

A Duty and Privilege

The work of God to every disciple of the Lord is the most precious thing in this world. Its importance transcends every earthly and material consideration. The implied answer in the question asked the disciples by our blessed Lord, "For what is a man profited if he shall gain the whole world and lose his own soul?" recorded in Matthew 16:26 is just as important and timely today as when first given almost two thousand years ago.

No Christian organization today has provided a finer type of literature for its constituents than that produced by Seventh-day Adventists. But of all our denominational publications, the good old *Review* still occupies first place in the minds and hearts of our dear people. This is as it should be. We recognize, however, that there are still a goodly number of Seventh-day Adventist homes where the *Review and Herald* is a stranger. The spiritual loss thus sustained is beyond computation.

A number of reasons may be given for this failure on the part of the church to place our church paper in the homes of all the believers. Many recently added to the church have not known the value of this marvelous periodical. When its purposes and mission are fully understood many will gladly subscribe for it. The daily paper is regarded as a necessity by most people of the world. How much more important should we regard the need of providing the Review, with its timely, spiritfilled messages, for every family of believers.

Concerning this matter we have been repeatedly counseled by the Spirit of prophecy, as set forth in the following quotations:

"Our people should make greater efforts to extend the circulation of the

H. J. DETWILER

Review. . . Almost every family takes one or more secular papers, and these frequently contain love stories and exciting tales of villainy and murder which injure the minds of all who read them. Those who consent to do without the *Review and Herald* lose much. Through its pages, Christ may speak to them in warnings, in reproofs, and counsel, which would change the current of their thoughts, and be to them as the bread of life." -- "Testimonies," Vol. IV, p. 599.

GENERAL CONFERENCE SESSION

The business proceedings and other leading features of the 1941 General Conference (May 27 to June 11) will be reported in the *Review*. This necessitates extra issues, which our regular subscribers will receive without additional charge.

"We shall feel a deep interest in the *Review*, and make it a channel through which the brightest beams of light shall shine forth to the people. That paper is as dear to me as an only son. The Lord would have us all feel an individual interest in the prosperity of the *Review*. All should feel as deep an interest as they would in an only son. ." —*Review and Herald*, January 5, 1869.

"The Review is a valuable paper; it contains matters of great interest to the church, and should be placed in every family of believers. If any are too poor to take it, the church should, by subscription, raise the amount of the full price of the paper, and supply the destitute families..." -- "Testimonies," Vol. IV, p. 598.

For a period of weeks the publishing house is offering a year's subscription to the *Review* for only \$2.25. In 1941 extra copies for the General Conference session will be provided, giving the reports of that world gathering of G o d's commandment - keeping people, without extra cost to all our *Review* subscribers. To provide now for its weekly visits during the entire year of 1941 is not merely a duty but a glorious privilege.

62 PERCENT OF AMERICAN YOUTH USING ALCOHOL

THIS condition is alarming! Unimpeachable authorities now affirm that not only are 62 percent of American youth using alcohol in some form, but also that the tobacco habit is well nigh universal among both boys and girls! Yes, these are cruel, jarring facts, but we must face them squarely for they are true. The question comes as to what we can do about It is a challenge to every it. Seventh-day Adventist youth and adult, for we possess the very best temperance and educational literature on the subject. Young people, and brethren and sisters of the Advent truth, let us USE it. Here is a most excellent way:

Educate the youth of America by placing the "Facts for Youth" set in Y.M.C.A. and Y.W.C.A. institutions, reform schools, jails, police stations, hotels, hospitals, and public libraries in your community. This is a plan that every Missionary Volunteer can carry out successfully with funds provided from M. V. offerings and from other sources. Let us educate the young people of America by lending the "Facts For Youth" sets to CCC Camps, military training camps, and all public institutions of our community. Here are the books in the "Facts For Youth" set: (Continued on page 6)

A \$3.05 Credit Check Awaits You, But Act at Once

IF YOU have accepted the Advent faith since January 1, 1939, then this special introductory Spirit of prophecy Credit Check worth a full \$3.05 awaits you. In case you have not already received yours, write your Book and Bible House Secretary AT ONCE, for he has your New Believer Credit Check.

