## UNMISTAKABLE EVIDENCE

We are glad to see the list of mission pledges growing, and believe that many more names will be added as soon as the opportunity is extended to them.

"Unmistakable evidences point to the nearness of the end. The way must be prepared for the coming of the Prince of Peace. Let not our church members complain because they are so often called upon to give. What is it that makes the frequent calls a necessity? Is it not the rapid increase of missionary enterprises? Shall we, by refusing to give, forget that we are laborers together with God? From every church prayers should ascend to God for an increase of devotion and liberality. My brethren and sisters, do not plead for retrenchment in evangelical work. So long as there are souls to save, our interest in the work of soul saving is to know no abating. The church cannot abridge her task without denying her Master. Not all can go as missionaries to foreign lands, but all can give of their means for the carrying forward of foreign missions. **Inter-Mountain Academy  
Institute**

We have just closed an institute at the Inter-Mountain Academy and ten or twelve of the students took part in the class work, preparing for colporteur work. The school faculty made arrangements for a good program so as not to conflict with their regular school work.

A splendid spirit prevails among the students and faculty. They are working under difficulties that make their work hard. They need a better heating system and an electric lighting plant. If some of our brethren and sisters could step into the school, spend a few hours there, visit the classes, and, in fact, come in touch with the work and needs of the school, we feel sure several thousand dollars would be given at once for these needs.

We hope to see the young people attending this school develop into efficient workers for the Master.

J. B. BLOSSER.

**Our Missionary Volunteer  
Record for 1920**

D. D. REES

The following table shows a compendium of the young people's work in the Central Union Conference for the year 1920. Practically all goals set were reached with exception of the Bible Year and Standard of Attainment. We were 76 short of reaching the former and 189 short of the latter. Why do Seventh-day Adventists, who are supposed to know their Bible better than any other class of people, fail to reach a Bible goal, and why should we fall short in the Standard of Attainment? Are we not interested in Bible doctrines or our denominational history? We believe these two goals are not too high, and we have not lowered them for the present year. Dear young people, let us retrieve our 1920 shortage in these two goals by going as much over the 1921 goals as we fell short last year. We can do it and we should do it. Write to your conference Missionary Volunteer secretary for Bible Year and Standard of Attainment enrollment blanks, fill them out and then remember your promise. We can reach all goals; why not say, We will?

Last year we raised our missions goal from \$10,000 to \$15,000. Did we reach it? We raised \$22,476.71! Can we repeat it this year?

### Gleanings from the German Work in Colorado

J. E. PATZKOWSKI

"Sail on! Sail on! and on!" was the call with which Columbus inspired his men when in the quest of a new world and thus their hopes were realized after a successful voyage. This watchword "On and on!" like an electric spark, has caught the hearts of our people on their journey to life's victory, and wherever a number of German believers assemble, lay-member, elder, and pastor alike encourage each other with the manifested spirit of earnest prayers.

In spite of difficulties, the seed of truth has been sown unceasingly. Some fell on unfavorable ground and now the germination and sprouting are seen here and there. The year 1920 witnessed the organization of the first German church in Denver, a blessed union meeting of all the German churches of the conference at Loveland, and the dedication of the new La Salle church building, besides the baptism of some individuals and the joining of others to the churches at a few places.

The morning watch calendar for 1920 has been placed into every German Adventist home in the state.

The Denver German church lately organized a missionary society to be in session the first Sabbath of every month, and has arranged for an aggressive work in an all-year literature campaign. This, with a Bible study and prayer meeting every Wednesday night and a doctrinal lecture every Sunday night, keeps our Denver brethren and sisters alert spiritually.

A stirring lecture on the prophecies is held every Thursday night in the Brighton church.

Recent cottage meetings in Greeley attracted more than forty persons. The brethren, P. P. Gaede, of La Salle, and Fred Renz, of Loveland, awakened a good interest beforehand. As a result, some are already beginning to keep the Sabbath. The first German Sabbath school was organized in Greeley on January 22, with a membership of eighteen.

The Loveland church is planning

on a series of revival meetings, which will be held as soon as the conference workers can get around.

Our Fort Collins folks would also like more ministerial help. However, the help given last Sabbath, February 5, is all for the time being.

