Power in Prayer

"If two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven." Matthew 18:19.

This prayer-promise is full of power for those with faith to claim it. Literally thousands are looking to the Voice of Prophecy for prayer—sick folk, shutins, war wives and war mothers and fathers, isolated believers of every faith, and those struggling under the conviction of the Holy Spirit.

The reader of this article will be interested in a tabulation of the following urgent prayer requests for three weeks that have come to us by mail:

For healing of body	271
Conversion of friends and loved	L
ones	106
Spiritual help for self and family	169
For men in the service	113
Courage in cases where loved ones	5
were lost	. 6
For conversions of husbands, (mos	t
of them drinking and smoking.)	56
For employment where the Sab-	-
bath can be kept	. 4
For conversion of parents	. 14
For children	. 71
Miscellaneous requests	. 28
Overcome tobacco and drink	7
Unnamed requests	. 17
Total	862

The nature of these requests varies from week to week. About 358 people on this list request prayer for conversions to the truth, while the balance represents cases of sickness and appeals for spiritual help and encouragement. It can be seen that the Voice of Prophecy ministers both to the converted and the unconverted. And so this radio broadcast is attempting to do the work of Christ as a great spiritual evangelist-pastor, to an unseen circle of over 4,000,000 needy hearts. Every day, and especially Thursday mornings at 8 o'clock, 100 Voice of Prophecy workers meet to take these requests to God in prayer. This prayer circle should reach out into every Seventh-day Adventist home. Will you join us?

# Colporteur Evangelists Urgently Needed in Rural Areas

There are only four colporteur evangelists working in the immense rural territory of all of Colorado, Kansas, Missouri, Nebraska and Wyoming! What a need for home-to-home, heart-to-heart workers!

There are 429,350 square miles in this area—and only four members of our 16,-029 constituency working full time to take our blessed truth to the people in the country. What an opportunity for service!

We need an army of consecrated men and women to arise and offer their services now.

Farm families, happy with their greatly increased incomes, but broken up, grieved, physically and spiritually ill, have a right to and must be given the privilege of studying this saving message just as much as city folk. Our duties and opportunities do not stop at the city limits.

Would it not be a victory for Christ if several dozen of our people would volunteer now to serve God by writing or phoning their conference publishing department secretary and make appointments to consider prayerfully the literature ministry in these inviting areas? May the Lord lead YOU in making your prayers practical in this serious and opportune time. Do you honestly want Christ to return? It is within your power to hasten that day.

# Present Truth for November

No. 45 The Two Resurrections

What is the meaning of the tragedy we call death? If a man die will he live again? Is there hope beyond the tomb? A sorrow-stricken world awaits the answers to these questions and you can answer them for a large group of neighbors, relatives, and friends by placing in their hands this very reasonable discussion of a subject so generally misunderstood. No. 46 Who Are the Spirits of Spiritism?

The fatal lie, "Thou shalt not surely die," has captivated the world of religion and as a result public belief is in striking contrast to the teachings of Christ and His disciples, and all the writers of the Old and New Testaments. With a proper understanding of the Bible truth on this subject, deceived humanity may escape Satan's greatest deception-Spiritism.

No. 44

All Present Truth subscriptions include a complete series of twenty-four numbers mailed one every two weeks in their logical most convincing order and the price is only 50 cents a year; in Canada, 85 cents; District of Columbia and foreign, 75 cents. Order from your Book and Bible house.

# Union College String Ensemble

Music lovers among Seventh-day Adventists in the Denver-Boulder-Campion area enjoyed a musical feast the week-end of October 27-30. Very appreciative audiences in the Denver Central and South churches, the Porter sanitarium, and Campion academy listened to the Union college string ensemble consisting of Professor Carl C. Engel, director of the ensemble and instructor in string instruments at Union college for 40 years, Jeanette Hause, violinist, and Carmen Jean Schlotthauer, pianist.

Many former Unionites, as well as others, came to listen, and long queues formed after the ensemble's rendition of the great masters to congratulate the performers.

# Denver-Boulder M. V. Rally

More than one thousand people attended one or more meetings of the most successful regional missionary volunteer rally the Denver-Boulder area has ever held. Under the auspices of the Colorado missionary volunteer department with Dr.

M. V. Rallies ALAMOSA–November 10-11, DELTA–November 17-18.

......................

