

## War Accelerates--Youth Ask

CLARK SMITH, Associate Director, National Service Organization

Shall I enlist? Shall I wait for the draft? Or shall I speed up my draft?

These questions are going through the minds of thousands of young men here in the United States as they read the current international news and try to plan for their own future.

There are pressures that push at them from all sides, especially the pressure of what "everyone is doing." Seventh-day Adventist youth need to give sober thought to this field before coming to a decision.

From the experience of many years the Seventh-day Adventist Church counsels its young men not to voluntarily enlist, but to fulfill military obligations through the draft. The reasons for counseling our young men not to voluntarily enlist are logical and follow the counsel of the military forces. An important exception to this counsel involves the physician or dentist who has a military obligation. Owing to the manner in which a physician or a dentist is involved in command responsibilities in the military service, he cannot be used satisfactorily as a draftee, therefore the church counsels such men to seek a commission in order to fulfill their military obligations.

The Seventh-day Adventist observes the Sabbath as a day of rest quite differently from the normal manner in which Sunday is observed. After many years of experience with Sabbath observers, the military forces have concluded that personnel who observe the Sabbath after the manner of Seventh-day Adventists are of limited use. Thus there are regulations prohibiting the voluntary enlistment of those who have a limitation on duty to which they can be assigned on a twenty-four hour day, seven days

a week. Those already in military service who are limited in the duty to which they can be assigned on the Sabbath cannot reenlist or extend their period of enlistment.

This Sabbath observance does not keep a man from being drafted, especially under the 1-A-O classification. Ample provision is made for the observance of the Sabbath for the period of military obligation. Beyond that period of time questions are being raised in greater number with each passing year as to whether or not the Sabbath observer may remain in military service. In this the military forces are doing what any prudent businessman would do, in that they are picking personnel who have no limitations in working on the job they are to do.

In addition, the Seventh-day Adventist Church teaches its members that they should not take human life, or in other words, that they should be noncombatants. Through many years and many wars the noncombatant principle has been recognized by United States law. Beginning in the War Between the States and continuing to the present time the limitations of a conscientious belief that prevents a person from taking human life, has been honored. Such a person may not voluntarily enlist or seek a commission. The only exceptions are that a chaplain may get a commission as a noncombatant under certain circumstances; and the professional man, especially those with a military obligation under the draft, may get a commission in a medical department of the military forces (except in the Veterinary Corps).

These practical problems are the basis for the church's historical counsel that its members not voluntarily enlist. The

various branches of the military forces join in this counsel to Seventh-day Adventists.

The Congress of the United States has made provision for those with conscientious limitations as to the taking of life but who are willing to take their share of the military responsibilities in the upholding of our national existence. This is done through the draft in the 1-A-O (noncombatant) classification. Many thousands of Seventh-day Adventists have served their country with honor, gallantry, courage, and distinction in this way. These men hold their heads high with their fellows after completing their obligated military duties. They are a strength to the church.

For the youth of the Seventh-day Adventist Church the way is clear—he will serve as a 1-A-O. If he wishes for reasons of his own to get his obligated military duty over at a time of his own choice rather than to wait for the draft, this can be done. He merely asks his local draft board to advance his name to the top of the draft list, being certain that he is classified 1-A-O. This may be done at the age of 17 with parents' or guardians' consent.

Further questions regarding military service should be directed to the local conference MV secretary or directly to the National Service Organization section of the MV Department of the General Conference.

**Welcome to the Davenport**

Union College is happy to welcome to its staff Elder G. Glenn Davenport. He is replacing Dr. D. W. Holbrook as Director of College Relations. Elder Davenport comes to Union from Loveland, Colorado, where he has been principal of Campion Academy for the past six years.

Elder Davenport is a 1943 Union College graduate. He is married to Bonnie Bell Cozad Davenport and has a daughter, Veryl, who will be a freshman at Union this coming school year. The family interests include camping and water skiing.

"I am coming to Union because of Union's top-flight reputation and the professionally-minded staff; but mostly because of the interests and challenges presented in doing college relations work for Union," stated Elder Davenport.

Even though the Davenports will not be moving to Lincoln until July 6, Elder Davenport has been attending camp meetings, committee meetings, and conferences in behalf of Union College.

Mr. and Mrs. Glenn G. Davenport and daughter, Veryl, will be moving to Lincoln soon.