Brother A. W. Beisel asks that an evangelistic effort be carried on very shortly in Windsor. He assures good success.

Brother Henry Baumgartner reports that souls are interested at Orchard and Brush. Brother C. F. Mohr finds the same in his canvassing tour around Fort Morgan.

The writer was asked two weeks ago by the superintendent of the Baptist Sunday school at Gilchrest to give a five-minute talk on the Sunday school lesson. This evidently helped in receiving an invitation for an afternoon meeting in a private home, for five Baptist families had come together and eagerly listened to a sermon on the message for today.

The La Salle church has a splendid church school with Miss Esther Kraft as teacher. Let other German churches fall into line.

The Hygiene people constitute the nucleus in fine, extraordinary singing and render valiant service to our other churches at certain occasions.

The young people's society at Brighton will have a union program with the Denver German young people once in every two or three months.

Two deaths occurred in our ranks within two months. Sister Elizabeth Oster, of the La Salle church, died of cancer of the stomach, at the age of 78 years and 17 days, on December 6. Samuel, the seven-months-old infant son of Brother and Sister Gottlihf Baierle, at Brighton, died of pneumonia and teething on January 27. Both funeral services were conducted by the writer.

Our aged sister, Mrs. J. Zimmerman, of Loveland, has been very low in sickness the last two weeks and asks for prayers in her behalf.

We hope the pledge of \$1.00 a week per member will grip many loyal Seventh-day Adventists. All honest tithe-payers undoubtedly realize the many good returns both spiritually and financially for their faithfulness, and may they look for added blessings as the plan of \$1.00 a week per member is presented to them. By the way, all Adventists should try

earnestly to pay both, and thus insure the opening of the windows of heaven and avert the unpleasantness of the contrary according to Mal. 3:8-10.

Let all the elders summon their church members to fight the proposed Sunday legislation in making free use of the special number of the "Christlicher Hausfreund" on religious liberty.

One hundred fifty families in Denver have received free through the mail for six months the missionary paper, "Christlicher Hausfreund." Thirty-five of these have so far handed in their yearly subscriptions to said paper, while a number of others will as soon as they are called upon. Fifty new names from the city have been added to the list of free readers.

A Bible worker would find many open doors in Denver. May we look for one?

Let all our people throughout the Central Union Conference fulfill Eph. 6:18,19 in behalf of the German work in Colorado.

### Colorado Institute

Our Colorado educational institute convened according to appointment at Campion Academy, Friday morning, Jan. 28, 1921. Two teachers were prevented from attending on account of illness, Miss Hahn, of Pueblo, and Miss Stout, from Briggsdale.

We enjoyed the presence and valuable instruction of the following workers: Elder W. A. Gosmer, Elder H. F. Saxton, Professor D. D. Rees and Professor M. P. Robison. Professor Robison gave his unique lecture on "Mr. Can't and the Lions," to a crowded chapel Sunday night. The institute work was largely of a nature to help the teacher meet and solve her individual problems. Several teachers have already reported improvement in their school as a result of applying the instruction received at the institute.

The teachers present were: Mrs. S. W. Abel, and the Misses Grace and Dorothy DeLand, from Denver; Miss E. Floy Christy, from Lamar; Miss Letha Eastman, from Ft. Lupton; Mrs. C. O. Fudge and Miss Anna Kinder, from Jaroso; Prof. J. W. Grounds, Miss Pearl Jenkins and Mrs. Edith Wetmore, from Boulder; Miss Georgina Hackett, of Ford; Miss Esther Kraft, of La Salle; Mrs.

**Colorado News Items**

Special Sabbath number of the Weekly Signs of the Times.

Last Friday Brethren Coppock and Griffith, of the Missouri Conference, paid our office a visit.

A number of workers from the Colorado Conference will attend the home missionary convention and ministerial institute which will be held at College View, Nebr., February 15 to 24.

Our tithe and mission receipts for January are quite encouraging and say to us that the people of the Colorado Conference really believe in the program of sixty-cents-a-week per member for 1921.

Brethren Snideman and Haynes have returned from the bookmen's convention, held at Mountain View, Calif., January 17 to 24, and report a very profitable meeting. Courage was the key-note of the meeting.