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

G. D. Hagstotz as host and general chairman, the rally began Friday night, October 27, with a vesper service in the Central church. Approximately 800 representatives of Denver, Boulder, Brighton, Golden, and Ft. Lupton were present to hear the string ensemble of Union college and the writer in a typical Union college vespers.

Sabbath morning the Central church was packed with the largest audience in the church's history to hear Elder Version W. Becker, principal of Campion academy, as he exhorted the youth to have courage enough to live for Christ as well as die for Him.

At the 2 o'clock service Dr. H. H. Donnenworth, state superintendent of the United Drys, pointed out to an enthusiastic group that unless parents were willing to do their share in making the community and the nation booze free, they had no right to bring children into the world. An offering of nearly \$50 was given to the United Drys.

Later in the day Dr. R. F. Waddell, medical superintendent of Boulder sanitarium, was elected president of the regional missionary volunteer federation. Vincent Tibbetts of the Porter sanitarium church was elected secretary-treasurer.

At a master comrade panel Harold Becker, Sabbath school superintendent of the Central church, maintained that if all parents were required to be master comrades, doubtless the majority of young people now lost to the denomination would remain to strengthen our churches. Others participating were Helen Swenson and Erl Dart.

# Laymen's Convention

November 3, 4, and 5 were high days for the lay workers in the Colorado conference. Everyone received lasting and valuable information that will build for stronger lay evangelism in the conference.

We appreciate very much the help given by Elder Butler of the General conference, also by Elder Reiner of the union. We sincerely hope that by another year many more will be able to attend our laymen's convention.

Men in the common walks of life will be impressed by the Spirit of the Lord to leave ordinary employment, and go forth to proclaim the last message of mercy, . . No one is authorized to hinder these workers. They are to be bidden Godspeed as they go forth to fulfill the great commission. VIII T, p. 27. DON R. REES

# Teachers' Convention

Four thousand Colorado teachers assembled to hear the speeches and to enjoy the beautiful music presented for their inspiration at the recent Colorado educational convention. The exhibits provided many new ideas and helpful material for both elementary and secondary teachers. The sectional meetings gave excellent instruction to those interested in nature, science, music and other subjects. The opportunity given to elementary teachers to visit the Evans school was greatly appreciated.

A lively M. V. rally held at the Central church on Sabbath was climaxed by a concert rendered by the string ensemble of Union college.

A few hours of discussion, counsel and prayer on Sunday morning drew us closer together as a unit of teachers in the work of God. We closed our teachers' convention impressed with the deep spirit of cooperation and loyalty evidenced by our educational secretary and conference president. We were armed with new ideas, firm resolves, and deeper convictions of truth.

With all this added to God's blessing on our humble but earnest efforts, how can we fail to do the job God has called us to do?

> MRS. C. J. SUMNER Primary teacher, Denver Junior Academy

### Laymen at Work

Sabbath, October 21, Elder Jorgensen, pastor of the Pueblo church, baptized two individuals as the result of the work of laymen. Mrs. Ray Bauman, who had enrolled in the Bible correspondence course, was convinced that she should give her heart to God and be baptized in the Seventh-day Adventist church-more enrollments result in more baptisms.

Mrs. Madge Eyestone received Bible studies from a member of the church and decided for Christ-more Bible studies mean more people won to Christ.

There are men who will spend and be spent to win souls to Christ. In obedience to the great commission, many will go forth to work for the Master. Under the ministration of angels, common men will be moved by the Spirit of God to warn people in the highways and byways. They are to be strengthened and encouraged, and as fast as possible prepared for labor, that success may crown their efforts. Sowing Beside All Waters, p. 72. DON R. REES

#### News Notes

Professor C. C. Engel, Carmen Schlotthauer, and Jeanette Hause attended the Educational convention held in Denver, Colo., on October 27-30. On Friday evening they presented a typical Union college vespers service. Other programs given were a Saturday night musical, a program at the Porter sanitarium on Sunday night, and a chapel program at Campion academy.

Mr. and Mrs. Adrian R. M. Lauritzen attended a large youth's rally at Campion academy on November 3-5. President E. E. Cossentine was present on Sabbath, November 4.

President E. E. Cossentine has returned to Union college from the Autumn council, where he attended a special educational meeting.

