nish sleeping accommodations who are not prepared to accommodate with board, Those who sleep in homes of this kind can get their meals furnished at the school-home. Meals will be furnished at the school to those who are not delegates, at twenty cents per meal.

The committee on plans and accommodations will be glad to hear from those who are expecting to come, at the earliest date possible, so as to know how many, and who to provide for.

Address, V. O. COLE.
Graysville, Tenn.

with the Ty Ty church. The little flock is of good courage, and we all enjoyed meeting again. This is our youngest church, but we are glad to see a growth in all lines. The tithe and offerings are growing, and the members are doing what they can to enlighten others by selling books and papers. I noticed some taking the advantage of every opportunity to sell the Harvest Ingathering papers, and were having success.

Our conference has not ordered as many papers this year as last by several hundred. It is hoped that we will raise the record to even more and bring in a larger sum for missions. If you have not received your supply, order at once from Sister Clark. It is desired that every one will remit at least ten cents for each paper ordered.

We are pleased to note by the report of the Union Office that our quota of the Ten-cent-a-week fund is a little ahead. Let us keep it going. To do this we must be faithful in the Sabbath-school offerings and remit our campmeeting pledges to the treasurer. These pledges can be sent in at any time from now on thru the year.

We pray the continued blessing of God upon every member of the conference and wish you abundant success in every effort to extend the kingdom of Christ on the earth, at home and abroad.

C. B. STEPHENSON.

Notice

ALL who are planning to attend the bookmen's convention and Union Conference meeting to be held at Graysville, Jan. 7-18, are requested to notify the writer at their earliest convenience, so that accommodations may be provided. It is very necessary to do this, so do not think it is one of the "Nonessentials" unless you are willing to take your chances and perhaps, share the fate of the "Unprepared".

After a careful house to house canvass of our Adventist brethren living in Graysville, we think that sleeping accommodations can be furnished all who come; so it may not be necessary to bring bedding unless there should come an unusually cold snap. If, however, you feel like bringing an extra blanket or two, to use in case of an emergency, it will be your privilege to do so.

Some of the families here will fur-

Among the Churches in Georgia

ACCORDING to appointment, Brother Fulbright and the writer met with the Dixie church Oct. 30, and spent a week, conducting meetings every night. Quarterly meeting was held Sabbath, Nov. 4.

Brother and Sister Winn of Nashville, Ga. also Brethren Tarver and Thompson from the same place, and Brother Weber from Valdosta, and Brother and Sister Terry together with their sister came up from Thomasville to attend the meetings. All seem to be helped and returned leaving words of appreciation of the benefit derived from the meetings and the big heartedness of the brethren and sisters of the Dixie church. They will come again.

Brother and Sister Winn and Brother Thompson were baptized. The Lord came very near and gave witness of their acceptance. May these dear soldiers of the cross be faithful and daily realize the presence of the Redeemer.

Sabbath and Sunday were spent

Florida Items

THE many inquiring friends of Brother C. P. Whitford, who were disappointed in not meeting him at the late campmeeting, will be pleased to learn of his improved con-

FIELD TIDINGS

dition health-wise while at the sanitarium.

There is a growing interest in the educational department of our conference. Church-schools are in operation in Jacksonville, Ft. Ogden, Orlando, Tampa, Sneads Island and St. Petersburg. With the exception of Jacksonville, each place has been visited by Professor Gullet, the secretary of this department.

Two new school-houses have been built, one at Sneads Island and one at St. Petersburg. The long contemplated improvements on the Ft. Ogden school building are now completed, and the school is having a prosperous term.

Three strong Missionary Volunteer Societies, at Ft. Ogden, Formosa, and Tampa, are faithfully at work. The one at Formosa has already sent in a portion of \$50.00, the amount required yearly to educate a worker in Shanghai, China. A larger number of the young people are taking the Reading Course than at any previous time.

"The Help-one-another Club". One of the teachers in the Mission School at Jacksonville writes of the great delight their pupils have been afforded in the workings of a little club organized in the school called "The Help-one-another Club". Each Friday afternoon a pleasant exercise is furnished in relating the good experiences gained by helping one another.

A profitable visit has been made by Brother H. A. Shreve in the southern part of the State. Sixteen canvassers are now in the field, and others are planning to enter soon. The prospects are bright for the canvassing work.

Georgia Items

ELDER Chas. Thompson filled the pulpit in the Atlanta church Sabbath morning, Nov. 18. His discourse was helpful and much enjoyed by all. He spoke also on Sunday night at the Greensferry Ave. church.

Elder Stephenson returned from an extended trip to the churches in south Georgia, Tuesday, Nov. 14. He reports a good trip, having baptized several while away. We were sorry that while on the way from Macon to Atlanta he took a hard chill which was followed by severa

days of fever. A few treatments at the sanitarium brought him around again.

Owing to an abscess and other troubles, it was necessary to perform another operation on Miss Lizzie Stephenson which was done Sunday, Nov. 12. She is getting along very well at the present time.

Sister Kurtz had an operation in the Atlanta Sanitarium recently. She is doing nicely. We trust this aged sister will get well now, and enjoy good health.

Brethren Clark and Spaulding report a new Sabbath-school at Cordele of about thirty members. We are very glad to see the work at that place taking on organized form, and pray that we may soon organize a church. Brother Spaulding will follow up the work at that point this winter.

Brother Fulbright has just returned from a trip to south Georgia, and reports that arrangements have been made for the Spring institute to be held in the Dixie church.