"Freedom, Civil and Religious," a

popular paperbound book with a message. The best of its kind on the Religious Liberty question. The book retails at 35 cents a copy. A liberal discount allowed where quantities are ordered.

Elder B. G. Wilkinson, president of the Kansas Conference, is to lecture at the auditorium of Denver, the evening of March 3, taking for his subject, "The New National Sunday Law Producing a World-Wide Bolshevism."

The CENTRAL UNION OUTLOOK should be in the home of every Seventh-day Adventist in Colorado. If you know of some one who is not receiving the paper, you will do the conference a favor by passing on such information to the office.

Elder G. W. Berry and Professor H. F. Saxton have just returned from a visit with the church at Bellvue. They had some excellent meetings, which were well attended by people not of our faith. A very live interest in the message is manifested on the part of a number of outside people.

There is evidence that the spirit of the Lord is working mightily upon honest hearts everywhere. In a large number of places where our churches are located, there is an awakening interest in the truth. People everywhere are asking "What do these things mean?" Surely now is the time to give these people a knowledge of the last warning message. Let us who know the truth go forth without delay and by word of mouth, Bible studies, books, papers, tracts and magazines, make known to the people the meaning of present day conditions and events.

Have you seen a copy? The following are some of the leading articles in the 1921 Sabbath Special: "Ring America's Liberty Bell Again," by Professor Longacre; "The Sabbath, a Memorial, Sign, Bulwark, Protest," by Professor McCready Price. "What Day is the Christian's Sabbath?" by Professor Rine. "Who Originated Sunday Worship?" by Orva Lee Ice. "God, Not Congress, the Mainstay of Genuine Religion." February 1 the paper had been off the press just one week and Brother J. R. Ferren, Circulation Manager, writes that they had mailed \$300,000 copies. Have you ordered a supply with which to place one in the homes

of your friends and neighbors? They only cost 2½ cents per copy.

**Our Missionary Volunteer Work**

After summing up the work done by our young people last year, the results show that much has been accomplished. In some of the goals we were short at the close of the year. This no doubt was due to the fact that the secretary was engaged in other lines of work, and part of the time there was none at all. In mission offerings our young people reported \$5,247.00, almost \$2,000 over the goal. There were twenty-six reading course certificates issued, eighteen Standard of Attainment certificates given, and seventy-two Bible Year certificates issued. We will not mention the large amount of missionary work in the different lines, but the results show we were active. This year in most cases our goals have been enlarged, and we are working hard to reach them.

Most of the societies are doing good work. In some places most of the young people are away attending school, so but few are left to conduct the meetings. The whole church should be interested and attend the meetings and help out in every way possible when asked. If this were done, less of our young people would be leaving the church. Do your children have the reading course books to read? If not, you have not done all you can to save them, because many of our youth will be lost because of reading impure and trashy books. We still have some of the reading course books on hand at the office. Are your children being encouraged to take the Standard of Attainment study and the Bible Year?

Our young people are eager to work if given something to do. Possibly the church can order *Present Truth* and give them to the young people to distribute. Some of our societies are mailing and distributing large numbers each week. Some day our churches will be asked, "Where is thy flock, thy beautiful flock which I have given thee." God grant that we may see our young people saved to this truth.

We solicit the cooperation of each worker and parent in leading the young people to Christ.

### Goes to Campion

G. C. GEORGE

The following letter written to the Shelton Academy board by Miss Besie A. Maycock, who has been music teacher at Shelton Academy since its opening explains the reason she severed her connection with the school and went to Campion:

"This afternoon [February 2] Prof. D. D. Rees called on me and presented the needs of the Campion Academy, in that their piano teacher is unable to continue her work there the remainder of the year.

"Before coming to me, Professor Rees had talked with Mrs. George, and had gained her consent to take the music department here for the remainder of the year.

"When Professor Rees first presented the proposition to me, I was reluctant to leave my work here and start teaching at another place. But after going away by myself and talking the matter over with God, I decided that it was my duty to go to Campion.

"Therefore I resign my position as music teacher here at Shelton, simply because I think it is for the betterment of the Lord's work.

"At this time I want to thank the board for past kindnesses to me, and I want to assure you that I am taking this step simply because I feel it is my duty to do so."