On the week-end of November 10-13 President E. E. Cossentine, Mr. W. H. Beaven and Mr. and Mrs. R. W. Fowler will go to the Dakotas. The Fowlers will spend the time at Plainview academy. Mr. Beaven and President Cossentine will attend a youth's rally in Jamestown, N. Dak., on the Sabbath and will spend Sunday at Plainview academy in South Dakota.

The new science building at Union is beginning to look like a building. Progress is rapid, for already the window frames are set in and the walls are beginning to go up.

"Something new has been added" to the chapel at Union college. Our new Hammond electric organ was played in chapel for the first time on November 1. Lloyd Jackson did justice to the organ when he played "Trios Choral, No. 3" by Franck and "Toccatina" by Diggle.

Mr. H. C. Hartman is in California on a business trip for the college.

Elder B. L. Anderson, who for thirtyeight years was a missionary in China, spoke in church, October 28, and in chapel, October 30, on the Chinese and their customs with emphasis on their religions and our mission work.

The students of Union college participated in the annual Halloween hike on Saturday night, October 28, to Irvingdale park. Following supper, all gathered around the camp fire and listened to the various programs presented by the students from the cosmopolitan group, and the Northern, Central, and Southwestern unions.

Already the time has come for midsemester examinations which will take place from November 6-10.

Letter writing for the *Clock Tower* campaign is the main issue at Union college now. If you haven't received a personal letter, send in your subscription anyway. You are not up-to-date on current events unless you are up-to-date on Union.

# New Workers

Coming and going is part of the great movement which is to reach every part of the globe where people dwell. Kansas is just a small part of the great worldwide work and here, also, the workers come and go.

Elder and Mrs. Aalborg and Grandmother Johnston had to leave our field in which they had labored so faithfully for a long period. Because of ill health, Elder Aalborg retired and is seeking rest and recuperation at the Glendale sanitarium in California. A word of cheer from our people would do them much good, and assure them of our unchanging friendship.

Elder R. M. Mote, returned missionary from Africa, has accepted a call to the Kansas conference; he with his family has now located in Topeka taking Elder Dustin's place. We welcome these tried workers to Topeka and the district.

Elder E. H. Meyers of the Missouri conference also accepted the call of the Kansas conference committee and is now in charge of the district which Elder Aalborg formerly served. We welcome Elder and Mrs. Meyers who also have had such rich experiences in foreign fields and home conferences. They are acquainted in Kansas, as they have worked here before.

We are happy to have secured the services of these workers and pledge them our loyal support.

# Church Dedication

The dedication of the Hepler church is being planned for Sabbath, November 11. Elder N. C. Wilson, president of the Central union conference, is to be with us. Elder Roth and our local departmental secretaries will also be present.

An all-day meeting is being arranged for, and we invite the brethren from the surrounding churches to be with us. Sabbath school begins at 9:45 a. m., and the dedicatory service at 11 o'clock. There will be two meetings in the afternoon.

# **News** Notes

Mrs. I. D. Loewen of Maple Hill has returned from Los Angeles, Calif., where she visited with her son and wife, Dr. and Mrs. L. S. Loewen. Dr. Loewen received the degree of Doctor of Medicine from the College of Medical Evangelists on September 24. He also acccepted his First Lieutenant's commission in the United States Army Medical Reserve. Dr. Loewen is serving his internship at the Los Angeles county hospital. While in California, Mrs. Loewen visited relatives and friends in Dinuba and Lodi.

A Kansas workers' meeting is called in Topeka for Monday, November 13, 1944. The opening meeting is to be at 9:30 a. m. All workers are expected to be present.

The largest offering ever given at one meeting was given at the Autumn council at Cleveland, Ohio. The amount was \$621,500, and is for the rehabilitation of our work in the war-torn areas.

Elder Roth reports a very spiritual Autumn council.

The Dorcas society at Parsons, under the able leadership of Mrs. Earl L. Johnson, had a very successful sale recently; \$111.20 was cleared. The success of the sale was made possible by the splendid co-operation given by the rest of the church.

## Questions For You To Answer

Are you and your family doing without the weekly visit of the Review and Herald? If this is the case, then how do you and your family know what progress this movement is having in America. Africa, China, South America, and in the islands of the sea? What actions were taken at the Autumn council? How can you know present trends in the spiritual world? What are the leaders of this movement writing and preaching about? What will the General conference do in 1945 when it convenes?