**Head Start**

President Johnson has inaugurated a project known as "Head Start"—a project whereby underprivileged children in poverty areas have the opportunity this summer of attending kindergarten. Through this project they will become acquainted with the school system.

In order to operate the project, an educational institution must co-sponsor the project. Union College is acting as

co-sponsor and carrying on "Head Start" at the Red Shirt Mission, a Sioux Indian Reservation, in Hermosa, South Dakota.

Mrs. Gleora Speak, third grade teacher at Helen Hyatt Elementary School and Dwight Mayberry, a 1965 Union College graduate majoring in Elementary Education, were chosen by Union to be in charge. The project is a 10-week program from June 6 to August 13.

## Boulder Memorial HOSPITAL

### Seventieth Anniversary Observed

The seventieth anniversary celebration of the founding of Boulder Memorial Hospital (formerly Boulder Colorado Sanitarium and Hospital) and the observance of National Hospital Week were combined the week of May 9-15.

Tours were conducted during four open-house periods at the hospital, on Mother's Day, May 9, and Wednesday, May 12, anniversary of the birth of Florence Nightingale.

Children under 12 were entertained with films in the staff dining room, and refreshments were served in the cafeteria dining room. There were special displays throughout the hospital prepared by the various departments.

Assisting hospital personnel with open-house hospitality and tours were members of the Women's Auxiliary and the Civic Advisory Council, as well as sev-

eral of the second-year Candy Strippers (teen-aged volunteers).

Boulder Memorial Hospital placed special emphasis on the National Hospital Week theme, "People—Heart of the Hospital," by giving special recognition to all its employees who had worked there five or more years. They were honored by Administrator Warren M. Clark at the Anniversary Cake cutting, presided over by Acting Mayor Robert W. Knecht, who stated, "Boulder is proud of the history and tradition that Boulder Memorial Hospital has given the community." He expressed further, "All who live here in Boulder wish another 70 years of prosperity and success that will be even better in Boulder Memorial Hospital's effort to keep the community well."

Elder Hubert V. Reed, vice-chairman of the board and president of the Colorado Conference, offered the invocation at a simple ceremony in the hospital dining room where the cake was cut and the worker recognition took place.

Administrator Clark recognized 47 workers who had given five or more years of service to the hospital by presenting them a picture of themselves taken on the hospital steps. Seventeen of the number had 13 years or more of service. Those with the most were Mable Livingood, 32 years; Alta Yeager, 28 years; Vivian Alcorn, 23 years; Glenn Barton, 22 years; Elinore Hahn, 18 years; and E. Maxwell, 17 years.

Mother's Day afternoon open-house honored the oldest person born in the hospital living in the community, Mr. and Mrs. G. E. Keeton living in Boulder were present whose son, Leon Girard now of San Carlos, California, was born at the hospital in 1908. Also, Lois Stenborn who is now Mrs. James Corriell was present (born before 1930). Administrator Clark presented a corsage of roses to both ladies.

### News Notes

Chaplain E. F. Irish, J. F. Bookhardt, M.D., and Mr. and Mrs. A. W. Vandeman presented the Health and Nutrition program on the first Sabbath afternoon of the Central States Camp Meeting at Edwardsville, Kansas. Nearly 600 responded to the speakers and took part in the exercise session led by Chaplain Irish and Dr. Bookhardt. At the close of the meeting souvenir nurses' caps and doctors' head mirrors were distributed to several hundred children. Elder W. W. Fordham, president of the Central States Conference, expressed a desire to have the program established in the local churches.

## Colorado

### Farewell to the Don Wesslens

With many thanks for a fine and profitable tenure of service at Campion Academy, Colorado bids a fond and heartfelt farewell to Brother and Sister Don Wesslen and their family. Brother Wesslen has served faithfully as our assistant principal at Campion and now has been called to head the educational work at Platte Valley Academy in our sister conference of Nebraska.

As assistant principal, Brother Wesslen has guided our school during the months Elder Davenport was at work on his doctorate degree, and he has done a very fine and creditable work in this responsibility. We know this experience will make him a very fine administrator for our sister school, and though we personally mourn their loss here, we rejoice for them and for the young people whose lives they will touch in this union.

With many, many thanks from all of us in Colorado, we send you on with our prayers that God will lead and guide you in the work that lies ahead. We will look for you with many sheaves for your labor when the great Master Teacher calls all the faithful to His eternal home.

