A UNIQUE REPORT

It was a very pleasant experience to have a letter from Professor Peters stating that five of the Shaffer juniors had completed the reading of the Bible this year. It is a rare thing to have so many juniors reported as finishing the Bible year and all in one report from one place. Those completing are: Lenora Schmidt, Viola Schmidt, Arnold Schmidt, Ruby Rodie, and Elvina Rodie. So far this year, eighteen juniors have finished. For the whole year of 1928 we issued only eighteen junior certificates. To date we have listed all told, thirty-nine names as finishing the Bible Year for 1929.

BERT RHOADS.

CHANUTE

Mrs. Griffin and I spent Sabbath and Sunday (July 6 and 7) in Chanutte. We enjoyed four good meetings while there. Prayer meeting had been postponed until Friday night. It was well attended, and nearly everyone took part in the testimony service.

The Sabbath school is well organized and doing good work under the able leadership of Sister Downing. At the eleven o'clock hour I spoke on "In His Name."

The M. V. Society, which has been recently organized, is progressing nicely. The program rendered Sabbath afternoon was excellent.

I was very much interested in the good missionary report that Sister Webb read during the church missionary service Sabbath morning. Chanutte has about 75 per cent reporting members. The members of this small church have averaged four missionary visits a day during the past quarter.

Our Sunday night meeting was well

attended. Quite a number not of our faith were present, which is another indication of the faithful missionary work of the church. Several of these have expressed their interest in the third angel's message.

SPECIAL ANNOUNCEMENTS REGARDING CAMP-MEETING

First of all please bear in mind that the opening date of the camp-meeting has been changed to Thursday, August 15. As has been before explained, this change to one week earlier than the previous announcement, is at the suggestion of the Central Union, as the brethren tell us we can get better General Conference help by having it at the date above mentioned.

We are now able to announce the names of our visiting brethren who will be with us to render help at the camp-meeting. From the General Conference we are to have Elders M. N. Campbell, W. W. Eastman, and J. A. Stevens; from the Southern Publishing Association, Elder R. B. Thurber, editor of the *Watchman*. Elder A. C. Hagen, who is home on furlough from mission fields, will visit our meeting, and also Brother R. W. Sherrig, Pacific Press branch manager from Omaha, will be with us. Dr. R. J. Brines, of Wichita Sanitarium, will spend a few days with us. An opportunity will be provided for any of our brethren and sisters to consult him, and he will also give health talks. From the Central Union Conference we will have with us Elder Jay J. Nethery, president; Elder C. T. Burroughs, Home Missionary secretary; Professor C. W.

Marsh, Missionary Volunteer and educational secretary; Elder E. H. Meyers, Field Missionary secretary; and Brother R. T. Emery, union conference treasurer and auditor. It is expected that Professor P. L. Thompson, president of Union College, and possibly one or two other members of the faculty will attend a portion of our meeting. There will also doubtless be other visitors, but these are the names of those that have been given us by the Central Union.

Delegates from our churches should please bear in mind that the opening of the conference session will be held at seven o'clock, Thursday evening, August 15, about an hour before the opening preaching service.

Orders for tents and rooms are already beginning to come to the office, and it is time that every one who is expecting to attend should see to it that his order is sent in instead of waiting until the last moment. Those who wait until a late hour may be disappointed in not being able to secure the accommodations they might desire.

While we are expecting a large attendance at the meeting this year, we would again urge all who have not yet planned to do so to begin to give special prayer and study to the question, and we trust that many who have not attended a camp-meeting for years will avail themselves of this opportunity.

H. C. HARTWELL.

MISSOURI CONFERENCE OF SEVENTH-DAY ADVENTISTS

The regular session of the Missouri Conference of Seventh-day Adventists will convene on the premises of the conference headquarters in Clinton at 7 p. m. Thursday, August 15, in connection with the annual camp-meeting. The purpose of the meeting is to elect officers for the ensuing term, and to conduct such other business as may properly come before the conference. Each church shall be represented at the session by one delegate

for the church organization and one delegate for every fifteen members or a fraction thereof.

