Youngstown, Ohio, Evangelistic Campaign

It was my privilege to spend a recent week end in Youngstown, Ohio, where Elder E. F. Koch, the Columbia Union Conference Evangelist, is conducting an evangelistic campaign. This series of meetings opened in the Stambaugh Auditorium on March 16. During the two intervening months four evening meetings—Tuesday, Thursday, Friday, and Sunday—were held each week.

Recently Elder Koch presented the more testing truths, including the Sabbath, to a very large audience, and on Sabbath, May 24, the first Sabbath-afternoon meeting was held. After a stirring sermon Elder Koch extended an invitation to all who were ready to accept the Sabbath message and who were willing to follow the Lord in baptism to come forward. Twenty-one men and women responded.

As these individuals took their stand for this blessed truth which is due the world in our day, I was impressed with the fact that they came forward just as they were, bedecked with jewelry—rings, necklaces, ear ornaments, etc. They came to accept God's Sabbath and to cast their lot with the remnant people on their pilgrim journey to the heavenly Canaan.

As always is the case, as these dear souls receive further instruction, and as they become more firmly established in their newly found faith, they will accept the high and noble standards of the remnant church and they will lay aside all this ornamentation and jewelry for mere "show," and will put on "the ornament of a meek and quiet spirit, which is in the sight of God of great price." What a transformation this truth brings

about in the lives of those who hear and accept!

I often ask, when I witness a scene like that which took place in the Stambaugh Auditorium: What will these new believers find when they join the remnant church and fellowship with the older believers in this message? What a challenge these new believers present to us who have been long in the way!

We are confident that there will be a rich harvest of souls in Youngstown, Ohio, as a result of Elder Koch's effort.

Let us pray that God may continue to bless our soul-winning evangelists.

Marine Draft to End

FOR the past year the Marine Corps as well as the Army has been taking draftees. It is now announced that this will stop after the allotment made in May.

The Army, of course, will continue taking draftees, but it will be the only branch of the military service which will do so after May.

When the Marine Corps began taking draftees it caused us more than usual concern, for the Marine Corps is a wholly combat outfit, having no tradition of noncombat training. Consequently, under-

standings and arrangements had to be worked out by which 1-A-O men taken into the Marine Corps would be trained as noncombatants. This was done and regulations and directives required were issued. The Marine Corps did not like it and we did not like it, and our men have had some hard times, but it has worked out finally satisfactorily.

Our men who have entered the Marine Corps through the draft during the past year will, of course, serve their time there. It is gratifying to know that no others will be thus assigned after the May allotment.

Report From World Relief Depot on West Coast

OUR faithful welfare and Dorcas workers have made possible an interesting report for the first three months of 1952 by sending clothing for relief work. The shipments have come in from many parts of the United States:

January—packages received, 584, total weight, 21,757 pounds; February—packages received, 918, total weight, 29,928 pounds; March—packages received, 560, total weight, 20,549 pounds; quarter—packages received, 2,062, total weight, 72,234 pounds.

Welfare centers are being organized in many of our churches and conferences here in the United States. General welfare and relief activity is being accelerated for local and foreign needs. This indicates that there will be an upward trend of shipments during this year, since larger amounts of clothing will be gathered from neighbors, friends, business con-

cerns, and the general public. The west coast depot is prepared to handle whatever may come in.

We can at least attempt great things for the Lord and expect great results. Since the first quarter brought in, here at the west coast depot, 2,062 packages, or 72,-234 pounds of clothing, can we not hope for as much each quarter of this year? Would 8,248 packages be too many to hope for, or 288,939 pounds? A goal set at 300,000 pounds of clothing received in this depot alone would make a good goal for this year. That is the way it looks to the writer. How does it look to you?

Three hundred thousand pounds! During 1951 we received 143,542 pounds of clothing here in this depot. The shipments for the same year totaled over 100,000 pounds. During the first three months of 1952 we shipped 272 bales, or 57,-645 pounds, of clothing to needy people overseas. Another shipment of 210 bales, or 36,132 pounds, was sent in April, and other shipments are being made ready.

We thank every welfare and Dorcas worker who has cooperated to make the above report as encouraging as it is. God will give His reward to each one according to his works.