H. V. REED

### Welcome and Farewell

Campion Academy and the Colorado membership welcome a new principal at our conference boarding academy. Elder

William Fuchs, principal at Forest Lake Academy, Maitland, Florida, for five years, has accepted our invitation to replace Elder Glenn Davenport, who has been called to service at Union College. In bidding good-bye to Elder and Mrs.

Mr. William Fuchs

Davenport, we say "hello" with a great big warm Colorado welcome to Elder and Mrs. Fuchs. We always delight in the making of new friends, and we always regret the passing to other fields, our old friends. We pray God's richest blessing upon Elder and Mrs. Davenport as they leave us, and we thank them profusely for the many fine years of excellent service they have given us here.

With the coming of Elder and Mrs. Fuchs to our campus, we look forward to an ever-expanding and broadening usefulness of our fine boarding academy to the youth and the people of this conference. Every Coloradan will pray for their abundant success and redoubled service in this great field.

Elder Fuchs was born at Roselyn, Long Island, New York. He took his Bachelor of Arts degree at Andrews University (Emmanuel Missionary College) in 1950, and his Master of Arts degree at the University of Minnesota in 1956. Elder Fuchs has given 15 years of service in the educational field, serving as

principal of the Minneapolis Junior Academy for five years, from 1950 to 1955, after which he was principal of the Greater New York Academy from 1955 to 1960 another five years, and for the last five years from 1960 to 1965 he has been principal and business manager of Forest Lake Academy in Maitland, Florida. With this rich background of training and service, we look forward to great things in the educational field in Colorado.

Prior to his teaching and administrative career, Elder Fuchs was a business man in New York City and later served in the South Pacific theatre during World War II for 42 months.

Elder Fuchs will assume his duties on the campus at Campion Academy beginning July 1 of this year. We hope that all of you in Colorado and the surrounding states will make Brother and Sister Fuchs feel right at home and give them your loyal support as they undertake this great work for God among us.

H. V. REED

### Farewell to the Gilbert Baders and Welcome to the David Pflugrads

Friends in Colorado have bidden farewell to a number of the staff at Campion Academy this year. We have also been able to welcome many fine replacements for these losses in our faculty and administrative staff.

Another such family to whom we bid a fond farewell is Brother and Sister Gilbert Bader. Brother Bader was accountant at Campion Academy. Replacing these dear people are Brother and Sister David Pflugrad, from the Rose Arbor Nursing Home in Sterling, Colorado, and we welcome them to the campus.

Brother Bader has given many excellent years of administrative counsel and labor to the success of our wonderful secondary boarding school. We know they will give good leadership and help to our school system in Lincoln, Nebraska.

Brother and Sister Pflugrad have had experience in nursing home management and other lines of successful business, including denominational work in California, prior to their coming to the wonderful state of Colorado. We wish for them the richest blessing of God in the discharge of the new duties which will fall to their lot at our boarding school.

Our members in Colorado pray for both of these fine couples in the continuation of their service for the Master Teacher.

We hate to see them go. We shall miss them in many activities of the school, church, and Pathfinder Club. But God

Mr. Wesley Peterson

expects people, as well as schools and churches, to grow, this we know. And when we grow, we accept greater responsibilities.

This summer Mr. and Mrs. Wesley Peterson and their four children will leave Fort Collins after six and one-half good years here. They will be only 18 miles away, at

When Mr. and Mrs. Peterson came to Fort Collins in 1959, with Mr. Peterson as teacher of the upper grades, their family included only Kristie, now eight years old. They have "grown," too, to include Linnaea, 5; Eric, 2; and Ingrid, 1; and they have a warm place in our hearts.

Our prayers and best wishes go with the Petersons, that they may continue in the Lord's work, encouraging and training our youth.

**Cooking School, Canon City**

The Canon City Health Cooking School, conducted by Mrs. John Goley, closed a very successful session Tuesday evening, May 18. There were 32 registered, nine of whom were of different religious persuasion, including one member of the Catholic church.

The classes, which lasted over a period of seven weeks, were most instructive and interesting. Dr. Dalrie Berg of Denver was with us one evening and gave a talk on the benefits of a healthful diet. Each evening Mrs. Goley prepared four different articles before the class; then generous samples were served, being enjoyed by all.

Prizes were awarded at different times. Mrs. Daisy Robinson, a member of the Church of Christ, was the winner of the grand prize (subscription to *Life and Health* magazine) for making the most recipes. She made 28.

