important Dedication service in which a representative of the General Conference will participate, also the Canadian Union President, Elder J. W. Bothe; the local Conference President, Elder A. W. Kaytor; former pastors: Judson P. Habenicht, Larry E. Dasher, Walter F. Wright and the new pastor, Elder Lon Cummings, as well as the Mayor of the City of Calgary. At 4:30 p.m. the Missionary Volunteer Society has planned a programme, very special in character, that will be an inspiration to all who attend.

★ At 6:00 p.m., activities will move to the lower Banquet Room of the adjoining Fellowship Hall where all the good things to eat will be available in a gigantic "Food Fair" in numerous booths, each booth presenting a

special food of the country which it represents. The "Food Fair" will be under the auspices of the Home and School Association and the very able supervision of Mrs. Judy Gimbel. At the same hour the Welfare and Dorcas Societies will occupy another section of the spacious Banquet Room where a colourful bazaar and sale of work will take place under the leadership of these societies, Mrs. T. W. Smith and Mrs. Peter Weststrate, Sr.

★ At 8:30 p.m., a secular programme will be presented in the upper auditorium of the Fellowship Hall to bring this victory feast of so many "good" things to a fitting close. Local elder, Dr. Ralph Garner, and choir leader, Dr. Robert Huether, will be in charge of this programme.

★ The first sod for the new church building was turned on June 22, 1959, and the opening service was held on February 20, 1960. In early 1961 the construction of the adjoining Fellowship Hall was commenced and in December of the same year it was opened as a complete entity for use. Pastor Judson P. Habenicht, now at Andrews University in Michigan, was with us for some time prior to the building of the church, during its construction, and until the spring of 1960 when he accepted a call to the States. Pastor Larry E. Dasher, now of the Willowdale Church in Toronto, Ontario, and Pastor Walter F. Wright, now serving in the Loma Linda, California area, followed Pastor Habenicht and shared

the burden of getting the balance of the building debt cleared. We are indeed happy that these pastors will be with us to share the victorious fruits of their labours and our labours.

★ **WE EXTEND A VERY HEARTY AND WARM WELCOME TO ALL TO JOIN US ON THIS VERY SPECIAL OCCASION, NOVEMBER 24 THROUGH NOVEMBER 25.**

New Health and Welfare Centre Opening in Lacombe

Many guests and friends gathered, September 26, at 2:00 p.m., for the ribbon-cutting ceremonies of the new Health and Welfare Centre in Lacombe. Mr. Wess Jackson, Mayor of the Town of Lacombe, cut the ribbon which officially opened the centre. Mr. Bullock, head of the Health and Wel-

fare Service of the Emergency Measures Organization, represented the Province of Alberta. Mrs. John McKibbin, central federation president, and Mrs. Chris Griek, local Dorcas leader, were in charge of the opening exercises.

Elder Robert McIntyre, pastor of the Lacombe Church, welcomed everyone to the occasion and pledged the support of the church to help in the needs of the community people of Lacombe. He expressed thanks for the

work that had been done in the past and that would be done in the future for this community.

Mr. Bullock of the Emergency Measures Organization, began his talk by stating that he was so pleased by this demonstration of love for the community that he could hardly express himself in words. Mr. Bullock mentioned that, "this is the type of work more people need to get into. Not only will the members of the society be of valuable service now, but in times of

disaster whenever it should happen."

After the ribbon cutting, everyone was taken on a tour and shown the facilities of the centre. A light refreshment was served to close the afternoon's programme.

This new building is nicely decorated and provides adequate space for the operating of an efficient society. Many hours of labour were given by the Dorcas ladies to make the new centre attractive.

Calgary Planning Double Victory

Brother Harvey Bechthold giving Ingathering instruction and materials to Mrs. I. Brown, Mrs. E. Hatton, and Mrs. A. Harbuz.

The Calgary Church is looking forward to the 25th of November as a very special day. This is the day that their new, beautiful church will be dedicated completely free of debt. Also on that special day, they are planning to celebrate the victory for the 1968

Ingathering campaign.

Brother Harvey Bechthold, lay activities leader, has organized the church for Ingathering and soul-winning work. With the enthusiasm and participation that is building up, only victory can be the outcome.

Harvey Johnson Receives CGA Diploma

On Saturday evening, October 14, 1967, Elder Harvey Johnson, Secretary-treasurer of the Alberta Conference, received a diploma upon having successfully completed the Certified General Accountants' Course. Upon completing the course, Elder Johnson is entitled to use the letters "C.G.A." after his name.

The certified General Accountants'

Course is a five-year course of study by lecture or correspondence work from the University of British Columbia, covering a wide spectrum of business subjects. Elder Johnson has the distinction at present of being the only

denominational employee in Canada who is a graduate from a recognized professional accounting body such as this.