These questions are being answered by the Review and Herald now in the issues for the remainder of this year and throughout 1945. Neither you nor your family can risk being without the church paper, now nor during 1945. November 1- December 31 this paper will be offered you at the reduced rate of \$2.75. In our state, 900 homes should be receiving the Review. Please see to it that your home is one of these 900.

# A Visit to Hemingford And Hay Springs

The writer was made especially happy this past week, having had the privilege of a brief visit with Mr. and Mrs. James Chase. Together we had the pleasure of meeting with the Hemingford church for two services. Believers from the Alliance church were also present at Hemingford. A good spirit is to be found in this growing church. We were glad to see the large number of children in both the Sabbath school and church.

After the afternoon service, the writer accompanied Mr. Chase to Hay Springs, where a Sabbath afternoon service was held for the new believers. That evening the young people from the Hemingford church gave a temperance program at the opening of Mr. Chase's meeting. Miss Rhoda Pederson had charge of this good program.

Mr. Chase spoke to a capacity audience on the Mark of the Beast. At the close of his forceful message he called for a response from the audience, asking those to stand who chose not to receive the Mark of the Beast; all but one stood. The Lord is blessing the efforts of these workers, and we are happy to report that there will be many won as a result of the efforts of these two servants of God. Pray for the continued success of their meeting.

# Memorial Service in St. Louis

A beautiful and impressive memorial service was conducted Sabbath. October 14, in the St. Louis Central church to the memory of Pfc. Everett Green, whose body had been laid to rest on September 29 in the U. S. A. F. cemetery, A.P.O. 713, No. 1, New Guinea. He awaits the resurrection morning in grave No. 268, having given his life in the service of his country.

Everett Green was the only son of a widowed mother, Sister Eva Mary Green. a faithful member of the Seventh-day Adventist congregation. Her grief was greatly assuaged by a letter from the army chaplain who was by the side of her son as his life ebbed away. The soldier passed to his

rest with the full assurance of acceptance of Christ as his personal saviour. The influence and teaching of a godly mother had not been in vain. Not only had the chaplain in New Guinea written to the mother, but the general under whom Everett had served sent a beautifully engraved card of sympathy. These being presented at the memorial service, we were profoundly impressed by the individual interest which our government takes in the men serving in the armed forces overseas

Appropriate music by the Central St. Louis quartet, directed by Elder John E. Hickman was given. Words of comfort and commendation were spoken by Elder J. H. McEachern.

Elder P. M. Lewis visited the churches at Sedalia and Florence Sabbath, October 28, in the interest of the literature ministry. This was the first visit of Elder Lewis to these churches.

Elder F. A. Mote and Elder P. L. Williams have been away from the office attending the Autumn council in Cleveland, Ohio.

Prospects are very bright for a large attendance of lay preachers at the institute to be held in Springfield, November 10-12.

Elder William A. Butler of the General conference and Elder D. E. Reiner of the Central union conference will conduct a valuable two-day course in homiletics adapted to the needs of lay preachers at the Springfield institute.

Elder J. H. McEachern organized a new Sabbath school in Rolla, Sabbath morning, October 28, after which he preached on the certainty of the Advent hope to the congregation assembled in the beautiful Seventh-day Adventist chapel which has been built as a memorial to the message by Dr. B. E. C. Slawson.

Sabbath afternoon, October 28, Elder J. H. McEachern attended the branch Sabbath school conducted by Mr. Long. Several in the group are preparing for baptism as a result of a lay effort in which Mr. Long, a farmer, has done the preaching.

Elder J. H. McEachern responded to a call from the sisters at Sedalia to organize a Dorcas society. Officers have taken charge and the Sedalia church is letting its light shine by putting into practice

THORP-Mrs. Lulu Thorp was born Nov. 4, 1873, at Marshalltown, Iowa, the daughter of William A. Dickey and Celia A. Babb. She passed away at Mankato, Kans., Oct. 22, 1944, while visiting relatives.