In appreciation for the splendid work done by Mrs. Goley in instructing the class, the group presented her with a steam iron. Mrs. Harry Cottam, who drove over 75 miles each week to attend the classes, gave Mrs. Goley a set of stainless steel mixing bowls.

These classes were held in our new church, using the facilities of the Dorcas room in preparing the food. It is felt that the interest shown by the nonmembers of our church, and the good publicity received from the local paper has accomplished for us a good influence in the community.

### District Five Camporee

The pathfinders, campers, and counselors of district five enthusiastically gathered at Toronto Point State Park Friday afternoon, April 30, to pitch their tents for a week end of fun and fellowship.

After supper, which was provided by the Eureka Club, the Thayer-Fredonia Club led us in an inspirational vesper service around the bonfire on the beach.

At 6:00 a.m. Sabbath morning we awoke to the shrill sound of Pastor Hyland's whistle calling us to our Flag Ceremony (the raising of the flags), and worship, which was followed by breakfast provided by the Thayer-Fredonia Club.

For our Sabbath school we hiked to a natural amphitheater on the lake front where we sang and had Sabbath school, accompanied by the lapping of the waves as they splashed over the rocks. By this time our numbers had increased to approximately 60 as members from nearby churches joined our open-air Sabbath school. For our church service, which was presented by the Iola-Chanute Club, we hiked back to camp. With beautiful Lake Toronto in the background as a natural illustration, Pastor Hyland directed our thoughts back to the Red Sea experience. He said: "to each one of us, sometime in our life, will come the Red Sea Experience. Will we manifest the faith of Moses?"

The Eureka Club served the Sabbath dinner which was followed by a Nature Scavenger Hunt.

tents helped to revive us so we could enjoy our supper, followed by the Flag Ceremony and sundown worship presented by the Thayer-Fredonia Club.

The evening activities included a marshmallow roast on the beach and the singing of favorite camp songs and rounds.

After the Flag Ceremony, Sunday morning worship, and breaking of camp, the entire Pathfinder group drilled an hour before breakfast.

After eating our breakfast of French toast and scrambled eggs the entire group hiked to the lake for a chilly, but refreshing swim followed by a ball game.

A short meeting was held during the lunch hour at which time the Pathfinders voted to work on an honor in cooking and finish their Friend requirements so that they may soon be invested.

We were dismissed with prayer and traveled home tired, but happy for the richer experience we had gained in God's great out-of-doors.

## Faithful Witnessing Leads Two to Baptism in Lander, Wyoming

The Lander, Wyoming, church was recently enriched by the addition of two new members on May 22.

The baptism of Mr. Harold Knutson of Riverton united a family in the message. His wife has been a Seventh-day Adventist for some time. Her example and earnestness in sharing her faith with her husband aroused his interest in spiritual things. He completed the Voice of Prophecy Bible Correspondence Course and sought the pastor with a request for baptism and church membership. Following further studies, his wife, family and the Lander church were made happy as he closed the book on his former life and began a new and wonderful experience as a member of God's remnant church.

Mrs. J. H. Dalton united with the church as a climax of many years of developing interest. Her first contact

Church at Lander, Wyoming

with the message was in 1914, through a Mrs. Henry Parks of Coldecamp, Missouri, who zealously shared her faith with literature and books. She gave Mrs. Dalton a copy of Uriah Smith's *Daniel and the Revelation*. In 1918 a Brother Mizer, who was visiting his daughter in Riverton, gave Mrs. Dalton a book on Armageddon. Later Brother George Pierson from Lincoln, Nebraska, was in the Riverton area selling books during his vacation. Visiting from place to place by bicycle he happened to stop at the Dalton Ranch to get a drink of water. While he was there Mrs. Dalton mentioned her need for a young woman who could live with her and help with some of the work. Mr. Pierson suggested the name of Dorris Henderson (now Mrs. Dorris Hill of Cortez, Colorado). Soon arrangements were made and this young Seventh-day Adventist girl came to live on the Dalton Ranch for a year where she faithfully shared her faith.