Some may ask why this very special introductory offer is extended at this time. It is done with the sincere hope that every *new believer* will begin to place the Spirit of prophecy writings in the home NOW and study them to become thoroughly grounded in the Advent message. Very soon we shall all be called upon to give a reason for the hope we hold so dear. Are we prepared for these perilous times which we are now entering?

We cannot go through the troublous times now commencing without a thorough *personal* knowledge of each precious truth. Our pastors and ministers are doing all they can to teach us the way; but they can no more partake of spiritual food for each believer than they can eat and drink daily for the members of their flock.

No, dear brother or sister, you and I must make our own personal preparation, for every soul must stand the test individually.

Dear new advent believer, we urge you to act NOW. Secure your special \$3.05 Credit Check, endorse it promptly and return same to your Book and Bible House, indicating that you intend to use it as part payment on either a "Conflict of the Ages" or a "Testimony" set. Be sure to indicate the binding desired and which of these two sets is wanted. Should you desire to secure both sets, two Credit Checks worth \$6.10 may be obtained. Then send your endorsed Credit Checks to the Bible House as part payment and ask the Bible House secretary how you may arrange for payments on the balance. Perhaps you may wish to pay the remaining amount right away, which is only \$8.95 in addition to your Credit Check, for a set of "Testimonies," or only \$8.20 in addition to your Credit Check for a set of "Conflict of the Ages" books. Should you wish to take advantage of the convenient, easy, partial-payment plan, the first volume in either set will be sent you upon receipt of your initial payment.

This plan has been especially arranged for YOU, dear new believer in the message, and we surely hope you will not neglect this opportunity to become acquainted intimately with the Spirit of prophecy books, and begin their study AT ONCE. These messages of counsel, warning, and help are vital to our eternal welfare and salvation. Be sure to endorse your Credit Check and send it to the Book and Bible House before December 31, 1940, making at least your initial down payment by that date, for the Credit Check becomes valueless after that date, if not used.

Eleven From Jersey Shore Baptized

BAPTISM is one of the most inspiring of divinely appointed ordinances. It is always a joy to the Church to see new believers added to it. It gives courage and strength. Friends and relatives are made to rejoice at the step taken on the part of loved ones. It is a time of particular rejoicing for the Bible workers and ministers as they see those for whom they have labored long and earnestly follow Jesus in baptism.

There was much rejoicing on the part of all when on Sabbath afternoon, October 12, eleven from Jersey Shore were baptized. The service took place in the pool of the Williamsport Y.M.C.A. A large proportion of the membership of both the Jersey Shore and Williamsport Churches was present to witness the ceremony.

These candidates were the result of the correspondence course in Bible that has been conducted in this district. The people were very happy to have obtained a knowledge of the truth for this time, and to be following their Saviour in baptism. It has been found that those who learn the message by this method become very firmly established. Surely God is good and greatly to be praised. God is doing miracles and wonders through His Word and Spirit in these days. Some people are sobered by the events taking place; and upon these hearts God pours out His Spirit to convert. To God be praise, now and eternally.

THE THIRD quarter finds the following societies with Grade A each month: Allentown, Northumberland, Phoenixville. Societies having Grade A for two months are Norristown Number One, Orvilla, South Philadelphia, West Philadelphia, Reading, Sayre, Scranton, and Stroudsburg. Other societies are climbing, and as progress is made we expect to see them join the A class during the fourth quarter.

Inquiries and Holidays

QUITE frequently we receive from Washington inquiries about our literature that come there from our field. A recent example is one from a lady who is anxious to purchase "Great Controversy" as soon as she knows the cost. Possibly it had previously come to her attention through one of our worthy colporteurs, or in the home of some Seventhday Adventist. Are you getting your neighbors and friends acquainted with S.D.A. literature? Or perhaps you need more abundant contacts with it yourself.

Notes From the Field

IT WAS the privilege of this writer to conduct services recently in four churches of the Pittsburgh area. On November 2 the Number Two Church and the North Side Church were found to be earnest, alert, and active in the service of God. How good it seemed to hear the spiritual responses that were made as the story of the recent Fall Council was unfolded in some particulars. Pledges and covenants to sacrifice for the finishing of the work were numerous. The Number Two Church has set its Thirteenth Sabbath Goal at \$300, -the largest goal in its history. They will reach it.