Miss Maycock has been called "the sunshine of the academy," and it was a gloomy day for us all when she announced her willingness to go to Campion. The change meant a sacrifice on the part of both Miss Maycock and Mrs. George, but both expressed willingness to make the sacrifice to aid in relieving the emergency that had come.

On Thursday evening, February 3, a few hours before Miss Maycock left on the train, students, teachers and friends gathered in the dining room to bid her "goodbye." As a concrete expression of esteem and appreciation, she was given a twenty dollar bill. We feel that this experience in releasing Miss Maycock has brought our sister academy much nearer to us.

### Nebraska City

MRS. W. H. PENN

Sabbath, February 4, the Nebraska City Church was visited by our conference president. The members greatly appreciated this visit, as it was the first opportunity that many of us have had to meet and become acquainted with our newly elected president. The attendance was very good, several coming from a distance. Had the roads been in good condition, many more would have been present. Visits from our ministers are both helpful and strengthening.

We are few in number, yet we are not discouraged although sorely tried at times, for we know that this wonderful message that God has given to his people will triumph in the end. God is gathering a commandment loving people from every kindred, tongue and people; and with that thought in view the Nebraska City church has determined, with God's help, to make 1921 the banner year in saving souls.

### Suggestions and Items

H. C. HARTWELL

It is indeed interesting to examine the large number of replies that the writer has received in response to a letter sent out to all our good people in regard to the idea of establishing a twelve grade academy in Missouri. With hardly an exception, every one is in favor of the proposition, and many are enthusiastic over it. We shall not state at this writing just how much has been volunteered in the way of funds to meet the expense of such an undertaking, but if added up it would make a tidy little sum. If our people in Missouri really want such an academy, it would be well for them to indicate their intention to back the project strongly right now. Those who have not sent in their replies as yet should do so right away. It will not be too late if you attend to it at once.

The writer enjoyed a pleasant and profitable visit recently with the churches at Springfield and Turners, two meetings being held at each place with a good attendance. In addition to these two places, since arriving in this field nine weeks ago, I have had the pleasure of meeting with the churches at St. Louis, Joplin, Carthage, Nevada, Kansas City and Clinton, and I have also visited Moberly, Booneville, Jefferson City and Sedalia, besides attending a Union Conference committee meeting at College View.

It is truly encouraging to see the way that the dollar a week pledges to missions are coming in. Keep them coming, brethren and sisters. Let us roll up a big list from Missouri. But those who cannot see their way clear to give a dollar a week, let them do their best to reach the sixty-cent-a-week goal. Those of us who stay by the stuff should stand faithfully behind our faithful missionaries in foreign lands.

You will be interested to know that Elder F. C. Gilbert from Massachusetts is planning to spend a couple of weeks with me early in March visiting some of our churches. It is probable that he will have a general meet-

ing at Kansas City, March 4 to 6, and at St. Louis, March 11 to 13. During the time of his visit we shall hope to visit at least some of our other larger churches such as St. Joseph, Clinton, and possibly Springfield. Following Elder Gilbert's visit, I am hoping that weather conditions will be such that I can plan a trip to all the other churches in the conference.

When this paper reaches you a large proportion of our workers will be in attendance at the ministerial institute at College View. This will doubtless be a very important meeting, and an occasion when we hope that the spirit of God will be poured out upon his servants. We have reached the time when such an experience is due this people. Let us all pray earnestly for the success of this meeting.

Shall we not remember the "China Famine Fund" liberally on Sabbath, February 26? We shall hope for a good offering on that day.

### Isolated Parents and Youth

V. P. LOVELL

As secretary of the young people's work, I feel a great burden resting on me. I want to be used by the Lord for the greatest possible benefit to each young person or child in the Missouri Conference, consequently I am very anxious to get in touch with every one.

To come in personal touch constantly with our isolated young people I am organizing a Junior and Senior conference society. The work of these societies will be carried on largely by mail, but I am sure after carefully considering the matter that we can accomplish practically as much in this way as the regular societies can, and probably more than many of them really do. I am sending out a letter to all the isolated names I have, asking them to join one of these societies. The Junior society will include all children from 6 to 12 years. The Senior will, of course, include all older than 12 years. We will have our goal charts hanging here in the office, and I will keep you informed as to where the goals stand.