A report from the Savannah church says that several new Sabbath-keepers are about ready for reception into the church; among them is a former deacon of the Baptist church. This church seems to have a working spirit. All the members take some part in spreading the message. "A working church is a growing church."

A mission school has been opened for the colored department in Macon, taught by Sister Lennard. The school has made a good beginning.

The tent meetings at Albany have resulted in a strong company there. We are glad to see the report of tithes and offerings coming in early in the experience of these two companies. This is as it should be. The work is not finished until the converts have begun to support this great cause. Our workers should realize that it is only as we bring the new converts in touch with the world-wide movement, in sympathy and material support of the message, that they are really a part of the body.

The annual Harvest Ingathering services were conducted in the Alpharetta church, Sunday night, Nov. 19. The program was good and well executed. The house would not hold all who came. Elder Stephen-

son and Professor Spaulding were present and rendered their help.

The Alpharetta Intermediate school opened Nov. 12 with a good enrolment. Everything promises that a good school will be conducted there this term. Prof. A. W. Spaulding has been engaged for the term. We can take two or three students from abroad.

Elder Shadel is spending some time in Wisconsin, his old home, in search of health. We learn that he has not improved much. We are sorry, but hope that he may yet regain his health and be permitted to take up the work.

Remember the week of prayer, and let all endeavor to make it a real season of prayer and seeking God. The evil times on which we have fallen demand more and more of the power and blessing of the Lord to meet the workings of Satan. We need to watch and pray much. Watch the progress or decline of grace in our own hearts as the years go by. Are we advancing or declining in soul development? This is the one great issue that confronts every one. We all have souls to save or lose. How will it end my brother, my sister, with you? Shall we make our calling and election sure, by daily harmonizing with God's revealed will, or will we neglect so great a salvation and be lost at last? May the Lord turn us to Him during this annual season as never before.

Graysville Items

DR. Lovell has severed his connections with the Graysville Sanitarium, Dr. Gregory who spent a number of years as missionary in South America, taking his place.

Eld. Charles Thompson enjoyed a few days visit at his home last week.

We were glad to have Brother V. O. Gole with us in chapel on Wednesday morning. He gave a very interesting talk on the canvassing work.

We are glad to report that Elder Baber is improving fast. We wish for his speedy recovery.

Active arrangements are being made for the meeting of the Union Conference here in January.

Mr. Lawrence Van Voorhis started for South Carolina the night of

FIELD FINDING

the 21st, where he expects to nice his future home.

The machinery for the broom factory has arrived and the broom maker is hard at work, preparing to make brooms.

Mrs. James Webb, from Alpharetta, Ga., is a patron of the Graysville Sanitarium.

Prof. M. B. VanKirk expects to start for College View, Neb., the night of the 27th, where he has been called to meet with the educational secretaries of the different Union Conferences.

organized with about twenty-four members, will be held in the home of one of the sisters.

One of the encouraging features of the work is that most of those who have taken hold, have put away snuff, tobacco, tea, coffee, coco-cola,

and have stopped attending shows, and are striving for a higher and holier life. I think there are prospects for a good healthy church here. We wish to give God the glory for the work that has been accomplished.

V. J. SPAULDING.

Cordele, Georgia

I CAME TO the Georgia conference last April, from the Tennessee River Conference, located my family in Alphretta, and then, May first, came to Cordele to connect with the tent work. There was quite a company of us for a while, but one after another left to do other work until only C. F. Clark and myself were left with the work. We remained until Aug. 1, when we took down the tent, and went to the campmeeting at Forsythe. After campmeeting, we returned to Cordele and pitched on the other side of town, and like Paul, while preaching the same gospel, found the people of Berea more noble than those of Thessalonica, so we found a class of people more ready to study and find out if the things we preached were true or not, and as a result, where only about four came out and accepted the truth on the other side, we have about twelve on this side, and several others who are trying to arrange things so they can take hold. Many more are convinced, and are much interested. Some of them, I have hope of getting to take their stand.

Out in the country a few miles, there are several more keeping the Sabbath as a result of a few meetings held there in a church during their revival. They asked me to take the time while I was with them for about three days, and I improved the time in presenting the message, with the result that their minister and his wife began keeping the Sabbath, and now they want me to come and hold a series of meetings there. The minister himself is convinced about the truth.

Our Sabbath school which we have

Florida

A Word of Thanks

DURING the last summer an invi-
tation was extended to the sisters in
our Florida Conference to help sup-
ply a long felt need—that of provid-
ing a quantity of bedding and such
furnishings as are needed in making
a tent comfortable and attractive for
our visiting brethren from the Un-
ion and General Conferences, who
attend our campmeetings from year
to year.

The hearty response with which
this call was met in the large supply
of nice new quilts, comforts, coun-
terpanes, sheets, towels, and pillow-
slips, besides a quantity of beautiful
tidies, dresser scarfs, rugs, and other
furnishings such as toilet soap, etc.,
made our hearts rejoice and feel that
in union there is strength.

Many expressed pleasure in the
fact that there was a work in which
the sisters with their limited means
could have a part. We wish to ex-
tend our hearty thanks for the valu-
able gifts bestowed, and for the sis-
terly love expressed.

Doubtless the Lord may open the
way this year for us as sisters to en-
gage in some other worthy enter-
prise for the good of His work. May
we be in readiness whenever golden
opportunities are afforded.

Mrs. R. G. STRINGER.