H. C. HARTWELL, *President*,
S. E. ORTNER, *Secretary*.

MISSOURI CONFERENCE ASSOCIATION

Notice is hereby given that the regular biennial session of the Missouri Conference Association of Seventh-day Adventists is called to convene August 21 at 10 a. m. at Clinton in connection with the regular annual camp-meeting, at which time trustees will be elected for the ensuing two years, and such other business considered as should properly come before the constituency.

H. C. HARTWELL, *President*,
S. E. ORTNER, *Secretary*.

MISSOURI CONFERENCE NEWS NOTES

Word received from Elder Abney, of St. Louis, informed us that the people are showing much interest in the meetings. Quite a number have already expressed themselves strongly in favor of the truth, and are attending the meetings regularly.

Brother R. T. Emery recently audited the conference and Bible House Books.

The Clinton English Sabbath school again reached its General Conference goal for the quarter, which is 30 cents a member for the first twelve Sabbaths and a dollar per member on thirteenth Sabbath. The membership is thirty-one and the total amount raised for the quarter was \$164, \$36 of which was given on the thirteenth Sabbath.

On Wednesday night, July 3, Elders Hartwell and Terry met with the Clinton German church, and during the service brother John Hinger, who has been acting as leader of that church since the first of the year, was ordained as elder of the church.

Miss Marjorie Holzhauser, one of the office girls, has left on her vacation, which she is spending with her folks and friends in Denver, Colo.

Brother Gahagan is still in St. Louis at this writing, helping the new magazine workers get started in their work.

We still have some of the tobacco

number of the *Youth's Instructor* on hand. It is a splendid issue to place in the hands of your friends and neighbors. Price 4 cents a copy or \$2.50 a hundred.

It is not too early to lay by a little money to buy books with at camp-meeting. We hope to have a full display, including the new books.

Elder Hartwell left Clinton Sunday, July 14, for College View to attend a college board meeting.

A Sabbath school of eighteen members was organized by Mrs. M. J. Whitsett, our Sabbath school secretary, at Overland, Mo. This little school will be officered by members of the St. Louis Central church and will meet Sabbath afternoon at three o'clock.

The conference office building has been changing some in appearance recently, since the window frames and other wood trimming on the building were painted and the torn screens repaired.

Some of the members of the flying squadron of the St. Louis Central church have been out two evenings soliciting on the streets and have received a little over \$50.

Already work has begun in making changes and preparations for our coming camp-meeting. Remember the date is August 15-25. Preparations are being made for a large crowd at this meeting.

The South Side church of St. Louis is organizing a squadron, and we will soon hear good reports from them, without a doubt.

A few weeks ago thirteen persons were baptized in the St. Louis Central church, and another class will be baptized in a short time.

Have you seen the book, "Pope King Again?" It has a very attractive front cover and is our best seller at this time. We have been increasing our orders to the publishers until our last order was for two hundred copies. This book should be circulated by the thousands among the 3,500,000 inhabitants in Missouri. Price, 18 cents for one copy, or 12½ cents plus postage in quantities of ten or more.

Do you have a difficult time to find employment for your children? If so, order a quantity of the special issue of the *Little Friend* (health number) which retails for five cents and only costs you two cents. Teach

the children to do missionary work, and at the same time they can earn a little to help pay expenses.