The reason I am putting this in the OUTLOOK is that I want to urge the parents to encourage their children to join these societies, and if your children have not received a letter concerning this matter, it is because I do not have their names. I

want you to send such names to me, giving name, age, and what society they wish to join.

Now parents and young people, if you want to enjoy the many blessings of these conference societies, do not fail to see that the above statistics reach me soon.

### Visiting Churches

Sabbath, January 29, I met with the church at Nevada.

Although the weather was threatening and some of the brethren live several miles in the country, nearly all were present at the Sabbath services. The need of mission funds was presented to them, and several were glad to contribute to the extent of one dollar or more per week.

One brother gave ten dollars Harvest Ingathering money he had received since the first of the year.

The meeting appointed at Eldorado Springs was not held, as the rain prevented the brethren getting to the church. At Kingsville, I held five services, and succeeded in visiting most of the church members. Several here pledged to give one dollar or more per week for missions.

This church was in existence when Elder G. I. Butler was president of the Missouri Conference. I believe the second camp meeting in the state was held in Brother Hobbs' grove.

I greatly enjoyed visiting these churches, and trust they will continue to support this blessed cause until Jesus comes.

H. A. FISIL.

### St. Louis Side Lights

C. G. BELLAH

The Sabbath school offerings for 1920 were \$2,781.

The tithe of the Central Church for 1920 was \$10,000.

The new church rosters for 1921 are ready for distribution.

The Sabbath school attendance and offerings are rapidly increasing.

A parent-teacher's association has been organized with about fifty members.

A special consecration service for the children was held Sabbath, January 15.

Total funds sent to the conference by the Central Church last year was \$14,000.

About two hundred articles of clothing were sent by the Central Church to the needy in Europe.

Missionary goal for 1921; "Litera-

ture in Every Home West of Grand Avenue." This section has a population of about 400,000.

Sabbath, January 29, the Missionary Volunteers rendered a most interesting and helpful program at the eleven o'clock hour.

The three members of the church school board, with the teacher. Miss Fisher, attended the teachers' institute at Clinton.

Twenty thousand copies of *Present Truth*, dealing with the Sunday laws, have been paid for by the Central Church. We plan on circulating about fifty thousand copies.

Several more signed up for a dollar a week to missions last Sabbath. A number also signified their willingness to go to foreign fields, if the Lord should open the way.

A series of studies are being held for the officers of the church, Sabbath school, Missionary Volunteers, church school, etc. The various duties of each are outlined in detail, and are very helpful to every one.

The Central Church is facing the problem of having to seek larger quarters. A number of extra seats have been provided, yet there is scarcely room. This condition indicates a most encouraging growth, when we remember that between thirty-five and forty letters have been granted within the past few months.

### Missouri News Notes

Brother Griffith and Brother Coppock returned to the office on February 8, after attending the bookmen's convention in Mountain View, Calif.

Special *Signs* are being ordered by the hundred. Have you secured enough to supply every one in your community with a copy? If not, order *Now*.

Sample copies of Nos. 27 and 28 of *Present Truth* have been received. These papers will be a wonderful help to you in bringing these subjects in a form that everyone will read.

Brother Hartwell and Brother Lovell are busy in the office catching up with their work, so they may attend the convention and ministerial institute to be held in College View.

Is your interest in missions real? What are you planning to give to the thirteenth Sabbath offering, March 26? It is the plan to make this \$2.00 Day in every state in the Union.

The home missionary calendars are going fast. Order one now, for

soon it will be too late. Our supply of Morning Watch calendars is also getting low. Secure yours immediately.

Elder H. A. Fish is in the office again. He has been visiting among the churches. One Sabbath was spent with the Nevada church. While there he was in the country to visit Brother Dunkin who lives at Dedrick. On the way to Kingsville, he stopped to see Sister Willard and family at Butler, Brother and Sister Kivett at Archie, and Sisters Rolley and Nichol at Pleasant Hill.

The colporteur institute will be held at Springfield, February 18 to 28. This institute will be a help to all who are thinking of the canvassing work. Many, who have never attended such a meeting, have been selling some small books or taking orders for some of our larger ones. If you will make the effort to attend this meeting, you will have better success in your work for the Master and will decide that it has paid to attend, for you yourself will receive a rich, spiritual blessing.