It is hoped that the future will see many others who are willing to qual-

ify themselves professionally in business and accounting to meet the ever-growing needs and requirements of the many denominational institutions and offices in Canada.

Central Vancouver Island Baptism

Left to Right: Judy Robertson, Shirley Frostad, Violet Robertson and Pastor Gordon Smedley.

A baptism was held recently in the Central Vancouver Island District by Pastor Gordon Smedley.

The accompanying picture shows (left to right) Judy Robertson, Shirley Frostad, and Violet Robertson holding their baptismal certificates following their baptism.

The baptism setting was beside a quiet stream near Courtenay and one could not help but remember that our Lord was baptized in the river Jordan.

There were some visitors present who had never seen a baptism by immersion before and who are now interested in joining the church.

These young ladies love the Lord and we wish them God's richest blessing as they walk with Him.

"Smoking Sam" and Mrs. Florence Neithercut, WCTU president, Mission City.

Attending the Fraser Valley District meeting of the Women's Christian Temperance Union in New Westminster on October 12 was Mrs. Florence Neithercut, WCTU president of the Mission City area.

A special feature in the afternoon was the presentation of "Smoking Sam". "Smoking Sam" is a mannequin equipped to smoke cigarettes and has an open back, making it possible to see the plastic tubes and glass bottle lungs through which the smoke passes. Mrs. Neithercut is seen observing the results of Sam's smoking.

It is planned for "Smoking Sam", who resides in Mission City, to bring to many young people a knowledge of the hazards of smoking.

After the presentation of the reports from the presidents of the seven areas which are in the Fraser Valley district, President Mrs. B. R. Barnes stressed the need for more women to join the WCTU so that the voice of the women could be heard and be more effective in the community and in the government.

There are 301 WCTU members in

the Fraser Valley district. Of this total, 40 are from the Mission area.

Mission City . . .

A special meeting of the Women's Christian Temperance Union held in Mission City on Thursday, September 28, was presided over by Mrs. Florence Neithercut and the special guest was Mrs. E. W. Bonter of North Surrey whose special interest is "The Little White Ribboners." Children, whose ages range from one to seven years, are in the Little White Ribbon Class.

Five children from the Mission area receiving their white ribbons were Robert Taylor, Michael and Royce Alexander, Linda Peterson and Campbell Walker. The white ribbons remind the children and parents of the wholesome and happy home environment to which they are entitled and which the WCTU strive to help attain.

A party with sandwiches, fruit drinks and ice-cream brought the meeting to a happy climax.

Autumn Days

Life is enriched by Autumn days
 Through colours which they bring,
 And through the peace of quiet hours
 As thankful heartthrobs sing.
 When one is privileged to live where
 Seasons play their part
 He should be joyful and give thanks
 As Autumn rules the heart.

Mrs. Meredith first learned of the precious truth during the series conducted two years ago in the Westminster area by Evangelist Kenneth Lacey.

Mrs. Jarvis' first contact with Adventism was during an appointment in her beauty shop with a church member, Mrs. Ann Hall of Surrey. Mrs. Hall invited and accompanied

JAMES M. CAMPBELL

VON GUNTEN—Following a lengthy illness, the death occurred October 3 in Newcastle, Ontario of Fred Von Gunten in his 61st year.

Born in beautiful Switzerland the deceased was the son of the late Brother F. Von Gunten. Coming to Canada in 1919 with his parents, our brother received his education at the Oshawa Missionary College, and later entered the watch-making business with his father. From 1937 to 1965 he was with his brother in a jewellery shop in Geraldton, Ontario.

Fred was most active in music circles, serving as a member of the Oshawa Citizen's Band, then as bandmaster of the Bowmanville Legion Band. While in Geraldton he organized and conducted the city's Golden Band.

A very likeable person he was respected and deeply loved. His friendly and kind spirit will be sadly missed.

Sampson (Dorothy) of Brooklyn, N.Y. and Mrs. George Town (Irene) of Whitby, and three sons Thomas, a clergyman of Poona, India, and Edward and Kenneth of Oshawa. Also surviving are a sister Mrs. H. ERICKSON, OTTO — "Happy are the dead who from now on die in the service of the Lord." For Brother Otto, and his family and friends, this promise was surely realized. In 1916 he married Alma Schrove and together they built a home that has been a real blessing to the church and the community. On October 1 he went to rest. The United Church of Tugaskie was crowded as Elder Soloniuk drew the comparison between his full age and the harvest of corn. Sister Soloniuk sang of the sweetness of rest.

Pastor Daniel of the United Church and Pastor Myers of the district assisted. To carry on he leaves his wife and son, Melvin, Canadian Union Youth director, two grandsons, three sisters, and one brother.

Affectionately known to his wife, Norma, as "daddy", she nursed him to the very end. The writer will always recall the many prayers offered in their home when they always prayed for the church and the ministering brethren.