Wanted: Access to Copy of 1863 Prophetic Chart

THE manuscript of Volume IV of *The Prophetic Faith of Our Fathers* is now in completed form, and the illustrations are being prepared. One outstanding illustration not yet available is the James White prophetic chart of "1863," pictured in M. E. Olsen's *Origin and Progress of Seventh-day Adventists*, page 234. We have the pamphlet, *Key to the Prophetic Chart* (1864), but need access to a clear copy of an original chart for the wording and for photographing; hence, this appeal. Colleges, churches, publishing houses, retired workers, and pioneer workers' descendants, will you not make search and see if you have it?

Here is a description: The symbols of Daniel are at the upper left, and the 2300-year diagram on the upper right. The three angels, followed by the coming of Christ on

the clouds, appear at the lower left; while the prophetic symbols of Revelation are on the right. The sanctuary, with its two apartments, is at the lower center, and the inscription or title of the chart is in the lower right corner. This apparently reads, "A Pictorial _____ of the Visions of Daniel and John," with the remaining information about the publisher or lithographer at Boston, and the date, not legible on the photograph in our possession.

If you have a copy of this chart, kindly communicate at once with L. E. Froom, General Conference of Seventh-day Adventists, Takoma Park, Washington 12, D. C., and arrangement will be made for its safe transmission and return, or for a local photographer to make a good negative for us. Your help in locating a copy will be greatly appreciated.

Tornadoes and Adventists

FLOODS and tornadoes in recent months have given tremendous emphasis to our church's program of training our members in first aid, home nursing, and nurses' aid work, as well as to the blessed ministry of our Dorcas women in

welfare work, the stockpiling of medical supplies and clothing, and their cooperation in building community blood banks.

Keep it up, dear believers. Enlarge it. This is what we are in the world for—to help humanity, to save lives, to relieve suffering. This is the work our Saviour did during His earthly ministry. This is the work He left for His church to do. Let us be about our Master's business.

You will have use for your first-aid training. Be sure and take it and be prepared.

How God Uses Our Foreign Literature

THE use of our foreign literature is ordained by God and is a mighty means of saving many souls who otherwise would have been left in darkness and death. God wants us to work for the foreigners with literature in their various mother tongues. The messenger of God tells us what God's plan and command is:

"I have been shown that our publications should be printed in different languages and sent to every civilized country, *at any cost*. What is the value of money at this time, in comparison with the value of souls? . . .

"These were not satisfied with merely enjoying the light themselves, and they began to work for others. Some make great sacrifices for the truth's sake and do help those of the brethren who were in darkness. *The way is thus preparing to do a great work in the distribution of tracts and papers in other languages.*"—*Life Sketches*, pp. 214, 215; italics supplied.

This is being fulfilled before our very eyes today, wherever our people use our foreign publications in their work, here and abroad, and the results are wonderful! This is especially evidenced by the many letters with experiences and requests from the field relative to the truth-filled German *Signs, Zeichen der Zeit*.

Many souls are being won by *Zeichen der Zeit*. Yes, whole churches spring up through this means. It pays to work with *Zeichen der Zeit*. Let's do it now!

Constituency Meeting Report

MAY 11, 1952, was a day long to be remembered. The experiment to conduct the biennial business sessions of the Conference on a single day apart from the regular camp meeting fully justified all the benefits claimed for this new plan.

So successful were the day's activities that the 418 delegates, representing every church in the Conference, adopted the new plan as regular practice for this conference. Between the opening and closing hours of the program—9:00 A.M. to 5:00 P.M.—the alert, deeply interested, and enthusiastic delegation which packed the auditorium of the Reading Junior Academy—

1. Reverently participated in the devotional fellowship led by Elder A. V. Olson, Vice-President of the General Conference;
2. Studied and approved the reports of the Conference officers on the state of the Conference;
3. Admitted two new churches—Reading Kenhorst Blvd., and Elizabethtown—to the sisterhood of churches;
4. Studied and approved the reports from the Book and Bible House Manager and the Conference departmental secretaries (During this time the Committee on Committees, selected by the delegates in their home churches, met to nominate the standing committees);
5. Inspected the new Conference office during the noon intermission;
6. Re-elected the Conference officers and departmental secretaries and elected a Conference committee and a board of trustees for the Association—T. E. Unruh, R. E. Spangle, E. D. Calkins, A. W. Kaytor, C. L. Duffield, A. W. Ortner, Ira Mills, C. J. Denlinger, and Edward Sterner;
7. Amended the constitutions of the Conference and the Association to bring them into harmony with the General Conference policies;
8. Voted credentials and licenses to all Conference employees;
9. Approved far-reaching educational plans calling for the immediate establishment of a boarding academy, the raising of an academy building fund equal to the amount raised for missions through the Ingathering campaign yearly, the training of a larger force of elementary teachers, the rapid increase in the number of church schools, the employment of church school teachers on a twelve-month basis, and the formulation of a new plan of church school finance;
10. Approved other resolutions calling for the marshaling of all ministerial and lay forces for soul-winning activities with the objective of doubling our membership, an enlarged colporteur army to blanket our territory with truth-filled literature, an enlarged program of youth evangelism, the purchase of a junior camp site, gearing every phase of Sabbath school work to evangelism, and an ever wider use of the public press in all our activities.