The North Side Church still is working earnestly in behalf of the Ingathering. Mrs. McKean, the missionary leader, is especially in earnest and is cooperatively working with Elder D. F. Roth, the pastor.

Secretary Andrew Fearing returned from a very successful Week of Prayer service in Mount Vernon Academy. Reports are that a spiritual and effective work was done in that institution and many students have given their hearts to the Lord in a deeper way.

Field agent Ben Savage, with his assistants, Mrs. Nancie Harris and Thelma Pangborn, attended a literature workers' convention in Washington recently. It was a source of great inspiration to these workers.

Elder E. H. Swanson and Brother Ralph Brown are associated in a hall effort which opened in the city of Altoona on Sunday evening, November 10. This field seems to be ripe for such an effort. Thousands of piecess of literature are being circulated and the church is being organized to support strongly the efforts of these brethren. Altoona has a nice church building,commodious and c on v e n i e n t. These brethren are setting their goal for 100 souls, and the prayers of the membership throughout the field are most earnestly solicited in their behalf.

News Notes

A VACATION was voted for Elder Ashton, who has worked very faithfully in establishing the new members in the C h a r l e s t o n Church and in making numerous improvements on the building. Elder Ashton is well deserving of a vacation.

Brother and Sister Ralph Logan of the Bluefield district accompanied Brother Niswander to Charleston. Brother Logan reported that the churches of the Bluefield district had reached their Harvest Ingathering goal. These new workers have done well, and we wish them God's blessing as they lead out in missionary work in the Bluefield district.

In a letter received this morning from Brother Voorhees he tells of a very successful week at Frostburg in connection with completing the Ingathering work there. Brother Voorhees has worked very hard in promoting the Ingathering campaign, which went over with such great success this year.

Brother and Sister Paully returned through the Clarksburg district from their recent vacation and gave assistance to Fairmont and Clarksburg in the Harvest Ingathering there. Brother Paully showed excellent leadership in the Ingathering work at Huntington. The goal was raised within six weeks. Then Brother and Sister Paully very kindly gave assistance in the Clarksburg district where they labored for two years.

The Kanawha-Walker Church went well over its Harvest Ingathering goal last Sabbath, under the leadership of Brother Finch. Brother Finch has been untiring in his efforts in building up the work at Kanawha-Walker, and we wish to congratulate him on his excellent leadership there, and wish the members well in their next year's endeavors. NEW JERSEY

M. G. Conger, Pres. W. F. Miller, S.-T. 1574 Brunswick Ave., Trenton, N. J.

"Thanks Be Unto God"

As we draw near this year's Thanksgiving time and review our recent Ingathering work in the 1940 Campaign, we trust all may join us unanimously exclaiming, "Now thanks be unto God..."

ing, "Now thanks be unto God. . ." "Thanks be unto God" that the missionary zeal pervading leaders and laity has resulted in our raising the largest amount of Ingathering funds ever gathered in a single campaign in the history of the New Jersey Conference. Far over the basic goal of \$17,-500 by the week ending September 14, we pressed on to our own Conference super-goal of \$26,-333. We had set our stakes to reach this mark by October 19 but, "thanks be unto God," we reached it one week earlier, or by October 12. Last year New Jersey reached an all-time (total amount) high, but this year exceeded it by over \$1,500,--thus scaling a still higher peak in the mountain range of missions support. Continuing on in strength, we celebrated "Victory" on October 31, surrounded by the colorful autumn leaves and coming frost on the pumpkins, rather than holly wreaths piled high with snow and the tolling of the New Year bells. Two months earlier than in any previous year in our Conference history, we issued our "Final Ingathering Bulletin," reporting a grand total of \$29,057.89 raised in our United Campaign. This grand total amount is several thousand dollars more than our Union Conference goal, and is an amount in excess of even our own high \$12 per capita goal for white, and \$7.50 per capita for colored, and enables us to present to the Mission Board a splendid Ingathering gift, overflowing our basic goal by \$8,540.90!