### The Kansas Sanitarium

F. C. DEAN, M. D.

Many improvements have been made at the sanitarium during the past two years. At present the operating rooms are being remodeled and enlarged. A new \$650 operating table of the most modern type has been donated. A new autoclave and instrument sterilizer are being installed. These were very much needed to take the place of the old worn-out instruments.

A new system of lights has been installed, making the lighting much more efficient in the operating room. We still have many more plans for improving the institution and increase our service to patients to be worked out as fast as financial circumstances will permit.

We are thankful for the fine class of faithful, consecrated young people who have chosen this field of the Lord's work. It is by means of their faithful service that we are sending away many of our patients satisfied and benefited. Not only do we aim to

help restore the body to health, but by word and deed reveal the love of God, that by some means some may be induced to accept the great message of present truth.

Our people should rally to the support of our institution. Sick friends and neighbors should be encouraged to come to the sanitarium. Your prayers are needed, that the blessing of God may rest upon the patients in a healing way, and upon the family for greater consecration and wisdom.

### Ordinance Service

At the request of the president of the conference, Elder B. G. Wilkinson, the writer preached the sermon and offered the consecration prayer at the ordination of Professor W. B. Miller as deacon of the Holton Church. Elder Wilkinson gave the charge of office.

The quarterly meeting was held and the ordinances were celebrated with great solemnity and joy. Elder Wilkinson gave most appropriate and timely instructions in regard to the attitude in which to participate in its celebration. The fact that many are sickly and die for the disregard of the proper way to engage in this part of the Lord's service should appeal to us now as never before in the history of the Seventh-day Adventist church. The testimonies expressed by all present were most evident of deep spiritual experiences. We were so glad to see the children give very sincere and intelligent testimonies. It was a most encouraging meeting. The devoted women and few men who held this church together when they were but few at times, are now rejoicing that their efforts were happily crowned with success.

The addition of Brother and Sister W. A. McCrosky and Brother and Sister W. B. Miller and their four children to the Holton church is greatly appreciated. They were received into the church by letter. Brother McCrosky was elected elder of the church and Professor Miller as deacon. The service of Brother Whitton Moore, from Oneida, was much appreciated. He lives so far away that it is hard for him to be present often. Professor Miller is teaching in the high school and is very active in missionary efforts. Brother McCrosky is a man of long

experience in the message and in conference committee work.

At 3:30 p. m., Elder Wilkinson preached a stirring sermon on the tests of the remnant church. There have been apostasies in the past, but the last apostasy will test God's people on the points that characterize the remnant church and identify her as the true church of God in the last days.

"The commandments of God and the testimony of Jesus" are the two distinguishing characteristics. Not one or the other, but both, are inseparably to be such. Those who do not know the Testimonies will fail when the test comes, therefore the necessity of making the Testimonies a real experience in our life.

In the evening, the writer held a Bible and Testimony study at Sister K. Lutz, who has been so valiant and so faithful in leading in the church work all these many years. Many were present and the Lord blessed in the presentation of the subject of "Ministry of Healing and the Mental Culture" which the Testimonies teach that we should follow in order that we may be able to "meet the demands of the times." The Holton church has a most promising future before it. E. P. AUGER.

Brother Roy C. Baker and wife came from California last week. Brother Baker reports a good convention. Mrs. Baker has gone to Wichita to have her broken ankle attended to.

In looking through our magazines, we find the following: May, June and July *Watchman*, 150; September, 190 *Signs* Magazines, December, 1920, 60. These may be had for 2 cents a copy. This is good material for the reading racks.

A number of the secretaries and ministers are attending the home missionary and ministerial institute which is being held in College View, beginning with the 15th of February, lasting ten days.

One day a young lady presented for sale a *Signs* magazine to Brother Chas. Davis, on the streets of Topeka. At once she noticed the M. V. button on the lapel of Brother Davis' coat. She knew at once that he was an Adventist. She made herself known. She proved to be Miss Helen Frenzel of California and is on her way to New York. From there she goes to Germany to take care of her seventy-four-year-old mother, whom she has not seen for five years or more.