About 1942 Mrs. Dalton had her first contact with an Adventist minister, Elder L. G. Beans. Believing the Sabbath, the Spirit of Prophecy, and the state of the dead in harmony with the distinguishing doctrines of Adventists, Mrs. Dalton was never able to agree to joining any church that did not accept these doctrines. She said, "I always knew I could never be a member of any other church since I read that copy of *Daniel and the Revelation* way back in 1914." Now, after many years, she feels that she has a church home and is a member and a part of God's remnant people. The members of the Lander church rejoice with Mrs. Dalton in her recent decision to unite with God's people as they journey to the kingdom of God.

C. RAY WYATT, *Pastor*

## "Signs" Aids in Baptism

It always brings joy when someone accepts the truth and is baptized into the church, but it is even more thrilling when they find their way by reading our literature. This was the experience of Mrs. Esther Pierson of Powell, Wyoming.

One day during the winter of 1961 Mrs. Pierson went to see her doctor, and while waiting for her appointment she picked up a copy of *Signs of the Times*, which Dr. L. D. Kattenhorn and Dr. A. J. Balkins always kept on hand in their waiting room. The message she found there touched her heart, but before she had finished reading it the nurse called her. During the months that followed whenever she went to the doctors' office she always found a copy of the *Signs* and read as much as possible, but it seemed she was always called before she could finish reading. It never occurred to her to ask if she might have a copy; she thought it should be left for someone else to read. This continued for about two years until January of 1964.

Mrs. Pierson's husband was a patient in the veteran's hospital at Miles City, Montana, and as she was going to see him one day she found a copy of the *Signs* in the Burlington Depot at Billings, Montana. Here, at last, was a copy of the *Signs* that she could keep. This was not to be, however, for Mrs. Pierson's daughter, who was also visiting her father at this time, took the magazine when she left. So, Mrs. Pierson continued to read more *Signs* in the doctors' waiting room in Powell, but still she did not ask for a copy.

Later Mr. Pierson was transferred from the hospital in Miles City to Evanston, Wyoming. On the way to Evanston, Mrs.

Mrs. Esther Pierson of Powell, Wyoming, always looked for Signs of the Times.

Pierson found a copy of the *Signs* at the Union Pacific Depot in Cheyenne, Wyoming. She remembers several titles of articles in that *Signs*: "God Speaks Through the Bible," "I Believe In Keeping God's Day," "I Believe in a Divine Creator," and a poem, "Divine Love." As she traveled between her home in Powell and the hospital in Evanston, she would take several copies of the magazine, read them, and then return them. She kept one copy, clipped a coupon and sent it to the publishers in order to subscribe for herself. Her first issue arrived in July of 1964.

During the fall of 1962 and into the summer of 1963, the Voice of Prophecy radio program was broadcast daily in Powell over KPOW, and the Piersons listened regularly until the daily broadcast was discontinued in the summer of 1963. They did not know that the program was on every Sunday until one day Mr. Pierson discovered it by accident. Mrs. Pierson heard about the "Radiant Health" course and she enrolled; then she took the "Light of the World" course and finally the "Faith" course. As she prepared a lesson to return it to the Voice of Prophecy, she checked the item asking a representative to call. Elder Ray B. Wing called about the first of April, this year, and arranged for Bible studies. Not long afterward she began attending church. She attended evangelistic meetings in the Powell church conducted by Elder Ben Z. George, and on Sabbath, May 15, she was baptized.

During the brief time when Mrs. Pierson was receiving studies, the pastor found repeatedly that she was way ahead of him. She believed the Sabbath and when the subject of diet was discussed he found that she was already following

a vegetarian diet. Mrs. Pierson read herself into the truth through the *Signs* and the Voice of Prophecy lessons.

We cannot help but wonder how many others there may be who are reading and studying and who are waiting to be gathered in; or how many are longing for a ray of light and will accept it if we will only give them an opportunity by placing literature where they can find it. Shall we meet the challenge with a spirit of greater zeal and devotion?

### New Principal at PVA

K. F. Vonhof, who has served Platte Valley Academy for the past six years, has recently accepted a call to become Academic Dean of the Southwestern College at Keene, Texas. We appreciate very much the good work done by Brother Vonhof during the years he was here and wish him well in his new field of labor.

After much study of a long list of available men, our committee has voted to invite Professor Don Wesslen to become the new principal. Brother Wesslen received his B.S. degree from Walla Walla College, and just a few years ago completed his M.A. degree in Secondary School Administration at the Colorado State College.

He comes to us with a good background of academy experience, including six years on the faculty of Columbia Academy in Oregon and four years on the faculty of Gem State Academy in

the Idaho Conference. For the past six years he has been connected with the Campion Academy in Colorado, two and a half years of this time he served as vice-principal.