She was united in marriage to Oliver Thorpe in 1888. To this union were born six children, three of whom survive: Leta Hanson of Graysville, Tenn.; Iva Hurley of Evergreen, Colo.; and Stella Walker of Lincoln, Nebr. Also surviving is a sister, Mrs. C. J. Sorensen at Moline, Ill. Her husband preceded her in death, having passed away in January, 1906. She struggled bravely to rear the remaining children, keeping them together until they reached maturity. Lulu Thorp was baptized into the Seventh-day Adventist church at an early age, and remained faithful to this church to the day of her decease. At the time of her passing, she was a member of the College View church of Lincoln, Nebr., where she had made her home for the past twenty years. F. W. RUDDLE

Special Notice

Daniel and Revelation by Uriah Smith will be ready soon. This wonderful book which has had such wide-spread circulation in past years, has been out of print for some time, but undergoing revision. Additional notes, source material, and new illustrations will make this book more attractive than ever. It has the same message. In size and print it will match the Conflict of the Ages series.

Because of the paper shortage the publishers will be able to print only a limited number this year. It will be rationed to approximately one book to every fifteen members in Wyoming. With the tremendous demand the supply will not last long.

This book will retail at \$2.50 in cloth and \$3.50 limp. However, it is being offered from now until the first of the year at the special price of \$2.25 cloth, and \$3.15 limp.

Write now before you forget. Reserve your copy by using the priority certificate below.

## Annual Week of Prayer

The days are rapidly approaching for the annual Week of Prayer. We are all aware of the midnight hour of this world's history. The prophet declares, "For behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and His glory shall be seen upon thee." We hope and pray that this prayer season of November 18-25 will bring inspiration, courage and fortitude to every believer in the Wyoming mission. We should begin at once to lay plans for definite work to be done during this Week of Prayer. Needy people are all about us whose hearts are longing for that sweet restful experience that can come to them by accepting the Lord Jesus as their Saviour. There may be friends and neighbors who are longing for a word of courage and inspiration; there may be children in the homes whose hearts are not converted that are longing for an invitation. This is the opportune time for God's people to reach out and contact these people in love and kindness and thus lead them to the feet of the Master where they may find peace and rest.

We are appealing to you, dear leaders in the churches, to give careful study to the messages that have been prepared and are published in the Review and Herald. In case you do not have a copy containing the readings for the Week of Prayer, please send your order at once to the Book and Bible house at Casper because we are anxious for these meetings to be held in all our churches at the time appointed. The harvest of the earth is ripe, the coming of the Lord is at hand; therefore, the church is commissioned to go forth under the power of heaven and sound the last warning message to the lost world. We appeal to you in the name of our Lord and Master to make this Week of Prayer a season of heart-searching work so that the Lord indeed may bring deliverance and relief to those whose hearts are depressed under the conviction of sin and who are longing for liberty in Christ Jesus our Lord. Let us do our utmost in rescuing individuals from the kingdom of darkness while the Son of Righteousness still shines and the day of probation still lingers.

E. H. OSWALD

# **News** Notes

B. Y. Baughman, newly elected department and home missionary secretary of the Wyoming mission, arrived at the office, Sunday, October 29, to begin his work in this field. We are glad to welcome Mr. Baughman to this mission and we feel sure that he will carry on a strong departmental program. Mrs. Baughman and Betty Joyce arrived in Casper November 6. Mr. Baughman has a son in the service who is now stationed in the Aleutian Islands.

Elder E. H. Oswald returned to Casper November 2 from the Autumn council which was held in Cleveland, Ohio. He states that the spirit of God prevailed very definitely in every session. The leaders emphasized that larger and more definite work must be done swiftly for God. The signs of Christ's coming are fast fulfilling and the hour of earth's history is late.

# Our Farewell to Wyoming

At the recent publishing council held in Lincoln we were called to assist with the publishing work in the Missouri conference. We are going to miss the hills and plains of old Wyoming, but most of all we will miss the people who have been so willing to sacrifice for the advancement of God's cause. Wyoming will always hold a tender spot in our hearts, but earthly affection must take second place, for God's cause is always first.

We are happy to learn that Ben Baughman from Nebraska has accepted the call to take over the home missionary and publishing departments here. Many of you already know him. He started me in the canvassing work in Nebraska a few years ago. I am sure you, too, will soon learn to love him. Under his able leadership, the work will advance in Wyoming.

In leaving we do not want to say goodbye, but merely farewell until we meet again.

Mr. and Mrs. Kenneth Wenberg