NEBRASKA CAMP-MEETING

By the time this reaches our readers it will be nearing the time for our camp-meeting. Several have already sent in their orders for tents and rooms, so we are looking for a large attendance at this meeting. The following prices will prevail:

Tents without floors, \$5; floors will be furnished at as reasonable prices as possible. We are unable to give the price now, as we do not know what the lumber will cost us. Double springs with supports, 75 cents; cot, 50 cents; pad for cot, 50 cents; folding chairs, 20 cents; settee, 25 cents; bed ticks, as long as they last, 25 cents; tables, 40 cents; straw for tick, 25 cents. There will be no cottages on the ground, but I presume sleeping rooms can be secured in near-by homes. However, we would suggest as far as possible you live in a tent. We have a beautiful grove and practically every tent can be pitched in the shade. We are expecting a large attendance at this meeting, and as our supply of tents is limited, we hope that every one will send in his order for what he will want.

Let us come to this meeting pray-

THE CHADRON MEETING AND DEDICATION

Our meeting at Chadron for District VII is now in the past. We had good meetings, and realized God's presence with us from the first. As Elder Haughey was not able to be with us, the program and meetings were in charge of Elder R. T. Baer. The attendance was far better than we had expected, as it was a very busy time for the farmers; but several of them laid aside their daily pursuit and came to the meeting. We very much appreciated the good help we had from the Central Union and also Elder Froom's timely talks. Each one seemed to have an inspiring message. The children and young people were not forgotten. They had their daily program, which was in charge of Elder Hay, Professor Deapen, Brother Brinley, Sister Hayes, and Sister Meyers. They had some interesting and inspiring meetings. Sabbath was the high day. Many of the brethren and sisters, together with Elder Staten, came from the Black Hills district of South Dakota to enjoy the day with us. The church was filled. Our Sabbath offering was good. Our prayer is, that God may richly bless our dear people for their faithful sacrificing and giving of their means to the finishing of the work.

Sunday, June 30, at 2:30 p. m., our beautiful, well arranged church was dedicated. Elder E. G. Hayes gave a history and financial report of the

same, emphasizing how God has blessed in the erection of the same. Elder Froom gave the dedicatory address, which was followed by the dedicatory prayer. All who were present at the meeting spoke words of praise for the Chadron church building.

Now may our prayer be for God's blessing upon the new company of Chadron, and upon Elder and Sister Hayes' faithful labors.

A. E. JOHNSON, Supt. Dist. VII.

FROM THE OFFICE VIEWPOINT

Are you planning on the camp-meeting? It will not be long now until time for this meeting. Remember the place is Fairbury and the date August 8 to 18. The regular prices for tents will prevail. These prices will be listed in next week's OUTLOOK.

Elder Haughey has returned from Boulder and is able to be in the office to look after his work. We are all glad to know that he is getting along so well.

Elder Hay left Wednesday for Ainsworth where he will be associated with Brother Brinley in a short series of meetings near Enderslake.

We have received word from Brother and Sister George Hutches, of Nebraska City, of the arrival of a daughter, Merylyn Mona, June 27.

Another shipment of "Pope King Agian" has been received. The first shipment of 500 was sold and orders are still coming in. This is a good book to circulate at this time.

Miss Gertrude Stevens and Mr.

Nathaniel Parker were united in marriage June 23, 1929, at the bride's home in College View, Elder Roscoe T. Baer officiating. The bride is a graduate of Union College and the groom finished his course in Pacific Union College last spring. Mr. and Mrs. Parker will connect with the Humbolt Academy at Eureka Springs, Calif., at the opening of the school year.

Miss Rachel Denton was united in marriage to Emil E. Meyers on June 12, in the Chadron (Nebr.) church, Elder E. G. Hayes officiating. The young couple will make their home in Chadron.

OMAHA OBSERVATIONS

Another baptismal class is being formed.

Some needed repairs are being made on the church.

Elder J. W. Allison began a tent meeting in Omaha Sunday night, July 7.

At the last quarterly meeting a larger number took part than ever before.

Mr. and Mrs. Nixon, Roca, and others from College View, were visitors at the Memorial, July 6.

Elder Nicholas Oancea recently baptized six Roumanian young people in the Memorial baptistry.

The Memorial will easily reach sixty cents per member per week for missions during the year 1929.