We extend a hearty welcome to Don and Evelyn Wesslen and their three children, Jerry, Judy and Barbie. We hope their stay with us will be not only pleasant to them but also profitable in the upbuilding of Platte Valley Academy, a school that has produced so many workers for the cause of God through the years.

F. O. SANDERS, *President*

### Imperial District

Prior to the launching of the recent *Signs* campaign, a majority of those receiving the *Signs of the Times* in the Imperial district were contacted. We learned that at least 95% were reading and enjoying the *Signs*. A goodly number of non-Seventh-day Adventist readers renewed their own subscriptions at our suggestion. One couple said, "We had just been talking about renewing our own subscription." Several readers were enrolled in a Bible Correspondence Course. At one home where a grandmother was visiting, the grandmother, mother and young daughter were signed up for Bible courses.

Vacation Bible School was conducted at the Haigler church from May 24 to 27. For a number of years the church at Haigler has felt this was an important part of the church program. Mrs. Owney Fisher, as leader with a group of 11 helpers, carried on a successful school. Twenty-five children attended, three were from Seventh-day Adventist homes.

Left to right: Jerry, Judy, Mrs. Evelyn Wesslen, Barbie and Mr. Don Wesslen. Mr. Wesslen is the new principal at PVA.

dience of 430 persons. Approximately half of these were non-Adventists. During the first week, just completed, the attendance held up very well and several visitors did not miss a meeting.

The program is excellent. There are eight students from Andrews University and two ministers from Nebraska associated with the meetings.

It is too early to predict results, but several persons already appear to be interested. We are praying for and expecting a good harvest of souls from this effort.

### Sunnydale Academy Launches Improvement Program

The constituency of the Missouri Conference has launched a drive to raise \$25,000.00 by October 31. Essential improvements to raise the scholastic standards of the academy to meet the requirements of the Missouri Accrediting Association is the objective. These improvements have been recommended by the Accrediting Association.

Sunnydale is accredited by the General Conference Accrediting Committee. This recognition by the General Conference indicates the high standing of our academy.

About 75 were in attendance at the closing program.

This year, for the first time, Vacation Bible School was held in Benkelman from June 7 to 11. About 50 attended the closing program presented on Saturday night. Mrs. Harvey Hofer, leader, with 11 helpers, had a group of 22 children and carried on an excellent program. Only five of these children attend Sabbath school.

We hope to organize a weekly story hour as a follow-up for each school, and strengthen the overall youth program for the district.

Principal Don Contrell outlines the needs at Sunnysdale Academy. Church elders and deacons consider the needs for the academy as presented by the principal.

with this plan was reached at a meeting of the ministers, elders, and deacons of the churches in Missouri at the camp meeting session.

The theme of this decision meeting was the need of adequate educational environment for the youth for the conference.

Concern was voiced that every young person of high school age should be in attendance at Sunnysdale Academy. Conditions in all areas of life are continually exposing our youth to temptations that

require a Christian school to afford them the help they need. This need inspired the conclusion that our academy should be equipped to prepare our youth to compete in any area of world affairs, be it engineering, medicine, law, or any other field of endeavor they choose.

The decision was reached to ask each church to help by reaching a given goal by October 31, 1965.

Every church member shares a mutual concern and burden for the youth of our churches. During these summer months

shall we not make a special dedication of funds to this cause of youth in our conference?

Encourage every young person in your church to take advantage of the opportunities offered at Sunnysdale Academy. They need the benefit of this school and the school needs them. Nothing is more important to the work of the church than the rightly trained youth in its ranks.

We are happy to report that continual improvements are being made in the physical aspects of the school plant.

Recently George Chapman has begun to put new gutters and downspouts on the administration building and gymnasium. Other improvements are planned for the summer.

## Wedding

WREN-COLEMAN

Wedding bells chimed; the bridal chorus echoed; "I do" was said as Betty Zoe Wren, daughter of Mr. and Mrs. Frank Wren of Kincaid, Kansas, and James Edwin Coleman, son of Mr. and Mrs. Virgil Coleman of Harper, Kansas, exchanged matrimonial vows. The Iola Seventh-day Adventist church was filled to capacity with friends and relatives. A reception was held at the Methodist fellowship hall immediately following the wedding. For this young home as well as others let us echo our wishes in prayer.