**Office Notes**

Brother H. B. Meeker spent some time in the office on his way home from the colporteurs' institute at Kulison. He reports a good institute.

A supply of the new book, "Freedom," will soon be on our shelves. This will be a splendid number to sell to your neighbors during the campaign with the Sabbath Special of the *Signs*. The price is 25 cents, with 50 per cent discount on quantities of ten or more.

Elder N. T. Sutton spent Friday and Sabbath with the church at Pali-sade and reports good responses to the messages presented to the members there. Brother L. W. Baylies was ordained at the Sabbath service as elder of the church. Quite a number of those not of our faith were at the service held evening after Sabbath and listened intently to the truths presented.

At the home missionary service Sabbath morning, the Grand Junction church pledged themselves to use the Sabbath Special of the *Signs* Weekly. A telegram was sent to Mountain View that evening calling for 2100 copies of this splendid paper to fill this order. This is sufficient to place a copy in almost every home in Grand Junction. We trust to see other churches and companies do just as well.

Brother Winn reports that he has been suffering with a severe cold, but he was able to sell \$240.00 worth of books last week nevertheless. Brother Mock's report for the same time is \$212.00. They are laboring in Helper, Utah, this week. Let us remember these faithful colporteurs in our prayers.

**"Life and Health"**

*Life and Health* for March treats the great subject of drugs and drug-ging. Considering the well-nigh universal use of powders, tablets, nostrums, potions, bitters, syrups, etc., we are led to exclaim, "Are we becoming a nation of drug addicts?"

As a people we have always taken a position against the use of drugs.

This was done when it was thought the best way to cure disease was by administering drugs in some form. Now leading men in the medical profession are to a great extent discarding drugs, and warning against their use.

This issue of *Life and Health* treats the subject in a thorough, informative way. Different articles tell why drugs are taken, the effects of drugs, how to treat without drugs. The dangers of self-medication are pointed out. The magazine is well illustrated and one which every Seventh-day Adventist ought to read and circulate as opportunity is given.

Subscription price is \$2.00 a year. Fifty or more copies of this issue can be secured for ten cents each. Orders should be sent to your conference tract society.

**Hemingford, Nebr.**

ALICE REID

Elder J. W. Turner, Brother Bates and the writer spent Sabbath and Sunday, February 5 and 6, with the church at Hemingford. Brother Bates spoke Friday evening in the interest of the publishing work, relating remarkable experiences of some who are engaged in the book work at this time.

Sabbath morning, when the hour arrived for the Sabbath school, nearly every member was present, also Brother and Sister Osborne and Brother Walker and family from Alliance.

At the close of the Sabbath school hour the seven goals were spoken of by the conference Sabbath school secretary, also the training course presented and a number enrolled for the new course which begins the first of March.

Following the Sabbath school hour, Elder Turner gave a very stirring talk emphasizing the seriousness of the times in which we live, and the need of our own members getting ready to meet the Lord. The Holy Spirit came very near. Opportunity was given for testimonies and nearly every member spoke of his courage and determination to be more

faithful and live closer to the Lord than in the past.

As the members brought their lunch with them, there was time for an afternoon meeting, in which the Lord came very near and all felt they had received a great blessing from the Sabbath meetings.

At 10:30 Sunday morning, the members of the church were again assembled and Brother Bates spoke again on the book work, showing the importance of circulating our literature at the present time. He made a strong appeal for every member to do all in his power to carry the gospel of the third angel's message to his neighbors and friends. The Misses Edith and Virginia Rosenberger decided to attend the institute at Crawford, April 15-25, and take up colporteur work for the summer.

As it was impossible for Elder Fletcher to be present, Elder Turner spoke on Sunday afternoon on the young people's and educational work, showing the necessity of training our boys and girls for the Master's service.

For thirty years Sister Devine has lived in Omaha, rearing her family of six daughters, four of whom survive. About 45 years ago, Sister Devine accepted present truth as taught by Seventh-day Adventists, and during this long period of time she took an active part in church work, the Sabbath school, and was always in attendance at the annual camp meeting until her last illness prevented.

Mourning their loss are an aged father, almost 90, four daughters, 17 grand children, 3 great grand children, one sister, and three brothers.