"Thanks be unto God" for the five enterprising districts of breth-

ren Lenhoff, Dobias, Nagy, Banfield, and Kibble, which are distinguished for having raised their full district goals without personal help from Conference headquarters! For the new recruits of the Westwood and Jugoslavian groups which nobly did their full share and more in this year's Ingathering Campaign! For Plainfield's phenomenal early 15day campaign, during which short period they not only raised their full goal, but also provided the largest overflow amount of any church in the entire conference! For Hackensack too, which, returning to its former days of strength, not only raised a round \$1,000 and more, but also leads the entire field with the highest per capita amount of any organized church in the Conference! For Jericho's surprising grand and early victory, and then their unselfish sacrifices and labors to substantially help other needy near-by churches! And for the Paterson English Church's marvelous three-week campaign yielding as much as \$500 a week, and Elder McCoy's unprecedented district rise from the bottom of the financial sheet on August 17, to the very top of the financial sheet of the "Final Ingathering Bulletin!" Time would fail me to tell of notable individual lay members of various churches who by faith conquered obstacles. overcame difficulties, and came off with signal soliciting victories for God!

"Thanks be unto God" that in addition to the hundreds of thousands of copies of English and foreign Ingathering magazines and singing-band leaflets we also extensively distributed literature from the Delaware River to the Atlantic Ocean, including 50,000 free copies of special *Present Truth*, No. 15.

Although there were some hindering circumstances such as unusual flood conditions; unseasonably cool weather in early summer adversely affecting tourist traffic and seashore vacationists; municipal restrictions to soliciting; rising national feeling because of war that caused added difficulty for solicitors of our numerous foreign churches; nevertheless, new conquests were achieved and new honors were won as, to the praise of God, the field was led on from victory to victory.

Again this year we admire the inspiring spectacle that the financial sheet presents with its overflowing figures, and its dramatic "short" column, showing only blanks opposite the name of each church. Every district, every church, not omitting one, is over the goal, and every one provides "overflow," some individual an churches having overflows of hundreds of dollars. Deeply moved by these, your faithful sacrifices and labors that have brought forth such an abundant fruitage, I again express my sincere gratitude to God and profound appreciation to our Conference Home Missionary Secretary, district ministers, church officers, and loyal members who in a new resurrection of holy zeal made possible the outstanding successes of this, the greatest of all our Ingathering campaigns!

"Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place." (2 Corinthians 2:14).

A New Church Organized

•

SABBATH, November 16, Elder Detwiler and the writer visited the Cincinnati Walnut Hill Church. Elder Detwiler preached to the large congregation a very timely and stirring sermon, which inspired all who were in attendance. Elder Denslow, the pastor of the church, asked all the new believers to stand, and it was a beautiful sight to see more than 100 respond by standing to their This number represents feet. only about one-fourth of the converts that have been baptized as a result of Elder Boothby's effort, which has been conducted in the Emery Auditorium of Cincinnati, dating from the second night in January, 1940.

During the interval between the first and second efforts held by Elder Boothby in the Emery Auditorium, Elder Boothby conducted a tent effort in Hamlet, a suburb of Cincinnati, located at a distance of about twenty miles from the Walnut Hill and Berea Churches. The tent effort resulted in about 26 souls' accepting the truth. On Sabbath afternoon Elder Detwiler spoke to the new group of believers at Hamlet,

COLUMBIA UNION VISITOR

after which we organized a church there. Some members of our other churches nearby are transferring their membership to the new church, and these transfers will probably make the total membership about 50 or 60.

There is a very enthusiastic little company at Hamlet. They have already erected a chapel, without any indebtedness, in which to meet. Elder Denslow is now conducting a series of meetings in the new chapel, and we believe, with the full cooperation he is having from the new Sabbath keepers and others who are interested in the work in Hamlet, that his effort will result in many more coming into the faith.

Plans are being laid for the organization of a new church in the downtown district of Cincinnati.