Such was the ambitious program mapped out by the delegates for the work of God in the East Pennsylvania Conference. The reports rendered by the officers and departmental leaders showed marked progress during the past two years.

The additions to the churches by baptism and profession of faith totaled 462. The tithe income for the period under consideration was \$804,014.33, while our gifts to missions amounted to \$289,594.67.

Book and Bible House sales for 1950 and 1951 totaled \$155,143.74. Colporteur deliveries jumped from \$60,590.51 in 1950 to \$87,846.35 in 1951. The number of church schools, enrollments, and the number of teachers employed, all have rapidly increased, while every phase of home missionary work has shown marked progress.

An incomplete report from the Press Department showed that 16,472 column-inches of space about Adventists had appeared in sixty-one different newspapers, carrying a cash value, if we had been compelled to pay for it, of \$57,000.

But why dwell upon the past? The future is gloriously bright with the promises of God, and time is too precious to dwell upon the past when so many opportunities for greater accomplishments confront us. The future is all that matters now.

Yes, May 11 was a day we shall long remember. Through the united efforts of the entire Conference membership, made effective by God's enabling grace, the program adopted by the delegates must result in the finishing of the Master's work.

School Year in Alexandria

THE A. G. Daniells School in Alexandria is about to close another successful year, thanks to the devoted teachers, and the mother-driver who sat every morning and afternoon at the wheel of the new Chevrolet carryall.

The teachers are Miss Narcissa Snyder, principal, and Miss June Wallace. The mother-driver is Mrs. Walter Hines who every morning before 8:00 o'clock is on the road, taking not only her own little second grader, but almost half the school enrollment on her appointed rounds to the school for opening time at nine.

This vehicle which proudly bears the inscription, "A. G. Daniells School, Seventh-day Adventist School Vehicle," has signalized a new day in the prosperous growth of Alexandria's church school, and everybody is very, very thankful.

Look at those future preachers, teachers, doctors, and nurses lined up in front of the car, which in turn is in front of the church. In the front row are, left to right, Doris Hitt, Clifford Carlisle, Beverly Mowry, Carolyn McFadden, Lindy Williams, and Patsy Van Pelt. Back row, left to right, Wendell Fray, James Hitt, Michael Sullivan, Judy Van Pelt, Bobby Mowry, Faith Hines, and John Hitt. And in the driver's seat, the place she enjoys so much, is Mrs. Hines.

In the background are the other children who don't need to use

school transportation but who wish they could.

Evangelism in Richmond

THE series of evangelistic Bible lectures conducted by Elder L. R. Mansell and his associates in the beautiful WRNL auditorium in downtown Richmond closed with the meeting on Sunday night, May 25. To date twenty persons have been baptized as a result of the meetings, and other baptisms are planned to be held in the near future. On Sabbath, May 10, the Richmond Church was filled to capacity, with many standing, to witness the baptism of thirteen of the number who have surrendered to follow Christ.

The message is also being broadcast daily over Station WRNL in Richmond on Sunday at 9:15 A.M. and Monday through Friday at 1:15 P.M. Several thousand are enrolled in the Bible courses offered over the radio and in the public meetings, and this interest is being followed up by the campaign workers.

Workers who have been associated with Elder and Mrs. Mansell in this program are: Mr. and Mrs. Giles Roberts, who are in charge of the Bible school and who assisted with the music; Mr. and Mrs. David Fockler, assistants; Mr. and Mrs. William Carey of Appomattox who directed the music in the meetings on Sunday nights; and Grant VanMeter, student of Richmond Junior Academy, who played the piano. The church members faithfully helped in the ushering and supported the meetings with their attendance and otherwise.