Several of the church members are away for a vacation, yet the attendance is good at all the services.

Council Bluffs, is organizing a Home Nurses' class in the Memorial church.

The Sabbath school offerings for the month of June, 1928, were \$363.06. For June, 1929, they were \$583.70, a gain of \$220.64.

The children from the Sabbath school, conducted by M. V's, in the suburbs of Omaha, attended and assisted in the thirteenth Sabbath program.

The last thirteenth Sabbath offering was the largest ever given by this church. The amount was \$440.77, or more than two dollars per member.

Elder and Mrs. Nicholas Oancea have left for Canada, their future field of labor. We will miss them, and will pray that God will richly bless them in their new field.

The past quarter the Sabbath school reached the General Conference goal of 30 cents per member per week for missions for the first time in the history of the church.

The pastor recently spent two weeks in Louisville and Covington, Ky. He has accepted a call to the Covington church, and will leave about the first of August. This church is just across the Ohio River from Cincinnati.

A CHANGE IN CONFERENCE WORKERS

Professor R. E. Nelson, who has had charge of the educational and Missionary Volunteer work in the Colorado Conference, has been elected dean of men at Union College. Already he has entered upon his new duties, and is visiting camp-meetings in Union College territory in the interests of Union College.

Professor and Mrs. Nelson have greatly endeared themselves to the people of Colorado, especially the young people, and it is with regrets that we see them leave this conference. Professor Nelson has done good strong work while in this field. As they enter upon their heavy responsibilities at Union College, I am sure the prayers of our people will be with them.

We have been very fortunate in securing a man of experience to take Professor Nelson's place. Professor G. M. Mathews, who has been preceptor at Campion for the past two years, was elected to fill the vacancy at the time of our camp-meeting. Professor Mathews has had experience in these departments. We welcome Professor and Mrs. Mathews to our conference force of workers.

All correspondence relative to educational and Missionary Volunteer matters should be addressed to G. M. Mathews, 1112 Kalamath Street, Denver, Colorado. M. L. RICE.

THE SUMMER CAMPAIGN

Several meetings are to be held in various parts of the conference this summer. Brother L. Cope, assisted by M. J. Mayer and Miss Alyce Guest, will hold a tent effort in Fort Morgan. There are a number of Germans in Fort Morgan, and Brother Mayer, who is in charge of our German work, will add strength to this company.

Alger Johns and George Chambers will hold a meeting in Burlington.

It has been many years since a meeting was held in this city. They have secured a comfortable building for their meetings.

E. L. Pingenot and Paul Bringle have been asked to put on a campaign at Ordway. This will be the first Seventh-day Adventist meeting in this place.

Elder J. W. Allison is planning on a meeting at Pueblo for the colored people. It has been a long time since any aggressive work has been done in Pueblo for the colored race.

Miss Ruth Lamb, one of our Bible workers, will spend the summer at Idaho Springs. There is considerable interest in this place as a result of several months of Bible work which Miss Lamb did here several months ago.

C. F. Lickey and Miss Edith Brauchi, who have been laboring in Fort Collins during the past year, will remain in that place for a few weeks developing an interest which they have.

As these workers launch out into their work, I know the praying people of Colorado will remember them. In this pleasure-loving, money-mad age, it takes much of the power of God to arrest the attention of the people. M. L. RICE.

COLORADO NEWS NOTES

Thirty-five persons were baptized at the close of camp-meeting. A number of others who desired baptism were recommended to their home churches where they will be baptized later.

V. P. Hulse and family, who have recently come to the Colorado conference from Seattle, Wash., have been asked to settle at Pueblo. Elder Hulse attended our camp-meeting and rendered valuable help. We welcome this family to our field.

Elder A. J. Meiklejohn, who has been connected with Union College in the Bible department, has accepted an invitation to connect with the work in Colorado as pastor of the West Denver church. Elder Meiklejohn attended our camp-meeting and has returned to College View to make arrangements about moving. He expects to enter upon his work in Denver about August 1.