We believe that Sister Devine rests from her labors, but that her works will follow after, and that in the first resurrection she will receive the reward which passeth not away. Till then she will peacefully rest in the beautiful West Lawn Cemetery.

The funeral service, conducted by the writer in the 27th St. Memorial church, was very largely attended by members of her church and sympathizing friends. M. N. HELLGSO.

**MCCAUL:** Eva E. Rockyfeller was born at Long Point, Lake Erie, Canada, April 26, 1845. She passed away at the home of her daughter, Mrs. E. G. Gardner, at Paonia, Colo., Jan. 5, 1921, being 75 years, 9 months and 8 days old at the time of her death. She came to the United States with her parents when a child.

In 1860 she was married to L. A. McCaul. To this union were born twelve children, six of whom and the father preceded the mother in death. The father died July 4, 1913, at Arkansas City, Kans. Sister McCaul accepted the third angel's message in 1868 under the ministry of Elder J. N. Andrews. She lived a devoted Christian life, was always ready to give to the needy and extend help and sympathy to those in trouble.

She leaves 6 children, 15 grandchildren, 3 great grandchildren to mourn their loss. Words of comfort were spoken from Christ's declaration, "I am the life and the resurrection." Sister McCaul has gone to her rest to await the Saviour's call on the resurrection morning.

She leaves to mourn their loss 11 children, 35 grandchildren, a large number of great grandchildren, and several great, great grandchildren.

In early life she united with the Methodist church, of which she lived a faithful and consistent member until the year 1917 when as a result of reading and studying the Bible she became convinced of the Sabbath and other truths held by the Seventh-day Adventist church. She then requested that she might be baptized and unite with the Adventist church at Arkansas City, Kans. She often expressed a desire to live to see the Lord's return. She greatly enjoyed the Bible and its precious truths, and though an invalid for years, she bore her sufferings patiently, without a murmur of complaint to the end.

Words of comfort were spoken by the writer from Rev. 14:13.

Under the labors of Elders Fifield and Nicola, Mr. and Mrs. Allen became Seventh-day Adventists in February, 1882. Moving to Wichita, Kans., early in the year of 1917, Brother and Sister Allen united with the Wichita Seventh-day Adventist church, of which she was a faithful member until death claimed her. All who knew her recognized in her a kind and loving wife, a devoted mother and a faithful servant of Christ.

Words of comfort were spoken by the writer.

## RELIEF FOR CHINA

**“For I was an hungered and ye gave me no meat.” —Jesus.**

*The great famine raging in part of China at the present time threatens death by starvation to at least 15,000,000 Chinese men, women, and little children. Immediate relief is the only thing that can save them. Plenty of food can be obtained in parts of the Orient. What is needed is money with which to buy food for these suffering millions.*

*The president of the United States has appointed a commission to relieve the situation, and all the American churches are going to join in feeding the hungry. The General Conference Committee, realizing the important part that charity plays in the gospel of Christ, has set apart Sabbath, February 26, in which all of our people are asked to join in this life-saving work. Let the collection be a large one. It should be sent in at once and marked “China Famine Fund.” Read notices on first and last pages of the February 10 “Review.”*

**A Remedy for all Sickness. —Isiah 58:6-8.**

Read this in connection with the offering to be taken Sabbath, February 26.

## Statement of 1921 Offerings

The figures given in the following statements tell not only of progress in the work of the Central Union Conference during the year 1920, but of a devoted, consecrated, loyal people who are willing to do what they can to give “the gospel of the kingdom” to all nations of earth.

While we failed to reach our goal of fifty cents a week to missions last year, yet we are not discouraged. It only spurs us on to greater effort this year to meet the demands of the hour—greater in proportion to the world issues and needs which are being pressed upon us.

Last year the constituency raised for foreign missions \$93,000 more than the preceding year,—a splendid gain. This year our program of sixty cents a week per member calls for the same amount of increase over 1920—\$93,000; and we are depending upon you, dear readers, to do all in your power, through the blessing of heaven, to raise this amount.

The work will soon be finished. Let us all reconsecrate ourselves this year to greater service to our Master, praying earnestly and working unitedly, that we may receive the “Well done, thou good and faithful servant.”