A good interest and attendance prevailed throughout the cam-

paign, and a good harvest of souls is anticipated as a result.

Alexandria Church News

THE Alexandria, Va., Church rejoices in the addition of nine new members by baptism at two ceremonies, April 19 and May 17. The following candidates came into our fellowship: in April—Mrs. Ethel Jackson, Mrs. John W. Hitt, and Miss Carolyn Shobe; and in May—Charles W. Henrichs, Jr.; Dan E. Vance and his daughter, Polly; two sisters, Mrs. Buford Morris and Mrs. John Newman; and Miss Silvan Wolfe.

The church school year has come to a successful close and both teachers, Miss Narcissa Snyder and Miss June Wallace, are under contract to return. Ingathering has been completed and also a very gratifying series of Sunday-night meetings, which have come within \$50 of being self-supporting on a budget of \$450.

One of the baptismal candidates joined with one of the deacons, Harvey Spilman, in installing and giving to the church a fine public address system. To God be the glory.

Branch Sabbath School Evangelism

THE wise man tells us that "a good report maketh the bones fat."

We here in West Virginia are grateful to the Lord for the blessings He has so freely showered upon the faithful efforts carried forth by our district pastors in behalf of our branch Sabbath school evangelism in this challenging Sabbath school centennial year.

Two more branch Sabbath schools have just recently been added to the ever-growing number of His branch Sabbath school light-houses throughout the Conference. One of these is Reedsville in the Fairmont district, which was born

as a direct result of a faithful follow-up work by our pastors and Bible workers in this district in visiting the Twentieth Century Bible School interests. Over thirty-five members were present to drink deeply of the truths of God's Word through Sabbath school study.

The writer understands that Miss Mary Bierly, our faithful Bible instructor, is assuming the leadership of this new branch Sabbath school.

Another lighthouse was just organized recently by Brother W. E. Snider of the Webster Springs district when he met with a group of over twenty-five interested people at Birch River, W. Va., in organizing our first branch Sunday school. The pastor of this district has been conducting Sunday-evening services in this area for several weeks now and the interest is growing constantly in behalf of the truth-filled messages presented from week to week. We believe that this new branch Sunday school organization will be the means of bringing many of these new believers into full fellowship with God's remnant people.

Good news has just come to us recently from the Fairmont-Clarksburg district in behalf of the continued blessing of the Lord on the Brown-ton-Galloway branch Sabbath school which was newly organized last November. I am sure you will all rejoice with us as we tell you that just a few weeks ago the Conference aided substantially in a financial way in helping Elder Hoffman and Brother Wetmore to secure adequate housing facilities for our new believers in Galloway. Already one of the members of this Sabbath school company has volunteered to provide a new floor for the building just purchased for their assembly hall. Many of these new believers along with their pastors worked together to give the building two coats of paint and are now busily engaged in raising funds to redecorate the interior.

At the time this is written a bountiful harvest in the way of a baptism is planned to take place here during the month of April when between fifteen and twenty new believers will be added to the remnant church.

Let us pray for our faithful district men and Bible instructors, as well as for the far-reaching influence of the Twentieth Century Bible School, that God will give us all divine wisdom and direc-

tion as we "lengthen our cords and strengthen our stakes" in developing new interests in organizing other branch Sabbath school light-houses that many may be brought to Christ through branch Sabbath school evangelism.

Academy Spring Week of Prayer

ELDER Arthur Patzer, the Missionary Volunteer Secretary of the Columbia Union Conference, was the welcome guest of Mount Vernon Academy for the recent spring week of prayer, April 21-26.

He used Colossians 3:2 as the key text: "Set your affection on things above, not on things on the earth." The theme chorus for each morning and evening service was, "My Desire, to Be Like Jesus." This text and chorus increased in meaning to many students as they placed their affections on "things above."

Elder Patzer presented a four-point program for a successful life. First, we are to prepare our lives for the coming of Christ as Noah did for the coming of the flood.

Second, we are to build on Christ, the sure foundation.

Third, we are to answer the call of the Master by turning from the things of the world.

Fourth, we are to take on true Christianity. Elder Patzer defined

duty, and on Sunday forenoon a battalion aid station was set up in the woods and simulated battle casualties were brought in by litter squads and given the type of treatment which the attached emergency medical tag indicated. Some of these casualties looked convincingly real, and all felt that this was a very profitable feature of the training period. All cooking was done by the cadets in the camp kitchen, and almost everyone experienced "K.P." duty at least once.