Dr. Myrtle Alley-Rice, who completed her medical course at the Col-

orado University Medical School, in Denver, has joined the staff at the Boulder-Colorado Sanitarium.

Good reports are coming to our office from most of our colporteurs. It looks as if a number of our students who are out in the canvassing work will more than earn a scholarship.

Elder Jay J. Nethery, president of the Central Union Conference, spoke in the Boulder church Sabbath, July 6. On this date, Elder V. P. Hulse met with the West Denver church. Elder W. M. Andress, chaplain of the Boulder Sanitarium, met with the church at Hygiene. Brother C. E. Rice, one of the medical secretaries of the General Conference, spoke in the York Street church.

Elder Roy C. Baker, who has been located at Greeley for the past eighteen months, has been invited to take the pastorate of the South Denver church. Already Brother Baker has entered upon his work with this church. We know that Brother and Sister Baker will receive a very cordial welcome by the members of South Denver.

Miss Claire Winingar visited Delta Sabbath, July 13, in the interest of the Sabbath school work. Upon her return she left for South Dakota for a vacation.

Elder A. C. Long left Grand Junction the first of the week for Montrose, where he will settle and hold a series of meetings.

Elder J. L. Tucker is holding a series of meetings near Delta. He reports a good interest.

school for the coming year. This should make all our parents happy, for Miss Keith is a capable teacher and one that is well liked by the girls. She has spent several years at Shelton teaching in the academy.

It will not be long until the school will begin at the academy. All our young people should begin now to lay definite plans to be present on the opening day. Prospects are there will be a good attendance this year.

UNION COLLEGE ITEMS

Inasmuch as the various conferences in the territory of Union College have undertaken to raise funds for the strengthening of the work here at Union, it will be a cheering and heartening note to pass on to the field word concerning the good start made in this financial campaign at the recent camp-meeting in Inter-Mountain.

The writer presented the needs of Union College from the standpoint of further strengthening the work, and discussed with our people our program looking toward strengthening the work of the school, and building the school up in the matter of equipment and repairs, and then made a call for the people at the camp-meeting to do something toward starting the financial campaign. The Inter-Mountain Conference is, of course, a small conference, but the people at the conference over there have voted to undertake the raising of \$650 in the coming two years. At the camp-meeting the people took hold with a heartiness that was most encouraging, and that promises good things for the future of the work in Union College. In cash and pledges the people at that camp-meeting raised in just a little while \$378, more than the amount due on the program for the first year.

In talking with one of our conference presidents a little while back, he stated that his conference already had in sight its part of the funds, and this conference is one of the large conferences with a very substantial sum of money to raise.

Our teachers who are working in the field this summer are reporting most encouraging prospects for the work in Union College next year. At several of our camp-meetings there has been a real movement on the part of young people toward Union Col-

lege, and toward a preparation for the work.

Quite a bit of repairs has already been made here at Union, and more repairs will be made during the summer. A good group of students will be kept busy at the work and this work will continue even after the opening of school, so that there will be quite a lot of work for the new students when they come in. We are sure that the old students in returning will be glad to see that the kitchen, the serving room, and the dining room have been repainted, and that rooms are being decorated, and walls refinished, and new coverings will be given to some of the floors.

Those interested in the print shop will be glad to know that a new inter-type has been ordered, and we are hoping also to secure a secondhand machine on which beginners can practice. It is our purpose to build up our industries here at Union and for the next few months we want to pay particular attention to strengthening the work at the print shop.

We are glad for the good letters of encouragement that are coming in from rents and young people all over the field, and we believe that Union College will be doing next year an even stronger work than has been its work of the past. To this end we solicit the prayers, the cooperation, the counsel, and the support of all our people.

P. L. THOMPSON, President.