Elder Boothby has conducted a very outstanding effort in Cincinnati which he says will result in about 400 baptisms, and will conclude his work the first part of December. Elder Denslow, Elder Berg, and other workers who are left to bind off the large interest, are strongly organizing and laying definite plans to bind off the great work which is yet to be done. W. M. Seven Reasons Why—

EVERY Adventist home should receive our church paper:

1. Review and Herald is our denominational organ especially edited for believers and their families, and no home can afford to do without its weekly visits. 2. Review and Herald brings

2. Review and Herald brings earnest messages for the church, and timely articles from our leading writers treating important Bible prophecies and comments on world events.

3. Review and Herald will keep its readers well posted week by week on missionary sailings and openings, and on the progress of the third angel's message throughout the world.

4. Review and Herald renders weekly reports from some part of the world field and messages direct from our missionaries out on the frontiers of benighted lands, bringing cheery reports of marvelous experiences interesting to young and old, showing the leadings of God in the onward march of the advent movement.

5. Review and Herald gives departmental reports and items of interest in Religious Liberty, Health and Home departments, Sabbath school, Young People's, Educational, and Home Missionary Departments.

6. Review and Herald will keep every reader posted on all important denominational gatherings, gives reports of camp meetings, spring and fall councils, and will give a full report with special issues of the coming world conference to convene in San Francisco, May 27 to June 11.

7. Review and Herald, with its weekly treasures of spiritual food and guidance, will lead the reader to a clearer vision in the performance of his divinely appointed task with deeper devotion, more earnest consecration, and in a closer walk with God.

In Volume 4, page 599, we are counseled on the subject of the *Review*:

POTOMAC

J. W. MacNeil, Pres. C. H. Kelly, S.-T. 411 Cedar St., Takoma Park, D. C.

Is the "Review and Herald" in Your Home?

WITH a scratch pad under my hand I have just figured the average yearly cost we pay for the daily newspapers. At 20 cents per week, a family pays to the neighborhood news boy within a year the total of about \$10.40, and what does it get? A few columns of international news, a smaller amount of space given to local activities, and the rest of the paper devoted to society highlights, the sports world, and the city's advertising. A few minutes of concentration on the headlines and informative facts each evening, and the paper is cast aside.

The official publication of this denomination is a paper that will serve many purposes in your home each week. Its cost is only a fraction more than four cents per week, and every word is interesting reading and vital information.

The regular price of the *Review* and *Herald* is \$2.50 per year, but the recent Fall Council voted the special rate of \$2.25 if the orders are placed before January 15.

The news of present-day conditions, and those international war-time activities that can so quickly affect our work, reach our people first through the medium of the *Review and Herald*. "Every family should have this paper and if they would deny themselves their daily luxuries, many who do not now have its weekly visits might pay for the messenger of light to come into their household."

The price for this large, 32-page weekly periodical for a year during the month of December is only \$2.25.

Dear believers, start the new year right by being a subscriber to our church paper. Make it of first importance to your home and family, and may God help every believer in these serious and troublous times to make right decisions and spend time and money for that which will bring lasting and eternal blessings and happiness.

Anol Grundset

The movements of our missionaries, and their accomplishments, the status of our foreign offices and institutions, the very work we are supporting, is all reported through the columns of this weekly publication. The doctrines, the fundamental principles and teachings of this third angel's message, are set forth regularly in printed form,-a Sabbath sermon placed in your hands each week. The Review and Herald will guide one safely through the varied teachings and multiplicity of new doctrines and religious tangents which have been so warningly prophesied for these last days.

For the coming year of 1941 a General Conference will be held in the late spring. As in former years, the regular subscribers to the *Review and Herald* will get the special General Conference issues of the paper giving all reports on proceedings at that great world council. These extra issues will come to you free.

Again I would urge that you weigh the value of your church paper in your home, and without delay see that the members of your family have the benefits of its weekly visits. Make a Christmas gift to your companion of a year's subscription to the *Review* at the special price of \$2.25. Remember your children with the *Youth's Instructor*, a characterbuilding visitor coming fifty-two times a year.

Most of us pay without question the price of the daily paper, the necessary clothing for the family, and the daily food for nourishment, but we must not forget the spiritual food for our souls, the tie that binds our people together, the messages that are prepared for the enlightenment and advancement of the believers of this denomination.