The Sabbath school was supervised by Cadet First Sergeant James Yoder of Mount Vernon. Elder G. W. Liscombe spoke during the worship service on the theme of loyalty to God and country.

The use of Camp Michael with its fine facilities was secured through the efforts of Brother C. E. Hinkley of the Galion Church, and the cadets are grateful to him and to the Boy Scout Council for the use of the camp.

"Go" Price Change

THIS is authoritative. After careful study by a special committee and during the 1952 Spring Council, an official action was taken establishing the subscription rate for Go at \$1.25 a year (\$1.35 in Canada), effective with the July, 1952, issue.

Rising production and material costs have made this small increase in price necessary. Go, however, is still a real value and offers ideas, help, counsel, and inspiration that is actually priceless. No missionary-minded individual can afford to be without it.

Veteran Committeeman Celebrates Fiftieth Anniversary

ON Saturday evening, May 3, the family and a few immediate friends of Brother and Sister H. J. Adams met in their home to celebrate with them their fiftieth wedding anniversary. The occasion was doubly important for Brother Adams, for it was also his seventy-fifth birthday.

Brother Adams' connection with the work dates back to the time when New Jersey was part of the Atlantic Conference, the churches very few in number, and the membership small. He is the sole survivor of the first New Jersey Conference committee chosen in 1901 at the time of its organization in a New York City convention. During the past fifty-one years Brother Adams has served as a Conference committeeman for all but six years. For about fifteen years he was secretary of the Conference committee and has served on occasions as the acting president. One year during this period was spent in Florida as a regular worker.

Brother Adams was converted through the pioneer labors of Elder D. E. Lindsey, assisted by Elder R. D. Hottel. He was baptized in 1890. A childhood sickness, which lamed him for life, prevented him

from becoming a charter member of the Burlington Church, where his membership has been most of these years and where he serves as local elder. His formal denominational schooling was in South Lancaster, Mass., during the years of the Spanish-American War.

In 1902 he was married to Miss Bertha Pennington, sister of Brother E. E. Pennington, who was also quite active in the early years of the New Jersey Conference as a colporteur, Conference worker, and committeeman.

Mr. and Mrs. H. J. Adams

Brother Adams' counsel has been a tower of strength, his firm stand for right a source of inspiration, and his punctuality and devotion unflinching.

Elizabeth Church Home Nursing Class

ON May 12, 1952, eleven Seventh-day Adventist ladies with four of their non-member friends received Red Cross home nursing certificates. The home nursing

class was sponsored by the Elizabeth Church and was taught by Mrs. Thomas Green, R.N., who recently became an authorized Red Cross home nursing instructor. The class was taught in conjunction with the General Conference health and home nursing course, and each member will also receive a certificate from the General Conference.

The attendance was very gratifying and enthusiasm for the class remained throughout the course. One member already has used the knowledge received as an opening wedge in sharing her faith by teaching her neighbor some of our simple hydrotherapy treatments.

At the close of the course most of the women expressed the desire to take the "Training Light Bearers" Course, first aid, and a cooking class. These classes will begin in the fall.

"The 'Know-How' of Christian Living"

"Ministers constantly tell us what we should do, but they seldom tell us how." This statement made to one of our outstanding ministers and authors, Arthur L. Bietz, suggests a basic weakness in religious life, for many who desire to do right lack a clear understanding of how to proceed. We must not only be interested in what we ought to do, but in HOW to achieve it. Many fall short of their ideals, because they do not know how to reach them. It is fully as important to know HOW to do right as it is to know what is right.

Many Christians would like to follow their Example, Jesus Christ, but they lack a basic knowledge of how to proceed. It is easy to move in the wrong direction, and many persons have taken detours which led them to discouragement and disillusionment. We become Christians as we learn the secret, the "know-how," of a life patterned after that of the Master. Arthur L. Bietz in his new book, "THE 'KNOW-HOW' OF CHRISTIAN LIVING," gives a sensible, logical, clear, and challenging approach to the major questions concerning the greatest adventure in life. Here is a new book for every church member and his friends. ORDER TODAY FROM YOUR BOOK AND BIBLE HOUSE. Price, only \$2.50.

Elizabeth, New Jersey, home nursing class.
